PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD THURSDAY, JUNE 22, 2006

ABOUT THE MEETING

When and where will the annual meeting take place?

The annual meeting will be held on Thursday, June 22, 2006, at 10:00 a.m., local time, at 915 Secaucus Road, Secaucus, New Jersey 07094.

Who is soliciting my vote?

This proxy statement is provided in connection with the solicitation of proxies by our board of directors for the annual meeting. Proxy materials, including this proxy statement, were filed with the Securities and Exchange Commission on May 12, 2006 and are first being sent to stockholders on or about May 19, 2006.

What am I being asked to vote on?

You are being asked to vote on:

the election of two Class III directors to serve for a three-year term and until their successors are duly elected and qualified;

the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending February 3, 2007; and

the approval of the Annual Management Incentive Bonus Plan of The Children's Place Retail Stores, Inc.

What is the record date for the annual meeting?

May 9, 2006 at 5:00 p.m., local time, is the record date for determining those stockholders who are entitled to vote at the annual meeting and at any adjournment or postponement of the meeting.

How many votes do I have?

You have one vote for each share of our common stock that you owned on the record date.

How many votes may be cast by all stockholders?

A total of 28,750,073 votes may be cast, consisting of one vote for each of the 28,750,073 shares of our common stock outstanding on the record date.

How many votes must be present to hold the annual meeting?

The presence in person or by proxy of the holders of a majority of the outstanding shares of our common stock entitled to vote at the annual meeting shall constitute a quorum for the transaction of business at the annual meeting. Abstentions and broker "non-votes" are counted as present and entitled to vote for purposes of determining the presence or absence of a quorum. A broker "non-vote" occurs when a broker or nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker or nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

In order for us to determine that enough votes will be present to hold the annual meeting, we urge you to vote by proxy even if you plan to attend the meeting.

How do I vote?

If you are a *holder of record* (that is, if your shares are registered in your own name with our transfer agent), you may vote using the enclosed proxy card. You must sign and date the proxy card and return it to us in the enclosed postage-paid envelope.

If you hold your shares in *street name* (that is, if you hold your shares through a bank, broker or other holder of record), please refer to the information on the voting instruction form forwarded to you by your bank, broker or other holder of record to see which voting options are available to you.

If you want to vote in person at the annual meeting and you hold your shares in street name, you must obtain a proxy card from your bank, broker or other holder of record authorizing you to vote. You must bring the proxy card to the meeting.

How many votes will be required to elect the Class III directors, to ratify the appointment of Deloitte & Touche LLP and to approve the Annual Management Incentive Bonus Plan?

A plurality of the votes cast at the annual meeting is required to elect each nominee as a Class III director to our board of directors. Since the number of nominees is equal to the number of vacancies, receipt of any votes in favor of any nominee will ensure that that nominee is elected.

The affirmative vote of the holders of a majority of the shares represented at the annual meeting and entitled to vote is required to ratify the appointment of Deloitte & Touche LLP as our independent public accounting firm for the fiscal year ending February 3, 2007 and to approve our Annual Management Incentive Bonus Plan.

What are the Board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our board of directors. Our board of directors' recommendations with respect to each proposal are set forth together with the description of each proposal in this proxy statement. In summary, our board of directors recommends a vote:

FOR the election of the two nominees named under the caption "Proposal No. 1 Election of Directors" to serve as Class III directors (see page 6); and

FOR the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending February 3, 2007 (see page 8); and

FOR the approval of our Annual Management Incentive Bonus Plan (see page 8).

Edgar Filing: CHILDRENS PLACE RETAIL STORES INC - Form DEF 14A

Pursuant to the provisions of Rule 14a-4(c) promulgated under the Securities Exchange Act of 1934, as amended, with respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by our board of directors or, if no recommendation is given, in their own discretion.

May I change or revoke my vote?

Yes. To change your vote pursuant to a previously submitted proxy, you may:

cast a new vote by mailing a new proxy card with a later date; or

if you hold shares in your name, attend the annual meeting and vote in person.

If you wish to revoke rather than change your vote, written revocation must be sent to our Secretary prior to the annual meeting.

What if I do not indicate my vote for one or more of the matters on my proxy card?

If you return a signed proxy card without indicating your vote on a matter submitted at the annual meeting, your shares will be voted on that particular matter as follows:

FOR the election of the two nominees named under the caption "Proposal No. 1 Election of Directors" to serve as Class III directors;

FOR the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending February 3, 2007; and

FOR the approval of our Annual Management Incentive Bonus Plan.

What if I withhold my vote or I abstain?

For the election of the Class III directors, you may vote for the two nominees named on the proxy card, or you may indicate that you are withholding your vote for either or both of the nominees. Withheld votes are not treated as votes cast and therefore will have no effect on the proposal to elect directors. Abstentions are not considered for the purpose of the election of directors.

For each of the proposal to ratify the appointment of Deloitte & Touche LLP as our independent public accounting firm for the fiscal year ending February 3, 2007 and the proposal to approve our Annual Management Incentive Bonus Plan, you may vote for or against, or abstain from voting on, such proposal. An abstention with respect to either proposal will have the same effect as a vote against such proposal.

What happens if I do not return a signed proxy card?

If you do not return a signed proxy card, the shares held in your name will not be voted.

If you hold your shares through a broker and you do not provide your broker with specific instructions with respect to the proposal to elect the Class III directors or the proposal to ratify the appointment of our independent registered public accounting firm for the fiscal year ending February 3, 2007, your shares may be voted with respect to such proposals at your broker's discretion.

The Nasdaq National Market rules provide that brokers and nominees may not exercise their voting discretion on certain non-routine matters without receiving instructions from the beneficial owner of the shares. Therefore, if you do not issue instructions to your broker, your broker is not allowed to exercise its voting discretion on certain non-routine matters, including the approval of our Annual Management

Incentive Bonus Plan, and will return a proxy card with no vote on the non-routine matter. Under Delaware law, broker non-votes with respect to a non-routine matter are not considered entitled to vote on the proposal. Accordingly, broker non-votes will not be considered for purposes of determining the number of shares represented at the annual meeting and entitled to vote on the proposal to approve our Annual Management Incentive Bonus Plan.

Will I have any rights of appraisal or similar dissenter's rights with respect to any matter to be acted upon at the annual meeting?

No. Holders of our common stock will not have any rights of appraisal or similar dissenter's rights with respect to any matter to be acted upon at the annual meeting.

Will my vote be confidential?

Yes. Your vote will not be disclosed to our board of directors or employees, except for a very limited number of employees involved in coordinating the vote tabulation process. An independent inspector reviews the vote tabulation process.

Our confidentiality policy does not apply to certain matters, such as contested elections or disputed votes.

How can I attend the annual meeting?

Only stockholders as of the record date, May 9, 2006 at 5:00 p.m., local time, may attend the annual meeting.

To attend the meeting, you must bring with you:

photo identification; and

proof of ownership of your shares as of the record date, such as a letter or account statement from your bank or broker.

The use of cameras, recording devices and other electronic devices at the annual meeting is prohibited, and such devices will not be allowed in the meeting or any other related areas, except by credentialed media. We realize that many cellular phones have built-in digital cameras, and while you may bring these phones into the venue, you may not use the camera function at any time.

What happens if the annual meeting is postponed or adjourned?

Your proxy will remain valid and may be voted when the postponed or adjourned meeting is held. You may change or revoke your proxy until it is voted.

Could other matters be decided at the annual meeting?

Our by-laws require prior notification of a stockholder's intent to request a vote on other matters at the annual meeting. The deadline for notification has passed. If any other matters properly arise at the annual meeting, your proxy, together with the other proxies received, will be voted at the discretion of the proxy holders designated on the proxy card.

