Dividend Reinvestment and Stock Purchase Plan (the "Plan"). DESCRIPTION OF THE PLAN

The following questions and answers constitute a description of the provisions of our Dividend Reinvestment and Stock Purchase Plan.

Purpose and Advantages

1. What is the purpose of the Plan?

The purpose of the Plan is to provide participants with a simple, convenient and economical method of investing cash dividends paid on shares of our common stock and optional cash payments for the purchase of additional shares of our common stock, without incurring brokerage commissions, service charges and other related expenses which are normally paid when purchasing our common stock. Additionally, the Plan allows us to retain funds normally used to pay dividends for general corporate purposes if we issue shares directly to participants.

2. What are the advantages of the Plan?

Participants may increase their holding of shares of common stock with the reinvestment of cash dividends received on previously owned shares of common stock registered in their names and investment of optional cash payments without incurring any service charges and without payment of brokerage commissions in connection with purchases under the Plan.

Regular account statements provide each participant in the Plan with a record of each transaction. Participation in the Plan is entirely voluntary. Shareholders may join or terminate participation at any time prior to a particular dividend record date by making timely written notice to the Plan Administrator, subject to your eligibility to participate and the payment of termination fees (see Questions 4 and 20).

Plan Administration

3. Who administers the Plan for participants?

Farmers & Merchants Bank, a wholly owned subsidiary of F & M Bank Corp., as the Plan Administrator, administers the Plan for participants by maintaining records, sending account statements to participants and performing other duties relating to the Plan. Shares of common stock purchased under the Plan are registered in the name of the Plan Administrator's nominee and are credited to the accounts of the participants in the Plan.

Farmers & Merchants Bank can be contacted at:

Edgar Filing: F&M BANK CORP - Form S-3D

Farmers & Merchants Bank
P.O. Box 1111
Timberville, Virginia 22853

Phone Number: (540) 896-8941

We may change the Plan Administrator at any time at our sole discretion.

-5-

We will bear all costs of administering the Plan, except as described under Question 15 below.

Participation

4. Who is eligible to participate?

Any holder of record who owns shares of our common stock is eligible to participate in the Plan. Beneficial owners of shares of common stock whose shares are registered in names other than their own may participate by requesting their broker or nominee to transfer their shares into their own name or requesting that the broker or nominee enroll in the Plan on their behalf.

The right to participate in the Plan is not transferable to another person apart from a transfer of a participant's shares of our common stock. Shareholders who reside in jurisdictions in which it is unlawful for a shareholder to participate in the Plan are not eligible to participate in the Plan.

5. How does an eligible shareholder participate?

To participate in the Plan, a shareholder of record must complete an Authorization Form and return it to the Plan Administrator. Copies of the Authorization Form may be obtained at any time by written request to Farmers & Merchants Bank, P.O. Box 1111, Timberville, Virginia 22853 or by calling (540) 896-8941.

Beneficial owners of shares of common stock should contact their broker or nominee regarding participation in the Plan.

6. When may an eligible shareholder join the Plan?

Any shareholder of record of our common stock may enroll in the Plan at any time. If the Authorization Form specifying reinvestment of dividends is received by the Plan Administrator no fewer than five business days before the record date for a dividend payment, such reinvestment of dividends will begin with that dividend payment. If the Authorization Form is received later than as described above, the shareholder will be eligible for participation in the program following the payment date of such dividend, and the reinvestment of dividends through the Plan will begin with the next dividend. (See Question 12 below for information concerning the investment of optional cash payments).

Please note that the Plan does not represent any change in our dividend policy or a guarantee of the payment of any future dividends.

7. What does the Authorization Form provide?

Edgar Filing: F&M BANK CORP - Form S-3D

The Authorization Form allows you to indicate whether you want to reinvest dividends paid on all or a specified number of your shares of our common stock, with the option of purchasing additional stock with cash payments.

Dividends on all shares purchase for your account under the Plan, whether through dividend reinvestment or optional cash payments, will be automatically reinvested in additional shares of our common stock, unless the shares are withdrawn from the Plan. (See Question 20 below).

-6-

8. May a participant change the number of shares for which dividends are reinvested after enrollment?

Yes. If a participant wishes to change the number of shares for which dividends will be reinvested, the participant must notify the Plan Administrator in writing to that effect, but such notification must be received no later than five business days before a dividend record date in order to apply to the reinvestment of the corresponding dividend.

