DXP Enterprises, Inc. Announces Strategic Acquisition

of Production Pump and Machine Tech

Houston, TX (June 1, 2006) - DXP Enterprises, Inc. (NASDAQ: DXPE) today announced that they have completed a strategic acquisition of Production Pump and Machine Tech, companies that specialize in pumping equipment for all types of oilfield, pipeline, and municipalities. The acquired businesses operate from three facilities with capabilities of fabricating, machining and value added services. These businesses are experts in the field of package pump equipment, fluid handling design and pump maintenance, repairs and services.

DXP paid approximately \$10.1 million for the acquired businesses and assumed approximately \$.4 million worth of debt. The purchase price consists of approximately \$4.6 million paid in cash, \$3.5 million in the form of promissory notes payable to the former owners of the acquired businesses and \$2.0 million of future payments which are contingent upon earnings over the next five years. The cash portion was funded by utilizing available capacity under DXP's bank revolving credit facility. The promissory notes, which are subordinated to DXP's bank revolving credit facility, bear interest at prime minus 2%.

The acquired businesses' sales and adjusted EBITDA for the twelve months ending April 30, 2006, were approximately \$12.5 million and \$2.0 million, respectively. Approximately \$0.6 million of the bonuses paid by Production Pump and Machine Tech to its former owners are considered to have been one time special bonuses and have been added to historical EBITDA in order to determine adjusted EBITDA.

John Jeffery, Senior Vice President of Sales and Marketing, said, "This acquisition will add value by strengthening DXP's position in the upstream oil and gas and pipeline businesses as well as provide additional value added services." Mac McConnell, Chief Financial Officer, stated, "We anticipate this acquisition to be immediately accretive to earnings."

The Seller shall cause Peggy J. Dean to provide the Buyer with access to such firm's work papers in support of the Business. The cost of such accounting work shall be borne by the Buyer, but the Seller shall use its best efforts to cause Peggy J. Dean to provide the Buyer with an estimate of such costs prior to the Closing. The Seller will also cooperate with and assist the Buyer in preparing, and, if requested, shall use reasonable efforts to cause Peggy J. Dean to cooperate, at Buyer's expense, in preparing, such other financial statements for the Business as may be specified by the Buyer.

7.07. Nondisclosure of Proprietary Information.

(a) The Seller and the Partners agree that, from and after the Transfer Date, they and their affiliates shall:

(i) hold in confidence and will not directly or indirectly at any time reveal, report, publish, disclose or transfer to any Person other than the Buyer any of the Proprietary Information that is not generally known to the public or utilize any of the Proprietary Information for any purpose; and

(ii) not for a period of two years recruit any Transferred Employees who are subsequently employed by the Buyer pursuant to Section 6.01 hereof.

Notwithstanding the foregoing, the Seller and its affiliates may disclose information that is (i) required to be disclosed by applicable State or federal tax or securities laws to the extent, and only to the extent, such laws require such disclosure and the Seller provides the Buyer prior written notice of its intent to provide such disclosure and the general text of such disclosure and such disclosure is consented to by the Buyer, which consent shall not be unreasonably withheld, and (ii) required to be disclosed by final order of a court of competent jurisdiction; provided that, in the event Seller or such affiliate is served or threatened with litigation that would require the Seller or such affiliate to disclose such information, the Seller or such affiliate shall tender to the Buyer the opportunity to defend, at its cost, against such disclosure.

(b) The Seller acknowledges that all documents and objects containing or reflecting any Proprietary Information, whether developed by the Seller or by someone else for it or any of its affiliates, will after the Closing Date become the exclusive property of the Buyer and be delivered to the Buyer.

(c) Because of the unique nature of the Proprietary Information, the Seller understands and agrees that the breach or anticipated breach of its or its affiliates obligations under this Section 7.07 will result in immediate and irreparable harm and injury to the Buyer and its affiliates, for which it will not have an adequate remedy at law, and that the Buyer and its affiliates and their successors and assigns shall be entitled to relief in equity to enjoin such breach or anticipated breach and to seek any and all

other legal and equitable remedies to which they may be entitled.

7.08. Real Property. The Seller agrees to provide, and take such action as shall be necessary to provide to the Buyer a new lease for each leased Facility listed in Exhibit B (each lease from a Partner owned Facility shall include an option to purchase) and to grant, sell and convey each Facility owned by Seller by general warranty deed, all free and clear of any liens except the Assumed Loans. At the Closing, the Seller shall provide Buyer with a Lease executed by the Lessor of each Facility in substantially the form attached as Exhibit C hereto (the "Lease"). The Seller agrees to provide and take such action as shall be necessary to provide to the Buyer at the Closing marketable title granting, selling and conveying by general warranty deed to Buyer and deliver to Buyer an owner's title insurance policy to each owned Facility. The ad valorem taxes shall be prorated between Seller and Buyer effective April 30, 2006.

7.09. Warranty Claims. With respect to any claims made pursuant to warranties to third Persons in connection with products manufactured, sold or distributed or services provided by the Seller prior to the Closing Date that relate to the Business and that are covered by valid and existing warranties of the Seller, the Buyer agrees to assume and pay for such claims to the extent, but only to the extent, that the Buyer's Damages with respect to all such claims do not exceed in the aggregate \$3,762.00. Any claims in excess of such amount shall remain part of the Retained Liabilities. The Buyer agrees to provide the necessary services to satisfy any claims made pursuant to warranties of third Persons in connection with products manufactured, sold or distributed or services provided by the Seller prior to the Closing Date that relate to the Business and that are covered by valid and existing warranties of the Seller at a price equal to the Buyer's variable out-of-pocket costs. The foregoing limitations, however, shall not be deemed in any way to limit the right of the Buyer to seek indemnification from the Seller for any Damages, other than warranty claims as excluded in this Section 7.09, such as personal injury or wrongful death claims, in connection with products manufactured, sold or distributed or services provided by the Seller prior to the Transfer Date to the extent the Buyer incurs a monetary liability to any third Person with respect to such matters or is obligated to take any action other than that expressly covered above by this Section 7.09.

7.10. Covenant Not to Compete With the Business. The Seller and the Partners agree that, effective as of the Transfer Date and for a period of three years thereafter, the Seller, and its respective affiliates and the Partners shall not, without the consent of the Buyer, directly or indirectly, (i) design, develop, market, produce, manufacture or provide any product, good or service that competes with the Business in any geographic market in the United States, (ii) make any contact with, for the purpose of transacting any business competitive to the Business, with any Person which was a customer of Seller at any time in the six (6) years prior to the Closing Date ("Company's Customers"), (iii) attempt to direct or take away the business or patronage of any of the Company's Customers, (iv) attempt to have any dealings with the Company's Customers for the purpose of attempting to secure such Customers or their patronage, (v) solicit, hire away or attempt to solicit or hire away to any firm or entity engaged in the Business, any person presently employed by Seller, (vi) engage in the Business, (vii) interfere with or molest the business, trade, goodwill or customers of the Seller. The Seller acknowledges that a remedy at law for any breach or attempted breach of this Section 7.10 will be inadequate and further agrees that any breach of this Section 7.10 will result in irreparable harm to the Business and the Buyer shall, in addition to any other remedy that may be available to it, be entitled to specific performance and injunctive and other equitable relief in case of any such breach or attempted breach. The Seller acknowledges that this covenant not to compete is being provided as an inducement to the Buyer to acquire the Business and the Transferred Assets and that this Section 7.10 contains reasonable limitations as to time, geographical area and scope of activity to be restrained that do not impose a greater restraint than is necessary to protect the goodwill or other business interest of the Buyer. Whenever possible, each provision of this Section 7.10 shall be interpreted in such a manner as to be effective and valid under applicable law but if any provision of this Section 7.10 shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remaining provisions of this Section 7.10. If any provision of this Section 7.10 shall, for any reason, be judged by any court of competent jurisdiction to be invalid or unenforceable, such judgment shall not affect, impair or invalidate the remainder of this Section 7.10 but shall be confined in its operation to the provision of this Section 7.10 directly involved in the controversy in which such judgment shall have been rendered. In the event that the provisions of this Section 7.10 should ever be deemed to exceed the time or

geographic limitations permitted by applicable laws, then such provision shall be reformed to the maximum time or geographic limitations permitted by applicable law.

7.11. Continuation of Business by the Buyer. Nothing in this Section 7.11, in any other provision of this Agreement, in any Exhibit or Section hereto, or in any agreement, instrument, or other document executed or delivered in connection with this Agreement shall require the Buyer to continue its business or operations or to manage and operate the Business with any duty or standard of care to the Seller. TO CONSUMMATE THE TRANSACTIONS

The obligation of the Seller to transfer the Transferred Assets as contemplated hereby is, at the option of the Seller, subject to the satisfaction on or before the Closing Date of the conditions set forth below, any of which may be waived by the Seller in writing; provided, however, the Seller's election to proceed with the Closing of the transactions contemplated hereby shall not be deemed a waiver of any breach of any representation, warranty or covenant herein, whether or not known to the Seller or existing on the Closing Date, and such action shall not prejudice the Seller's right to recover damages for any breach.

INDEMNIFICATION

10.01. Indemnification by the Seller and the Partners. Except as otherwise limited by this Article X and Article XI hereof, the Seller and the Partners agree to indemnify, defend and hold the Buyer and each of its officers, directors, employees, agents, stockholders and controlling Persons and their respective successors and assigns harmless from and against and in respect of Damages actually suffered, incurred or realized by such party (collectively, "General Buyer Losses"), arising out of or resulting from or relating to:

(a) any misrepresentation (other than Section 3.10), breach of warranty or breach of any covenant or agreement made or undertaken by the Seller and/or the Partners in this Agreement or any misrepresentation in or omission from any other agreement, certificate, Schedule, Exhibit or writing delivered to the Buyer pursuant to this Agreement, including the Disclosure Schedule; or

(b) any Retained Liability.

10.02. Environmental Indemnification. In addition to the indemnification provided in Section 10.01 hereof, the Seller and the Partners shall indemnify, defend and hold the Buyer and each of its directors, officers, employees, agents, stockholders and controlling Persons and their respective successors and assigns harmless from and against and in respect of any and all Environmental Liabilities that may be imposed upon or incurred by the Buyer, arising out of or in connection with (a) the acts or omissions of any Person prior to Closing relating to the Business, the Transferred Assets, a Facility or any business conducted at a Facility; (b) any act or omission of the Seller relating to a Facility during the lease term (other than as a result of an act or omission by the Buyer in the operation of the Business after the Closing excluding the Buyer's failure to detect or remedy any existing environmental conditions or any Environmental Liabilities existing on or prior to the Closing Date); or (c) any breach by the Seller of a representation or warranty contained in Section 3.10 (collectively, "Environmental Losses").

