To Be Held on June 25, 2009**

GENERAL INFORMATION

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to be Held on June 25, 2009:

The proxy statement and annual report are available at *http:*

**Also available on the website are the Company's proxy card, as well as instruction cards
and related materials for voting shares of common stock held in the Company's 401(k) plans.**

This proxy statement is being furnished to you by the Board of Directors (the "Board") of Rite Aid Corporation (the "Company" or "Rite Aid") to solicit your proxy to vote your shares at our 2009 Annual Meeting of Stockholders. The Annual Meeting will be held on June 25, 2009 at 10:30 a.m., local time, at the offices of Skadden, Arps, Slate, Meagher & Flom LLP, Four Times Square, 37th Floor, New York, New York. This proxy statement, the foregoing notice and the accompanying proxy card are first being mailed on or about May [14], 2009 to all holders of our common stock, par value \$1.00 per share, and 7% Series G Cumulative Convertible Pay-in-Kind Preferred Stock and 6% Series H Cumulative Convertible Pay-in-Kind Preferred Stock, entitled to vote at the Annual Meeting.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Who is entitled to vote at the Annual Meeting?

Holders of Rite Aid common stock and shares of 7% Series G Cumulative Convertible Pay-in-Kind Preferred Stock and 6% Series H Cumulative Convertible Pay-in-Kind Preferred Stock, which are collectively referred to in this proxy statement as the "LGP preferred stock," as of the close of business on the record date, April 28, 2009, will receive notice of, and be eligible to vote at, the Annual Meeting and any adjournment or postponement of the Annual Meeting. At the close of business on the record date, Rite Aid had outstanding and entitled to

Edgar Filing: RITE AID CORP - Form PRE 14A

vote shares of common stock and 1,434,990.0325 shares of LGP preferred stock (which, on an as-if-converted basis, are entitled to an aggregate of 26,090,728 votes). No other shares of Rite Aid capital stock are entitled to notice of and to vote at the Annual Meeting.

Table of Contents

What matters will be voted on at the Annual Meeting?

There are four proposals that are scheduled to be considered and voted on at the Annual Meeting:

Proposal No. 1: Amend our Restated Certificate of Incorporation to declassify our Board of Directors;

Proposal No. 2: Elect five directors to hold office until the 2010 Annual Meeting of Stockholders (or until the 2012 Annual Meeting of Stockholders if Proposal No. 1 is not approved, as described in this proxy statement);

Proposal No. 3: Consider a stockholder proposal requesting that Rite Aid's Board of Directors provide stockholders the opportunity at each annual meeting of stockholders to vote on an advisory resolution to ratify the compensation of the named executive officers set forth in the proxy statement; and

Proposal No. 4: Ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm.

In addition, the holders of the LGP Preferred Stock, voting separately as a class, will vote to elect one director (the "LGP Preferred Director") to hold office until the 2010 Annual Meeting of Stockholders (or until the 2012 Annual Meeting of Stockholders if Proposal No. 1 is not approved) and until his successor is duly elected and qualified.

Stockholders will also be asked to consider and vote at the Annual Meeting on any other matter that may properly come before the Annual Meeting or any adjournment or postponement of the Annual Meeting. At this time, the Board of Directors is unaware of any matters, other than those set forth above, that may properly come before the Annual Meeting.

What are the Board's voting recommendations?

The Board recommends that you vote "FOR" the Amendment of our Restated Certificate of Incorporation to declassify our Board of Directors.

The Board recommends that you vote "FOR" the nominees of the Board in the election of directors.

The Board recommends that you vote "AGAINST" the stockholder proposal.

The Board recommends that you vote for "FOR" the ratification of Deloitte & Touche LLP as the Company's independent registered public accounting firm.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, you are considered the "stockholder of record" with respect to those shares.

If your shares are held in a stock brokerage account or by a bank or other nominee, those shares are held in "street name" and you are considered the "beneficial owner" of the shares. As the beneficial owner of those shares, you have the right to direct your broker, trustee or nominee how to vote your shares, and you will receive separate instructions from your broker, bank or other holder of record describing how to vote your shares.

Table of Contents

How can I vote my shares before the Annual Meeting?

If you hold your shares in your own name, you may submit a proxy by telephone, via the Internet or by mail.

Submitting a Proxy by Telephone: You can submit a proxy for your shares by telephone until 11:59 p.m. Eastern Daylight Time on June 24, 2009 by calling the toll-free telephone number on the enclosed proxy card, 1-888-444-0050. Telephone proxy submission is available 24 hours a day. Easy-to-follow voice prompts allow you to submit a proxy for your shares and confirm that your instructions have been properly recorded. Our telephone proxy submission procedures are designed to authenticate stockholders by using individual control numbers.

Submitting a Proxy via the Internet: You can submit a proxy via the Internet until 11:59 p.m. Eastern Daylight Time on June 24, 2009 by accessing the web site listed on your proxy card, www.voteproxy.com, and following the instructions you will find on the web site. Internet proxy submission is available 24 hours a day. As with telephone proxy submission, you will be given the opportunity to confirm that your instructions have been properly recorded.

Submitting a Proxy by Mail: If you choose to submit a proxy by mail, simply mark the enclosed proxy card, date and sign it, and return it in the postage paid envelope provided.

By casting your vote in any of the three ways listed above, you are authorizing the individuals listed on the proxy to vote your shares in accordance with your instructions. You may also attend the Annual Meeting and vote in person.

If your shares are held in the name of a bank, broker or other nominee, you will receive instructions from the holder of record that you must follow for your shares to be voted. The availability of telephonic or Internet voting will depend on the bank's or broker's voting process. Please check with your bank or broker and follow the voting procedures your bank or broker provides to vote your shares. Also, please note that if the holder of record of your shares is a broker, bank or other nominee and you wish to vote in person at the Annual Meeting, you must request a legal proxy from your bank, broker or other nominee that holds your shares and present that proxy and proof of identification at the Annual Meeting.

If I am the beneficial owner of shares held in "street name" by my broker, will my broker automatically vote my shares for me?

New York Stock Exchange ("NYSE") rules applicable to broker-dealers grant your broker discretionary authority to vote your shares without receiving your instructions on certain matters, which include the election of directors and the ratification of the appointment of our independent registered public accounting firm. However, your broker does not have discretionary authority to vote your shares for certain other types of matters.

How will my shares be voted if I give my proxy but do not specify how my shares should be voted?

If you provide specific voting instructions, your shares will be voted at the Annual Meeting in accordance with your instructions. If you hold shares in your name and sign and return a proxy card without giving specific voting instructions, your shares will be voted "FOR" the Amendment of our Restated Certificate of Incorporation to declassify our Board of Directors, "FOR" the nominees of the Board in the election of directors, "AGAINST" the stockholder proposal requesting an advisory vote on executive compensation, and "FOR" the ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for fiscal year 2010.

How do I vote my shares held in one of the Rite Aid 401(k) plans? What happens if I do not vote my 401(k) plan shares?

If you are a participant in one of Rite Aid's 401(k) plans, the voter instruction card sent to you will serve as a voting instruction card to the trustee of the 401(k) plans for all shares of our common stock you own through the applicable 401(k) plan. You are entitled to instruct the plan trustee on how to vote your shares in the 401(k) plan by telephone, via the Internet or by mail as described above, except that, if you vote by mail, the card that you use will be a voting instruction card rather than a proxy card. The trustee will vote your shares held in the plans in accordance with your instructions. Your instructions will be kept confidential by the trustee and will not be disclosed to Rite Aid. Any shares held by a 401(k) plan participant for which timely instructions are not received by the trustee will be voted by the trustee in its sole discretion.

Could other matters be decided at the Annual Meeting?

At this time, we are unaware of any matters, other than as set forth above, that may properly come before the Annual Meeting. If any other matters properly come before the Annual Meeting, the persons named in the enclosed proxy, or their duly constituted substitutes acting at the Annual Meeting or any adjournment or postponement of the Annual Meeting, will be deemed authorized to vote or otherwise act on such matters in accordance with their judgment.

Can I vote in person at the Annual Meeting?

Yes. If you hold shares in your own name as a stockholder of record, you may come to the Annual Meeting and cast your vote at the meeting by properly completing and submitting a ballot. If you are the beneficial owner of shares held in the name of your broker, bank or other nominee, you must first obtain a legal proxy from your broker, bank or other nominee giving you the right to vote those shares and submit that proxy along with a properly completed ballot at the meeting. You can obtain directions to the annual meeting by contacting Investor Relations at (717) 975-3710.

How can I change my vote?

You may revoke your proxy at any time before it is exercised by:

Delivering to the Secretary a written notice of revocation, dated later than the proxy, before the vote is taken at the Annual Meeting;

Delivering to the Secretary an executed proxy bearing a later date, before the vote is taken at the Annual Meeting;

Submitting a proxy on a later date by telephone or via the Internet (only your last telephone or Internet proxy will be counted), before 11:59 p.m. Eastern Daylight Time on June 24, 2009; or

Attending the Annual Meeting and voting in person (your attendance at the Annual Meeting, in and of itself, will not revoke the proxy).

Any written notice of revocation, or later dated proxy, should be delivered to:

Rite Aid Corporation
30 Hunter Lane
Camp Hill, Pennsylvania 17011
Attention: Marc A. Strassler, Secretary

Alternatively, you may hand deliver a written revocation notice, or a later dated proxy, to the Secretary at the Annual Meeting before we begin voting.

If your shares of Rite Aid common stock are held by a bank, broker or other nominee, you must follow the instructions provided by the bank, broker or other nominee if you wish to change your vote.

Table of Contents

What is an "abstention" and how would it affect the vote?

An "abstention" occurs when a stockholder sends in a proxy with explicit instructions to decline to vote regarding a particular matter. Abstentions are counted as present for purposes of determining a quorum. An abstention with respect to the election of directors is neither a vote cast "for" a nominee or a vote cast "against" the nominee and, therefore, will have no effect on the outcome of the vote. Abstentions with respect to any other proposal will have the same effect as voting "against" the proposal.

What is a broker "non-vote" and how would it affect the vote?

A broker non-vote occurs when a broker or other nominee who holds shares for another person does not vote on a particular proposal because that holder does not have discretionary voting power for the proposal and has not received voting instructions from the beneficial owner of the shares so the broker is unable to vote those uninstructed shares. Brokers will have discretionary voting power to vote shares for which no voting instructions have been provided by the beneficial owner with respect to the proposal to amend the Restated Certificate of Incorporation, the election of directors and the ratification of the appointment of the independent registered public accounting firm. Brokers will not have such discretionary voting power to vote shares with respect to the stockholder proposal. Shares that are the subject of a broker non-vote are included for quorum purposes, but a broker non-vote with respect to a proposal will not be counted as a vote represented at the meeting and entitled to vote. Broker non-votes with respect to the stockholder proposal will have no effect on the outcome of the vote.

What are the quorum and voting requirements for the proposals?

In deciding the proposals that are scheduled for a vote at the Annual Meeting, each holder of common stock as of the record date is entitled to one vote per share of common stock and each holder of LGP preferred stock as of the record date is entitled to approximately 18.18 votes per share of LGP preferred stock (one vote per share of common stock issuable upon conversion of the LGP preferred stock). As of the record date, the LGP preferred stock was convertible into an aggregate of 26,090,728 shares of common stock. The holders of the common stock and LGP preferred stock vote together as a single class, except for those matters on which the holders of LGP preferred stock are entitled to vote as a separate class.

In order to take action on the proposals, a quorum, consisting of the holders of _____ shares (a majority of the aggregate number of shares of Rite Aid common stock and LGP preferred stock (on an as-if-converted basis) issued and outstanding and entitled to vote as of the record date for the Annual Meeting), must be present in person or by proxy. This is referred to as a "quorum." Proxies marked "Abstain" and broker "non-votes," if any, will be treated as shares that are present for purposes of determining the presence of a quorum.

