Edgar Filing: SKYLYNX COMMUNICATIONS INC - Form PRE 14A

This Statement is being mailed on or about _____, 2005, to SkyLynx Shareholders eligible to vote at the Annual Meeting. Concurrently with the mailing of this Statement, SkyLynx is furnishing to its shareholders SkyLynx's Annual Report on Form 10-KSB for its fiscal year ended June 30, 2004.

SkyLynx is bearing all costs of soliciting proxies, and expressly reserves the right to solicit proxies otherwise than by mail. The solicitation of proxies by mail may be followed by telephone, telegraph or other personal solicitations of certain SkyLynx Shareholders and brokers by one or more of the Directors or by Officers or employees of SkyLynx. SkyLynx may request banks and brokers or other similar agents or fiduciaries for the voting instructions of beneficial owners and reimburse the expenses incurred by such agents or fiduciaries in obtaining such instructions. As of the date of this mailing, however, SkyLynx has not made any contracts or arrangements for such solicitations; hence they cannot identify any parties or estimate the cost of such solicitation.

Only SkyLynx Shareholders of record as of the close of business on _____, 2005 (the "Record Date"), will be entitled to vote at the Annual Meeting. Representation of a majority of SkyLynx's shares of common stock outstanding on the SkyLynx Record Date, either in person or by proxy, constitutes a quorum for the Annual Meeting. When a quorum is present, the vote by a plurality of the shares represented at the Meeting shall decide the election of directors; and on all other matters, a proposal will be ratified if votes in favor of the proposal are greater than votes against the proposal. As of the Record Date, SkyLynx had outstanding _____ shares of common stock, with each share being entitled to one vote.

THE ANNUAL MEETING

The Board is furnishing this Proxy Statement and the accompanying proxy to shareholders of SkyLynx as part of the solicitation of proxies for use at the Meeting. This Proxy Statement and the enclosed form of proxy are first being mailed to the shareholders of SkyLynx on or about _____, 2005.

Date, Time and Place of Meeting

The Meeting will be held at _____, on _____, at _____, local time.

Matters to be Considered

The purpose of the Meeting is to consider and vote upon the following matters:

- * to elect five (5) Directors;
- * to ratify Cordovano & Honeck as the Company's independent registered public accounting firm for the fiscal year ended June 30, 2005; and
- * to ratify and approve a reverse stock split at the discretion of the Board of Directors of up to a one-for-five (1-for-5) reverse split (the "Reverse Split") (every ten shares of the Company's common stock will be exchanged and reduced to one share)

Management of SkyLynx does not know of any other matter to be brought before the Meeting other than as referred to in this Proxy Statement. If any other business should properly come before the Meeting, the persons named in the proxy will vote upon those matters in their discretion.

Record Date and Outstanding Shares

The Board has fixed the close of business on _____, 2005, as the Record Date for determining shareholders entitled to notice of and to vote at the Meeting. As of the Record Date, there were approximately ____ shareholders of record of SkyLynx common stock and _____ shares of SkyLynx common stock outstanding and entitled to vote, with each share entitled to one vote.

Quorum

The presence in person or by properly executed proxy of holders of a majority of the votes entitled to be cast at the Meeting is necessary to constitute a quorum. Abstentions are counted for purposes of determining the presence or absence of a quorum for the transaction of business. Broker non-votes will not be considered present at the meeting for purpose of determining a quorum.

Required Vote

Directors shall be elected by a plurality of the votes of the shares present at the meeting either in person or represented by proxy and entitled to vote on the election of directors. On all other matters presented to a vote of the shareholders at the Meeting, a Proposal will be deemed ratified and adopted if it receives more votes in favor of such proposal than are cast against such Proposal. Abstentions will have the legal effect of a withheld vote in the election of Directors; abstentions will have the legal effect of a vote against a Proposal on all other matters. With respect to a broker non-vote on the Proposal, such shares will not be considered present at the Meeting, and will not be counted in the voting with respect to such matter.

The officers and directors of SkyLynx have indicated that they intend to vote their shares **FOR** each director. These individuals own shares representing a total of _____ shares, or approximately ____% of the total number of shares of SkyLynx common stock outstanding as of the Record Date.

Proxies

All shares of common stock represented at the Meeting either in person or by properly executed proxies received prior to or at the Meeting and not duly and timely revoked will be voted at the Meeting in accordance with the instructions in such proxies. If no such instructions are indicated, such shares will be voted in favor of all the proposals and, in the discretion of the proxyholder as to any other matter which may be incidental to the Meeting as may properly come before such Meeting. SkyLynx knows of no other matters other than as described in the Notice of Annual Meeting that are to come before the Meeting. If any other matter or matters are properly presented for action at the Meeting, the persons named in the enclosed form of proxy and acting thereunder will have the discretion to vote on

such matters in accordance with their best judgment, including any adjournment or postponement of the Meeting, unless such authorization is withheld.