10.03. Intentionally Omitted

10.04. Indemnification by the Buyer. Except as otherwise limited by this Article X and Article XI hereof, the Buyer agrees to indemnify, defend and hold the Seller and each of its officers, directors, employees, agents, stockholders, partners and controlling Persons and its successors and assigns harmless from and against and in respect of Damages actually suffered, incurred or realized by such party (collectively, "Seller Losses"), arising out of or resulting from:

- (a) any misrepresentation, breach of warranty or breach of any covenant or agreement made or undertaken by the Buyer in this Agreement or any misrepresentation in or omission from any other agreement, certificate, Schedule, Exhibit or writing delivered to the Seller pursuant to this Agreement;
- (b) any Assumed Liability;
- (c) the obligations assumed by the Buyer pursuant to Section 7.09 hereof; or
- (d) any losses, damages, costs and expenses incurred by any of them arising from the Buyer's operation of the Business or the Transferred Assets or the use of the Facility pursuant to the terms of the Lease after the Closing Date; provided, however, that the Buyer shall in no event be liable for or be required to provide indemnity pursuant to this Section 10.04 for the Buyer's failure to detect or remedy any Environmental Conditions or any Environmental Liabilities arising on or prior to the Closing Date.

10.05. Procedure. All claims for indemnification under this Article X shall be asserted and resolved as follows:

- (a) An Indemnitee shall promptly give the Indemnitor notice of any matter which an Indemnitee has determined has given or could give rise to a right of indemnification under this Agreement, stating the amount of the Loss, if known, and method of computation thereof, all with reasonable particularity, and stating with particularity the nature of such matter. Failure to provide such notice shall not affect the right of the Indemnitee to indemnification except to the extent such failure shall have resulted in liability to the Indemnitor that could have been actually avoided had such notice been provided within such required time period.
- (b) The obligations and liabilities of an Indemnitor under this Article X with respect to Losses arising from claims of any third party that are subject to the indemnification provided for in this Article X ("Third Party Claims") shall be governed by and contingent upon the following additional terms and conditions: if an Indemnitee shall receive notice of any Third Party Claim, the Indemnitee shall give the Indemnitor prompt notice of such Third Party Claim and the Indemnitor may, at its option, assume and control the defense of such Third Party Claim at the Indemnitor's expense and through counsel of the Indemnitor's choice reasonably acceptable to Indemnitee. In the event the Indemnitor assumes the defense against any such Third Party Claim as provided above, the Indemnitee shall have the right to participate at its own expense in the defense of such asserted liability, shall cooperate with the Indemnitor in such defense and will attempt to make available on a reasonable basis to the Indemnitor all witnesses, pertinent records, materials and information in its possession or under its control relating thereto as is reasonably required by the Indemnitor. In the event the Indemnitor does not elect to conduct the defense against any such Third Party Claim, the Indemnitor shall pay all reasonable costs and expenses of such defense as incurred and shall cooperate with the Indemnitee (and be entitled to participate) in such defense and attempt to make available to it on a reasonable basis all such witnesses, records, materials and information in its possession or under its control relating thereto as is reasonably required by the Indemnitee. Except for the settlement of a Third Party Claim that involves the payment of money only and for which the Indemnitee is totally indemnified by the Indemnitor, no Third Party Claim may be settled without the written consent of the Indemnitee.

10.06. Payment. Payment of any amounts due pursuant to this Article X shall be made within ten Business Days after notice of a final determination of any Third Party Claims is sent by the Indemnitee.

10.07. Failure to Pay Indemnification. If and to the extent the Indemnitee shall make written demand upon the Indemnitor for indemnification pursuant to this Article X and the Indemnitor shall refuse or fail to pay in full within ten Business Days of such written demand the amounts demanded pursuant hereto and in accordance herewith, then the Indemnitee may utilize any legal or equitable remedy to collect from the Indemnitor the amount of its Losses. Nothing contained herein is intended to limit or constrain the Indemnitee's rights against the Indemnitor for indemnity, the remedies herein being cumulative and in addition to all other rights and remedies of the Indemnitee.

10.08. Adjustment of Liability. The amount which an Indemnitee shall be entitled to receive from an Indemnitor with respect to any indemnifiable Loss under this Article X shall be net of any insurance recovery by the Indemnitee on account of such Loss from an unaffiliated party.

Any claim for indemnification made during the Survival Period shall be valid and the representations and warranties relating thereto shall remain in effect for purposes of such indemnification notwithstanding such claim may not be resolved within the Survival Period. \$137,250.00 SNYDER, TEXAS May 31, 2006

FOR VALUE RECEIVED, on or before May 31, 2011, the undersigned, PMI OPERATING COMPANY, LTD., a Texas limited partnership ("Borrower"), hereby promises to pay to the order of MICHAEL GOEBEL ("Lender"), at 6295 FM 644 in Hermleigh, Scurry County, Texas, in lawful money of the United States of America, the principal amount of ONE HUNDRED THIRTY-SEVEN THOUSAND TWO HUNDRED FIFTY AND NO/100 DOLLARS (\$137,250.00), together with interest initially accruing at rate of six percent (6%) per annum, then every six (6) months thereafter the interest rate will change, effective the last day of November and May of each year during the term of this Note, to a rate equal to the Wells Fargo Bank prime rate published on the last day of November and May of each year during the term of this Note minus two percent (2%) .

All past due principal of, and interest on, this note shall bear interest from the due date thereof (whether by acceleration or otherwise) until paid at a per annum rate of ten percent (10%).

This note shall be due and payable as follows:

(a) This note shall be due and payable in monthly installments of principal and interest in an amount necessary to fully amortize the principal balance of this note over a five (5) year period from the date hereof. The first monthly installment shall be due and payable on June 30, 2006, and a like installment shall be due and payable on the last day of each succeeding consecutive calendar month thereafter during the term of this note.

(b) The entire principal balance of this note, together with all accrued but unpaid interest on this note, and all other charges, if any, shall be paid by Borrower to Lender on May 31, 2011.

Borrower shall have the right, from time to time, without premium or penalty to prepay the indebtedness evidenced by this note, in full or in part.

For purposes of this note "interest" shall include the aggregate of all charges which constitute interest under Applicable Law that are contracted for, taken, charged, reserved, received or paid under this note. Lender and Borrower further stipulate and agree that, without limitation of the foregoing, all calculations of the amount of interest contracted for, charged, taken, reserved or received under this note which are made for the purpose of determining whether such rate or amount exceeds the Maximum Rate, shall be made to the extent not prohibited by Applicable Law, by amortizing, prorating, allocating and spreading during the period of the full stated term of this note, all interest at any time contracted for, charged, taken, reserved or received from Borrower or otherwise by Lender or any other holder of this note.

Borrower and all makers, co-makers, accommodation parties, sureties, endorsers and guarantors of this note waive demand, presentment for payment, notice of non-payment, protest, notice of protest, notice of intent to accelerate maturity, notice of acceleration of maturity and all other notice, filing of suit and diligence in collecting this note, the release of any party primarily or secondarily liable hereon and further agree that it will not be necessary for any holder hereof, in order to enforce payment of this note, to first institute suit or consent to any one or more extensions or postponements of time of payment of this note on any terms or any other indulgences with respect hereto, without notice thereof to any of them.

REPRESENTATIONS AND WARRANTIES OF THE BUYER

The Buyer represents and warrants to the Seller as follows:

L.01. Partnership Matters. The Buyer is a limited Partnership duly organized, validly existing and in good standing under the laws of the State of Delaware. The Buyer has full Partnership power and authority to enter into this Agreement and to perform its obligations under this Agreement. This Agreement has been duly authorized, executed and delivered by the Buyer and is a legal, valid and binding obligation of the Buyer, enforceable in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws from time to time in effect that affect creditors' rights generally and by legal and equitable limitations on the availability of specific remedies. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby by the Buyer will not violate any provision of, or constitute a default under, any contract or other agreement to which the Buyer is a party or by which it is bound, or conflict with its Certificate of Limited Partnership or Partnership Agreement, other than violations, defaults or conflicts that would not materially and adversely affect the ability of the Buyer to consummate the transactions provided for in this Agreement.

L.02. Finder's Fees. Neither the Buyer nor any affiliate of the Buyer has employed or retained any investment banker, broker, agent, finder or other party, or incurred any obligation for brokerage fees, finder's fees or commissions, with respect to the transactions contemplated by this Agreement, or otherwise dealt with anyone

ARTICLE V

ACCESS TO INFORMATION BY THE BUYER

M.01. Prior to Closing. Until the Closing, the Seller will furnish the Buyer and its employees, officers, accountants, attorneys, agents, investment bankers and other authorized representatives with all financial, operating and other data and information concerning the Business, commitments and properties of the Seller as the Buyer shall from time to time reasonably request and will afford the Buyer and its employees, officers, accountants, attorneys, agents, investment bankers and other authorized representatives access to the Seller's offices, properties, books, records, contracts and documents (including Tax Returns filed and those in preparation) and will be given the opportunity to ask questions of, and receive answers from, representatives of the Seller with respect to the Business, the Contracts and Other Agreements, the Transferred Assets and the other properties of the Seller. No investigations by the Buyer or its employees, representatives or agents shall reduce or otherwise affect the obligation or liability of the Seller with respect to any representations, warranties, covenants or agreements made herein or in any Exhibit, Schedule or other certificate, instrument, agreement or document, including the Disclosure Schedule, executed and delivered in connection with this Agreement. The Seller will cooperate with the Buyer and its employees, officers, accountants, attorneys, agents and other authorized representatives in the preparation of any documents or other materials that may be required by any Governmental Entity.

M.02. Public Information. Until the Closing or termination hereof, the Buyer and the Seller will consult in advance on the necessity for, and the timing and content of, any communications to be made to the public and to the form and content of any application or report to be made to any Governmental Entity that relates to the transactions contemplated by this Agreement and, except with respect to public announcements or disclosures in response to legal requirements (including, without limitation, requirements under the Federal securities laws in connection with any registration, sale or purchase of securities), all such public announcements and disclosures shall require the consent of the Buyer and the Seller, which consent shall not be unreasonably withheld.

ARTICLE VI

EMPLOYEE MATTERS

N.01. Hiring of Transferred Employees. The Buyer, the Partners (except Michael Goebel) will enter into Employment Agreements at the Closing in the general form attached hereto as Exhibit E and the annual salary will be negotiated with each person.

The Buyer shall offer employment to all of the Seller's active hourly employees and other active salaried employees as of the Closing (collectively, the "Transferred Employees"). The Buyer shall not assume any liabilities or obligations of the Seller with respect to Seller's employees, except for the accrued vacation set out in Schedule 6.01 and the Buyer will have complete discretion as to the terms of employment that are offered to the Transferred Employees. Nothing contained in this Section 6.01 is intended to confer upon any of the Seller's employees any right to continued employment after evaluation by the Buyer of its employment needs after the Closing Date. Notwithstanding any other provision of this Agreement, the parties hereto do not intend to create any third-party beneficiary rights respecting any of the Seller's employees or former employees as a result of the provisions herein and specifically hereby negate any such intention.

