Merger Proposal Your Vote Is Important

To the Stockholders of Consolidated Communications Holdings, Inc. and the Stockholders of FairPoint Communications, Inc.:

On December 3, 2016, Consolidated Communications Holdings, Inc. ("Consolidated") and FairPoint Communications, Inc. ("FairPoint") entered into an Agreement and Plan of Merger, as the same may be amended from time to time (the "Merger Agreement"), pursuant to which Consolidated has agreed to acquire FairPoint. The Merger Agreement provides for the acquisition of FairPoint through a statutory merger of Falcon Merger Sub, Inc. ("Merger Sub"), a wholly-owned subsidiary of Consolidated, with and into FairPoint, with FairPoint as the surviving entity (the "Merger"). As a result of the Merger, the separate corporate existence of Merger Sub will cease, and FairPoint will continue as the surviving corporation and a wholly-owned subsidiary of Consolidated.

In the proposed Merger, each issued and outstanding share of FairPoint common stock will be converted into the right to receive 0.7300 validly issued, fully paid and nonassessable shares of Consolidated common stock, subject to certain exceptions, together with cash in lieu of fractional shares, less any applicable taxes required to be withheld. Upon the effectiveness of the Merger, each share of FairPoint common stock issued and outstanding immediately prior to the effective time of the Merger shall no longer be outstanding and shall automatically be canceled and retired and shall cease to exist. Each certificate formerly representing any share of FairPoint common stock and each uncertificated share registered to a holder on the stock transfer books of FairPoint, shall thereafter represent only the right to receive shares of Consolidated common stock.

Consolidated common stock trades on the NASDAQ Global Select Market under the symbol "CNSL." On [], 2017, the latest practicable date before the printing of this joint proxy statement/prospectus, the closing price of Consolidated common stock was \$[] per share. FairPoint common stock currently trades on the NASDAQ Capital Market under the symbol "FRP." The shares of Consolidated common stock issued pursuant to the Merger will be registered under the Securities Act of 1933, as amended (the "Securities Act"), and will trade on the NASDAQ Global Select Market.

FairPoint will hold a special meeting of its stockholders on [], 2017 at [] Eastern time at []. At the FairPoint special meeting, FairPoint's stockholders will be asked (i) to adopt the Merger Agreement and approve the transactions contemplated thereby, including the Merger, (ii) to approve, by a non-binding advisory vote, the change in control payments to FairPoint's named executive officers, and (iii) to adjourn or postpone the FairPoint special meeting, if necessary or appropriate, for, among other reasons, the solicitation of additional proxies.

Consolidated will hold a special meeting of stockholders on [], 2017 at [] Central time, at Consolidated's corporate headquarters, 121 South 17th Street, Mattoon, Illinois 61938. The board of directors of FairPoint recommends that FairPoint's stockholders vote "FOR" each of (i) the adoption of the Merger Agreement and the approval of the transactions contemplated thereby, including the Merger, (ii) the approval, by a non-binding advisory vote, of the change in control payments to FairPoint's named executive officers, and (iii) the proposal to adjourn or postpone the FairPoint special meeting, if necessary or appropriate, for, among other reasons, the solicitation of additional proxies.

QUESTIONS AND ANSWERS ABOUT THE MERGER AND THE FAIRPOINT SPECIAL MEETING

The following questions and answers address briefly some questions you may have regarding the Merger and the FairPoint special meeting. These questions and answers may not address all questions that may be important to you as a stockholder of FairPoint or as a stockholder of Consolidated. Please refer to the more detailed information contained elsewhere in this joint proxy statement/prospectus, the annexes to this joint proxy statement/prospectus and the documents referred to in or incorporated by reference into this joint proxy statement/prospectus. You may obtain the information incorporated by reference into this joint proxy statement/prospectus without charge by following the instructions in the section entitled "Where You Can Find More Information" on page 150.

For certain questions and answers about the Consolidated special meeting, see the section entitled "Questions and Answers about the Consolidated Special Meeting" on page 10.

What is the purpose of this joint proxy statement/prospectus?

The purpose of this joint proxy statement/prospectus is to provide information regarding matters to be voted on at the FairPoint special meeting. Proxies are solicited by the FairPoint board of directors (the "FairPoint Board") to give all FairPoint's stockholders of record as of the record date, [], 2017, an opportunity to vote on the matters to be presented at the FairPoint special meeting, even if the stockholders cannot attend the meeting. The FairPoint Board has designated [] as proxies, who will vote the shares represented by proxies at the FairPoint special meeting in the manner indicated by the proxies.

What proposals will be voted on at the FairPoint special meeting?

FairPoint's stockholders will vote on the following proposals at the FairPoint special meeting:

The proposal to adopt the Merger Agreement pursuant to which Merger Sub will merge with and into FairPoint, with FairPoint as the surviving entity and a wholly-owned subsidiary of Consolidated, and approve the transactions contemplated thereby, including the Merger (the "FairPoint Merger Proposal");

Table of Contents

The proposal to approve, by a non-binding advisory vote, the change in control payments to FairPoint's named executive officers (the "FairPoint Change in Control Payments Proposal"); and

The proposal to approve the adjournment or postponement of the FairPoint special meeting, if necessary or appropriate, for, among other reasons, the solicitation of additional proxies in the event that there are insufficient votes at the time of the FairPoint special meeting to approve the FairPoint Merger Proposal (the "FairPoint Adjournment Proposal").

What is the Merger?

In accordance with the terms and conditions of the Merger Agreement, if FairPoint's stockholders adopt the Merger Agreement and approve the transactions contemplated thereby, including the Merger, and Consolidated's stockholders approve the issuance of Consolidated common stock to FairPoint's stockholders in the Merger contemplated by the Merger Agreement and the other closing conditions under the Merger Agreement are satisfied or waived, Merger Sub will merge with and into FairPoint, and FairPoint will be the surviving corporation and a wholly-owned subsidiary of Consolidated. A copy of the Merger Agreement is attached as *Annex I* to this joint proxy statement/prospectus.

Is my vote necessary to complete the Merger?

The Merger cannot be completed unless, among other things, FairPoint's stockholders adopt the Merger Agreement and approve the transactions contemplated thereby, including the Merger.

FairPoint and Consolidated have agreed to combine the two companies upon the terms and conditions of the Merger Agreement that is described in this joint proxy statement/prospectus. You are receiving these proxy materials to help you decide, among other matters, how to vote your shares of FairPoint with respect to the proposed Merger.

The FairPoint special meeting is being held to vote on, among other matters, the proposals necessary to complete the Merger. Information about the FairPoint special meeting, the Merger and the other business to be considered by FairPoint's stockholders is contained in this joint proxy statement/prospectus.

Your vote is important. FairPoint encourages you to vote as soon as possible.

Are there other matters related to the Merger that require the vote of FairPoint's stockholders?

Yes. At the FairPoint special meeting, stockholders will be asked to consider and vote upon a proposal to approve, by a non-binding advisory vote, the agreements and understandings of FairPoint and its named executive officers concerning compensation that is based on or otherwise relates to the Merger contemplated by the Merger Agreement, and the aggregate total of all such compensation that may be paid or become payable to or on behalf of such executive officers (the "change in control payments"), as disclosed in this joint proxy statement/prospectus in the section entitled "The Merger Interests of FairPoint Directors and Executive Officers in the Merger Change in Control Benefits for Executive Officers" on page 84.

What will stockholders receive in the Merger?

FairPoint's stockholders will be entitled to receive 0.7300 shares of Consolidated common stock for each share of FairPoint common stock owned at the effective time of the Merger. No fractional shares of Consolidated common stock will be issued. Each of FairPoint's stockholders will be entitled to receive, in lieu of any fractional share of Consolidated common stock, an amount in cash equal to the

Table of Contents

value of the fractional share of Consolidated common stock to which such stockholder would otherwise have been entitled, less applicable taxes required to be withheld.

After completion of the Merger, each Consolidated stockholder will have the same number of shares of Consolidated common stock that such stockholder held immediately prior to the completion of the Merger. However, upon issuance of the shares of Consolidated common stock to FairPoint's stockholders in connection with the Merger, each share of Consolidated common stock outstanding immediately prior to the completion of the Merger will represent a smaller percentage of the aggregate number of shares of Consolidated common stock outstanding after the completion of the Merger. On the other hand, each share of Consolidated common stock will then represent an interest in a company with more assets.

What happens if the Merger is not consummated?

If (i) FairPoint's stockholders do not approve the FairPoint Merger Proposal, (ii) the issuance of Consolidated common stock to FairPoint's stockholders in the Merger as contemplated by the Merger Agreement is not approved by the Consolidated's stockholders or (iii) the Merger is not completed for any other reason, you will not receive any shares of Consolidated common stock in connection with the Merger. Instead, FairPoint will remain an independent public company and its common stock will continue to be listed and traded on the NASDAQ Capital Market. If the Merger Agreement is terminated under specified circumstances, FairPoint may be obligated to pay Consolidated a termination fee of \$18.9 million, and upon termination of the Merger Agreement under certain other circumstances, Consolidated may be obligated to pay FairPoint a termination fee of \$18.9 million, as described more fully in this joint proxy statement/prospectus in the section entitled "The Merger Agreement Termination of the Merger Agreement; Termination Fees; Expenses" on page 111.

Where and when is the FairPoint special meeting?

The FairPoint special meeting will be held at [], Eastern time, on [], 2017, at []. Cameras, recording devices and other electronic devices will not be permitted at the FairPoint special meeting.

What should I do if I want to attend the FairPoint special meeting?

Any holder of a proxy from a stockholder must present a properly executed legal proxy and a copy of the proof of ownership. FairPoint's bylaws provide that holders of one-third in voting power of the capital stock issued and outstanding and entitled to vote at the FairPoint special meeting, present in person or represented by proxy, will constitute a quorum for the FairPoint special meeting. If you submit a proxy, whether by Internet, telephone or mail, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote as indicated on the proxy card. Broker non-votes will not count towards the quorum requirement.

How does the FairPoint Board recommend that FairPoint's stockholders vote?

The FairPoint Board has determined that the Merger Agreement and the transactions contemplated thereby, including the Merger, are advisable to, and in the best interest of, FairPoint and its stockholders and recommends that FairPoint's stockholders vote:

"**FOR**" the FairPoint Merger Proposal,

"**FOR**" the FairPoint Change in Control Payments Proposal, and

"**FOR**" the FairPoint Adjournment Proposal.

The FairPoint Board is soliciting stockholder votes consistent with the FairPoint Board's recommendation. You should read the section entitled "The Merger Recommendation of the FairPoint Board; FairPoint's Reasons for the Merger" on page 54 for a discussion of the factors that the FairPoint Board considered in deciding to recommend voting "**FOR**" the FairPoint Merger Proposal.

How do I vote?

If you are a FairPoint stockholder of record, as of the record date, after carefully reading and considering the information contained in this joint proxy statement/prospectus, you may vote by any of the following methods:

Internet. Electronically through the Internet by accessing www.envisionreports.com/FRP or use your smartphone to scan the QR code on your proxy card. You may vote through the Internet until 11:59 p.m., Eastern time, on [], 2017. Have your proxy card in hand when you access the website and follow the instructions to obtain your records and create an electronic voting instruction form. Internet voting is available 24 hours a day, and the procedures are designed to authenticate votes cast by using a control number located on your proxy card. These procedures allow you to give a proxy to vote your shares and to confirm that your instructions have been properly recorded. If you vote through the Internet, you should not return your proxy card.

Telephone. By calling 1-800-652-VOTE (8683) within the United States, U.S. territories and Canada on a touch tone telephone. You may vote by telephone until 11:59 p.m., Eastern time, on [], 2017. This toll free number is also included on the proxy card. Telephone voting is available 24 hours a day, and the procedures are designed to authenticate votes cast by using a control number located on your proxy card. These procedures allow you to give a proxy to vote your shares and to confirm that your instructions have been properly recorded. If you vote by telephone, you should not return your proxy card.

Mail. By returning your proxy through the mail. If you complete and properly sign the accompanying proxy card and return it to FairPoint, it will be voted as you direct on the proxy card. In Person. To vote in person at the FairPoint special meeting, you will need to request a ballot at the FairPoint special meeting.

FairPoint recommends that you vote in advance even if you plan to attend the FairPoint special meeting so that FairPoint will know as soon as possible that enough votes will be present for FairPoint to hold the FairPoint special meeting. If you are a stockholder of record and attend the FairPoint special meeting, you may vote at the FairPoint special meeting or deliver your completed proxy card in person.