Proposal No. 1 Amendment of our Restated Certificate of Incorporation to Declassify the Board of Directors

The affirmative vote of a majority of the outstanding shares (with Rite Aid common stock and LGP preferred stock voting together as a single class) is required to approve the amendment of our Restated Certificate of Incorporation to declassify our Board of Directors in Proposal No. 1. Any shares not voted (whether by abstention or otherwise) will have the same effect as a vote "against" the proposal.

Proposal No. 2 Election of Directors

The affirmative vote of a majority of the total number of votes cast (with Rite Aid common stock and LGP preferred stock voting together as a single class) is required for the election of each director

Table of Contents

nominee named in Proposal No. 2. This means that the votes cast "for" that nominee must exceed the votes cast "against" that nominee. Any shares not voted (whether by abstention or otherwise) will not be counted as votes cast and will have no effect on the outcome of the vote. For more information on the operation of our majority voting standard, see the section entitled "Corporate Governance Majority Voting Standard and Policy."

Proposal No. 3 Stockholder Proposal Advisory Vote on Executive Compensation

The affirmative vote of a majority of the shares represented at the meeting and entitled to vote (with Rite Aid common stock and LGP preferred stock voting together as a single class) is required for the approval of the stockholder proposal in Proposal No. 3. Any shares represented at the meeting and not voted (whether by abstention or otherwise) will have the same effect as a vote "against" the proposal.

Proposal No. 4 Ratification of Independent Registered Public Accounting Firm

The affirmative vote of a majority of the shares represented at the meeting and entitled to vote (with Rite Aid common stock and LGP preferred stock voting together as a single class) is required for the ratification of the appointment of our independent registered public accounting firm in Proposal No. 4. Any shares represented at the meeting and not voted (whether by abstention or otherwise) will have the same effect as a vote "against" the proposal.

What happens if a quorum is not present at the Annual Meeting?

If the shares present in person or represented by proxy at the Annual Meeting are not sufficient to constitute a quorum, the stockholders by a vote of the holders of a majority of votes present in person or represented by proxy (which may be voted by the proxyholders), may, without further notice to any stockholder (unless a new record date is set), adjourn the meeting to a different time and place to permit further solicitations of proxies sufficient to constitute a quorum.

Who will count the votes?

Officers of Rite Aid will serve as proxy tabulator and count the votes. The results will be certified by the inspectors of election.

Who will conduct the proxy solicitation and how much will it cost?

We are soliciting proxies from stockholders on behalf of our Board and will pay for all costs incurred by it in connection with the solicitation. In addition to solicitation by mail, the directors, officers and employees of Rite Aid and its subsidiaries may solicit proxies from stockholders of Rite Aid in person or by telephone, facsimile or email without additional compensation other than reimbursement for their actual expenses.

We have retained The Altman Group, a proxy solicitation firm, to assist us in the solicitation of proxies for the Annual Meeting. Rite Aid will pay The Altman Group a fee of approximately \$6,500 and reimburse the firm for reasonable out-of-pocket expenses.

Arrangements also will be made with brokerage firms and other custodians, nominees and fiduciaries for the forwarding of solicitation material to the beneficial owners of stock held of record by such persons, and we will reimburse such custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses in connection with the forwarding of solicitation materials to the beneficial owners of our stock.

If you have any questions about voting your shares or attending the Annual Meeting, please call our Investor Relations Department at (717) 975-3710.

PROPOSAL NO. 1

**APPROVAL OF THE AMENDMENT OF OUR RESTATED CERTIFICATE OF INCORPORATION
TO DECLASSIFY OUR BOARD OF DIRECTORS**

Our Board of Directors has unanimously adopted and is submitting for stockholder approval an amendment of our Restated Certificate of Incorporation (the "Charter Amendment") that would phase-in the declassification of our Board of Directors and provide instead for the annual election of directors.

Our current classified board structure has been in place since 1976. The Board believes that its classified structure has helped assure continuity of the Company's business strategies and has reinforced a commitment to long-term stockholder value. Although these are important benefits, the Board recognized the growing sentiment among stockholders and the investment community in favor of annual elections. After careful consideration, the Board determined that it is appropriate to propose declassifying the Board, commencing with the 2009 Annual Meeting.

Currently, members of our Board are elected for staggered terms of three years. If the Charter Amendment is approved, commencing with the class of directors standing for election at the 2009 Annual Meeting, directors will stand for election for one year terms, expiring at the next succeeding annual meeting of stockholders. The directors who were elected at the 2008 Annual Meeting, whose terms will expire in 2011, and the directors who were elected at the 2007 Annual Meeting, whose terms will expire in 2010, will continue to hold office until the end of the terms for which they were elected. A majority of our directors will stand for election at the 2010 Annual Meeting and all directors will be elected on an annual basis beginning with the 2011 Annual Meeting. In all cases, each director will hold office until his or her successor has been elected and qualified or until the director's earlier resignation or removal. If the Charter Amendment is approved, the Board will adopt corresponding amendments to our Amended and Restated By-Laws.

If the Amendment is not approved by stockholders, the Board of Directors will remain classified, and each of the directors elected at the 2009 Annual Meeting will be elected for a three-year term expiring in 2012.

Presently, because the terms of the directors are staggered, the directors are removable only for cause. Upon adoption of the Charter Amendment, directors serving terms to which they were elected prior to the 2009 Annual Meeting would continue to be removable only for cause until the completion of their current terms and, consistent with Delaware law for corporations without classified boards, directors elected at the 2009 Annual Meeting and thereafter will be removable "with or without cause" upon the affirmative vote of a majority of the outstanding shares entitled to vote generally in the election of directors.

Appendix A shows the proposed changes to Section 1 of Article Eighth of the Restated Certificate of Incorporation, with deletions indicated by strikeouts and additions indicated by underlining.

The affirmative vote of a majority of the outstanding shares (with Rite Aid common stock and LGP Preferred Stock voting together as a single class) is required to approve the amendment to the Restated Certificate of Incorporation. Abstentions will have the same effect as votes "against" the proposal.

PROPOSAL NO. 2

ELECTION OF DIRECTORS

General

Our by-laws provide that the Board of Directors may be composed of up to 15 members, with the number to be fixed from time to time by the Board. On April 8, 2009, the Board of Directors increased the number of directors from 14 to 15. Our Board of Directors currently is divided into three classes, with each class to be as nearly equal in number as possible. The Board of Directors currently consists of five directors whose terms expire this year, four directors whose terms expire in 2010 and five directors whose terms expire in 2011. Subject to approval of Proposal No. 1, commencing with the 2009 Annual Meeting, the Board of Directors will be declassified and directors will be elected annually for one year terms, except that directors elected prior to the 2009 Annual Meeting will continue to serve the balance of their existing three year terms. If Proposal No. 1 is not approved, directors elected at the 2009 Annual Meeting will be elected for three year terms, except as otherwise described below.

George G. Golleher, who served as a director of the Company since 2002, retired from the Board of Directors on April 14, 2009. The Board of Directors expresses its gratitude to Mr. Golleher for his valuable contributions during his tenure on the Board. Effective April 14, 2009, the Board appointed David R. Jessick to fill the vacancy created by Mr. Golleher's resignation, and he will serve the remainder of Mr. Golleher's term, which expires in 2010.

John T. Standley has been nominated to fill the vacancy created by the increase in the size of the Board of Directors and, so that each class of directors will be equal in number, he has been nominated to the class of directors whose terms expire in 2010.

Director Nominees

The Board of Directors, based on the recommendation of the Nominating and Governance Committee, has nominated Joseph B. Anderson, Jr., Michel Coutu, James L. Donald, John T. Standley and Marcy Syms to be elected directors at the Annual Meeting. The holder of the LGP Preferred Stock has informed the Company that it will elect Jonathan D. Sokoloff as the LGP Preferred Director. Each of the nominees for director to be elected at the Annual Meeting, except for Mr. Standley, currently serves as a director of the Company. Michel Coutu was designated by The Jean Coutu Group (PJC) Inc., or Jean Coutu Group, to the Nominating and Governance Committee as a director nominee pursuant to the terms of the stockholder agreement with Jean Coutu Group, effective June 4, 2007, the date of our acquisition of the Brooks and Eckerd drugstore chains (the "Brooks Eckerd Transaction").

Each director elected at the Annual Meeting will hold office until the 2010 Annual Meeting of Stockholders or, if Proposal No. 1 is not approved, until the 2012 Annual Meeting of Stockholders (other than Mr. Standley, who, if elected, will hold office until the 2010 Annual Meeting of Stockholders). Each director elected at the Annual Meeting will serve until his or her successor is duly elected and qualified. The other directors will remain in office for the remainder of their respective terms, as indicated below.

If any nominee at the time of election is unable or unwilling to serve or is otherwise unavailable for election, and as a consequence thereof other nominees are designated, then the persons named in the proxy or their substitutes will have the discretion and authority to vote or to refrain from voting for other nominees in accordance with their judgment.

RECOMMENDATION

Corporate Governance

We recognize that good corporate governance is an important means of protecting the interests of our stockholders, associates, customers, suppliers and the community. The Board of Directors, through the Nominating and Governance Committee, monitors corporate governance developments and proposed legislative, regulatory and stock exchange corporate governance reforms.

Website Access to Corporate Governance Materials. Our corporate governance information and materials, including our Certificate of Incorporation, By-Laws, Corporate Governance Guidelines, current charters for each of the Audit Committee, Compensation Committee and Nominating and Governance Committee, Code of Ethics for the Chief Executive Officer and Senior Financial Officers, Code of Ethics and Business Conduct, and our Related Person Transactions Approval Policy, are posted on our website at www.riteaid.com under the headings "Our Company Corporate Governance" and are available in print upon request to Rite Aid Corporation, 30 Hunter Lane, Camp Hill, Pennsylvania 17011, Attention: Secretary. The Board regularly reviews corporate governance developments and will modify these materials and practices from time to time as warranted.

Codes of Ethics. The Board has adopted a Code of Ethics that is applicable to our Chief Executive Officer and senior financial officers. The Board has also adopted a Code of Ethics and Business Conduct that applies to all of our officers, directors and associates. Any amendment to either code or any waiver of either code for executive officers or directors will be disclosed promptly on our website at www.riteaid.com under the headings "Our Company Corporate Governance Code of Ethics."

Director Independence. For a director to be considered independent under the New York Stock Exchange corporate governance listing standards, the Board of Directors must affirmatively determine that the director does not have any direct or indirect material relationship with the Company, including any of the relationships specifically proscribed by the NYSE independence standards. The Board considers all relevant facts and circumstances in making its independence determinations. Only independent directors may serve on our Audit Committee, Compensation Committee and Nominating and Governance Committee.

Table of Contents

As a result of this review, the Board affirmatively determined that the following directors, including each director serving on the Audit Committee, the Compensation Committee and the Nominating and Governance Committee, satisfy the independence requirements of the NYSE listing standards: Joseph B. Anderson, Jr., André Belzile, François J. Coutu, James L. Donald, Michael A. Friedman, MD, George G. Golleher (served until April 14, 2009), David R. Jessick, Michael N. Regan, Philip G. Satre, Marcy Syms and Dennis Wood. The Board also determined that the members of the Audit Committee satisfy the additional independence requirements of Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act") and the NYSE requirements for audit committee members. In determining each individual's status as an independent director, the Board considered the following transactions, relationships and arrangements:

Joseph B. Anderson serves as a director of Valassis Communications, Inc., which does business with Rite Aid. Because Mr. Anderson serves only as an outside director of, and is not an officer of or otherwise employed by, Valassis Communications, Inc., the Board determined that the relationship between Rite Aid and Valassis Communications, Inc. does not constitute a material relationship between Mr. Anderson and Rite Aid.

George G. Golleher serves as the Chairman and Chief Executive Officer of Smart & Final, a chain of warehouse grocery stores, which purchases ice cream from one of the Company's subsidiaries. Because the purchases of ice cream are in an amount which is approximately .15% of Smart & Final's consolidated gross revenues, the Board determined that the relationship between Rite Aid and Smart & Final does not constitute a material relationship between Mr. Golleher and Rite Aid.