Purchases

9. How will purchases be made?

Shares of our common stock needed to fund the Plan may be:

- (i) acquired by the Plan Administrator on the open market;
- (ii) issued directly by us from authorized but unissued shares; or
- (iii) through a combination of (i) and (ii), above.

Open market purchases under the Plan will be made on each "Investment Date," which will be the first business day following a dividend payment date or as soon as practicable thereafter. Purchases of shares of common stock will be made at the direction of the Plan Administrator or its selected broker/dealer. Such purchases will be made in accordance with applicable state and federal securities laws and regulations. No interest or earnings will be paid by the Plan Administrator on dividend payments pending their investment in shares of our common stock.

In the event applicable law or the closing of the securities markets requires temporary curtailment or suspension of open market purchases of the shares of our common stock, the Plan Administrator is not accountable for its inability to make purchases at such time. If shares of our common stock are not available for purchase for a period longer than 30 days from the prior dividend payment date, the Plan Administrator will promptly mail to each participant a check in the amount of any unapplied funds in the participant's account.

10. How many shares of common stock will be purchased for participants?

The number of shares that will be purchased for each participant on any dividend payment date will depend on the amount of the participant's cash dividend and optional cash payments and the purchase price of the shares of our common stock. Each participant's account will be credited with that number of shares (including fractional shares computed to four decimal places) equal to the total amount to be invested, divided by the applicable purchase price as defined in Question 11 (also computed to four decimal places).

11. What will be the price of shares of common stock purchased under the Plan?

In making purchases of shares of our common stock for a participant's account associated with each Investment Date, the Plan Administrator will commingle the participant's funds with those of other participants under the Plan.

-7-

With respect to shares purchased on the open market, the price of shares of our common stock purchased for participants under the Plan with reinvested dividends on their shares of common stock or optional cash payments for each Investment Date will be equal to the average price of all shares of common stock purchased on the Investment Date by the Plan Administrator on behalf of the Plan.

With respect to shares purchased directly from us, the price of such shares will be the closing price of shares of our common stock as of the close of business on the business day immediately preceding the applicable Investment Date. The Plan Administrator shall have no responsibility with respect to the value of the shares of our common stock acquired under the Plan.

12. Who will be eligible to make optional cash payments?

Any shareholder of record of our common stock who has submitted a signed Authorization Form electing to reinvest dividends on his or her shares of our common stock is eligible to make optional cash payments under the Plan during any quarter in which he or she has elected to reinvest dividends. Except as provided in the following sentence, we will apply any optional cash payment received from a participant on or before an Investment Date to the purchase on such Investment Date of shares of our common stock for the account of the participant. Optional cash payments received within five business days prior to an Investment Date may be held for investment the following quarter.

An initial optional cash payment may be made by a participant when enrolling in the Plan by enclosing a check or money order with the Authorization Form. Checks or money orders for optional cash payments to be invested pursuant to the Plan should be made payable to "Farmers & Merchants Bank" and returned along with the Authorization Form in the envelope provided. Thereafter, optional cash payments may be made at any time by sending them to the Plan Administrator at the address set forth in Question 3 above.

Please include your Plan account number on your check (or other instrument). While optional cash payments may be made at any time within the 30 day period prior to a dividend payment date, we recommend that they be sent so as to be received at least 10 days before an Investment Date. No interest will be paid on any optional cash payments. A participant may obtain the return of any optional cash payment up to 48 hours before it is to be invested by written request to the Plan Administrator.

13. What are the limitations on making optional cash payments?

The option to make cash payments is available at any time within the 30 day period prior to a dividend payment date. The same amount of money need not be sent each quarter and you are under no obligation to make an optional cash payment in any quarter. Any optional cash payments you wish to make must not be less than \$25 per payment nor may payments on behalf of any owner aggregate more than \$15,000 in any quarter. We reserve the right, in our sole discretion, to determine who is an owner for purposes of the foregoing restrictions, and, without limitation, to determine whether optional cash payments on behalf of any particular owner aggregate more than \$15,000 in any quarter.

14. How are dividends on shares purchased through the Plan applied?

The purpose of the Plan is to provide the participant with a convenient method of purchasing shares of common stock and to have the dividends on those shares reinvested. Accordingly, dividends

paid on shares held in the Plan will be automatically reinvested in additional shares of common stock unless and until the participant elects in writing to terminate participation in the Plan.

Costs to Participants

15. Are there any expenses to participants in connection with purchases under the Plan?

No. Participants will make purchases of shares of common stock under the Plan without the payment of brokerage commissions, and we will pay all fees in connection with purchases of shares of our common stock purchased on the Investment Date. There are no service charges to participants in connection with purchases of shares of common stock under the Plan. All costs of administration of the Plan are paid by us.

