NOTICE IS HEREBY GIVEN that the Annual Meeting of Shareholders of Columbus McKinnon Corporation, a New York corporation (the "Company"), will be held at the University Inn & Conference Center, 2402 North Forest Road, Amherst, New York, on August 15, 2005, at 10:00 a.m., local time, for the following purposes:

PROXY STATEMENT

This Proxy Statement and the accompanying form of proxy are being furnished in connection with the solicitation by the Board of Directors of Columbus McKinnon Corporation, a New York corporation ("our Company", "we" or "us"), of proxies to be voted at the Annual Meeting of Shareholders (the "Annual Meeting") to be held at the University Inn & Conference Center, 2402 North Forest Road, Amherst, New York, on August 15, 2005, at 10:00 a.m., local time, and at any adjournment or adjournments thereof. The close of business on June 24, 2005 has been fixed as the record date for the determination of shareholders entitled to receive notice of and to vote at the meeting. At the close of business on June 24, 2005, we had outstanding 14,979,797 shares of our common stock, \$.01 par value per share, the holders of which are entitled to one vote per share on each matter properly brought before the Annual Meeting.

The shares represented by all valid proxies in the enclosed form will be voted if received in time for the Annual Meeting in accordance with the specifications, if any, made on the proxy card. If no specification is made, the proxies will be voted FOR the nominees for Director named in this Proxy Statement.

In order for business to be conducted, a quorum must be present at the Annual Meeting. A quorum is a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting. Abstentions, broker non-votes and withheld votes will be counted in determining the existence of a quorum at the Annual Meeting.

Directors will be elected by a plurality of the votes cast at the Annual Meeting, meaning the eight nominees receiving the most votes will be elected. Under the law of the State of New York, our state of incorporation, only "votes cast" by the shareholders entitled to vote are determinative of the outcome of the matter subject to shareholder vote. Abstentions and broker non-votes are not counted in the vote and have no effect on the election of Directors. Unless indicated otherwise, shares represented by all valid proxies received in time for the Annual Meeting will be voted FOR the eight nominees for Director named in this proxy statement. Instructions on a proxy to withhold authority to vote for one or more of the nominees will result in those nominees receiving fewer votes but will not count as a vote against such nominees.

The execution of a proxy will not affect a shareholder's right to attend the Annual Meeting and to vote in person. A shareholder who executes a proxy may revoke it at any time before it is exercised by giving written notice to the Secretary, by appearing at the Annual Meeting and so stating, or by submitting another duly executed proxy bearing a later date.

This Proxy Statement and form of proxy are first being sent or given to shareholders on or about July 13, 2005.

CORPORATE GOVERNANCE

GENERAL CORPORATE GOVERNANCE POLICY

Our Board of Directors believes that its overriding responsibility is to offer guidance and the benefit of its collective experience to help our

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

management understand the risks confronting, and opportunities available to, our Company. In furtherance of this responsibility, our Board of Directors has adopted a General Corporate Governance Policy setting forth certain policies, guidelines and procedures it deems important to the successful satisfaction of this responsibility. These policies and procedures include guidelines as to the eligibility, independence, evaluation, education, compensation and indemnification of our Directors, as well as with respect to specific transactions requiring the prior formal approval of our Board of Directors. A copy of our General Corporate Governance Policy is posted on the Investor Relations section of the Company's website at WWW.CMWORKS.COM.

One of the guidelines contained within our General Corporate Governance Policy provides that, unless waived by the Board of Directors, no Director may stand for re-election after his or her 72nd birthday. Our Board of Directors, after giving due consideration to his experience and long term service with our Company, waived this requirement to enable Mr. Ladds to seek re-election as a Director at the Annual Meeting.

BOARD OF DIRECTORS INDEPENDENCE

Our Board of Directors has determined that each of its current members, other than Mr. Tevens and Mr. Ladds, is independent within the meaning of the NASDAQ Stock Market, Inc. listing standards as currently in effect.

BOARD OF DIRECTORS MEETINGS AND ATTENDANCE

The Board of Directors and its committees meet regularly throughout the year and also hold special meetings and act by written consent from time to time, as appropriate. All Directors are expected to attend each meeting of the Board of Directors and the committees on which he or she serves, and are also invited, but not required, to attend the Annual Meeting. Agendas for meetings of the Board of Directors generally include executive sessions for the independent Directors to meet without management Directors present. During the year ended March 31, 2005, our Board of Directors held six meetings. Each Director attended at least 75% of the aggregate number of meetings of our Board of Directors and meetings held by all committees of our Board of Directors on which he or she served. All Directors attended the 2004 Annual Meeting.

