As of March 24, 2006, the Company had outstanding 2,402,084 shares of its common stock, \$5 par value (Common Stock), each of which is entitled to one vote at the Annual Meeting. Abstentions and shares held of record by a broker or its nominees (Broker Shares) that are voted on any matter are included in determining the number of votes present or represented at the Annual Meeting. If a quorum is established, directors will be elected by a plurality of the votes cast by shareholders at the Annual Meeting. CORPORATE GOVERNANCE AND

THE BOARD OF DIRECTORS

General

The business and affairs of the Company are managed under the direction of the Board of Directors in accordance with the Virginia Stock Corporation Act and the Company's Articles of Incorporation and Bylaws. Members of the Board are kept informed of the Company's business through discussions with the Chairman of the Board, the President and Chief Executive Officer and other officers, by reviewing materials provided to them and by participating in meetings of the Board and its committees.

Code of Ethics

The Board of Directors has approved a Code of Ethics For Senior Financial Officers of the Company and the Bank. This document covers the company's Chief Executive Officer, Chief Financial Officer and the Accounting Manager. The Code of Ethics states that the Senior Financial Officers are expected to conduct business and act in an honest and ethical manner; provide full, fair, accurate, timely and understandable financial reports; report any significant deficiencies in the Company's internal controls over financial reporting; may not use corporate property, information, or position for improper personal gain or compete with the Company; endeavor to protect the Company's assets and ensure their efficient use; and respect the rights of and deal fairly with the Company's customers, suppliers, competitors and employees. It is available upon request to the Secretary of the Company at P. O. Box 1111, Timberville, VA 22853.

Board and Committee Meeting Attendance

There were 12 meetings of the Board of Directors of the Company in 2005. Each director attended greater than 75% of the aggregate number of meetings of the Board of Directors and meetings of committees of which the director was a member in 2005. The Board of the Bank, which met 12 times in 2005, primarily manages all matters for the Bank. All the directors of the Company are also directors of the Bank.

Committees of the Board

The Company has an Audit Committee, and the Bank has a Compensation Committee. The Company does not have a standing nominating committee.

Audit Committee

The Audit Committee assists the Board of Directors in fulfilling the Board's oversight responsibility to the shareholders relating to the integrity of the Company's financial statements, the Company's compliance with legal and regulatory requirements, the qualifications, independence and performance of the Company's independent auditor and the performance of the internal audit function. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the independent auditor engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attestation services for the Company. The Board of Directors has adopted a written charter for the Audit Committee. The Audit Committee Charter was included as Appendix A to the proxy statement for the 2004 annual meeting.

The members of the Audit Committee are Thomas L. Cline, Ellen R. Fitzwater, Daniel J. Harshman and Ronald E. Wampler, all of whom the Board in its business judgment has determined are independent as defined by the listing standards of the Nasdaq Stock Market (Nasdaq). The Board of Directors also has determined that all of the members of the Audit Committee have sufficient knowledge in financial and auditing matters to serve on the Audit Committee and that Ms. Fitzwater qualifies as an audit committee financial expert as defined by SEC regulations.

The Audit Committee met six times in 2005. For additional information regarding the Audit Committee, see Audit Information-Audit Committee Report on page 13 of this Proxy Statement.

Compensation Committee

The Compensation Committee reviews senior management's performance and compensation and reviews and sets guidelines for compensation of all employees. All decisions by the Compensation Committee relating to the compensation of the Company's executive officers are reported to the full Board of Directors.

The members of the Compensation Committee are Richard S. Myers, Michael W. Pugh and Ronald E. Wampler, all of whom the Board in its business judgment has determined are independent as defined by Nasdaq's listing standards. The Compensation Committee met once in 2005. For additional information regarding the Compensation Committee, see Compensation Committee Report on Executive Compensation on page 9 and 10 of this Proxy Statement.

Director Nomination Process

The Company currently does not have a standing nominating committee. The entire Board performs the functions of a nominating committee. The Board does not believe it needs a separate nominating committee because the full Board is comprised predominantly of independent directors (as that term is defined by Nasdaq's listing standards) and has the time and resources to perform the function of selecting board nominees. The President & CEO, the sole management director, abstains from discussions and voting for nominees. When the Board performs its nominating function, the Board acts in accordance with the Company's Articles of Incorporation and Bylaws, but does not have a separate charter related to the nomination process.

Should a vacancy occur on the Board of Directors of the Company, the Board would look at the Corporate Governance Committee's list of director qualifications (similar to those listed below) and consider these qualifications in developing a pool of potential nominees from the communities served by the Company. The Board would then appoint the candidate who was best qualified following discussions among the independent directors. The Board also considers potential nominees that shareholders might submit informally.

The Company's independent directors consider, at a minimum, the following factors in recommending to the Board potential new directors, or the continued service of existing directors:

-

The ability of the prospective nominee to represent the interests of the shareholders of the Company;

-

The prospective nominee's standards of integrity, commitment and independence of thought and judgment;

-

The prospective nominee's ability to dedicate sufficient time, energy and attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards; and

-

The extent to which the prospective nominee contributes to the range of talent, skill and expertise appropriate for the Board of Directors.

