PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS TO BE HELD MAY 8, 2006

This proxy statement together with the form of proxy is being mailed to stockholders on or about April 7, 2006 in connection with the solicitation by the Board of Directors of Tompkins Trustco, Inc. (the "Company") of proxies to be used at the annual meeting of stockholders (the "Meeting") of the Company to be held at the Country Club of Ithaca, 189 Pleasant Grove Road, Ithaca, New York on Monday, May 8, 2006 at 5:30 p.m., and any adjournment thereof.

Voting

Only stockholders of record at the close of business on March 10, 2006 will be entitled to vote. On March 10, 2006, there were 9,047,394 shares of common stock of the Company, par value \$0.10 per share (the "Common Stock"), outstanding. Each share of Common Stock is entitled to one vote on each matter to be voted on at the Meeting.

Stockholders whose shares are registered in their own names may vote by mailing a completed proxy, via the Internet or by telephone. Instructions for voting via the Internet or by telephone are set forth on the enclosed form of proxy. To vote by mailing a proxy, sign and return the enclosed form of proxy in the enclosed pre-addressed postage-paid envelope. Shares of Common Stock covered by a proxy that is properly executed and received prior to the close of business on the day of the Meeting will be voted and, if the stockholder who executes such proxy shall specify therein how such shares shall be voted on such proposals, the shares will be voted as so specified. Executed proxies with no instructions will be voted "FOR" each proposal for which no instruction is given. Other than the election of directors, the Board is not aware of any other matters to be presented for stockholder action at the Meeting. However, if other matters do properly come before the Meeting or any adjournments thereof, the Board of Directors intends that the persons named in the accompanying proxy will vote the shares represented by all properly executed proxies on any such matters in accordance with the judgment of the person or persons acting under the proxy.

The presence of a stockholder at the Meeting will not automatically revoke a proxy previously delivered by that stockholder. A stockholder may, however, revoke his or her proxy at any time prior to its exercise by: (1) delivering to the Corporate Secretary a written notice of revocation prior to the Meeting, (2) delivering to the Corporate Secretary a duly executed proxy bearing a later date, or (3) attending the Meeting and filing a written notice of revocation with the Corporate Secretary at the Meeting prior to the vote and voting in person.

The presence, in person or by proxy, of at least a majority of the total number of shares of Common Stock entitled to vote at the Meeting is necessary to constitute a quorum for the conduct of business at the Meeting and, in the event there are not sufficient votes on any matter, the Meeting may be adjourned.

Vote Required And Board Recommendations

Proposal	Vote Required	Board of Directors Recommendation
Election of Directors	Plurality of eligible votes cast	"FOR" all director nominees

Abstentions and Broker Non-votes

Abstentions, in person or by proxy, and broker non-votes will each be counted for purposes of determining the presence of a quorum. A "broker non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power on that matter and has not received instructions from the beneficial owner. However, abstentions and broker non-votes are not deemed to be "votes cast" and therefore have no effect on the outcome of the vote, which requires a plurality of the votes cast. Votes withheld in connection with the election of one or more of the nominees for director will not be counted as votes cast and will have no effect on the outcome of the election.

Solicitation of Proxies

The total cost of solicitation of proxies in connection with the Meeting will be borne by the Company. In addition to solicitation by mail, directors, officers and employees of the Company may solicit proxies for the Meeting personally or by telephone or electronic communication without additional remuneration. The Company will also provide brokers and other record owners holding shares in their names or in the names of nominees, in either case which are beneficially owned by others, proxy material for transmittal to such beneficial owners and will reimburse such record owners for their expenses in doing so.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information, as of March 10, 2006, with respect to the beneficial ownership of the Company's Common Stock by: (i) each stockholder known by the Company to be the beneficial owner of more than 5% of the Company's Common Stock; (ii) each director and nominee; (iii) each executive officer named in the Summary Compensation Table; and (iv) all executive officers and directors as a group. In the event any nominee is unable or declines to serve as a director at the time of the Meeting, the proxies will be voted for any nominee, if any, who may be designated by the Board of Directors, upon recommendation of the Company's Nominating and Corporate Governance Committee, to fill the vacancy. As of the date of this proxy statement, the Board of Directors is not aware that any nominee is unable or will decline to serve as a director.

