PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON JULY 27, 2005

GENERAL

NuVasive, Inc. (the "Company") is furnishing this Proxy Statement and the enclosed proxy in connection with the solicitation of proxies by the Board of Directors of the Company for use at the Annual Meeting of Stockholders to be held on July 27, 2005, at 8:00 AM local time, at NuVasive Corporate offices located at 4545 Towne Centre Court, San Diego, California 92121, and at any adjournments or postponements thereof (the "Annual Meeting"). These materials will be mailed to stockholders on or about June 8, 2005.

OUTSTANDING SECURITIES AND QUORUM

Only holders of the Company's common stock as of the close of business on May 30, 2005 (the "Record Date") are entitled to notice of, and to vote at the Annual Meeting. Stockholders who hold shares of the Company in "street name" may vote at the Annual Meeting only if they hold a valid proxy from their broker. As of March 31, 2005, there were 24,037,587 shares of common stock outstanding.

A majority of the outstanding shares of common stock entitled to vote at the Annual Meeting must be present in person or by proxy in order for there to be a quorum at the meeting. Stockholders of record who are present at the meeting in person or by proxy and who abstain from voting, including brokers holding customers' shares of record who cause abstentions to be recorded at the meeting, will be included in the number of stockholders present at the meeting for purposes of determining whether a quorum is present.

PROXY VOTING

Each stockholder of record is entitled to one vote at the Annual Meeting for each share of common stock held by such stockholder on the Record Date. Stockholders do not have cumulative voting rights. Stockholders may vote their shares by using the proxy card enclosed with this Proxy Statement. All proxy cards received by the Company which are properly signed and have not been revoked will be voted in accordance with the instructions contained in the proxy cards. If a signed proxy card is received which does not specify a vote or an abstention, the shares represented by that proxy card will be voted for the nominees to the Board of Directors listed on the proxy card and in this Proxy Statement and for the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2005. The Company is not aware, as of the date hereof, of any matters to be voted upon at the Annual Meeting other than those stated in this Proxy Statement and the accompanying Notice of Annual Meeting of Stockholders. If any other matters are properly brought before the Annual Meeting, the enclosed proxy card gives discretionary authority to the persons named as proxies to vote the shares represented by the proxy card in their discretion.

Under Delaware law and the Company's Amended and Restated Certificate of Incorporation and Bylaws, if a quorum exists at the meeting, the affirmative vote of a plurality of the votes cast at the meeting is required for the election of directors. A properly executed proxy marked "Withhold

authority" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. For each other item, the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on the item will be required for approval. A properly executed proxy marked "Abstain" with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

For shares held in "street name" through a broker or other nominee, the broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if stockholders do not give their broker or nominee specific instructions, their shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes" will, however, be counted in determining whether there is a quorum.

REVOCAION OF PROXY

A stockholder of record may revoke a proxy at any time before it is voted at the Annual Meeting by (a) delivering a proxy revocation or another duly executed proxy bearing a later date to the Secretary of the Company at 4545 Towne Centre Court, San Diego, CA 92121 or (b) attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not revoke a proxy unless the stockholder actually votes in person at the meeting.

SOLICITATION AND COSTS

The proxy card accompanying this Proxy Statement is solicited by the Board of Directors of the Company. The Company will pay all of the costs of soliciting proxies. In addition to solicitation by mail, officers, directors and employees of the Company may solicit proxies personally, or by telephone, without receiving additional compensation. The Company, if requested, will also pay brokers, banks and other fiduciaries that hold shares of Common Stock for beneficial owners for their reasonable out-of-pocket expenses of forwarding these materials to stockholders.