Shareholders entitled to vote for the election of directors may submit candidates for formal consideration by the Company in connection with an annual meeting of shareholders if the Company receives timely written notice, in proper form, for each such recommended director nominee. If the notice is not timely and in proper form, the nominee will not be considered by the Company. To be timely for the 2007 annual meeting, the notice must be received within the time frame set forth in Shareholder Proposals on page 13 of this Proxy Statement. To be in proper form, the notice must include each nominee's written consent to be named as a nominee and to serve, if elected, and information about the shareholder making the nomination and the person nominated for election. These requirements are more fully described in Section 2.5 of the

Company's Bylaws, a copy of which will be provided, without charge, to any shareholder upon written request to the Secretary of the Company, whose address is P. O. Box 1111, Timberville, VA 22853.

Annual Meeting Attendance

The Company encourages members of the Board of Directors to attend the annual meeting of shareholders. Eight of the directors attended the 2005 annual meeting.

Communications with Directors

Any director may be contacted by writing to him or her c/o P. O. Box 1111, Timberville, VA 22853. Communications to the non-management directors as a group may be sent to the same address, c/o the Secretary of the Company. The Company promptly forwards, without screening, all such correspondence to the indicated directors.

Director Compensation

All directors of the Company, who are also directors of the Bank, receive \$500 for attending each board meeting and receive \$100 for each Investment and Corporate Governance Committee meeting attended, \$150 for each Compensation Committee meeting attended and \$200 for each Audit Committee meeting attended. They receive no additional compensation as directors for Board meetings of the Company. In addition, each director received a bonus of \$7,000 for the year ended 2005.

Executive Officers Information

The following information, including the principal occupation during the past five years, is given with respect to each executive officer of the Company, except for Dean W. Withers, who is discussed above under Information Concerning Directors and Nominees.

Larry A. Caplinger, 53, has served as Senior Vice President of the Bank since May 1990.

Neil W. Hayslett, 44, has served as Senior Vice President and Chief Financial Officer of the Bank since January 2003. Prior to that time, he served as Vice President and Chief Financial Officer since 1996.

Severance Plan

In 1996, the Company and the Bank adopted a change in control severance plan that became effective July 1, 1996. The plan covers employees designated by the Company's Board of Directors, including Mr. Withers, Mr. Caplinger and Mr. Hayslett.

Under the plan, a covered termination is a cessation of employment with the Company or its then affiliates within 36 months after a change in control (as defined in the plan) on account of either (i) termination of employment by the covered employee for good reason (defined to mean the occurrence after a change in control of any of the following: the assignment of duties inconsistent with prior duties, the diminution of responsibilities, a reduction in base salary, a transfer of job location of more than 50 miles, a failure to pay compensation or deferred compensation within seven days after due, a failure to continue participation and benefits under any compensation or benefits plan (or any successor or replacement plan) at as favorable a level, or a failure of the Company to require any successor to the Company to comply with the plan) or (ii) termination initiated by the Company or any of its affiliates for any reason other than death, disability, mandatory retirement or cause (as defined in the plan).

In the event of a covered termination, a covered employee will be entitled to the following severance benefits: (i) continuation of the employee's base pay (as defined in the plan) through the earlier of his or her death or the third anniversary of the date of the change in control (the severance pay period); (ii) continuation of the availability of coverage, and the employer's regular contribution towards that coverage, under the employer's health care plan during the severance pay period for the employee and his or her eligible dependents; (iii) the right to buy any car that the employee is assigned by the employer at its then fair market value; and (iv) a lump sum payment equal to the value of any qualified or nonqualified retirement benefits forfeited by the employee on account of his or her covered termination.

Retirement Benefits

The Company has a noncontributory pension plan that conforms to the Employee Retirement Income Security Act of 1974, as amended (ERISA). The amount of benefits payable under the plan is determined by an employee's period of credited service. The amount of normal retirement benefit will be determined based on a participant's credited service, earnings and the benefit formula as described in the plan's adoption agreement. The plan provides for early retirement for participants with 10 years of vesting service and the attainment of age 55. A participant who terminates employment with five or more years of vesting service will be entitled to a benefit. The benefits are payable in single or joint/survivor annuities, as well as a lump sum payment option upon retirement or separation of service (subject to limitations as described in the plan's adoption agreement).

Compensation Committee Report on Executive Compensation

The Compensation Committee of the Bank has furnished the following report on executive compensation. All executive compensation for the Company and the Bank is determined and paid on the Bank level.

The Compensation Committee meets annually to review salaries, bonuses and the contributions to the Employee Stock Ownership Plan (ESOP) (also known as the Company's Stock Bonus Plan) and the Executive Deferred Compensation Plan. The Compensation Committee recommends to the Board of Directors the annual salary and bonuses of the Senior Management group.

The committee also recommends the annual contribution to the ESOP, which is shared on a pro-rated basis by all eligible employees, and the contribution to the Executive Deferred Compensation Plan, which was established for the benefit of the Senior Management group. Finally, the committee recommends a range of percentage increases in salary for the remaining staff. Increases within the range established by the committee and board are then recommended by department supervisors and approved by Mr. Withers.