AUDIT COMMITTEE

Our Board of Directors has a standing Audit Committee comprised of Mr. Fleming, as Chairman, and Messrs. Pascual, Verebelyi and Creek. Each member of our Audit Committee is independent as defined under Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and under the NASDAQ Stock Market, Inc. rules currently in effect. In addition, pursuant to the requirements of Section 407 of the Sarbanes-Oxley Act of 2002, our Board of Directors has determined that each of Messrs. Fleming, Pascual, Verebelyi and Creek qualifies as an "audit committee financial expert." The duties of our Audit Committee consist of (i) appointing or replacing our independent auditors,

- 4 -

(ii) pre-approving all auditing and permitted non-audit services provided to us by our independent auditors, (iii) reviewing with our independent auditors and our management the scope and results of our annual audited financial statements, our quarterly financial statements and significant financial reporting issues and judgments made in connection with the preparation of our financial statements, (iv) reviewing our management's assessment of the effectiveness of our internal controls, as well as our independent auditors' report on this assessment, (v) reviewing insider and affiliated party transactions and (vi)

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting or internal controls. The Audit Committee is governed by a written charter approved by the Board of Directors which was amended in March 2004. A copy of this charter is posted on the Investor Relations section of the Company's website at www.cmworks.com. Our Audit Committee held 15 meetings in fiscal 2005.

COMPENSATION AND SUCCESSION COMMITTEE

The principal functions of this Committee are to (i) review and make recommendations to our Board of Directors with respect to our compensation strategy, (ii) evaluate the performance of our executive officers in light of our compensation goals and objectives, (iii) evaluate the performance of our chief executive officer and chief financial officer and review and establish their compensation, (iv) administer and make recommendations for grants and awards to our employees under our incentive compensation programs and (v) review and make recommendations with respect to our succession plans for all key management positions and provide assurance to our Board of Directors that our process in preparing our succession plans is appropriate. The Compensation and Succession Committee is governed by a written charter approved by the Board of Directors which is posted on the Investor Relations section of the Company's website at WWW.CMWORKS.COM. Our Compensation and Succession Committee held three meetings in fiscal 2005.

CORPORATE GOVERNANCE AND NOMINATION COMMITTEE

Our Corporate Governance and Nomination Committee is responsible for (i) evaluating the composition, organization and governance of our Board of Directors and its committees, (ii) monitoring compliance with our system of corporate governance and (iii) developing criteria for and investigating and making recommendations with respect to candidates for membership on our Board of Directors. This Committee is chaired by Mr. Creek and also includes Messrs. Pascual, Fleming and Verebelyi. Each of these members is an independent director. Our Governance and Nomination Committee does not solicit direct nominations from our shareholders, but will give due consideration to written recommendations for nominees from our shareholders for election as Directors that are submitted in accordance with our by-laws. See the information contained herein under the heading "Shareholders' Proposals." Generally, a shareholder who wishes to nominate a candidate for Director must give us prior written notice thereof, which notice must be personally delivered or mailed via registered first class mail, return receipt requested, to our Secretary and must be received by our Secretary not less than 60 days nor more than 90 days prior to the first anniversary of the date our proxy statement was first mailed to shareholders in connection with our previous year's Annual Meeting. If such nomination is given in connection with a special meeting for the election of Directors, it must be received no later than the tenth day following the day on which the date of the special meeting is publicly announced or disclosed. The shareholder's recommendation for nomination must contain the following information as to each nominee for Director: the nominee's name, age, business

Any nomination not made in strict accordance with the foregoing provisions will be disregarded at the direction of our Chairman of the Board. The Corporate Governance and Nomination Committee is governed by a written charter approved by the Board of Directors which is posted on the Investor Relations section of the Company's website at WWW.CMWORKS.COM. Our Corporate Governance and Nomination Committee held five meetings in fiscal 2005.

CODE OF ETHICS

Our Board of Directors adopted a Code of Ethics which governs all of our Directors, officers and employees, including our Chief Executive Officer and other executive officers. This Code of Ethics is posted on the Corporate Information section of the Company's website at WWW.CMWORKS.COM. The Company will disclose on its website any amendment to this Code of Ethics or waiver of a provision of this Code of Ethics, including the name of any person to whom the waiver was granted.

