Item 2.02 Results of Operations and Financial Condition.

On July 29, 2010, Intermec, Inc. (“we,” “our” or “the company”) issued a press release announcing our preliminary financial results for the second fiscal quarter ended June 27, 2010. A copy of the press release is furnished as Exhibit 99.1 to this Current Report and is incorporated herein by reference (the “Press Release”).

The Press Release includes non-GAAP (adjusted) financial measures for

- operating loss,
- loss before income taxes,
- net loss, and
- loss per share.

The Press Release also includes an outlook for third quarter 2010 non-GAAP (adjusted) earnings per diluted share. Reconciliations of each of these non-GAAP financial measures to the most directly comparable GAAP financial measures are detailed in the Reconciliation of GAAP to non-GAAP Net Earnings attached to the Press Release.

Our non-GAAP measures should be read in conjunction with the corresponding GAAP measures. The non-GAAP measures should be considered in addition to, and not as an alternative or substitute for, the measures prepared in accordance with generally accepted accounting principles.

We believe that excluding our facility impairment and restructuring charges (principally related to severance costs in connection with distinct organizational initiatives to reduce costs and improve operational efficiency) provides supplemental information useful to investors’ and management’s understanding of the company’s core operating results, especially when comparing those results on a consistent basis to results for previous periods and anticipated results for future periods.

The foregoing information in this Item 2.02 is furnished and shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended.

Item 7.01 Regulation FD Disclosure.

In the Press Release, we announced our outlook for the third fiscal quarter of 2010 with respect to our anticipated range of revenues, our anticipated range of GAAP diluted earnings per share from continuing operations, and our anticipated range of non-GAAP diluted earnings per share from continuing operations excluding restructuring costs.

They include, without limitation, statements about our view of general economic and market conditions, our cost reduction plans, our revenue, expense, earnings or financial outlook for the current or any future period, our ability to develop, produce, market or sell our products, either directly or through third parties, reduce or control expenses, improve efficiency, realign resources, continue operational improvement and year-over-year or sequential growth, and about the applicability of accounting policies used in our financial reporting. These statements represent beliefs and expectations only as of the date they were made. We may elect to update forward-looking statements but we expressly disclaim any obligation to do so, even if our beliefs and expectations
