PROXY STATEMENT

The Board of Directors of Cogent Communications Group, Inc. (the "Company"), a Delaware corporation, is soliciting your proxy on the proxy card enclosed with this Proxy Statement. Your proxy will be voted at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on April 19, 2012, at 9:00 a.m., local time, at the Company's offices at 1015 31st Street, NW, Washington, D.C. 20007, and any adjournment or postponement thereof. This Proxy Statement, the accompanying proxy card and the Company's 2011 Annual Report to Stockholders are first being mailed to stockholders on or about March 10, 2012.

VOTING SECURITIES

Voting Rights and Outstanding Shares

Only stockholders of record on the books of the Company as of 5:00 p.m., February 24, 2012 (the "Record Date"), will be entitled to vote at the Annual Meeting. At the close of business on the Record Date, the outstanding voting securities of the Company consisted of 45,943,892 shares of common stock, par value \$0.001 per share.

Holders of our common stock are entitled to one vote for each share held of record on all matters submitted to a vote of the stockholders. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the Inspector of Elections with the assistance of the Company's transfer agent. The Inspector will also determine whether or not a quorum is present. In general, our Bylaws provide that a quorum consists of a majority of the shares issued and outstanding and entitled to vote, the holders of which are present in person or represented by proxy. Broker non-votes (which occur when a brokerage firm has not received voting instructions from the beneficial owner on a non-routine matter, as defined by under applicable rules and as discussed in greater detail below) and abstentions are counted for purposes of determining whether a quorum is present.

Except in very limited circumstances, the affirmative vote of a majority of the shares having voting power present in person or represented by proxy at a duly held meeting at which a quorum is present is required under the Company's Bylaws for approval of proposals presented to stockholders, including Proposals 1, 2, 3 and 4.

Proxies

The shares represented by the proxies received, properly dated and executed and not revoked will be voted at the Annual Meeting in accordance with the instructions of the stockholders. A proxy may be revoked at any time before it is exercised by:

delivering written notice of revocation to the Company, Attention: Ried Zulager;

delivering a duly executed proxy bearing a later date to the Company; or

attending the Annual Meeting and voting in person.

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

Any proxy that is returned using the form of proxy enclosed and which is not marked as to a particular item will be voted "FOR" the election of directors, "FOR" the ratification of the selection by

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

the Audit Committee of Ernst & Young LLP as independent registered public accountants, "FOR" the approval of an amendment to the 2004 Incentive Award Plan to increase the authorized number of shares of common stock in the plan by 1,200,000, and "FOR" the non-binding approval of the compensation of the Company's named executive officers.

Proposals 1, 3, and 4 are matters considered non-routine under applicable rules. A broker or other nominee cannot vote on these matters without specific voting instructions on non-routine matters, and therefore there may be broker non-votes on Proposals 1, 3, and 4.

Proposal 2 is a matter considered routine under applicable rules. A broker or other nominee may generally vote on routine matters without specific voting instructions, and therefore no broker non-votes are expected to exist in connection with Proposal 2.

Broker non-votes will not be deemed to have voting power and thus will have no effect on voting. However, abstentions will be treated as present and having voting power, and accordingly will have the effect of a negative vote for purposes of determining the approval of Proposals 1, 2, 3, and 4.

The Company believes that the tabulation procedures to be followed by the Inspector are consistent with the general statutory requirements in Delaware concerning voting of shares and determination of a quorum.

The cost of soliciting proxies will be borne by the Company. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, personally or by telephone or email.

**PROPOSAL NO. 1
ELECTION OF DIRECTORS**

Seven directors are to be elected at the Annual Meeting to serve until their respective successors are elected and qualified. Nominees for election to the Board of Directors shall be approved by a majority of the votes cast by holders of our common stock present in person or by proxy at the Annual Meeting, each share being entitled to one vote.

In the event any nominee is unable or unwilling to serve as a nominee, the proxies may be voted for the balance of those nominees named and for any substitute nominee designated by the present Board or the proxy holders to fill such vacancy, or for the balance of those nominees named without nomination of a substitute, or the Board may be reduced in accordance with the Bylaws of the Company. The Board has no reason to believe that any of the persons named will be unable or unwilling to serve as a nominee or as a director if elected.

Set forth below is certain information concerning the seven directors of the Company nominated to be elected at the Annual Meeting:

Dave Schaeffer, age 55, founded our Company in August 1999 and is our Chairman of the Board of Directors, Chief Executive Officer and President. Mr. Schaeffer has been a director since 1999. Mr. Schaeffer serves as both Chairman and CEO because he is the founder of the Company and has successfully led the Company and the board since the Company was founded. Mr. Weingarten is also a member of the board of directors of, Zoove, Inc., and Ooma, Inc. He serves on the compensation committee of each of those companies. Mr. Weingarten has been nominated to continue serving on the Board because of his extensive knowledge of the U.S. venture capital backed companies making use of the Internet. The Board values this insight since Cogent's future growth depends to a great extent on the uses made of the Internet.

Richard T. Liebhaber, age 76, has served on our Board of Directors since March 2006. Mr. Liebhaber was with IBM from 1954 to 1985, where he held a variety of positions. Marc Montagner, age 50, has served on our Board of Directors since April 2010. He is currently Chief Financial Officer at LightSquared. He had been Executive Vice President of Strategy, Development and Distribution at LightSquared earlier. Prior to joining LightSquared in February of 2009, Mr. Montagner was Managing Director and Co-Head of the Global Telecom, Media and Technology Merger and Acquisition Group at Banc of America Securities. The Board recommends a vote "FOR" the election of all nominees named above.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF ERNST & YOUNG LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee of the Board has appointed Ernst & Young LLP as the Company's independent registered public accountants for the fiscal year ending December 31, 2012. Services provided to the Company and its subsidiaries by Ernst & Young LLP in fiscal years 2010 and 2011 are described under "Relationship with Independent Registered Public Accountants Fees and Services of Ernst & Young LLP," below.

We are asking our stockholders to ratify the selection of Ernst & Young LLP as our independent registered public accountants. Although ratification is not required by our Bylaws or otherwise, the Board is submitting the selection of Ernst & Young LLP to our stockholders for ratification as a matter of good corporate practice.

Representatives of Ernst & Young LLP will be available by telephone at the Annual Meeting to respond to appropriate questions and will have the opportunity to make a statement if they desire to do so.

The affirmative vote of the holders of a majority of shares represented in person or by proxy and entitled to vote on this item will be required for ratification. The Board recommends that stockholders vote "FOR" ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accountants for fiscal year 2012. Unless marked otherwise, proxies received will be voted "FOR" the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accountants for 2012.

In the event stockholders do not ratify the appointment, the appointment may be reconsidered by the Audit Committee and the Board. The Company believes that neither the Audit Committee nor the Board is obliged to make any such reconsideration under Delaware law, the rules of the stock exchange on which it is listed, or the rules promulgated by the Securities and Exchange Commission that frame certain specific obligations of the members of all public company audit committees with respect to the selection of independent registered public accountants. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Recommendation of the Board of Directors:

The Board recommends a vote "FOR" the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accountants for 2012.

PROPOSAL NO. 3

AMENDMENT TO INCREASE SHARES IN INCENTIVE PLAN

On October 26, 2011 the Board approved, subject to stockholder approval, the amendment of the Company's 2004 Incentive Award Plan to increase the shares of common stock available for grant under the plan by 1,200,000 shares. As of December 31, 2011 there were 280,040 shares available, for issuance under the 2004 Incentive Award Plan. The principal purpose for increasing the shares available under the 2004 Incentive Award Plan is to allow the Company to continue to use the plan to promote the success of the business and enhance the Company's value by linking the personal interests of employees, consultants and directors to the Company's success and by providing these individuals with an incentive for outstanding performance. The affirmative vote of the holders of a majority of shares represented in person or by proxy and entitled to vote on this item will be required for ratification.

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

The principal features of the 2004 Incentive Award Plan, as amended subject to stockholder approval, are summarized below. The summary below is qualified by reference to the full text of the 2004 Incentive Award Plan, as amended, which is included as Appendix A to this Proxy Statement. If this Proposal 3 is not approved by our stockholders, the amendment to the 2004 Incentive Award Plan will not become effective, but the 2004 Incentive Award Plan will remain in effect in accordance with its present terms.

Summary of the 2004 Incentive Award Plan

General. During 2004, the Company adopted the 2004 Incentive Award Plan to promote the success of the business and enhance the Company's value by linking the personal interests of employees, consultants and directors to its success and by providing these individuals with an incentive for outstanding performance. The 2004 Incentive Award Plan provides for the grant of incentive stock options, nonqualified stock options, restricted stock, stock appreciation rights, dividend equivalent rights, performance-based awards, deferred stock, stock payments and other stock-based awards (collectively, the "Awards"). As of December 31, 2011 280,040 shares remained available for issuance. The proposed amendment of the 2004 Incentive Award Plan would increase the total number of shares available for issuance to 1,480,040. Based on the closing price of the common stock on the NASDAQ on January 31, 2012 of \$15.24 per share, the market value of shares of common stock proposed to be available for issuance under the 2004 Incentive Award Plan would be \$22,555,810.

Prior Increases in Shares Available. In April 2005, the stockholders approved an increase in the number of shares available for grant under the 2004 Incentive Award Plan of 600,000 shares of common stock. In April 2007 the stockholders approved an increase in the number of shares available for grant under the 2004 Incentive Award Plan of 2,000,000 shares. In April 2010 the stockholders approved an increase in the number of shares available for grant under the 2004 Incentive Award Plan of 1,300,000 shares.

Administration. Our board of directors administers the 2004 Incentive Award Plan, unless and until the board of directors delegates administration of the plan to a committee, subject to the limitations set forth in the plan. The CEO has been delegated authority, subject to limits, to make grants to employees other than executive officers.

Eligibility. Awards may be granted to individuals who are then employees, consultants or independent directors of our company or one of our subsidiaries. As of January 31, 2012, we had approximately 630 employees and seven directors, six of whom were independent directors. The number of shares that may be subject to awards granted under the 2004 Incentive Award Plan to any individual in any twelve-month period may not exceed 769,230.

Awards. Each Award is set forth in a separate agreement with the person receiving the award. The Award agreement indicates the type, terms and conditions of the Award.