N.02. Employee Benefits.

(a) The Buyer shall not be liable or obligated under any employee benefit plan or for any other employee benefits that may have been established by the Seller for the Seller's employees prior to the Closing, and the Seller expressly acknowledges that it has sole liability for all employee benefit costs accrued as of the Closing whether or not any or all of such employees are subsequently hired by the Buyer. Without limiting the generality of the foregoing, the Seller acknowledges and agrees that the Buyer does not assume the sponsorship of, the responsibility of contributions to, or any liabilities in connection with any employee benefit plan maintained by the Seller for active employees, retirees, former employees, their beneficiaries or any other Person, including any employee pension benefit plan within the meaning of Section 3(2) of ERISA, employee welfare plan within the meaning of Section 3(1) of ERISA and any personnel policy, stock option plan, bonus plan or arrangement, incentive award plan or arrangement, vacation policy, severance pay plan, policy or agreement, deferred compensation agreement arrangement, executive compensation or supplemental income arrangement, consulting agreement, employment agreement and each other employee benefit plan, agreement, arrangement, program, practice or understanding, except for the accrued 401(k) liability shown on Schedule 6.02(a).

(b) With respect to employees who accept employment with the Buyer, the Seller will remain responsible to the extent covered under its plans for any medical expenses Seller is required to cover that are (i) actually incurred prior to the Closing Date or (ii) actually incurred with respect to any hospitalization that began prior to the Closing Date until such hospitalization ends (as required under such plans), and the Buyer will be responsible for all other medical expenses incurred on or after the Closing Date to the extent covered under its plans without the application of any waiting period for coverage generally applicable to newly hired employees. The Seller shall provide medical coverage to the Transferred Employees with respect to any pre-existing medical conditions to the extent required by applicable law. To the fullest extent permitted under its applicable policies of insurance, the Seller shall maintain health, hospitalization, life, travel and accident insurance coverage for the Transferred Employees in effect until the first day of the month next following the Closing Date. The cost of such insurance coverage from and after the Closing Date shall be borne by the Buyer. The Seller shall cooperate with the Buyer to provide continuity of such insurance coverage to such employees.

N.03. Severance Benefits; Employment Termination. The Buyer agrees to provide severance benefits only in accordance with Buyer's policies and procedures to those Transferred Employees who accept employment with the Buyer.

N.04. Reporting of Data. The Buyer and the Seller shall complete and furnish to each other such other employee data as shall be reasonably required from time to time for each party to perform and fulfill its obligations under this Article VI.

N.05. Employment Related Claims. The Seller agrees that the Seller and not the Buyer shall be solely responsible for all liability, costs and expenses (including attorneys' fees) for all existing employment claims that have been filed by any employee or former employee of the Seller prior to the Closing Date relating to arbitrations, unfair labor practice charges, employment discrimination charges, wrongful termination claims, workers' compensation claims, any employment-related tort claim or other claims or charges of or by employees of the Seller, or any thereof filed after the Closing Date but arising as a result of conditions, actions or events or series of actions or events which occurred prior to the Closing Date. Schedule 6.05 of the Disclosure Schedule sets forth a brief description of any of such claims that have been filed or may be filed after the date hereof arising out of conditions, actions or events that occurred before the Closing Date. The Buyer agrees that it shall be responsible for all liability, costs and expenses (including attorneys' fees) for all employment claims that are filed by any Transferred Employee who accepts employment with the Buyer relating to arbitrations, unfair labor practice charges, employment discrimination charges,

wrongful termination claims, workers' compensation claims, any employment-related tort claim or other claims or charges of or by the Transferred Employees to the extent, but only to the extent, that the same result from the employment relationship between the Buyer and the Transferred Employee and conditions, actions or events or series of actions or events occurring subsequent to the Closing Date.

ARTICLE VII

(n) promptly notify the Buyer in writing if the Seller becomes aware of any change that shall have occurred or that shall have been threatened (or any development that shall have occurred or that shall have been threatened involving a prospective change) in the Transferred Assets or the Business that would reasonably be expected to have a Material Adverse Effect whether or not occurring in the ordinary course of business.

O.02. Information. During the period from the date of this Agreement to the Closing Date, the Buyer and the Seller will promptly inform the other in writing of any claim, action or any proceeding commenced against such party with respect to the transactions contemplated by this Agreement or any assets or property of the Seller or the Business.

O.03. Compliance.

(a) The Seller and the Partners shall use their best efforts to:

(i) cause all of the obligations imposed upon it in this Agreement to be duly complied with, and all conditions precedent to such obligations to be satisfied; and

(ii) obtain any and all consents, waivers, amendments, modifications, approvals, authorizations, notations and licenses necessary to the consummation of the transactions contemplated by this Agreement.

(b) The Seller and the Partners shall cause all Liens on the Transferred Assets, except the Assumed Liabilities, to be released as of the Closing Date.

O.04. Delivery of Partnership Documents. The Seller shall deliver to the Buyer all Documents and Other Papers relating to the Transferred Assets, the Assumed Liabilities and the current and proposed operations of the Business, including, without limitation, all files relating to the Trade Payables, computer disks reflecting any books or records, documents or other papers, or other information or data relating to the operation of the Business or the Transferred Assets or customer records and sales history stored on any electronic media, including computers. The Seller, however, shall be entitled to retain the historical books and records relating to the Business to the extent such books and records are not necessary for the ongoing operations of the Business by the Buyer. The Seller agrees that so long as the partnership, accounting, auditing and tax books, records (including work papers) and other books and records relating to the Seller, the Business and the Transferred Assets, the Transferred Employees and the Assumed Liabilities

remain in existence and in the possession of the Seller or its affiliates, the Buyer and its authorized representatives shall have the right to inspect and, at the Buyer's expense, to copy the same at any time during regular business hours for any proper purpose. For a period of eight years following the Closing Date, the Seller agrees that it will not destroy any of such books and records without having first offered to deliver the same to the Buyer.

O.05. Further Assurances. The Seller and the Partners shall execute, acknowledge and deliver or cause to be executed, acknowledged and delivered to the Buyer such bills of sale, assignments (including but not limited to assignments of leases) and other instruments of transfer, assignment and conveyance, in form and substance satisfactory to counsel for the Buyer, as shall be necessary to vest in the Buyer all the right, title and interest in and to the Transferred Assets free and clear of all Liens (except the Assumed Liabilities) and shall use its best efforts to cause to be taken such other action as the Buyer reasonably may require to more effectively implement and carry into effect the transactions contemplated by this Agreement.

O.06. Cooperation After Closing.

(a) The Seller, the Partners and the Buyer shall cooperate with each other after the Closing hereunder in clearing the title to any of the Transferred Assets to the Buyer pursuant hereto in the event that the Seller's title to any such property, as the case may be, as of the Closing Date, shall be defective, not marketable or nonassignable. In this connection, the Seller shall take all commercially reasonable action, including, but not limited to, the furnishing of documents and evidences of title and assistance in the preparation and trial of any necessary litigation, to clear title to any such property, all of which shall be at the expense of the Seller.

(b) For the greater of eight years from the Closing Date and such period as may be required by any statute, regulation or Governmental Entity or any then pending litigation, the Buyer shall permit the Seller and its representatives reasonable access to the business records and files of the Seller that are transferred to the Buyer in connection herewith in anticipation of, or preparation for, existing or future litigation or any Tax audit which the Seller or any of its affiliates is involved and which is related to the Business or the Transferred Assets, during regular business hours and upon reasonable notice at the Buyer's principal places of business or at any location where such records are stored; provided, however, that (i) any such access shall be had or done in such a manner so as to not interfere with the normal conduct of the Business, (ii) the Buyer shall not be required to provide access to any confidential record or records, the disclosure of which would violate any governmental statute or regulation or applicable confidentiality agreement with any Person, and (iii) the Buyer shall not be required to provide access to any confidential record or records, the disclosure of which would cause the Buyer or any of its Affiliates to waive its attorney-client privilege or attorney work product privilege, it being understood and agreed that the records delivered by the Seller to the Buyer shall not be deemed to be restricted from the Seller pursuant to either clause (ii) or (iii) above. The Buyer shall also provide the Seller with (i) reasonable access to each Facility for the purpose of complying with applicable Environmental Laws provided that such access does not interfere with the normal conduct of the Business and (ii) reasonable access to the accounting records and schedules necessary for the preparation of financial reports and tax returns for the year ended December 31, 2005, and for the 2006 accounting period ending on the Closing Date.

(c) For the greater of eight years from the Closing Date and such period as may be required by any statute, regulation or Governmental Entity or any then pending litigation, the Seller shall permit the Buyer and its representatives reasonable access to the general business records and files of the Seller in anticipation of, or preparation for, existing or future litigation or any Tax audit in which the Buyer or any of its affiliates is involved and which is related to the Business or the Transferred Assets, during regular business hours and upon reasonable notice at the Seller's principal places of business or at any location where such records are stored; provided, however, that (i) any such access shall be had

or done in such a manner so as to not interfere with the normal conduct of the Seller's business, (ii) the Seller shall not be required to provide access to any confidential record or records, the disclosure of which would violate any governmental statute or regulation or applicable confidentiality agreement with any Person, and (iii) the Seller shall not be required to provide access to any confidential record or records, the disclosure of which would cause the Seller or any of its Affiliates to waive its attorney-client privilege or attorney work product privilege.

(d) The Seller, if requested by the Buyer, shall cause Peggy J. Dean to prepare and deliver to the Buyer and shall cooperate and assist in preparing such financial statements of the Business that the Buyer may reasonably require in order to permit Buyer to timely file a Current Report on Form 8-K with the Securities and Exchange Commission in accordance with the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder in connection with the transactions contemplated thereby and to comply with any other financial statement requirements with respect to the Business applicable to Buyer under the Securities Exchange Act of 1934, as amended, the Securities Act of 1933, as amended, and the rules and regulations thereunder. If requested, the Seller shall use its best efforts to cause Peggy J. Dean to deliver such financial statements to the Buyer within ten business days prior to the date that Buyer is required to file such financial statements with the Securities and Exchange Commission in connection with such obligations. The Seller shall cause Peggy J. Dean to provide the Buyer with access to such firm's work papers in support of the Business. The cost of such accounting work shall be borne by the Buyer, but the Seller shall use its best efforts to cause Peggy J. Dean to provide the Buyer with an estimate of such costs prior to the Closing. The Seller will also cooperate with and assist the Buyer in preparing, and, if requested, shall use reasonable efforts to cause Peggy J. Dean to cooperate, at Buyer's expense, in preparing, such other financial statements for the Business as may be specified by the Buyer.

O.07. Nondisclosure of Proprietary Information.