EMPLOYEE PLANS

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

EMPLOYEE STOCK OWNERSHIP PLAN. We maintain our ESOP for the benefit of substantially all of our domestic non-union employees. The ESOP is intended to be an employee stock ownership plan within the meaning of Section 4975(e)(7) of the Internal Revenue Code of 1986, as amended and an eligible individual account plan within the meaning of Section 407(d)(3) of the Internal Revenue Code. From 1988 through 1998, the ESOP has purchased from us 1,373,549 shares of common stock for the aggregate sum of approximately \$10.5 million. The proceeds of certain institutional loans were used to fund such purchases. The ESOP's loans are secured by our common stock which is held by the ESOP and such loans are guaranteed by us. The ESOP acquired 479,900 shares of our common stock in October 1998 for the aggregate sum of approximately \$7.7 million. The proceeds of a loan we made to the ESOP were used to fund the purchase.

On a quarterly basis, we make a contribution to the ESOP in an amount determined by our Board of Directors. In fiscal 2005, our cash contribution was approximately \$0.87 million. The ESOP's trustees use the entire contribution to make payments of principal and interest on the ESOP's loans.

- 11 -

Common stock not allocated to ESOP participants is recorded in an ESOP suspense account and is held as collateral for repayment of the ESOP's loans. As payments of principal and interest are received by the lenders, these shares are released from the ESOP suspense account annually and are then allocated to the ESOP participants in the same proportion as a participant's compensation for such year bears to the total compensation of all participants.

An ESOP participant becomes fully vested in all amounts allocated to him or her after five years of service. The shares of our common stock held by the participants in the ESOP are voted by the participants in the same manner as any other shares of our common stock.

In general, common stock allocated to a participant's account is distributed upon his or her termination of employment, normal retirement or death. The distribution is made in whole shares of common stock with a cash payment in lieu of any fractional shares.

Messrs. Friedl, Myers and Harvey and Ms. Howard serve as trustees of the ESOP. As of March 31, 2005, the ESOP owned 1,080,485 shares of our common stock. Common stock allocated pursuant to the ESOP to Messrs. Tevens and Librock, Ms. Howard and Mr. Owen as of March 31, 2005 is 142 shares, 142 shares, 136 shares and 134 shares, respectively.

PENSION PLAN. We have a non-contributory, defined benefit Pension Plan which provides certain of our employees with retirement benefits. As defined in the Pension Plan, a participant's annual pension benefit at age 65 is equal to the product of (i) 1% of the participant's final average earnings, as calculated by the terms of the Pension Plan, plus 0.5% of that part, if any, of final average earnings in excess of such participant's "social security covered compensation," as such term is defined in the Pension Plan, multiplied by (ii) such participant's years of credited service, limited to 35 years. Plan benefits are not subject to reduction for social security benefits.

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

The following table illustrates the estimated annual benefits upon retirement under our Pension Plan if the plan remains in effect and assuming that an eligible employee retires at age 65. However, because of changes in tax laws or future adjustments to the provisions of our Pension Plan, actual pension benefits could differ significantly from the amounts set forth in the table.

FINAL AVERAGE ----- EARNINGS -----	Years of Service				
	15 --	20 --	25 --	30 --	35 --

450,000	41,287	55,049	68,811	82,573	96,335
500,000	41,287	55,049	68,811	82,573	96,335

- 12 -

A portion of the annual benefit for plan participants is determined by their final average earnings in excess of "social security covered compensation," as such term is defined in our Pension Plan. Since this amount can vary depending on the eligible employee's year of birth, all pension amounts shown above have been calculated using Mr. Tevens' year of birth and his social security covered compensation of \$79,512. Our Pension Plan excludes final average earnings in excess of \$210,000.

If Messrs. Tevens, Friedl and Librock, Ms. Howard and Mr. Owen remain our employees until they reach age 65, the years of credited service under the Pension Plan for each of them would be 31, 14, 29, 33 and 30, respectively.

NON-QUALIFIED STOCK OPTION PLAN. In October 1995, we adopted our Non-Qualified Stock Option Plan and reserved, subject to certain adjustments, an aggregate of 250,000 shares of our common stock for issuance thereunder. Under the terms of our Non-Qualified Plan, options may be granted by our Compensation and Succession Committee to our officers and other key employees as well as to non-employee directors and advisors. In fiscal 2005, we did not grant any options to purchase shares of our common stock under our Non-Qualified Plan.

INCENTIVE STOCK OPTION PLAN. Our Incentive Stock Option Plan, which was adopted in October 1995 and amended in 2002, authorizes our Compensation and Succession Committee to grant to our officers and other key employees stock options that are intended to qualify as "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code. Our Incentive Plan reserved, subject to certain adjustments, an aggregate of 1,750,000 shares of common stock to be issued thereunder. Options granted under the Incentive Plan become exercisable over a four-year period at the rate of 25% per year commencing one year from the date of grant at an exercise price of not less than 100% of the fair market value of our common stock on the date of grant. Any option granted thereunder may be exercised not earlier than one year and not

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

later than ten years from the date the option is granted. In the event of certain extraordinary transactions, including a change in control, the vesting of such options would automatically accelerate. In fiscal 2005, we granted options to purchase 709,500 shares of our common stock under the Incentive Plan.