A shareholder who has given a proxy may revoke it at any time prior to its exercise by: (i) giving written notice thereof to the Secretary of SkyLynx at our principal executive offices at or prior to the taking of the vote at the Meeting; (ii) signing and returning to the Secretary of SkyLynx at our principal executive offices a later dated proxy prior to the taking of the vote; or (iii) voting in person at the Meeting; however, mere attendance at the Meeting will not itself have the effect of revoking the proxy.

Solicitation of Proxies; Expenses

The costs of filing and printing this Proxy Statement and the materials used in this solicitation will be borne by SkyLynx. In addition to solicitation by mail, the directors, officers, and employees of SkyLynx may solicit proxies from shareholders by telephone or in person. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation material to SkyLynx shareholders. SkyLynx may reimburse these custodians, nominees, and fiduciaries for their reasonable out-of-pocket expenses incurred.

YOU SHOULD NOT SEND STOCK CERTIFICATES WITH YOUR PROXY CARD.

2. Meetings and Committees of the Board of Directors

a. Meetings of the Board of Directors

During the fiscal year ended June 30, 2004, ___ meetings of the Board of Directors were held, including regularly scheduled and special meetings. All meetings were held either in person or by telephone conference and were attended by 100% of the then serving directors. On September 2, 2004, Steven Jesson resigned as a Director. On September 13, 2004, Kevin Gorman, then acting as Chief Operating Officer of the Company, and Robert Weiss, were elected to the Board of Directors. Effective November 18, 2004, Mr. Gorman resigned as COO and on January 28, 2005, Mr. Gorman resigned from the Board of Directors. To fill the vacancy created by Mr. Gorman's resignation, on February 17, 2005, Steven Smith was elected to serve as Chief Operating Officer and as a member of the Board of Directors. Outside directors are also eligible to participate in the Company's 2002 Equity Incentive Plan, although as of the date of this proxy statement there have been no grants of option to those directors under the Plan and there exist no commitments to grant those persons options under the Plan.

b. Committees

The board appoints committees to help carry out its duties. In particular, board committee's work on key issues in greater detail than would be possible at full board meetings. Each committee reviews the results of its meetings with the full board.

During the fiscal year ended June 30, 2004, the Board did have an Audit Committee and, Compensation Committee, but did not have a standing Nomination Committee or any other standing committees. The Board of Directors as a whole served the functions of a nomination committee.

Audit Committee

The audit committee is currently composed of the following directors:

Robert Weiss
Stephen Rogers

The Board of Directors has determined that Messrs. Weiss and Rogers are "independent" within the meaning of the National Association of Securities Dealers, Inc.'s listing standards. For this purpose, an audit committee member is deemed to be independent if he does not possess any vested interests related to those of management and does not have any financial, family or other material personal ties to management.

The Board of Directors has determined that none of the members of the audit committee qualify as an "audit committee financial expert" within the meaning of Item 401(e)(2) of Regulation SB. The audit committee lacks an audit committee financial expert due principally to its historical lack of funds necessary to compensate such a person.

The audit committee met on one occasion during fiscal 2004, which was attended by 100% of its members. The committee is responsible for accounting and internal control matters. The audit committee:

- reviews with management, the internal auditors and the independent auditors policies and procedures with respect to internal controls;
- reviews significant accounting matters;
- approves the audited financial statements prior to public distribution;

- approves any significant changes in accounting principles or financial reporting practices;
- reviews independent auditor services; and
- recommends to the board of directors the firm of independent auditors to audit our consolidated financial statements.

In addition to its regular activities, the committee is available to meet on all of the independent accountants, controller or internal auditor whenever a special situation arises.

Report of Audit Committee

The members of the Audit Committee submit the following report pursuant to Item 306 or Regulation SB:

1. The Audit Committee has reviewed and discussed the audited financial statements with management;
2. The Audit Committee has discussed with the independent auditors the matters required to be discussed by SAS 61, as may be modified or supplemented;
3. The Audit Committee has received the written disclosures and letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Standard Board Standard No. 1, Independence Discussions with Audit Committees) as may be modified or supplemented, and has discussed with the independent accountant the independent accountant's independence; and
4. Based on the review and discussions referred to in paragraphs (a)(1) through (a)(3) of this Item, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the company's Annual Report on Form 10-KSB for the last fiscal year for filing with the Commission.

Respectfully submitted,
Robert Weiss
Stephen Rogers

The Audit Committee of the Board of Directors has adopted a charter which is attached to this Proxy Statement as Exhibit A.