(a) The Seller and the Partners agree that, from and after the Transfer Date, they and their affiliates shall:

(i) hold in confidence and will not directly or indirectly at any time reveal, report, publish, disclose or transfer to any Person other than the Buyer any of the Proprietary Information that is not generally known to the public or utilize any of the Proprietary Information for any purpose; and

(ii) not for a period of two years recruit any Transferred Employees who are subsequently employed by the Buyer pursuant to Section 6.01 hereof.

Notwithstanding the foregoing, the Seller and its affiliates may disclose information that is (i) required to be disclosed by applicable State or federal tax or securities laws to the extent, and only to the extent, such laws require such disclosure and the Seller provides the Buyer prior written notice of its intent to provide such disclosure and the general text of such disclosure and such disclosure is consented to by the Buyer, which consent shall not be unreasonably withheld, and (ii) required to be disclosed by final order of a court of competent jurisdiction; provided that, in the event Seller or such affiliate is served or threatened with litigation that would require the Seller or such affiliate to disclose such information, the Seller or such affiliate shall tender to the Buyer the opportunity to defend, at its cost, against such disclosure.

(b) The Seller acknowledges that all documents and objects containing or reflecting any Proprietary Information, whether developed by the Seller or by someone else for it or any of its affiliates, will after the Closing Date become the exclusive property of the Buyer and be delivered to the Buyer.

(c) Because of the unique nature of the Proprietary Information, the Seller understands and agrees that the breach or anticipated breach of its or its affiliates obligations under this Section 7.07 will result in immediate and irreparable harm and injury to the Buyer and its affiliates, for which it will not have an adequate remedy at law, and that the Buyer and its affiliates and their successors and assigns shall be entitled to relief in equity to enjoin such breach or anticipated breach and to seek any and all other legal and equitable remedies to which they may be entitled.

O.08. Real Property. The Seller agrees to provide, and take such action as shall be necessary to provide to the Buyer a new lease for each leased Facility listed in Exhibit B (each lease from a Partner owned Facility shall include an option to purchase) and to grant, sell and convey each Facility owned by Seller by general warranty deed, all free and clear of any liens except the Assumed Loans. At the Closing, the Seller shall provide Buyer with a Lease executed by the Lessor of each Facility in substantially the form attached as Exhibit C hereto (the "Lease"). The Seller agrees to provide and take such action as shall be necessary to provide to the Buyer at the Closing marketable title granting, selling and conveying by general warranty deed to Buyer and deliver to Buyer an owner's title insurance policy to each owned Facility. The ad valorem taxes shall be prorated between Seller and Buyer effective April 30, 2006. Seller agrees after Closing to complete the following action regarding the Snyder, Texas Facility on or before July 15, 2006:

- a. The soils impacted by a release of hydraulic fluid from a large air compressor will be removed.
- b. The buried propane tank will be permanently removed from the ground.

In the event Seller does not complete such actions by July 15, 2006, then Buyer may complete said actions and offset all expenses incurred by Buyer against the Partner Notes. The provisions of this Section 7.08 shall survive the Closing.

O.09. Warranty Claims. With respect to any claims made pursuant to warranties to third Persons in connection with products manufactured, sold or distributed or services provided by the Seller prior to the Closing Date that relate to the Business and that are covered by valid and existing warranties of the Seller, the Buyer agrees to assume and pay for such claims to the extent, but only to the extent, that the Buyer's Damages with respect to all such claims do not exceed in the aggregate \$4,584.00. Any claims in excess of such amount shall remain part of the Retained Liabilities. The Buyer agrees to provide the necessary services to satisfy any claims made pursuant to warranties of third Persons in connection with products manufactured, sold or distributed or services provided by the Seller prior to the Closing Date that relate to the Business and that are covered by valid and existing warranties of the Seller at a price equal to the Buyer's variable out-of-pocket costs. The foregoing limitations, however, shall not be deemed in any way to limit the right of the Buyer to seek indemnification from the Seller for any Damages, other than warranty claims as excluded in this Section 7.09, such as personal injury or wrongful death claims, in connection with products manufactured, sold or distributed or services provided by the Seller prior to the Transfer Date to the extent the Buyer incurs a monetary liability to any third Person with respect to such matters or is obligated to take any action other than that expressly covered above by this Section 7.09.

O.10. Covenant Not to Compete With the Business. The Seller and the Partners agree that, effective as of the Transfer Date and for a period of three years thereafter, the Seller, and its respective affiliates and the Partners shall not, without the consent of the Buyer, directly or indirectly, (i) design, develop, market, produce, manufacture or provide any product, good or service that competes with the Business in any geographic market in the United States, (ii) make any contact with, for the purpose of transacting any business competitive to the Business, with any Person which was a customer of Seller at any time in the six (6) years prior to the Closing Date ("Company's Customers"), (iii) attempt to direct or take away the business or patronage of any of the Company's Customers, (iv) attempt to have any dealings with the Company's Customers for the purpose of attempting to secure such Customers or their patronage, (v) solicit, hire away or attempt to solicit or hire away to any firm or entity engaged in the Business, any person presently employed by Seller, (vi) engage in the Business, (vii) interfere with or molest the business, trade, goodwill or customers of the Seller. The Seller acknowledges that a remedy at law for any breach or attempted breach

of this Section 7.10 will be inadequate and further agrees that any breach of this Section 7.10 will result in irreparable harm to the Business and the Buyer shall, in addition to any other remedy that may be available to it, be entitled to specific performance and injunctive and other equitable relief in case of any such breach or attempted breach. The Seller acknowledges that this covenant not to compete is being provided as an inducement to the Buyer to acquire the Business and the Transferred Assets and that this Section 7.10 contains reasonable limitations as to time, geographical area and scope of activity to be restrained that do not impose a greater restraint than is necessary to protect the goodwill or other business interest of the Buyer. Whenever possible, each provision of this Section 7.10 shall be interpreted in such a manner as to be effective and valid under applicable law but if any provision of this Section 7.10 shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remaining provisions of this Section 7.10. 10.02. Environmental Indemnification. In addition to the indemnification provided in Section 10.01 hereof, the Seller and the Partners shall indemnify, defend and hold the Buyer and each of its directors, officers, employees, agents, stockholders and controlling Persons and their respective successors and assigns harmless from and against and in respect of any and all Environmental Liabilities that may be imposed upon or incurred by the Buyer, arising out of or in connection with (a) the acts or omissions of any Person prior to Closing relating to the Business, the Transferred Assets, a Facility or any business conducted at a Facility; (b) any act or omission of the Seller relating to a Facility during the lease term (other than as a result of an act or omission by the Buyer in the operation of the Business after the Closing excluding the Buyer's failure to detect or remedy any existing environmental conditions or any Environmental Liabilities existing on or prior to the Closing Date); or (c) any breach by the Seller of a representation or warranty contained in Section 3.10 (collectively, "Environmental Losses").

10.05. Procedure. All claims for indemnification under this Article X shall be asserted and resolved as follows:

(a) An Indemnitee shall promptly give the Indemnitor notice of any matter which an Indemnitee has determined has given or could give rise to a right of indemnification under this Agreement, stating the amount of the Loss, if known, and method of computation thereof, all with reasonable particularity, and stating with particularity the nature of such matter. Failure to provide such notice shall not affect the right of the Indemnitee to indemnification except to the extent such failure shall have resulted in liability to the Indemnitor that could have been actually avoided had such notice been provided within such required time period.

(b) The obligations and liabilities of an Indemnitor under this Article X with respect to Losses arising from claims of any third party that are subject to the indemnification provided for in this Article X ("Third Party Claims") shall be governed by and contingent upon the following additional terms and conditions: if an Indemnitee shall receive notice of any Third Party Claim, the Indemnitee shall give the Indemnitor prompt notice of such Third Party Claim and the Indemnitor may, at its option, assume and control the defense of such Third Party Claim at the Indemnitor's expense and through counsel of

the Indemnitor's choice reasonably acceptable to Indemnitee. In the event the Indemnitor assumes the defense against any such Third Party Claim as provided above, the Indemnitee shall have the right to participate at its own expense in the defense of such asserted liability, shall cooperate with the Indemnitor in such defense and will attempt to make available on a reasonable basis to the Indemnitor all witnesses, pertinent records, materials and information in its possession or under its control relating thereto as is reasonably required by the Indemnitor. In the event the Indemnitor does not elect to conduct the defense against any such Third Party Claim, the Indemnitor shall pay all reasonable costs and expenses of such defense as incurred and shall cooperate with the Indemnitee (and be entitled to participate) in such defense and attempt to make available to it on a reasonable basis all such witnesses, records, materials and information in its possession or under its control relating thereto as is reasonably required by the Indemnitee. Except for the settlement of a Third Party Claim that involves the payment of money only and for which the Indemnitee is totally indemnified by the Indemnitor, no Third Party Claim may be settled without the written consent of the Indemnitee.

10.06. Payment. Payment of any amounts due pursuant to this Article X shall be made within ten Business Days after notice of a final determination of any Third Party Claims is sent by the Indemnitee.

10.07. Failure to Pay Indemnification. If and to the extent the Indemnitee shall make written demand upon the Indemnitor for indemnification pursuant to this Article X and the Indemnitor shall refuse or fail to pay in full within ten Business Days of such written demand the amounts demanded pursuant hereto and in accordance herewith, then the Indemnitee may utilize any legal or equitable remedy to collect from the Indemnitor the amount of its Losses. Nothing contained herein is intended to limit or constrain the Indemnitee's rights against the Indemnitor for indemnity, the remedies herein being cumulative and in addition to all other rights and remedies of the Indemnitee.

10.08. Adjustment of Liability. The amount which an Indemnitee shall be entitled to receive from an Indemnitor with respect to any indemnifiable Loss under this Article X shall be net of any insurance recovery by the Indemnitee on account of such Loss from an unaffiliated party.

TERM NOTE

\$205,875.00 SNYDER, TEXAS May 31, 2006

FOR VALUE RECEIVED, on or before May 31, 2011, the undersigned, PMI OPERATING COMPANY, LTD., a Texas limited partnership ("Borrower"), hereby promises to pay to the order of MICHAEL GOEBEL ("Lender"), at 6295 FM 644 in Hermleigh, Scurry County, Texas, in lawful money of the United States of America, the principal amount of TWO HUNDRED FIVE THOUSAND EIGHT HUNDRED SEVENTY-FIVE AND NO/100 DOLLARS (\$205,875.00), together with interest initially accruing at rate of six percent (6%) per annum, then every six (6) months thereafter the interest rate will change, effective the last day of November and May of each year during the term of this Note, to a rate equal to the Wells Fargo Bank prime rate published on the last day of November and May of each year during the term of this Note minus two percent (2%) .

All past due principal of, and interest on, this note shall bear interest from the due date thereof (whether by acceleration or otherwise) until paid at a per annum rate of ten percent (10%).