However, there will be a \$10 fee if a participant requests to withdraw from the Plan. Upon a participant's withdrawal from the Plan, a certificate will be issued for all whole shares and a check will be issued for the cash payment to be made for any fraction of a share. In addition, if a participant requests the Plan Administrator to sell his or her shares in the event of his or her withdrawal from the Plan, the participant will pay the applicable brokerage commission associated with the sale of such shares, any required transfer tax, and applicable service charges.

There is also a \$15 fee to sell shares under the Plan (Question 19 below).

Reports to Participants

16. How will participants be advised of their purchases of shares of common stock?

As soon as practicable after each purchase, each participant will receive an account statement from the Plan Administrator. These statements are the participant's continuing record of the purchase price of the shares of common stock acquired and the number of shares acquired, and should be retained for tax purposes. Participants will also receive, from time to time, communications sent to all record holders of the shares of our common stock. These communications will include, among other things, proxy statements and annual reports to shareholders.

Dividends

17. Will participants be credited with dividends on shares held in their account under the Plan?

Yes. The participant's account will be credited with dividends paid on whole shares and fractional shares credited to the participant's account. The Plan Administrator will automatically reinvest the cash dividends received for the purchase of additional shares of our common stock.

Stock Certificates

18. Will stock certificates be issued for shares of common stock purchased?

The Plan Administrator will hold all stock certificates representing the shares of common stock purchased under the Plan in the name of its nominee. Normally, certificates for shares of our common stock purchased under the Plan will not be issued to participants. The number of shares credited to an

-9-

Edgar Filing: F&M BANK CORP - Form S-3D

account under the Plan will be shown on the participant's account statement. This feature protects against loss, theft or destruction of stock certificates.

The participant may receive certificates for whole shares accumulated in his or her account under the Plan by sending a written request to the Plan Administrator. Participants may request periodic issuance of certificates, without charge, for all full shares in the account. When certificates are issued to the participant, future dividends on such shares will continue to be reinvested in additional shares of common stock, unless the participant withdraws from the Plan. Any undistributed shares will continue to be reflected in the participant's account. No certificates representing fractional shares will be issued.

The participant's rights under the Plan and shares credited to the account of the participant under the Plan may not be pledged. A participant who wishes to pledge such shares must request that certificates for such shares be issued in his or her name.

Accounts under the Plan are maintained in the names in which the certificates of participants were registered at the time they entered the Plan. Additional certificates for whole shares will be similarly registered when issued.

Sale of Shares from the Plan

19. How does a participant sell shares from the Plan?

A participant may request in writing that any or all of the whole shares credited to his or her account be sold by a Plan Administrator. If such sale is requested, the sale will be made for the account of the participant by the Plan Administrator's broker within ten business days after receipt of the request at the prevailing market price at the time of such sale. Within ten business days after the sale, the participant will receive from the Plan Administrator a check for the proceeds of the sale less the \$15 processing fee, any applicable brokerage commission and any transfer tax. The signature on any request for sales in excess of \$10,000 or higher must be guaranteed by a firm that is a bank, broker, dealer, credit union, savings association or other entity which is a member in good standing of the Securities Transfer Agents' Medallion Program.

Because the Administrator will sell the shares on behalf of the Plan, neither we nor any participant in the Plan has the authority or power to control the timing or pricing of shares sold or the selection of the broker making sales. Therefore, you will not be able to precisely time the sale of your shares through the Plan, and you will bear the market risk associated with fluctuations in the price of our common stock. Accordingly, if you send in a request to sell shares, it is possible that the market price of our common stock could go down or up before the broker sells your shares. In addition, you will not earn interest on a sales transaction.

Withdrawal from the Plan

20. How does a participant withdraw from the Plan?

A participant may withdraw from the Plan at any time by sending a written withdrawal notice to the Plan Administrator and a payment of a \$10 termination fee. Notice received after a particular dividend record date will be effective following the payment date of such dividend and the

Edgar Filing: F&M BANK CORP - Form S-3D

crediting of shares for such dividend to the participant's account. (See Question 3 for the full name and address of the Plan

-10-

Edgar Filing: F&M BANK CORP - Form S-3D

Administrator). When a participant withdraws from the Plan or upon termination of the Plan by us, certificates for whole shares credited to the participant's account under the Plan will be issued and a cash payment will be made for any fraction of a share (see Question 21). Certificates will be registered in the name of the participant.