DIRECTOR NOMINATION

Criteria for Board Membership. In selecting candidates for appointment or re-election to the Board of Directors (the "Board"), the Nominating/corporate Governance Committee (the "Nominating Committee") considers the appropriate balance of experience, skills and characteristics required of the Board, seeks to insure that at least a majority of the directors are independent under the rules of the Nasdaq Stock Market, and that members of the Company's Audit Committee meet the financial literacy and sophistication requirements under the rules of the Nasdaq Stock Market (including that at least one of them qualifies as an "audit committee financial expert" under the rules of the Securities and Exchange Commission). Nominees for director are selected on the basis of their depth and breadth of experience, integrity, ability to make independent analytical inquiries, understanding of the Company's business environment, and willingness to devote adequate time to Board duties.

Stockholder Nominees. The Nominating Committee will consider written proposals from stockholders for nominees for director. Any such nominations should be submitted to the Nominating Committee c/o the Secretary of the Company and should include the following information: (a) all information relating to such nominee that is required to be disclosed pursuant to Regulation 14A under the Securities Exchange Act of 1934 (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (b) the names and addresses of the stockholders making the nomination and the number of shares of the Company's common stock which are owned beneficially and of record by such stockholders; and (c) appropriate biographical information and a statement as to the qualification of the nominee, and should be submitted in the time frame described in the Bylaws of the Company and under the caption, "Stockholder Proposals for Annual Meeting to be held in 2006" below.

Process for Identifying and Evaluating Nominees. The Nominating Committee believes the company is well served by its current directors. In the ordinary course, absent special circumstances or a material change in the criteria for Board membership, the Nominating Committee will renominate incumbent directors who continue to be qualified for Board service and are willing to continue as directors. If an incumbent director is not standing for re-election, or if a vacancy on the Board occurs between annual stockholder meetings, the Nominating Committee will seek out potential candidates for Board appointment who meet the criteria for selection as a nominee and have the specific qualities or skills being sought. Director candidates will be selected based on input from members of the Board,

senior management of the Company and, if the Nominating Committee deems appropriate, a third-party search firm. The Nominating Committee will evaluate each candidate's qualifications and check relevant references; in addition, such candidates will be interviewed by at least one member of the Nominating Committee. Candidates meriting serious consideration will meet with all members of the Board. Based on this input, the Nominating Committee will evaluate which of the prospective candidates is qualified to serve as a director and whether the committee should recommend to the Board that this candidate be appointed to fill a current vacancy on the Board, or presented for the approval of the stockholders, as appropriate.

The Company has never received a proposal from a stockholder to nominate a director. Although the Nominating Committee has not adopted a formal policy with respect to stockholder nominees, the committee expects that the evaluation process for a stockholder nominee would be similar to the process outlined above.

Board Nominees for the 2005 Annual Meeting. Each of the nominees listed in this Proxy Statement are current directors standing for re-election.

DIRECTOR COMPENSATION

Non-employee directors receive a director fee from the Company for their services as members of the Board and any committee of the Board. The table below sets forth the annual and per meeting cash compensation amounts for Board and Board committee service of non-employee directors. Directors are also reimbursed for reasonable expenses in connection with attending Board and committee meetings.

Board or Committee	Annual Retainer	Per Meeting Compensation
Board of Directors	\$25,000 to the Board Chairperson. \$15,000 to each other director	\$3,000 for the Chairperson \$1,500 for other directors \$500 per meeting for all directors (in lieu of above amounts) for telephonic participation
Audit Committee	\$20,000 to the Committee Chairperson \$10,000 to each other committee member	\$2,000 for each member (including Committee Chairperson)
Compensation Committee	Not Applicable	\$1,000 for each member (including Committee Chairperson)
Nominating & Corporate Governance Committee	Not Applicable	\$1,000 for each member (including Committee Chairperson)

None of the above-referenced compensation is paid to any director who is also an employee of the Company.