There is no family relationship between any of the nominees, continuing directors and executive officers of Rite Aid, except that directors François Coutu and Michel Coutu are brothers.

Majority Voting Standard and Policy. Under the Company's By-Laws, a nominee for director in uncontested elections of directors (as is the case for this annual meeting) will be elected to the Board if the votes cast "for" such nominee's election exceed the votes cast "against" such nominee's election. In contested elections, directors will be elected by a plurality of votes cast. For this purpose, a contested election means any meeting of stockholders for which (i) the Secretary of the Company receives a notice that a stockholder has nominated a person for election to the Board in compliance with the advance notice requirements for stockholder nominees for director set forth in the By-Laws and (ii) such nomination has not been withdrawn by such stockholder on or prior to the 14th day preceding the date the Company first mails its notice of meeting for such meeting to the stockholders.

Under the Company's Corporate Governance Guidelines (the "Guidelines"), a director who fails to receive the required number of votes for re-election in accordance with the By-Laws will, within five days following certification of the stockholder vote, tender his or her written resignation to the Chairman of the Board for consideration by the Board, subject to the procedures set forth in the Guidelines.

Committees of the Board of Directors

The Board of Directors has four standing committees: the Audit Committee, the Compensation Committee, the Nominating and Governance Committee and the Executive Committee. Current copies of the charters for each of these committees are available on our website at www.riteaid.com under the headings "Our Company Corporate Governance Committee Charters."

Audit Committee. The Audit Committee, which held eleven meetings during fiscal year 2009, currently consists of Philip G. Satre (Chairman), André Belzile, Michael N. Regan and Marcy Syms. The Board has determined that each of these individuals is an independent director under the NYSE listing standards and satisfies the additional independence requirements of Rule 10A-3 under the

Table of Contents

Exchange Act and the additional requirements of the NYSE listing standards for audit committee members. See the section entitled "Corporate Governance Director Independence" above. The Board has determined that Philip G. Satre qualifies as an "audit committee financial expert" as that term is defined under applicable SEC rules. It is expected that David R. Jessick will be appointed to the Audit Committee.

The functions of the Audit Committee include the following:

Appointing, compensating and overseeing our independent registered public accounting firm ("independent auditors");

Overseeing management's fulfillment of its responsibilities for financial reporting and internal control over financial reporting; and

Overseeing the activities of the Company's internal audit function.

The independent auditors and internal auditors meet with the Audit Committee with and without the presence of management representatives. For additional information, see the section entitled "Audit Committee Report," as well as the Audit Committee's charter, which is posted on our website at www.riteaid.com under the headings "Our Company Corporate Governance."

Compensation Committee. The Compensation Committee, which met eight times during fiscal year 2009, currently consists of James L. Donald, Michael A. Friedman, MD and Dennis Wood. The Board has determined that each of these individuals is an independent director under the NYSE listing standards. See the section entitled "Corporate Governance Director Independence" above. George G. Golleher served as Chairman of the Compensation Committee until his resignation from the Board in April 2009.

The functions of the Compensation Committee include the following:

Administering Rite Aid's stock option and other equity incentive plans;

Reviewing and approving the Company's goals and objectives relevant to the compensation of the Chief Executive Officer, evaluating the CEO's performance in light of these goals and objectives and determining and approving the CEO's compensation level based on this evaluation; and

Reviewing and approving compensation with respect to all other senior management.

The Compensation Committee reviews the performance of the Company's executive personnel and develops and makes recommendations to the Board of Directors with respect to executive compensation policies. The Compensation Committee is empowered by the Board of Directors to award to executive officers appropriate bonuses, stock options, stock appreciation rights ("SARs") and stock-based awards. The details of the processes and procedures for the consideration and determination of executive and director compensation are described in the section entitled "Compensation Discussion and Analysis."

The Compensation Committee also has access to independent compensation data and from time to time engages outside compensation consultants. In fiscal year 2009, the Compensation Committee considered the report of outside compensation consultants with respect to executive compensation and equity compensation strategy.

The objectives of the Compensation Committee are to support the achievement of desired company performance, to provide compensation and benefits that will attract and retain superior talent and reward performance and to fix a portion of compensation to the outcome of the Company's performance.

Nominating and Governance Committee. The Nominating and Governance Committee, which held two meetings during fiscal year 2009, currently consists of Joseph B. Anderson, Jr. (Chairman), François J. Coutu and Michael A. Friedman, MD. The Board has determined that each of these individuals is an independent director under the NYSE listing standards. See the section entitled "Corporate Governance Director Independence" above.

The functions of the Nominating and Governance Committee include the following:

Identifying and recommending to the Board individuals qualified to serve as Rite Aid directors;

Recommending to the Board individual directors to serve on committees of the Board;

Advising the Board with respect to matters of Board composition and procedures;

Developing and recommending to the Board a set of corporate governance principles applicable to Rite Aid and overseeing corporate governance matters generally;

Overseeing the annual evaluation of the Board and management; and

Reviewing, evaluating and recommending for approval by the Board related person transactions in which the Company is a participant.

Executive Committee. The members of the Executive Committee currently are Michel Coutu, Robert G. Miller, Mary F. Sammons and Philip G. Satre. The Executive Committee did not meet during fiscal year 2009. However, on four occasions, the Executive Committee acted by Unanimous Written Consent. The Executive Committee, except as limited by Delaware law, is empowered to exercise all of the powers of the Board of Directors.

Nomination of Directors

The Nominating and Governance Committee will consider director candidates recommended by stockholders. In considering such recommendations, the Nominating and Governance Committee will take into consideration the needs of the Board and the qualifications of the candidate. The Nominating and Governance Committee may also take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held. To have a candidate considered by the Nominating and Governance Committee, a stockholder must submit the recommendation in writing and must include the following information:

The name of the stockholder and evidence of the person's ownership of Rite Aid stock, including the number of shares owned and the length of time of ownership; and

The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a Rite Aid director and the person's consent to be named as a director if selected by the Nominating and Governance Committee and nominated by the Board.

The stockholder recommendation and information described above must be sent to Rite Aid Corporation, 30 Hunter Lane, Camp Hill, Pennsylvania 17011, Attention: Secretary. The Nominating and Governance Committee will accept recommendations of director candidates throughout the year; however, in order for a recommended director candidate to be considered for nomination to stand for election at an upcoming annual meeting of stockholders, the recommendation must be received by the Secretary not less than 120 days prior to the anniversary date of Rite Aid's most recent annual meeting of stockholders.

The Nominating and Governance Committee believes that the minimum qualifications for serving as a Rite Aid director are that a candidate demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of Rite

Aid's business and affairs and have an impeccable record and reputation for honest and ethical conduct in his or her

professional and personal activities. In addition, the Nominating and Governance Committee examines a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest and independence from management and the Company. The Nominating and Governance Committee also seeks to have the Board represent a diversity of backgrounds and experience.

The Nominating and Governance Committee identifies potential candidates by asking current directors and executive officers to notify the committee if they become aware of persons, meeting the criteria described above, who have had a change in circumstances that might make them available to serve on the Board for example, retirement as a CEO or CFO of a public company or exiting government or military service. The Nominating and Governance Committee also, from time to time, may engage firms that specialize in identifying director candidates. As described above, the committee will also consider candidates recommended by stockholders.

Once a person has been identified by the Nominating and Governance Committee as a potential candidate, the committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating and Governance Committee determines that the candidate warrants further consideration, the Chairman or another member of the committee contacts the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the Nominating and Governance Committee requests information from the candidate, reviews the person's accomplishments and qualifications, including in light of any other candidates that the committee might be considering, and conducts one or more interviews with the candidate. In certain instances, committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder, although, as stated above, the Board may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

James Donald and David R. Jessick were appointed to the Board of Directors in May 2008 and April 2009, respectively, on the recommendation of the Nominating and Governance Committee. Messrs. Donald and Jessick were recommended for consideration by the Nominating and Governance Committee by Mary Sammons, our Chairman and Chief Executive Officer.

Executive Sessions of Non-Management Directors

In order to promote discussion among the non-management directors, regularly scheduled executive sessions (*i.e.*, meetings of non-management directors without management present) are held to review such topics as the non-management directors determine. The non-management directors met in executive session seven times during fiscal year 2009 and were presided over by the Non-Executive Co-Chairman of the Board of Directors.

Communications with the Board of Directors

The Board has established a process to receive communications from stockholders and other interested parties. Stockholders and other interested parties may contact any member (or all members) of the Board, any Board committee or any chair of any such committee by mail or electronically. To communicate with the Board of Directors, the non-management directors, any individual directors or committee of directors, correspondence should be addressed to the Board of Directors or any such individual directors or committee of directors by either name or title. All such correspondence should be sent to Rite Aid Corporation, c/o Secretary, P.O. Box 3165, Harrisburg, Pennsylvania 17105. To communicate with any of the directors electronically, stockholders should go to our website at www.riteaid.com. Under the headings "Our Company Corporate Governance Contact Our Board" you will find an on-line form that may be used for writing an electronic message to the Board, the non-management directors, any individual directors, or any committee of directors. Please follow the instructions on the web site in order to send your message.

Table of Contents

All communications received as set forth above will be opened by the Secretary for the purpose of determining whether the contents represent a message to the directors, and depending on the facts and circumstances outlined in the communication, will be distributed to the Board, the non-management directors, an individual director, or committee of directors, as appropriate. The Secretary will make sufficient copies of the contents to send to each director who is a member of the Board or of the committee to which the envelope or e-mail is addressed.

Directors' Attendance at Board, Committee and Annual Meetings

The Board of Directors held ten meetings during fiscal year 2009. Each incumbent director attended at least 75% of the aggregate of the meetings of the Board of Directors and meetings held by all committees on which such director served, during the period for which such director served.

It is our policy that directors are invited and encouraged to attend the annual meeting of stockholders. Twelve of our fourteen directors attended the 2008 Annual Meeting of Stockholders.

Directors' Compensation

Except for Robert G. Miller, whose compensation arrangements are discussed in the section below entitled "Agreement with Mr. Miller," and except as noted below under the director compensation plan, each non-employee director other than Mr. Sokoloff (who is affiliated with Leonard Green & Partners L.P., an entity that provides services to Rite Aid, as discussed under "Certain Relationships and Related Transactions") receives an annual payment of \$70,000 in cash, payable quarterly in arrears, except that the annual payment to each non-employee director who is a member of the Audit Committee is \$80,000 and the annual payment to Michel Coutu in his capacity as Non-Executive Co-Chairman is \$500,000. In addition, the chair of the Audit Committee receives an additional annual payment of \$10,000. Each non-employee director who chairs a committee of the Board other than the Audit Committee receives an additional annual payment of \$7,500. Directors who are officers and full-time Rite Aid employees and Mr. Sokoloff receive no separate compensation for service as directors or committee members. Directors are reimbursed for travel and lodging expenses associated with attending Board of Directors meetings.

Each person who was first elected or appointed as a director after January 1, 2002 and who is eligible to receive compensation for serving as a director shall, on the date first elected or appointed, receive non-qualified stock options to purchase 100,000 shares of common stock. In addition, non-employee directors other than Mr. Sokoloff are entitled to annually receive 20,000 shares of restricted stock. All of the options received by the directors vest ratably and the restrictions applicable to the restricted stock shall lapse over a three-year period beginning on the first anniversary of the date they were granted. None of such options vests after the non-employee director ceases to be a director, except in the case of a director whose service terminates after he or she reaches age 72, in which case such options will vest immediately upon termination. All of the options vest immediately upon a change in control. In accordance with the foregoing, the following number of shares of restricted stock were issued under Rite Aid's 2006 Omnibus Equity Plan to the following directors: on September 24, 2008, Ms. Syms and Messrs. Anderson, Belzile, François Coutu, Michel Coutu, Friedman, Golleher, Miller, Regan, Satre and Wood each received 20,000 shares of restricted stock. On May 13, 2008, James L. Donald was appointed to the Board of Directors and received non-qualified stock options to purchase 100,000 shares with an exercise price equal to the market price of the Company's common stock as of the close of business on the date of grant.