This note shall be due and payable as follows:

(a) This note shall be due and payable in monthly installments of principal and interest in an amount necessary to fully amortize the principal balance of this note over a five (5) year period from the date hereof. The first monthly installment shall be due and payable on June 30, 2006, and a like installment shall be due and payable on the last day of each succeeding consecutive calendar month thereafter during the term of this note.

(b) The entire principal balance of this note, together with all accrued but unpaid interest on this note, and all other charges, if any, shall be paid by Borrower to Lender on May 31, 2011.

Borrower shall have the right, from time to time, without premium or penalty to prepay the indebtedness evidenced by this note, in full or in part.

If this note is collected by suit or through the bankruptcy court, or any judicial proceeding, or if this note is not paid at maturity, however such maturity may occur, and it is placed in the hands of an attorney for collection (whether or not legal proceedings are instituted), then Borrower agrees to pay, in addition to all other amounts owing hereunder, the collection costs and attorneys fees of the holder hereof.

It is the intent of Lender and Borrower in the execution and performance of this note to remain in strict compliance with Applicable Law from time to time in effect. In furtherance thereof, Lender and Borrower stipulate and agree that none of the terms and provisions contained in this note or any document relating to this note shall ever be construed to create a contract to pay for the use, forbearance or detention of money with interest at a rate or in an amount in excess of the Maximum Rate or amount of interest permitted to be charged under Applicable Law. For purposes of this note "interest" shall include the aggregate of all charges which constitute interest under Applicable Law that are contracted for, taken, charged, reserved, received or paid under this note. Borrower shall never be required to pay unearned interest and shall never be required to pay interest at a rate or in an amount in excess of the Maximum Rate or amount of interest that may be lawfully charged under Applicable Law, and the provisions of this paragraph shall control over all other provisions of this note, and of any other instrument pertaining to this note, which may be in actual or apparent conflict herewith. If this note is prepaid, or if the maturity of this note is accelerated for any reason, or if under any other contingency the amount of interest which would otherwise be payable under this note would exceed the Maximum Rate or amount of interest Lender or any other holder of this note is allowed by Applicable Law to charge, contract for, take, reserve or receive, or in the event Lender or any holder of this note shall charge, contract for, take, reserve or receive monies that are deemed to constitute interest which would, in the absence of this provision, increase the amount of interest payable under this note to a rate or amount in excess of that permitted to be charged, contracted for, taken, reserved or received under Applicable Law then in effect, then the principal amount of this note or the amount of interest which would otherwise be payable under this note or both shall be reduced to the amount allowed under Applicable Law as now or hereinafter construed by the courts having jurisdiction, and all such moneys so charged, contracted for, taken, reserved or received that are deemed to constitute interest in excess of the Maximum Rate or amount of interest permitted by Applicable Law shall immediately be returned to or credited to the account of Borrower upon such determination. Lender and Borrower further stipulate and agree that, without limitation of the foregoing, all calculations of the amount of interest contracted for, charged, taken, reserved or received under this note which are made for the purpose of determining whether such rate or amount exceeds the Maximum Rate, shall be made to the extent not prohibited by Applicable Law, by amortizing, prorating, allocating and spreading during the period of the full stated term of this note, all interest at any time contracted for, charged, taken, reserved or received from Borrower or otherwise by Lender or any other holder of this note.

Borrower and all makers, co-makers, accommodation parties, sureties, endorsers and guarantors of this note waive demand, presentment for payment, notice of non-payment, protest, notice of protest, notice of intent to accelerate maturity, notice of acceleration of maturity and all other notice, filing of suit and diligence in collecting this note, the release of any party primarily or secondarily liable hereon and further agree that it will not be necessary for any holder hereof, in order to enforce payment of this note, to first institute suit or consent to any one or more extensions or postponements of time of payment of this note on any terms or any other indulgences with respect hereto, without notice thereof to any of them.

(c) The Seller does not have any defined benefit plan or employee benefit plan. Seller does have plan(s) established pursuant to Article 401(k) of the Code.

(d) No lawsuit, complaint or investigation or governmental audit has been noticed, initiated or filed with respect to any employee benefit plan. The Company has not incurred any liability to the PBGC or otherwise under Title IV of ERISA.

K.15. Finder's Fees. Neither the Seller nor any affiliate of the Seller has employed or retained any investment banker, broker, agent, finder or other party, or incurred any obligation for brokerage fees, finder's fees or commissions, with respect to the sale by the Seller of any of the Transferred Assets or with respect to the transactions contemplated by this Agreement, or otherwise dealt with anyone purporting to act in the capacity of a finder or broker with respect thereto whereby any party hereto may be obligated to pay such a fee or commission. The Seller agrees to indemnify and hold the Buyer and its affiliates harmless from and against any and all claims, liabilities or obligations with respect to all fees, commissions or expenses asserted by any Person on the basis of any act, statement, agreement or commitment alleged to have been made by the Seller or any affiliate of the Seller with respect to any such fee, commission or expense.

K.16. No Untrue Statements. Seller and the Partners represent and warrant to the Buyer that this Agreement, the Exhibits and Schedules hereto, and all other documents and certificates delivered to the Buyer and its representatives in connection with this Agreement or the transactions contemplated hereby, including the Disclosure Schedule, do not and will not contain when delivered any untrue statement of any fact and do not and will not omit to state a fact necessary to make the statements contained herein or therein not misleading. There is no fact that has not been disclosed in writing to the Buyer by the Seller that has or will have a Material Adverse Effect.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES OF THE BUYER

The Buyer represents and warrants to the Seller as follows:

L.01. Partnership Matters. The Buyer is a limited Partnership duly organized, validly existing and in good standing under the laws of the State of Delaware. The Buyer has full Partnership power and authority to enter into this Agreement and to perform its obligations under this Agreement. This Agreement has been duly authorized, executed and delivered by the Buyer and is a legal, valid and binding obligation of the Buyer, enforceable in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws from time to time in effect that affect creditors' rights generally and by legal and equitable limitations on the availability of specific remedies. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby by the Buyer will not violate any provision of, or constitute a default under, any

contract or other agreement to which the Buyer is a party or by which it is bound, or conflict with its Certificate of Limited Partnership or Partnership Agreement, other than violations, defaults or conflicts that would not materially and adversely affect the ability of the Buyer to consummate the transactions provided for in this Agreement.

L.02. Finder's Fees. Neither the Buyer nor any affiliate of the Buyer has employed or retained any investment banker, broker, agent, finder or other party, or incurred any obligation for brokerage fees, finder's fees or commissions, with respect to the transactions contemplated by this Agreement, or otherwise dealt with anyone purporting to act in the capacity of a finder or broker with respect thereto whereby any party hereto may be obligated to pay such a fee or a commission. The Buyer agrees to indemnify and hold the Seller and its affiliates harmless from and against any and all claims, liabilities or obligations with respect to all fees, commissions or expenses asserted by any Person on the basis of any act, statement, agreement or commitment alleged to have been made by the Buyer or any affiliate of the Buyer with respect to any such fee, commission or expense.

ARTICLE V

ACCESS TO INFORMATION BY THE BUYER

M.01. Prior to Closing. Until the Closing, the Seller will furnish the Buyer and its employees, officers, accountants, attorneys, agents, investment bankers and other authorized representatives with all financial, operating and other data and information concerning the Business, commitments and properties of the Seller as the Buyer shall from time to time reasonably request and will afford the Buyer and its employees, officers, accountants, attorneys, agents, investment bankers and other authorized representatives access to the Seller's offices, properties, books, records, contracts and documents (including Tax Returns filed and those in preparation) and will be given the opportunity to ask questions of, and receive answers from, representatives of the Seller with respect to the Business, the Contracts and Other Agreements, the Transferred Assets and the other properties of the Seller. No investigations by the Buyer or its employees, representatives or agents shall reduce or otherwise affect the obligation or liability of the Seller with respect to any representations, warranties, covenants or agreements made herein or in any Exhibit, Schedule or other certificate, instrument, agreement or document, including the Disclosure Schedule, executed and delivered in connection with this Agreement. The Seller will cooperate with the Buyer and its employees, officers, accountants, attorneys, agents and other authorized representatives in the preparation of any documents or other materials that may be required by any Governmental Entity.

M.02. Public Information. Until the Closing or termination hereof, the Buyer and the Seller will consult in advance on the necessity for, and the timing and content of, any communications to be made to the public and to the form and content of any application or report to be made to any Governmental Entity that relates to the transactions contemplated by this Agreement and, except with respect to public announcements or disclosures in response to legal requirements (including, without limitation, requirements under the Federal securities laws in connection with any registration, sale or purchase of securities), all such public announcements and disclosures shall require the consent of the Buyer and the Seller, which consent shall not be unreasonably withheld.

ARTICLE VI

EMPLOYEE MATTERS

N.01. Hiring of Transferred Employees. The Buyer and the Partners (except J.M. Pevehouse) will enter into Employment Agreements at the Closing in the general form attached hereto as Exhibit E and the annual salary will be negotiated with each person.

The Buyer shall offer employment to all of the Seller's active hourly employees and other active salaried employees as of the Closing (collectively, the "Transferred Employees"). The Buyer shall not assume any liabilities or obligations of the Seller with respect to Seller's employees, except for the accrued vacation set out in Schedule 6.01 and the Buyer

will have complete discretion as to the terms of employment that are offered to the Transferred Employees. Nothing contained in this Section 6.01 is intended to confer upon any of the Seller's employees any right to continued employment after evaluation by the Buyer of its employment needs after the Closing Date. Notwithstanding any other provision of this Agreement, the parties hereto do not intend to create any third-party beneficiary rights respecting any of the Seller's employees or former employees as a result of the provisions herein and specifically hereby negate any such intention.

N.02. Employee Benefits.

(a) The Buyer shall not be liable or obligated under any employee benefit plan or for any other employee benefits that may have been established by the Seller for the Seller's employees prior to the Closing, and the Seller expressly acknowledges that it has sole liability for all employee benefit costs accrued as of the Closing whether or not any or all of such employees are subsequently hired by the Buyer. Without limiting the generality of the foregoing, the Seller acknowledges and agrees that the Buyer does not assume the sponsorship of, the responsibility of contributions to, or any liabilities in connection with any employee benefit plan maintained by the Seller for active employees, retirees, former employees, their beneficiaries or any other Person, including any employee pension benefit plan within the meaning of Section 3(2) of ERISA, employee welfare plan within the meaning of Section 3(1) of ERISA and any personnel policy, stock option plan, bonus plan or arrangement, incentive award plan or arrangement, vacation policy, severance pay plan, policy or agreement, deferred compensation agreement arrangement, executive compensation or supplemental income arrangement, consulting agreement, employment agreement and each other employee benefit plan, agreement, arrangement, program, practice or understanding, except for the accrued 401(k) liability shown on Schedule 6.02(a).