Do any stockholders beneficially own more than 5% of our common stock?

Yes. According to public filings, the following three stockholders beneficially owned more than 5% of the outstanding shares of our common stock as of April 15, 2006:

Ezra Dabah, our Chairman and Chief Executive Officer;

Stanley Silverstein, a director and the father-in-law of Ezra Dabah; and

FMR Corp. and Edward C. Johnson 3d, as Chairman of FMR Corp.

Who will pay the expenses incurred in connection with the solicitation of my vote?

We pay the cost of preparing proxy materials and soliciting your vote. We also pay all annual meeting expenses.

We may use the services of our directors, officers, employees and others to solicit proxies, personally or by telephone. We may also make arrangements with brokerage houses and other custodians, nominees, fiduciaries and stockholders of record to forward solicitation material to the beneficial owners of stock held of record by such persons. We may reimburse such solicitors for reasonable out-of-pocket expenses incurred by them in soliciting proxies, but we will not pay any compensation for their services.

Will your independent registered public accounting firm participate in the annual meeting?

Yes. Our independent registered public accounting firm is Deloitte & Touche LLP. A representative of Deloitte & Touche LLP will be present at the meeting, will be available to answer any questions you may have and will have the opportunity to make a statement.

Can I view your proxy materials electronically?

We have posted this proxy statement on our website at www.childrensplace.com, under the section entitled "Investor Relations." You also may use our website to view our other filings with the Securities and Exchange Commission, including our Annual Report on Form 10-K for the fiscal year ended January 28, 2006.

You should specify in each communication the applicable addressee or addressees to be contacted as well as the general topic of the communication. We will initially receive and process communications before forwarding them to the addressee. Our Assistant Secretary generally will not forward to the directors a stockholder communication that it determines to be primarily commercial in nature, that relates to an improper or irrelevant topic or that requests general information about us and is therefore unrelated to the stockholder's ownership of our stock.

Concerns about accounting, internal controls over financial reporting, auditing matters or possible violations of our Code of Business Conduct should be reported pursuant to the procedures outlined in the Code of Business Conduct, which is available on our website at www.childrensplace.com, under the "Corporate Governance" tab in the section entitled "Investor Relations."

MATTERS REQUIRING STOCKHOLDER ACTION

Proposal No. 1 Election of Directors

Our certificate of incorporation and by-laws provide for a classified board of directors comprised of Classes I, II and III, whose members serve staggered terms. The Class III, Class I and Class II directors are scheduled to be elected at our annual meeting of stockholders to be held in 2006, 2007 and 2008, respectively, to serve for a three-year term and until their successors are duly elected and qualified. The nominees for Class III directors are set forth in the chart on page 7.

Unless authorization is withheld or except as otherwise specified by the stockholder, the persons named as proxies will vote FOR the nominees for Class III directors. If a nominee is unable or declines to serve as a director at the time of the annual meeting, the proxy holders will vote for any nominee who shall be designated by our present board of directors to fill the vacancy. If additional persons are nominated for election as director, the proxy holders intend to vote all proxies received by them for the nominees listed below and not for any other nominees. As of the date of this proxy statement, our board of directors is not aware that either nominee is unable or will decline to serve as a director. The nominees listed below are currently serving as directors.

The election to our board of directors of the nominees identified in this proxy statement will require a plurality of the votes cast, in person or by proxy, at the annual meeting.

PROPOSAL NO. 2 APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our board of directors, upon the recommendation of its audit committee, has appointed Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending February 3, 2007.

The audit committee will consider the outcome of this vote in its decision to recommend appointment of our independent registered public accounting firm for next year; however, since our by-laws do not require that our stockholders ratify the appointment of our independent registered public accounting firm, the audit committee is not bound by the stockholders' decision. Even if the appointment is ratified, the audit committee, in its sole discretion, may change the appointment at any time during the year if it determines that such a change would be in our best interests and in the best interests of our stockholders.

A representative of Deloitte & Touche LLP will attend the annual meeting. The representative will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions from stockholders.

The Board of Directors recommends a vote FOR the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm.

PROPOSAL NO. 3 APPROVAL OF ANNUAL MANAGEMENT INCENTIVE BONUS PLAN

In January 2006, the compensation committee adopted a management incentive bonus plan for fiscal year 2006, and in March 2006, the compensation committee approved the specific methodology for the allocation of performance bonuses to "covered executives" under such plan. The compensation committee subsequently recommended that an annual management incentive bonus plan be adopted and presented to our stockholders for their approval at the annual meeting, so that the performance bonuses paid out to covered executives for fiscal year 2006 and in future years are fully deductible by us as "qualified performance-based compensation" under Section 162(m) of the Internal Revenue Code ("Section 162(m)"). Section 162(m) imposes a limitation on the deductibility of nonperformance-based compensation in excess of \$1 million paid to executive officers. Accordingly, in April 2006, the compensation committee adopted the Annual Management Incentive Bonus Plan of The Children's Place Retail Stores, Inc., and directed that the plan be submitted for stockholder approval at the annual meeting.

The following description of the Annual Management Incentive Bonus Plan is qualified in its entirety by reference to the plan itself, a copy of which is attached to this proxy statement as *Exhibit A*. Copies of the plan may also be obtained by making a written request therefor to our Assistant Secretary.

What are the general goals of the plan?

The Annual Management Incentive Bonus Plan is a performance-based incentive bonus plan under which members of our management team who are designated by the compensation committee, which we refer to as covered executives, are eligible to receive performance bonus payments. The plan is intended to provide an incentive for superior work, to motivate covered executives toward even higher achievement and business results, to tie their goals and interests to those of ours and our stockholders, and to enable us to attract and retain a highly qualified management team.

The Annual Management Incentive Bonus Plan has been adopted and is being submitted to our stockholders for approval so that bonuses payable by us to our covered executives are fully deductible by us for federal income tax purposes. The plan and its performance goals are subject to stockholder approval before any bonuses will be paid under the plan and no bonuses will be paid under the plan unless such approval is obtained.

If the Annual Management Incentive Bonus Plan is not approved, covered executives will be eligible for discretionary bonuses for all fiscal years, but such bonuses will not be deductible by us under Section 162(m) to the extent that (when combined with other non-exempt compensation) they exceed the limit set forth in Section 162(m). In addition, for future fiscal years the compensation committee will explore alternatives to compensate the covered executives in a manner that the committee believes is appropriate in view of their contributions to us and prevailing market practices. Any alternative, if adopted, may or may not be as favorable to us from a financial point of view as the proposed Annual Management Incentive Bonus Plan.

How is the plan administered?

The Annual Management Incentive Bonus Plan will be administered by the compensation committee, the members of which each qualify as "outside directors" under Section 162(m) and the regulations and interpretations promulgated under the Internal Revenue Code. The compensation committee will have the sole discretion and authority to administer and interpret the plan.

Who may participate in the plan?

The compensation committee believes that it is beneficial to have a policy where the methodology used to determine performance bonuses is the same for both our most senior executives as well as our management team in general. Therefore, although only our Chief Executive Officer and President currently receive compensation sufficient to apply Section 162(m), the plan covers, not only those individuals, but also all of our other executive officers, vice presidents, directors and managers. In the future, compensation of some of our vice presidents could reach a level sufficient to make Section 162(m) applicable to their compensation as well. We currently have four executive officers, 25 vice presidents, 125 directors and 212 managers that are eligible to participate in the Annual Management Incentive Bonus Plan.

How are bonus determinations made?

