IMPORTANT: WHETHER OR NOT YOU PLAN TO ATTEND THE MEETING, YOU ARE REQUESTED TO COMPLETE AND PROMPTLY RETURN THE ENCLOSED PROXY IN THE ENVELOPE PROVIDED.

PROXY STATEMENT

The enclosed Proxy is solicited on behalf of Neogen Corporation (the "Company") for use at the Annual Meeting of Shareholders to be held October 5, 2001, at 10:00 a.m., local time, or at any adjournment thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Shareholders. The Annual Meeting will be held at the University Club of Michigan State University, 3435 Forest Road, Lansing, MI 48909. The Company's telephone number is (517) 372-9200.

These proxy solicitation materials were mailed on or about August 31, 2001, together with the Company's 2001 Annual Report to Shareholders, to all shareholders entitled to vote at the meeting.

INFORMATION CONCERNING SOLICITATION AND VOTING

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it any time before its use by delivering to the Company, before the meeting, a written notice of revocation or a duly executed proxy bearing a later date or by attending the meeting and voting in person.

Voting and Solicitation

Every shareholder voting at the annual meeting has one vote for each share on all matters. The Company's By-Laws do not provide for cumulative voting in the election of directors. Shares represented by valid, executed and dated proxies in the enclosed form will be voted if received in time for the meeting in accordance with the instructions thereon. Unless your proxy is otherwise marked, it will be voted FOR management's nominees for the board of directors.

A simple majority of the shares issued and outstanding as of August 6, 2001 (the "Record Date") must be present or represented at the Annual Meeting to constitute a quorum. For election of directors, the three individuals receiving the most votes will be elected for the term indicated. Approval for any other item of business to be voted upon at the Annual Meeting will require the affirmative vote of a majority of the votes cast by the holders of common shares at the meeting and entitled to vote. Abstentions, withheld votes and broker nonvotes will not be deemed votes cast in determining approval of any

Edgar Filing: NEOGEN CORP - Form DEF 14A

proposal, but will be counted in determining the number of common shares present or represented by proxy in determining whether a quorum is present.

The cost of soliciting proxies will be borne by the Company. The Company has retained the services of American Stock Transfer & Trust to aid in the solicitation of proxies. The Company estimates that the cost of soliciting proxies will be less than \$2,000 including out-of-pocket expenses. The Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of the Company's directors, officers, and regular employees, without additional compensation, personally by telephone, telegram, facsimile or letter.

The options expire ten years after the date of grant and vest over three years in equal annual installments commencing with the first anniversary of the date of grant. All directors are eligible to receive reimbursement for all ordinary travel expenses related to attendance at Board or committee meetings.

Compensation Committee Report on Executive Compensation

General. The Compensation Committee's overall compensation policy applicable to the Company's executive officers is to provide a compensation program that is intended to attract and retain qualified executives for the Company and to provide them with incentives to achieve Company goals and increase shareholder value. The Compensation Committee implements this policy through establishing salaries and bonuses. The Compensation Committee's current policy is not to provide significant pension or other retirement benefits for the Company's employees.

Salaries. The Compensation Committee's policy is to provide salaries that are generally similar to those of similar executive officers in similar companies. The Compensation Committee determines comparable salaries through discussions with candidates for such positions, Company research and independent surveys concerning the salaries paid by similar companies.

Performance Bonuses. The payment of bonuses to executive officers is directly related to their achievement of corporate and individual performance goals established at the beginning of the year. The amount of the bonus paid, if any, varies among the executive officers depending on their success in achieving individual performance goals and on their contribution to the achievement of corporate performance goals.

Stock Options. Stock options are awarded by the Stock Option Committee of the Board of Directors. The Stock Option Committee's policy is to award stock options to the Company's officers in amounts reflecting the participant's position and ability to influence the Company's overall performance. Options are intended to provide participants with an increased incentive to make

Edgar Filing: NEOGEN CORP - Form DEF 14A

contributions to the long-term performance of growth of the Company, to join the interests of participants with the interests of shareholders of the Company and to

8

attract and retain qualified employees. The Stock Option Committee's policy has been to grant options with terms of five to ten years to provide a long-term incentive and to fix the exercise price of the options at the fair market value of the underlying shares on the date of grant. As a result, such options will only have value if the price of the underlying shares increases.

Fiscal 2001 Compensation Decisions Regarding James Herbert. The compensation of James L. Herbert, President and Chief Executive Officer, is recommended by the Compensation Committee to the Board of Directors based on the Committee's knowledge of the level necessary to enable the Company to remain competitive and retain top management.

In addition, Mr. Herbert's compensation is based on the Committee's subjective assessment of his progress toward achieving Company goals and objectives pertaining to the development and marketing of products dedicated to food and animal safety. Particular consideration is given to progress toward enhancing long-term shareholder value that includes overall growth in sales and operating and net profit for the Company's most recent fiscal year.

Incentive compensation payments to Mr. Herbert are made partially in the form of cash intended to reward Mr. Herbert for achievement of individual and corporate objectives, partially in the form of stock options, intended to provide Mr. Herbert with increased incentive to focus on long-term performance growth of the Company that will enhance shareholder value, and partially in the form of contributions to an annuity owned by the Company and payable to Mr. Herbert or his estate upon death, retirement or termination of employment.

Mr. Herbert did not participate in the approval of his own compensation, but did participate in discussion of the Company's performance for fiscal 2001 and the determination of bonuses for other executive officers of the Company.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than ten percent of a registered class of the Company's equity securities, to file with the Securities and Exchange Commission ("SEC") initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. To the Company's knowledge, based solely on review of the copies of such reports furnished to the Company and written representations that no other reports were required, all Section 16(a) filing requirements applicable to its officers, directors and greater than ten percent beneficial owners were complied with during the two fiscal years ended May 31, 2001. As of the date hereof the Company is not aware of any failure to file a required report.