If your shares are held in "street name," please refer to the information forwarded to you by your bank, broker or other holder of record to see what you must do to vote your shares, including whether you may be able to vote electronically through your bank, broker or other record holder. If so, instructions regarding electronic voting will be provided by the bank, broker or other holder of record to you as part of the package that includes this joint proxy statement/prospectus. If you are a "street name" beneficial holder of shares and you wish to vote in person at the FairPoint special meeting, you will need to obtain a proxy from the institution that holds your shares and present it to the inspector of elections with your ballot when you vote at the FairPoint special meeting.

What will happen if I return my proxy card without indicating how to vote?

If you properly return or submit your proxy but do not indicate how you wish to vote, FairPoint will count your proxy as voted as the FairPoint Board recommends. Therefore, your proxy will be counted as a vote:

Table of Contents

"FOR" the FairPoint Adjournment Proposal.

How are failures to vote and abstentions treated?

A failure to vote will:

be treated as a vote "AGAINST" the FairPoint Merger Proposal,

have no effect on the FairPoint Change in Control Payments Proposal, and

have no effect on the FairPoint Adjournment Proposal.

Abstentions will have the same effect as a vote:

"AGAINST" the FairPoint Merger Proposal,

"AGAINST" the FairPoint Change in Control Payments Proposal, and

"AGAINST" the FairPoint Adjournment Proposal.

How are broker non-votes treated?

A broker "non-vote" occurs on a proposal when shares held of record by a broker are present or represented at a stockholder meeting but the broker is not permitted to vote on that proposal without instruction from the beneficial owner of the shares and no instruction has been given. Brokerage firms have the authority under the New York Stock Exchange ("NYSE") rules to cast votes on certain "routine" matters if they do not receive instructions from their customers, but they do not have the authority to vote on "non-routine" matters. The FairPoint Merger Proposal, the FairPoint Change in Control Payments Proposal and the FairPoint Adjournment Proposal are considered "non-routine" matters. To the extent there are broker non-votes, they will:

be treated as a vote "AGAINST" the FairPoint Merger Proposal,

have no effect on the FairPoint Change in Control Payments Proposal, and

have no effect on the FairPoint Adjournment Proposal.

What is the difference between a stockholder of record and a "street name" beneficial holder of shares?

If your shares are registered directly in your name with FairPoint's transfer agent, Computershare, Inc., you are considered a stockholder of record with respect to those shares. If this is the case, the stockholder proxy materials have been sent or provided directly to you by FairPoint.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the "beneficial holder" of the shares held for you in what is known as "street name." If this is the case, the proxy materials have been forwarded to you by your brokerage firm, bank or other nominee, which is considered the stockholder of record with respect to these shares. As the beneficial holder, you have the right to direct your broker, bank or other nominee how to vote your shares. Please contact your broker, bank, or other nominee for instructions on how to vote any shares you beneficially own.

If my shares are held in "street name" by my broker, will my broker vote my shares for me?

If your shares are held for you as a beneficial owner in "street name," your broker will vote your shares on the proposals only if you provide instructions to your broker on how to vote. You should follow the directions provided by your broker regarding how to instruct your broker to vote your shares. Without instructions, your shares will not be voted, which will have the effect of an **"AGAINST"**

vote for the FairPoint Merger Proposal and will have no effect on the FairPoint Change in Control Payments Proposal and the FairPoint Adjournment Proposal.

Will anyone contact me regarding this vote?

FairPoint has retained Morrow Sodali Global, LLC, 470 West Avenue, Stamford, CT 06902 to aid in the solicitation of proxies and to verify certain records related to the solicitation. FairPoint will pay Morrow Sodali Global, LLC a fee of \$7,500, plus solicitation charges and reimbursement for its reasonable out-of-pocket expenses. Such solicitations may be made by mail, telephone, facsimile, e-mail, the Internet or personal interviews.

Can I change my vote after I have delivered my proxy?

Yes. You can change your vote before the FairPoint special meeting. If you are a FairPoint stockholder of record, you may change your proxy voting instructions in any of the following ways:

by sending a written notice to the corporate secretary of FairPoint that is received prior to the FairPoint special meeting stating that you revoke your proxy;

by submitting a subsequent proxy by Internet, telephone or mail with a later date; or

by attending the FairPoint special meeting and voting your shares.

If your shares are held in "street name," you may change your vote by submitting new voting instructions to your broker or other nominee holder in accordance with the procedures established by it. Please contact your broker or other nominee and follow its directions in order to change your vote.

Should I send in my FairPoint stock certificates with my proxy card?

No. Please DO NOT send your FairPoint stock certificates with your proxy card.

What are the material U.S. federal income tax consequences of the Merger to U.S. holders of FairPoint shares?

Each of Paul Hastings LLP, tax counsel to FairPoint, and Schiff Hardin LLP, tax counsel to Consolidated, is delivering an opinion at the closing of the Merger that the Merger will qualify as a "reorganization" within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (the "Code"). However, neither FairPoint nor Consolidated has requested or received a ruling from the Internal Revenue Service ("IRS") that the Merger will qualify as a reorganization. Assuming that the Merger qualifies as a reorganization, U.S. holders of FairPoint shares should not recognize any gain or loss for U.S. federal income tax purposes when they exchange their FairPoint shares for shares of Consolidated common stock in the Merger, except with respect to cash received in lieu of fractional shares of Consolidated common stock.

The tax opinions regarding the Merger do not address any state, local or foreign tax consequences of the Merger.

Please carefully review the information set forth in the section entitled "Material United States Federal Income Tax Consequences" beginning on page 95 for a description of the material United States federal income tax consequences of the Merger. The tax consequences of the Merger to each FairPoint stockholder will depend on such FairPoint stockholder's own situation. FairPoint's stockholders should consult with their own tax advisors for a full understanding of the tax consequences of the Merger to them.

Table of Contents

When do FairPoint and Consolidated expect the Merger to be completed?

FairPoint and Consolidated are working to complete the Merger as quickly as possible. If (i) FairPoint's stockholders approve the FairPoint Merger Proposal, (ii) Consolidated's stockholders approve the Consolidated Stock Issuance Proposal and (iii) the other conditions to completion of the Merger are satisfied or waived, including required regulatory approvals, it is anticipated that the Merger will be completed in the middle of 2017. However, it is possible that factors outside the control of FairPoint and Consolidated could require FairPoint and Consolidated to complete the Merger at a later time or not complete it at all. See the information set forth in the section entitled "The Merger Agreement Termination of the Merger Agreement; Termination Fees; Expenses" on page 111.

The commitments that Consolidated received from lenders in connection with its financing of the Merger and the transactions contemplated thereby terminate on the earlier of (i) September 30, 2017, or such later date as may be determined in accordance with the Merger Agreement, and (ii) the twelve-month anniversary of such commitments, unless an extension is agreed to by such lenders, as described further in the section entitled "Debt Financing" on page 116.

Can FairPoint's stockholders dissent and require appraisal of their shares?

No. FairPoint's stockholders do not have any appraisal rights in connection with the Merger under Delaware law.

What happens if I sell my shares of FairPoint common stock before the FairPoint special meeting?

The record date of the FairPoint special meeting is earlier than the date of the FairPoint special meeting and the date that the Merger is expected to be completed. If you transfer your shares of FairPoint common stock after the record date but before the FairPoint special meeting, you will retain your right to vote at the FairPoint special meeting, but will have transferred the right to receive the Merger Consideration to be received by FairPoint's stockholders in the Merger. In order to receive the Merger Consideration, you must hold your shares through completion of the Merger.

What should I do if I receive more than one set of voting materials for the FairPoint special meeting?

You may receive more than one set of voting materials for the FairPoint special meeting, including multiple copies of this joint proxy statement/prospectus and multiple proxy cards or voting instruction forms. For example, if you hold your shares in more than one brokerage account, you will receive a separate voting instruction form for each brokerage account in which you hold shares. If you are a holder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction form that you receive or vote by telephone or Internet with respect to each proxy card and voting instruction form that you receive.

What is "householding"?

"Householding" allows companies to deliver only one copy of notices and other proxy materials to multiple stockholders who share the same address (if they appear to be members of the same family) unless such company has received contrary instructions from an affected stockholder. FairPoint does not offer "householding" for stockholders of record. Please contact your broker if you are not a stockholder of record to find out if your broker offers "householding."

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is voted by:

delivering to Consolidated's Secretary at the address set forth in the section entitled "The Consolidated Special Meeting Date, Time and Place" on page 145 a written notice of revocation of your proxy by mail, by telephone or through the Internet;

How many votes are required for the proposals to pass?

The vote required for each of (i) the Consolidated Stock Issuance Proposal and (ii) the Consolidated Adjournment Proposal is the approval of a majority of the votes present, in person or by proxy, and entitled to vote on the matter.

How are abstentions and broker non-votes treated?

Abstentions will have the same effect as a vote:

"**AGAINST**" the Consolidated Stock Issuance Proposal; and

"**AGAINST**" the Consolidated Adjournment Proposal.

A broker "non-vote" occurs on a proposal when shares held of record by a broker are present or represented at a stockholder meeting but the broker is not permitted to vote on that proposal without instruction from the beneficial owner of the shares and no instruction has been given. Brokerage firms have the authority under the NYSE rules to cast votes on certain "routine" matters if they do not receive instructions from their customers, but they do not have the authority to vote on "non-routine" matters. The Consolidated Stock Issuance Proposal and the Consolidated Adjournment Proposal are considered "non-routine" matters. To the extent there are broker non-votes, they will:

Table of Contents

have no effect on the Consolidated Adjournment Proposal.

What if I do not specify a choice for a matter when returning a proxy?

Stockholders should specify their choice for each matter on the enclosed proxy. If no specific instructions are given, proxies that are signed and returned will be voted:

"**FOR**" the Consolidated Stock Issuance Proposal (see page 147); and

"**FOR**" the Consolidated Adjournment proposal (see page 148).

What are the Consolidated Board's recommendations?

The Consolidated Board's recommendations, together with the description of each proposal, are set forth in this joint proxy statement/prospectus. In summary, the Consolidated Board recommends that you vote:

"**FOR**" the Consolidated Stock Issuance Proposal (see page 147); and

"**FOR**" the Consolidated Adjournment Proposal (see page 148).

You should read the section entitled "The Merger Consolidated's Reasons for the Merger" on page 72 for a discussion of the factors that the Consolidated Board considered in deciding to recommend voting "**FOR**" the approval of the Consolidated Stock Issuance Proposal.

Unless you give other instructions on your proxy card, the persons named as proxy holders on the enclosed proxy card will vote in accordance with the recommendations of the Consolidated Board.

Will anyone contact me regarding this vote?

Material United States Federal Income Tax Consequences (page 95)

Each of Paul Hastings LLP, tax counsel to FairPoint, and Schiff Hardin LLP, tax counsel to Consolidated, is delivering an opinion at the closing of the Merger that the Merger will qualify as a "reorganization" within the meaning of Section 368(a) of the Code. Assuming that the Merger qualifies as a reorganization, FairPoint's stockholders should not recognize any gain or loss for U.S. federal income tax purposes when they exchange their FairPoint shares for shares of Consolidated common stock in the Merger, except with respect to cash received in lieu of fractional shares of Consolidated common stock. The tax opinions regarding the Merger do not address any state, local or foreign tax consequences of the Merger. The tax opinions are subject to customary qualifications and assumptions, including that the Merger will be completed according to the terms of the Merger Agreement. In rendering the tax opinions, each counsel is relying on representations of FairPoint, Merger Sub and Consolidated. If any such assumption or representation is or becomes inaccurate, the U.S. federal income tax consequences of the Merger could be adversely affected. An opinion of counsel represents counsel's best legal judgment but is not binding on the IRS or on any court. Neither FairPoint nor Consolidated intends to request any ruling from the IRS as to the U.S. federal income tax consequences of the Merger. Consequently, no assurance can be given that the IRS will not assert, or that a court will not sustain, a position contrary to any of the tax consequences set forth in this joint proxy statement/prospectus. **The tax consequences of the Merger to each FairPoint stockholder will depend on such FairPoint stockholder's own situation. FairPoint's stockholders should consult with their own tax advisors for a full understanding of the tax consequences of the Merger to them.**

Evercore's opinion does not address any other aspect of the Merger and no opinion or view was expressed as to the relative merits of the Merger in comparison to other strategies or transactions that might be available to FairPoint or as to the underlying business decision of FairPoint to engage in the Merger. Evercore's opinion does not address any other aspect of the Merger and does not constitute a recommendation to any stockholder as to how to vote or act in connection with the proposed merger or any related matter.

