Item 8.01 Other Events

On March 11, 2016 the Registrant replaced its existing \$1.5 billion 364-Day Credit Agreement and its existing \$2.25 billion Five-Year Credit Agreement, each of which supports the Registrant's commercial paper borrowings and is available for other general corporate purposes.

The new \$1.5 billion 364-Day facility will expire on March 10, 2017. As with the former facility, the Registrant has the option to extend the maturity date of all or a portion of advances outstanding at the time of maturity for one year. The new \$2.25 billion Five-Year facility will expire in March 2021. The Registrant's existing \$2.25 billion Five-Year Credit Agreement was scheduled to expire on June 8, 2017.

Under both the new 364-Day facility and the new Five-Year facility, as with the respective former facilities, the Registrant has the option to borrow at LIBOR-based rates plus a spread, subject to a cap and a floor that vary with the Registrant's debt rating, depending on the credit default swap spread applicable to the Registrant's senior, unsecured, non-credit enhanced long-term debt. The remaining provisions of each new facility, including representations, warranties, covenants and events of default, are substantially similar to the provisions of the former facilities. In particular, each new facility contains only one financial covenant, relating to interest coverage, and specifically excludes certain entities, including Euro Disney, Hong Kong Disneyland and Shanghai Disney Resort, from any representations, covenants or events of default.

Copies of the new 364-Day Credit Agreement and the new Five-Year Credit Agreement are filed herewith as Exhibits 10.1 and 10.2, respectively, and are incorporated herein by reference.