(b) With respect to employees who accept employment with the Buyer, the Seller will remain responsible to the extent covered under its plans for any medical expenses Seller is required to cover that are (i) actually incurred prior to the Closing Date or (ii) actually incurred with respect to any hospitalization that began prior to the Closing Date until such hospitalization ends (as required under such plans), and the Buyer will be responsible for all other medical expenses incurred on or after the Closing Date to the extent covered under its plans without the application of any waiting period for coverage generally applicable to newly hired employees. The Seller shall provide medical coverage to the Transferred Employees with respect to any pre-existing medical conditions to the extent required by applicable law. To the fullest extent permitted under its applicable policies of insurance, the Seller shall maintain health, hospitalization, life, travel and accident insurance coverage for the Transferred Employees in effect until the first day of the month next following the Closing Date. The cost of such insurance coverage from and after the Closing Date shall be borne by the Buyer. The Seller shall cooperate with the Buyer to provide continuity of such insurance coverage to such employees.

N.03. Severance Benefits; Employment Termination. The Buyer agrees to provide severance benefits only in accordance with Buyer's policies and procedures to those Transferred Employees who accept employment with the Buyer.

N.04. Reporting of Data. The Buyer and the Seller shall complete and furnish to each other such other employee data as shall be reasonably required from time to time for each party to perform and fulfill its obligations under this Article VI.

N.05. Employment Related Claims. The Seller agrees that the Seller and not the Buyer shall be solely responsible for all liability, costs and expenses (including attorneys' fees) for all existing employment claims that have been filed by any employee or former employee of the Seller prior to the Closing Date relating to arbitrations, unfair labor practice charges, employment discrimination charges, wrongful termination claims, workers' compensation claims,

any employment-related tort claim or other claims or charges of or by employees of the Seller, or any thereof filed after the Closing Date but arising as a result of conditions, actions or events or series of actions or events which occurred prior to the Closing Date. Schedule 6.05 of the Disclosure Schedule sets forth a brief description of any of such claims that have been filed or may be filed after the date hereof arising out of conditions, actions or events that occurred before the Closing Date. The Buyer agrees that it shall be responsible for all liability, costs and expenses (including attorneys' fees) for all employment claims that are filed by any Transferred Employee who accepts employment with the Buyer relating to arbitrations, unfair labor practice charges, employment discrimination charges, wrongful termination claims, workers' compensation claims, any employment-related tort claim or other claims or charges of or by the Transferred Employees to the extent, but only to the extent, that the same result from the employment relationship between the Buyer and the Transferred Employee and conditions, actions or events or series of actions or events occurring subsequent to the Closing Date.

ARTICLE VII

ADDITIONAL AGREEMENTS

O.01. Conduct of the Business. The Seller and the Partners (as applicable) covenant and agree with the Buyer that from and after March 31, 2006 until the Closing, except as expressly authorized by this Agreement or expressly consented to in writing by the Buyer, the Seller and the Partners (as applicable) shall, and to the extent the same would affect the Proprietary Rights:

- (a) operate the Business and the Transferred Assets only in the usual, regular and ordinary manner with a view to maintaining the goodwill that the Seller now enjoys and, to the extent consistent with such operation, will use all reasonable efforts to preserve intact its present business organization, keep available the services of its employees and preserve its relationship with its customers, suppliers, jobbers, distributors and other Persons having business relations with it;
- (b) use all reasonable efforts to maintain the Transferred Assets in a state of repair, order and condition consistent with its usual practice in connection with the Business;
- (c) maintain its books of account and records relating to the Business in the usual, regular and ordinary manner, in accordance with the Seller's usual accounting practices applied on a consistent basis;
- (d) comply in all material respects with all statutes, laws, orders and regulations applicable to it and to the conduct of the Business;
- (e) not sell, assign, transfer, lease or otherwise dispose of any Proprietary Rights, Equipment or any of the other Transferred Assets except for dispositions of Inventories for value in the usual and ordinary course of business;
- (f) preserve and maintain all rights that it now enjoys in and to the Proprietary Rights and not sell, assign, transfer, lease or otherwise dispose of any Proprietary Rights other than to the Buyer pursuant to the terms of this Agreement;
- (g) not mortgage, pledge or otherwise create a security interest in any of the Transferred Assets or permit there to be created or exist any Liens thereon that would not be released upon the transfer of the Transferred Assets to the Buyer pursuant to this Agreement;
- (h) not enter into any contract, commitment or lease in relation to the Business that is out of the ordinary course of the Business or, if effective on the date hereof, would be required to be disclosed in

Schedule 3.05(a) of the Disclosure Schedule;

(i) not amend or modify any of the Contracts and Other Agreements disclosed in Schedule 3.05(a) of the Disclosure Schedule or any other contract, commitment, lease or other agreement that would, if entered into on the date hereof, be required to be disclosed on any Schedule to this Agreement, including the Disclosure Schedule;

(j) not consent to the termination of any of the Contracts and Other Agreements disclosed in Schedule 3.05(a) of the Disclosure Schedule or waive any of the Seller's rights with respect thereto;

(k) not grant any increase in the compensation or rate of compensation or commissions or bonus payable to or severance obligations for any of the Transferred Employees or in any bonus plan and not transfer or otherwise change any of the terms or conditions of employment of any of the Transferred Employees;

(l) not permit any insurance policy naming it as a beneficiary or a loss payee relating to the Business or the Transferred Assets to be canceled or terminated or any of the coverage thereunder to lapse unless simultaneously with such termination or cancellation replacement policies providing substantially the same coverage are in full force and effect;

(m) pay when due all accounts payable, all payments required by any of the Contracts and Other Agreements, and all Taxes other than Taxes that are being contested in good faith and for which adequate reserves against the Transferred Assets exist and which would not result in a Lien being imposed on any of the Transferred Assets; and

(n) promptly notify the Buyer in writing if the Seller becomes aware of any change that shall have occurred or that shall have been threatened (or any development that shall have occurred or that shall have been threatened involving a prospective change) in the Transferred Assets or the Business that would reasonably be expected to have a Material Adverse Effect whether or not occurring in the ordinary course of business.

O.02. Information. During the period from the date of this Agreement to the Closing Date, the Buyer and the Seller will promptly inform the other in writing of any claim, action or any proceeding commenced against such party with respect to the transactions contemplated by this Agreement or any assets or property of the Seller or the Business.

O.03. Compliance.

(a) The Seller and the Partners shall use their best efforts to:

(i) cause all of the obligations imposed upon it in this Agreement to be duly complied with, and all conditions precedent to such obligations to be satisfied; and

(ii) obtain any and all consents, waivers, amendments, modifications, approvals, authorizations, notations and licenses necessary to the consummation of the transactions contemplated by this Agreement.

(b) The Seller and the Partners shall cause all Liens on the Transferred Assets, except the Assumed Liabilities, to be released as of the Closing Date.

O.04. Delivery of Partnership Documents. The Seller shall deliver to the Buyer all Documents and Other Papers relating to the Transferred Assets, the Assumed Liabilities and the current and proposed operations of the Business,

including, without limitation, all files relating to the Trade Payables, computer disks reflecting any books or records, documents or other papers, or other information or data relating to the operation of the Business or the Transferred Assets or customer records and sales history stored on any electronic media, including computers. The Seller, however, shall be entitled to retain the historical books and records relating to the Business to the extent such books and records are not necessary for the ongoing operations of the Business by the Buyer. The Seller agrees that so long as the partnership, accounting, auditing and tax books, records (including work papers) and other books and records relating to the Seller, the Business and the Transferred Assets, the Transferred Employees and the Assumed Liabilities remain in existence and in the possession of the Seller or its affiliates, the Buyer and its authorized representatives shall have the right to inspect and, at the Buyer's expense, to copy the same at any time during regular business hours for any proper purpose. For a period of eight years following the Closing Date, the Seller agrees that it will not destroy any of such books and records without having first offered to deliver the same to the Buyer.

O.05. Further Assurances. The Seller and the Partners shall execute, acknowledge and deliver or cause to be executed, acknowledged and delivered to the Buyer such bills of sale, assignments (including but not limited to assignments of leases) and other instruments of transfer, assignment and conveyance, in form and substance satisfactory to counsel for the Buyer, as shall be necessary to vest in the Buyer all the right, title and interest in and to the Transferred Assets free and clear of all Liens (except the Assumed Liabilities) and shall use its best efforts to cause to be taken such other action as the Buyer reasonably may require to more effectively implement and carry into effect the transactions contemplated by this Agreement.

O.06. Cooperation After Closing.

(a) The Seller, the Partners and the Buyer shall cooperate with each other after the Closing hereunder in clearing the title to any of the Transferred Assets to the Buyer pursuant hereto in the event that the Seller's title to any such property, as the case may be, as of the Closing Date, shall be defective, not marketable or nonassignable. In this connection, the Seller shall take all commercially reasonable action, including, but not limited to, the furnishing of documents and evidences of title and assistance in the preparation and trial of any necessary litigation, to clear title to any such property, all of which shall be at the expense of the Seller.

(b) For the greater of eight years from the Closing Date and such period as may be required by any statute, regulation or Governmental Entity or any then pending litigation, the Buyer shall permit the Seller and its representatives reasonable access to the business records and files of the Seller that are transferred to the Buyer in connection herewith in anticipation of, or preparation for, existing or future litigation or any Tax audit which the Seller or any of its affiliates is involved and which is related to the Business or the Transferred Assets, during regular business hours and upon reasonable notice at the Buyer's principal places of business or at any location where such records are stored; provided, however, that (i) any such access shall be had or done in such a manner so as to not interfere with the normal conduct of the Business, (ii) the Buyer shall not be required to provide access to any confidential record or records, the disclosure of which would violate any governmental statute or regulation or applicable confidentiality agreement with any Person, and (iii) the Buyer shall not be required to provide access to any confidential record or records, the disclosure of which would cause the Buyer or any of its Affiliates to waive its attorney-client privilege or attorney work product privilege, it being understood and agreed that the records delivered by the Seller to the Buyer shall not be deemed to be restricted from the Seller pursuant to either clause (ii) or (iii) above. The Buyer shall also provide the Seller with (i) reasonable access to each Facility for the purpose of complying with applicable Environmental Laws provided that such access does not interfere with the normal conduct of the Business and (ii) reasonable access to the accounting records and schedules necessary for the preparation of financial reports and tax returns for the year ended December 31, 2005, and for the 2006 accounting period ending on the Closing Date.