Opinion of Financial Advisor to Consolidated (page 74 and Annex III)

On December 3, 2016, at a meeting of the Consolidated Board, Morgan Stanley & Co. LLC ("Morgan Stanley"), rendered its oral opinion to the Consolidated Board, subsequently confirmed by delivery of a written opinion dated December 3, 2016, that, as of that date, and based upon and subject to the various assumptions made, procedures followed, matters considered and qualifications and limitations on the scope of review undertaken as set forth in the written opinion, the exchange ratio pursuant to the Merger Agreement was fair from a financial point of view to Consolidated.

The full text of the written opinion of Morgan Stanley to the Consolidated Board, dated as of December 3, 2016, is attached to this joint proxy statement/prospectus as Annex III and is incorporated herein by reference in its entirety. The summary of the opinion of Morgan Stanley in this joint proxy statement/prospectus is qualified in its entirety by reference to the full text of the opinion. You should read Morgan Stanley's opinion, this section and the summary of Morgan Stanley's opinion carefully and in their entirety for a discussion of the assumptions made, procedures followed, matters considered and qualifications and limitations upon the review undertaken by Morgan Stanley in rendering its opinion. Morgan Stanley's opinion was directed to the Consolidated Board, in its capacity as such, and addressed only the fairness from a financial point of view to Consolidated of the exchange ratio pursuant to the Merger Agreement as of the date of such opinion.

Morgan Stanley's opinion did not address any other aspects or implications of the Merger. It was not intended to, and does not, constitute advice or a recommendation to any holder of shares of Consolidated common stock as to how to vote at the Consolidated special meeting or whether to take any other action with respect to the Merger.

Interests of FairPoint Directors and Executive Officers in the Merger (page 84)

In considering the recommendation of the FairPoint Board with respect to the Merger, FairPoint's stockholders should be aware that some of FairPoint's directors and executive officers have interests in the Merger that may be different from, or in addition to, the interests of FairPoint's stockholders generally. The FairPoint Board was aware of these interests and considered them, among other matters, in reaching its decision to approve the FairPoint Merger Proposal and recommending that FairPoint's stockholders vote "**FOR**" the approval of the FairPoint Merger Proposal.

No order, injunction, statute, rule, regulation or decree shall have been issued, enacted, entered, promulgated or enforced by any governmental entity that prohibits, precludes, restrains, enjoins or makes illegal the consummation of the Merger.

Consolidated's registration statement on Form S-4, of which this joint proxy statement/prospectus forms a part, has been declared effective by the SEC and no stop order suspending the effectiveness of the registration statement is in effect, and no proceeding for such purpose is pending or, to Consolidated's or FairPoint's knowledge, threatened by the SEC.

- (2) In July 2012, Consolidated acquired 100% of the outstanding shares of SureWest Communications ("SureWest") in a cash and stock transaction. SureWest results of operations have been included in Consolidated's consolidated financial statements as of the acquisition date of July 2, 2012.
- (3) Acquisition and other transaction costs includes costs incurred related to acquisitions, including severance costs.
- (4) In 2014, Consolidated redeemed \$72.8 million of the original aggregate principal amount of its \$300.0 million 10.875% Senior Notes due 2020 (the "2020 Notes"). In connection with the redemption of the 2020 Notes, Consolidated recognized a loss of \$13.8 million on the partial extinguishment of debt during the year ended December 31, 2014. In 2015, Consolidated redeemed the remaining \$227.2 million of the 2020 Notes for \$261.9 million and recognized a loss on the extinguishment of debt of \$41.2 million during the year ended December 31, 2015 and during the nine-months ended September 30, 2015.
- (5) In 2013, Consolidated entered into a Second Amended and Restated Credit Agreement to restate its term loan credit facility. In connection with entering into the restated credit agreement, Consolidated incurred a loss on the extinguishment of debt of \$7.7 million during the year ended December 31, 2013.
- (6) In 2012, Consolidated entered into a \$350.0 million Senior Unsecured Bridge Loan Facility ("Bridge Facility") to fund the SureWest acquisition. During 2012, Consolidated incurred \$4.2 million of amortization related to the financing costs and \$1.5 million of interest related to ticking fees associated with the Bridge Facility. In addition, in 2012, Consolidated entered into a Second Amendment and Incremental Facility Agreement to amend its term loan facility. As a result, Consolidated incurred a loss on the extinguishment of debt of \$4.5 million related to the repayment of its outstanding term loan.
- (7) In September 2013, Consolidated completed the sale of the assets and contractual rights of its prison services business for a total cash price of \$2.5 million, resulting in a gain of \$1.3 million, net of tax. The financial results and net gain from the sale of the prison services business are included in income from discontinued operations for the years ended on or before December 31, 2013.
- (8) In addition to the results reported in accordance with accounting principles generally accepted in the United States ("US GAAP" or "GAAP"), Consolidated also use certain non-GAAP measures such as EBITDA and adjusted EBITDA to evaluate operating performance and to facilitate the comparison of its historical results and trends. These financial measures are not a measure of financial performance under US GAAP and should not be considered in isolation or as a substitute for net income (loss) as a measure of performance and net cash provided by operating activities as a measure of liquidity. They are not, on their own, necessarily indicative of cash available to fund cash needs as determined in accordance with GAAP. The calculation of these non-GAAP measures may not be comparable to similarly titled measures used by other companies. Reconciliations of these non-GAAP measures to the most directly comparable financial measures presented in accordance with GAAP are provided below.

EBITDA is defined as net earnings before interest expense, income taxes, and depreciation and amortization. Adjusted EBITDA is comprised of EBITDA, adjusted for certain items as permitted or required under Consolidated's credit facility as described in the reconciliations below. These measures are a common measure of operating performance in the telecommunications industry and are useful, with other data, as a means to evaluate Consolidated's ability to fund its estimated uses of cash.

The following tables are a reconciliation of income from continuing operations to Adjusted EBITDA:

- (9) In March 2015, in connection with the completion of the billing integration project to bring SureWest on the legacy Consolidated billing system, the customer and connection metrics were restated for all historic periods, except for December 31, 2012 and December 31, 2011 for which the data was not available. The billing integration effort resulted in standardizing the count methodologies between the two different billing systems.

(1) Upon the October 26, 2009 filing of its petitions under Chapter 11 of Title 11 (the "Bankruptcy Code") of the United States Code protection and through January 24, 2011, in accordance with guidance under the applicable reorganization accounting rules, FairPoint ceased to accrue interest expense on its 13-1/8% senior notes due April 1, 2018, its 13-1/8% senior notes due April 2, 2018 and its interest rate swap agreements, as it was unlikely that such interest expense would be paid or would become an allowed priority secured or unsecured claim. FairPoint continued to accrue interest expense on the credit agreement dated as of March 31, 2008, by and among FairPoint, Northern New England Spinco Inc., Bank of America, N.A., as syndication agent, Morgan Stanley Senior Funding, Inc. and Deutsche Bank Securities Inc., as co-documentation agents, and Lehman Commercial Paper Inc., as administrative agent, and the lenders party thereto as such interest was considered an allowed claim pursuant to FairPoint's Third Amended Joint Plan of Reorganization Under Chapter 11 of the Bankruptcy Code (the "Plan"). All pre-petition debt was terminated on January 24, 2011.

(2) On January 24, 2011, FairPoint emerged from Chapter 11 of the Bankruptcy Code protection and substantially consummated its reorganization through a series of transactions contemplated by the Plan. Reorganization items income

Adjusted EBITDA:

FairPoint reports its financial results in accordance with accounting principles generally accepted in the United States ("GAAP"). The table below includes certain non-GAAP financial measures and the adjustments to the most directly comparable GAAP measure used to determine the non-GAAP measures. FairPoint believes that the non-GAAP measures may be useful to investors in understanding period-to-period operating performance and in identifying historical and prospective trends that may not otherwise be apparent when relying solely on GAAP financial measures. In addition, FairPoint believes the non-GAAP measures are useful for investors because they enable them to view performance in a manner similar to the method used by FairPoint's management. FairPoint believes earnings before interest, taxes, depreciation and amortization ("EBITDA"), as adjusted to exclude the effect of items that are further described below ("Adjusted EBITDA"), provides a useful measure of covenant compliance. The maintenance covenants contained in FairPoint's credit facility are based on Consolidated EBITDA, which is consistent with the calculation of Adjusted EBITDA below.

For purposes of calculating Adjusted EBITDA (in accordance with the definition of Consolidated EBITDA in the Credit Agreement dated February 14, 2013 among FairPoint, as the borrower, and Morgan Stanley Senior Funding, Inc., as administrative agent (the "FairPoint Credit Agreement"), costs, expenses and charges related to the renegotiation of labor contracts including, but not limited to, expenses for third-party vendors and losses related to disruption of operations (including any associated penalties under service level agreements and regulatory performance plans) are permitted to be excluded from the calculation. FairPoint believes this includes, among others, the costs paid to third-parties for the contingent workforce and service quality penalties due to the disruption of operations. On October 17, 2014, two of FairPoint's labor unions in northern New England initiated a work stoppage and returned to work on February 25, 2015. As a result, significant union employee and vehicle and other related expenses related to northern New England were not incurred between October 17, 2014 and February 24, 2015 (the "work stoppage period"). Therefore, to assist in the evaluation of FairPoint's operating performance without the impact of the work stoppage, FairPoint estimated the union employee and vehicle and other related expenses using historical data for the work stoppage period that FairPoint believes would have been incurred absent the work stoppage ("Estimated Avoided Costs"). Estimated Avoided Costs is a pro forma estimate only. Actual costs absent the strike may have been different. In 2014 and 2015, had FairPoint's incumbent workforce been in place, actual labor costs during the work stoppage period may have been higher than the \$33.0 million and \$27.0 million, respectively, recorded as Estimated Avoided Costs due to significant winter storm activity that increased FairPoint's service demands; however, those incremental storm-related costs would have been an allowed add back to Adjusted EBITDA under the FairPoint Credit Agreement. Estimated employee expenses avoided during the work stoppage period include salaries and wages, bonus, overtime, capitalized labor, benefits, payroll taxes, travel expenses and other employee related costs based on a trailing twelve-month average calculated per striking employee per day during the work stoppage period less any actual expense incurred. Estimated vehicle fuel and maintenance expense savings, which resulted from the contingent workforce utilizing their own vehicles, for the work stoppage period were estimated based on a trailing twelve-month average of historical costs less actual expense incurred. FairPoint believes "Adjusted EBITDA minus Estimated Avoided Costs" may be useful to investors in understanding its operating performance without the impact of the two unions' work stoppage in northern New England.

The non-GAAP financial measures, as used herein, are not necessarily comparable to similarly titled measures of other companies. Furthermore, these non-GAAP measures have limitations as analytical tools and should not be considered in isolation from, or as an alternative to, net income or loss, operating income, cash flow or other combined income or cash flow data prepared in accordance with GAAP. Because of these limitations, Adjusted EBITDA and Adjusted EBITDA minus Estimated Avoided Costs should not be considered as measures of discretionary cash available to invest in business growth or reduce indebtedness. FairPoint compensates for these limitations by relying primarily on its GAAP results and using the non-GAAP measures only supplementally.

(A) For purposes of calculating Adjusted EBITDA (in accordance with the definition of Consolidated EBITDA in the FairPoint Credit Agreement), FairPoint adjusts net income/(loss) for interest, income taxes, depreciation and amortization, in addition to:

- (1) the add-back of aggregate pension and other post-employment benefits expense,
- (2) the add-back (or subtraction) of the adjustment to the compensated absences accrual to eliminate the impact of changes in the accrual,
- (3) the add-back of costs related to the reorganization, including professional fees for advisors and consultants,
- (4) the add-back of costs and expenses, including those imposed by regulatory authorities, with respect to casualty events, acts of God or force majeure to the extent they are not reimbursed from proceeds of insurance,
- (5) the add-back of other non-cash items, including stock compensation expense, except to the extent they will require a cash payment in a future period, and
- (6) the add-back (or subtraction) of other items, including facility and office closures, labor negotiation related expenses (including losses related to disruption of operations), non-cash gains/losses and non-operating dividend and interest income and other extraordinary gains/losses.

(C) On October 16, 2014, FairPoint received payment and recorded one-time, non-operating income of \$6.7 million, which is included in the calculation of Adjusted EBITDA in connection with a settlement involving a litigation trust created for the benefit of creditors in FairPoint's bankruptcy filing.

