ITEM 5.02. DEPARTURE OF DIRECTORS OR PRINCIPAL OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF PRINCIPAL OFFICERS

The Company continues to refine its focus on developing the business and prospects of VETCO Hospitals, Inc. (acquired in May 2006) where it believes the Company can add greater long term value for its shareholders. This change of focus requires a management team and Board of Directors with animal health services expertise.

As a result of the altered focus, the Company has received and accepted effective October 19, 2006, Gary L. Brown's resignation as a Director of the Company and October 23, 2006, John McKenzie's resignation as a Director of the Company.

The Board of Directors plans to conduct a search to replace these board members with new members that bring animal health services industry experience to the Board. In addition, the board has established an operating committee comprised of outside members of the board of directors to assist in the company's transition in the interim. The operating committee is comprised of Robert Weiss, Steve Rogers, and Steve Smith, and will act in support of the Chief Executive Officer during this period of transition. The operating committee will not be a standing committee of the board but rather will be disbanded once all of the needed operating officers have been identified and retained.

We do not expect the operating committee will adopt formal charters. Further, there are no arrangements or commitments to compensate the members of the newly authorized temporary committee of the board; although the board as a whole may address the issue of compensation in the future.