RESTRICTED STOCK PLAN. Our Restricted Stock Plan, which was adopted in October 1995 and amended in 2002, reserves, subject to certain adjustments, an aggregate of 150,000 shares of our common stock to be issued upon the grant of restricted stock awards thereunder. Under the terms of the Restricted Stock Plan, our Compensation and Succession Committee may grant to our employees restricted stock awards to purchase shares of common stock at a purchase price of not less than \$.01 per share. Shares of common stock issued under the Restricted Stock Plan are subject to certain transfer restrictions and, subject to certain exceptions, must be forfeited if the grantee's employment with us is terminated at any time prior to the date the transfer restrictions have lapsed. Grantees who remain continuously employed with us become vested in their shares five years after the date of the grant, or earlier upon death, disability, retirement or other special circumstances. The restrictions on any such stock awards automatically lapse in the event of certain extraordinary transactions, including a change in our control. In fiscal 2005, we did not award any shares of our common stock under the Restricted Stock Plan.

MANAGEMENT VARIABLE COMPENSATION PLAN. Effective April 1, 2004, we adopted our Management Variable Compensation Plan. Our executive officers and certain of our managers are eligible to participate in the Management Variable Compensation Plan. Under the Management Variable Compensation Plan, for each fiscal year,

- 13 -

each executive officer is assigned a participation percentage by our Board of Directors. The actual bonus to be paid to a participant will be equal to his participation percentage times his base compensation, multiplied by a factor, which is the annual budgeted target percentage determined by the Board of Directors based on the achievement of pre-designated EBITDA levels and debt repayment. The bonus is computed and paid annually. Bonuses were paid under this plan for fiscal 2005 to Messrs. Tevens, Friedl and Librock, Ms. Howard and Mr. Owen in the amounts of \$631,851, \$220,640, \$189,154, \$157,662 and \$155,857, respectively.

401(K) PLAN. We maintain a 401(k) retirement savings plan which covers all of our non-union employees in the U.S., including our executive officers, who have completed at least 90 days of service. Eligible participants may contribute up to 30% of their annual compensation (7% for highly compensated employees), subject to an annual limitation as adjusted by the provisions of the Internal Revenue Code. Employee contributions are matched by us in an amount equal to 50% of the employee's salary reduction contributions, as such term is defined in the 401(k) Plan. Our matching contributions are limited to 3% of the employee's base pay and vest at the rate of 20% per year. Commencing May 1, 2003, we suspended our matching contributions. Thereafter, on July 1 2004, we reinstated a matching contribution, but only to the limit of 1.5% of the employee's base pay.

CHANGE IN CONTROL AGREEMENTS

We have entered into change in control agreements with Messrs. Tevens, Friedl and Librock, Ms. Howard, Mr. Owen and certain other of our officers and employees. The change in control agreements provide for an initial term of one year, which, absent delivery of notice of termination, is automatically renewed

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

annually for an additional one year term. Generally, each of the named officers is entitled to receive, upon termination of employment within 36 months of a change in control of our Company (unless such termination is because of death, disability, for cause or by an officer or employee other than for "good reason," as defined in the change in control agreements), (i) a lump sum severance payment equal to three times the sum of (A) his or her annual salary and (B) the greater of (1) the annual target bonus under the Incentive Plan in effect on the date of termination and (2) the annual target bonus under the Incentive Plan in effect immediately prior to the change in control of our Company, (ii) continued coverage for 36 months under our medical and life insurance plans, (iii) a lump sum payment equal to the actuarial equivalent of the pension payment which he or she would have accrued under our tax-qualified retirement plans had he or she continued to be employed by us for three additional years and (iv) certain other specified payments. Aggregate "payments in the nature of compensation" (within the meaning of Section 280G of the Internal Revenue Code) payable to any executive or employee under the change in control agreements is limited to the amount that is fully deductible by us under Section 280G of the Internal Revenue Code less one dollar. The events that trigger a change in control under the change in control agreements include (i) the acquisition of 20% or more of our outstanding common stock by certain persons, (ii) certain changes in the membership of our Board of Directors, (iii) certain mergers or consolidations, (iv) certain sales or transfers of substantially all of our assets and (v) the approval by our shareholders of a plan of dissolution or liquidation.