In February 2004, we granted a non-statutory option to purchase 24,000 shares of the Company's common stock at an exercise price of \$10.75 per share to each of the following non-employee directors (each, a "Director Option"): Jack R. Blair, James C. Blair, Ph.D., Lesley H. Howe, Joseph S. Lacob and Arda M. Minocherhomjee, Ph.D. The Company's 2004 Equity Incentive Plan, or the 2004 Plan, provides for an automatic grant of an option to purchase 24,000 shares of the Company's common stock (the "Initial Option") to each non-employee director who first becomes a non-employee director

after May 12, 2004. The 2004 Plan also provides for an automatic annual grant of an option to purchase 6,000 shares of our common stock (the "Annual Option") to each non-employee director within 30 days after the date of each annual meeting of stockholders that occurs on or after May 12, 2004. However, a non-employee director granted an Initial Option on, or within a period of six months prior to, the date of the annual meeting of stockholders will not be granted an Annual Option with respect to that annual stockholders' meeting.

Each Director Option, Initial Option and Annual Option will have an exercise price equal to the fair market value of a share of our common stock on the date of grant and will have a term of ten years. Each Initial Option and Director Option will vest in 48 equal installments on each monthly anniversary of the date of grant of the option for so long as the non-employee director continuously remains a director of, or a consultant to, the Company. However, in the event of retirement of a non-employee director during the vesting period of his or her Director Option or Initial Option, the Director Option or Initial Option shall automatically vest on an accelerated basis to the extent it would have vested if the non-employee director had remained a director of, or consultant to, the Company through the end of the calendar year in which he or she retired. The remaining unvested shares, if any, will be forfeited and returned to the 2004 Plan. The Annual Option will vest and become exercisable in 12 equal installments on each monthly anniversary of the date of grant of the option for so long as the non-employee director continuously remains a director of, or consultant to, the Company. All automatic non-employee director options granted under the 2004 Plan will be non-statutory stock options. Options must be exercised, if at all, within three months after a non-employee director's termination of service, except in the case of death, in which event the director's estate shall have one year from the date of death to exercise the option. In no event, however, shall any option granted to a director be exercisable later than the expiration of the option's term. In the even of the Company's merger with another corporation or another change of control, all automatic non-employee director options will become fully vested and exercisable.

BOARD MEETINGS AND COMMITTEES

The Board met six times during fiscal 2004. The Audit Committee met five times. The Compensation Committee met four times and action was taken via unanimous written consent once. The Nominating Committee met three times during fiscal 2004. Each member of the Board attended 75% or more of the Board meetings, and each member of the Board who served on either the Audit, Compensation or Nominating Committee attended at least 75% of the committee meetings with the exception of Joseph Lacob, who attended 67% of the Nominating Committee meetings.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Each member of the Compensation Committee of the Board is independent in accordance with the Nasdaq listing standards. The Compensation Committee is responsible for administering the Company's benefit plans, reviewing and administering all compensation arrangements for executive officers and establishing and reviewing general policies relating to the compensation and benefits of our officers and employees.

Overview of Compensation Philosophy and Program

The Compensation Committee's objectives with respect to the Company's executive officers, including the Chief Executive Officer, are to provide compensation sufficient to attract, motivate and retain executives of outstanding ability and potential, and to establish and maintain a strong link between stockholder value and executive compensation.

To achieve its objectives, the Compensation Committee reviews executive officers' assignments, responsibilities and performance. The committee makes recommendations to the Board regarding executive compensation design, salaries and incentive compensation opportunities, and performance objectives and awards. The committee has access to independent compensation consultants and to competitive pay and industry compensation practices.

Elements of the Executive Compensation Program

Base salary. Amounts paid as base salary are determined on the basis of an executive officer's knowledge, experience and qualifications, performance, level of responsibility, the financial performance of the Company, and the general salary practices of peer companies. The Compensation Committee annually reviews the base salaries of the executive officers and makes recommendations to the Board regarding appropriate adjustments to base salaries based on consideration of the factors discussed

above. The weight given to each such factor by the Compensation Committee may vary with each individual.