SUMMARY UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL INFORMATION

The following summary unaudited pro forma condensed combined financial information ("summary pro forma financial information") is based upon the historical consolidated financial statements of Consolidated and FairPoint, which are incorporated by reference into this joint proxy statement/prospectus, and has been prepared to reflect the Merger, based on the acquisition method of accounting, with Consolidated treated as the acquirer. The historical consolidated financial statements have been adjusted to give effect to pro forma events that are directly attributable to the Merger and factually supportable and, in the case of the statement of income, that are expected to have a continuing impact.

The summary pro forma financial information is derived from the unaudited pro forma condensed combined financial statements contained in this joint proxy statement/prospectus. See the section entitled "Unaudited Pro Forma Condensed Combined Financial Statements" on page 118. The summary pro forma financial information should be read in conjunction with the historical consolidated financial statements and accompanying notes of Consolidated and FairPoint, incorporated by reference into this joint proxy statement/prospectus and the unaudited pro forma condensed combined financial statements. The unaudited pro forma condensed combined statements of income, which have been prepared for the nine months ended September 30, 2016 and the year ended December 31, 2015, give effect to the Merger as if it had occurred on January 1, 2015. The unaudited pro forma condensed combined balance sheet has been prepared as of September 30, 2016 and gives effect to the Merger as if it had occurred on that date.

As of the date of this joint proxy statement/prospectus, Consolidated has not finalized the detailed valuation studies necessary to arrive at the required fair market value of the FairPoint assets to be acquired and the liabilities to be assumed and the related allocations of the purchase price nor has it identified all adjustments necessary to conform FairPoint to Consolidated's accounting policies. Consolidated has made certain pro forma adjustments to the historical book values of the assets and liabilities of FairPoint to reflect certain preliminary estimates of the fair value of the net assets acquired, with the excess of the estimated purchase price over the estimated fair values of FairPoint's acquired assets and assumed liabilities recorded as goodwill. See Note 2 to the section entitled "Unaudited Pro Forma Condensed Combined Financial Statements" on page 118. Actual results are expected to differ from these preliminary estimates once Consolidated has determined the final purchase price (as determined by the market price of Consolidated common stock on the closing date of the Merger) for FairPoint, has completed the valuation studies necessary to finalize the required purchase price allocations and identified any necessary conforming accounting policy accounting changes for FairPoint. There can be no assurances that such finalization will not result in material changes.

The summary pro forma financial information is not intended to represent or be indicative of the consolidated results of operations or financial condition of the combined company that would have been reported had the Merger been completed as of the dates presented and should not be taken as representative of the future consolidated results of operations or financial condition of the combined company.

Upon completion of the Merger, various triggering events will have occurred which result in cash payments to certain FairPoint employees under various employment and severance in connection with a change in control agreements. The estimated payments under these agreements will range from approximately \$7.0 million to \$9.0 million and have been included as a pro forma adjustment in the unaudited pro forma condensed combined balance sheet as of September 30, 2016. No adjustment has been included in the unaudited pro forma condensed combined statements of income for these payments because they are considered to be of a non-recurring nature.

Table of Contents

The summary pro forma financial information does not include the realization of future cost savings or synergies or costs or restructuring charges that are expected to result from Consolidated's acquisition of FairPoint. The transaction is expected to generate annual operating synergies of approximately \$55.0 million, which are expected to be achieved on a run-rate basis by the end of the second year after close. However, no assurance can be given with respect to the ultimate amount of such synergies or the timing of their realization. Consolidated also expects to incur merger and integration costs over the first two years following the close.

The following table sets forth the closing sale price per share of FairPoint common stock and Consolidated common stock as of December 2, 2016, the last trading day prior to the public announcement of the proposed Merger, and as of January 20, 2017, the most recent practicable trading day prior to the date of this joint proxy statement/prospectus. The table also includes the value of FairPoint common stock on an equivalent price per share basis, as determined by reference to the value of merger consideration to be received in respect of each share of FairPoint common stock in the Merger. These equivalent prices per share reflect the fluctuating value of the Consolidated common stock that FairPoint stockholders would receive in exchange for each share of FairPoint common stock

if the Merger was completed on either of these dates, applying the exchange ratio of 0.7300 shares of Consolidated common stock for each share of FairPoint common stock.

	FairPoint Common Stock	Consolidated Common Stock	Equivalent Value of FairPoint Common Stock
December 2, 2016	\$ 17.00	\$ 28.38	\$ 20.72
January 20, 2017	\$ 18.50	\$ 26.20	\$ 19.13

The market value of the Consolidated common stock to be issued in exchange for shares of FairPoint common stock upon the completion of the Merger will not be known at the time of the FairPoint special meeting. The above tables show only historical comparisons. Because the market prices of Consolidated common stock and FairPoint common stock will likely fluctuate prior to the Merger, these comparisons may not provide meaningful information to FairPoint's stockholders in determining whether to adopt the Merger Agreement and approve the transactions contemplated thereby. Stockholders are encouraged to obtain current market quotations for Consolidated common stock and FairPoint common stock and to review carefully the other information contained in this joint proxy statement/prospectus or incorporated by reference in this joint proxy statement/prospectus. See the section entitled "Where You Can Find More Information" on page 150.

No assurance can be given as to the market price of Consolidated common stock or the market price of FairPoint common stock at the effective time of the Merger. The market price of Consolidated common stock will continue to fluctuate after the effective time of the Merger. See the section entitled "Risk Factors Relating to the Merger" on page 34.

The following table sets forth for the period presented certain per share information for Consolidated common stock and FairPoint common stock on a historical basis and on an unaudited pro forma basis after giving effect to the Merger under the acquisition method of accounting. The historical per share information for Consolidated and FairPoint has been derived from, and should be read in conjunction with, the historical consolidated financial statements of Consolidated and FairPoint incorporated by reference into this joint proxy statement/prospectus. See the section entitled "Where You Can Find More Information" on page 150. The Consolidated unaudited pro forma combined per share information has been derived from, and should be read in conjunction with, the unaudited pro forma condensed combined financial information included in this joint proxy statement/prospectus. See the section entitled "Unaudited Pro Forma Condensed Combined Financial Statements" on page 118.

The unaudited pro forma FairPoint equivalent information was calculated by multiplying the corresponding Consolidated unaudited pro forma combined information by 0.7300, which is the exchange ratio for the stock consideration in the pro forma condensed combined financial statements. See Note 2 in the "Unaudited Pro Forma Condensed Combined Financial Statements" on page 122. This data shows how each share of FairPoint common stock that is converted in the Merger into shares of Consolidated common stock would have participated in income from continuing operations, cash dividends declared and book value of Consolidated if FairPoint and Consolidated had been combined for accounting and financial reporting purposes for the period presented. These amounts, however, are

not intended to be indicative of the historical results that would have been achieved had the companies actually been combined for the period presented or of the future results of the combined company.

Consolidated expects to continue to pay quarterly dividends at an annual rate of \$1.5495 per share during 2017 but only if and to the extent declared by the Consolidated Board and subject to various restrictions on Consolidated's ability to do so. Dividends on Consolidated common stock are not cumulative.

FairPoint does not currently pay a quarterly dividend and is prohibited pursuant to the Merger Agreement from making, declaring or paying any dividend without the prior consent of Consolidated.

RISK FACTORS RELATING TO THE MERGER

In addition to the other information included in and incorporated by reference into this joint proxy statement/prospectus, FairPoint's stockholders should consider carefully the matters described below in determining whether to approve the FairPoint Merger Proposal and Consolidated's stockholders should consider carefully the matters described below in determining whether to approve the Consolidated Stock Issuance Proposal. Please also refer to the information under the heading "Risk Factors" set forth in Item 1A in each of Consolidated's Annual Report on Form 10-K for the fiscal year ended December 31, 2015 and FairPoint's Annual Report on Form 10-K for the fiscal year ended December 31, 2015, as amended and as updated by subsequent Quarterly Reports on Form 10-Q, each of which is incorporated by reference into this joint proxy statement/prospectus. See the section entitled "Where You Can Find More Information" on page 150.

The price of Consolidated common stock may be affected by factors different from those affecting the price of FairPoint common stock.

Upon completion of the Merger, holders of FairPoint common stock will become Consolidated's stockholders. Consolidated's business and results of operations and the market price of Consolidated common stock may be affected by factors different than those affecting FairPoint's business and results of operations and the market price of FairPoint common stock. For a discussion of Consolidated's and FairPoint's businesses and certain factors to consider in connection with their businesses, see the periodic reports and other documents of Consolidated and FairPoint incorporated by reference into this joint proxy statement/prospectus and listed under the section entitled "Where You Can Find More Information" on page 150.

The Merger Agreement contains provisions that could discourage a potential competing acquiror that might be willing to pay more to effect a business combination with FairPoint.

The Merger Agreement contains "no solicitation" provisions that restrict FairPoint's ability to solicit or facilitate proposals regarding a merger or similar transaction with another party. Further, several conditions must be satisfied in order for the FairPoint Board to withdraw, amend or modify its recommendation regarding the proposed Merger, including that Consolidated generally has an opportunity to offer to modify the terms of the proposed Merger in response to any competing acquisition proposal that may be made before the FairPoint Board may withdraw, amend or modify its recommendation regarding the proposed Merger. See the section entitled "The Merger Agreement No Solicitation; Changes in Recommendations" on page 104. If the FairPoint Board withdraws, amends or modifies its recommendation regarding the proposed Merger, Consolidated has the right to terminate the Merger Agreement and receive an \$18.9 million termination fee from FairPoint. These provisions could discourage a potential competing acquiror from considering or proposing an acquisition of FairPoint, even if it were prepared to pay consideration with a higher value than the shares proposed to be issued in the Merger, or might result in a potential competing acquiror proposing to pay a lower per share price than it might otherwise have proposed to pay because of the added expense of the termination fee.

Lawsuits may be filed against FairPoint, members of the FairPoint Board, Consolidated, members of the Consolidated Board and/or Merger Sub challenging the Merger and any adverse judgment in such lawsuits may prevent the Merger from becoming effective or from becoming effective within the expected timeframe.

FairPoint's and/or Consolidated's stockholders may file lawsuits challenging the Merger, which may name FairPoint, Consolidated, members of the FairPoint Board, members of the Consolidated Board and/or Merger Sub as defendants. Neither FairPoint nor Consolidated can assure you as to the outcome of such lawsuits, if any, including the amount of costs associated with defending any such claim or any other liabilities that may be incurred in connection with the litigation of any such claim. If

Table of Contents

plaintiffs are successful in obtaining an injunction prohibiting the parties from completing the Merger on the agreed-upon terms, such an injunction may delay the consummation of the Merger in the expected timeframe, or may prevent the Merger from being consummated altogether. Whether or not any plaintiff's claim would be successful, this type of litigation may result in significant costs and may divert FairPoint's and/or Consolidated's management's attention and resources, which could adversely affect the operation of FairPoint's and/or Consolidated's respective businesses.

The integration of Consolidated and FairPoint following the Merger may present significant challenges.

Consolidated may face significant challenges in combining FairPoint's operations into its operations in a timely and efficient manner and in retaining key FairPoint personnel. The failure to successfully integrate Consolidated and FairPoint and to successfully manage the challenges presented by the integration process may result in Consolidated not achieving the anticipated benefits of the Merger including operational and financial synergies.

Restrictions in Consolidated's debt agreements may prevent Consolidated from paying dividends.

Consolidated's ability to pay dividends will be restricted by current and future agreements governing its debt, including its current credit agreement, its current indenture governing its senior notes and the financing agreements expected to be in place upon consummation of the Merger. See the section entitled "Debt Financing" on page 116. Consolidated expects that, giving pro forma effect to the Merger and related transactions, including its new incremental term loan facility, as of September 30, 2016, it would have been able to pay aggregate dividends under Consolidated's credit agreement of \$350.6 million on the approximately 71.8 million shares of Consolidated common stock expected to be outstanding upon consummation of the Merger.

Consolidated will have a substantial amount of debt outstanding and may incur additional indebtedness in the future, which could restrict Consolidated's ability to pay dividends and fund working capital and planned capital expenditures.

As of September 30, 2016, Consolidated had \$1.4 billion of long-term debt and \$17.1 million of capital leases outstanding along with \$211.5 million of stockholders' equity. It will incur additional debt in the approximate amount of \$935.0 million, which excludes debt discount, in order to complete the Merger and repay and redeem FairPoint's debt. This amount of leverage could have important consequences, including:

Consolidated may be required to use a substantial portion of Consolidated's cash flow from operations to make interest payments on Consolidated's debt, which will reduce funds available for operations, future business opportunities and dividends;

Consolidated may have limited flexibility to react to changes in Consolidated's business and its industry;

it may be more difficult for Consolidated to satisfy its other obligations;

Consolidated may have a limited ability to borrow additional funds or to sell assets to raise funds if needed for working capital, capital expenditures, acquisitions, or other purposes;

Consolidated may become more vulnerable to general adverse economic and industry conditions, including changes in interest rates; and

Consolidated may be at a disadvantage compared to its competitors that have less debt.