A covered executive may receive a bonus payment under the Annual Management Incentive Bonus Plan based upon the attainment of performance objectives established by the compensation committee for a performance period and related to one or more of the following corporate performance criteria: our net income, operating income, after-tax cash flow, earnings per share, return on equity, return on invested capital or assets, funds from operations, cost reductions and savings, appreciation in the fair market value of our stock, or earnings before any one or more of the following items: interest, taxes, depreciation, amortization, or extraordinary or similar non-recurring items or adjustments. For fiscal year 2006, the compensation committee has established an earnings per share performance objective as the standard for determining the amount of performance bonuses under the Annual Management Incentive Bonus Plan. For fiscal 2006, the range of possible bonuses under the plan is between zero and two times the base salary compensation for the covered executives.

Bonuses under the plan are payable in cash. The actual amount of future bonus payments under the plan is not presently determinable. The total of all bonuses payable to all covered executives for any fiscal year will not under any circumstances exceed twenty five percent (25%) of the income from our continuing operations, determined on a consolidated basis, and adjusted to exclude restructuring and disposition-related charges or credits, net of tax effects, and incremental and non-recurring integration costs and other financial impacts, related to the business operations of an entity acquired by us (the "Maximum Bonus Award Pool"). In addition, the plan provides that the maximum bonus for any covered executive will not exceed \$5,000,000 in any performance period. In the event that the total of all bonuses payable to covered executives would exceed the Maximum Bonus Award Pool, the bonus of each

participant will be proportionately reduced such that the total of all such bonuses paid is equal to the Maximum Bonus Award Pool.

If the Annual Management Incentive Bonus Plan had been in place during fiscal 2005, the target bonus for such covered executives would have been an aggregate of \$7,420,000, as set forth in the table below.

NAME AND POSITION	AMOUNT PAYABLE IN FISCAL 2005 IF ANNUAL MANAGEMENT INCENTIVE BONUS PLAN HAD BEEN IN EFFECT DOLLAR VALUE (\$)
Ezra Dabah Chairman of the Board and Chief Executive Officer	712,500
Neal Goldberg President	393,000
Mario A. Ciampi (1) Senior Vice President	300,000
Steven Balasiano Senior Vice President, General Counsel and Chief Administrative Officer	171,000
Hiten Patel (2) Senior Vice President and Chief Financial Officer	144,000
Executive officers as a group	1,720,500
All other employees, including officers who are not executive officers, as a group	5,699,500

(1) Mr. Ciampi resigned, effective as of April 30, 2006.

(2) Mr. Patel resigned, effective as of April 15, 2006.

The plan is designed to ensure that annual bonuses paid thereunder to covered executives are deductible by us for federal income tax purposes, without limit under Section 162(m). Section 162(m), which was added to the Internal Revenue Code in 1993, places a limit of \$1,000,000 on the amount of compensation that may be deducted by us in any taxable year with respect to each "covered employee," within the meaning of Section 162(m). However, specified performance-based compensation under a plan approved by stockholders is not subject to the deduction limit. The plan is designed to provide this type of performance-based compensation to covered executives.

Bonuses paid to covered executives under the plan will be based upon bonus formulas that tie the bonuses to one or more objective performance standards. Bonus formulas for covered executives will be adopted in each performance period by the compensation committee no later than the latest time permitted by Section 162(m) (generally, for performance periods of one year or more, no later than 90 days after the commencement of the performance period). With regard to bonuses for fiscal 2006, the compensation committee has established performance objectives relating to our earnings per share (before specified extraordinary items and equity compensation expense) for the fiscal year commencing January 29, 2006.

Bonuses will not be paid to covered executives unless and until the compensation committee makes a certification in writing with respect to the attainment of the objective performance standards as required by Section 162(m). The compensation committee has no discretion to increase the amount of a covered executive's bonus payable under the Annual Management Incentive Bonus Plan. In the event of a covered executive's termination of employment (other than due to death, disability or retirement on or after age 65) prior to the attainment of the objective performance standards for any specified period, the covered executive will not be entitled to a bonus under the plan.

The effective date of the plan is as of March 22, 2006. The compensation committee has designated the fiscal year commencing January 29, 2006 as the first performance period under the plan, designated our Chief Executive Officer, our President and our vice presidents, directors and managers as covered executives for such performance period and established objective bonus formulas relating to improving our earnings per share before specified extraordinary items and equity compensation expenses during the performance period.

What are the reasons for adoption of the plan?

Our board of directors believes that the plan will provide an incentive for superior work and motivate covered executives toward even higher achievement and business results. Our board of directors also believes that the plan will further tie the covered executives' goals and interests to those of us and our stockholders, and will enable us to attract and retain a highly qualified management team. Payment of bonuses under the plan will also provide for their deductibility by us under the Internal Revenue Code without regard to the deduction limit in Section 162(m) thereof.

Where can I find a copy of the plan?

Please see *Exhibit A* to this proxy statement.

What vote is required to approve the plan?

Approval of the Annual Management Incentive Bonus Plan requires the affirmative vote of the holders of a majority of the outstanding shares of our common stock represented at and entitled to vote at the meeting.

The Board of Directors recommends a vote FOR approval of the Annual Management Incentive Bonus Plan of The Children's Place Retail Stores, Inc.

providing counsel and oversight on the selection, evaluation, development and compensation of senior management.

Our corporate governance committee and board of directors regularly review our corporate governance policies and practices. Beginning in June 2005, the corporate governance committee and our board of directors undertook a comprehensive review of our corporate governance policies and practices. As a result, we recently revised our Corporate Governance Guidelines to:

require that we disclose the number of non-management director executive sessions held each year in the proxy statement;

state that it is expected that each director will participate in such continuing education programs as such director deems appropriate and encourage each director to participate in at least one such program every two years and disclose board participation in such programs;

add restrictions on directors serving on other boards of directors and committees;

state that the compensation committee shall review and approve all related party transactions;

state that each director is expected to attend every annual meeting of our stockholders;

add minimum qualifications for director nominees and the qualities or skills that are necessary for directors to possess;

state the process by which stockholders can recommend director nominees to the corporate governance committee;

state the process that the corporate governance committee will follow in evaluating potential director nominees;

state that the corporate governance committee shall have a policy that it make no distinctions in evaluating nominees based on whether or not a nominee is recommended by a stockholder;

add a policy statement regarding our position to not reprice options without stockholder approval;

review and reassess the Corporate Governance Guidelines when appropriate and at least annually; and

state that the Corporate Governance Guidelines will be posted on our website.

In addition, all of our employees, including our principal executive officer, our principal financial officer and our controller, and our directors are required to comply with our Code of Business Conduct.

Our Corporate Governance Guidelines, and all of our corporate governance materials, including our board committee charters and our Code of Business Conduct, are published under the "Corporate Governance" tab under the "Investor Relations" section of our website at www.childrensplace.com. These materials are also available in print to any stockholder upon request. On a regular basis, our board of directors reviews these corporate governance documents, Delaware law, the rules and listing standards of The Nasdaq Stock Market, Inc. and the rules and regulations promulgated by Securities and Exchange Commission, as well as best practices suggested by recognized governance authorities. Our board of directors modifies the appropriate document as warranted. Any modifications to these documents are reflected periodically on our website.

Director Independence

A majority of our board of directors consists of non-management directors who meet the criteria for independence within the meaning of Rule 4200(a)(15) of the National Association of Securities Dealers' Marketplace Rules and under Rule 10A-3 of the Exchange Act. Each year

the corporate governance

committee provides each director with a Non-Management Director Independence and Audit Committee Questionnaire to help evaluate whether the director has any material relationship with us (whether directly or as a partner, stockholder, or officer of an organization that has a relationship with us), considering all relevant information provided by each director regarding the director's business and other relationships with us and our affiliates and with management and their affiliates. Our board of directors has determined that Messrs. Crovitz, Elvey and Fisch and Ms. Kasaks are independent within the meaning of Rule 4200(a)(15) of the National Association of Securities Dealers' Marketplace Rules and under Rule 10A-3 of the Exchange Act.