(c) For the greater of eight years from the Closing Date and such period as may be required by any statute, regulation or Governmental Entity or any then pending litigation, the Seller shall permit the Buyer and its representatives reasonable access to the general business records and files of the Seller in anticipation of, or preparation for, existing or future litigation or any Tax audit in which the Buyer or any of its affiliates is involved and which is related to the Business or the Transferred Assets, during regular business hours and upon reasonable notice at the Seller's principal places of business or at any location where such records are stored; provided, however, that (i) any such access shall be had or done in such a manner so as to not interfere with the normal conduct of the Seller's business, (ii) the Seller shall not be required to provide access to any confidential record or records, the disclosure of which would violate any governmental statute or regulation or applicable confidentiality agreement with any Person, and (iii) the Seller shall not be required to provide access to any confidential record or records, the disclosure of which would cause the Seller or any of its Affiliates to waive its attorney-client privilege or attorney work product privilege.

(d) The Seller, if requested by the Buyer, shall cause Peggy J. Dean to prepare and deliver to the Buyer and shall cooperate and assist in preparing such financial statements of the Business that the Buyer may reasonably require in order to permit Buyer to timely file a Current Report on Form 8-K with the Securities and Exchange Commission in accordance with the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder in connection with the transactions contemplated thereby and to comply with any other financial statement requirements with respect to the Business applicable to Buyer under the Securities Exchange Act of 1934, as amended, the Securities Act of 1933, as amended, and the rules and regulations thereunder. If requested, the Seller shall use its best efforts to cause Peggy J. Dean to deliver such financial statements to the Buyer within ten business days prior to the date that Buyer is required to file such financial statements with the Securities and Exchange Commission in connection with such obligations. The Seller shall cause Peggy J. Dean to provide the Buyer with access to such firm's work papers in support of the Business. The cost of such accounting work shall be borne by the Buyer, but the Seller shall use its best efforts to cause Peggy J. Dean to provide the Buyer with an estimate of such costs prior to the Closing. The Seller will also cooperate with and assist the Buyer in preparing, and, if requested, shall use reasonable efforts to cause Peggy J. Dean to cooperate, at Buyer's expense, in preparing, such other financial statements for the Business as may be specified by the Buyer.

O.07. Nondisclosure of Proprietary Information.

(a) The Seller and the Partners agree that, from and after the Transfer Date, they and their affiliates shall:

(i) hold in confidence and will not directly or indirectly at any time reveal, report, publish, disclose or transfer to any Person other than the Buyer any of the Proprietary Information that is not generally known to the public or utilize any of the Proprietary Information for any purpose; and

(ii) not for a period of two years recruit any Transferred Employees who are subsequently employed by the Buyer pursuant to Section 6.01 hereof.

Notwithstanding the foregoing, the Seller and its affiliates may disclose information that is (i) required to be disclosed by applicable State or federal tax or securities laws to the extent, and only to the extent, such laws require such disclosure and the Seller provides the Buyer prior written notice of its intent to provide such disclosure and the general text of such disclosure and such disclosure is consented to by the Buyer, which consent shall not be unreasonably withheld, and (ii) required to be disclosed by final order of a court of competent jurisdiction; provided that, in the event Seller or such affiliate is served or threatened with litigation that would require the Seller or such affiliate to

disclose such information, the Seller or such affiliate shall tender to the Buyer the opportunity to defend, at its cost, against such disclosure.

(b) The Seller acknowledges that all documents and objects containing or reflecting any Proprietary Information, whether developed by the Seller or by someone else for it or any of its affiliates, will after the Closing Date become the exclusive property of the Buyer and be delivered to the Buyer.

(c) Because of the unique nature of the Proprietary Information, the Seller understands and agrees that the breach or anticipated breach of its or its affiliates obligations under this Section 7.07 will result in immediate and irreparable harm and injury to the Buyer and its affiliates, for which it will not have an adequate remedy at law, and that the Buyer and its affiliates and their successors and assigns shall be entitled to relief in equity to enjoin such breach or anticipated breach and to seek any and all other legal and equitable remedies to which they may be entitled.

O.08. Real Property. The Seller agrees to provide, and take such action as shall be necessary to provide to the Buyer a new lease for each leased Facility listed in Exhibit B (each lease from a Partner owned Facility shall include an option to purchase) and to grant, sell and convey each Facility owned by Seller by general warranty deed, all free and clear of any liens except the Assumed Loans. At the Closing, the Seller shall provide Buyer with a Lease executed by the Lessor of each Facility in substantially the form attached as Exhibit C hereto (the "Lease"). The Seller agrees to provide and take such action as shall be necessary to provide to the Buyer at the Closing marketable title granting, selling and conveying by general warranty deed to Buyer and deliver to Buyer an owner's title insurance policy to each owned Facility. The ad valorem taxes shall be prorated between Seller and Buyer effective April 30, 2006. Seller agrees after Closing to complete the following action regarding the Snyder, Texas Facility on or before July 15, 2006:

- a. The soils impacted by a release of hydraulic fluid from a large air compressor will be removed.
- b. The buried propane tank will be permanently removed from the ground.

In the event Seller does not complete such actions by July 15, 2006, then Buyer may complete said actions and offset all expenses incurred by Buyer against the Partner Notes. The provisions of this Section 7.08 shall survive the Closing.

O.09. Warranty Claims. With respect to any claims made pursuant to warranties to third Persons in connection with products manufactured, sold or distributed or services provided by the Seller prior to the Closing Date that relate to the Business and that are covered by valid and existing warranties of the Seller, the Buyer agrees to assume and pay for such claims to the extent, but only to the extent, that the Buyer's Damages with respect to all such claims do not exceed in the aggregate \$21,654.00. Any claims in excess of such amount shall remain part of the Retained Liabilities. The Buyer agrees to provide the necessary services to satisfy any claims made pursuant to warranties of third Persons in connection with products manufactured, sold or distributed or services provided by the Seller prior to the Closing Date that relate to the Business and that are covered by valid and existing warranties of the Seller at a price equal to the Buyer's variable out-of-pocket costs. The foregoing limitations, however, shall not be deemed in any way to limit the right of the Buyer to seek indemnification from the Seller for any Damages, other than warranty claims as excluded in this Section 7.09, such as personal injury or wrongful death claims, in connection with products manufactured, sold or distributed or services provided by the Seller prior to the Transfer Date to the extent the Buyer incurs a monetary liability to any third Person with respect to such matters or is obligated to take any action other than that expressly covered above by this Section 7.09.

O.10. Covenant Not to Compete With the Business. The Seller and the Partners agree that, effective as of the Transfer Date and for a period of three years thereafter, the Seller, and its respective affiliates and the Partners shall not, without the consent of the Buyer, directly or indirectly, (i) design, develop, market, produce, manufacture or provide any product, good or service that competes with the Business in any geographic market in the United States,

(ii) make any contact with, for the purpose of transacting any business competitive to the Business, with any Person which was a customer of Seller at any time in the six (6) years prior to the Closing Date ("Company's Customers"), (iii) attempt to direct or take away the business or patronage of any of the Company's Customers, (iv) attempt to have any dealings with the Company's Customers for the purpose of attempting to secure such Customers or their patronage, (v) solicit, hire away or attempt to solicit or hire away to any firm or entity engaged in the Business, any person presently employed by Seller, (vi) engage in the Business, (vii) interfere with or molest the business, trade, goodwill or customers of the Seller. The Seller acknowledges that a remedy at law for any breach or attempted breach of this Section 7.10 will be inadequate and further agrees that any breach of this Section 7.10 will result in irreparable harm to the Business and the Buyer shall, in addition to any other remedy that may be available to it, be entitled to specific performance and injunctive and other equitable relief in case of any such breach or attempted breach. The Seller acknowledges that this covenant not to compete is being provided as an inducement to the Buyer to acquire the Business and the Transferred Assets and that this Section 7.10 contains reasonable limitations as to time, geographical area and scope of activity to be restrained that do not impose a greater restraint than is necessary to protect the goodwill or other business interest of the Buyer. Whenever possible, each provision of this Section 7.10 shall be interpreted in such a manner as to be effective and valid under applicable law but if any provision of this Section 7.10 shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remaining provisions of this Section 7.10. If any provision of this Section 7.10 shall, for any reason, be judged by any court of competent jurisdiction to be invalid or unenforceable, such judgment shall not affect, impair or invalidate the remainder of this Section 7.10 but shall be confined in its operation to the provision of this Section 7.10 directly involved in the controversy in which such judgment shall have been rendered. In the event that the provisions of this Section 7.10 should ever be deemed to exceed the time or geographic limitations permitted by applicable laws, then such provision shall be reformed to the maximum time or geographic limitations permitted by applicable law.

O.11. Continuation of Business by the Buyer. Nothing in this Section 7.11, in any other provision of this Agreement, in any Exhibit or Section hereto, or in any agreement, instrument, or other document executed or delivered in connection with this Agreement shall require the Buyer to continue its business or operations or to manage and operate the Business with any duty or standard of care to the Seller. The Seller acknowledges and agrees that the Buyer in its sole discretion may continue, manage, modify or discontinue its operations, liquidate or otherwise change or cease its operations.

ARTICLE VIII

CONDITIONS TO THE BUYER'S OBLIGATION

TO CONSUMMATE THE TRANSACTIONS

The obligation of the Buyer to purchase the Transferred Assets and to assume the Assumed Liabilities as contemplated hereby is, at the option of the Buyer, subject to the satisfaction on or before the Closing Date of the conditions set forth below, any of which may be waived by the Buyer in writing; provided, however, the Buyer's election to proceed with the Closing of the transactions contemplated hereby shall not be deemed a waiver of any breach of any representation, warranty or covenant herein, whether or not known to the Buyer or existing on the Closing Date, and such action shall not prejudice the Buyer's right to recover damages for any such breach.

8.01. Representations, Warranties and Covenants. The representations and warranties of the Seller contained in this Agreement shall be true, correct and complete in all respects on and as of the Closing Date with the same force and effect as though such representations and warranties had been made or given on and as of such date; each and all of the agreements and covenants of the Seller to be performed or complied with by it on or before the Closing Date pursuant to this Agreement shall have been performed or complied with; and the Seller shall have delivered to the Buyer a certificate signed by one of its duly authorized officers dated the Closing Date to all such effects.

8.03. Instruments of Transfer. 8.04. Amendment to Limited Partnership Certificate. The Seller shall have prepared, obtained all necessary partnership authorizations, executed and delivered to the Buyer documents, in form and substance satisfactory to counsel for the Buyer, sufficient to change the Seller's partnership name to one bearing no resemblance to the Seller's current partnership name and sufficient to assign and insure to the Buyer the continuing right to use the present partnership name of the Seller and all variations thereof.

8.05. No Litigation.

(a) No preliminary or permanent injunction or other order of any court or other Governmental Entity shall be in effect nor shall there be in effect any statute, rule, regulation or executive order promulgated or enacted by any Governmental Entity that, in any such case, prevents the consummation of the transactions contemplated by this Agreement.

(b) No suit, action, claim, proceeding or investigation before any Governmental Entity shall have been commenced or threatened seeking to prevent the sale of the Transferred Assets or the Business or asserting that the sale of all or a portion of the Transferred Assets or the Business would be unlawful.