(1) Mr. Griswold is not standing for re-election to the Board of Directors this year; accordingly, Mr. Griswold's committee membership will terminate effective as of the date of the 2006 Annual Meeting of Stockholders.

The Executive/Compensation/Personnel Committee met sixteen times during fiscal 2005. Among its duties and responsibilities, this committee assesses the performance and reviews, determines and recommends salaries and other matters relating to executive compensation, including the compensation of the Company's Chief Executive Officer. It also administers the Company's stock option plans, including reviewing and granting stock options to executive officers and other employees. This committee also reviews and approves various other Company compensation policies and matters, senior management planning, and is responsible for assuring that the Company's executive officers are compensated effectively and in a manner consistent with the Company's objectives. Each of the members of this committee is an "independent director" as defined in Section 121A of the AMEX listing standards. For more information about the duties and responsibilities of this committee, see "Report of the Executive/Compensation/Personnel Committee of the Board of Directors," included in this proxy statement.

The Board of Directors has adopted a written charter for the Audit/Examining Committee. A copy of the Audit/Examining Committee's charter was included as Appendix A in the Company's proxy statement, filed with the Securities and Exchange Commission (the "SEC") on April 6, 2004. The Audit/Examining Committee met five times during fiscal 2005. This committee assists the Board in its general oversight of the Company's accounting and financial reporting, internal controls and audit functions, and is directly responsible for the appointment, compensation and oversight of the work of the Company's independent auditors. The responsibilities and activities of the Audit/Examining Committee are described in greater detail in the "Report of the Audit/Examining Committee of the Board of Directors" included in this proxy statement. The Board of Directors has determined that John E. Alexander, William W. Griswold and Bonnie H. Howell each qualify as an "audit committee financial expert" as defined in Item 401(h)

Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

of Regulation S-K and that each of the members of the Audit/Examining Committee satisfies the independence standards of Section 121A of the AMEX listing standards and Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act").

The Board of Directors has adopted a written charter for the Nominating and Corporate Governance Committee. A copy of the Nominating and Corporate Governance Committee's charter is posted in the "Corporate Governance" section of the Company's Investor Relations website (www.tompkinstrustco.com). The Nominating and Corporate Governance Committee met three times during the 2005 fiscal year. This committee is responsible for assisting the Board in developing corporate governance policies and practices that are compliant with applicable laws and regulations, including AMEX listing requirements and the corporate governance requirements of the Sarbanes-Oxley Act of 2002. In addition, this committee is responsible for making recommendations to the Board regarding Board membership and composition. This committee establishes procedures for the nomination process and nominates or recommends to the Board qualified candidates for election to the Board.

8

The process for selecting director nominees entails making a preliminary assessment of each candidate based upon his or her qualifications, willingness to serve on the Board, and other background information. This information is then evaluated against the criteria set forth below, as well as the specific needs of the Company at that time. Based upon this preliminary assessment, candidates who appear to be the best fit may be interviewed. If the director nominee is a current Board member, the committee will also consider prior Board performance and contributions. At the conclusion of this process, the committee will nominate qualified candidate(s) that best meet(s) the Company's needs to the Board for election at the next annual meeting of stockholders. The committee uses the same process for evaluating all candidates, whether recommended by stockholders, directors or management.

The minimum qualifications and attributes that the committee believes must be possessed by a director nominee include: highest personal values, judgment and integrity; an understanding of the regulatory and policy environment in which the Company conducts its business; an understanding of, and interest in, the communities served by the Company; and experience in the key business, financial and management challenges that face financial service companies.