In fiscal year 2009, Rite Aid's non-employee directors also received \$2,000 for each Board of Directors meeting attended, \$1,000 for each committee meeting attended or \$2,500 for each meeting attended at which such non-employee director served as the chairman of a committee, except that Mr. Sokoloff received no such compensation.

Agreement with Mr. Miller

Mr. Miller's April 9, 2003 employment agreement was amended on April 28, 2005, pursuant to which, effective as of June 23, 2005, Mr. Miller continued serving solely as Chairman of the Board. On November 28, 2006, Rite Aid amended the April 9, 2003 agreement with Mr. Miller pursuant to which Mr. Miller stepped down as Chairman upon the closing of the Brooks Eckerd Transaction and continued to serve solely as a director through the date of the 2008 annual meeting, and the parties agreed that the Brooks Eckerd Transaction would not trigger change in control benefits. An additional amendment to Mr. Miller's employment agreement, pursuant to which Mr. Miller will continue to serve as a director until the Company's 2011 Annual Meeting of Stockholders, became effective on his re-election to the Board of Directors at the 2008 annual meeting. Additional terms of this agreement are as follows:

Salary and incentive bonus. Through June 25, 2008, the date of the 2008 Annual Meeting of Shareholders, Mr. Miller received annual base pay of \$350,000 and was entitled to continued benefits, in their entirety, including participation in Rite Aid's fringe benefit and perquisite programs and savings plans, and continued deferred compensation as provided under the December 5, 1999 employment agreement. However, he was not entitled to participate in any incentive compensation or bonus plans. For the period starting on June 26, 2008 and ending on the later of (i) June 30, 2009 and (ii) the one year anniversary of the 2008 annual meeting (the "Term"), Mr. Miller receives a monthly base salary of \$5,000 (pro-rated for any partial month) and continues to be eligible to participate in certain of the Company's fringe benefit and perquisite programs in which he was entitled to participate prior to the 2008 annual meeting, and continues to remain entitled to defer compensation as provided under the December 5, 1999 employment agreement. The Term may be extended at the mutual agreement of the parties. If the Term is not extended, Mr. Miller shall be entitled to receive solely the fees which are paid to our non-employee directors through the end of his service as a director.

Restricted stock and options. During his service as a director, Mr. Miller is eligible to receive option and restricted stock awards in accordance with Rite Aid's policy for members of the Board of Directors as in effect from time to time. Mr. Miller's existing stock options and shares of restricted stock continue to vest and be fully exercisable for the remainder of their stated terms.

Termination of employment and change in control arrangements. The termination provisions of the April 9, 2003 employment agreement became effective immediately and remain in effect until the agreement expires. Pursuant to the April 28, 2005 amendment to the April 9, 2003 agreement, if Mr. Miller was not re-elected as Chairman, he could be terminated and receive one year's base salary (as compared to three years provided under the previous agreements for a termination without cause). Under the November 28, 2006 agreement, Mr. Miller waived any right he would have pursuant to his

employment agreement upon his ceasing to serve as Chairman or a change in control triggered by the Brooks Eckerd Transaction.

Agreement with Michel Coutu

Effective as of June 27, 2007, Michel Coutu was appointed as a director of Rite Aid and non-executive co-chairman of the Board of Directors for a term of two years following the completion of the Brooks Eckerd Transaction. In this capacity, Mr. Coutu is entitled to receive an annual retainer of \$500,000, payable quarterly in arrears. In addition, Mr. Coutu is also entitled to receive certain benefits and annual equity awards to the same extent as our other directors, as described under the caption "Directors' Compensation," above. On April 8, 2009, the Board extended this agreement with Mr. Coutu, on the same terms, through the date of the 2010 annual meeting of stockholders.

PROPOSAL NO. 3

STOCKHOLDER PROPOSAL ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Comptroller of the City of New York, custodian and trustee of the New York City Employees' Retirement System and the New York City Teachers' Retirement System, which collectively own approximately 1,131,141 shares of Common Stock (based on information provided to us by the Comptroller of the City of New York), has notified the Company that it intends to present the following proposal at the Annual Meeting:

RESOLVED, that shareholders of Rite Aid Corporation request the Board of Directors to adopt a policy that provides shareholders the opportunity at each annual shareholder meeting to vote on an advisory resolution, proposed by management, to ratify the compensation of the named executive officers ("NEOs") set forth in the proxy statement's Summary Compensation Table (the "SCT") and the accompanying narrative disclosure of material factors provided to understand the SCT (but not the Compensation Discussion and Analysis). The proposal submitted to shareholders should make clear that the vote is non-binding and would not affect any compensation paid or awarded to any NEO.

Supporting Statement

Investors are increasingly concerned about mushrooming executive compensation especially when it is insufficiently linked to performance. In 2008, shareholders filed close to 100 "Say on Pay" resolutions. Votes on these resolutions have averaged 43% in favor, with ten votes over 50%, demonstrating strong shareholder support for this reform.

An Advisory Vote establishes an annual referendum process for shareholders about senior executive compensation. We believe the results of this vote would provide the board and management with useful information about shareholder views on the company's senior executive compensation.

In its 2008 proxy Aflac submitted an Advisory Vote resulting in a 93% vote in favor, indicating strong investor support for good disclosure and a reasonable compensation package. Daniel Amos, Chairman and CEO said, "An advisory vote on our compensation report is a helpful avenue for our shareholders to provide feedback on our pay-for-performance compensation philosophy and pay package."

To date eight other companies have also agreed to an Advisory Vote, including Verizon, MBIA, H&R Block, Blockbuster, and Tech Data. TIAA-CREF, the country's largest pension fund, has successfully utilized the Advisory Vote twice.

Table of Contents

Influential proxy voting service RiskMetrics Group recommends votes in favor, noting: "RiskMetrics encourages companies to allow shareholders to express their opinions of executive compensation practices by establishing an annual referendum process. An advisory vote on executive compensation is another step forward in enhancing board accountability."

The Council of Institutional Investors has endorsed advisory votes and a bill to allow annual advisory votes passed the House of Representatives by a 2-to-1 margin. As presidential candidates, Senators Obama and McCain supported the Advisory Vote.

We believe that existing U.S. Securities and Exchange Commission rules and stock exchange listing standards do not provide shareholders with sufficient mechanisms for providing input to boards on senior executive compensation. In contrast, in the Untied Kingdom, public companies allow shareholders to cast a vote on the "directors' remuneration report," which discloses executive compensation. Such a vote isn't binding, but gives shareholders a clear voice that could help shape senior executive compensation.

We believe that a company that has a clearly explained compensation philosophy and metrics, reasonably links pay to performance, and communicates effectively to investors would find a management sponsored Advisory Vote a helpful tool.

We urge our board to allow shareholders to express their opinion about senior executive compensation through an Advisory Vote.

THE BOARD OF DIRECTORS' STATEMENT IN OPPOSITION

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "AGAINST" THIS PROPOSAL TO ADOPT AN ADVISORY VOTE ON EXECUTIVE COMPENSATION FOR THE FOLLOWING REASONS:

The Board has given careful consideration to this proposal and has concluded for the reasons described below that the adoption of this resolution is unnecessary and is not in the best interests of Rite Aid and its stockholders.

The Board recognizes the importance of executive compensation to the overall long-term performance of Rite Aid. Rite Aid's compensation philosophy is to pay for performance that supports Rite Aid's business strategies and to pay competitively. In the "Compensation Discussion & Analysis" ("CD&A") section of this proxy statement, Rite Aid provides stockholders with a detailed and thorough description of the Company's compensation program, including the philosophy and strategy underpinning the program, the individual elements of the compensation program and how Rite Aid's compensation plans are administered. Rite Aid's compensation programs contain consistent elements designed to reward achievement of the Company's long-term objectives.

Rite Aid's Compensation Committee, composed entirely of independent directors, is responsible for reviewing and approving the compensation of Rite Aid's chief executive officer and reviewing and recommending to the Board other senior officers' compensation levels. The Compensation Committee considers a variety of information to determine the appropriate level of competitive and equitable executive pay. By their very nature, compensation decisions require a knowledge of executive performance and confidential and sensitive strategic and operational information; expertise regarding competitive conditions and compensation practices and a familiarity with other confidential and proprietary information unavailable to stockholders.

Some of the information could not be made available to stockholders without also providing proprietary competitive data to the Company's competitors. As proposed, stockholders would be asked to endorse or reject compensation decisions without complete information, or alternatively, the Company would have to disclose competitive information in a public document in order for stockholders to make an informed vote.

Table of Contents

In addition, the Compensation Committee retains an independent outside executive compensation consultant to conduct pay for performance reviews, which are performed annually after the end of the fiscal year using peer group data to benchmark Rite Aid's compensation programs and performance. While the Compensation Committee is able to use this information to timely evaluate and make recommendations regarding executive pay for the relevant performance period, an advisory stockholder vote would take place approximately four (4) months after the relevant performance period has ended. Therefore, an advisory vote is likely to be more reflective of current market conditions, rather than a consideration of the compensation awarded or recommended by the Compensation Committee for the relevant performance period that was based on information and analysis available to the Compensation Committee at the time.

Even if the proposal were adopted, the result of the requested advisory vote cannot be expected to provide the Company with meaningful results. If stockholders do not ratify compensation decisions, the Company will understand that stockholders are dissatisfied. However, the source of the stockholder dissatisfaction will not necessarily be clear, much less the action that should be taken to address their concerns.

The proposal states that the United Kingdom allows an advisory vote on executive compensation. The Board believes that comparing U.S. compensation practices to those in the United Kingdom is inappropriate. Because an advisory stockholder vote on executive compensation is mandatory for all public United Kingdom companies, no one United Kingdom company is competitively disadvantaged by this requirement. Rite Aid, on the other hand, could find it more difficult to recruit and retain executive talent if it became one of the small number of U.S. companies to adopt an advisory vote, as the practice could lead to a perception that compensation opportunities at Rite Aid may be limited or negatively affected compared to opportunities at other companies that have not adopted this practice. Moreover, we have found no evidence of increased investor satisfaction with United Kingdom pay practices and we are not aware of any company in Rite Aid's peer group (as identified in the CD&A) that has adopted this practice.

The Board believes that the Compensation Committee is in the best position to consider the extensive information and factors necessary to make independent, objective and competitive compensation recommendations and decisions that are in the best interest of Rite Aid and its stockholders. The Compensation Committee should have flexibility in making the appropriate compensation recommendations and decisions so that Rite Aid can motivate and competitively compensate Rite Aid executives in alignment with Rite Aid's performance. The Board appreciates that stockholders are a crucial stakeholder whose views must be heard and valued. Stockholders who wish to express their opinion on the Company's executive compensation strategy or any other matter are encouraged to do so in writing to the Board pursuant to the process described in the "Communications with the Board of Directors" section of this proxy statement. The Board believes that this approach facilitates a sharing of stockholder views and is ultimately more meaningful and useful to the Board than a non-binding advisory vote that is based on incomplete information.

RECOMMENDS THAT YOU VOTE "AGAINST" THIS STOCKHOLDER PROPOSAL.**

PROPOSAL NO. 4

**RATIFICATION OF THE APPOINTMENT OF INDEPENDENT

2010. Deloitte & Touche has audited the accounts and records of Rite Aid and its subsidiaries since 2000. Although the selection of accounting firms does not require ratification, the Board of Directors has directed that the appointment of Deloitte & Touche be submitted to the stockholders for ratification due to the significance of their appointment by the Company. If the stockholders do not ratify the appointment of Deloitte & Touche, the Board of Directors will consider the appointment of another independent registered public accounting firm. A representative of Deloitte & Touche will be present at the Annual Meeting and will have the opportunity to make a statement and will be available to respond to appropriate questions.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

Rite Aid Corporation is the third largest retail drugstore chain in the United States based on revenues and number of stores, operating approximately 4,900 stores in 31 states and the District of Columbia. A primary component of the Company's human resource strategy is to attract, motivate and retain highly talented individuals at all levels of the organization who are committed to the Company's core values of excellence, integrity and respect for people and have the ability to execute the Company's strategic and operational priorities.