Nonqualified Stock Options. Nonqualified stock options provide for the right to purchase shares of our common stock at a specified price, which may not be less than the market price of our common stock on the date of grant of the option. Nonqualified stock options may be granted for any term specified in the applicable award agreement that does not exceed ten years and usually become exercisable in one or more installments after the grant date, subject to vesting conditions which may include continued employment or service with us, satisfaction of performance targets and/or other conditions.

Incentive Stock Options. Incentive stock options are designed in a manner intended to comply with the provisions of Section 422 of the Internal Revenue Code, and are subject to specified restrictions contained in the Internal Revenue Code. Incentive stock options have an exercise price of not less than 100% of the fair market value of the underlying share on the date of grant

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

(or 110% in the case of incentive stock options granted to certain significant shareholders). Only employees are eligible to receive incentive stock options, and incentive stock options may not have a term of more than ten years (or five years in the case of incentive stock options granted to certain significant shareholders). Vesting conditions may apply to incentive stock options as determined by the plan administrator and may include continued employment with us, satisfaction of performance targets and/or other conditions.

Restricted Stock. Restricted stock may be granted to any eligible individual and made subject to such restrictions as may be determined by the administrator. Typically, restricted stock may be forfeited for no consideration or repurchased by us if the conditions or restrictions on vesting are not met, and may not be sold or otherwise transferred to third parties until restrictions are removed or expire. Recipients of restricted stock, unlike recipients of options, may have voting rights and may receive dividends, if any, prior to the time when the restrictions lapse.

Restricted Stock Units. Restricted stock units may be awarded to any eligible individual, typically without payment of consideration or for a nominal purchase price, but typically subject to vesting conditions including continued employment or pre-established performance targets. Shares of common stock underlying restricted stock units are not issued until the restricted stock units have vested. Recipients of restricted stock units will have no voting or dividend rights with respect to the underlying shares prior to the time when the shares are issued.

Stock Appreciation Rights. Stock appreciation rights granted under the 2004 Incentive Award Plan typically will provide for payments to the holder based upon increases in the price of our common stock over the base price of the stock appreciation rights. Similar to nonqualified stock options, stock appreciation rights typically become exercisable in one or more installments after the grant date, subject to vesting conditions which may include continued employment or service with us, satisfaction of performance targets and/or other conditions. The plan administrator may elect to pay stock appreciation rights in cash, in common stock or in a combination of both.

Dividend Equivalents. Dividend equivalents represent the value of the dividends, if any, per share paid by us, calculated with reference to the number of shares covered by an Award. Dividend equivalents may be settled in cash or shares and at such times as determined by the plan administrator, subject to certain restrictions set forth in the 2004 Incentive Award Plan.

Other Awards. Performance-based awards, stock payments and other stock-based awards may be granted under the 2004 Incentive Award Plan. The right to vest in these awards generally will be based upon achievement of specific performance targets and these awards may generally be paid in cash or in common stock or in a combination of both.

Limitations on Terms of Grants. Absent approval of the stockholders, no option may be amended to reduce the per share exercise price of shares subject to such option below the per share exercise price as of the date the option is granted, and except as permitted by the 2004 Incentive Award Plan with respect to changes in capital structure, no option may be granted in exchange for, or in connection with, the cancellation or surrender of an option having a higher per share exercise price, nor may an option be exchanged for restricted stock. Restricted Stock, that does not vest on the basis of meeting performance targets shall not vest at a rate that would cause the following vesting schedule to be exceeded: no vesting prior to the first anniversary of the grant; no more than $\frac{1}{3}$ vested on the first anniversary of the grant; no more than $\frac{2}{3}$ vested on the second anniversary of the grant; and full vesting not occurring prior to the end of the third year.

Certain Transactions. In the event of certain transactions and events affecting our common stock, such as stock dividends, stock splits, mergers, acquisitions, consolidations and other corporate transactions, or changes in applicable law, the plan administrator has broad discretion to adjust the provisions of the 2004 Incentive Award Plan and the terms and conditions of existing and future Awards, including with respect to the aggregate number and type of shares subject to the 2004 Incentive Award Plan and Awards granted pursuant to the 2004 Incentive Award Plan, to prevent the dilution or enlargement of intended benefits and/or facilitate such transactions or events or give effect to such changes in applicable law. In the event of a change in control where the acquiror does not assume or replace Awards granted under the 2004 Incentive Award Plan, such Awards will be subject to accelerated vesting so that 100% of such Awards will become vested and exercisable or payable, as applicable. Award agreements may also provide for accelerated vesting or payment, as applicable, upon certain events. A change of control is defined for purposes of the 2004 Incentive Award Plan to mean, generally, a transaction after which the current stockholders of the Company have less than 50% of the stock of the surviving entity or a sale or other disposition of all or substantially all of the assets of the Company.

Amendment and Termination of the 2004 Incentive Award Plan. Our board of directors or a duly authorized committee may terminate, amend or modify the 2004 Incentive Award Plan. However, stockholder approval of any amendment to the 2004 Incentive Award Plan will be obtained (i) to the extent necessary and desirable to comply with any applicable law, regulation or stock exchange rule, (ii) for any amendment to the 2004 Incentive Award Plan that increases the number of shares available under the 2004 Incentive Award Plan (other than any adjustment as provided by the plan with respect to changes in capital structure), or (iii) for any amendment to the 2004 Incentive Award Plan that permits the plan administrator to extend the exercise period of an option beyond ten years from the date of grant. Absent approval of the stockholders, no option may be amended to reduce the per share exercise price of shares subject to such option below the per share exercise price as of the date the option is granted, and except as permitted by the plan with respect to changes in capital structure, no option may be granted in exchange for, or in connection with, the cancellation or surrender of an option having a higher per share exercise price, nor may an option be exchanged for restricted stock. If not terminated earlier by the board of directors or a duly authorized committee thereof, the 2004 Incentive Award Plan expires ten years after the earlier of the date the plan was approved by our stockholders or the date the 2004 Incentive Award Plan was approved by the board of directors.

U.S. Federal Income Tax Consequences. Generally, there are no tax consequences to the Company or the optionee by reason of the grant of an option. With respect to nonqualified stock options, our company is generally entitled to deduct, and the optionee recognizes, taxable income in an amount equal to the difference between the option exercise price and the fair market value of the shares at the time of exercise. With respect to incentive stock options, if applicable holding period requirements are met, the optionee will not recognize taxable income at the time of exercise. However, the excess of the fair market value of the common stock received over the option price is an item of tax preference income potentially subject to the alternative minimum tax. If stock acquired upon exercise of an incentive stock option is held for a minimum of two years from the date of grant and one year from the date of exercise, the gain or loss (in an amount equal to the difference between the fair market value on the date of sale and the exercise price) upon disposition of the stock will be treated as a long-term capital gain or loss and our company will not be entitled to any deduction. If the holding period requirements are not met, the incentive stock option will be treated as one which does not meet the requirements of the Code for incentive stock options and the tax consequences described for nonqualified stock options will apply.

The current U.S. federal income tax consequences of other Awards authorized under the 2004 Incentive Award Plan generally follow certain basic patterns: stock appreciation rights are taxed and deductible in substantially the same manner as nonqualified stock options; nontransferable restricted

stock subject to a substantial risk of forfeiture results in income recognition equal to the excess of the fair market value over the price paid, if any, only at the time the restrictions lapse (unless the recipient elects to accelerate recognition as of the date of grant); performance-based awards, deferred stock, stock payments and other stock-based awards are generally subject to tax at the time of payment. Compensation otherwise effectively deferred is taxed when paid. In each of the foregoing cases, the Company will generally have a corresponding deduction at the time the participant recognizes income, subject to deductibility limitations set forth in Section 162(m) of the Internal Revenue Code with respect to covered employees.

New Plan Benefits

The future benefits or amounts that will be received by or allocated are not determinable. Future benefits or amounts to be received by or allocated will be determined by future action of the Compensation Committee and the Board of Directors.

Recommendation of the Board of Directors:

The Board recommends a vote "FOR" the ratification of Amendment to the 2004 Incentive Award Plan to increase the authorized number of shares in the plan by 1,200,000.

PROPOSAL NO. 4 ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with the requirements of Section 14A of the Securities Exchange Act of 1934, we are asking stockholders to approve the following advisory resolution at the 2012 Annual Meeting of Stockholders:

RESOLVED that the Company's stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company's Proxy Statement for the 2012 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the 2011 Summary Compensation Table and the other related tables and disclosure.

Although the stockholder's vote is advisory and non-binding upon our Board of Directors, our Board will take your vote into consideration when making future decisions regarding executive compensation. However, our Board of Directors and the Compensation Committee will retain full responsibility for determining the final compensation of the executive management of the Company.

The affirmative vote of the holders of a majority of shares represented in person or by proxy and entitled to vote on this item will be required for approval.

As described in the Compensation Discussion and Analysis section of this Proxy Statement, the Company's executive compensation is designed to attract, reward and retain the executives of our Company in order to achieve our Company's corporate goals and to align the interests of the executives with the long-term interests of our stockholders.

At the Company's annual meeting in 2011 the stockholders did not approve the compensation of the named executive officers. Based on the views expressed by several stockholders this occurred because the Board cancelled options and replaced them with restricted stock for one of the named executive officers. The Board and Compensation Committee do not intend to do so again. The Board has amended the 2004 Incentive Plan to prohibit such actions as well as to prohibit the re-pricing of options that have a strike price below the current price of the Company's stock ("underwater options") unless such action is approved the stockholders.

The Board urges stockholders to carefully read the "Compensation Discussion and Analysis" section of this Proxy Statement, which describes in more detail our executive compensation policies and procedures, as well as the Summary Compensation Table and other related compensation tables and the narrative discussion.

Recommendation of the Board of Directors:

The Board recommends a vote "FOR" the resolution set forth above thereby approving the compensation of the named executive officers.

THE BOARD OF DIRECTORS AND COMMITTEES

The Board of Directors met five (5) times during 2011 and acted once by unanimous written consent. Each director, during his term as director, attended at least 75% of the meetings of the Board. Each director, during his term as director, attended at least 75% of the meetings of the committees of the Board of which he was a member. The independent directors met four (4) times. All of the directors except Mr. Margalit attended the annual meeting of stockholders. During 2011, the Board had a standing Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee.