The committee considers nominees proposed by stockholders. To recommend a prospective nominee for the committee's consideration, stockholders should submit the candidate's name and qualifications to: Chairman, Nominating and Corporate Governance Committee, Tompkins Trustco, Inc. Board of Directors, P.O. Box 460, Ithaca, New York 14851. Each member of this committee is an "independent director" as defined in Section 121A of the AMEX listing standards.

The Pension Investment Review Committee met two times during fiscal 2005. This committee is responsible for reviewing the assets held in the Tompkins Trustco, Inc. Retirement Plan.

It is the general policy of the Board that compensation of non-employee directors should consist of equity-based compensation in order to better align directors' interests with those of the Company's stockholders. It is also the general policy of the Board that employee directors are not paid for their service on the Company's Board of Directors in addition to their regular employee compensation.

Mr. Griswold's fee for his services on the Executive/Compensation/Personal Committee with respect to completion of the management succession project was paid during the first quarter of fiscal 2006. All board/committee fees and retainers earned by directors are paid in accordance with the Retainer Plan, which provides that: (i) all such board/committee fees and retainers shall be paid in shares of Common Stock of the Company and (ii) the receipt of payment by directors of board/committee fees and retainers shall be deferred automatically pursuant to the terms of the Retainer Plan. Under the Retainer Plan, board/committee fees and retainers are transferred to a rabbi trust; and the trustee of the rabbi trust acquires shares of the Company's Common Stock for each director's deferred compensation account

on the open market pursuant to the Company's Dividend Reinvestment and Stock Purchase and Sale Plan. A director has no rights in or to the shares of Common Stock held in the rabbi trust. A director does have the right, however, to the payment of his or her deferred compensation upon the earlier of the director's termination of service as a director of the Company; the director's attainment of the age of 72 years; or the director's death. EXECUTIVE COMPENSATION

Report of the Executive/Compensation/Personnel Committee of the Board of Directors

The information contained in this report shall not be deemed to be "soliciting material", or "filed" or incorporated by reference in future filings with the Securities and Exchange Commission (the "SEC"), or subject to the liabilities of Section 18 of the Exchange Act, except to the extent that the Company specifically requests that such information be treated as "soliciting material" or specifically incorporates it by reference into a document filed under the Securities Act of 1933, as amended (the "Securities Act"), or the Exchange Act.

Overview of Executive Compensation Goals and Objectives

The Executive/Compensation/Personnel Committee (the "Compensation Committee") is responsible for determining and recommending to the full Board the compensation of the Company's executive officers, including the executive officers identified in the Summary Compensation Table. A goal of the Compensation Committee is to maintain executive compensation that is fair and reasonable, consistent with the Company's size and the compensation practices of the financial services industry generally. A key objective of the Compensation Committee is to attract, develop and retain high caliber executives who are capable of maximizing the Company's performance for the benefit of its stockholders. In furtherance of this objective, the Compensation Committee periodically compares its compensation levels, practices and financial performance to those of a select group of banking institutions of similar size, geographic market and business makeup. Toward that end, the Compensation Committee considered the compensation practices of approximately 10 banking companies which it believed were reasonably comparable to the Company's asset size and performance and which were located in the northeast, primarily in New York State. The pertinent information pertaining to the companies forming the comparative group considered by the Compensation Committee was gathered from information available to the public and from a survey developed by the Independent Bankers Association of New York (IBANYS) which survey provided information about the compensation practices of community banking institutions in New York State.

Based upon the information reviewed by the Compensation Committee, the Compensation Committee believes the Company's executive compensation practices for fiscal 2005 were appropriate.

Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

Components of Executive Compensation

The three major components of the Company's executive officer compensation are: (i) base salary, (ii) annual bonus and (iii) long-term, equity-based incentive awards.

Base salary. The Compensation Committee annually reviews the salaries of the Company's executives. When setting base salary levels for recommendation, the Compensation Committee considers (a) competitive market conditions for executive compensation, (b) the Company's performance and (c) the individual's performance. The Company's performance is measured by the Company's strategic and financial performance in the fiscal year, with particular emphasis on earnings per share growth and return on stockholders' equity for the year. Although the Compensation Committee considers year-to-year changes in stock price in its evaluation of Company performance, the Committee does not emphasize this criterion because the Committee does not believe that short-term fluctuations in stock price necessarily reflect the underlying strength or future prospects of the Company. Individual performance is measured by the strategic and financial performance of the particular executive officer's operational responsibility in comparison to targeted performance criteria.