Upon withdrawal from the Plan, the participant may also request that all of the shares credited to his or her account be sold by the Plan Administrator. If such sale is requested, the sale will be made for the account of the participant by the Plan Administrator's broker within ten business days after receipt of the request at the prevailing market price at the time of such sale. Within ten business days after the sale, the participant will receive from the Plan Administrator a check for the proceeds of the sale less the \$15 processing fee, any applicable brokerage commission and any transfer tax. The signature on any request for sales in excess of \$10,000 or higher must be guaranteed by a firm that is a bank, broker, dealer, credit union, savings association or other entity which is a member in good standing of the Securities Transfer Agents' Medallion Program.

21. What happens to a fraction of a share when a participant withdraws from the Plan?

When a participant withdraws from the Plan, a cash adjustment representing the value of any fraction of a share then credited to the participant's account will be mailed directly to the participant. The cash adjustment will be based on the closing price of the shares of common stock on the date on which the termination is processed by the Plan Administrator. In no case will certificates representing a fractional share interest be issued.

Other Information

22. What happens if we issue a stock dividend, declare a stock split or make a rights offering?

Any shares representing stock dividends or stock splits distributed by us on shares credited to the account of a participant under the Plan will be added to the participant's account. Shares representing stock dividends or split shares distributed on shares registered in the name of the participant will be mailed directly to such participant in the same manner as to shareholders who are not participating in the Plan.

In the event we make a rights offering of any of our securities to holders of our common stock, participants in the Plan will be notified by us in advance of the commencement of the offering. Participants should instruct the Plan Administrator to transfer whole shares into their own names prior to the record date for such offering if they wish to exercise such rights. If no such instructions are received by the Plan Administrator prior to such record date, then such rights shall terminate with respect to both the participant and the Plan Administrator.

23. How will a participant's shares held under the Plan be voted at meetings of shareholders?

Shares credited to the account of a participant under the Plan (other than fractional shares) will be automatically added to the shares covered by the proxy sent to the shareholder with respect to his or her other shares of our common stock and may be voted by such holder pursuant to such proxy. The Plan Administrator will forward any proxy solicitation materials relating to the shares of common stock held by the Plan to the participating shareholder.

Where no instructions are received from a participant with respect to a participant's shares held under the Plan, or otherwise, such shares shall not be voted unless the participant votes such shares in person.

24. What are the income tax consequences of participation in the Plan?

In general, a participant in the Plan has the same federal and state income tax obligations with respect to dividends credited to his or her account under the Plan as other holders of shares of common stock who elect to receive cash dividends directly. A participant is treated for income tax purposes as having received, on the dividend payment date, a dividend in an amount equal to the fair market value of the shares of common stock credited to his or her account under the Plan, even though that amount was not actually received by the participant in cash, but, instead, was applied to the purchase of additional shares for his or her account. In addition, any brokerage commissions and service charges paid by us on behalf of the participant are deemed to constitute dividend income by the Internal Revenue Service. Such amounts, if any, will be included on any annual information return filed by us with the Internal Revenue Service, a copy of which will be sent to the participant.

In the case of corporate shareholders, the full amount of dividends reinvested will be eligible for the dividends-received deduction available under the Internal Revenue Code.

The cost basis of each share of common stock credited to a participant's account pursuant to the Plan is the fair market value of the share of our common stock on the Investment Date, and the holding period for such shares begins on the day following the Investment Date.

The receipt by a participant of certificates representing whole shares previously credited to his or her account under the Plan upon withdrawal from the Plan or pursuant to the request of the participant will not result in the recognition of taxable income. A participant will recognize a gain or loss when shares are sold on behalf of the participant upon withdrawal from the Plan or when the participant sells shares after the participant's withdrawal from the Plan.

All participants are advised to consult with their own tax advisors to determine the particular tax consequences that may result from their participation in the Plan and the subsequent sale by them of shares purchased pursuant to the Plan.

25. What are our responsibilities under the Plan?

We shall interpret the Plan, and all such interpretations and determinations made by us shall be conclusive. The terms and conditions of the Plan, the Authorization Form, the Plan's operation, and a participant's account will be governed by the laws of the Commonwealth of Virginia and the rules and regulations of the Securities and Exchange Commission. The terms of the Plan and the Authorization Form cannot be changed by oral agreement.