Compensation for the President and Chief Executive Officer of the Company is determined by the Board of Directors, excluding the President and Chief Executive Officer, based on the recommendation of the Compensation Committee. The Compensation Committee attempts to provide competitive levels of compensation, which will attract and retain corporate officers and key employees with outstanding abilities and to motivate them through a combination of base salary, annual incentives and deferred compensation. The Committee uses the Virginia Bankers Association Salary Survey of Virginia Banks and compensation data contained in filings by companies that are SEC registrants for comparison of salaries paid for similar positions and responsibilities. The Board, on at least an annual basis, also reviews qualitative factors, such as Return on Average Assets (ROAA) and Return on Average Equity (ROAE) relative to peer banks. A subjective approach is used in this evaluation and therefore the committee does not rely on a formula or weights of specific factors.

Compensation for executive officers other than the President and Chief Executive Officer is determined by the Board of Directors based on the recommendation of the Compensation Committee, with the input of the President and Chief Executive Officer. As with the President and Chief Executive Officer, the Compensation Committee attempts to provide competitive levels of compensation, which will attract and retain corporate officers and key employees with outstanding abilities and to motivate them through a combination of base salary, annual incentives and deferred compensation. The Committee uses the same process for executive officers as it does for the President and Chief Executive Officer.

Compensation Committee Interlocks and Insider Participation

During 2005, no former or current executive officer of the Company or the Bank served on the Compensation Committee.

Indebtedness and Other Transactions

The Company's directors and officers, and other corporations, business organizations, and persons with whom some of the Company's directors and officers are associated, had loan transactions at December 31, 2005 with the Bank totaling approximately \$3,806,275 or about 10.8% of average shareholders' equity for the year. All such transactions were made in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time in comparable transactions with others and did not involve more than the normal risk of collectibility or present other unfavorable features.

Stock Performance

The following graph compares the cumulative total return to the shareholders of the Company for the last five fiscal years with the total return on the Russell 2000 Index, the Pink Banks (\$100M to \$500M) Index and SNL Bank Index, as reported by SNL Financial LC, assuming an investment of \$100 in the Common Stock on December 31, 2000, and the reinvestment of dividends. The Company decided to add a broader based bank index (SNL Bank Index) due to the limited number of \$100M-\$500M OTC-BB & Pink Banks.

PROPOSAL TWO

**RATIFICATION OF APPOINTMENT OF
INDEPENDENT PUBLIC ACCOUNTANTS**

Larrowe & Company, P.L.C. of Galax, Virginia, was the auditor for the Company for 2005 and is being recommended to the Company's shareholders for the ratification of its appointment as auditor for 2006. A representative of Larrowe

& Company, P.L.C. is expected to be present at the Annual Meeting, will have the opportunity to make a statement if he desires to do so, and is expected to be available to respond to appropriate questions from shareholders.

On January 20, 2005, the Company determined that, effective after its completion of the audit for the fiscal year ended December 31, 2004, S. B. Hoover & Company, L.L.P would serve as the internal auditor of the Company and would not be reappointed as the Company's independent auditor for the fiscal year ending December 31, 2005. On February 17, 2005, the Company engaged Larowe & Company, P.L.C. as the Company's independent auditor for the year ending December 31, 2005.

During the Company's two fiscal years ended December 31, 2003, and during the subsequent period through January 20, 2005, there was no disagreement between the Company and S. B. Hoover & Company, L.L.P. on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to the satisfaction of S. B. Hoover & Company, L.L.P., would have caused them to make reference to the subject matter of the disagreement in connection with its reports on the Company's consolidated financial statements. The audit reports of S. B. Hoover & Company, L.L.P. on the consolidated financial statements of the Company as of and for the two fiscal years ended December 31, 2003 did not contain any adverse opinion or disclaimer of opinion, nor were these opinions qualified or modified as to uncertainty, audit scope or accounting principles.

In addition, during the two most recent fiscal years and through February 17, 2005, the Company did not consult with Larowe & Company, P.L.C. regarding the application of accounting principles to a specified transaction or the type of audit opinion that might be rendered on the Company's financial statements or any other matters or events that are required to be disclosed by applicable securities laws.

A majority of the votes cast by holders of common stock is required for the ratification of the appointment of the independent public accountants.

The Board recommends a vote for Proposal Two.

Audit Committee Report

Management is responsible for the Company's internal controls, financial reporting process and compliance with laws and regulations and ethical business standards. The independent auditor is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes on behalf of the Board of Directors.

In this context, the Audit Committee has reviewed and discussed with management and the independent auditors the audited financial statements. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees). In addition, the Audit Committee has received from the independent auditors the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from the Company and its management. Moreover, the Audit Committee has considered whether the independent auditor's provision of other non-audit services to the Company is compatible with the auditor's independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005, for filing with the Securities and Exchange Commission. By recommending to the Board of Directors that the audited financial statements be so included, the Audit Committee is not opining on the accuracy, completeness or fairness of the audited financial statements.