Consideration of Director Nominees

The corporate governance committee is responsible for all matters related to the selection and qualification of members of our board of directors and structure of its committees, as well as any other matters relating to the duties of the members of our board of directors, and acts as a nominating committee for director candidates and committee members.

When evaluating a candidate for membership on our board of directors, the corporate governance committee considers the skills and characteristics desired by our board of directors based upon an assessment of the needs of our board of directors and its committees as determined by the members of our board of directors in their business judgment at the time the evaluation is made. The assessment includes: an analysis of each candidate's judgment, financial literacy, maturity, experience, commitment, integrity and accountability, as well as consideration of diversity and age.

Our Corporate Governance Guidelines describe the minimum qualifications for nominees and the qualities or skills that are necessary for directors to possess. Each nominee:

must satisfy any legal requirements applicable to members of our board of directors;

must have business or professional experience that will enable such nominee to provide useful input to our board of directors in its deliberations;

must have a reputation, in one or more of the communities serviced by us and our affiliates, for honesty and ethical conduct;

must have a working knowledge of the types of responsibilities expected of members of the board of directors of a public company; and

must have experience, either as a member of the board of directors of another public or private company or in another capacity, that demonstrates the nominee's capacity to serve in a fiduciary position.

Our corporate governance committee will consider candidates for nominees to serve on our board of directors recommended by our stockholders. Our Corporate Governance Guidelines describe the procedure for stockholders to make such recommendations. Pursuant to these procedures a notice of such recommendation must be delivered to our Secretary at our principal executive offices located at 915 Secaucus Road, Secaucus, New Jersey 07094 no later than the close of business on the 90th day nor earlier than the close of business on the 120th day prior to the first anniversary of the preceding year's annual meeting; provided, however, that if the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, notice to be timely must be so delivered not earlier than the close of business on the 120th day prior to such annual meeting and no later than the close of business on the later of the 90th day prior to such annual meeting or the close of business on the 10th day following the day on which public announcement of the date of such meeting is first made by us. The public announcement of an adjournment or postponement of an annual meeting will not commence a new time period (or extend any time period) for the giving of a notice as described above. Our Corporate Governance Guidelines require the notice to set forth as to each candidate recommended by a stockholder: (a) all information relating to such candidate that is required to be

disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act (including such candidate's written consent to being named in the proxy statement as a nominee and to serving as a director if elected), and (b) information that will enable our corporate governance committee to determine whether the candidate or candidates satisfy the criteria established for director candidates.

Our board of directors, or corporate governance committee, may require a proposed nominee for director to furnish such other information to be set forth in the notice, which pertains to such proposed nominee or which may be reasonably required to determine the eligibility of such proposed nominee to serve as a director.

Candidates to serve on our board of directors will be identified from all available sources, including recommendations made by stockholders. Our corporate governance guidelines provide that the corporate governance committee shall have a policy that there will be no differences in the manner in which it evaluates nominees recommended by stockholders and nominees recommended by the corporate governance committee or management, except that no specific process shall be mandated with respect to the nomination of any individuals who have previously served on our board of directors. The evaluation process for individuals other than existing members of our board of directors will include:

a review of the information provided to the corporate governance committee by the proponent;

a review of reference letters from at least two sources determined to be reputable by the corporate governance committee;
and

a personal interview of the candidate, together with a review of such other information as the corporate governance committee shall determine to be relevant.

Committees of the Board of Directors

Our board of directors has three standing committees: the compensation committee, the corporate governance committee and the audit committee. In addition to the duties described below and contained in their respective charters, each committee may be assigned additional duties by our board of directors from time to time, and each is charged with reporting its activities to our board of directors.

Compensation Committee

The compensation committee discharges the responsibilities of our board of directors relating to compensation of our Chief Executive Officer and other senior management in a manner consistent with, and in support of, our business objectives, competitive practice and all applicable rules and regulations, including the granting of equity incentives and administration of the our equity compensation plans. In addition, the compensation committee reviews and approves any of our "related-party" transactions.

Messrs. Crovitz and Elvey and Ms. Kasaks serve on the compensation committee, each of whom our board of directors has determined to be independent within the meaning of Rule 4200(a)(15) of the National Association of Securities Dealers' Marketplace Rules and under Rule 10A-3 of the Exchange Act. Mr. Crovitz serves as this committee's Chairperson.

The compensation committee operates pursuant to a charter which can be viewed under the "Investor Relations" section of our website at www.childrensplace.com.

Corporate Governance Committee

The corporate governance committee is responsible for the selection and qualification of members of our board of directors and candidates. In addition, the corporate governance committee acts as a nominating committee for candidates for our board of directors and its committees. The corporate governance committee also assists our board of directors with oversight of other corporate governance matters, including the evaluation of the effectiveness of each member of our board of directors and the performance of the board of directors as a whole. Each year, the corporate governance committee administers an assessment of our board of directors, which includes (1) a self assessment, pursuant to which our board of directors evaluates itself as a whole; (2) a peer assessment, pursuant to which our board of directors evaluates the effectiveness of each member of our board of directors; and (3) a committee assessment pursuant to which each member of our board of directors evaluates the effectiveness of its committees.

Ms. Kasaks and Mr. Elvey currently serve on the corporate governance committee, each of whom our board of directors has determined to be independent within the meaning of Rule 4200(a)(15) of the National Association of Securities Dealers' Marketplace Rules and under Rule 10A-3 of the Exchange Act. Ms. Kasaks serves as the corporate governance committee's chairperson.

The corporate governance committee operates pursuant to a charter which can be viewed under the "Investor Relations" section of our website at www.childrensplace.com.

Audit Committee

The audit committee, which is a separately designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Exchange Act, monitors the preparation and integrity of our financial statements, our financial reports and disclosure practices; the soundness of our system of internal controls regarding finance and accounting compliance; and the appointment, qualifications, independence and performance of our independent registered public accounting firm. Additionally, the audit committee has oversight responsibility for the performance of our internal audit function and compliance with related legal and regulatory requirements.

Messrs. Elvey and Fisch and Ms. Kasaks currently serve on the audit committee, each of whom our board of directors has determined to be independent within the meaning of Rule 4200(a)(15) of the National Association of Securities Dealers' Marketplace Rules and under Rule 10A-3 of the Exchange Act. Mr. Elvey serves as the audit committee's chairperson. In addition, our board of directors has determined that all three members meet the "financial sophistication" requirement of Rule 4350(d)2(a)(i) of the NASDAQ listing standards and that Messrs. Elvey and Fisch are each an "audit committee financial expert," as such term is defined in Item 401(h) of Regulation S-K of the Exchange Act.

The audit committee operates pursuant to a charter which can be viewed under the "Investor Relations" section of our website at www.childrensplace.com.

Each of our incumbent directors attended in excess of 83% of the aggregate of the total number

As provided in our Corporate Governance Guidelines, we expect directors to attend the annual meeting of stockholders. All of our directors attended the annual meeting of stockholders held in 2005.

Audit Committee Report

The audit committee is comprised of three independent directors and operates under a written charter adopted and approved by our board of directors. The audit committee held 12 meetings in fiscal 2005. The meetings facilitated communication with senior management and employees, the internal auditors and Deloitte & Touche LLP, our independent registered public accounting firm. The audit committee held discussions with the internal auditors and Deloitte & Touche LLP, both with and without management present, on the results of their examinations and the overall quality of our financial reporting and internal controls.