Mr. Schaeffer serves as CEO and Chairman of the Board of Directors. He is the founder of the Company and owns approximately 6% of the Company's stock. His dual role was established 11 years ago when he founded the Company. The Board believes that at the Company's current stage of growth the Board is best served by a chairman who is involved with the Company on a full-time basis and is therefore able to bring great depth of knowledge about the Company to this role. The Board does not have a designated lead independent director.

The Board's role in the Company is to provide general oversight of strategy and operations. As part of its oversight of operations it reviews the performance of the Company and the risks involved in the operations of the Company. The Board and the Audit Committee receive regular reports on the status of the Company's internal controls and each has reviewed key operational risks. The Board's risk oversight role has no effect on its leadership structure as all directors other than Mr. Schaeffer are independent directors and therefore have no conflict that might discourage critical review.

Nominating and Corporate Governance Committee

We established our Nominating and Corporate Governance Committee in April 2005. During all of 2011 the members of this committee were Messrs. Brooks (Chairman), Montagner and Margalit, each of whom are independent members of our Board. Our Board has adopted a charter governing the activities of the Nominating and Corporate Governance Committee. The charter of the Nominating and Corporate Governance Committee may be found on the Company's website under the tab "About Cogent; Investor Relations; Corporate Governance" at www.cogentco.com. Pursuant to its charter, the Nominating and Corporate Governance Committee's tasks include assisting the Board of Directors in identifying individuals qualified to become Board members, recommending to the Board director nominees to fill vacancies in the membership of the Board as they occur and, prior to each annual meeting of stockholders, recommending director nominees for election at such meeting.

The Nominating and Corporate Governance Committee seeks diversity in the membership of the Board. It does not have formal objective criteria for determining the amount of diversity needed or present on the Board. Instead it and the Board seek candidates with a range of experience. Board candidates are considered based upon various criteria, such as skills, knowledge, perspective, broad business judgment and leadership, relevant specific industry or regulatory affairs knowledge, business creativity and vision, experience, and any other factors appropriate in the context of an assessment of the committee's understood needs of the Board at that time. In addition, the Nominating and

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

Corporate Governance Committee considers whether the individual satisfies criteria for independence as may be required by applicable regulations and personal integrity and judgment. Accordingly, the Company seeks to attract and retain highly qualified directors who have sufficient time to attend to their substantial duties and responsibilities to the Company.

The Nominating and Corporate Governance Committee has the sole authority to retain, compensate, and terminate any search firm or firms to be used in connection with the identification, assessment, and/or engagement of directors and director candidates. No such firm has been retained by the Company in the past.

The Nominating and Corporate Governance Committee considers proposed nominees whose names are submitted to it by stockholders; however, it does not have a formal process for that consideration. The Company has not to date adopted a formal process because it believes that the informal consideration process has been adequate. The committee intends to review periodically whether a more formal policy should be adopted. If a stockholder wishes to suggest a proposed name for committee consideration, the name of that nominee and related personal information should be forwarded to the Nominating and Corporate Governance Committee, in care of the Secretary, at least three months before the next annual meeting to ensure meaningful consideration by the Nominating and Corporate Governance Committee. See also "Stockholder Proposals" for Bylaw requirements for nominations.

The Nominating and Corporate Governance Committee had three (3) formal meetings in 2011; all meetings were held in conjunction with a meeting of the full board to accommodate the views of all members of the Board of Directors concerning its membership and constitution.

Stockholder Communication with Board Members

Although the Company has not to date developed formal processes by which stockholders may communicate directly to directors, it believes that the informal process, in which stockholder communications that are received by the Secretary for the Board's attention, or summaries thereof, are then forwarded to the Board has served the Board's and the stockholders' needs. During 2011, several institutional investors communicated with the Board in this fashion. The investor letters were subsequently addressed by direct communications with representatives of the investors and a member of the Board with responsibility for the topics addressed by the investors, and the full Board was apprised of the conversations. Accordingly, the Board considers that an effective and well established traditional means of receiving communications from stockholders currently exists. In view of Securities and Exchange Commission, or SEC, disclosure requirements relating to this issue, the Nominating and Corporate Governance Committee may consider development of more specific procedures. Until any other procedures are developed and posted on the Company's corporate website at www.cogentco.com, any communications to the Board should be sent to it in care of the Secretary.

Code of Conduct

The Company's Code of Conduct may be found on the Company's website under the tab "About Cogent; Investor Relations; Corporate Governance" at www.cogentco.com.

Board Member Attendance at Annual Meetings

The Company encourages all of its directors to attend the Annual Meeting of Stockholders. The Company generally holds a Board meeting coincident with the Annual Meeting to minimize director travel obligations and facilitate their attendance at the Annual Meeting.

Director Independence

Nasdaq Marketplace Rules require that a majority of the Board be independent. No director qualifies as independent unless the Board determines that the director has no direct or indirect relationship with the Company that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In assessing the independence of its members, the Board examined the commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships of each member. The Board's inquiry extended to both direct and indirect relationships with the Company. Based upon both detailed written submissions by its members and discussions regarding the facts and circumstances pertaining to each member, considered in the context of applicable Nasdaq Marketplace Rules, the Board has determined that all of the directors nominated for election, other than Mr. Schaeffer, are independent.

Audit Committee

The Audit Committee is established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). During all of 2011 the members of this committee were Messrs. Liebhaber (Chairman), Bath and Montagner, each of whom is independent as the term "independence" is defined in the applicable listing standards of Nasdaq and Rule 10A-3 under the Exchange Act. The Board has determined that each of Messrs. Liebhaber, Bath and Montagner qualifies as a financial expert, as that term is defined in the Exchange Act. The responsibilities of this Audit Committee include:

the appointment, compensation, retention and oversight of our independent registered public accountants;

reviewing with our independent registered public accountants the plans and results of the audit engagement;

pre-approving professional services provided by our independent registered public accountants;

reviewing our critical accounting policies, our Annual and Quarterly reports on Forms 10-K and 10-Q, and our earnings releases;

reviewing the independence of our independent registered public accountants; and

reviewing the adequacy of our internal accounting controls and overseeing our ethics program.

The Audit Committee met six (6) times during 2011. The charter of the Audit Committee may be found under the tab "About Cogent; Investor Relations; Corporate Governance" at www.cogentco.com.

Audit Committee Report

To the Board of Directors:

We have reviewed and discussed with management the Company's audited consolidated financial statements as of and for the year ended December 31, 2011.

We have discussed with the independent registered public accountants, Ernst & Young LLP, the matters required to be discussed with us by the American Institute of Certified Public Accountants, the Securities and Exchange Commission, the Nasdaq Stock Market and the Public Company Accounting Oversight Board, including those required by the Statement on Auditing Standards No. 61, as amended.

We have received and reviewed the letter from Ernst & Young LLP required by the Public Company Accounting Oversight Board, and have discussed with Ernst & Young LLP their independence, including the written disclosures and letter required by Rule 3526 of the Public Company Accounting Oversight Board.

Based on the reviews and discussions referred to above, we recommended to the Board of Directors that the audited consolidated financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2011 for filing with the Securities and Exchange Commission. The Board of Directors caused the Form 10-K to be so filed.

Audit Committee:

Richard T. Liebhaber
Marc Montagner
D. Blake Bath

Compensation Committee

During 2011 the Compensation Committee consists of Messrs. Bath, Margalit and Weingarten, each of whom is independent as the term "independence" is defined in the applicable listing standards of Nasdaq. Mr. Bath was chairman of the Compensation Committee. On February 21, 2012 the Board appointed Mr. Brooks to replace Mr. Bath on the committee and designated Mr. Margalit as chairman. The Compensation Committee is responsible for determining compensation for our executive officers and other employees, and administering our compensation programs. The Compensation Committee had four (4) formal meetings in 2011 and did not act by unanimous written consent. In 2011 the functions of the Compensation Committee were largely undertaken by the full Board during closed executive session meetings held in conjunction with regularly scheduled in-person meetings of the Board. Salary and equity compensation awards for all of the executive officers and key employees of the Company listed in this proxy statement were considered during these meetings and Mr. Schaeffer was absent from any discussions concerning his compensation. The charter of the Compensation Committee is available under the tab "About Cogent; Investor Relations; Corporate Governance" at www.cogentco.com.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Compensation Committee of the Board of Directors is responsible for determining compensation changes for senior officers and employees in general. The Chief Executive Officer participates in the decision making by making recommendations to the committee. After informal discussion among the committee members and the CEO, recommendations for compensation changes are voted upon by the committee and the Board of Directors. The compensation changes take the form of specific amounts for the CEO and other executive officers and general guidelines for use by the CEO in determining compensation for other employees. Compensation changes are developed based upon the understanding of the CEO and the committee of the compensation of officers and employees in similar companies and the performance of the individual officers. Neither the CEO nor the committee has retained any third party consultants or engaged in any formal comparison of compensation at the Company to compensation at other companies.

The method of compensation decision making employed by the Company does not lend itself to extensive analytical and quantitative disclosure. Most of the analysis that goes into compensation determinations is simply the subjective business judgment of the Company's CEO and the Board of Directors. Cogent is a small company, with approximately 600 employees, half of whom are sales people. Its compensation structure is simple, consisting of salary, commissions for sale employees, small cash bonuses, and grants of options and restricted stock that vest over time. Accordingly, the

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

compensation decisions do not involve extensive analysis, but rather are based on the judgment of the Company's Board of Directors, its Compensation Committee, and its CEO, based on their experience, described below.