Objectives of Executive Compensation

All executive compensation and benefits programs are within the purview of the Compensation Committee, which bases these programs on the same objectives that guide the Company in establishing all of its compensation programs, outlined below. The Compensation Committee also administers the Company's equity incentive compensation plans. In establishing or approving the compensation of our Chief Executive Officer and the other executive officers named in the Summary Compensation Table

Table of Contents

(the "Named Executive Officers") in any given year, the Compensation Committee is generally guided by the following objectives:

Compensation should be based on the level of job responsibility, individual performance, and company performance, and should foster the long-term focus required for success in the retail drugstore industry. As associates progress to higher levels in the organization, an increasing proportion of their pay should be linked to company performance and shareholder returns and to longer-term performance because they are in a position to have greater influence on longer-term results.

Compensation should reflect the value of the job in the marketplace. To attract and retain a highly skilled, diverse work force, we must remain competitive with the pay of other employers who compete with us for talent.

Compensation should reward performance. Our programs should deliver compensation in relationship to company performance. Where company performance falls short of expectations, the programs should deliver lower-tier compensation. In addition, the objectives of pay-for-performance and retention must be balanced. Even in periods of temporary downturns in company performance, the programs should continue to ensure that successful, high-achieving employees will remain motivated and committed to the Company to support the stability and future needs of the Company.

To be effective, performance-based compensation programs should enable associates to easily understand how their efforts can affect their pay, both directly through individual performance accomplishments and indirectly through contributing to the Company's achievement of its strategic and operational goals.

Compensation and benefit programs should be set across consistent measures and goals at all levels of the organization. While the programs and individual pay levels will always reflect differences in job responsibilities, geographies, and marketplace considerations, the overall structure of compensation and benefit programs should be broadly similar across the organization.

Compensation and benefit programs should attract associates who are interested in a career at Rite Aid.

The Committee's Processes

The Compensation Committee has established a number of processes to assist it in ensuring that the Company's executive compensation program is achieving its objectives. Among those are:

Assessment of Company performance. The Compensation Committee uses company performance measures in two ways. First, in establishing total compensation ranges, the Compensation Committee considers various measures of Company and industry performance, including, but not limited to, comparable store sales growth, Adjusted EBITDA (earnings before interest, taxes, depreciation, amortization and certain other adjustments), earnings growth, return on sales, return on average invested capital and assets and total shareholder return. In determining relative performance to the Company's peer group, the Compensation Committee does not apply a formula or assign these performance measures relative weights. Instead, it makes a subjective determination after considering such measures collectively. Second, as described in more detail below, the Compensation Committee has established specific Company target incentive/award levels and performance measures that determine the size of payouts under the Company's two formula-based incentive programs the cash incentive bonus program and the long-term incentive program.

Table of Contents

Assessment of individual performance. Individual performance has a strong impact on the compensation of all employees, including the CEO and the other executive officers. With respect to the CEO, the independent directors meet with the CEO in executive session annually at the beginning of the year to agree upon the CEO's performance objectives (both individual and Company objectives) for the year. At the end of the year, the independent directors meet in executive session to conduct a performance review of the CEO based on his or her achievement of the agreed-upon objectives, contribution to the Company's performance, and other leadership accomplishments. This evaluation is shared with the CEO and is provided to the Compensation Committee for its consideration in setting the CEO's compensation.

For the other Named Executive Officers, the Compensation Committee receives a performance assessment and compensation recommendation from the CEO and also exercises its judgment based on the Board of Directors' interactions with the executive officer. As with the CEO, the performance evaluation of these executives is based on achievement of pre-agreed objectives by the executive and his or her organization, his or her contribution to the Company's performance, and other leadership accomplishments.

Benchmarking. The Compensation Committee benchmarks the Company's programs with a peer group of retail organizations via external survey and compensation recommendations from Mercer Human Resources Consulting, a qualified, independent compensation consultant that reports its findings directly to the Compensation Committee. The independent compensation consultant is retained by the Compensation Committee to select the peer group of companies and conduct a market assessment of all components of executive compensation. For the Company's 2009 fiscal year, this peer group consisted of the following companies: BJ's Wholesale; Costco; CVS/Caremark; Family Dollar Stores; Great Atlantic & Pacific Tea Co.; Home Depot; Longs Drug Store; Lowe's Companies; Safeway, Inc.; Target Corp. and Walgreen Co. The peer group companies that were selected fall within a similar revenue range and industry as Rite Aid. The Compensation Committee compares the peer group companies' executive compensation programs as a whole, and also compares the pay of individual executives if the jobs are sufficiently similar to make the comparison meaningful. The Compensation Committee uses the peer group data primarily to ensure that the executive compensation program as a whole is competitive, meaning generally within the broad middle range of comparative pay of the peer group companies when the Company achieves the targeted performance levels. The independent compensation consultant assessed Rite Aid's performance relative to its peer group and observed alignment of performance with actual total direct compensation levels.

Total compensation review. The Compensation Committee reviews each executive's base pay, bonus, long-term incentives and retirement benefits annually with the guidance of the Compensation Committee's independent consultant. Following the fiscal year 2009 review, the Compensation Committee determined that these elements of compensation were reasonable in the aggregate.

Components of Executive Compensation for Fiscal Year 2009

For fiscal year 2009, the compensation of executives consisted of four primary components: base salary, a cash incentive bonus award under the Company's annual incentive bonus plan, long-term incentives consisting of stock options, restricted stock and performance units and a benefits package. The Compensation Committee believes that this program balances both the mix of cash and equity compensation, the mix of currently-paid and longer-term compensation, and the security of base benefits in a way that furthers the compensation objectives discussed above. Following is a discussion of the Compensation Committee's considerations in establishing each of the components for the executive officers.

Table of Contents

Base Salary

Base salary is one element of an executive's annual cash compensation during employment. The value of base salary reflects the employee's long-term performance, skill set and the market value of that skill set. In setting base salaries for fiscal year 2009, the Compensation Committee considered the following factors:

The median of comparable companies. The Compensation Committee generally attempts to provide base compensation approximating the median of the selected group of peer companies listed above. In April 2008, the Compensation Committee reviewed the base salaries of the Named Executive Officers relative to the peer companies and approved minimal adjustments to the base salaries of certain of the Named Executive Officers as set forth below.

Internal relativity, meaning the relative pay differences for different job levels.

Individual performance. Except for increases associated with promotions or increased responsibility, increases in base salary for executives from year to year are generally limited to minimal adjustments to reflect individual performance.

Peer group data specific to the executive's position, where applicable. As noted above, we used the peer group data to test for reasonableness and competitiveness of base salaries, but we also exercised subjective judgment in view of our compensation objectives.

Consideration of the mix of overall compensation. Consistent with our compensation objectives, as executives progress to higher levels in the organization, a greater proportion of overall compensation is directly linked to company performance and stockholder returns. Thus, for example, Ms. Sammons' overall compensation is more heavily weighted toward incentive compensation and equity compensation than that of the other executive officers.

In establishing Ms. Sammons' base salary for fiscal year 2009, the Compensation Committee applied the principles described above under "The Committee's Processes." In an executive session including all independent directors, the Compensation Committee assessed Ms. Sammons' fiscal year 2008 performance. They considered the Company's and Ms. Sammons' accomplishment of objectives that had been established at the beginning of the year and its own subjective assessment of her performance. They noted that under Ms. Sammons' leadership, in fiscal year 2008 the Company completed the acquisition of Brooks Eckerd, performed integration and conversion activities in the acquired stores, improved customer satisfaction and continued to develop and execute its strategic plan to deliver long-term shareholder value. In recognition of her continued strong leadership in fiscal year 2008, the Compensation Committee set Ms. Sammons' base salary for fiscal year 2009 at \$1,000,000, the same level that it was for fiscal years 2004 through 2008.

The Compensation Committee reviewed similar considerations for each of the other Named Executive Officers and approved increases based upon a subjective assessment of their respective performance. The Compensation Committee approved Mr. Standley's annual salary upon his appointment as President and Chief Operating Officer in September 2008 and Mr. Vitrano's annual salary upon his appointment as Senior Executive Vice President, Chief Financial Officer and Chief Administrative Officer in September 2008. The Compensation Committee increased the annual salary for Mr. Twomey by three percent for fiscal year 2009 in consideration for his performance as Executive Vice President, Chief Financial Officer. Mr. Twomey subsequently left the Company in September 2008. The Compensation Committee did not increase the annual salary for fiscal year 2009 for Mr. Legault as Chief Administrative Officer, who left the Company in September 2008. The Compensation Committee increased the annual salary for Mr. Easley by five percent for fiscal year 2009 in consideration for his performance as Chief Operating Officer. Mr. Easley subsequently left the Company in September 2008. The Compensation Committee

increased Mr. Donley's annual salary by four percent in fiscal year 2009 based upon his performance as Senior Vice President, Chief Accounting Officer. The Compensation Committee increased Mr. Fiala's annual salary by four percent in fiscal year 2009 based upon his performance as Executive Vice President, Store Operations. The Compensation Committee increased Mr. Sari's annual salary by four percent in fiscal year 2009 based upon his performance as Executive Vice President, General Counsel. Mr. Sari subsequently left the Company on April 8, 2009.

Cash Incentive Bonuses

The Company has established an annual incentive bonus plan in order to incentivize associates to meet the Company's Adjusted EBITDA and customer satisfaction targets for fiscal year 2009. Named Executive Officers, other executive officers and key managers of the Company participate in this cash bonus plan. The bonuses paid for fiscal year 2009 appear in the Summary Compensation Table under the "Non-Equity Incentive Plan Compensation" column. Under the plan, bonus target amounts, expressed as a percentage of base salary, are established for participants at the beginning of each fiscal year. Bonus payouts for the year are then determined by the Company's financial and customer satisfaction results for the year relative to predetermined performance measures. The Compensation Committee considered the following when establishing the awards for fiscal year 2009:

Bonus targets. Bonus targets as a percentage of base salary for each individual were based on job responsibilities, internal relativity, and peer group data. Our objective was to set bonus targets such that total annual cash compensation was within the broad middle range of peer group companies and a substantial portion of that compensation was linked to company performance. Consistent with our executive compensation policy, individuals with greater job responsibilities had a greater proportion of their total cash compensation tied to company performance through the bonus plan. Thus, the Compensation Committee established the following bonus targets for fiscal year 2009 (expressed as a percentage of base salary): Ms. Sammons, 200 percent; Mr. Standley, 125 percent; Mr. Vitrano, 110 percent; Mr. Martindale, 100 percent; Messrs. Fiala and Sari, 60 percent; and Mr. Donley, 50 percent.

Company performance measures. For all participants in the annual incentive bonus plan, including the Named Executive Officers, the Compensation Committee established fiscal year 2009 company performance measures between the minimum (\$1,005 million) and the maximum (\$1,105 million) Adjusted EBITDA targets and the minimum (71%) and maximum (80%) of overall customer satisfaction survey targets. The measures were determined in April 2008, near the beginning of the fiscal year. The Compensation Committee believes that this mix of performance measures encourages associates to focus appropriately on improving both operating results and customer service. The measures are also effective motivators because they are easy to track and clearly understood by associates. Under the plan formula, payouts can range from zero to 200 percent of bonus targets depending on company performance. In establishing the performance target for Adjusted EBITDA and customer satisfaction, the Compensation Committee considered the expected fiscal year 2009 performance of these measures. Although no earnings bonuses were paid in fiscal year 2009, a bonus for improvement in customer satisfaction (calculated based upon achievement of 98.7% of the customer satisfaction survey targets, which equates to a bonus payout equal to 17.2% of the fiscal year 2009 bonus target), was paid to field management and corporate personnel, including the Named Executive Officers, except for Ms. Sammons who declined her bonus in the amount of \$344,000 for fiscal year 2009.