The audit committee has the sole authority to appoint or replace the independent registered public accounting firm, and is directly responsible for the oversight of the scope of its role and the determination of its compensation. The audit committee regularly evaluated the performance and independence of Deloitte & Touche LLP and, in addition, reviewed and pre-approved all services provided by Deloitte & Touche LLP during fiscal 2005.

As stated in the audit committee's charter, the audit committee's responsibility is one of oversight. It is the responsibility of our management to establish and maintain a system of internal control over financial reporting, to plan and conduct audits and to prepare consolidated financial statements in accordance with U.S. generally accepted accounting principles. Our independent registered public accounting firm, Deloitte & Touche LLP, is responsible for performing an independent audit of our consolidated financial statements and to issue a report thereon. The audit committee does not provide any expert or other special assurance as to our financial statements or any expert or professional certification as to the work of our independent registered public accounting firm.

In fulfilling its responsibilities, the audit committee has met and held discussions with management and Deloitte & Touche LLP regarding the fair and complete presentation of our financial results. The audit committee has discussed significant accounting policies applied by us in our financial statements, as well as alternative treatments. The audit committee has met to review and discuss the annual audited and quarterly consolidated financial statements for us for the 2005 fiscal year (including the disclosures contained in our 2005 Annual Report on Form 10-K and our 2005 Quarterly Reports on Form 10-Q, under the heading "Management's Discussion and Analysis of Financial Condition and Results of Operations") with our management and Deloitte & Touche LLP. The audit committee also reviewed and discussed with management the internal auditors and Deloitte & Touche LLP, the reports required by Section 404 of the Sarbanes-Oxley Act of 2002, namely, management's annual report on our internal control over financial reporting and Deloitte & Touche LLP's attestation report.

The audit committee has discussed with Deloitte & Touche LLP the matters required to be discussed by Statement on Auditing Standards No. 61, "Communication with Audit Committees" (Codification of Statement on Auditing Standards, AU 380), as modified or supplemented. In addition, the audit committee has received the written disclosures and the letter from Deloitte & Touche LLP required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," as modified or supplemented, and has discussed with Deloitte & Touche LLP its independence from us and our management. The audit committee also has considered whether the provision of non-audit services by Deloitte & Touche LLP is compatible with maintaining Deloitte & Touche LLP's independence.

Based on the audit committee's review of the audited consolidated financial statements, its discussion with management regarding the audited consolidated financial statements, its receipt of written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1, its discussions with the independent registered public accounting firm regarding such auditors' independence, the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended, and other matters, the audit committee recommended to our board of directors that our audited consolidated financial statements for the fiscal year ended January 28, 2006, be included in our Annual Report to Stockholders and in our Annual Report on Form 10-K for such fiscal year.

Audit Fees

Fees for audit services billed by Deloitte & Touche LLP in fiscal 2005 and fiscal 2004 consisted of an audit of our annual financial statements, reviews of our quarterly financial statements, the planning and attestation of management's assessment of internal control, as required by the Section 404 of the Sarbanes-Oxley Act of 2002, statutory audits of our subsidiaries, and in the case of fiscal 2004, incremental audit procedures required as a result of our acquisition of the business of the Disney Store North America and the restatement of our historical financial statements to correct our lease accounting practices.

Audit-Related Fees

Fees for audit-related services billed by Deloitte & Touche LLP in fiscal 2005 and fiscal 2004 consisted of employee benefit plan audits and for fiscal 2004, due diligence in connection with our acquisition of the Disney Store North America business.

Tax Fees

Fees for tax compliance services totaled approximately \$86,000 and \$299,000 in fiscal 2005 and fiscal 2004, respectively. Tax compliance services are services rendered to document, compute and obtain government approval for amounts to be included in tax filings and consisted of Federal, state and local income tax return assistance, assistance with tax return filings in certain foreign jurisdictions, assistance with tax audits and assistance in filing for governmental tax credits. Effective in the fourth quarter of fiscal 2004, we engaged KPMG LLP to assist in income tax preparation for federal, state, foreign and local tax returns.

Fees for tax planning and advice billed by Deloitte & Touche LLP totaled approximately \$130,000 and \$63,000 in fiscal 2005 and fiscal 2004, respectively. Tax planning and advice services include tax advice related to international regulations and structuring of foreign operations and tax advice on the impact of

new legislation on us, including advice relating to cash repatriation under the American Jobs Creation Act of 2004.

All Other Fees

We did not have any fees billed by Deloitte & Touche LLP in fiscal 2005 and fiscal 2004 besides the fees listed above.

The audit committee has a policy to monitor and limit, as appropriate, non-audit related services performed by our independent registered public accounting firm. In considering the nature of the services provided by Deloitte & Touche LLP, the audit committee determined that such services are compatible with the provision of independent audit services. The audit committee discussed these services with management, with advice from Deloitte & Touche LLP, to determine that they are permitted under the rules and regulations concerning auditor independence promulgated by the Securities and Exchange Commission to implement the Sarbanes-Oxley Act of 2002, as well as by the American Institute of Certified Public Accountants.

Pre-Approval Policy

Until March 2006, we did not have a specified pre-approval policy regarding audit and non-audit services that could be performed by our independent auditor; therefore, the audit committee specifically approved all such services prior to such services being performed. Accordingly, all services performed by Deloitte & Touche LLP in fiscal 2005 were specifically pre-approved by the audit committee.

In March 2006, the audit committee adopted an Audit and Non-Audit Services Pre-Approval Policy which describes the permitted audit, audit-related, tax and other services that Deloitte & Touche LLP may perform. The policy requires that prior to the beginning of each fiscal year, a description of the services expected to be performed by Deloitte & Touche LLP in each of the foregoing service categories in the following fiscal year be presented to the audit committee for approval.

A detailed description of services to be provided by Deloitte & Touche LLP during the following year that are included in the description of services that do not require specific approval by the audit committee must be submitted to our Chief Financial Officer. Our Chief Financial Officer, with the advice of counsel, must then determine whether such services are included within the description of services. The audit committee will be informed on a quarterly basis of any such services rendered by Deloitte & Touche LLP, including the per engagement fees and aggregate fees incurred as of the date of the report.

The audit committee has designated our Chief Financial Officer to monitor the performance of all services provided by Deloitte & Touche LLP and to determine whether such services are in compliance with this policy. Our Chief Financial Officer is required to report to the audit committee on a periodic basis on the results of its monitoring. Both our Chief Financial Officer and management are required to report immediately to the Chairman of the audit committee any breach of this policy that comes to the attention of our Chief Financial Officer or any member of management.

Any requests for audit, audit-related, tax and other services not contemplated on the service list must be submitted to the audit committee for specific pre-approval and cannot commence until such approval has been granted. Normally, pre-approval under these circumstances may be approved by the chairman of the audit committee or is provided at regularly scheduled meetings.

All services to be performed by Deloitte & Touche LLP related to fiscal 2006 will be pre-approved in accordance with the pre-approval policy and procedures adopted by the audit committee at its March 7, 2006 meeting.

Compensation Committee Report

The compensation committee of our board of directors has furnished the following report on executive compensation for fiscal 2005.

Role of the Committee

The compensation committee establishes and oversees our executive compensation policies and programs, including approving base salaries, target bonus levels, actual bonuses and long-term incentive awards. Accordingly, the compensation committee determines and approves compensation for our Chief Executive Officer, our named executive officers and our five most highly compensated officers. In carrying out these functions, the compensation committee believes it is important to align executive compensation with business objectives and strategies, management initiatives, financial performance and enhanced stockholder value.