Annual bonus. The Company's payment of annual cash bonuses seeks to motivate executives to work effectively to achieve the Company's financial performance objectives and to reward them when objectives are met.

Long-term, equity-based awards. The Compensation Committee believes that stock option grants (1) align executive's interests with stockholder interests by creating a direct link between compensation and stockholder return, (2) give executives a significant, long-term interest in the Company's success and (3) help retain key executives in a competitive market for executive talent. While the Compensation Committee recognizes that the executives of the Company can exert very little influence on short-term fluctuations in stock price, the Compensation Committee does believe that long-term stock price appreciation reflects achievement of strategic goals and objectives. Stock option awards are based on the performance of the individual executive and his or her anticipated contribution to the achievement of the Company's strategic goals and objectives. In addition to stock options, executives may receive Common Stock through the profit sharing component of the Tompkins Trustco Inc. Employee Stock Ownership Plan.

Executive Compensation for Fiscal 2005

In determining the compensation for the Company's executive officers for fiscal 2005, including the compensation of the Company's Chief Executive Officer, the Compensation Committee considered, but did not formally weigh, a number of quantitative and qualitative performance factors to evaluate the performance of its executive officers, including its Chief Executive Officer.

The performance factors considered include (1) the Company's net income for fiscal 2005 as compared to the Company's internal targets; (2) increases in earnings per share of the Company's Common Stock for the latest 12 months; (3) the Company's return on assets, as ranked in the Federal Reserve Bank Holding Company Performance Report (Peer Group Percentile); (4) increases in the Company's stock price over 12 months; and (5) the Company's return on equity, as

ranked in the Federal Reserve Bank Holding Company Performance Report (Peer Group percentile). The Compensation Committee believes that the total compensation provided to the Company's executive officers is competitive and

Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

reflects the Company's performance.

This report was prepared by the Executive/Compensation/Personnel Committee of the Board of Directors.

Mr. Byrnes is a party to a Supplemental Executive Retirement Agreement with Tompkins Trust Company, and Messrs. Life Insurance

Life insurance benefits are provided to certain officers of the Company, with respect to which the Company has entered into life insurance contracts. These insurance contracts are carried at cash surrender value on the Company's consolidated statements of condition. Increases in the cash surrender value of the insurance are reflected as noninterest income, and the related mortality expense is recognized as other employee benefits expense, in the Company's consolidated statements of income. Taxable amounts paid with respect to such life insurance on behalf of the Named Executive Officers are included as "All Other Compensation" in the Summary Compensation Table, above.

Stock Option Plan

The Company maintains the Tompkins Trustco, Inc. 2001 Stock Option Plan as a vehicle to encourage the continued employment of key employees of the Company and its subsidiaries, and to align their interests with those of the Company's stockholders by facilitating their purchase of a stock interest in Tompkins Trustco. Management believes that an incentive stock option plan is in the best interests of the Company and its stockholders since it will enhance the Company's ability to continue to attract and retain qualified directors, officers and other key employees.

Options Exercised and Value for Fiscal 2005

The following table sets forth information concerning the exercise of options by each Named Executive Officer during fiscal 2005 and the potential value of unexercised "in-the-money" options held by them as of the end of the fiscal year. Options are "in-the-money" if the fair market value of the underlying shares of Common Stock exceeds the exercise price of the option. The value of exercised options represents the difference between the fair market value of the shares of Common Stock on the date of exercise less the aggregate exercise price established on the grant date. The value of unexercised "in-the-money" options is based on the average price of the Company's Common Stock on December 31, 2005, the last trading day of fiscal 2005, of \$44.80(1) per share, minus the exercise price, multiplied by the number of shares of Common Stock issuable upon exercise of the option. These values have not been, and may never be, realized.