Cash Bonus. The Compensation Committee believes cash incentive awards serve to motivate the Company's executive officers to meet annual performance goals. Bonuses are determined by the Compensation Committee, with advice from Company management, based upon the Compensation Committee's assessment of the individual's contributions during the year, compared to, but not limited to, a list of individualized goals previously approved by management and the Compensation Committee. In determining bonuses for 2004, the Compensation Committee considered, in addition to the individualized goals, the Company's financial performance and progress in the development, marketing and sale of Company products.

Long-Term Incentive Awards. Long-term incentive awards are made under the 2004 Equity Incentive Plan (the "Plan"). The Compensation Committee may grant stock options, stock appreciation rights, stock awards or cash awards under the Plan. The Company's long-term incentive awards have been primarily in the form of stock option awards. Stock options are a fundamental element in the Company's executive compensation program because they emphasize long-term performance, as measured by creation of stockholder value, and foster a commonality of interest between stockholders and employees. In determining the size of an option grant to an executive officer, the Compensation Committee considers competitive factors, the executive officer's achievement of pre-established goals and the executive officer's potential for continued sustained contributions to the Company's success. The Compensation Committee generally awards options to officers upon commencement of employment and at regular intervals, but other awards may be made as well. To encourage long-term performance, stock options typically vest over a four-year period.

Other Forms of Compensation. Additionally, the Company has also compensated some executive officers through forgiveness of indebtedness. This indebtedness predates the Company being a public company. The Compensation Committee has not in the past granted restricted stock or used other forms of long-term equity-based incentives, other than option grants, but are evaluating their use for future periods. The Compensation Committee met four times during 2004 and action was taken by written consent once.

Chief Executive Officer Compensation

Mr. Lukianov has served as our Chief Executive Officer since July 1999. During 2004, Mr. Lukianov received a base salary of \$388,512, which was an \$18,504 increase over his base salary for fiscal year 2003. The Compensation Committee used the executive compensation practices described above, including consideration of Mr. Lukianov's responsibilities and past performance, salaries paid to CEOs of other companies in the Company's geographic area and industry, to make its recommendation to the Board for Mr. Lukianov's 2004 base salary.

Mr. Lukianov's cash bonus for 2004 was \$131,250. This award was based on the achievement of strategic, financial and operating objectives related to the company's performance.

During 2004, the Compensation Committee awarded Mr. Lukianov stock options to purchase an aggregate of 525,480 shares of the Company's common stock at a weighted average exercise price of \$5.56 per share. These stock options have a 10 year term through 2014.

Section 162(m) Compliance

Section 162(m) of the Internal Revenue Code generally limits the tax deductions a public corporation may take for compensation paid to its five most highly compensated executive officers to \$1 million per executive per year. Performance-based compensation tied to attainment of specific goals is excluded from the limitation. The Company's stockholders have previously approved the Plan,

qualifying stock options and stock appreciation rights under this Plan as performance-based compensation exempt from Section 162(m) limits. Other awards under this Plan also may qualify as performance-based compensation in the discretion of the Compensation Committee.

This report on executive compensation for 2004 is provided by the undersigned members of the Compensation Committee of the Board.

REPORT OF THE AUDIT COMMITTEE

Under the guidance of a written charter adopted by the Board of Directors and enclosed with this Proxy Statement as Appendix A, the purpose of the Audit Committee is to oversee the accounting and financial reporting processes of the Company and audits of its financial statements. The responsibilities of the Audit Committee include appointing and providing for the compensation of the independent accountants. Each of the members of the Audit Committee meets the independence and qualification standards for audit committee membership set forth in the listing standards provided by Nasdaq.

Management has primary responsibility for the system of internal controls and the financial reporting process. The independent accountants have the responsibility to express an opinion on the financial statements based on an audit conducted in accordance with generally accepted auditing standards.

