PART II INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. Indemnification of Directors and Officers

Section 1746 of the Pennsylvania Business Corporation Law (PBCL) and our Bylaws provide for increased indemnification protections for directors, officers and others. Indemnification may be provided by Pennsylvania corporations in any case except where the act or failure to act giving rise to the claim for indemnification is determined by a court to have constituted willful misconduct or recklessness.

Section 1713 of the PBCL also sets forth a framework whereby Pennsylvania corporations, with the approval of the shareholders, may limit the personal liability of directors for monetary damages except where the director has breached or failed to perform his or her duties and the breach or failure to perform constitutes self-dealing, willful misconduct or recklessness. The section does not apply to a director's responsibility or liability under a criminal or tax statute and may not apply to liability under Federal statutes, such as the Federal securities laws.

Section 32 of the Registrant's By-Laws (as amended) provides as follows:

(a) A director shall not be personally liable for monetary damages as such for any action taken, or any failure to take any action, on or after January 27, 1987 unless the director has breached or failed to perform the duties of his office under Section 1721 of the Business Corporation Law, as the same may be amended from time to time, and the breach or failure to perform constitutes self-dealing, willful misconduct or recklessness. The provisions of this subsection (a) shall not apply to the responsibility or liability of a director pursuant to any criminal statute, or the liability of a director for the payment of taxes pursuant to local, State or Federal law.

(b) The corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, whether formal or informal, and whether brought by or in the right of the corporation or otherwise, by reason of the fact that he was a director, officer or employee of the corporation (and may indemnify any person who was an agent of the corporation), or a person serving at the request of the corporation as a director, officer, partner, fiduciary or trustee of another Company, partnership, joint venture, trust, employee benefit plan or other enterprise to the fullest extent permitted by law, including without limitation indemnification against expenses (including attorneys' fees and disbursements), damages, punitive damages, judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such proceeding unless the act or failure to act giving rise to the claim for indemnification is finally determined by a court to have constituted willful misconduct or recklessness.

(c) The corporation shall pay the expenses (including attorneys' fees and disbursements) actually and reasonably incurred in defending a civil or criminal action, suit or proceeding on behalf of any person entitled to indemnification under subsection (b) in advance of the final disposition of such proceeding upon receipt of an undertaking by or on behalf of such person to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the corporation, and may pay such expenses in advance on behalf of any agent on receipt of a similar undertaking. The financial ability of such person to make such repayment shall not be a prerequisite to the making of an advance.

(d) For purposes of this Section: (i) the corporation shall be deemed to have requested an officer, director, employee or agent to serve as fiduciary with respect to an employee benefit plan where the performance by such person of duties to the corporation also imposes duties on, or otherwise involves services by, such person as a fiduciary with respect to the plan; (ii) excise taxes assessed with respect to any transaction with an employee benefit plan shall be deemed "fines"; and (iii) action taken or omitted by such person with respect to an employee benefit plan in the performance of duties for a

purpose reasonably believed to be in the interest of the participants and beneficiaries of the plan shall be deemed to be for a purpose which is not opposed to the best interests of the corporation.

(e) To further effect, satisfy or secure the indemnification obligations provided herein or otherwise, the corporation may maintain insurance, obtain a letter of credit, act as self-insurer, create a reserve, trust, escrow, cash collateral or other fund or account, enter into indemnification agreements, pledge or grant a security interest in any assets or properties of the corporation, or use any other mechanism or arrangement whatsoever in such amounts, at such costs, and upon such other terms and conditions as the Board of Directors shall deem appropriate.

(f) All rights of indemnification under this Section shall be deemed a contract between the corporation and the person entitled to indemnification under this Section pursuant to which the corporation and each such person intend to be legally bound. Any repeal, amendment or modification hereof shall be prospective only and shall not limit, but may expand, any rights or obligations in respect of any proceeding whether commenced prior to or after such change to the extent such proceeding pertains to actions or failures to act occurring prior to such change.

(g) The indemnification, as authorized by this Section, shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any statute, agreement, vote of shareholders or disinterested directors or otherwise, both as to action in any official capacity and as to action in any other capacity while holding such office. The indemnification and advancement of expenses provided by, or granted pursuant to, this Section shall continue as to a person who has ceased to be an officer, director, employee or agent in respect of matters arising prior to such time, and shall inure to the benefit of the heirs, executors and administrators of such person.

Item 22. Undertakings

The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or

in the aggregate, represent a fundamental change in the information in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such officer, director or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

The undersigned Registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11 or 13 of this Form S-4, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.