Consolidated currently expects its cash interest expense to be approximately \$105.0 million to \$110.0 million in fiscal year 2017 assuming consummation of the Merger by September 30, 2017. Future interest expense will be higher than historic interest expense as a result of higher levels of indebtedness

Table of Contents

incurred to consummate the Merger. Consolidated's ability to make payments on its debt and to pay dividends on its common stock will depend on its ability to generate cash in the future, which will depend on many factors beyond its control. Consolidated cannot assure you that:

its business will generate sufficient cash flow from operations to service and repay its debt, pay dividends on its common stock and fund working capital and planned capital expenditures;

future borrowings will be available under its credit facilities or any future credit facilities in an amount sufficient to enable it to repay its debt and pay dividends on its common stock; or

it will be able to refinance any of its debt on commercially reasonable terms or at all.

If Consolidated cannot generate sufficient cash from its operations to meet its debt service obligations, Consolidated may need to reduce or delay capital expenditures, the development of its business generally and any acquisitions. If Consolidated becomes unable to meet its debt service and repayment obligations, Consolidated would be in default under the terms of its credit agreement and the indenture governing its senior notes, which would allow its lenders and noteholders to declare all outstanding borrowings to be due and payable. If the amounts outstanding under its credit facilities and senior notes indenture were to be accelerated, Consolidated cannot assure you that its assets would be sufficient to repay in full the money owed.

The opinions obtained by the Consolidated Board and the FairPoint Board from their respective financial advisors do not and will not reflect changes in circumstances after the date of such opinions.

The Consolidated Board received a written opinion dated December 3, 2016 from its financial advisor that the exchange ratio pursuant to the Merger Agreement was fair, from a financial point of view, to Consolidated, and the FairPoint Board received a written opinion dated December 3, 2016 from its financial advisor that the exchange ratio pursuant to the Merger Agreement was fair, from a financial point of view, to the holders of shares of FairPoint common stock. Each opinion was given as of its date, and based on and subject to the various assumptions made, procedures followed, matters considered and qualifications and limitations on the scope of review undertaken as set forth in the respective written opinion. Changes in the operations or prospects of Consolidated or FairPoint, general market and economic conditions and other factors that may be beyond the control of Consolidated and FairPoint, and on which the above-described opinions were based, may alter the value of Consolidated or FairPoint or the prices of shares of Consolidated common stock or FairPoint common stock by the time the combination is completed. Consolidated and FairPoint have not obtained, and do not expect to request, updated opinions from their respective financial advisors. Neither of the above-listed opinions speak to any date other than the date of such opinion. For a more complete description of the above-described opinions, please refer to the sections entitled "The Merger Opinion of Financial Advisor to FairPoint" and "The Merger Opinion of Financial Advisor to Consolidated" on pages 59 and 74, respectively.

Obtaining required approvals and satisfying closing conditions may delay or prevent completion of the Merger and/or result in the incurrence of additional costs.

The Merger is currently expected to close by the middle of 2017, assuming that all of the conditions in the Merger Agreement are satisfied or waived. Certain events may delay the completion of the Merger or result in a termination of the Merger Agreement. Some of these events are outside the control of either party. Completion of the Merger is conditioned upon FairPoint's stockholders approving, at the FairPoint special meeting, the FairPoint Merger Proposal and Consolidated's stockholders approving, at the Consolidated special meeting, the Consolidated Stock Issuance Proposal. If the stockholders of FairPoint or Consolidated do not approve these matters at their respective meetings, the Merger will not be consummated. Completion of the Merger is also conditioned upon, among other things, the receipt of certain governmental consents and regulatory approvals of the

Table of Contents

change in control transaction and/or the guarantee and pledge of stock or assets of certain regulated subsidiaries of FairPoint, including approval by the FCC and the Colorado PUC, the Georgia PSC, the Illinois CC, the Kansas CC, the Maine PUC, the New Hampshire PUC, the New York PSC, the Ohio PUC, the Pennsylvania PUC, the Vermont PSB, the Virginia SCC and filing notices with the Alabama PSC, the Florida PSC, the Massachusetts DPU, the Missouri PSC, the Oklahoma CC and the Washington UTC. Certain other state and municipal franchise authority approvals and notices may also be required in connection with the transfer of control of cable and internet protocol television franchises held by subsidiaries of FairPoint. While Consolidated and FairPoint intend to pursue vigorously all required consents and approvals and do not know of any reason why they would not be able to obtain them in a timely manner, the requirement to obtain these consents and approvals prior to completion of the Merger could jeopardize or delay completion of the Merger, possibly for a significant period of time after FairPoint's stockholders have approved the FairPoint Merger Proposal and Consolidated's stockholders have approved the Consolidated Stock Issuance Proposal. Further, these consents and approvals may impose conditions on or require divestitures relating to the divisions, operations or assets of Consolidated or FairPoint. Such conditions or divestitures may further jeopardize or delay completion of the Merger or may reduce the anticipated benefits of the Merger.

No assurance can be given that the required consents and approvals will be obtained or that the required conditions to closing will be satisfied. Even if all such consents and approvals are obtained, no assurance can be given as to the terms, conditions and timing of the consents and approvals or that they will satisfy the terms of the Merger Agreement. See the sections entitled "The Merger Agreement Conditions of the Merger" for a discussion of the conditions to the completion of the Merger, "The Merger Agreement Commercially Reasonable Efforts to Complete the Merger; Other Agreements" for a discussion of the parties' obligations to cooperate (including certain limitations thereon) with respect to the receipt of such consents and approvals, and "The Merger Regulatory Approvals Required for the Merger" for a description of the regulatory approvals necessary in connection with the Merger. If the Merger is not completed by September 30, 2017, or such later date determined in accordance with the Merger Agreement, either FairPoint or Consolidated may terminate the Merger Agreement (provided that the party terminating the Merger Agreement has not materially contributed to the failure to fulfill any condition under the Merger Agreement). See the section entitled "The Merger Agreement Termination of the Merger Agreement; Termination Fees; Expenses" on page 111.

FairPoint and/or Consolidated may incur significant additional costs and expenses, including those under the Incremental Term Loan Facility being used by Consolidated to partially fund the Merger, in connection with any delay in completing the Merger or the termination of the Merger Agreement, including significant additional transaction costs, including legal, financial advisory, accounting and other costs we have already incurred.

Consolidated will incur transaction, integration and restructuring costs in connection with the Merger.

Consolidated and FairPoint expect to incur costs associated with transaction fees and other costs related to the Merger. Specifically, Consolidated and FairPoint expect to incur approximately \$64.1 million of transaction costs related to the Merger. In addition, Consolidated will incur integration and restructuring costs following the completion of the Merger as it integrates the businesses of FairPoint with those of Consolidated. Although Consolidated expects that the realization of efficiencies related to the integration of the businesses will offset incremental transaction, integration and restructuring costs over time, Consolidated cannot give any assurance that this net benefit will be achieved in the near term or at all.

Table of Contents

FairPoint's stockholders will have ownership and voting interests in Consolidated after the Merger lower than they did in FairPoint and will exercise less influence over management of Consolidated than they currently exercise over management of FairPoint.

After the effective time of the Merger, FairPoint's stockholders who receive stock consideration in the Merger will own in the aggregate a significantly smaller percentage of Consolidated than they currently own of FairPoint. Immediately following the Merger, those stockholders are expected to own approximately []% of the outstanding shares of Consolidated common stock, based on the number of shares of FairPoint common stock and Consolidated common stock outstanding as of [], 2017, the most recent practicable trading day prior to the date of this joint proxy statement/prospectus. Consequently, FairPoint's stockholders, as a general matter, will have less influence over the management and policies of Consolidated than they currently exercise over the management and policies of FairPoint.

The shares of Consolidated common stock to be received by FairPoint's stockholders as a result of the Merger will have different rights from the shares of FairPoint common stock.

FairPoint's stockholders' rights are currently governed by the FairPoint certificate of incorporation and the FairPoint bylaws. FairPoint's stockholders will, upon completion of the Merger, become stockholders of Consolidated, and their rights will be governed by the Consolidated certificate of incorporation and the Consolidated bylaws. See the section entitled "Comparison of Rights of Common Stockholders of FairPoint and Common Stockholders of Consolidated" on page 130.

Certain directors and executive officers of FairPoint may have potential conflicts of interest with respect to the approval of the Merger Agreement.

Some of FairPoint's directors and executive officers have interests in the Merger that are different from, or in addition to, those of FairPoint's stockholders generally. Consolidated has agreed to elect one director selected from the FairPoint Board and approved by Consolidated (such approval not to be unreasonably conditioned, withheld or delayed) to serve on the Consolidated Board after the consummation of the Merger, and will take all actions necessary to appoint such individual to the Consolidated Board and to cause the authorized size of the Consolidated Board to increase as of immediately following the Merger. Although other FairPoint directors will not become directors of Consolidated after the Merger, Consolidated will indemnify and maintain liability insurance for all of the officers and directors of FairPoint for their services as directors or officers before the Merger. In addition, certain of the executive officers of FairPoint are party to employment agreements that require FairPoint and its successors and assigns to indemnify such officers and entitle each such executive officer to enhanced severance if his or her employment were to terminate following the Merger under specific circumstances. The Merger Agreement also provides that equity awards held by FairPoint executive officers will accelerate and be converted to Consolidated common stock in connection with the Merger. Stock options held by FairPoint's named executive officers are receiving the same treatment as all other outstanding stock options held by FairPoint's employees. See the section entitled "The Merger Interests of FairPoint Directors and Executive Officers in the Merger" on page 84 for a discussion of these interests.

Table of Contents

Whether or not the Merger is completed, the pendency of the transaction could cause disruptions in the businesses of FairPoint and Consolidated, which could have an adverse effect on their businesses and financial results.

The pendency of the Merger could cause disruptions in the businesses of FairPoint and Consolidated, including, but not limited to, the following:

current and prospective employees may experience uncertainty about their future roles with the combined company or consider other employment alternatives, which might adversely affect FairPoint's and Consolidated's ability to retain or attract key managers and other employees;

current and prospective customers of FairPoint or Consolidated may experience variations in levels of services as the companies prepare for integration or may anticipate change in how they are served and may, as a result, choose to discontinue their service with either company or choose another provider; and

the attention of management of each of FairPoint and Consolidated may be diverted from the operation of the businesses toward the completion of the Merger.

The unaudited pro forma financial statements are presented for illustrative purposes only and should not be viewed as a forecast of Consolidated's financial condition or results of operations following the Merger.

The unaudited pro forma financial statements have been derived from the historical financial statements of Consolidated and FairPoint and certain adjustments and assumptions have been made regarding Consolidated after giving effect to the Merger. The information upon which these adjustments and assumptions have been made is preliminary, and these kinds of adjustments and assumptions are difficult to make with complete accuracy. Moreover, the unaudited pro forma financial statements do not reflect all costs that are expected to be incurred or savings to be achieved by Consolidated in connection with the Merger. For example, neither the impact of any incremental costs incurred in integrating the two companies, nor any potential cost savings is reflected in the unaudited pro forma financial statements. As a result, the actual financial condition and results of operations of Consolidated following the Merger will likely not be consistent with, or evident from, these unaudited pro forma financial statements. In addition, the assumptions used in preparing the unaudited pro forma financial information may not prove to be accurate, and other factors may affect Consolidated's financial conditions or results of operations following the Merger. Therefore, stockholders of Consolidated and stockholders of FairPoint should not place undue reliance on the pro forma financial statements when deciding whether to vote for their respective proposals relating to the Merger. See the section entitled "Summary Unaudited Pro Forma Condensed Combined Financial Information" on page 29.

Any delay in the completion of the Merger may significantly reduce the benefits expected to be obtained from the Merger or could adversely affect the market price of Consolidated or FairPoint common stock or their future business and financial results.

In addition to the required regulatory clearances and approvals, the Merger is subject to a number of other conditions, including approvals of Consolidated's stockholders and FairPoint's stockholders, that are beyond the control of Consolidated and FairPoint and that may prevent, delay or otherwise materially and adversely affect completion of the Merger. Consolidated and FairPoint cannot predict whether and when these other conditions will be satisfied.

Table of Contents

Completion of the Merger, the failure to complete the Merger and delays completing the Merger could result in a significant adverse change in the market price of the Consolidated and/or FairPoint common stock.