In addition, the compensation committee also reviews and approves any related party transactions that we may have with any of our directors and officers.

Our compensation committee is comprised of independent directors, none of whom is, or was, an officer or employee of our company or of any of our subsidiaries.

Our Executive Compensation Philosophy

The fundamental objective of our executive compensation program is to ensure that executives are provided incentives and compensated in a way that advances both the short and long term interests of stockholders while also ensuring that we are able to attract and retain executive management talent.

Under our executive compensation program, direct compensation consists of three key components:

a base salary;

a performance-based annual bonus; and

long-term incentives, including one time and periodic equity grants.

During the past two fiscal years, the compensation committee, with advice and assistance from an independent compensation consultant, devoted extensive attention to redesigning its approach to the last two of these components, with particular emphasis on establishing new standards for performance-based cash bonuses and long-term incentive equity awards. The compensation committee has undertaken this redesign effort in light of the new accounting rules which require the expensing of stock options.

Accordingly, on and as of January 27, 2006, the compensation committee, after discussion with our board of directors, approved the acceleration of vesting for outstanding in- and out-of-the-money stock options held by our employees representing the right to purchase a total of approximately 2.1 million shares of our common stock. The vesting of stock options for a total of 348,000 shares previously granted to our non-employee directors and certain of our executives was not changed by this action.

In connection with this acceleration of vesting, the compensation committee also established restrictions on the sale or other transfer of shares that may be acquired upon the exercise of accelerated options by each holder of accelerated options whose accelerated options represented the right to purchase more than 5,000 shares of our common stock. The significant holders are permitted to exercise accelerated options prior to the time such accelerated options would have been vested under their original vesting schedule, subject to such holders' acceptance of the transfer restrictions established by the compensation committee, which restrictions are contained in a transfer restriction agreement provided to each such holder. Such transfer restrictions prevent such holders from selling or transferring any shares acquired upon the exercise of accelerated options until the date on which the accelerated options would have otherwise vested under their original vesting schedule. Such transfer restrictions lapse immediately upon the holder's death, disability or retirement, or a change in control of our company. In the event such holder ceases to be employed by us for any reason other than death, disability or retirement, such transfer restrictions continue to apply for the remainder of the original vesting period as if such holder's employment with us had not ceased or terminated. Transfer restrictions do not apply after the original vesting date for such accelerated options with respect to any shares acquired upon the exercise of accelerated options, whether or not the holder executed the transfer restriction agreement.

Except as described above, all other terms and conditions of each accelerated option and our equity compensation plans remain unchanged.

The decision to accelerate the vesting of certain stock options was made to reduce equity compensation expense that would have been recorded in future periods following our adoption in the first quarter of fiscal 2006 of Statement of Financial Accounting Standard No. 123, "Share Based Payment (revised 2004)." Under accounting guidance effective during fiscal 2005 (Accounting Principles Board Opinion

No. 25 and other relevant accounting guidance), we recorded an expense in the fourth quarter of fiscal 2005 of approximately \$2.1 million, which represents our estimate of intrinsic value that would have been forfeited had the acceleration not occurred.

The compensation committee adopted a Long-Term Incentive Compensation Program, which is described below, and an Annual Management Incentive Bonus Plan, which we are asking stockholders to approve at this annual meeting and which is described in detail above under the heading, "Proposal No. 3 Approval of Annual Management Incentive Bonus Plan."

The following report reviews our executive compensation program, including recent changes, and describes the process followed by the compensation committee in determining key elements of fiscal year 2005 executive compensation, including compensation for the executive officers named in the *Summary Compensation Table* in this proxy statement.

Executive Compensation Policies

During our fiscal year 2004, the compensation committee began, in consultation with an independent consultant, a review of our executive compensation program, including a review of the competitiveness of each component of our program. During our fiscal year 2005, the compensation committee completed its review and decided to:

establish and adopt, subject to stockholder approval, the Annual Management Incentive Bonus Plan (as described under the caption, "Proposal No. 3 Adoption of Annual Management Incentive Bonus Plan"); and

implement a Long-Term Incentive Compensation Program (as described below under the caption, "Long-Term Incentive Compensation Program").

Each of these components of our executive compensation program is intended to achieve two principal objectives:

continue our historical practice of linking compensation with performance, including both our financial performance and an assessment of each senior executive's individual performance; and

improve the clarity of our compensation practices and objectives for both employees and stockholders.

During fiscal 2005, our 2005 Equity Incentive Plan was approved by our stockholders. Our 2005 Equity Incentive Plan allows us to grant stock options, stock appreciation rights, restricted stock, deferred awards and performance awards. In connection with the adoption of our 2005 Equity Incentive Plan, the compensation committee agreed to the following:

not to issue any additional stock options under our 1996 Stock Option Plan or 1997 Stock Option Plan;

to limit the aggregate grant of awards under our 2005 Equity Incentive Plan during fiscal years 2005, 2006 and 2007 to less than 2.5% of the aggregate number of our shares of our common stock that are outstanding on the last day of our 2005, 2006 and 2007 fiscal years;

to amend our 2005 Equity Incentive Plan (i) to grant 15,000 options to a director on the date of his or her initial election to the Board of Directors, and (ii) on the last day of our fiscal year to grant 6,000 options to each director; and

that awards based on continued employment will have a minimum vesting period of three years from the date of grant; and awards based on satisfaction of performance factors, will have a minimum vesting period of one year from the date of grant.

Compensation Program

Base salaries are established based on the scope of responsibilities, taking into account competitive market compensation paid by other companies for similar positions. The compensation committee sets base salaries at a level designed to attract and retain superior leaders. Base salaries are reviewed annually, and adjusted from time to time to recognize outstanding individual performance, promotions and competitive compensation levels.

During fiscal 2005, the compensation committee adjusted the compensation of one executive officer named in the *Summary Compensation Table*, Mario Ciampi. Mr. Ciampi resigned from his position as Senior Vice President and President of our Disney Store North America subsidiary, effective as of April 30, 2006.

Annual Bonuses for Senior Executive Officers and Other Bonus Eligible Employees

For fiscal year 2005, bonus targets for senior executive officers and other bonus eligible employees were based on an assessment of performance measured by our achievement of a pre-established operating income target and pre-established individual performance goals.

Based on our performance during fiscal 2005 and the pre-established operating income target, our bonus-eligible employees earned a 60% bonus pay-out. Notwithstanding the above, due to a 46% growth in our earnings per share as compared to the previous year, the members of the compensation committee determined in their business judgment to approve a 100% bonus pay-out to all bonus eligible employees, except Mario Ciampi and Ezra Dabah. In addition, the compensation committee determined to adopt the Annual Management Incentive Bonus, subject to stockholder approval, to:

change the performance metric from operating income to earnings per share;

provide for corporate and divisional earning per share targets to align performance incentives of bonus eligible employees based on division; and

provide individual performance goals based on each eligible employee's ability to impact directly our performance.

Under the Annual Management Incentive Bonus Plan, if approved by the stockholders at the annual meeting, we will pay bonuses annually. In addition, the compensation committee may, in its discretion, pay an additional bonus, if the members determine in their business judgment such discretionary bonus is necessary to provide incentives to our bonus-eligible employees. Any such bonus shall be considered in addition to, and not a modification of, the Annual Management Incentive Bonus Plan.

Long-Term Incentive Compensation Program

In the past, we made annual stock option grants to eligible employees, including our senior executive officers. Each stock option permits the holder, generally for a period of ten years, to purchase one share of our common stock from us at the exercise price, which is the price of our common stock on the date of grant. Stock options have value only to the extent the price of our common stock on the date of exercise exceeds the exercise price. Stock options granted in 2005 generally become exercisable in four equal annual installments beginning one year after the grant date. The number of stock options granted to our five most highly paid senior executive officers in 2005 and the value of these awards are shown in the *Options Granted During Last Fiscal Year* summary table.