Long-Term Incentive Program

In fiscal year 2009, we employed three forms of long term incentives: performance awards, stock options and restricted stock. For the executive officers, performance awards comprised 60 percent, stock option grants comprised 25 percent, and restricted stock comprised 15 percent of the total

Table of Contents

long-term incentive level established by the Compensation Committee. These incentives foster the long-term perspective necessary for continued success in our business. They also ensure that our leaders are properly focused on shareholder value. Stock options and restricted stock have traditionally been granted broadly and deeply within the organization, with approximately 1,500 management and field associates now participating in our long-term incentive program. In determining the value of grants for executives, the Compensation Committee's overall objective was to set combined grant values of stock options, restricted stock and performance awards that were competitive within the broad middle range of peer company long-term incentive grant amounts. The Compensation Committee's process for setting grant dates is discussed below. Then, on the grant date those values are converted to the equivalent number of shares based on the closing price of the Company's common stock on the date of grant for restricted shares and performance units, and using the Black-Scholes valuation method for stock options.

Grant timing and price. The Compensation Committee's procedure for timing of these grants (performance awards, restricted stock and stock options) provides assurance that grant timing is not being manipulated to result in a price that is favorable to associates. The annual grant date is typically in late June, however, for fiscal year 2009 the grant date for all eligible employees including the Named Executive Officers (approximately 1,500 associates) was changed to early October so that the long-term incentive program could be redesigned to provide for a closer pay for performance alignment, especially for the Named Executive Officers. The Compensation Committee plans to return to a late June grant timing for fiscal year 2010.

For fiscal year 2009, the Compensation Committee decided that total grant values should remain unchanged from the prior fiscal year for each eligible position, having determined that there is appropriate alignment with long-term incentive target levels. In making this determination, the Compensation Committee reviewed available peer group data and found that the design of the long-term incentive program is reasonably aligned with those of the general retail industry market practice. Grant values for individual executive officers were determined by individual performance and internal relativity. Consistent with the Company's compensation philosophy, executive officers at higher levels received a greater proportion of total pay in the form of long-term incentives.

Performance Awards

Performance awards provide the Named Executive Officers and other executives with units, payable in cash if the designated Company performance goals are achieved, aligning interests of executives with those of shareholders. The awards, normally granted annually, are structured as a targeted number of units based on the Company's achievement of specific Adjusted EBITDA levels over a three-year period. The Company granted performance awards for fiscal year 2009 to the Named Executive Officers with possible payouts ranging from zero to 200 percent of the target number of units, depending on Adjusted EBITDA as compared to the target, set annually, for fiscal years 2009, 2010 and 2011. The Adjusted EBITDA target for fiscal 2009 was set at \$1,005 million. The awards are paid in cash at the end of the three-year performance period.

The Compensation Committee approved the terms of the fiscal year 2009 performance awards in October 2008, and took into consideration the following:

Target grant size. As noted above under "Long-Term Incentive Program," performance awards were 60 percent of the total grant values established by the Compensation Committee. The Compensation Committee decided that total grant values should remain unchanged from fiscal year 2008, but the percentage representing long-term performance-based awards should be increased to 60% of such total.

Table of Contents

Company performance measure. As in previous years, the Compensation Committee established the performance measure as Adjusted EBITDA for each fiscal year over a three-year period. The Compensation Committee believes Adjusted EBITDA is an effective motivator because it is closely linked to shareholder value and has the greater ability to be impacted by the executives. In setting the target Adjusted EBITDA for fiscal year 2009, the Compensation Committee considered the expected earnings performance of the Company. Pursuant to the performance plan adopted on June 20, 2006 and based on the Company's attainment of 96% of the combined Adjusted EBITDA target for the 2007, 2008 and 2009 fiscal years, cash performance awards were made in the 2009 fiscal year to senior management, including the Named Executive Officers, except for Ms. Sammons who declined her award in the amount of \$27,446 for fiscal year 2009. Mr. Sari received an award of \$6,099 and Mr. Donley received an award of \$3,344. The other Named Executive Officers were not eligible for this award since they were not employed by the Company for the entire performance cycle. The value of these awards for the eligible Named Executive Officers was based upon the number of performance units earned by each officer multiplied by the closing price of our common stock on April 1, 2009.

Longer-term focus and retention considerations. To enhance the performance awards' incentives for longer-term focus and retention, the awards to Named Executive Officers for fiscal year 2009 are payable in cash that is subject to forfeiture if the executive leaves the Company prior to February 2011 or such later date that Adjusted EBITDA performance for the period is determined, except by reason of death, disability, retirement, or by consent of the Compensation Committee.

Stock Options

Stock options align associate incentives with the interests of shareholders because options have value only if the stock price increases over time. The Company's ten-year options, granted at the market price on the date of grant, help focus employees on long-term growth. In addition, options are intended to help retain key associates because they vest over a four-year period, which also helps keep employees focused on long-term performance. The Company does not reprice options; likewise, if the stock price declines after the grant date, we do not replace options.

The Compensation Committee considered the following in establishing the fiscal year 2009 option grants to executive officers:

Grant size. As noted above under "Equity Incentive Program," stock option grants comprised 25 percent of the total equity grant values (measured in accordance with SFAS No. 123R) established by the Compensation Committee. The total grant values were unchanged from fiscal year 2008, but the percentage representing stock options was decreased to 25% of such total.

Restricted Stock

Restricted stock grants are intended to help retain key associates because they generally vest over a three-year period, which also helps keep employees focused on long-term performance. Combined grants (restricted stock, performance awards and stock options) provide a better balance for executive officers between risk and potential reward as compared to a grant consisting solely of stock options.

The Compensation Committee considered the following in establishing the fiscal year 2009 restricted stock grants to executive officers:

Grant size. As noted above under "Long-Term Incentive Program," restricted stock grants were 15 percent of the total equity grant values (measured in accordance with SFAS No. 123R) established by the Compensation Committee. The total grant values were unchanged from fiscal year 2008, but the percentage representing restricted stock was decreased to 15% of such total.

Post-Retirement Benefits

Supplemental Executive Retirement Plans. The Company has established retirement plans for its executive officers, including the Named Executive Officers, to provide a predetermined benefit upon retirement. Ms. Sammons and Mr. Miller receive benefits under a defined contribution supplemental retirement plan (the "SERP"). Each month, \$20,000 is credited for investment for each of Ms. Sammons and Mr. Miller, respectively. Under the SERP, the participants are able to direct the deemed investment of the amounts by selecting one or more investment vehicles from a group of deemed investments offered pursuant to the plan. These deemed investments are made each month during the term of the participants' service with Rite Aid. Each of Ms. Sammons and Mr. Miller is fully vested at all times in their accounts under the SERP and will receive their vested account balance (or payment in installments in such election was made) upon the earlier to occur of: (i) termination of employment (or service as a director in the case of Mr. Miller) with the Company, including due to death or disability; and (ii) a hardship withdrawal pursuant to the terms of the SERP.

Messrs. Standley, Vitrano, Fiala, Sari, Donley, Easley, Legault and Twomey receive benefits under a defined contribution supplemental executive retirement plan ("Supplemental Plan"), which is different from the plan maintained for Ms. Sammons and Mr. Miller noted above. Under the Supplemental Plan, Rite Aid credits a specific sum to an individual account established for Messrs. Standley, Easley, Vitrano, Legault, Twomey, Fiala, Sari and Donley and other participating executive officers, on a monthly basis while such officer is employed. The amount credited is equal to 2% of the executive officer's annual base compensation, up to a maximum of \$15,000 per month. The participants are able to select among a choice of earnings indexes, and their accounts are credited with earnings which mirror the investment results of such indexes. Annually Rite Aid makes investments for all participants in the Supplemental Plan. Participants vest in their accounts at the rate of 20% per year for each full year of participation in the Supplemental Plan at a five-year rolling rate, provided that the entire account balance for each participant shall vest upon a "change in control" of the Company, as defined in the Supplemental Plan, only if such participant is involuntarily terminated without cause within twelve months of the change in control. Participants will receive their vested account balance upon the earliest to occur of: (i) their retirement at age 60 or greater, with at least five years of participation in the Plan; (ii) termination of employment with the Company (including due to death or disability); and (iii) a hardship withdrawal pursuant to the terms of the Supplemental Plan.

Other Post-Employment and Change in Control Benefits

To attract and retain highly skilled executives and to provide for certainty of rights and obligations, Rite Aid has historically provided employment agreements to its executive officers and certain other key employees. On December 5, 1999, Rite Aid entered into an employment agreement with Ms. Sammons, which was subsequently amended on May 7, 2001, September 30, 2003, October 11, 2006, September 24 2008 and December 30, 2008. On September 24, 2008, Rite Aid entered into an employment agreement with Mr. Standley; on September 24, 2008, Rite Aid entered into an employment agreement with Mr. Vitrano; on June 26, 2007, Rite Aid entered into an employment agreement with Mr. Fiala, which was subsequently amended on December 18, 2008; on February 28, 2001, Rite Aid entered into an employment agreement with Mr. Sari, which was subsequently amended on December 18, 2008; on August 1, 2000, Rite Aid entered into an employment agreement with Mr. Donley, which was subsequently amended on December 18, 2008; on August 20, 2007, Rite Aid entered into an employment agreement with Mr. Easley; on February 2, 2007, Rite Aid entered into an employment agreement, effective as of June 4, 2007, with Mr. Legault; on September 1, 2003, Rite Aid entered into an employment agreement with Mr. Twomey. The terms of the employment agreements are described in more detail under the caption "Executive Employment Agreements." Under Ms. Sammons's employment agreement, any termination of employment by Ms. Sammons within the six month period commencing on the date of a change in control of Rite Aid will be treated as a

termination of employment by the Executive for "good reason," as defined in the agreement. Additional information regarding the severance and change in control benefits provided under the employment agreements is described under the caption "Potential Payments Upon Termination or Change in Control."

Deductibility Cap on Executive Compensation

The Compensation Committee is aware that Section 162(m) of the Internal Revenue Code of 1986, as amended, treats certain elements of executive compensation in excess of \$1,000,000 a year as an expense not deductible by the Company for federal income tax purposes. Payments in excess of the \$1,000,000 limit will be deductible if they meet the definition of "performance-based compensation" as defined in Section 162(m). However, certain payments made to the Named Executive Officers will not qualify as performance-based compensation under Section 162(m). The Compensation Committee reserves the right to pay compensation that may be non-deductible to the Company if it determines that it would be in the best interests of the Company.

Changes to Executive Compensation for Fiscal Year 2010

For fiscal year 2010 (commencing March 1, 2009), base salary for the Named Executive Officers and other executive officers of the Company will remain unchanged from fiscal year 2009. Although the executives performed well on an individual basis, the focus will continue on the potential value that these executives might gain through the performance-based cash incentive bonus and the long-term incentive program. The Compensation Committee supports this salary freeze, which increases the alignment of compensation with Company performance and the objectives of our stockholders.

The performance measures for the cash incentive bonus opportunity for the Named Executive Officers and other executive officers of the Company for fiscal year 2010 will be based solely on the attainment of Adjusted EBITDA thresholds and will not contain a customer satisfaction component or target. Although improvements in customer satisfaction continue to be a focus of the Company, this change more closely aligns compensation with the Company's financial performance goals.

Includes contributions to the supplemental executive retirement plans that were previously disclosed in prior Summary Compensation Tables for Ms. Sammons of \$2,421,200, Mr. Twomey of \$701,000, Mr. Sari of \$642,300 and Mr. Legault of \$0.

Rite Aid established a defined contribution supplemental executive retirement plan for the benefit of Mr. Miller and Ms. Sammons, which is described in Compensation Discussion and Analysis above. Messrs. Standley, Vitrano, Fiala, Sari and Donley receive benefits under a different defined contribution supplemental executive retirement plan, which is also described in the Compensation Discussion and Analysis above.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

As discussed above under the caption "Executive Employment Agreements," the Company has entered into employment agreements with each of the Named Executive Officers. Upon written notice, the employment agreement of each of the Named Executive Officers is terminable by either Rite Aid or the individual officer seeking termination.