Failure to complete the Merger would prevent Consolidated and FairPoint from realizing the anticipated benefits of the Merger. Each company would also remain liable for significant transaction costs, including legal, accounting and financial advisory fees. Any delay in completing the Merger may significantly reduce the synergies and other benefits that Consolidated expects to achieve if it successfully completes the Merger within the expected timeframe and integrates the businesses. In addition, the market price of each company's common stock may reflect various market assumptions as to whether and when the Merger will be completed. Consequently, the completion of, the failure to complete, or any delay in the completion of the Merger could result in a significant adverse change in the market price of Consolidated and/or FairPoint common stock, particularly to the extent that the current market price reflects a market assumption that the Merger will be completed.

A failed transaction may result in negative publicity and a negative impression of Consolidated and/or FairPoint in the investment community. Further, any disruptions to either parties' business resulting from the announcement and pendency of the Merger, including any adverse changes in our relationships with their respective customers, suppliers and employees, could continue or accelerate in the event of a failed transaction. In addition, if the Merger is not completed, Consolidated or FairPoint may be required to pay a termination fee of \$18.9 million under certain circumstances set forth in the Merger Agreement.

In addition, Consolidated and FairPoint have incurred, and will continue to incur, significant costs, expenses and fees for professional services and other transition costs in connection with the Merger. Each of the parties will be required to pay such costs relating to the transaction whether or not the Merger is consummated.

risks to the Merger and the surviving company related to litigation in which Consolidated and FairPoint are or may become involved.

These and other uncertainties related to the businesses of Consolidated and FairPoint are described in greater detail in the section entitled "Risk Factors Relating to the Merger" on page 34 and in the filings of Consolidated and of FairPoint with the SEC, including Consolidated's and FairPoint's Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q. See the section entitled "Where You Can Find More Information" on page 150. Many of these risks are beyond each of Consolidated's and FairPoint's management's ability to control or predict. THE MERGER

The Companies

Consolidated

Consolidated, a Delaware holding company, together with its operating subsidiaries, is based in Mattoon, Illinois and is a leading business and broadband communications provider throughout its 11-state service area. Consolidated was founded in 1894 as the Mattoon Telephone Company by the great-grandfather of one of the members of the Consolidated Board, Richard A. Lumpkin. After several acquisitions, the Mattoon Telephone Company was incorporated as the Illinois Consolidated Telephone Company ("ICTC") on April 10, 1924. Consolidated was incorporated under the laws of Delaware in 2002, and, through its predecessors, Consolidated has provided telecommunications services for more than a century. Through strategic acquisitions over the last decade, Consolidated has grown its business, diversified its revenue and cash flow streams and created a strong platform for future growth. Consolidated's strategic approach in evaluating potential transactions include analysis of the market, the quality of the network, Consolidated's ability to integrate the acquired company efficiently, the potential for creating significant operating synergies and a positive cash flow at the inception of each acquisition. The operating synergies are created through the use of consistent platforms, convergence of processes and functional management of the combined entities. Consolidated measures its synergies during the first two years following an acquisition. For example, the acquisition of Consolidated's Texas properties in 2004 tripled the size of Consolidated's business and gave Consolidated the requisite scale to make system and platform decisions that would facilitate future acquisitions. For the acquisition of Consolidated's Pennsylvania properties in 2007, Consolidated achieved synergies in excess of \$12.0 million in annualized savings, which at the time, represented about 20% of its operating expense. For Consolidated's acquisition of SureWest Communications in 2012, Consolidated achieved synergies in excess of 10% more than the originally projected amount of \$25.0 million. For Consolidated's acquisition of Eventis Corporation in October 2014, Consolidated achieved annual operating synergies of approximately \$17.0 million, which exceeded the original estimate in excess of 20%. Consolidated has positioned its business to provide services in both rural and suburban markets with service territories spanning the country.

Consolidated leverages its advanced fiber optic network and multiple data centers to provide reliable, high-quality communication solutions including: high-speed internet, digital TV, data, phone, managed services, a comprehensive suite of cloud services and wireless backhaul. Consolidated is dedicated to turning technology into solutions, connecting people and enriching how its customers work and live.

FairPoint, a Delaware corporation, provides advanced data, voice and video technologies to single and multi-site businesses, public and private institutions, consumers, wireless companies and wholesale re-sellers in 17 states. The revisions included an additional provision regarding alternative financing and noted that the parties would need to discuss appropriate price protections and the addition of the minimum cash requirement. Mr. Udell and Mr. Sunu discussed converting the \$18.00 per share offer into an agreed exchange ratio as opposed to a fixed price per share. Mr. Udell indicated that he would consider moving to an exchange ratio, and Mr. Sunu proposed a range for the exchange ratio. Based on then current market prices, the proposal would result in FairPoint's stockholders owning 29.4% of the outstanding Consolidated common stock. The letter provided that FairPoint would be entitled to appoint one member of the Consolidated Board. Recommendation of the FairPoint Board; FairPoint's Reasons for the Merger

At a meeting held on December 3, 2016, the FairPoint Board, by unanimous vote, determined that the Merger was in the best interest of FairPoint and its stockholders, approved the Merger Agreement and the transactions contemplated by the Merger Agreement and recommended that FairPoint's stockholders vote "**FOR**" the Merger proposal.

In reaching its decision to approve the Merger Agreement and the Merger and to recommend that FairPoint's stockholders vote "**FOR**" the Merger proposal, the FairPoint Board, with the assistance of FairPoint's management and financial and legal advisors, considered and analyzed a number of factors, including those reviewed by the FairPoint Board at the meetings described in this joint proxy statement/prospectus under " Background of the Merger." The following is a summary of the material factors considered by the FairPoint Board in determining to approve the Merger Agreement and the Merger

transactions and to recommend that FairPoint's stockholders vote "**FOR**" the Merger proposal (which are not listed in any relative order of importance):

Positive Factors Relating to the Merger

Factors Relating to the Transaction Generally

The FairPoint Board determined that the Merger Consideration to be paid per share of FairPoint common stock of 0.7300 shares of Consolidated common stock, together with the potential value creation from the combination of the two companies, is more favorable to FairPoint's stockholders than the potential value that might result from other alternatives reasonably available to FairPoint, including, but not limited to, the continued operation of FairPoint on a stand-alone basis, in light of a number of factors, including the following:

the benefits, potential risks and uncertainties associated with the Merger as compared to those of other potential strategic alternatives that might be available to FairPoint, as well as those of remaining as a stand-alone entity, in the context of FairPoint's business, assets and prospects, its historical and projected financial performance and the opportunities and challenges facing FairPoint and its industry, as well as broader economic developments affecting its businesses;

the strategic and other alternatives reasonably available to FairPoint as determined through FairPoint's strategic alternatives review process, including the alternative of remaining a stand-alone public company, in light of a number of factors and the potential risks and uncertainties associated with those alternatives, none of which other alternatives was deemed likely to result in value to FairPoint's stockholders that would meet or exceed, on a present-value basis, the value of the Merger Consideration;

Consolidated was one of the most logical strategic partners in a consolidating industry in light of its complementary products and strategic position and the potential for the realization of synergies, such that a business combination transaction with Consolidated was most likely to provide significant long-term value to FairPoint's stockholders; and

the FairPoint Board's view that the terms of the Merger Agreement would not preclude or otherwise limit any third party with the financial capability and strategic interest of acquiring FairPoint from pursuing a potential superior proposal.

The Merger would provide FairPoint stockholders with an implied ownership in the combined company of approximately 29%, thereby allowing FairPoint stockholders the opportunity to participate in the future performance of the combined company, including synergies resulting from the Merger;

Consolidated management's estimate that the Merger is expected create approximately \$55 million in annual operating expense synergies, and from which FairPoint's stockholders would benefit as continuing stockholders;

The expectation that the combined company would benefit from utilization of FairPoint's accumulated net operating losses of approximately \$295 million as of September 2016 after the closing of the Merger;

FairPoint has established a solid operating platform, and the combined company could use this platform to deliver a broader range of services and advanced communications solutions to meet customer demands;

FairPoint's operating platform would not require any operating systems conversions or cut-overs as a result of the closing of the Merger;

The combined company would benefit from economies of scale which would provide the combined company with greater purchasing power and expectation of earlier access to new technologies and solutions;

The Merger would result in an extensive fiber rich footprint spanning over 31,000 fiber route miles and operate in 24 states; and

The combined company would be a financially stronger company than FairPoint as a standalone company before the Merger, benefiting from a more diverse revenue base and an increase in free cash flow.

Consolidated's Business, Operating Results, Financial Condition and Management

The business, operating results and financial condition of Consolidated, on both a historical and prospective basis, and the quality, breadth and experience of Consolidated's senior management, including:

Consistent with Consolidated's current dividend practice, that the Consolidated Board expects to maintain its annual dividend of \$1.55 per share after the closing of the Merger;

Consolidated's successful history of integrating previous acquisitions;

The results of the due diligence review performed on Consolidated by FairPoint's management and financial and legal advisors regarding Consolidated's assets, financial condition, results of operations, business plan and prospects, including the size, scale, competitive position, and prospects of the combined company;

The alignment between FairPoint's and Consolidated's strategic vision; and

The focus on business and broadband growth initiatives of Consolidated's management.

Merger Consideration

The Merger Consideration to be paid per share of FairPoint common stock consists of 0.7300 shares of Consolidated common stock, which represents a 17.3% premium to the average exchange ratio of 0.6222 over the 30-business day period ended December 2, 2016 (the last trading day before the announcement);

Based on the fixed exchange ratio of 0.7300 shares, FairPoint stockholders would benefit from any increase in trading price of Consolidated common stock prior to completion of the combination;

FairPoint stockholders would benefit from enhanced liquidity after the Merger based on the higher average daily trading volume of Consolidated common stock compared to that of FairPoint common stock, which could provide FairPoint stockholders with the flexibility to sell their shares for cash in a more liquid market; and

The oral opinion followed by a confirming written opinion of Evercore, dated December 3, 2016, delivered to the FairPoint Board to the effect that, as December 3, 2016 and based upon and subject to the assumptions, limitations, qualifications and other matters set forth therein, the exchange ratio was fair, from a financial point of view, to the holders of FairPoint common stock, as more fully described below in the section entitled " Opinion of Financial Advisor to Fairpoint."

Table of Contents

Terms of the Merger Agreement

The FairPoint Board considered the terms and conditions of the Merger Agreement in addition to the exchange ratio, including the following:

The nature of the closing conditions included in the Merger Agreement, including the exceptions to the events that would constitute a material adverse effect on FairPoint for purposes of the agreement, as well as the likelihood that all of the conditions to the transactions would be satisfied in a timely manner;

The Merger Agreement does not include a financing contingency;

The obligation of Consolidated to take all actions necessary to arrange the financing provided for in its financing commitment and, if such financing is unavailable, to use commercially reasonable efforts to arrange to obtain alternate financing in an amount that will enable Consolidated to consummate the transaction;

Provisions of the Merger Agreement that would permit FairPoint, until adoption of the Merger Agreement by its stockholders, to furnish information to, and engage in discussions and negotiations with, third parties making unsolicited acquisition proposals that the FairPoint Board determines are reasonably likely to lead to a superior proposal and to terminate the Merger Agreement to accept a superior proposal, subject to payment to Consolidated of a termination fee of \$18.9 million;

Provisions of the Merger Agreement that would permit the FairPoint Board, at any time prior to obtaining FairPoint's stockholder approval, if FairPoint is then in receipt of a bona fide written alternative proposal that the FairPoint Board concludes in good faith (after consultation with its financial advisor and outside legal counsel) constitutes a superior proposal or if there occurs any fiduciary change, to effect a change in its recommendation to the stockholders and/or recommend a superior proposal, subject to payment to Consolidated of a termination fee of \$18.9 million;

The FairPoint Board determined the amount of the termination fee to be reasonable in light of, among other factors, the benefits of the Merger to FairPoint's stockholders, the advice of its legal and financial advisors that the percentage of equity value it represented is consistent with such percentage in comparable business combination transactions, and the likelihood that an obligation to make a payment of such an amount would not preclude other acquisition proposals (the likelihood of which the board discussed with its financial and legal advisors);

The right granted in the Merger Agreement for the FairPoint Board to select a member of the Consolidated Board, subject to approval by Consolidated (such approval not to be unreasonably conditioned, withheld or delayed), which would provide assurance that legacy FairPoint stockholders would have a continuing voice to influence achieving the benefits of the Merger and continuing Consolidated's current dividend practices;

The Merger Agreement would provide FairPoint with sufficient operating flexibility for it to conduct its business in the ordinary course of business consistent with past practice between the signing of the Merger Agreement and the completion of the Merger;

The receipt by Consolidated of executed debt commitment letters from sources of debt financing for the transactions contemplated by the Merger Agreement, the terms of such debt financing commitments, and the reputation of the financing sources;

Edgar Filing: Consolidated Communications Holdings, Inc. - Form S-4

The likelihood of that the combination would be completed, based on, among other things, the terms of the Merger Agreement that would require Consolidated to pay FairPoint \$18.9 million if the Merger Agreement is terminated under certain circumstances; and

Table of Contents

The ability of the companies to complete the Merger on a tax-free basis for federal income tax purposes, other than with respect to cash to be received by FairPoint's stockholders in lieu of fractional shares of Consolidated common stock.