Each member of the Compensation Committee has extensive personal experience with the determination of executive compensation. Blake Bath, the chairman of the committee during 2011, was an equity research analyst for 14 years and was involved with dozens of early stage telecommunication and Internet companies that subsequently became public companies. As such, he reviewed the compensation of numerous senior executives, including the compensation of the founding CEOs of these companies. Erel Margalit, who became chairman in February 2012, is the founder of one of the venture capital funds that provided the Company with its initial investment and has managed venture capital funds for 15 years. During this time period, he has helped foster the growth of more than 60 companies in the U.S., Israel and Europe and has participated in the determination of CEO and executive compensation in dozens of cases. He was involved in the initial funding of the Company when the CEO's compensation was initially determined. Timothy Weingarten has been a venture capitalist for eight years. The funds with which he is affiliated were some of the initial investors in the Company when it was founded. He has served on the Board of Directors of seven companies in which the funds with which he is affiliated have invested. Serving on these boards he has participated in setting compensation for CEOs and other executives. The funds with which he is affiliated have invested in close to 100 companies. The fund managers have regularly discussed and debated executive compensation in the context of the decision of the funds to invest in these companies. He is also familiar with these issues in his role as CEO at several start-up companies. Steven Brooks' past service on numerous public company boards has included membership in a number of compensation committees. Additionally, as managing partner of Broadview Capital Partners, a private equity firm, for more than ten years, Mr. Brooks was regularly involved in discussing and setting executive compensation in more than a dozen companies, including Cogent.

With their combined experience as a starting point, the members of the Compensation Committee have considered the proposed compensation of the named executive officers. They have shared their views, based on their experience, with one another and come to a consensus decision on the proper level of compensation. The ultimate decision is a synthesis of each member's experience and views on proper compensation levels.

The combined experience of the members of the committee along with the non-management board members, having seen hundreds of executives in start-up and other companies has given them a sense of the compensation that executives at various levels expect and the amount that must be paid to maintain a motivated executive who will not seek other employment. The Compensation Committee relies on this experience in determining that the awards granted to management are sufficient to retain the named executive officers and are comparable to compensation received by management at similar companies.

The compensation philosophy of the CEO and the committee is to pay reasonable salaries in light of the perceived market for the skills of each individual hired, to avoid offering any perquisites (such as automobiles, club dues, etc.), to pay cash bonuses from time to time related to specific events, and to make equity grants that vest over time. The Company believes that this philosophy has been successful in recruiting and retaining its management team as evidenced by the Company's success and the low management turnover.

The compensation of the CEO was originally determined in negotiations with the managers of the venture capital funds that initially invested in the Company in February 2000. At the same time he entered into an employment agreement that governs various aspects of his employment. His employment agreement is described below. The compensation of subsequently hired executive officers was determined in negotiations between the CEO and such executive officers and in consultation with

the Board of Directors and the Compensation Committee. Subsequent adjustments to the compensation of executive officers have been made based upon the recommendation of the CEO after consultation with the Compensation Committee in the manner described above. Any change to any aspect of the compensation of the CEO is approved by the Board of Directors, excluding the CEO, upon recommendation from the Compensation Committee.

The Company's current executive compensation program is composed primarily of salary paid in cash, bonuses paid in cash, and restricted stock. All Company executive officers also participate in the Company's benefit programs, including the Company's 401(k) plan and its medical, dental and other benefits plans, on the same basis as other employees. Changes in all elements of compensation for all executive officers, including the CEO, have generally arisen from informal discussions among the CEO and the directors followed by formal recommendations by the CEO to the Compensation Committee and the Board of Directors.

The Company's compensation components in 2011 were the same as in prior years salary, cash bonus, and restricted stock. Changes in salaries over the years have been made on the basis of changes in responsibility and compensation for inflation. Cash bonuses have not been a significant part of compensation. Restricted stock that vests over time has been used by the Compensation Committee to motivate the executives and link their interests to those of the stockholders. The elements are each viewed independently: salary increases to partially offset inflation; bonuses awarded primarily based on the CEO's and the Compensation Committee's subjective analysis of an employee's contributions and the Company's performance; and equity awards to motivate employees and align their interest with stockholders.

Salary

The Compensation Committee periodically reviews the compensation of the Company's CEO and each executive officer and, based on recommendations from the CEO, determines the compensation for each executive. In recent years the Company has given raises to all employees to partially compensate for general inflation. Specific executive officers have been given additional raises based on the officer's increased responsibilities as the Company has grown. The CEO and the committee members have determined the amount of these raises based on their experience as managers and directors without reference to studies or consultants. Consistent with its policy the Compensation Committee and the Board of Directors granted as of January 1, 2011 senior officers the same 1.0% salary increase granted to other employees. Effective January 1, 2012, the senior officers and other employees were granted a 2.0% salary increase.

Bonus and Commissions

The Company's executive officers and employees have received cash bonuses based on accomplishing certain goals, and the subjective judgment of the Compensation Committee and the Board. The Compensation Committee and the Board of Directors have made specific awards to the CEO and others, specified the maximum amounts for awards made by the CEO to executive officers other than himself, and determined the bonus pools for awards to non-executive employees. Subject to these limitations the Board has authorized the CEO to make bonus grants to executive officers and employees (other than the CEO). The CEO has also authorized specific cash bonuses to certain employees and officers for performance based on a qualitative assessment of performance. In all cases the Compensation Committee and the Board (without the CEO present) have reviewed and approved any bonus for the CEO. (No bonus has been awarded to the CEO since 2006.)

The Company's Chief Revenue Officer and Vice President of Global Sales, Jeff Karnes, is paid commissions once a quarter based on the achievement of the entire sales organization against a revenue quota for that quarter. The revenue quota for the entire sales organization is the sum of

quotas assigned to each sales office. Within each sales office each sales person has a revenue quota assigned to him or her. The quota is an amount of revenue from new customers that the sales person is supposed to deliver. Salespersons are paid a commission based on the percentage of quota each achieves. Revenue, for the purpose of the quota and commission calculation, is the expected revenue from customers that have had the Company's service (Internet access and related services) installed during the relevant period. Revenue includes monthly recurring revenue and a portion of non-recurring revenue, such as installation charges. Mr. Karnes' revenue quota is based on the sum of the quotas for all sales offices. If the revenue generated by the entire sales organization for the quarter is 100% of Mr. Karnes' revenue quota, he will receive 100% of \$15,000. If the percentage is more or less he receives a proportionally lesser or greater amount. For example if revenue were at 50% of his quota for the quarter, then he would be paid 50% of \$15,000, or \$7,500. If revenue were 200% of his quota he would receive \$30,000.

Options and Restricted Stock

The Company has made awards of options and restricted stock to employees to align their interests with the interests of the Company's stockholders. Awards are not timed to material company events. The exercise price of the option awarded to an employee is the price of Company's common stock on the NASDAQ market on the grant date (fair market value).

Vesting of options and restricted stock is based on continued employment with acceleration of vesting upon a change of control or, for some awards, if the executive is discharged other than for cause or resigns for good cause. Awards to senior officers are determined by the Compensation Committee and/or the full Board of Directors as appropriate, taking into account such factors as the nature of the participant's responsibilities and the business priorities of the Company. Awards to employees other than senior officers are made by the CEO pursuant to general guidelines established by the Compensation Committee and the Board. The restricted stock granted to our executive officers fully vests upon a change of control, even if the officer is not discharged. A change of control is defined as a transaction after which the current stockholders of the Company have less than 50% of the stock of the surviving entity, for example, a merger, sale of substantially all of the assets of the Company, or similar transaction. Permitting the officers to become fully vested upon a change of control and allowing this to occur without the executive being discharged provides, in the view of the Board of Directors, an incentive for the executives to pursue a transaction that could be beneficial for the stockholders even though the change of control would create uncertainty with respect to the future of each officer.

The intent of the Compensation Committee has been to use the awards of restricted stock and options to align the interests of management with the interests of the stockholders. The size of these awards was based primarily on the Compensation Committee's subjective experience with awards to CEOs that are the founder of the company and to other executives hired to build a start-up company. The Compensation Committee's intent has been to make awards that are sufficient to retain the executives and that are comparable to the compensation received by management in other, similar companies. The awards of restricted stock made by the Compensation Committee and the Board of Directors continue this practice. The stock vests over a period of years to provide an incentive for the executives to stay with the company.

Mr. Schaeffer's stock awards have been substantially greater than the awards given to other executive officers. He was the founder of the Company and has been its CEO since inception. The Compensation Committee regards him as critical to the future prospects of the Company. Not only was he the founder of the Company but he has been primarily responsible for hiring every member of management, has led all of the Company's capital raising activities, and has actively managed the Company for its entire history. The size of the award was based primarily on the business experience of

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

the Compensation Committee members with respect to the size of the ownership position of a founder and CEO.

In 2011, the Board and the Compensation Committee made an award of restricted stock to the CEO. The award consisted of restricted stock that vests over time. This award is detailed in the Summary Compensation Table and other tables below. None of our other named executive officers received equity-based awards during 2011.

The "burn rate" at which the Company has awarded stock and options to employees, including the named executive officers, in the last three years is set out below. The "burn rate" is the sum of stock and option awards granted divided by the number of shares of stock outstanding.

(shares in thousands)	2011	2010	2009	TOTAL	AVERAGE
Options granted	47	43	65	155	52

Performance Shares

In April 2010 the Committee and the Board made grants to the executive officers other than the CEO of restricted stock that would vest upon the attainment of financial goals for 2010, 2011, and 2012. There were three goals – grow revenue by 15% each year, maintain EBITDA margin at not less than the prior year, and hold capital expenditures to less than 21% of revenue for each year. All goals had to be met in order to receive any award. A portion of the restricted stock grants made to the CEO were made subject to accelerated vesting if these same goals were met. In November 2010 the goals for 2010 for the executive officers other than the CEO were modified by reducing the maximum possible award to 70% of the amount originally authorized and allowing the reduced award to be earned by achieving the EBITDA margin and capital expenditure goals. Also in November 2010 the Board and the Committee decided to revise the goals for 2011 after reviewing the characteristics of performance plans for other similar companies. Based on the discussions in November 2010 and information on the characteristics of other company's plans, in February 2011 the goals for 2011 for the executive officers other than the CEO were implemented by eliminating the capital expenditures goal, establishing the revenue and EBITDA margin goals and allowing for reduced awards if the goals were only partially attained. Specifically, the goals for 2011 were set as follows:

The number of performance shares received shall be calculated on a weighted basis with 50% weight given to revenue growth performance and 50% weight given to EBITDA margin, as adjusted (percentage) growth.

The revenue growth component shall be calculated by comparing revenue in 2010 to revenue in 2011 in constant U.S. dollars by using for both 2011 and 2010 the average currency exchange rate for 2010. The value assigned to the revenue growth component shall be: zero if growth is less than or equal to 10.0%, 75% if growth is greater than 10.0% but less than or equal to 12.5%, and 100% if growth is greater than 12.5%.