On April 18, 2005, the compensation committee granted options to purchase an aggregate of 971,300 shares of our common stock under our 1997 Stock Option Plan to certain of our executive officers and other key employees. The effective date of such grants was April 29, 2005.

On January 30, 2006, the compensation committee granted performance stock awards to be paid in the form of shares of common stock under our 2005 Equity Incentive Plan to certain executive officers and other key employees, including our Chief Executive Officer and certain other members of senior management. The issuance of shares under each performance award will be contingent upon, among other things, meeting certain consolidated earnings per share and cumulative earnings targets designated by the compensation committee for our 2005, 2006 and 2007 fiscal years. If these targets are met or exceeded during the performance period, the participants may be entitled to receive from 0% to 200% of such participant's target number of shares of common stock. Pursuant to the performance awards, the participants may earn up to an aggregate amount of approximately 1,200,000 shares of common stock at 200% (approximately 600,000 performance shares at 100%).

If after the end of the performance period, the compensation committee determines that the requisite performance targets have been achieved or exceeded, 50% of the earned shares under the performance awards will be delivered to participants promptly following the date of such determination. The remaining 50% of the earned shares will be delivered one year later, provided that the participant remains employed by us, other than due to the participant's death or disability. Participants will be entitled to receive a pro rated portion of the shares under their performance awards in the event of death or disability, or if a change in control occurs, during the performance period. Prior to the delivery of any shares, no participant will be deemed to have any ownership or stockholder rights (including without limitation dividend and voting rights) with respect to such shares, nor may the participant sell or otherwise transfer any of the performance shares.

Each grant of a performance award by the compensation committee is subject to the terms and conditions of our 2005 Equity Incentive Plan and a performance award agreement to be entered into between each participant and us. Each performance award was conditioned upon the awardee's entering into a confidentiality, non-competition and non-solicitation agreement with us.

Assuming the 100% performance target is met, we estimate the equity compensation expense that will be required to be recognized for the performance awards will approximate \$27.8 million over the requisite performance period, \$11.0 million of which is estimated to be recognized in fiscal 2006.

Chief Executive Officer Compensation

The compensation committee determines Mr. Dabah's compensation based on whether Mr. Dabah accomplished his performance goals established at the beginning of each fiscal year. The compensation committee established Mr. Dabah's base salary and bonus percentage for fiscal 2005 based on Mr. Dabah's performance during fiscal 2004. During fiscal 2004, Mr. Dabah exceeded expectations for his performance goals related to store sales, management and store performance.

Pursuant to Mr. Dabah's employment agreement and based on our performance in the preceding fiscal year, we paid Mr. Dabah a base salary of \$920,769 for the fiscal year ended January 28, 2006, which was a 19% increase from the previous fiscal year. In addition, for the fiscal year ended January 28, 2006, we paid Mr. Dabah a bonus based on our earnings in the amount of \$342,000 and granted Mr. Dabah options to purchase 85,000 shares of our common stock. As part of our Long-Term Incentive Compensation Program, on January 30, 2006, we also granted Mr. Dabah performance awards under our 2005 Equity Incentive Plan entitling Mr. Dabah to receive a target amount of up to 57,429 shares of our common stock, subject to the terms and conditions of a performance award agreement between Mr. Dabah and us. If the performance targets under the performance award agreement are exceeded, Mr. Dabah may be entitled to receive a maximum amount of up to 114,858 shares of our common stock.

Policy on Deductibility of Compensation

Section 162(m) imposes a limitation on the deductibility of nonperformance-based compensation in excess of \$1 million paid to executive officers. In fiscal 2005, since our stockholders had not approved the performance bonuses paid to our executive officers, we were unable to deduct approximately \$500,000 which we paid to our executive officers. The compensation committee believes that it is generally in our best interests to satisfy the requirements for deductibility under Section 162(m). Accordingly, the compensation committee has taken appropriate actions to the extent it believes feasible, including requesting that our stockholders approve the Annual Management Incentive Bonus Plan, to preserve the deductibility of annual incentive and long-term performance awards. However, notwithstanding this general policy, the compensation committee also believes that there may be circumstances in which our interests are best served by maintaining flexibility in the way compensation is provided, whether or not compensation is fully deductible under Section 162(m).

OTHER MATTERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers, directors and persons who own more than 10% of a registered class of our equity securities to file statements on Form 3, Form 4 and Form 5 of

Certain Relationships and Related Transactions

Ezra Dabah, our Chief Executive Officer, is the son-in-law of Stanley Silverstein, a member of our board of directors.

Our compensation committee approves all related party compensation arrangements and transactions. Accordingly, the compensation committee has reviewed and approved the compensation and transactions described in the following disclosure.

Nina Miner, Mr. Silverstein's daughter and Mr. Dabah's sister-in-law, is employed by us as our Senior Vice President, Chief Creative Officer. For the 2005 fiscal year, Ms. Miner received cash compensation of \$442,308 in base salary, a \$222,750 bonus, and \$14,200 in matching contributions under our 401(k) plan and other compensation. On January 30, 2006, we granted Ms. Miner performance awards of 56,498 shares of our common stock under our 2005 Equity Incentive Plan, subject to the terms and conditions of a performance award agreement between Ms. Miner and us. If the performance targets under the performance award agreement are met or exceeded, Ms. Miner may be entitled to receive a maximum amount of up to 112,996 shares of our common stock.

Jason Yagoda, Mr. Dabah's son-in-law and Mr. Silverstein's granddaughter's husband, is employed by us as Vice President, Marketing, Disney Store North America and during the 2005 fiscal year, received cash compensation of \$273,654 in base salary, a \$96,250 bonus, and \$322,090 in housing allowance and relocation expense including a tax gross up, and \$5,250 in matching contributions under our 401(k) plan. On January 30, 2006, we granted Mr. Yagoda performance awards of 22,521 shares of our common stock under our 2005 Equity Incentive Plan, subject to the terms and conditions of a performance award agreement between Mr. Yagoda and us. If the performance targets under the performance award agreement are met or exceeded, Mr. Yagoda may be entitled to receive a maximum amount of up to 45,042 shares of our common stock.

During fiscal 2005, we purchased approximately \$0.3 million of footwear from Nina Footwear Corporation. Stanley Silverstein, who is a member of the Board of Directors and the father-in-law of Ezra Dabah, Chairman and CEO, owns Nina Footwear Corporation with his brother. In our opinion, the transactions with Nina Footwear Corporation were on terms no less favorable than could have been obtained from an unaffiliated third party.

The chairman of the meeting may refuse to acknowledge the nomination of any person or the proposal of any business not made in compliance with the foregoing procedure.

Rule 14a-4 of the Exchange Act governs our use of discretionary proxy voting authority with respect to a stockholder proposal that is not addressed in the proxy statement. With respect to our annual meeting of stockholders to be held in 2007, if we are not provided notice of a stockholder proposal prior to April 4, 2007, we will be permitted to use our discretionary voting authority when the proposal is raised at the meeting, without any discussion of the matter in the proxy statement.

"*Performance Period*" means the period with respect to which the Performance Goals are set by the Committee.

"*Section 162(m)*" means Section 162(m) of the Code, and the regulations promulgated thereunder, all as amended from time to time.

3. PARTICIPATION

Subject to Section 11, the Committee may grant a Bonus to an Executive for a Performance Period that is less than twelve (12) months (*e.g.*, for an Executive that commences employment after the first day of the Company's typical Performance Period). The Company shall establish such Executive's Performance Goals for the Performance Period within the time set forth under Section 162(m).

