Report of Independent Auditors

To the Participants and Administrator of

the Greif Bros. Riverville Mill

Employees Retirement Savings Plan and Trust

We have audited the accompanying statements of net assets available for benefits of the Greif Bros. Riverville Mill Employees Retirement Savings Plan and Trust (the Plan) as of December 31, 2002 and 2001, and the related statement of changes in net assets available for benefits for the year ended December 31, 2002. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2002 and 2001, and the changes in its net assets available for benefits for the year ended December 31, 2002, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets held for investment purposes at end of year as of December 31, 2002 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

1. Description of the Plan

The following brief description of the Greif Bros. Riverville Mill Employees Retirement Savings Plan and Trust (the Plan) provides only general information. Participants should refer to the *Summary Plan Description* document for more complete information.

General

The Plan is a contributory defined contribution plan covering all eligible employees who are not covered by a collective bargaining agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 20% of their annual compensation as defined in the Plan, limited to the maximum allowable under the Internal Revenue Code (IRC). Upon enrollment, a participant may direct their contributions in 5% increments to any of the Plan's fund options. Participants may change their investment options at any time.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of Plan earnings. Allocations are based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Participant Loans

Edgar Filing: GREIF INC - Form 11-K

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1-5 years or up to 20 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate of 1% above prime at the time of the loan. Principal and interest is paid ratably through quarterly payroll deductions.

Plan Termination

Although it has not expressed any intent to do so, Greif, Inc. (the Sponsor) has the right under the Plan to discontinue and terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, any expenses involved will be paid by the Sponsor.