In this context and in connection with the audited financial statements contained in the Company's Annual Report on Form 10-K, the Audit Committee:

reviewed and discussed the audited financial statements as of and for the fiscal year ended December 31, 2004 with the Company's management and Ernst & Young LLP, the Company's independent registered public accounting firm;

discussed with Ernst & Young LLP the matters required to be discussed by Statement of Auditing Standards No. 61, Communication with Audit Committees, as amended by Statement of Auditing Standards No. 90, Audit Committee Communications;

reviewed the written disclosures and the letter from Ernst & Young LLP required by the Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, discussed with the auditors their independence, and concluded that the non-audit services performed by Ernst & Young LLP are compatible with maintaining their independence;

based on the foregoing reviews and discussions, recommended to the Board of Directors that the audited financial statements be included in the Company's 2004 Annual Report on Form 10-K for the fiscal year ended December 31, 2004 filed with the Securities and Exchange Commission; and

instructed the independent auditors that the Audit Committee expects to be advised if there are any subjects that require special attention.

The Audit Committee met five times in 2004. This report for 2004 is provided by the undersigned members of the Audit Committee of the Board.

Jack R. Blair
Lesley H. Howe (Chairperson)
Robert J. Hunt

Principal Accountant Fees and Services

The Audit Committee has appointed Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2005, and is asking the stockholders to ratify this appointment.

In the event the stockholders fail to ratify the appointment, the Audit Committee will reconsider its selection. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent auditing firm at any time during the year if the Audit Committee believes that such a change would be in the best interests of the Company and its stockholders.

The following table presents the fees for professional audit services rendered by Ernst & Young LLP for fiscal years 2004 and 2003, and fees billed for other services rendered by Ernst & Young LLP for fiscal years 2004 and 2003.

	Fiscal Year 2004	Fiscal Year 2003
	<u> </u>	<u> </u>
Audit Fees(1)	\$ 820,576	\$ 105,712
Tax Fees(2)		9,800
All Other Fees(2)	2,020	1,616
	<u> </u>	<u> </u>
Total	\$ 822,596	\$ 117,128
	<u> </u>	<u> </u>

(1) Audit fees represent fees and out of pocket expenses whether or not yet invoiced for professional services provided in connection with the audit of the Company's financial statements, review of the Company's quarterly financial statements and audit services provided in connection with other regulatory filings. Such fees totaled \$207,707 in 2004 and \$105,712 in 2003. These fees also included \$612,869 associated with the initial public offering of the Company's common stock in May 2004.

(2) Includes amounts billed and related out of pocket expenses for services rendered during the year.

All fees paid to Ernst & Young LLP for 2004 were pre-approved by the audit committee.

PERFORMANCE GRAPH

The following graph compares the cumulative total stockholder return data for the Company's common stock since May 13, 2004 (the date on which the Company's common stock was first registered under Section 12 of the Exchange Act) to the cumulative return over such period of (i) The Nasdaq Stock Market Composite Index, and (ii) NASDAQ Medical Equipment Index. The graph assumes that \$100 was invested on the date on which the Company completed the initial public offering of its common stock, in the common stock and in each of the comparative indices. The graph further assumes that such amount was initially invested in the Common Stock of the Company at the price to which such stock was first offered to the public by the Company on the date of its initial public offering, and reinvestment of any dividends. The stock price performance on the following graph is not necessarily indicative of future stock price performance.

PROPOSAL 1 ELECTION OF DIRECTORS

At the Annual Meeting, the stockholders will vote on the election of two Class I directors to serve for a three-year term until the annual meeting of stockholders in 2008 and until their successors are elected and qualified. The Board of Directors has unanimously nominated Arda M. Minocherhomjee, Ph.D., and Robert J. Hunt for election to the Board of Directors as Class I directors. The nominees have indicated that they are willing and able to serve as directors. If Arda M. Minocherhomjee, Ph.D. or Robert J. Hunt becomes unable or unwilling to serve, the accompanying proxy may be voted for the election of such other person as shall be designated by the Board of Directors. The proxies being

solicited will be voted for no more than two nominees at the Annual Meeting. The Class I Directors will be elected by a plurality of the votes cast, in person or by proxy, at the Annual Meeting, assuming a quorum is present. Stockholders do not have cumulative voting rights in the election of directors.