If Ms. Sammons is terminated by Rite Aid without "cause" or if she terminates her employment for "good reason" (as such terms are defined in Ms. Sammons' employment agreement), then:

Ms. Sammons will be paid an amount equal to three times the sum of the annual base salary and target bonus; a pro-rated bonus for the fiscal year of termination (determined with reference to the maximum amount payable for such year); and any accrued but unpaid salary and bonus;

Ms. Sammons will be paid the deferred compensation amounts that would otherwise have been credited to her pursuant to the supplemental executive retirement plan (discussed in the Compensation Discussion and Analysis) had she continued employment with Rite Aid through the end of the then-remaining employment period and she will continue to receive medical benefits (or be reimbursed for the cost of such benefits) for life; and

All outstanding stock options will immediately vest and be exercisable for the remainder of their stated terms, the restrictions on outstanding restricted common stock will immediately lapse and any performance or other conditions applicable to any other equity incentive awards will be considered to have been satisfied.

If Ms. Sammons' employment is terminated as a result of her death or "disability" (as such term is defined in her employment agreement), she (or her estate as the case may be) will be entitled to an amount equal to her pro-rated bonus for the fiscal year of termination (determined with reference to the maximum amount payable for such year), and continued medical benefits (or reimbursement for the cost of such benefits) for her life or the life of her spouse, payment of any accrued but unpaid salary and bonus and full vesting of all outstanding stock options, restricted stock and other equity incentive awards (with performance goals being deemed to have been satisfied at targeted levels).

Upon termination of employment for any reason other than "cause" (as such term is defined in her employment agreement), Ms. Sammons is entitled to receive an annual payment following termination and continuing for life (and the life of her spouse) equal to the cost of purchasing medical coverage comparable to the coverage provided to the Company's senior executives immediately prior to such termination, excepting payments for periods that the Company provides such coverage described above.

Pursuant to their employment agreements with the Company, if any of Messrs. Standley, Vitrano, Fiala, Sari, Donley, Easley, Legault and Twomey is terminated by Rite Aid without "cause" or if such

Table of Contents

officer's employment is terminated by the officer for "good reason" (as such terms are defined in the applicable employment agreement), then the officer will be entitled to receive:

an amount equal to two times the sum of the annual base salary and target bonus in severance, a pro-rata bonus for the fiscal year of termination for all officers other than Messrs. Fiala, Easley and Legault and any accrued but unpaid salary and benefits. The severance amount is payable in installments over the two year period following the termination; and

all outstanding stock options will immediately vest and be exercisable, generally, for a period of 90 days following the termination of employment and the restrictions on the restricted common stock will immediately lapse to the extent the options would have vested and restrictions would have lapsed had he remained employed by Rite Aid for two years following the termination.

If Rite Aid terminates any of the Named Executive Officers for "cause," or if any of the Named Executive Officers terminates his or her employment without "good reason" (with the exception of Ms. Sammons, whose termination provision is described above):

Rite Aid shall pay the officer all accrued but unpaid salary and benefits;

any portion of any then-outstanding stock option grant that was not exercised prior to the date of termination shall immediately terminate; and

any portion of any restricted stock award, or other equity incentive award, as to which the restrictions have not lapsed or as to which any other conditions were not satisfied prior to the date of termination shall be forfeited.

If the employment of any of the Named Executive Officers is terminated as a result of death or "disability" (other than Ms. Sammons, whose benefits upon such a termination are described above), the officer will be entitled to receive all accrued but unpaid salary and benefits payable under death or disability benefit plans in which the officer participates, continued health insurance for two years and vesting of an amount of stock options and restricted stock as would have vested had the officer remained employed for two years following the date of termination.

Upon Mr. Easley's ceasing to be employed by the Company in September 2008, he became entitled to receive a total of \$3,307,500 in severance under his employment agreement with us, based on the triggering event of a termination by the Company without cause. As of February 28, 2009, the end of our last completed fiscal year, Mr. Easley had received \$505,817 of this amount, as shown in the "All Other Compensation" column of the Summary Compensation Table. The remainder of this severance amount will be paid to Mr. Easley in substantially equal bi-weekly installments, subject to his compliance with restrictive covenants. Because Mr. Easley was not employed by us as of the end of fiscal year 2009, no table quantifying the potential payments that would have been made based on a termination of employment on the last day of fiscal year 2009 is provided.

Upon Mr. Legault's ceasing to be employed by the Company in September 2008, he became entitled to receive a total of \$3,150,000 in severance under his employment agreement with us, based on the triggering event of a termination by the Company without cause. As of February 28, 2009, the end of our last completed fiscal year, Mr. Legault had received \$460,000 of this amount, as shown in the "All Other Compensation" column of the Summary Compensation Table. The remainder of this severance amount will be paid to Mr. Legault in substantially equal bi-weekly installments, subject to his compliance with restrictive covenants. Because Mr. Legault was not employed by us as of the end of fiscal year 2009, no table quantifying the potential payments that would have been made based on a termination of employment on the last day of fiscal year 2009 is provided.

Upon Mr. Twomey's ceasing to be employed by the Company in September 2008, he became entitled to receive a total of \$1,641,212 in severance under his employment agreement with us, based on the triggering event of a termination by the Company without cause. As of February 28, 2009, the

Table of Contents

end of our last completed fiscal year, Mr. Twomey had received \$310,207 of this amount, as shown in the "All Other Compensation" column of the Summary Compensation Table. The remainder of this severance amount will be paid to Mr. Twomey in substantially equal bi-weekly installments, subject to his compliance with restrictive covenants. Because Mr. Twomey was not employed by us as of the end of fiscal year 2009, no table quantifying the potential payments that would have been made based on a termination of employment on the last day of fiscal year 2009 is provided.

Upon the termination of employment of any of the Named Executive Officers, the officer would generally become entitled to receive a distribution of his or her vested account balance under the nonqualified deferred compensation plans maintained by the Company. Pursuant to applicable tax regulations, any such distributions will generally be delayed for a period of six months following the Named Executive Officer's separation from service. The account balance of each Named Executive Officer is shown in the Nonqualified Deferred Compensation for Fiscal 2009 table, above.

Change in Control Arrangements. Under Ms. Sammons' December 5, 1999 employment agreement, any termination of employment by the executive within the six month period commencing on the date of a "change in control" of Rite Aid (as such term is defined below) will be treated as a termination of employment by the executive for "good reason." On October 11, 2006, Ms. Sammons' Employment Agreement was amended to provide that the Brooks Eckerd Transaction would not trigger the change in control benefits described above.

Under Mr. Standley's employment agreement, upon a change in control, all of his stock options awarded pursuant to his employment agreement and all stock options awarded pursuant to the Company's executive equity program then held by him shall immediately vest and be exercisable. Under Mr. Vitrano's employment agreement, upon a change in control, all stock options awarded pursuant to his employment agreement would immediately vest and be exercisable. Under Messrs. Fiala, Legault and Easley's employment agreements, upon a change in control, all of their stock options awarded pursuant to the employment agreement would immediately vest and be exercisable and any restrictions on restricted stock awarded pursuant to the employment agreement would immediately lapse. Under Mr. Sari's employment agreement, upon a "change in control," all of his stock options held as of the date of his employment agreement would have immediately vested and become exercisable and any restrictions on restricted stock would have immediately lapsed. Under Mr. Twomey's employment agreement, upon a "change in control," any restrictions on restricted stock granted pursuant to his employment agreement would have immediately lapsed.

Each employment agreement provides that the Named Executive Officer will receive an additional payment to reimburse the officer for any excise taxes imposed pursuant to Section 4999 of the Internal Revenue Code, together with reimbursement for any additional taxes incurred by reason of such payments.

The unvested account balance of the supplemental executive retirement plan in which Messrs. Standley, Vitrano, Fiala, Sari, Donley, Easley, Legault and Twomey participate will vest upon a change in control of the Company as defined in the supplemental executive retirement plan, only if such Named Executive Officer is involuntarily terminated without cause within twelve months of the change in control. For more information regarding the supplemental executive retirement plan, refer to the Compensation Discussion and Analysis under the caption "Post-Retirement Benefits."

Mr. Donley has no change in control benefits under his employment agreement, as amended.

Table of Contents

For purposes of the employment agreements with the Named Executive Officers, where applicable, the term "change in control" generally means an acquisition of 25% percent (35% in the case of Messrs. Vitrano and Standley) or more of the Company's combined voting power; the incumbent directors (generally including current directors and future directors whose election or nomination is approved by the Board) ceasing to constitute a majority of the Board; the consummation of a merger or similar transaction, other than (i) such a transaction in which the voting securities outstanding immediately prior to such transaction continue to represent at least 60% of the voting power of the Company immediately after the transaction or (ii) a recapitalization or similar transaction in which no person becomes the beneficial owner of 25% (35% in the case of Mr. Vitrano and Mr. Standley) or more of the Company's combined voting power; or the stockholders approve a plan of complete liquidation or dissolution of the Company.

As described above in the "Potential Payments Upon Termination or Change in Control" narrative, upon a change in control (as defined in the employment agreements), the Named Executive Officers would become fully vested in certain outstanding stock option and restricted stock grants that were not yet vested on the date of the change in control. The value of stock options shown is based on the excess of \$0.28, the closing price of a share of Rite Aid common stock on the last trading day before February 28, 2009, over the exercise price of such options, multiplied by the number of unvested stock options held by the officer. The value of restricted stock shown is determined by multiplying the number of shares of restricted stock that would vest as of February 28, 2009 and \$0.28, the closing price of a share of Rite Aid common stock on the last trading day before February 28, 2009.

AUDIT COMMITTEE REPORT

The Board of Directors has adopted a written charter of the Audit Committee which further describes the role of the Audit Committee. The Audit Committee, among other things, appoints and engages our independent registered public accounting firm and oversees our financial reporting and internal control over financial reporting processes on behalf of the Board. Management has the primary responsibility for our financial statements, our accounting principles and our internal control over financial reporting. Our independent registered public accounting firm is responsible for auditing our financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States. Our independent registered public accounting firm also is responsible for expressing an opinion on the effectiveness of our internal control over financial reporting.

In fulfilling its oversight responsibilities, the Audit Committee met eleven times during fiscal year 2009.

During those meetings the Audit Committee:

Met with our internal auditors and independent registered public accounting firm, with and without management present, to discuss the overall scope and plans for their respective audits, the results of their examinations, their evaluations of our internal control over financial reporting and the overall quality of our financial reporting.

Reviewed and discussed with management and our independent registered public accounting firm, for their respective purposes, the audited financial statements included in our Annual Report on Form 10-K for fiscal 2009. The discussions included the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements and the Annual Report on Form 10-K for fiscal 2009.

Reviewed the unaudited interim financial statements and Forms 10-Q prepared each quarter by the Company.

Received management representations that the Company's financial statements were prepared in accordance with accounting principles generally accepted in the United States of America.

Reviewed and updated the Audit Committee charter.

Reviewed and discussed with our independent registered public accounting firm those matters required to be communicated by the standards of the Public Company Accounting Oversight Board ("PCAOB"), as well as critical accounting policies and practices, alternative accounting treatments, and other material written communications between management and our independent registered public accounting firm, as required by Rule 2-07 of Regulation S-X under the Securities Exchange Act of 1934, as amended.

Discussed with our independent registered public accounting firm the matters required to be discussed by PCAOB AU 380 ("Communication with Audit Committees") and Statement on Auditing Standards No. 114 ("Communication with Audit Committees").

Discussed with our independent registered public accounting firm matters relating to their independence and received the written disclosures and the letter from our independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence. The Audit Committee has considered whether the

Table of Contents

level of non-audit related services provided by our independent registered public accounting firm is consistent with maintaining their independence.

Pre-approved audit, other audit-related and tax services performed by our independent registered public accounting firm.

In addition to pre-approving the audit, other audit-related and tax services performed by our independent registered public accounting firm, the Audit Committee requests fee estimates associated with each proposed service. Providing a fee estimate for a service incorporates appropriate oversight and control of the independent registered public accounting firm relationship. On a quarterly basis, the Audit Committee reviews the status of services and fees incurred year-to-date against pre-approved services and fee estimates.