We and the Plan Administrator, in administering the Plan, will not be liable for any act done in good faith or for the good faith omission to act, including, without limitation, any claim of liability arising out of failure to terminate a participant's account upon such participant's death or judicially declared in competency or with respect to the prices at which shares are purchased for the participant's account, and the times when such purchases are made, with respect to any loss or fluctuation in the market value after

purchase of shares, or with respect to any sales of shares of common stock made under the Plan on behalf of the participant.

26. Who bears the risk of market price fluctuations in the shares of common stock?

A participant's investment in shares acquired under the Plan is no different from direct investment in shares of our common stock. The participant bears the risk of loss and realizes the benefits of any gain from market price changes with respect to all such shares held in the Plan, or otherwise. Neither we nor the Plan Administrator makes any representations with respect to the future value of the shares of our common stock purchased under the Plan. The participant should recognize that we, the Plan Administrator and related parties cannot assure the participant of realizing any profits or protect the participant against a loss related to investment in the shares of our common stock purchased or sold under the Plan. **THE SHARES OF COMMON STOCK PURCHASED IN ACCORDANCE WITH THE PLAN DO NOT CONSTITUTE SAVINGS ACCOUNTS OR DEPOSITS ISSUED BY A SAVINGS INSTITUTION OR BANK AND ARE NOT INSURED BY THE FEDERAL DEPOSIT INSURANCE CORPORATION OR ANY OTHER GOVERNMENTAL AGENCY.**

27. May the Plan be changed or discontinued?

The Plan may be amended, suspended, modified or terminated at any time by our Board of Directors without the approval of the participants. Thirty calendar days notice of any suspension, termination or amendment or modification that would have a material adverse effect on the participants' rights under the Plan will be sent to all participants, who shall at all times have the right to withdraw from the Plan.

We or the Plan Administrator may terminate a shareholder's individual participation in the Plan at any time by written notice to the shareholder. In the event the Plan Administrator does not receive instructions from the participant, it will send the participant a certificate for the number of full shares held for the participant under the Plan and a check for any fractional share.

USE OF PROCEEDS

We do not know either the number of shares of our common that ultimately will be purchased under the Plan or the prices at which shares will be sold. If we issue shares directly to participants under the Plan, the net proceeds from these will be added to our general funds and used for general corporate purposes.

INDEMNIFICATION

Our Articles of Incorporation, as well as the statutes of the Commonwealth of Virginia, contain provisions providing for the indemnification of our directors and officers against certain liabilities, including liabilities arising under the Securities Act of 1933, as amended (the "Securities Act"). Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, we have been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

Item 15. Indemnification of Directors and Officers

Article 10 of Chapter 9 of Title 13.1 of the Code of Virginia, as amended (the "Code"), permits a Virginia corporation to indemnify any director or officer for reasonable expenses incurred in any legal proceeding in advance of final disposition of the proceeding, if the director or officer furnishes the corporation a written statement of his or her good faith belief that he or she has met the standard of conduct prescribed by the Code and furnishes the corporation with a written undertaking to repay any funds advanced if it is ultimately determined that the director has not met the relevant standard of conduct. In addition, a corporation is permitted to indemnify a director or officer against liability incurred in a proceeding if a determination has been made by the disinterested members of the board of directors, special legal counsel or shareholders that the director or officer conducted himself or herself in good faith and otherwise met the required standard of conduct. In a proceeding by or in the right of the corporation, no indemnification shall be made in respect of any matter as to which a director or officer is adjudged to be liable to the corporation, except for reasonable expenses incurred in connection with the proceeding if it is determined that the director or officer has met the relevant standard of conduct. In any other proceeding, no indemnification shall be made if the director or officer is adjudged liable to the corporation on the basis that he or she improperly received a personal benefit. Corporations are given the power to make any other or further indemnity, including advance of expenses, to any director or officer that may be authorized by the articles of incorporation or any bylaw made by the shareholders, or any resolution adopted, before or after the event, by the shareholders, except an indemnity against willful misconduct or a knowing violation of the criminal law. Unless limited by its articles of incorporation, indemnification against the reasonable expenses incurred by a director or officer is mandatory when he or she entirely prevails in the defense of any proceeding to which he or she is a party because he or she is or was a director or officer.

The Registrant is a Virginia corporation. Article 10 of the Registrant's Restated Articles of Incorporation eliminates the personal liability of directors and officers to the Registrant or its shareholders for monetary damages to the full extent permitted by Virginia law. In addition, the Restated Articles of Incorporation provide for the indemnification of directors and officers and advancements and reimbursements for expenses incurred by them in connection with certain proceedings in accordance with Virginia law.