The Board of Directors recommends a vote "for" the election of Arda M. Minocherhomjee, Ph.D., and Robert J. Hunt as class I directors.

Unless otherwise instructed, it is the intention of the persons named in the accompanying proxy card to vote shares represented by properly executed proxy cards for the election of Arda M. Minocherhomjee, Ph.D., and Robert J. Hunt.

PROPOSAL 2 RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

At the Annual Meeting, the stockholders will be asked to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2005. Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting and will have the opportunity to make statements if they desire to do so. Such representatives are also expected to be available to respond to appropriate questions.

The Board of Directors recommends a vote "for" the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2005.

OTHER MATTERS

As of the time of preparation of this Proxy Statement, neither the Board of Directors nor management intends to bring before the meeting any business other than the matters referred to in the Notice of Annual Meeting and this Proxy Statement. If any other business should properly come before the meeting, or any adjournment thereof, the persons named in the proxy will vote on such matters according to their best judgment.

STOCKHOLDERS SHARING THE SAME ADDRESS

In accordance with notices previously sent to many stockholders who hold their shares through a bank, broker or other holder of record (a "Street-Name Stockholder") and share a single address, only one annual report and proxy statement is being delivered to that address unless contrary instructions from any stockholder at that address were received. This practice, known as "householding," is intended to reduce the Company's printing and postage costs. However, any such Street-Name Stockholder residing at the same address who wishes to receive a separate copy of this Proxy Statement or accompanying Annual Report to Stockholders may request a copy by contacting the bank, broker or other holder of record, or the Company by telephone at: (858) 909-1800. The voting instruction sent to a Street-Name Stockholder should provide information on how to request (1) householding of future Company materials or (2) separate materials if only one set of documents is being sent to a household. If it does not, a stockholder who would like to make one of these requests should contact the Company as indicated above

STOCKHOLDER PROPOSALS FOR ANNUAL MEETING TO BE HELD IN 2006

The Company's Bylaws provide that advance notice of a stockholder's proposal must be delivered to the Secretary of the Company at the Company's principal executive offices not later than one hundred twenty (120) days prior to the anniversary of the mailing date of the proxy materials for the previous year's annual meeting. However, the Bylaws also provide that in the event that no annual meeting was held in the previous year or the date of the annual meeting is advanced by more than 30 days or delayed by more than 60 days from the date contemplated at the time of the previous year's

proxy statement, this advance notice must be a reasonable time prior to the planned mailing of the proxy materials by the Company. Each stockholder's notice must contain the following information as to each matter the stockholder proposes to bring before the annual meeting: (a) as to each person whom the stockholder proposes to nominate for election or reelection as a director all information relating to such person that is required to be disclosed pursuant to Regulation 14A under the Exchange Act (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected) and appropriate biographical information and a statement as to the qualification of the nominee; (b) as to any other business that the stockholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made; and (c) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (i) the name and address of such stockholder, as they appear on the Company's books, and of such beneficial owner and (ii) the number of shares of the Company's Common Stock which are owned beneficially and of record by such stockholder and such beneficial owner.

A copy of the full text of the provisions of the Company's Bylaws dealing with stockholder nominations and proposals is available to stockholders from the Secretary of the Company upon written request.

Under the rules of the Securities and Exchange Commission, stockholders who wish to submit proposals for inclusion in the Proxy Statement of the Board of Directors for the Annual Meeting of Stockholders to be held in 2006 must submit such proposals so as to be received by the Company at 4545 Towne Centre Court, San Diego, CA 92121, on or before February 8, 2006.