Deferred Profit-Sharing Plan

The Company has an Investment and Stock Ownership Plan (the "ISOP") that covers substantially all of the employees of the Company and its subsidiaries. The ISOP is a profit-sharing plan with a salary deferral arrangement meeting the requirements of Section 401(k) of the Internal Revenue Code of 1986, as amended. Pursuant to the ISOP, an employee may defer a portion of the employee's base pay, within limits specified in the ISOP. The ISOP further provides that the Company will match 100% of an employee's contribution up to 3% of the employee's base pay, and will match 50% of an employee's additional contribution to the ISOP that is greater than 3%, but not more than 5%, of the employee's base pay. In addition, the ISOP has an employer-funded profit sharing component. Profit sharing contributions are discretionary contributions determined by the Company's Board of Directors and are limited to a maximum amount as stipulated in the ISOP. The ISOP allows employees to elect to defer a portion of their

Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

profit sharing component (which deferral is not eligible for matching by the Company), or to receive cash. Amounts contributed by the Company for the accounts of the Named Executive Officers are included as "All Other Compensation" in the Summary Compensation Table.

The Company also has the Tompkins Trustco, Inc. Employee Stock Ownership Plan (the "ESOP") which covers substantially all employees of the Company. The purpose of the ESOP is to permit the Company to make discretionary profit sharing contributions to employees in the form of shares of Common Stock in order to facilitate stock ownership by employees. Contributions are determined by the Company's Board of Directors and are limited to a maximum amount as stipulated in the ESOP. Amounts accrued for the accounts of the Named Executive Officers are included as "All Other Compensation" in the Summary Compensation Table.

Retirement Plan

The Company has a non-contributory pension equity plan, the Tompkins Trustco, Inc. Retirement Plan (the "Retirement Plan"), which covers substantially all employees of the Company. The assets of the Retirement Plan are held in a separate trust and administered by the Pension Investment Review Committee of the Board of Directors.

(1) A "grandfathering" multiplier based on age and service as of January 1, 2001 will increase the benefits of certain Tompkins Trust Company employees covered under the previous Tompkins County Trust Company Retirement Plan, including Mr. Byrnes and Mr. Fetsko.

The Retirement Plan provides a retirement benefit based on "Points" defined in the Retirement Plan as a combination of age plus years of service, multiplied by "Average Final Earnings," as that term is defined in the Plan. The benefits are not subject to a reduction for federal social security benefits.

15

Generally, compensation used for determination of benefits under the Retirement Plan includes regular annual earnings and, as to the Named Executive Officers, all other payments of compensation from the Company, as reported in all columns of the Summary Compensation Table above. However, taxable compensation from stock options is excluded for all participants and, for highly compensated employees, which includes all of the Named Executive Officers, incentive bonus compensation and taxable fringe amounts are excluded. The annual compensation used for benefit computations of each employee under the plan will not exceed the IRC section 401(a)(17) annual compensation limit. Considering these limits, the five (5) year average annual compensation for plan years 2001-2005 is \$197,000. As of December 31, 2005, Mr. Byrnes had 17 years of credited service

Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

under the Retirement Plan and his average annual compensation for purposes of the Retirement Plan was \$197,000; Mr. Garner had 5 years of credited service under the Retirement Plan and his average annual compensation for purposes of the Retirement Plan was \$197,000; Mr. Fulmer had 17 years of credited service under the Retirement Plan and his average annual compensation for purposes of the Retirement Plan was \$192,275; Mr. Romaine had 5 years of credited service under the Retirement Plan and his average annual compensation for purposes of the Retirement Plan was \$163,656; and Mr. Fetsko had 9 years of credited service under the Retirement Plan and his average annual compensation for purposes of the Retirement Plan was \$155,284. Certain of the Company's employees, including Messrs. Byrnes and Fetsko, are covered by the Retirement Plan's "grandfathering" provisions, as a result of which their accrued benefit is increased by 100% and 60% respectively.