COMPENSATION AND SUCCESSION
COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Compensation for our executive officers is administered by the Compensation and Succession Committee, which currently consists of four independent (non-employee) Directors. Our Board of Directors has delegated to the Compensation and Succession Committee responsibility for establishing, administering and approving the compensation arrangements of the Chief

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

Executive Officer, Chief Financial Officer and other executive officers.

The following objectives, established by our Compensation and Succession Committee, are the basis for the Company's executive compensation program:

- o providing a comprehensive program with components including base salary, performance incentives and benefits that support and align with our goal of providing superior value to customers and shareholders;

- o ensuring that we are competitive and can attract and retain qualified and experienced executive officers and other key personnel; and

- o appropriately motivating our executive officers and other key personnel to seek to attain short, intermediate and long-term corporate and divisional performance goals and to manage our Company to achieve sustained long term growth.

The Compensation and Succession Committee reviews compensation policy and specific levels of compensation paid to our Chief Executive Officer, Chief Financial Officer and other executive officers and makes recommendations to our Board of Directors regarding executive compensation, policies and programs.

The Compensation and Succession Committee is assisted in these efforts, when required, by independent outside consultants and by our internal staff, who provide the Compensation and Succession Committee with relevant information and recommendations regarding compensation policies and specific compensation matters.

ANNUAL COMPENSATION PROGRAMS

Our executives' base salaries are compared to manufacturing companies included in a periodic management survey completed by outside compensation consultants and all data have been regressed to revenues equivalent to our revenues. This survey is used because it reflects companies with similar revenue and in the same industry sectors as we are. The Compensation and Succession Committee believes salaries should be targeted toward the median of the surveyed salaries reported, depending upon the relative experience and individual performance of the executive. However, given the recent difficult economic climate, salaries of some of our executives, including our Chief Executive Officer, have remained below the targeted median.

Salary adjustments are determined by four factors: (i) an assessment of the individual executive officer's performance and merit, (ii) our goal of achieving market parity with salaries of comparable executives in the competitive market, (iii) the occurrence of any promotion or other increases in responsibility of the executive and (iv) the general economic environment in which we are operating. In assessing market parity, we target groups of companies surveyed and referred to above.

- 17 -

Each executive officer's corporate position is assigned a title classification reflecting evaluation of the position's overall contribution to our corporate goals and the value the labor market places on the associated job skills. A range of appropriate salaries is then assigned to that title classification. Each April, the salary ranges may be adjusted to reflect market conditions, including changes in comparison companies, inflation and supply and

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

demand in the market. The midpoint of the salary range corresponds to a "market rate" salary which the Compensation and Succession Committee believes is appropriate for an experienced executive who is performing satisfactorily, with salaries in excess of the salary range midpoint appropriate for executives whose performance is superior or outstanding.

The Compensation and Succession Committee has recommended that any progression or regression within the salary range for an executive officer will depend upon a formal annual review of job performance, accomplishments and progress toward individual and/or overall goals and objectives for each of our segments that such executive officer oversees as well as his contributions to our overall direction. The long-term growth in shareholder value is an important factor. The results of executive officers' performance evaluations will form a part of the basis of the Compensation and Succession Committee's decision to approve, at its discretion, future adjustments in base salaries of our executive officers.

CHIEF EXECUTIVE OFFICER COMPENSATION

Compensation decisions affecting our Chief Executive Officer were based on quantitative and qualitative factors. These factors were accumulated by an external compensation consulting firm and included comparisons of our fiscal 2005 financial statistics to peer companies, strategic achievements such as acquisitions and their integration, comparisons of the base salary level to the median for comparable companies in published compensation surveys and assessments prepared internally by other members of our executive management. As a cost savings measure, Mr. Tevens voluntarily requested that his base salary be decreased by 5% to \$472,500 for fiscal 2004. The Compensation and Succession Committee determined that Mr. Tevens' base salary should remain at this level for fiscal 2005, resulting in his salary being below the median for comparable companies. For fiscal 2006, the Compensation and Succession Committee reinstated Mr. Tevens' 5% voluntary reduction and further granted him an additional 5% increase, thereby increasing his base salary for fiscal 2006 to \$525,000.

SECTION 162(M) OF INTERNAL REVENUE CODE

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation in excess of \$1.0 million paid to a company's chief executive officer and any one of the four other most highly paid executive officers during its taxable year. Qualifying performance-based compensation is not subject to the deduction limit if certain requirements are met. Based upon the compensation paid to the Company's executive officers in fiscal 2005, it does not appear that the Section 162(m) limitation will have a significant impact on us in the near term. However, the Compensation and Succession Committee plans to review this matter periodically.