Negative Factors Relating to the Merger

The FairPoint Board also considered a number of potential risks and uncertainties in its deliberations concerning the Merger as contemplated by the Merger Agreement, including, but not limited to, the following (not necessarily in order of relative importance):

the risk that Consolidated's common stock had increased in value prior to announcement and it may decline in value following the announcement;

risks associated with holding shares of Consolidated common stock, including the ability of the Consolidated Board to reduce its dividend payout ratio, which may result in a decline in the trading price of Consolidated's common stock;

the risk that because the exchange ratio is fixed, the value of the consideration to FairPoint stockholders in the Merger could fluctuate between signing of the Merger Agreement and the closing of the Merger, including after the FairPoint stockholder meeting;

the risks and costs to FairPoint if the Merger is not completed, including the potential diversion of management and employee attention, potential employee attrition and the potential effects on business and customer and supplier relationships;

the risks that the Merger may not be completed, or may not be completed within the period anticipated, as a result of a failure to obtain approval of the merger by the stockholders of FairPoint or Consolidated or failure to obtain certain regulatory approvals in connection with the Merger;

the risk that FairPoint may not generate sufficient cash to: (i) maintain the operations of its business as previously conducted through the consummation of the Merger and (ii) to meet the minimum cash threshold required as a condition to the closing of the Merger;

the risk that Consolidated will not have sufficient cash resources at the closing of the Merger to fund fully all obligations to be paid at the closing of the Merger to the extent not funded under Consolidated's financing commitment;

the risk that governmental entities may impose restrictions or conditions in order to gain approval or otherwise prevent or delay the Merger in any manner that may adversely impact the ability of the combined company to operate or realize the synergies in the amount and in the period as projected;

the Merger Agreement would require FairPoint to pay Consolidated \$18.9 million in the case the Merger Agreement is terminated under certain circumstances, including a change in the recommendation of the FairPoint Board or a termination of the Merger Agreement by FairPoint to enter into a binding agreement providing for a superior alternative transaction, and the potential that such fee or other Merger Agreement provisions might affect the potential for FairPoint to receive alternative strategic transaction proposals both during the pendency of the Merger as well as afterward should the Merger not be consummated;

the risks associated with the combined company's indebtedness and the anticipated need to refinance when such indebtedness comes due;

the fact that forecasts of future results of operations and synergies are estimates based on assumptions and that for these and other reasons there is a risk that anticipated performance and/or synergies may not be realized, including the ability to utilize net operating losses;

Table of Contents

the risk of diverting management focus and resources from operating FairPoint's businesses, as well as other strategic opportunities, and potential disruption associated with combining and integrating the companies;

the risk that FairPoint stockholders or Consolidated stockholders may fail to adopt or approve, as applicable, the Merger Agreement and the transactions contemplated thereby;

the restrictions on the conduct of FairPoint's business prior to the completion of the Merger, which restrictions generally require FairPoint to operate its businesses in the ordinary course of business consistent with past practice with limited exceptions, which may delay or prevent FairPoint from undertaking business opportunities that may arise pending completion of the Merger; and

various other risks associated with the combination and the businesses of FairPoint and Consolidated described under "Risk Factors Relating to the Merger" beginning on page 34.

The FairPoint Board concluded that these potential risks and uncertainties were outweighed by the benefits that the FairPoint Board expected FairPoint and its stockholders to achieve as a result of the Merger. The FairPoint Board realized that there can be no assurance about future results, including results considered or expected as disclosed in the foregoing reasons.

In addition to considering the factors described above, the FairPoint Board considered that some officers and directors of FairPoint have interests in the Merger as individuals that are in addition to, and that may be different from, the interests of FairPoint stockholders generally (see "Interests of FairPoint Directors and Executive Officers in the Merger" beginning on page 84 of this joint proxy statement/prospectus).

The above discussion of the material factors considered by the FairPoint Board in its consideration of the Merger and the transactions contemplated by the Merger Agreement is not intended to be exhaustive, but does set forth the principal factors considered by the FairPoint Board. In light of the number and wide variety of factors considered in connection with the evaluation of the Merger, the FairPoint Board did not consider it practicable to, and did not attempt to, quantify or otherwise assign relative weights to the specific factors it considered in reaching its final decision. The FairPoint Board viewed its position as being based on all of the information available to it and the factors presented to and considered by it. However, some directors may themselves have given different weight to different factors. The factors, potential risks and uncertainties contained in this explanation of FairPoint's reasons for the Merger and other information presented in this section contain information that is forward-looking in nature and, therefore, should be read in light of the factors discussed in "Special Note Regarding Forward-Looking Statements" beginning on page 41 of this joint proxy statement/prospectus.

Set forth below is a summary of the material financial and other analyses performed by Evercore and reviewed with the FairPoint Board on December 3, 2016, in connection with rendering its opinion. The following summary, however, does not purport to be a complete description of the analyses performed by Evercore. The order of the analyses described and the results of these analyses do not represent relative importance or weight given to these analyses by Evercore. Except as otherwise noted, the following quantitative information, to the extent that it is based on market data, is based on market data that existed on or before December 1, 2016, and is not necessarily indicative of current market conditions.

The following summary of financial analyses includes information presented in tabular format. These tables must be read together with the text of each summary in order to understand fully the financial analyses. The tables alone do not constitute a complete description of the financial analyses. Considering the tables below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of Evercore's financial analyses.

Selected Precedent Transaction Analysis

Evercore performed an analysis of selected precedent transactions to compare multiples paid in other transactions to the multiple implied in the Merger. Evercore analyzed ten merger and acquisition transactions that were announced between 2009 and 2015 involving acquisitions of rural local exchange carriers (each, an "RLEC" and collectively, "RLECs") in the telecommunications industry.

While none of the companies that participated in the selected precedent transactions is directly comparable to FairPoint and none of the transactions in the selected precedent transactions analysis is directly comparable to the Merger, Evercore selected these transactions because each of the target companies was an RLEC and had operating characteristics, products and services that for purposes of analysis may be considered similar to certain of FairPoint's operating characteristics, products and services.

For each of the selected transactions, Evercore reviewed transaction values and calculated the total enterprise value ("TEV") implied for each target company based on the consideration paid in the selected transaction, as a multiple of the target company's last twelve months ("LTM") earnings before interest, taxes, depreciation and amortization ("EBITDA") (in each case, calculated for the twelve-month period prior to the latest available data preceding the date of announcement of such transaction).

Table of Contents

Evercore's analysis indicated average and median TEV to LTM EBITDA multiples of 5.9x and 5.9x, respectively. The selected precedent transactions and the TEV and TEV to LTM EBITDA multiple related thereto are set forth in the table below:

Date Announced	Acquiror	Target	TEV / LTM EBITDA
February 5, 2015	Frontier Communications Corporation	Verizon Access Lines	6.2x
June 30, 2014	Consolidated Communications, Inc.	Enventis Corporation	7.3x
December 17, 2013	Frontier Communications Corporation	AT&T, Inc. (Connecticut wirelines operations)	4.8x
November 28, 2012	Blackfoot Telecommunications Group	FairPoint Communications, Inc. (Idaho operations)	6.0x
February 6, 2012	Consolidated Communications, Inc.	SureWest Communications	6.4x
April 22, 2010	CenturyLink, Inc.	Qwest Corporation	5.1x
November 24, 2009	Windstream Holdings, Inc.	Iowa Communications Network	7.5x
September 8, 2009	Windstream Holdings, Inc.	Lexcom Communications	5.9x
May 13, 2009	Frontier Communications Corporation	Verizon Communications, Inc. (13 states)	4.5x
May 11, 2009	Windstream Holdings, Inc.	D&E Communications Inc.	5.1x

Evercore then applied a reference range of LTM EBITDA multiples of 5.0x to 7.0x, derived by Evercore based on its review of the selected precedent transactions and its experience and professional judgment, to the estimated EBITDA of FairPoint for the year ending December 31, 2016, to derive a range of implied enterprise values for FairPoint. A range of implied equity values was then calculated by reducing the range of implied enterprise values by the amount of net debt (calculated as debt less cash and cash equivalents) as of September 30, 2016. This analysis indicated an implied per-share equity value range for FairPoint of \$12.86 to \$29.88.

Implied Exchange Ratio

Evercore used the resulting per-share equity value reference range to calculate the implied exchange ratio by dividing the lowest per-share equity value for FairPoint by Consolidated's share price of \$28.27 per share, as of December 1, 2016, for the low end of the exchange ratio range and dividing the highest per-share equity value for FairPoint by Consolidated's share price of \$28.27 per share, as of December 1, 2016, for the high end of the exchange ratio range. This analysis indicated an implied exchange ratio reference range of 0.4548x to 1.0571x of a new Consolidated share for each share of FairPoint common stock. Evercore compared this resulting implied exchange ratio to the transaction exchange ratio of 0.7300x of a new Consolidated share per share of FairPoint common stock in the Merger.

Selected Peer Trading Analysis

In performing a selected peer trading analysis of FairPoint and Consolidated, Evercore reviewed and compared certain financial, operating and market information relating to FairPoint and Consolidated to corresponding information of the publicly traded companies listed in the tables below, which Evercore deemed most relevant to consider in relation to FairPoint and Consolidated,

Edgar Filing: Consolidated Communications Holdings, Inc. - Form S-4

respectively, based on its professional judgment and experience, because they are public companies with operations that for purposes of this analysis Evercore considered similar to the operations of FairPoint and Consolidated, respectively.

Evercore reviewed, among other things, TEV of the selected companies as a multiple of estimated EBITDA, as well as equity value ("EV") of the selected companies as a multiple of free cash flow ("FCF") for calendar year 2017. EBITDA of FairPoint and Consolidated was calculated on a pre-stock based compensation basis, each in accordance with company practice. Enterprise values were calculated for the purpose of this analysis as equity value (based on the per share closing price of each selected company on December 1, 2016, multiplied by the fully diluted number of such company's outstanding equity securities on such date), plus debt, plus minority interest, less cash and cash equivalents (in the case of debt, minority interest, cash and cash equivalents, as set forth on the most recently publicly available balance sheet of such company, and in the case of minority interest, where applicable). In calculating the enterprise values of FairPoint and Consolidated, net debt included in such calculations was as of September 30, 2016. Free cash flow was calculated as EBITDA less capital expenditures, interest, cash taxes and pension and other post-retirement benefit contributions. The financial data of the selected peer companies used by Evercore for this analysis were based on publicly available research analysts' estimates. The financial data of FairPoint and Consolidated were based on the projections provided by the management of FairPoint and Consolidated, respectively.

The EBITDA multiples and FCF multiples for the selected peer companies are set forth in the table below:

Selected Public Company	TEV / 2017E EBITDA	EV / 2017E FCF
CenturyLink, Inc.(1)	5.1x	9.1x
Consolidated Communications, Inc.(2)	9.3x	13.3x
Frontier Communications Corporation	5.8x	5.8x
Windstream Holdings, Inc.(3)	4.7x	13.8x
Alaska Communications Systems Group, Inc.	4.3x	NA
Cincinnati Bell Inc.	6.6x	NM
Hawaiian Telcom Holdco, Inc.	4.8x	30.8x

Evercore applied a reference range of EBITDA multiples of 5.0x to 6.0x and 6.0x to 9.0x to the estimated EBITDA of FairPoint and Consolidated, respectively, for the year ending December 31, 2017, to derive a range of implied enterprise values. Evercore applied a reference range of FCF multiples of 10.0x to 15.0x to the estimated FCF for each of FairPoint and Consolidated for the year ending December 31, 2017, to derive a range of implied equity values. All reference ranges were derived by Evercore based on its review of the respective peer companies selected and its experience and professional judgment. In the case of FairPoint, estimated EBITDA and FCF were based on the projections provided by the management of FairPoint. In the case of Consolidated, estimated EBITDA and FCF were based on the projections provided by the management of Consolidated and were calculated on a pro forma basis beginning in 2017, accounting for the sale of Consolidated's equipment business. Using the 2017 EBITDA multiples, this analysis indicated an implied equity value per-share

reference range for FairPoint and Consolidated of approximately \$12.61 to \$21.18 and \$8.79 to \$26.67, respectively. Using the 2017 FCF multiples, this analysis indicated an implied equity value per-share reference range for FairPoint and Consolidated of approximately \$11.69 to \$17.35 and \$21.18 to \$31.77, respectively.