Compensation Advisory Committee

The compensation advisory committee is currently composed of the following directors:

Alfredo Chang
Stephen Rogers
Gary Brown (ex officio)

Our chief executive officer, Gary Brown, serves as an ex officio member of the compensation advisory committee. The compensation advisory committee met on four occasions during fiscal 2004, which were attended by 100% of its members. The compensation advisory committee:

- recommends to the board of directors the compensation and cash bonus opportunities based on the achievement of objectives set by the compensation advisory committee with respect to our chairman of the board and president, our chief executive officer and the other executive officers;
- administers our compensation plans for the same executives;
- determines equity compensation for all employees;
- reviews and approves the cash compensation and bonus objectives for the executive officers; and
- reviews various matters relating to employee compensation and benefits.

Nomination Process

The Board of Directors has not appointed a standing nomination committee and does not intend to do so during the current year. The process of determining director nominees has been addressed by the board as a whole, which consists of four members. The board has not adopted a charter to govern the director nomination process.

Of the currently serving five directors, Messrs. Rogers, Chang, Smith and Weiss would each be deemed to be independent within the meaning of the National Association of Securities Dealers, Inc.'s listing standards. For this purpose, a director is deemed to be independent if he does not possess any vested interests related to those of management and does not have any financial, family or other material personal ties to management.

The board of directors has not adopted a policy with regard to the consideration of any director candidates recommended by security holders, since to date the board has not received from any security holder a director nominee recommendation. The board of directors will consider candidates recommended by security holders in the future. Such recommendation must be received by the Company before September 30 following the most recently completed fiscal year.

All director nominees identified in this proxy statement were recommended by our President and Chief Financial Officer and unanimously approved by the board of directors.

4. Compliance With Section 16(a) of the Exchange Act:

Under the securities laws of the United States, the Company's directors, its executive officers and any persons holding more than 10% of the Company's common stock are required to report their ownership of the Company's common stock and any changes in that ownership to the Securities and Exchange Commission. Specific due dates for these reports have been established and the Company is required to report any failure to file by these dates during fiscal 2003 and fiscal 2004. In making this report, the Company has relied on the written representations of its directors and officers or copies of the reports that they have filed with the Commission. Based upon these sources of information, it would appear that during the period covered, Gary Brown failed to file ten reports covering ten transactions in a timely fashion, Alfredo Chang failed to file three reports covering three transactions in a timely fashion, Daniel Sullivan failed to file two reports covering two transactions in a timely fashion, Robert Weiss failed to file two reports covering two transactions in a timely fashion, Kenneth Marshall failed to file four reports covering four transactions in a timely fashion, Kevin Gorman failed to file three reports covering three transactions in a timely fashion, Gus Yepes failed to file two reports covering two transactions in a timely fashion, Stephen Rogers failed to file three reports covering three reports in a timely fashion, Steven Jesson failed to file one report covering one transaction in a timely fashion, and Robert Francis failed to file one report covering one transaction in a timely fashion.

PROPOSAL NO. 2
RATIFICATION OF SELECTION OF AUDITORS

The Board of Directors has selected the firm of Cordovano & Honeck, LLP, independent certified public accountants, to serve as auditors for the fiscal year ending June 30, 2005. Cordovano & Honeck, LLP has been the Company's accountants continuously since November 2002. It is not expected that a member of Cordovano & Honeck, LLP will be present at the Annual Meeting and that a member of that firm will be available to either make a statement or respond to appropriate questions. Ratification of the selection of our auditors is not required under the laws of the State of Delaware, or applicable rules or regulations of the Securities and Exchange Commission but will be considered by the Board of Directors in selecting auditors for future years.

The following table details aggregate fees billed for fiscal year ended June 30, 2004 by Cordovano & Honeck for:

- * Professional services rendered for the audit of the Company's annual consolidated financial statements and the reviews of the Company's quarterly consolidated financial statements;
- * Financial information systems design and implementation; and
- * All other services:

2004

2003

Audit fees - audit of annual financial statements and review of financial statements included in our quarterly reports, services normally provided by the accountant in connection with statutory and regulatory filings.	\$21,804	\$24,850
Audit-related fees - related to the performance of audit or review of financial statements not reported under "audit fees" above	0	0
Tax fees - tax compliance, tax advice and tax planning	0	0
All other fees - services provided by our principal accountants other than those identified above	0	0
Total fees paid or accrued to our principal accountants	\$21,804	\$24,850

Neither the Board of Directors nor the Audit Committee of the Board of Directors has considered whether the provision of the services covered by the caption "Financial Information System Design and Implementation" or "Other" in the above table is compatible with Cordovano & Honeck's independence.