Under the plan, normal retirement age is 65 with reduced benefit payments for early retirement following age 55 to age 65.

Supplemental Employee Retirement Plans

Tompkins Trust Company has a Supplemental Executive Retirement Agreement with Mr. Byrnes dated July 12, 1994. This SERP agreement provides Mr. Byrnes: (i) with an annual retirement benefit at age 65 equal to 50% of his highest average earnings (as defined in the SERP agreement) using five consecutive calendar years of his employment with Tompkins Trust Company, less (a) benefits payable to Mr. Byrnes under Tompkins Trust Company's retirement plan and (b) social security benefits. The retirement benefit is payable monthly and subject to reduction in the event Mr. Byrnes retires prior to age 65; (ii) in the event of (a) short-term disability, with benefits in an amount sufficient to continue Mr. Byrnes's annual earnings immediately prior to such disability (taking into account disability benefits otherwise payable under Tompkins Trust Company's disability policies) for a period of up to 26 weeks and, (b) long-term disability, with benefits equal to those payable upon retirement, without regard to age, but subject to reduction of long-term disability payments; and (iii) in the event of a change in control, as defined in Mr. Byrnes's severance agreement, with a single, lump-sum distribution equal to the present value of the annual retirement benefit otherwise payable to Mr. Byrnes upon retirement at age 65. Except in the event of a change in control, no benefits are payable under the SERP agreement if Mr. Byrnes's employment is terminated for cause, or he engages in competition (as defined in the SERP agreement) with Tompkins Trust Company or he performs acts of willful malfeasance or gross negligence in a matter of material importance to Tompkins Trust Company. Mr. Byrnes's SERP agreement is not an employment agreement and does not confer upon him any right to continued employment.

The projected annual retirement benefit to Mr. Byrnes at age 65 is currently \$294,764, inclusive of payments from the Tompkins Trust Company's retirement plan, the SERP agreement and social security.

In December 2005, Messrs. Fulmer, Garner, Romaine and Fetsko, each a Named Executive Officer, entered into Supplemental Executive Retirement Agreements with the Company, which, among other things, replaced the SERP agreements and employment agreements that were previously in place with Mr. Fulmer, Mr. Garner and Mr. Romaine. The December 2005 SERP agreements provide the covered executive officers with the following retirement, death, disability and change of control benefits:

- o Retirement Benefits. Upon their retirement, covered executive officers are eligible to receive payment of his or her annual retirement benefit amount, which is equal to 75% of the executive's earnings, less (a) the annual amount payable under any single life annuity provided under the Company's Retirement Plan and (b) any social security benefits. The retirement benefit is payable monthly until the executive officer's death and is subject to reduction

Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

depending upon the executive's age and years of service as of the date of his or her retirement. For purposes of this benefit, an executive officer's "earnings" will be the average of the executive officer's five highest calendar years of base salary. The projected annual retirement benefit to Mr. Fulmer at age 65 is currently \$172,500; the projected annual retirement benefit to Mr. Garner at age 65 is currently \$198,750; the projected annual retirement benefit to Mr. Romaine at age 65 is currently \$147,750; and the projected annual retirement benefit for Mr. Fetsko at age 65 is currently \$135,000. All these amounts are inclusive of payments from the Company's Retirement Plan, SERP agreements and social security benefits.

o Death Benefits. In the event of the covered executive officer's death (i) after retirement, his or her spouse will be paid (monthly) 50% of the executive officer's annual retirement benefit until the spouse's death, and (ii) prior to retirement, his or her spouse will be paid (monthly) 50% of the vested portion of the executive officer's annual retirement benefit until the spouse's death, provided the spouse survives until the executive officer's designated retirement age in the SERP agreement.

