The Company's Annual Report to Stockholders for the fiscal year ended December 31, 2002 is being furnished with this Proxy Statement to stockholders of record as of March 31, 2003. Each stockholder of record is entitled to one vote per share held on all matters submitted to a vote of stockholders, except that in electing directors, each stockholder is entitled to cumulate his or her votes and give any one candidate an aggregate number of votes equal to the number of directors to be elected (seven) multiplied by the number of his or her shares, or to distribute such aggregate number of votes among as many candidates

For a stockholder to exercise cumulative voting rights, the stockholder must give notice of his or her intention to cumulatively vote prior to the Meeting, or at the Meeting in person, prior to voting. If any stockholder has given such notice, all stockholders may cumulatively vote. The holders of proxies will have authority to cumulatively vote and allocate such votes in their discretion to one or more of the director nominees. Abstentions and broker non-votes are each included in the determination of the number of shares present. Abstentions are counted in tabulations of the votes cast on proposals presented to stockholders, and thus, have the effect of voting against a proposal, whereas broker non-votes are not counted for purposes of determining whether a proposal has been approved.
