**Item 6. Indemnification of Directors and Officers.**

Our Certificate of Incorporation and By-laws provide that we shall indemnify to the fullest extent permitted by Florida law any person whom we may indemnify thereunder, including our directors, officers, employees and agents. Such indemnification (other than as ordered by a court) shall be made by us only upon a determination that indemnification is proper in the circumstances because the individual met the applicable standard

of conduct i.e., such person acted in good faith and in a manner he reasonably believed to be in or not opposed to our best interest. Advances for such indemnification may be made pending such determination. Such determination shall be made by a majority vote of a quorum consisting of disinterested directors, or by independent legal counsel or by the stockholders. In addition, our Certificate of Incorporation provides for the elimination, to the extent permitted by Florida law, of personal liability of our directors and our stockholders for monetary damages for breach of fiduciary duty as directors.

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended (the "1933 Act") may be permitted to our directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by us of expenses incurred or paid by a director, officer or controlling person of us in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, we will, unless in the opinion of our counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by us is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