The EBITDA margin (percentage), as adjusted, component shall be calculated by comparing EBITDA margin (percentage) in 2010 to the EBITDA margin (percentage) in 2011. The value assigned to the EBITDA margin growth component shall be: zero if the EBITDA margin

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

(percentage) increased by less than or equal to 1.0%, 75% if the EBITDA margin (percentage) increased by greater than 1.0% but less than or equal to 2.0%, and 100% if the EBITDA margin (percentage) increased by greater than 2.0%.

The executive officers other than the CEO vested in the following performance shares of stock in 2011 and 2012:

	Shares vested in 2011 for performance in 2010(a)	Shares vested in 2012 for performance in 2011
Thaddeus Weed	8,400	12,000
Robert Beury	5,040	7,200
Jeff Karnes	5,040	7,200
Mark Schleifer(b)	5,040	0
Timothy O'Neill	5,040	7,200

- (a) The amounts are 70% of the initial maximum award.
- (b) Mr. Schleifer left the Company on December 2, 2011 and forfeited his award for 2011.

No acceleration of vesting of the awards to the CEO occurred because all of the original goals (set in April 2010) were not met.

The goals set in April 2010 for performance in 2012 remain unchanged. It is unlikely that they will be achieved.

Response to 2011 Say on Pay Vote

At the Company's annual meeting in 2011 the stockholders did not approve the compensation of the named executive officers. Based on the views expressed by several stockholders this occurred because the Board cancelled options and replaced them with restricted stock for one of the named executive officers. The Board and Compensation Committee do not intend to do so again. The Board has amended the 2004 Incentive Plan to prohibit such actions as well as to prohibit the re-pricing of options that have a strike price below the current price of the Company's stock ("underwater options") unless such action is approved the stockholders.

Severance and Change of Control Compensation

Each of the senior managers is entitled to receive 6-12 months of salary and, in certain cases, acceleration of vesting in restricted stock in the event of discharge or a change of control. The specific amounts that each executive officer would receive are described below in the section titled "Employment Agreements and Other Potential Post-Employment Payments." The Compensation Committee and the Board believe such termination arrangements are necessary to secure and retain the services of experienced managers. Such arrangements are typical for executives. They serve a purpose in that they encourage executives to be receptive to changes, such as sale of the company or management changes, that benefit the company though they may place an individual executive at risk.

Tax Deductibility of Compensation

Section 162(m) of the U.S. Internal Revenue Code limits the Company's federal income tax deduction for certain executive compensation in excess of \$1,000,000 paid to the Chief Executive Officer and the three other most highly compensated executive officers (excluding the Chief Financial Officer). The awards made to the CEO will cause his compensation to exceed \$1,000,000 in most years and such compensation will not be fully deductible for federal income tax purposes.

Summary Compensation Table

The following table sets forth the cash and non-cash compensation paid or incurred on our behalf to our Chief Executive Officer, our principal financial officer, and each of our three other most highly compensated executive officers, or our named executive officers, whose annual compensation equaled or exceeded \$100,000 for the year three years ended December 31, 2011.

Except as otherwise noted, amounts represent the grant date fair value of stock awards computed in accordance with FASB Accounting Standards Codification 718. For additional information regarding the assumptions used in determining these values, see Note 8 to our consolidated financial statements including in our Annual Report on Form 10-K for the year ended December 31, 2011.

In January 2011 and January 2012 the executive officers received a 1.0% and 2.0%, respectively salary increase which was the same percentage increase that was granted to all employees. This was intended simply to compensate (partially) for inflation.

Grants of Plan-Based Awards in Fiscal 2011

Mr. Schaeffer received a grant of restricted stock in February 2011. The award will vest on February 1, 2014. The table and footnote below detail the award. Mr. Karnes' commission has been paid on a continuing basis since he was hired. Mr. Karnes' revenue quota is based on the sum of the quotas for all sales offices. If the revenue generated by the entire sales organization for the quarter is 100% of Mr. Karnes' revenue quota, he will receive 100% of \$15,000. If the percentage is more or less he receives a proportionally lesser or greater amount. For example if revenue were at 50% of his quota for the quarter, then he would be paid 50% of \$15,000, or \$7,500. If revenue were 200% of his quota he would receive \$30,000.

Employment Agreements and Other Potential Post-Employment Payments

Each of Messrs. Schaeffer, Weed, Beury, Karnes, O'Neill, and Schleifer have entered into an employment agreement with us. Among other things, these agreements and the terms of the grants of options and restricted stock provide for certain benefits upon change of control, termination of employment without cause and resignation for "good reason". The agreements are as follows:

Dave Schaeffer Employment Agreement. Dave Schaeffer has an employment agreement that provides for his services as Chief Executive Officer. He also receives all of our standard employee benefits. If he is discharged without cause or resigns for "good reason" he is entitled to a lump sum amount equal to his annual salary at the time and continuation of his benefits for one year. Under the terms of the grants of restricted stock that have been made to him in the event of a change of control 100% of his then unvested restricted stock will vest immediately. The value on December 31, 2011 of the unvested restricted stock and options that could have vested pursuant to these provisions was \$7,769,400. Had his employment been terminated without cause or had he resigned for "good reason" on December 31, 2011 he would have received a payment of \$326,218 (equal to one year's salary). In addition he would have continued to vest in his restricted stock. The value on December 31, 2011 of that stock was \$7,093,800. "Good reason" for resignation includes removal from his position as CEO or failure to elect him as chairman of the Board of Directors.

Thaddeus G. Weed Employment Agreement. Thaddeus Weed has an employment agreement under which he serves as Chief Financial Officer and Treasurer. In the event that his employment with us is terminated without cause or he resigns for good reason, the agreement entitles him to twelve months of salary and continuation of benefits for twelve months. Had this occurred on December 31, 2011 he would have received \$252,225 (12 months salary). Under the terms of the grants of restricted stock he is also entitled to continued vesting of his restricted stock during his severance period. The value on December 31, 2011 of the unvested stock for which vesting would continue was \$422,266. In the event of a change of control he becomes fully vested in his restricted stock. If this had occurred on December 31, 2011 the value of the restricted stock and options that would have vested was \$781,163. In the event of a change of control resulting in his termination without cause or resignation for good reason, 100% of his then restricted stock will vest immediately and he will receive his severance payment as a lump sum.

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

Robert N. Beury, Jr. Employment Agreement. Robert Beury's employment agreement entitles him to twelve months of salary and twelve months of benefits in the event that his employment with us is terminated without cause or he resigns for good reason. In the event of a change of control the vesting of his restricted stock accelerates so that he will be 100% vested. Had a change of control occurred on December 31, 2011 the value of the restricted stock that would have vested was \$325,133. In the event of a change of control resulting in his termination without cause or resignation for good reason, 100% of his then restricted stock will vest immediately and he will receive his severance payment as a lump sum.

Jeffrey Karnes Employment Agreement. Jeffrey Karnes's employment agreement provides that in the event his employment with us is terminated without cause or he resigns for good reason he will receive six months salary and continuation of benefits for six months. Had this occurred on December 31, 2011 he would have received \$122,332 (six months salary). Under the terms of the grants of restricted stock he is also entitled to continued vesting of his restricted stock during his severance period. The value on December 31, 2011 of the unvested stock for which vesting would continue was \$101,340. In the event of a change of control the vesting of his restricted stock accelerates so that he will be 100% vested. Equity Plan Information

2004 Incentive Award Plan. In 2004, we adopted our 2004 Incentive Award Plan. The 2004 Incentive Award Plan is intended to enhance and supplement the 2003 Award Plan (under which awards are no longer made) by broadening the types of awards that may be granted to employees and consultants and by providing for grants to directors. In addition to awards of restricted shares of common stock, the 2004 Incentive Award Plan provides us with the ability to award other equity-based incentive compensation, such as options to purchase shares of our common stock, stock appreciation rights, dividend equivalent rights, performance awards, restricted stock units, deferred stock and stock payments to employees, consultants and directors.

The principal purpose for the adoption of the 2004 Incentive Award Plan was to promote the success of our business and enhance our value by linking the personal interests of employees, consultants and directors to our success and by providing these individuals with an incentive for outstanding performance. We believe that the 2004 Incentive Award Plan also gives us the flexibility to offer a variety of types of compensation and to remain competitive in recruiting and retaining qualified key personnel.

We currently make all awards under our 2004 Incentive Award Plan, which has been approved by our stockholders. The following table provides information as of December 31, 2011 about outstanding options and shares reserved for future issuance:

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Employment Agreements

We have employment agreements with each of our named executive officers as described in "Employment Agreements and Other Potential Post-Employment Payments."

Our Headquarters Lease

The Company's headquarters is located in an office building owned by a partnership (6715 Kenilworth Avenue Partnership). The two owners of the partnership are our Chief Executive Officer, Dave Schaeffer, who has a 51% interest in the partnership and his wife, Ruth Schaeffer, who has a 49% interest in the partnership. The Company paid \$0.6 million in 2011 in rent and related costs (including taxes and utilities) to this partnership under a lease that expires in August 2013. The dollar value of Mr. Schaeffer's interest in the lease payments in 2011 was \$0.3 million. The dollar value of Mrs. Schaeffer's interest in the lease payment in 2011 was \$0.3 million. If Mr. Schaeffer's interest is combined with that of his wife then the total dollar value of his interest in the lease payments in 2011 was \$0.6 million. We believe that this lease agreement is on terms at least as favorable to us as could have been obtained from an unaffiliated third party.

The Audit Committee reviews and approves related party transactions.

All Awards of Restricted Stock shall be evidenced by a written Restricted Stock Award Agreement.

6.2 *Issuance and Restrictions.* Restricted Stock shall be subject to such restrictions on transferability and other restrictions as the Committee may impose (including, without limitation, limitations on the right to vote Restricted Stock or the right to receive dividends on the Restricted Stock). These restrictions may lapse separately or in combination at such times, pursuant to such circumstances, in such installments, or otherwise, as the Committee determines at the time of the grant of the Award or thereafter. Restricted Stock, that does not vest on the basis of meeting performance targets shall not vest at a rate that would cause the following vesting schedule to be exceeded: no vesting prior to the first anniversary of the grant; no more than $\frac{1}{3}$ vested on the first anniversary of the grant; no more than $\frac{2}{3}$ vested on the second anniversary of the grant; and full vesting not occurring prior to the end of the third year.