Votes Required

Ratification of the selection of Cordovano & Honeck to serve as auditors for the fiscal year ending June 30, 2005 will require an affirmative vote of a majority of the outstanding shares of common stock of the Company represented in person or by proxy at the Annual Meeting and voting on this Proposal.

Management Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE RATIFICATION OF THE SELECTION OF CORDOVANO & HONECK.

PROPOSAL NO. 3
REVERSE STOCK SPLIT

Mechanics of Reverse Stock Split

We are seeking your authorization to undertake, at our discretion in the future, up to a one-for-ten (1-for-10) Reverse Split of our outstanding shares of Common Stock and outstanding options, warrants and other rights convertible into shares of Common Stock. The authorization sought in this Proposal No. 3 would grant the Board of Directors additional authority to implement through one or more additional reverse splits a further recapitalization of our outstanding securities, not to exceed in the aggregate a reverse split of one-for-ten (1-for-10). We request your approval to effect a Reverse Split of our securities at such time in the future as we may determine, in our sole discretion, to be in the best interest of the Company and our shareholders. Once implemented, the Reverse Split would result in each holder of our Common Stock on the Record Date owning fewer shares of Common Stock than they

owned immediately before the Reverse Split, and outstanding options, warrants, and other convertible rights will become exercisable to purchase a fewer number of shares of Common Stock at an exercise price per share increased by the factor of the Reverse Split. Fractional shares, options and warrants will be rounded up to the nearest whole.

If our shareholders approve the Reverse Split as currently described, we will be authorized to implement the Reverse Split within the foregoing parameters if we chose to do so at any time and until such time as the authorization is revoked by a majority vote of our shareholders at a future regular or special meeting of the our shareholders. If and when implemented, we will cause our stock transfer agent to provide each Shareholder of record written notice of such implementation together with a description of the effect thereof.

The Reverse Stock Split will not affect in any manner the rights and preferences of our shareholders. There will be no change in the voting rights, right to participate in stock or cash dividends, or rights upon the liquidation or dissolution of the Company of holders of Common Stock; nor will the Reverse Split affect in any manner the ability of our shareholders to sell under Rule 144 or otherwise engage in market transactions in accordance with federal and state securities laws.

The Reverse Stock Split will also result in an automatic adjustment of any and all outstanding options, warrants and other rights exercisable or convertible into shares of our Common Stock. The adjustment will consist of an increase in the exercise price or conversion value per share by the factor of the Reverse Split and the number of shares issuable upon exercise or conversion will be reduced by the same factor. For example, if we implement a one-for-two (1-for-2) Reverse Split, an option, warrant or other right exercisable or convertible into 1,000 shares of our Common Stock at an exercise price or conversion value of \$1.00 per share immediately before implementation of the Reverse Split would be exercisable or convertible into 500 shares of our Common Stock at an exercise price or conversion value of \$2.00 per share immediately after implementation of the Reverse Split. All other relative rights and preferences of holders of outstanding options, warrants and other rights convertible or exercisable into shares of our common stock shall remain unchanged.

Reasons for Reverse Stock Split

We believe that approval of the Reverse Split is in the best interest of the Company and our shareholders for several reasons. First, our Common Stock is not currently listed on the Nasdaq SmallCap Market ("Nasdaq"). In order to qualify for initial inclusion on Nasdaq, it is necessary to qualify under Nasdaq's initial inclusion criteria that include, among other things, the requirement that our Common Stock maintain a minimum bid price of \$4.00 per share and a market value of the public float of our securities of at least \$5,000,000. As of the date of this Proxy Statement, we do not satisfy either of these criteria. As a result, it may be necessary to implement a reverse split of our Common Stock in order to meet the Nasdaq initial inclusion criteria should the Board of Directors determine that we satisfy the other listing criteria and would otherwise be eligible for trading on Nasdaq.

Additionally, we believe that a Reverse Split, which will result in a higher per share trading price of our Common Stock, will enable us to attract additional interest in our Common Stock from the investment community, and particularly market-makers. Numerous broker-dealers and investment bankers require that a company's common stock have a minimum public trading price before those broker-dealers or investment bankers will agree to make a market in that security. As a result, we believe that the Reverse Split has the potential of improving the liquidity of the public market for our Common Stock.

Votes Required

Approval and adoption of the increase in the number of shares of common stock issuable under our equity incentive plan will require that the votes cast in favor of the proposal exceed the votes cast against the proposal.

Board of Directors Recommendation

OUR BOARD OF DIRECTORS HAS CONCLUDED THAT THE PROPOSED REVERSE STOCK SPLIT IS IN THE BEST INTEREST OF THE COMPANY'S SHAREHOLDERS AND UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS APPROVE THIS PROPOSAL AT THE MEETING