4. ADMINISTRATION

Unless otherwise determined by the Board, this Bonus Plan shall be administered by the Compensation Committee of the Board. At all times the Committee shall consist of at least two members of the Board who shall qualify as "outside directors" under Section 162(m). Unless otherwise determined by the Board, the Committee shall have the sole discretion and authority to administer and interpret the Bonus Plan.

5. BONUS DETERMINATIONS

A Participant may receive a bonus payment under the Bonus Plan for a Performance Period based upon the attainment of the Performance Goals for such Performance Period that are established by the Committee and relate to one or more of the Business Criteria. Performance Goals need not be the same for all Participants.

With respect to each Participant, the Committee shall, for each Performance Period, establish ranges of Performance Goals which correspond to various levels of cash bonus amounts ("*Award Opportunities*"). Each range of Performance Goals will include a level of performance at which one hundred percent (100%) of the targeted bonus award ("*Target Bonus Award*") may be earned. In addition, each range of Performance Goals will include levels of performance above and below the one hundred percent (100%) performance level. The Committee may establish minimum levels of Performance Goal achievement, below which no bonus payment will be made to the Participant.

Bonus formulas for Participants shall be adopted by the Committee no later than the latest time permitted by Section 162(m) (generally, for Performance Periods of one year or more, no later than 90 days after the commencement of the Performance Period, but in no event after twenty-five percent (25%) of the Performance Period has elapsed). No bonuses shall be paid to a Participant with respect to a Performance Period unless and until the Committee makes a certification in writing with respect to the attainment of the Performance Goals for such Performance Period as required by Section 162(m). The Committee shall have no discretion to increase the amount of a Participant's bonus as determined under the applicable bonus formula.

6. FORM OF BONUS PAYMENT

Bonuses payable under this Bonus Plan shall be paid in cash, in a single lump sum.

7. MAXIMUM BONUS

The total of all bonuses payable to Participants for performance with respect to any Performance Period shall not under any circumstances exceed twenty five percent (25%) of the Net Income for such Performance Period (the "*Maximum Bonus Awards Pool*").

The maximum bonus any Participant can receive for performance in any Performance Period is five million dollars (\$5,000,000). In the event that the total of all bonuses payable to Participants should exceed the Maximum Bonus Awards Pool as specified above, the actual bonus of each Participant shall be proportionately reduced such that the total of all such bonuses paid pursuant to the Bonus Plan for such Performance Period is equal to the Maximum Bonus Awards Pool.

In the event of a Participant's termination of employment due to death, disability or retirement on or after age 65 during the Performance Period, the Participant's bonus award shall be based on the portion of the Performance Period in which the Participant was employed, computed as determined by the Committee. In the event that a Participant's employment terminates for any reason other than death, disability or retirement on or after age 65, the Participant's rights to a bonus shall be forfeited; *provided, however*, that the Committee may, in its sole discretion, pay a prorated bonus award to the Participant for the portion of the Performance Period in which the Participant was employed, computed as determined by the Committee.

All bonuses paid hereunder shall be subject to applicable state, federal and local tax withholding.

8. PAYMENT OF BONUSES

Bonuses shall be payable to a Participant who remains continuously employed by the Company throughout the Performance Period as soon as practicable following the Committee's certification in accordance with Section 5 above that the Performance Goals with regard to such Participant and Performance Period have been attained. Notwithstanding the foregoing, the payment of a bonus hereunder to a Participant with respect to a Performance Period shall be conditioned upon the Participant's employment by the Company on the day the cash bonus is paid; provided, however, that in the event of a Participant's termination of employment due to death, disability or retirement on or after age 65 during the Performance Period, the payment of a bonus hereunder to such Participant shall not be conditioned upon the Participant's employment by the Company on the day the cash bonus is paid and shall be payable as soon as practicable following the Committee's certification in accordance with Section 5 above. Notwithstanding anything contained herein to the contrary, bonuses for a Performance Period shall be payable (A) no later than the latest of (i) the 15th day of the third month following the Participant's first taxable year in which such Performance Period ends, or (ii) the 15th day of the third month following the end of the Company's first taxable year coincident with or next following the last day of such Performance Period; or (B) as soon as administratively practicable following the date determined under clause (A).

9. AMENDMENT AND TERMINATION

Subject to the terms of any written employment agreement between a Participant and the Company or any of its subsidiaries, the Company reserves the right to amend or terminate the Bonus Plan at any time in its sole discretion. Any amendments to the Bonus Plan shall require stockholder approval only to the extent required by Section 162(m).

This Bonus Plan will expire on January 29, 2011, unless terminated earlier by the Board or the Committee.

10. STOCKHOLDER APPROVAL

No bonuses shall be paid under this Bonus Plan unless and until the Company's stockholders shall have approved the Bonus Plan and the material terms of the Performance Goals as required by Section 162(m). The Bonus Plan shall be resubmitted to the Company's stockholders for approval as required by Section 162(m) if it is amended in any way which changes the material terms of the Performance Goals, increases the maximum bonus payable under the Bonus Plan or changes the Bonus Plan's eligibility requirements.

11. MISCELLANEOUS

Neither the establishment of this Bonus Plan nor the payment of any award hereunder nor any action of the Company, the Board or the Committee with respect to this Bonus Plan will be held or construed to confer upon any Executive any legal right to be continued in the employ of the Company or to receive any particular rate of cash compensation other than pursuant to the terms of this Bonus Plan and the determination of the Committee, and the Company expressly reserves the right to discharge any Executive whenever the interest of the Company may so permit or require without liability to the Company, the Board or the Committee, except as to any rights which may be expressly conferred upon a Participant under this Bonus Plan.

The adoption of this Bonus Plan will not affect any other compensation plans in effect for the Company or any subsidiary or affiliate of the Company, nor shall the Bonus Plan preclude the Company or any subsidiary or affiliate thereof from establishing any other forms of incentive or other compensation for Executives.

The Company shall not be required to fund or otherwise segregate any cash or any other assets which may at any time be paid to Participants under the Bonus Plan. The Bonus Plan shall constitute an "unfunded" plan of the Company. The Company shall not, by any provisions of the Bonus Plan, be deemed to be a trustee of any property, and any obligations of the Company to any participant under the Bonus Plan shall be those of a debtor and any rights of any Participant or former Participant shall be limited to those of a general unsecured creditor.

Except as expressly provided by the Committee, no benefit payable under the Bonus Plan shall be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance or charge, and any such attempted action be void and no such benefit shall be in any manner liable for or subject to debts, contracts, liabilities, engagements or torts of any Participant or former Participant. This paragraph shall not apply to an assignment of a contingency or payment due after the death of the Participant to the deceased Participant's legal representative or beneficiary.

All questions pertaining to the construction, regulation, validity and effect of the provisions of the Bonus Plan shall be determined in accordance with the laws of the State of New Jersey.

Subject to Section 162(m), the Bonus Plan shall not limit the authority of the Company, the Board or the Committee, or any subsidiary of the Company, to grant awards or authorize any other compensation under any other plan or authority, including, without limitation, awards or other compensation based on the same Performance Goals used under the Plan. In addition, Executives not selected to participate in the Plan may participate in other plans of the Company.

It is the intent of the Company that the Bonus Plan and Bonuses paid hereunder satisfy and be interpreted in a manner, that, in the case of Participants who are or may be persons whose compensation is subject to Section 162(m), satisfies any applicable requirements as performance-based compensation. Any provision, application or interpretation of the Plan inconsistent with this intent to satisfy the standards in Section 162(m) shall be disregarded.