6.3 *Forfeiture.* Except as otherwise determined by the Committee at the time of the grant of the Award or thereafter, upon termination of employment or service during the applicable restriction period, Restricted Stock that is at that time subject to restrictions shall be forfeited; *provided, however,* that, the Committee may (a) provide in any Restricted Stock Award Agreement that restrictions or forfeiture conditions relating to Restricted Stock will be waived in whole or in part in the event of terminations resulting from specified causes, and (b) in other cases waive in whole or in part restrictions or forfeiture conditions relating to Restricted Stock.

6.4 *Certificates for Restricted Stock.* Restricted Stock granted pursuant to the Plan may be evidenced in such manner as the Committee shall determine. If certificates representing shares of Restricted Stock are registered in the name of the Participant, certificates must bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock, and the Company may, at its discretion, retain physical possession of the certificate until such time as all applicable restrictions lapse.

6.5 *Performance Based Awards.* The Committee shall determine and designate if any grants of Restricted Stock under this Article 6 made to Covered Employees are intended to be Qualified Performance-Based Compensation. If the Committee designates an Award of Restricted Stock as a Performance Based Award, the restrictions on such Award will lapse depending upon the satisfaction of Performance Goals which are established and later certified in accordance with the requirements of Code Section 162(m). Any such Performance Based Award may be subject to such additional limitations as the Committee determines is necessary to conform with the requirements as Qualified Performance-Based Compensation under Code Section 162(m). Restricted stock that vests based on meeting performance targets shall not vest prior to the first anniversary of the grant.

ARTICLE 7

STOCK APPRECIATION RIGHTS

7.1 *Grant of Stock Appreciation Rights.* A Stock Appreciation Right may be granted to any Participant selected by the Committee. A Stock Appreciation Right may be granted (a) in connection and simultaneously with the grant of an Option, (b) with respect to a previously granted Option, or (c) independent of an Option. A Stock Appreciation Right shall be subject to such terms and conditions not inconsistent with the Plan as the Committee shall impose and shall be evidenced by an Award Agreement.

7.2 *Coupled Stock Appreciation Rights.*

(a) A Coupled Stock Appreciation Right ("CSAR") shall be related to a particular Option and shall be exercisable only when and to the extent the related Option is exercisable.

(b) A CSAR may be granted to a Participant for no more than the number of shares subject to the simultaneously or previously granted Option to which it is coupled.

(c) A CSAR shall entitle the Participant (or other person entitled to exercise the Option pursuant to the Plan) to surrender to the Company the unexercised portion of the Option to which the CSAR relates (to the extent then exercisable pursuant to its terms) and to receive from the Company in exchange therefor an amount determined by multiplying the difference obtained by subtracting the Option exercise price from the Fair Market Value of a share of Stock on the date of exercise of the CSAR by the number of shares of Stock with respect to which the CSAR shall have been exercised, subject to any limitations the Committee may impose.

7.3 *Independent Stock Appreciation Rights.*

(a) An Independent Stock Appreciation Right ("ISAR") shall be unrelated to any Option and shall have a term set by the Committee. An ISAR shall be exercisable in such installments as the Committee may determine. An ISAR shall cover such number of shares of Stock as the Committee may determine. The exercise price per share of Stock subject to each ISAR shall be set by the Committee; *provided, however*, that the exercise price for any ISAR shall not be less than 100% of the Fair Market Value on the date of grant; and *provided, further*, that, the Committee in its sole and absolute discretion may provide that the ISAR may be exercised subsequent to a termination of employment or service, as applicable, or following a Change in Control of the Company, or because of the Participant's retirement, death or disability, or otherwise.

(b) An ISAR shall entitle the Participant (or other person entitled to exercise the ISAR pursuant to the Plan) to exercise all or a specified portion of the ISAR (to the extent then exercisable pursuant to its terms) and to receive from the Company an amount determined by multiplying the difference obtained by subtracting the exercise price per share of the ISAR from the Fair Market Value of a share of Stock on the date of exercise of the ISAR by the number of shares of Stock with respect to which the ISAR shall have been exercised, subject to any limitations the Committee may impose.

7.4 Payment and Limitations on Exercise.

(a) Payment of the amounts determined under Sections 7.2(c) and 7.3(b) above shall be in cash, in Stock (based on its Fair Market Value as of the date the Stock Appreciation Right is exercised) or a combination of both, as determined by the Committee.

(b) To the extent any payment under Section 7.2(c) or 7.3(b) is effected in Stock it shall be made subject to satisfaction of all provisions of Article 5 above pertaining to Options.

(c) Stock Appreciation Rights that vest based on meeting performance targets shall not vest prior to the first anniversary of the grant.

**ARTICLE 8
OTHER TYPES OF AWARDS**

8.1 Performance Share Awards. Any Participant selected by the Committee may be granted one or more Performance Share awards which shall be denominated in a number of shares of Stock and which may be linked to any one or more of the Performance Criteria or other specific performance criteria determined appropriate by the Committee, in each case on a specified date or dates or over any period or periods determined by the Committee. In making such determinations, the Committee shall consider (among such other factors as it deems relevant in light of the specific type of award) the contributions, responsibilities and other compensation of the particular Participant.

8.2 Performance Stock Units. Any Participant selected by the Committee may be granted one or more Performance Stock Unit awards which shall be denominated in units of value including dollar value of shares of Stock and which may be linked to any one or more of the Performance Criteria or other specific performance criteria determined appropriate by the Committee, in each case on a specified date or dates or over any period or periods determined by the Committee. In making such determinations, the Committee shall consider (among such other factors as it deems relevant in light of the specific type of award) the contributions, responsibilities and other compensation of the particular Participant.

8.3 Dividend Equivalents.

(a) Any Participant selected by the Committee may be granted Dividend Equivalents based on the dividends declared on the shares of Stock that are subject to any Award, to be credited as of dividend payment dates, during the period between the date the Award is granted and the date the Award is exercised, vests or expires, as determined by the Committee. Such Dividend Equivalents shall be converted to cash or additional shares of Stock by such formula and at such time and subject to such limitations as may be determined by the Committee.

(b) Dividend Equivalents granted with respect to Options or SARs that are intended to be Qualified Performance-Based Compensation shall be payable, with respect to pre-exercise periods, regardless of whether such Option or SAR is subsequently exercised.

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

8.4 *Stock Payments.* Any Participant selected by the Committee may receive Stock Payments in the manner determined from time to time by the Committee. The number of shares shall be determined by the Committee and may be based upon the Performance Criteria or other specific performance criteria determined appropriate by the Committee, determined on the date such Stock Payment is made or on any date thereafter.

8.5 *Deferred Stock.* Any Participant selected by the Committee may be granted an award of Deferred Stock in the manner determined from time to time by the Committee. The number of shares of Deferred Stock shall be determined by the Committee and may be linked to the Performance Criteria or other specific performance criteria determined to be appropriate by the Committee, in each case on a specified date or dates or over any period or periods determined by the Committee. Stock underlying a Deferred Stock award will not be issued until the Deferred Stock award has vested, pursuant to a vesting schedule or performance criteria set by the Committee. Unless otherwise provided by the Committee, a Participant awarded Deferred Stock shall have no rights as a Company stockholder with respect to such Deferred Stock until such time as the Deferred Stock Award has vested and the Stock underlying the Deferred Stock Award has been issued.

8.6 *Restricted Stock Units.* The Committee is authorized to make Awards of Restricted Stock Units to any Participant selected by the Committee in such amounts and subject to such terms and conditions as determined by the Committee. At the time of grant, the Committee shall specify the date or dates on which the Restricted Stock Units shall become fully vested and nonforfeitable, and may specify such conditions to vesting as it deems appropriate. At the time of grant, the Committee shall specify the maturity date applicable to each grant of Restricted Stock Units which shall be no earlier than the vesting date or dates of the Award and may be determined at the election of the grantee. On the maturity date, the Company shall transfer to the Participant one unrestricted, fully transferable share of Stock for each Restricted Stock Unit scheduled to be paid out on such date and not previously forfeited. The Committee shall specify the purchase price, if any, to be paid by the grantee to the Company for such shares of Stock.

8.7 *Other Stock-Based Awards.* Any Participant selected by the Committee may be granted one or more Awards that provide Participants with shares of Stock or the right to purchase shares of Stock or that have a value derived from the value of, or an exercise or conversion privilege at a price related to, or that are otherwise payable in shares of Stock and which may be linked to any one or more of the Performance Criteria or other specific performance criteria determined appropriate by the Committee, in each case on a specified date or dates or over any period or periods determined by the Committee. In making such determinations, the Committee shall consider (among such other factors as it deems relevant in light of the specific type of Award) the contributions, responsibilities and other compensation of the particular Participant.

8.8 *Term.* Except as otherwise provided herein, the term of any Award of Performance Shares, Performance Stock Units, Dividend Equivalents, Stock Payments, Deferred Stock, Restricted Stock Units or Other Stock-Based Award shall be set by the Committee in its discretion. Restricted Stock Units, Deferred Stock, Stock Payments and other awards that represent or substitute for stock, that do not vest on the basis of meeting performance targets, shall not vest at a rate that would cause the following vesting schedule to be exceeded: no vesting prior to the first anniversary of the grant; no more than $\frac{1}{3}$ vested on the first anniversary of the grant; no more than $\frac{2}{3}$ vested on the second anniversary of the grant; and full vesting not occurring prior to the end of the third year. Restricted Stock Units, Deferred Stock, Stock Payments and other awards that represent or substitute for stock that vest based on meeting performance targets shall not vest prior to the first anniversary of the grant.

8.9 *Exercise or Purchase Price.* The Committee may establish the exercise or purchase price, if any, of any Award of Performance Shares, Performance Stock Units, Deferred Stock, Stock Payments, Restricted Stock Units or Other Stock-Based Award; *provided, however*, that such price shall not be less

than the par value of a share of Stock on the date of grant, unless otherwise permitted by applicable state law.

8.10 *Form of Payment.* Payments with respect to any Awards granted under this Article 8 shall be made in cash, in Stock or a combination of both, as determined by the Committee.