16

o Disability Benefits. Upon a covered executive officer becoming disabled, he or she is entitled to payment of his or her retirement benefits commencing at the executive officer's designated retirement date in the SERP agreement, but with the assumption that the executive officer has completed 20 years of service and is 100% vested in the benefit under the SERP agreement as of the date of his or her disability. In the event of the executive officer's death after disability, the executive officer's spouse will be entitled to payment of the death benefits described above.

o Change of Control Benefits. In the event of a change in control, the covered executive officer will be deemed to have completed twenty (20) years of service and will be 100% vested in the benefit under the SERP agreement. Covered executive officers could be entitled to certain severance benefits following a change of control of the Company (as defined in the SERP agreements). If, within three years following a change in control the executive officer is terminated, other than for cause and subject to the discretion of the Company's executive committee, or, the executive officer's role or compensation is significantly reduced, then for a period of three years, the executive officer is entitled to (a) payment of his or her base salary in effect immediately prior to the change in control, but subject to reduction by 20% to 100% depending on the executive's age at the time of his or her termination, (b) the executive's bonus and profit sharing compensation, which will be the average of the executive's bonus and profit sharing compensation earned for the two most recently completed fiscal years of the Company and (c) continuation of all welfare benefits that he or she was participating in immediately prior to the change in control.

In addition, the SERP agreements with Messrs. Fulmer, Garner, and Romaine provide that in the event the executive officer's employment is terminated without cause (other than upon a change of control, death or disability), then the executive officer is entitled to (a) payment of his or her base salary in effect immediately prior to the executive officer's termination of employment and (b) participate (but not required) in the Company's welfare benefits. These severance benefits are payable for a period of 24 months to Mr. Fulmer, 18 months to Mr. Garner and 12 months to Mr. Romaine.

Further, under the SERP agreements, in the event Messrs. Fulmer's, Romaine's, Garner's or Fetsko's employment is involuntarily terminated (other than for cause) at any time, or voluntarily terminated after reaching age 55 and after completing 10 years of service, but prior to his designated retirement age in his SERP agreement, he will be entitled to payment of his retirement benefits on

Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

his designated retirement date, or, in the event of his death, his spouse will be entitled to payment of the death benefits described above.

No benefits are payable under the SERP agreements if the covered executive officer's employment is terminated for cause, or he or she engages in competition with the Company. And, if the executive officer voluntarily terminates his or her employment before age 55 and before completion of 10 years of service, other than because of death, disability or change of control, he or she will not be entitled to payment of any retirement benefits. The SERP agreements are not employment agreements and do not confer upon the covered executive officers any right to continued employment with the Company or any of its subsidiaries.

Deferred Compensation Plan for Selected Officers

The Company maintains a nonqualified deferred compensation plan for a select group of officers. This plan allows participating employees to defer receipt of all or a portion of bonuses and profit sharing payments otherwise payable to them until a future date. The Investment Committee, which is a subcommittee of the Executive/Compensation/Personnel Committee, directs the investment of these monies. Amounts deferred under the deferred compensation plan on the part of the Named Executive Officers are included as "Bonus" in the Summary Compensation Table.

Post-Retirement Life Insurance and Medical Insurance

The Company offers post-retirement life insurance coverage to employees who have worked for the Company for 10 or more years and who retire at or after age 55. All of the Named Executive Officers are entitled to receive life insurance coverage under this policy.

Additionally, Tompkins Trust Company offers post-retirement medical coverage to certain employees. Retiree medical insurance subsidized by the Company has been eliminated for new hires after December 31, 2004. The current Tompkins Trust Company retirees and active eligible employees (at least 55 years of age and 10 years of service as of December 31, 2004) are a "grandfathered group" and as such continue to receive a portion of their retiree medical benefit from the Company. There is currently a \$3,000 annual cap on the employer payments. The plan of benefits and the employer subsidy will be evaluated annually. All other active employees received a notional Health Reimbursement Account (HRA). Monies in this account will be available to individuals who retire from the Company. The FAS 106 APBO that is attributable to each employee determined the amount of "seed money" for these HRA's.