As outlined in the table below, we incurred the following fees, including expenses billed to the Company for the fiscal years ended February 28, 2009 and March 1, 2008 by our independent registered public accounting firm, Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates.

Description of Fees	Year Ended	
	Feb. 28, 2009	March 1, 2008
	(Amounts in millions)	
Audit Fees , including audit of annual financial statements and reviews of interim financial statements, registration statement filings and comfort letters related to various refinancing activities	\$ 2.8	\$ 3.9
Audit-Related Fees:		
Acquisition due diligence fees and audits of employee benefit plans' financial statements	0.2	0.2
Tax Fees , tax compliance advice and planning	0.4	0.3
Total	\$ 3.4	\$ 4.4

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended February 28, 2009 for filing with the SEC.

Non-Competition Covenant. Jean Coutu Group has agreed that for five years after the closing of the Brooks Eckerd Transaction it will not (other than as a stockholder of Rite Aid and through its designees on Rite Aid's Board of Directors) engage in the retail pharmacy business in the United States or the pharmacy benefits management business in the United States. In a related agreement, Michel Coutu, our Non-Executive Co-Chairman, has agreed that for three years after the closing of the Brooks Eckerd Transaction, he will not (other than as a stockholder of Rite Aid and in his capacity as a Rite Aid director), engage in the retail pharmacy business in the United States or the pharmacy benefits management business in the United States.

Indemnification. The stock purchase agreement provides for indemnification for losses arising from breaches of representations and warranties, breaches of covenants and certain actions relating to

the conduct of the business of Jean Coudu Group (other than Jean Coudu USA). Each party's indemnification obligation for breaches of representations and warranties is subject to a \$35 million deductible and each party's indemnification obligation for breaches of representations and warranties and for breaches of covenants is subject to an aggregate cap of \$450 million. The deductible and cap do not apply to losses arising from or relating to the conduct of the business of Jean Coudu Group. No claim for a breach of a representation and warranty may be brought by either party or included in the aggregate losses for purposes of satisfying the deductible unless it exceeds a minimum threshold of \$10,000.

Jean Coudu Group also has agreed to indemnify Rite Aid for losses arising from pre-closing taxes of Jean Coudu USA, any breaches of tax representations and warranties or breaches of tax covenants and for half of any transfer taxes resulting from the transaction. The deductible and cap do not apply to losses arising from tax matters.

Stockholder Agreement

Concurrently with entering into the stock purchase agreement, Rite Aid, Jean Coudu Group and certain Coudu family members entered into a stockholder agreement. The stockholder agreement contains provisions relating to board and board committee composition, corporate governance, stock ownership, stock purchase rights, transfer restrictions, voting arrangements and other matters.

Board and Board Committee Representation. The stockholder agreement provides that Jean Coudu Group initially will have the right to designate four members of Rite Aid's Board of Directors. Thereafter, Jean Coudu Group will have the right to designate a certain number of director nominees for election to our Board, taking into account Jean Coudu Group designees then serving in a class or classes of directors whose terms are not yet expiring, subject to Jean Coudu Group's maintenance of specified percentage thresholds of Rite Aid total voting power.

Percentage of Total Voting Power	Number of Directors/Director Nominees
25% and above	4
17.9% - 24.9%	3
10.7% - 17.8%	2
5% - 10.6%	1

For so long as Jean Coudu Group is entitled to designate at least two directors and subject to NYSE independence requirements for directors, Jean Coudu Group will have the right to designate one of its designees to each of the Audit, Compensation and Nominating and Governance Committees of the Rite Aid Board. In the event that only one of Jean Coudu Group's designees qualifies as an independent director of Rite Aid, that designee will be appointed to one of the three committees and other Jean Coudu Group designees will be provided "observer status" to attend committee meetings (subject to the committees meeting in executive session) of the other two committees.

Voting Arrangements. The stockholder agreement provides that for a period of five years after the closing of the Brooks Eckerd Transaction, Jean Coudu Group agrees to vote its shares for each Rite Aid director nominee recommended by the Board. Thereafter, Jean Coudu Group will vote its shares for each Rite Aid director nominee it designated and, in its discretion, either for each other Rite Aid director nominee recommended by the Board or for each other Rite Aid director nominee recommended by the Board and for nominees recommended by other persons in the same proportion as votes cast by all other Rite Aid stockholders for those nominees.

Right to Purchase Securities. For so long as Jean Coudu Group owns at least 20% of the total Rite Aid voting power, Jean Coudu Group will have the right to purchase securities in future issuances of Rite Aid voting securities (other than in certain types of issuances described below) to permit Jean

Coutu Group to maintain the same percentage of total voting power it held prior to the issuance. These purchase rights will not apply to issuances of Rite Aid stock in connection with conversions of convertible preferred stock, equity compensation plan awards, acquisitions by Rite Aid, equity-for-debt exchanges and certain other types of issuances. Subject to certain conditions, under circumstances in which Jean Coutu Group is not permitted to purchase voting securities in a Rite Aid issuance of voting securities, Jean Coutu Group will be permitted to make open market purchases of Rite Aid common stock in order to maintain the same percentage of total voting power it held prior to the issuance.

Standstill Restrictions. For so long as Jean Coutu Group (or any Coutu family stockholder or group of Coutu family stockholders) owns at least 5% of the total voting power of Rite Aid and for nine months thereafter, Jean Coutu Group or such Coutu family stockholders or group of Coutu family stockholders will be subject to restrictions on the acquisition of additional Rite Aid voting securities, other than with Rite Aid's consent or through the stock purchase rights discussed above, as well as restrictions on taking certain actions relating to Rite Aid.

Transfer Restrictions. For so long as Jean Coutu Group owns 5% or more of the voting power of Rite Aid's securities and for nine months thereafter, Rite Aid voting securities owned by Jean Coutu Group will be subject to restrictions on transfer included in the stockholder agreement, other than transfers in accordance with Rule 144, in a registered public offering, in connection with a pro rata dividend, spinoff or distribution to Jean Coutu Group stockholders and certain other permitted transfers.

In addition, subject to the foregoing, Jean Coutu Group may not transfer shares to someone who, as a result of the transfer, would own more than 5% of the outstanding shares of Rite Aid common stock.

Supermajority Board Approval. For so long as Jean Coutu Group owns at least 25% of the total voting power of Rite Aid, certain matters will require the approval of two-thirds of all of the Rite Aid Board of Directors, including increases in the number of authorized shares, significant issuances of Rite Aid equity securities, mergers, reorganizations, consolidations or similar business combinations involving Rite Aid, significant asset sales and certain other actions specified in the stockholder agreement.

Registration Rights Agreement

Concurrently with entering into the stock purchase agreement, Rite Aid, Jean Coutu Group and certain Coutu family members entered into a registration rights agreement. Pursuant to the registration rights agreement, subject to certain conditions, Jean Coutu Group has the right, on six occasions, to demand that Rite Aid register shares of Rite Aid common stock held by Jean Coutu Group for resale in an underwritten public offering, provided that the anticipated aggregate offering price would exceed \$100 million or the registration is for at least 25% of the Rite Aid common stock held by Jean Coutu Group. Jean Coutu Group also may request that Rite Aid include those shares in certain registration statements that Rite Aid may file in the future in connection with underwritten offerings.

Transition Services Agreement

Effective as of June 4, 2007, Rite Aid and Jean Coutu Group entered into a transition services agreement consistent with certain principles set forth in the stock purchase agreement. Pursuant to the transition services agreement, Jean Coutu Group provided for a period of up to nine months following the closing date, subject to up to three, three-month extensions, certain transition services, including information technology, network and support services, to Jean Coutu USA to facilitate the transition of the businesses to Rite Aid. The Company has exercised all of the extensions available under the transition services agreement, which terminated in September 2008.

**STOCKHOLDER PROPOSALS FOR
THE 2010 ANNUAL MEETING OF STOCKHOLDERS**

Any stockholder desiring to present a proposal for inclusion in Rite Aid's proxy statement for the 2010 Annual Meeting of Stockholders must deliver the proposal to the Secretary at the address below not later than [January 14, 2010]. Only those proposals that comply with the requirements of Rule 14a-8 under the Exchange Act will be included in Rite Aid's proxy statement for the 2010 Annual Meeting.

In order for proposals of stockholders made outside of Rule 14a-8 under the Exchange Act to be considered "timely" within the meaning of Rule 14a-4(c) under the Exchange Act, such proposals must be received by the Secretary at the address below by March 27, 2010.

Stockholders may present proposals that are proper subjects for consideration at an annual meeting, even if the proposal is not submitted by the deadline for inclusion in the proxy statement. To do so, the stockholder must comply with the procedures specified in Rite Aid's by-laws. The by-laws, which are available on Rite Aid's website at www.riteaid.com under "Our Company Corporate Governance By-Laws" and in print upon request from the Secretary, require all stockholders who intend to make proposals at an annual meeting of stockholders to submit their proposals to the Secretary not fewer than 90 and not more than 120 days before the anniversary date of the previous year's annual meeting of stockholders. The by-laws also provide that nominations for director may only be made by the Board of Directors (or an authorized Board committee) or by a stockholder of record entitled to vote who sends notice to the Secretary not fewer than 90 nor more than 120 days before the anniversary date of the previous year's annual meeting of stockholders. Any nomination by a stockholder must comply with the procedures specified in Rite Aid's by-laws. To be eligible for consideration at the 2010 Annual Meeting, proposals which have not been submitted by the deadline for inclusion in the proxy statement and any nominations for director must be received by the Secretary between February 25, 2010 and March 27, 2010. This advance notice period is intended to allow all stockholders an opportunity to consider all business and nominees expected to be considered at the meeting. All submissions to, or requests from, the Secretary should be made to:

OTHER MATTERS

The Board of Directors knows of no other matters that have been submitted for consideration at this Annual Meeting. If any other matters come before stockholders at this Annual Meeting, the persons named on the enclosed proxy intend to vote the shares they represent in accordance with their best judgment.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Deloitte & Touche LLP served as Rite Aid's independent registered public accounting firm for fiscal year 2009 and Rite Aid's Audit Committee is in the process of negotiating with Deloitte & Touche LLP the terms of an arrangement to audit the consolidated financial statements of the Company and its subsidiaries for fiscal year 2010. A representative of Deloitte & Touche LLP is expected to be present at the Annual Meeting, and the representative will have the opportunity to make a statement and will be available to respond to appropriate questions.

**IMPORTANT NOTICE REGARDING DELIVERY
OF STOCKHOLDER DOCUMENTS**

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy proxy material delivery requirements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is referred to as "householding," potentially provides extra convenience for stockholders and reduces printing and postage costs for companies.

Rite Aid and some brokers utilize the householding process for proxy materials. In accordance with a notice sent to certain stockholders who share a single address, only one copy of this proxy statement is being sent to that address, unless we received contrary instructions from any stockholder at that address. Stockholders who participate in householding will continue to receive separate proxy cards. Householding will continue until you are notified otherwise or until one or more stockholders at your address revokes consent. If you revoke consent, you will be removed from the householding program within 30 days of receipt of the revocation. If you hold your Rite Aid stock in "street name," additional information regarding householding of proxy materials should be forwarded to you by your broker.

However, if you wish to receive a separate copy of this proxy statement, or would like to receive separate proxy statements and annual reports of Rite Aid in the future, or if you are receiving multiple copies of annual reports and proxy statements at an address shared with another stockholder and would like to participate in householding, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares. You can notify us by sending a written request to Rite Aid Corporation, 30 Hunter Lane, Camp Hill, Pennsylvania 17011, Attention: Marc A. Strassler, Secretary, or by calling the Secretary at (717) 975-5833.

ANNUAL REPORT

A copy of Rite Aid's Annual Report on Form 10-K for fiscal year 2009 is being mailed together with this proxy statement to all stockholders entitled to notice of and to vote at the Annual Meeting.