8.11 *Award Agreement.* All Awards under this Article 8 shall be subject to such additional terms and conditions as determined by the Committee and shall be evidenced by a written Award Agreement.

8.12 *Performance Based Awards.* The Committee shall determine if any Awards granted under this Article 8 to Covered Employees are intended to be Qualified Performance-Based Compensation and shall designate such Awards as Performance Based Awards. If the Committee designates an Award as a Performance Based Award, the Committee will designate the Performance Goals, Performance Criteria and Performance Period applicable to such Award and later certified achievement of such Performance Goals in accordance with the requirements of Code Section 162(m). Any such Performance Based Award may be subject to such limitations as the Committee determines is necessary to conform with the requirements as Qualified Performance-Based Compensation under Code Section 162(m).

ARTICLE 9 PROVISIONS APPLICABLE TO AWARDS

9.1 *Stand-Alone and Tandem Awards.* Awards granted pursuant to the Plan may, in the discretion of the Committee, be granted either alone, in addition to, or in tandem with, any other Award granted pursuant to the Plan. Awards granted in addition to or in tandem with other Awards may be granted either at the same time as or at a different time from the grant of such other Awards.

9.2 *Award Agreement.* Awards under the Plan shall be evidenced by Award Agreements that set forth the terms, conditions and limitations for each Award which may include the term of an Award, the provisions applicable in the event the Participant's employment or service terminates, and the Company's authority to unilaterally or bilaterally amend, modify, suspend, cancel or rescind an Award. An Award may, in the discretion of the Committee grant to the Company certain rights, including rights of first refusal and call or repurchase rights on any shares of Stock issued under an Award. Additionally, an Award may require the Participant to consent to execute such other agreements regarding the shares of Stock issuable under such Award as requested by the Company, including but not limited to stockholders agreements and/ or lock-up agreements.

9.3 *Limits on Transfer.* No right or interest of a Participant in any Award may be pledged, encumbered, or hypothecated to or in favor of any party other than the Company or a Subsidiary, or shall be subject to any lien, obligation, or liability of such Participant to any other party other than the Company or a Subsidiary. Except as otherwise provided by the Committee, no Award shall be assigned, transferred, or otherwise disposed of by a Participant other than by will or the laws of descent and distribution. The Committee by express provision in the Award or an amendment thereto may permit an Award (other than an Incentive Stock Option) to be transferred to, exercised by and paid to certain persons or entities related to the Participant, including but not limited to members of the Participant's family, charitable institutions, or trusts or other entities whose beneficiaries or beneficial owners are members of the Participant's family and/or charitable institutions, or to such other persons or entities as may be expressly approved by the Committee, pursuant to such conditions and procedures as the Committee may establish. Any permitted transfer shall be subject to the condition that the Committee receive evidence satisfactory to it that the transfer is being made for estate and/or tax planning purposes (or to a "blind trust" in connection with the Participant's termination of employment or service with the Company or a Subsidiary to assume a position with a governmental, charitable,

educational or similar non-profit institution) and on a basis consistent with the Company's lawful issue of securities.

9.4 *Beneficiaries.* Notwithstanding Section 9.3, a Participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death. A beneficiary, legal guardian, legal representative, or other person claiming any rights pursuant to the Plan is subject to all terms and conditions of the Plan and any Award Agreement applicable to the Participant, except to the extent the Plan and Award Agreement otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Committee. If the Participant is married and resides in a community property state, a designation of a person other than the Participant's spouse as his or her beneficiary with respect to more than 50% of the Participant's interest in the Award shall not be effective without the prior written consent of the Participant's spouse. If no beneficiary has been designated or survives the Participant, payment shall be made to the person entitled thereto pursuant to the Participant's will or the laws of descent and distribution. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is filed with the Committee.

9.5 *Stock Certificates.* Notwithstanding anything herein to the contrary, the Company shall not be required to issue or deliver any certificates evidencing shares of Stock pursuant to the exercise of any Award, unless and until the Board has determined, with advice of counsel, that the issuance and delivery of such certificates is in compliance with all applicable laws, regulations of governmental authorities and, if applicable, the requirements of any exchange on which the shares of Stock are listed or traded. All Stock certificates delivered pursuant to the Plan are subject to any stop-transfer orders and other restrictions as the Committee deems necessary or advisable to comply with federal, state, or foreign jurisdiction, securities or other laws, rules and regulations and the rules of any national securities exchange or automated quotation system on which the Stock is listed, quoted, or traded. The Committee may place legends on any Stock certificate to reference restrictions applicable to the Stock. In addition to the terms and conditions provided herein, the Board may require that a Participant make such reasonable covenants, agreements, and representations as the Board, in its discretion, deems advisable in order to comply with any such laws, regulations, or requirements. The Committee shall have the right to require any Participant to comply with any timing, "blackout", or other restrictions with respect to the settlement or exercise of any Award and with respect to the sale of any security received as a result of any Award, including a window-period limitation, as may be imposed in the discretion of the Committee.

9.6 *Other Conditions Pertaining to Vesting.* Vesting of restricted stock and options granted to employees shall not accelerate except in the following circumstances: death, disability, change of control of the company, and retirement. An award that provides for acceleration of vesting in the event of a change of control shall not provide for acceleration that would result in the employee receiving more than three times his or her annual compensation from acceleration of the award as a result of the change of control. Awards of restricted stock and options shall be measured against this standard using value of restricted stock and options and compensation at the time of the grant.

ARTICLE 10 CHANGES IN CAPITAL STRUCTURE

10.1 *Adjustments.*

(a) In the event of any stock dividend, stock split, (a) combination or exchange of shares, merger, consolidation, spin-off, recapitalization or other distribution (other than normal cash dividends) of Company assets to stockholders, or any other change affecting the shares of Stock or the share price of the Stock, the Committee shall make such proportionate adjustments as necessary to reflect such change with respect to (i) the aggregate number and type of shares that

may be issued under the Plan (including, but not limited to, adjustments of the limitations in Sections 3.1 and 3.3); (ii) the terms and conditions of any outstanding Awards (including, without limitation, any applicable performance targets or criteria with respect thereto); and (iii) the grant or exercise price per share for any outstanding Awards under the Plan. Any adjustment affecting an Award intended as Qualified Performance-Based Compensation shall be made consistent with the requirements of Section 162(m) of the Code.

(b) In the event of any transaction or event described in Section 10.1(a) or any unusual or nonrecurring transactions or events affecting the Company, any affiliate of the Company, or the financial statements of the Company or any affiliate (including without limitation any Change in Control), or of changes in applicable laws, regulations or accounting principles, the Committee, in its sole discretion and on such terms and conditions as it deems appropriate, either by the terms of the Award or by action taken prior to the occurrence of such transaction or event and either automatically or upon the Participant's request, is hereby authorized to take any one or more of the following actions whenever the Committee determines that such action is appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or with respect to any Award under the Plan, to facilitate such transactions or events or to give effect to such changes in laws, regulations or principles:

(i) To provide for either (A) termination of any such Award in exchange for an amount of cash, if any, equal to the amount that would have been attained upon the exercise of such Award or realization of the Participant's rights (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction or event described in this Section 10.1(b) the Committee determines in good faith that no amount would have been attained upon the exercise of such Award or realization of the Participant's rights, then such Award may be terminated by the Company without payment) or (B) the replacement of such Award with other rights or property selected by the Committee in its sole discretion;

(ii) To provide that such Award be assumed by the successor or survivor corporation, or a parent or subsidiary thereof, or shall be substituted for by similar options, rights or awards covering the stock of the successor or survivor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices; and

(iii) To make adjustments in the number and type of shares of Common Stock (or other securities or property) subject to outstanding Awards, and in the number and kind of outstanding Restricted Stock or Deferred Stock and/or in the terms and conditions of (including the grant or exercise price), and the criteria included in, outstanding options, rights and awards and options, rights and awards which may be granted in the future;

(iv) To provide that such Award shall be exercisable or payable or fully vested with respect to all shares covered thereby, notwithstanding anything to the contrary in the Plan or the applicable Award Agreement; and

(v) To provide that the Award cannot vest, be exercised or become payable after such event.

10.2 *Acceleration Upon a Change in Control.* Notwithstanding Section 10.1, except as may otherwise be provided in any applicable Award Agreement or other written agreement entered into between the Company and a Participant, if a Change in Control occurs and a Participant's Awards are not converted, assumed, or replaced by a successor, such Awards shall become fully exercisable, payable and all forfeiture restrictions on such Awards shall lapse. Upon, or in anticipation of, a Change in Control, the Committee may cause any and all Awards outstanding hereunder to terminate at a specific time in the future, including but not limited to the date of such Change in Control, and shall give each Participant the right to exercise such Awards during a period of time as the Committee, in its sole and

absolute discretion, shall determine. In the event that the terms of any agreement between the Company or any Company subsidiary or affiliate and a Participant contains provisions that conflict with and are more restrictive than the provisions of this Section 10.2, this Section 10.2 shall prevail and control and the more restrictive terms of such agreement (and only such terms) shall be of no force or effect.

10.3 *Outstanding Awards Certain Mergers.* Subject to any required action by the stockholders of the Company, in the event that the Company shall be the surviving corporation in any merger or consolidation (except a merger or consolidation as a result of which the holders of shares of Stock receive securities of another corporation), each Award outstanding on the date of such merger or consolidation shall pertain to and apply to the securities that a holder of the number of shares of Stock subject to such Award would have received in such merger or consolidation.

10.4 *Outstanding Awards Other Changes.* In the event of any other change in the capitalization of the Company or corporate change other than those specifically referred to in this Article 10, the Committee may, in its absolute discretion, make such adjustments in the number and kind of shares or other securities subject to Awards outstanding on the date on which such change occurs and in the per share grant or exercise price of each Award as the Committee may consider appropriate to prevent dilution or enlargement of rights.

10.5 *No Other Rights.* Except as expressly provided in the Plan, no Participant shall have any rights by reason of any subdivision or consolidation of shares of stock of any class, the payment of any dividend, any increase or decrease in the number of shares of stock of any class or any dissolution, liquidation, merger, or consolidation of the Company or any other corporation. Except as expressly provided in the Plan or pursuant to action of the Committee under the Plan, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number of shares of Stock subject to an Award or the grant or exercise price of any Award.