8.06. Employment Agreements. The Buyer shall have received from each of the Partners an Employment Agreement in substantially the form attached as Exhibit E.

8.07. No Adverse Event. The Business and properties of the Seller shall not be adversely affected or threatened to be affected by any loss or damage to the Transferred Assets (including, but not limited to, the Equipment), whether or not covered by insurance.

8.08. Other Legal Matters. All Exhibits, Schedules, certificates, documents and legal matters in connection with this Agreement and the transactions contemplated hereby shall be in the forms required by this Agreement.

8.09. Licenses, Consents and Approvals by the Buyer. The Buyer shall have received each of the licenses, consents, approvals and other authorizations from Governmental Entities necessary or appropriate for the Buyer to consummate the transactions contemplated by this Agreement.

8.10. Consents of Third Persons; Release of Liens.

(a) All consents from third Persons shall have been received.

(b) The Seller shall have delivered to the Buyer releases of all Liens except the liens securing the Assumed Loans, on the Transferred Assets in form reasonably satisfactory to the Buyer.

ARTICLE IX

CONDITIONS TO THE SELLER'S OBLIGATION

TO CONSUMMATE THE TRANSACTIONS

- (a) any misrepresentation (other than Section 3.10), breach of warranty or breach of any covenant or agreement made or undertaken by the Seller and/or the Partners in this Agreement or any misrepresentation in or omission from any other agreement, certificate, Schedule, Exhibit or writing delivered to the Buyer pursuant to this Agreement, including the Disclosure Schedule; or
- (b) any Retained Liability.

10.02. Environmental Indemnification. In addition to the indemnification provided in Section 10.01 hereof, the Seller and the Partners shall indemnify, defend and hold the Buyer and each of its directors, officers, employees, agents, stockholders and controlling Persons and their respective successors and assigns harmless from and against and in respect of any and all Environmental Liabilities that may be imposed upon or incurred by the Buyer, arising out of or in connection with (a) the acts or omissions of any Person prior to Closing relating to the Business, the Transferred Assets, a Facility or any business conducted at a Facility; (b) any act or omission of the Seller relating to a Facility during the lease term (other than as a result of an act or omission by the Buyer in the operation of the Business after the Closing excluding the Buyer's failure to detect or remedy any existing environmental conditions or any Environmental Liabilities existing on or prior to the Closing Date); or (c) any breach by the Seller of a representation or warranty contained in Section 3.10 (collectively, "Environmental Losses").

10.03. Intentionally Omitted

10.04. Indemnification by the Buyer. Except as otherwise limited by this Article X and Article XI hereof, the Buyer agrees to indemnify, defend and hold the Seller and each of its officers, directors, employees, agents, stockholders, partners and controlling Persons and its successors and assigns harmless from and against and in respect of Damages actually suffered, incurred or realized by such party (collectively, "Seller Losses"), arising out of or resulting from:

- (b) any Assumed Liability;
- (c) the obligations assumed by the Buyer pursuant to Section 7.09 hereof; or
- (d) any losses, damages, costs and expenses incurred by any of them arising from the Buyer's operation of the Business or the Transferred Assets or the use of the Facility pursuant to the terms of the Lease after the Closing Date; provided, however, that the Buyer shall in no event be liable for or be required to provide indemnity pursuant to this Section 10.04 for the Buyer's failure to detect or remedy any Environmental Conditions or any Environmental Liabilities arising on or prior to the Closing Date.

10.05. Procedure. All claims for indemnification under this Article X shall be asserted and resolved as follows:

- (a) An Indemnitee shall promptly give the Indemnitor notice of any matter which an Indemnitee has determined has given or could give rise to a right of indemnification under this Agreement, stating the amount of the Loss, if known, and method of computation thereof, all with reasonable particularity, and stating with particularity the nature of such matter. Failure to provide such notice shall not affect the right of the Indemnitee to indemnification except to the extent such failure shall have resulted in liability to the Indemnitor that could have been actually avoided had such notice been provided within such required time period.

(b) The obligations and liabilities of an Indemnitor under this Article X with respect to Losses arising from claims of any third party that are subject to the indemnification provided for in this Article X ("Third Party Claims") shall be governed by and contingent upon the following additional terms and conditions: if an Indemnitee shall receive notice of any Third Party Claim, the Indemnitee shall give the Indemnitor prompt notice of such Third Party Claim and the Indemnitor may, at its option, assume and control the defense of such Third Party Claim at the Indemnitor's expense and through counsel of the Indemnitor's choice reasonably acceptable to Indemnitee. In the event the Indemnitor assumes the defense against any such Third Party Claim as provided above, the Indemnitee shall have the right to participate at its own expense in the defense of such asserted liability, shall cooperate with the Indemnitor in such defense and will attempt to make available on a reasonable basis to the Indemnitor all witnesses, pertinent records, materials and information in its possession or under its control relating thereto as is reasonably required by the Indemnitor. In the event the Indemnitor does not elect to conduct the defense against any such Third Party Claim, the Indemnitor shall pay all reasonable costs and expenses of such defense as incurred and shall cooperate with the Indemnitee (and be entitled to participate) in such defense and attempt to make available to it on a reasonable basis all such witnesses, records, materials and information in its possession or under its control relating thereto as is reasonably required by the Indemnitee. Except for the settlement of a Third Party Claim that involves the payment of money only and for which the Indemnitee is totally indemnified by the Indemnitor, no Third Party Claim may be settled without the written consent of the Indemnitee.

10.06. Payment. Payment of any amounts due pursuant to this Article X shall be made within ten Business Days after notice of a final determination of any Third Party Claims is sent by the Indemnitee.

10.07. Failure to Pay Indemnification. If and to the extent the Indemnitee shall make written demand upon the Indemnitor for indemnification pursuant to this Article X and the Indemnitor shall refuse or fail to pay in full within ten Business Days of such written demand the amounts demanded pursuant hereto and in accordance herewith, then the Indemnitee may utilize any legal or equitable remedy to collect from the Indemnitor the amount of its Losses. Nothing contained herein is intended to limit or constrain the Indemnitee's rights against the Indemnitor for indemnity, the remedies herein being cumulative and in addition to all other rights and remedies of the Indemnitee.

10.08. Adjustment of Liability. The amount which an Indemnitee shall be entitled to receive from an Indemnitor with respect to any indemnifiable Loss under this Article X shall be net of any insurance recovery by the Indemnitee on account of such Loss from an unaffiliated party.

FOR VALUE RECEIVED, on or before May 31, 2011, the undersigned, PMI OPERATING COMPANY, LTD., a Texas limited partnership ("Borrower"), hereby promises to pay to the order of MICHAEL GOEBEL ("Lender"), at 6295 FM 644 in Hermleigh, Scurry County, Texas, in lawful money of the United States of America, the principal amount of EIGHT HUNDRED TWENTY-THREE THOUSAND FIVE HUNDRED FORTY-TWO AND NO/100 DOLLARS (\$823,542.00), together with interest initially accruing at rate of six percent (6%) per annum, then every six (6) months thereafter the interest rate will change, effective the last day of November and May of each year during the term of this Note, to a rate equal to the Wells Fargo Bank prime rate published on the last day of November and May of each year during the term of this Note minus two percent (2%) .

All past due principal of, and interest on, this note shall bear interest from the due date thereof (whether by acceleration or otherwise) until paid at a per annum rate of ten percent (10%).

This note shall be due and payable as follows:

(a) This note shall be due and payable in monthly installments of principal and interest in an amount necessary to fully amortize the principal balance of this note

over a five (5) year period from the date hereof. The first monthly installment shall be due and payable on June 30, 2006, and a like installment shall be due and payable on the last day of each succeeding consecutive calendar month thereafter during the term of this note.

(b) The entire principal balance of this note, together with all accrued but unpaid interest on this note, and all other charges, if any, shall be paid by Borrower to Lender on May 31, 2011.

Borrower shall have the right, from time to time, without premium or penalty to prepay the indebtedness evidenced by this note, in full or in part.

If this note is collected by suit or through the bankruptcy court, or any judicial proceeding, or if this note is not paid at maturity, however such maturity may occur, and it is placed in the hands of an attorney for collection (whether or not legal proceedings are instituted), then Borrower agrees to pay, in addition to all other amounts owing hereunder, the collection costs and attorneys fees of the holder hereof.

It is the intent of Lender and Borrower in the execution and performance of this note to remain in strict compliance with Applicable Law from time to time in effect. In furtherance thereof, Lender and Borrower stipulate and agree that none of the terms and provisions contained in this note or any document relating to this note shall ever be construed to create a contract to pay for the use, forbearance or detention of money with interest at a rate or in an amount in excess of the Maximum Rate or amount of interest permitted to be charged under Applicable Law. For purposes of this note "interest" shall include the aggregate of all charges which constitute interest under Applicable Law that are contracted for, taken, charged, reserved, received or paid under this note. If this note is prepaid, or if the maturity of this note is accelerated for any reason, or if under any other contingency the amount of interest which would otherwise be payable under this note would exceed the Maximum Rate or amount of interest Lender or any other holder of this note is allowed by Applicable Law to charge, contract for, take, reserve or receive, or in the event Lender or any holder of this note shall charge, contract for, take, reserve or receive monies that are deemed to constitute interest which would, in the absence of this provision, increase the amount of interest payable under this note to a rate or amount in excess of that permitted to be charged, contracted for, taken, reserved or received under Applicable Law then in effect, then the principal amount of this note or the amount of interest which would otherwise be payable under this note or both shall be reduced to the amount allowed under Applicable Law as now or hereinafter construed by the courts having jurisdiction, and all such moneys so charged, contracted for, taken, reserved or received that are deemed to constitute interest in excess of the Maximum Rate or amount of interest permitted by Applicable Law shall immediately be returned to or credited to the account of Borrower upon such determination. Lender and Borrower further stipulate and agree that, without limitation of the foregoing, all calculations of the amount of interest contracted for, charged, taken, reserved or received under this note which are made for the purpose of determining whether such rate or amount exceeds the Maximum Rate, shall be made to the extent not prohibited by Applicable Law, by amortizing, prorating, allocating and spreading during the period of the full stated term of this note, all interest at any time contracted for, charged, taken, reserved or received from Borrower or otherwise by Lender or any other holder of this note.

Borrower and all makers, co-makers, accommodation parties, sureties, endorsers and guarantors of this note waive demand, presentment for payment, notice of non-payment, protest, notice of protest, notice of intent to accelerate maturity, notice of acceleration of maturity and all other notice, filing of suit and diligence in collecting this note, the release of any party primarily or secondarily liable hereon and further agree that it will not be necessary for any holder hereof, in order to enforce payment of this note, to first institute suit or consent to any one or more extensions or postponements of time of payment of this note on any terms or any other indulgences with respect hereto, without

notice thereof to any of them.