The following graph sets forth comparative information regarding the Company's cumulative total stockholder return on its Common Stock over the five-year period ended December 31, 2005. Cumulative total stockholder return is measured by dividing cumulative dividends (assuming dividend reinvestment) plus the change in the Common Stock share price during the measurement period by the share price at the beginning of the measurement period. The Company's cumulative total stockholder return for the five-year period based upon an initial investment of \$100 is compared to the cumulative total return of the NASDAQ Stock Market (U.S. Companies) and the SNL Securities L.P. Bank Index, assuming the reinvestment of dividends. The stock prices on the performance graph are not necessarily indicative of future stock price performance.

The Audit/Examining Committee has the authority to conduct any investigation appropriate to fulfilling its responsibilities. It has direct access to the independent auditors and to any employee or officer of the Company it deems necessary. The Audit/Examining Committee has the ability to retain, at the Company's expense and at compensation it deems appropriate, special legal, accounting, or other consultants or experts it deems necessary in the performance of its duties.

A representative of KPMG is expected to attend the Meeting and will have an opportunity to make statements and respond to appropriate questions from stockholders.

Audit and Non-Audit Fees

KPMG is the Company's independent auditor. The following table sets forth the

Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

aggregate fees billed to the Company for the fiscal years ended December 31, 2005 and December 31, 2004 by KPMG:

	2005 ----	2004 ----

Audit Fees: These are fees for professional services rendered for the audit of the Company's consolidated annual financial statements and review of the consolidated financial statements included in the Company's quarterly reports on Form 10-Q, and for services that would normally be provided by the Company's auditor in connection with statutory and regulatory filings or engagements for the periods covered.

Audit-Related Fees: These are fees for assurance and related services that are reasonably related to performance of audit or review of the Company's consolidated financial statements and are traditionally performed by the Company's independent accountant. More specifically, these include fees billed for the audit of internal controls over financial reporting in accordance with the Public Company Accounting Oversight Board, including FDICIA reporting.

Tax Fees: These are fees for professional services rendered regarding tax compliance, tax advice or tax planning. More specifically, these include fees billed for tax return preparation, quarterly estimates, tax planning and tax related research.

More specifically, these include fees for review of the SEC Form S-3, Tompkins Trustco, Inc. Dividend Reinvestment and Direct Stock Purchase and Sale Plan in fiscal 2004.

All non-audit services were reviewed with the Audit/Examining Committee, which concluded that the provision of such services by KPMG was compatible with the maintenance of that firm's independence and the conduct of its auditing functions.

Audit/Examining Committee Pre-Approval Policy

The Audit/Examining Committee pre-approves all audit services and permitted non-audit services (including the fees and terms of such services) to be provided to the Company by its independent auditor, other than non-audit services falling within the de minimis exception described in Section 10A(i)(1)(B) of the Exchange Act which are approved by the Audit/Examining Committee prior to the completion of the audit. The Audit/Examining Committee may delegate to one or more designated members of the Audit/Examining Committee the authority to grant pre-approvals of audit services and permitted non-audit services, provided that decisions of such designated member(s) to pre-approve one or more such services shall be reported to the full Audit/Examining Committee at its next scheduled meeting.

All audit and non-audit services provided by the Company's independent auditor for fiscal 2005 and fiscal 2004 were pre-approved by the Company's Audit/Examining Committee.

In addition, a stockholder seeking to submit such business at an annual meeting shall promptly provide any other information reasonably requested by the Corporation. If a stockholder gives notice of such a proposal after the Bylaw deadline, the stockholder will not be permitted to present the proposal to the stockholders for a vote at the meeting.

In addition, the proxy solicited by the Board of Directors for the 2007 annual meeting of stockholders will confer discretionary authority to vote on (i) any proposal presented by a stockholder at that meeting for which the Company has not been provided with notice prior to December 8, 2006, and (ii) on any other proposal (notwithstanding timely notice), if the 2007 proxy statement briefly describes the matter and how management will direct the proxy holders to vote on it, if the stockholder does not comply with the requirements of Rule 14a-4(c)(2) under the Securities Exchange Act of 1934, as amended.