ARTICLE 11 ADMINISTRATION

11.1 *Committee.* Unless and until the Board delegates administration of the Plan to a Committee as set forth below, the Plan shall be administered by the full Board, and for such purposes the term "Committee" as used in this Plan shall be deemed to refer to the Board. The Board, at its discretion or as otherwise necessary to comply with the requirements of Section 162(m) of the Code, Rule 16b-3 promulgated under the Exchange Act or to the extent required by any other applicable rule or regulation, shall delegate administration of the Plan to a Committee. The Committee shall consist solely of two or more members of the Board each of whom is both an "outside director," within the meaning of Section 162(m) of the Code, and a Non-Employee Director. Notwithstanding the foregoing: (a) the full Board, acting by a majority of its members in office, shall conduct the general administration of the Plan with respect to all Awards granted to Independent Directors and Participants subject to Section 16 of the Exchange Act and for purposes of such Awards the term "Committee" as used in this Plan shall be deemed to refer to the Board and (b) the Committee may delegate its authority hereunder to the extent permitted by Section 11.5. Appointment of Committee members shall be effective upon acceptance of appointment. The Board may abolish the Committee at any time and revert in the Board the administration of the Plan. Committee members may resign at any time by delivering written notice to the Board. Vacancies in the Committee may only be filled by the Board.

11.2 *Action by the Committee.* A majority of the Committee shall constitute a quorum. The acts of a majority of the members present at any meeting at which a quorum is present, and acts approved in writing by a majority of the Committee in lieu of a meeting, shall be deemed the acts of the

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

Committee. Each member of the Committee is entitled to, in good faith, rely or act upon any report or other information furnished to that member by any officer or other employee of the Company or any Subsidiary, the Company's independent certified public accountants, or any executive compensation consultant or other professional retained by the Company to assist in the administration of the Plan.

11.3 *Authority of Committee.* Subject to any specific designation in the Plan, the Committee has the exclusive power, authority and discretion to:

- (a) Designate Participants to receive Awards;
- (b) Determine the type or types of Awards to be granted to each Participant;
- (c) Determine the number of Awards to be granted and the number of shares of Stock to which an Award will relate;
- (d) Determine the terms and conditions of any Award granted pursuant to the Plan, including, but not limited to, the exercise price, grant price, or purchase price, any reload provision, any restrictions or limitations on the Award, any schedule for lapse of forfeiture restrictions or restrictions on the exercisability of an Award, and accelerations or waivers thereof, any provisions related to non-competition and recapture of gain on an Award, based in each case on such considerations as the Committee in its sole discretion determines; *provided, however*, that the Committee shall not have the authority to accelerate the vesting or waive the forfeiture of any Performance-Based Awards;
- (e) Determine whether, to what extent, and pursuant to what circumstances an Award may be settled in, or the exercise price of an Award may be paid in, cash, Stock, other Awards, or other property, or an Award may be canceled, forfeited, or surrendered;
- (f) Prescribe the form of each Award Agreement, which need not be identical for each Participant;
- (g) Decide all other matters that must be determined in connection with an Award;
- (h) Establish, adopt, or revise any rules and regulations as it may deem necessary or advisable to administer the Plan;
- (i) Interpret the terms of, and any matter arising pursuant to, the Plan or any Award Agreement; and
- (j) Make all other decisions and determinations that may be required pursuant to the Plan or as the Committee deems necessary or advisable to administer the Plan.

11.4 *Decisions Binding.* The Committee's interpretation of the Plan, any Awards granted pursuant to the Plan, any Award Agreement and all decisions and determinations by the Committee with respect to the Plan are final, binding, and conclusive on all parties.

11.5 *Delegation of Authority.* To the extent permitted by applicable law, the Committee may from time to time delegate to a committee of one or more members of the Board or one or more officers of the Company the authority to grant or amend Awards to Participants other than (a) senior executives of the Company who are subject to Section 16 of the Exchange Act, (b) Covered Employees, or (c) officers of the Company (or members of the Board) to whom authority to grant or amend Awards has been delegated hereunder. Any delegation hereunder shall be subject to the restrictions and limits that the Committee specifies at the time of such delegation, and the Committee may at any time rescind the authority so delegated or appoint a new delegatee. At all times, the delegatee appointed under this Section 11.5 shall serve in such capacity at the pleasure of the Committee.

**ARTICLE 12
EFFECTIVE AND EXPIRATION DATE**

12.1 *Effective Date.* The Plan is effective on the date it is approved by the Company's stockholders (the "*Effective Date*"). The Plan will be deemed to be approved by the stockholders if it receives the affirmative vote of the holders of a majority of the shares of stock of the Company present or represented and entitled to vote at a meeting duly held in accordance with the applicable provisions of the Company's Bylaws.

12.2 *Expiration Date.* The Plan will expire on, and no Award may be granted pursuant to the Plan after, the earlier of the tenth anniversary of (i) the Effective Date or (ii) the date this Plan is approved by the Board. Any Awards that are outstanding on the tenth anniversary of the Effective Date shall remain in force according to the terms of the Plan and the applicable Award Agreement.

**ARTICLE 13
AMENDMENT, MODIFICATION, AND TERMINATION**

13.1 *Amendment, Modification, And Termination.* With the approval of the Board, at any time and from time to time, the Committee may terminate, amend or modify the Plan; *provided, however*, that (a) to the extent necessary and desirable to comply with any applicable law, regulation, or stock exchange rule, the Company shall obtain stockholder approval of any Plan amendment in such a manner and to such a degree as required, and (b) stockholder approval is required for any amendment to the Plan that (i) increases the number of shares available under the Plan (other than any adjustment as provided by Article 10), or (ii) permits the Committee to extend the exercise period for an Option beyond ten years from the date of grant. Notwithstanding any provision in this Plan to the contrary, absent approval of the stockholders of the Company, no Option may be amended to reduce the per share exercise price of the shares subject to such Option below the per share exercise price as of the date the Option is granted and, except as permitted by Article 10, no Option may be granted in exchange for, or in connection with, the cancellation or surrender of an Option having a higher per share exercise price.

13.2 *Awards Previously Granted.* No termination, amendment, or modification of the Plan shall adversely affect in any material way any Award previously granted pursuant to the Plan without the prior written consent of the Participant.

**ARTICLE 14
GENERAL PROVISIONS**

14.1 *No Rights to Awards.* No Participant, employee, or other person shall have any claim to be granted any Award pursuant to the Plan, and neither the Company nor the Committee is obligated to treat Participants, employees, and other persons uniformly.

14.2 *No Stockholders Rights.* No Award gives the Participant any of the rights of a stockholder of the Company unless and until shares of Stock are in fact issued to such person in connection with such Award.

14.3 *Withholding.* The Company or any Subsidiary shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, local and foreign taxes (including the Participant's FICA obligation) required by law to be withheld with respect to any taxable event concerning a Participant arising as a result of this Plan. The Committee may in its discretion and in satisfaction of the foregoing requirement allow a Participant to elect to have the Company withhold shares of Stock otherwise issuable under an Award (or allow the return of shares of Stock) having a Fair Market Value equal to the sums required to be

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

withheld. Notwithstanding any other provision of the Plan, the number of shares of Stock which may be withheld with respect to the issuance, vesting, exercise or payment of any Award in order to satisfy the Participant's federal, state, local and foreign income and payroll tax liabilities with respect to the issuance, vesting, exercise or payment of the Award shall be limited to the number of shares which have a Fair Market Value on the date of withholding or repurchase equal to the aggregate amount of such liabilities based on the minimum statutory withholding rates for federal, state, local and foreign income tax and payroll tax purposes that are applicable to such supplemental taxable income. No shares of Stock shall be delivered upon exercise of an option or a SAR or under Restricted Stock Units or Deferred Stock or restrictive legends removed from any Shares of Stock previously delivered under another Award unless and until the Participant satisfies all required applicable tax withholding obligations.

14.4 *No Right to Employment or Services.* Nothing in the Plan or any Award Agreement shall interfere with or limit in any way the right of the Company or any Subsidiary to terminate any Participant's employment or services at any time, nor confer upon any Participant any right to continue in the employ or service of the Company or any Subsidiary.

14.5 *Unfunded Status of Awards.* The Plan is intended to be an "unfunded" plan for incentive compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award Agreement shall give the Participant any rights that are greater than those of a general creditor of the Company or any Subsidiary.

14.6 *Indemnification.* To the extent allowable pursuant to applicable law, each member of the Committee or of the Board shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such member in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action or failure to act pursuant to the Plan and against and from any and all amounts paid by him or her in satisfaction of judgment in such action, suit, or proceeding against him or her; *provided* he or she gives the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled pursuant to the Company's Certificate of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

14.7 *Relationship to other Benefits.* No payment pursuant to the Plan shall be taken into account in determining any benefits pursuant to any pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of the Company or any Subsidiary except to the extent otherwise expressly provided in writing in such other plan or an agreement thereunder.

14.8 *Expenses.* The expenses of administering the Plan shall be borne by the Company and its Subsidiaries.

14.9 *Titles and Headings.* The titles and headings of the Sections in the Plan are for convenience of reference only and, in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

14.10 *Fractional Shares.* No fractional shares of Stock shall be issued and the Committee shall determine, in its discretion, whether cash shall be given in lieu of fractional shares or whether such fractional shares shall be eliminated by rounding up or down as appropriate.

14.11 *Limitations Applicable to Section 16 Persons.* Notwithstanding any other provision of the Plan, the Plan, and any Award granted or awarded to any Participant who is then subject to Section 16 of the Exchange Act, shall be subject to any additional limitations set forth in any applicable exemptive rule under Section 16 of the Exchange Act (including any amendment to Rule 16b-3 of the Exchange

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

The Company shall be under no obligation to register pursuant to the Securities Act of 1933, as amended, any of the shares of Stock paid pursuant to the Plan. If the shares paid pursuant to the Plan may in certain circumstances be exempt from registration pursuant to the Securities Act of 1933, as amended, the Company may restrict the transfer of such shares in such manner as it deems advisable to ensure the availability of any such exemption.

14.13 *Governing Law.* The Plan and all Award Agreements shall be construed in accordance with and governed by the laws of the State of Delaware.