Implied Exchange Ratio

Evercore used the resulting per-share equity value reference ranges to calculate the implied exchange ratios for the EBITDA multiple and FCF multiple cases by dividing the lowest respective per-share equity value for FairPoint by the highest respective per-share equity value for Consolidated for the low end of the exchange ratio range in each case and dividing the highest respective per-share equity value for FairPoint by the lowest respective per-share equity value for Consolidated for the high end of the exchange ratio range in each case. This analysis indicated implied exchange ratio reference ranges of 0.4730x to 2.4091x and 0.3679x to 0.8191x, in the EBITDA multiple and FCF multiple cases, respectively, of a new Consolidated share for each share of FairPoint common stock. Evercore compared these implied exchange ratios to the transaction exchange ratio of 0.7300x of a new Consolidated share per share of FairPoint common stock in the Merger.

	FairPoint		Consolidated		Implied Exchange Ratio
	Multiples	\$ / Share	Multiples	\$ / Share	
TEV / EBITDA 2017E	5.0x - 6.0x	\$12.61 - \$21.18	6.0x - 9.0x	\$8.79 - \$26.67	0.4730x - 2.4091x
EV / FCF 2017E	10.0 - 15.0x	\$11.69 - \$17.35	10.0 - 15.0x	\$21.18 - \$31.77	0.3679x - 0.8191x

No company utilized in the peer company trading analysis is identical to FairPoint or Consolidated. Accordingly, an analysis of the results of the foregoing necessarily involves complex considerations and judgments concerning differences in financial, operating and market characteristics of FairPoint and Consolidated and other factors that could affect the public trading value of the companies to which they are being compared. In evaluating the peer companies selected, Evercore made judgments and assumptions with regard to industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of FairPoint and Consolidated, such as the impact of competition on FairPoint or Consolidated and the industry generally, industry growth and the absence of any adverse material change in the financial conditions and prospects of FairPoint, Consolidated, the industry or the financial markets in general. Mathematical analysis, such as determining the mean, median or average, is not in itself a meaningful method of using peer company trading data.

Discounted Cash Flow Analyses

FairPoint

Evercore performed a discounted cash flow analysis of FairPoint to calculate the estimated present value of the standalone unlevered, after-tax free cash flow that FairPoint was projected to generate from December 31, 2016 through calendar year 2021, based on financial projections for FairPoint that were provided by FairPoint management. Under the terminal EBITDA multiple methodology, payments relating to pension and post-retirement expenses were included in the calculation of the after-tax free cash flow. Under the perpetuity growth rate case, such pension and post-retirement payments were excluded from the calculation of after-tax free cash flow, but reflected in a one-time adjustment as described herein.

Evercore also calculated a terminal value for FairPoint by applying (i) a terminal EBITDA multiple and (ii) a perpetuity growth rate, in each case based on its professional judgment given the nature of FairPoint and its business and industry, of 5.0x to 6.0x and 0.0% to 1.0%, respectively, to each of (a) the projected standalone EBITDA, and (b) the unlevered, after-tax free cash flow, in each

Table of Contents

case in the terminal year. The terminal values (as calculated using both the terminal EBITDA multiple and the perpetuity growth rate methodologies) for FairPoint were then discounted to present value as of December 31, 2016 using a discount rate of 6.75% to 7.75%, based on an estimate of FairPoint's weighted average cost of capital, and projected net operating losses (based on assumptions provided by FairPoint management) were discounted to present value as of December 31, 2016 using a discount rate of 7.25%, to derive respective ranges of implied enterprise values for FairPoint. Ranges of implied equity values for FairPoint were then calculated (x) in the terminal multiple case, by reducing the respective range of implied enterprise values by the amount of projected net debt (calculated as debt less cash and cash equivalents) as of December 31, 2016, and (y) in the perpetuity growth case, by reducing the respective range of implied enterprise values by the amount of FairPoint's projected net debt (calculated as debt less cash and cash equivalents) as of December 31, 2016 and the amount, on an after-tax basis, of FairPoint's pension and other post-retirement benefit liabilities, in each case as provided by FairPoint's management. Evercore performed this analysis for FairPoint on a standalone basis. Evercore's analysis indicated an implied per-share equity value reference range for FairPoint on a standalone basis of approximately \$12.88 to \$20.83 in the terminal multiple case and \$9.22 to \$19.83 in the perpetuity growth rate case.

Consolidated

Evercore performed a discounted cash flow analysis of Consolidated to calculate the estimated present value of the standalone unlevered, after-tax free cash flow that Consolidated was projected to generate from December 31, 2016 through calendar year 2020, based on financial projections for Consolidated that were provided by Consolidated management and calculated on a pro forma basis accounting for the sale of Consolidated's equipment business. Under the terminal EBITDA multiple methodology, payments relating to pension and post-retirement expenses were included in the calculation of the after-tax free cash flow. Under the perpetuity growth rate case, such pension and post-retirement payments were excluded from the calculation of after-tax free cash flow, but reflected in a one-time adjustment as described herein.

Evercore also calculated a terminal value for Consolidated by applying (i) a terminal EBITDA multiple and (ii) a perpetuity growth rate, in each case based on its professional judgment given the nature of Consolidated and its business and industry, of 8.0x to 9.0x and 1.0% to 2.0%, respectively, to each of (a) the projected standalone EBITDA and (b) the unlevered, after-tax free cash flow, in each case in the terminal year and calculated on a pro forma basis accounting for the sale of Consolidated's equipment business. The terminal values (as calculated using both the terminal EBITDA multiple and the perpetuity growth rate methodologies) for Consolidated were then discounted to present value as of December 31, 2016 using a discount rate of 6.0% to 7.0%, based on an estimate of Consolidated's weighted average cost of capital, to derive respective ranges of implied enterprise values for Consolidated. Ranges of implied equity values for Consolidated were then calculated (x) in the terminal multiple case, by reducing the respective range of implied enterprise values by the amount of Consolidated's projected net debt (calculated as debt less cash and cash equivalents) as of December 31, 2016, and (y) in the perpetuity growth case, by reducing the respective range of implied enterprise values by the amount of Consolidated's projected net debt (calculated as debt less cash and cash equivalents) as of December 31, 2016 and the amount, on an after-tax basis, of Consolidated's pension and other post-retirement benefit liabilities, in each case as provided by Consolidated management and calculated on a pro forma basis accounting for the sale of Consolidated's equipment business. Evercore's analysis indicated an implied per-share equity value reference range for Consolidated on a standalone basis of approximately \$17.36 to \$23.59 in the terminal multiple case and \$11.16 to \$28.82 in the perpetuity growth rate case.

Table of Contents

Implied Exchange Ratio

Based on the implied per-share equity value reference ranges, Evercore also calculated implied exchange ratios for the terminal multiple and perpetuity growth rate cases by dividing the lowest respective per-share equity value for FairPoint by the midpoint of the respective implied per-share reference range for Consolidated for the low end of the exchange ratio range and dividing the highest respective per-share equity value for FairPoint by the midpoint of the respective implied per-share reference range for Consolidated for the high end of the exchange ratio range. This analysis indicated implied exchange ratio reference ranges of 0.6290x to 1.0174x and 0.4504x to 0.9683x, in the terminal multiple case and the perpetuity growth rate case, respectively, of a new Consolidated share for each share of FairPoint common stock. Evercore compared each of these exchange ratios to the exchange ratio of 0.7300x of a new Consolidated share for each share of FairPoint common stock in the Merger.

Net Present Value of Future Stock Price Analysis

FairPoint

Evercore performed an illustrative analysis of the net present value of the future stock price of FairPoint, which is designed to provide an indication of the present value of a theoretical future value of a company as a function of such company's estimated future EBITDA and its assumed TEV to forward ("Fwd.") EBITDA multiple (based on the succeeding twelve-month period). Evercore used financial projections for FairPoint provided by the management of FairPoint through calendar year 2019. Evercore first multiplied the EBITDA estimate for calendar year 2019 by a range of TEV to Fwd. EBITDA multiples of 5.0x to 6.0x to calculate the implied future enterprise values as of December 31, 2018. Evercore then calculated the implied future equity values for FairPoint as of December 31, 2018 by reducing the implied future enterprise values by the amount of FairPoint's projected future net debt (calculated as debt less cash and cash equivalents) as of December 31, 2018. Evercore then discounted the projected per-share equity value as of a particular future date, December 31, 2018, to December 31, 2016 using a discount rate of 10.0%. The discount rate was based on Evercore's analysis of the cost of equity for FairPoint. This analysis resulted in an implied per-share equity value reference range of approximately \$12.27 to \$19.31.

Consolidated

Evercore performed an illustrative analysis of the net present value of the future stock price of Consolidated, which is designed to provide an indication of the present value of a theoretical future value of a company as a function of such company's estimated future EBITDA and its assumed TEV to Fwd. EBITDA multiple. Evercore used financial projections for Consolidated derived from assumptions provided by Consolidated management through calendar year 2019 and calculated on a pro forma basis to account for the sale of Consolidated's equipment business. Evercore first multiplied the EBITDA estimate for calendar year 2019 by a range of TEV to Fwd. EBITDA multiples of 8.0x to 9.0x to calculate the implied future enterprise values as of December 31, 2018. Evercore then calculated the implied future equity values for Consolidated as of December 31, 2018 by reducing the implied future enterprise values by the amount of Consolidated's projected future net debt (calculated as debt less cash and cash equivalents) as of December 31, 2018, and adding the cumulative future value of any dividends projected to be paid by Consolidated as of December 31, 2018. Evercore then discounted the projected per-share equity value as of a particular future date, December 31, 2018, to December 31, 2016 using a discount rate of 9.5%. The discount rate was based on Evercore's analysis of the cost of equity for Consolidated. This analysis resulted in an implied per-share equity value reference range of approximately \$20.71 to \$25.67.

Table of Contents

Implied Exchange Ratio

Based on the implied per-share equity value reference ranges, Evercore calculated an implied exchange ratio reference range by dividing the lowest respective per-share equity value for FairPoint by the midpoint of the respective implied per-share reference range for Consolidated for the low end of the exchange ratio range and dividing the highest per-share equity value for FairPoint by the midpoint of the respective implied per-share reference range for Consolidated for the high end of the exchange ratio range. This analysis indicated, on a standalone basis, an implied exchange ratio reference range of 0.5290x to 0.8327x of a new Consolidated share for each share of FairPoint common stock. Evercore compared these exchange ratios to the exchange ratio of 0.7300x of a new Consolidated share for each share of FairPoint common stock in the Merger.

Other Factors

Evercore also reviewed and considered other factors, which were not considered part of its financial analyses in connection with rendering its advice, but were referenced for informational purposes, including, among other things, the 52-week trading range, the analysts' price targets and precedent premia analyses described below.

52-Week Trading Range

Evercore reviewed historical trading prices of FairPoint and Consolidated shares during the 52-week period ended December 1, 2016, noting that the low and high intraday prices during such period ranged from \$12.69 to \$18.87 for FairPoint and \$17.76 to \$30.23 for Consolidated. Evercore calculated a daily exchange ratio for the 52-week period ended December 1, 2016 by dividing the daily closing prices of FairPoint and Consolidated, and then selected an implied exchange ratio reference range using the lowest and highest daily exchange ratio observed during such period. This analysis indicated an implied exchange ratio reference range of 0.5326x to 0.8500x of a new Consolidated share for each share of FairPoint common stock. Evercore compared these exchange ratios to the exchange ratios to the exchange ratio of 0.7300x of a new Consolidated share for each share of FairPoint common stock in the Merger.

Analyst Price Targets

Evercore reviewed publicly available share price targets of research analysts' estimates known to Evercore as of December 1, 2016, noting that the low and high share price targets ranged from \$14.00 to \$15.00 for FairPoint (with an average price target of \$14.50) and that the low and high share price targets ranged from \$19.00 to \$26.00 for Consolidated (with an average price target of \$22.00). Evercore calculated an implied exchange ratio reference range by dividing the highest share price target for FairPoint by the highest share price target for Consolidated for the low end of the exchange ratio and dividing the lowest share price target for FairPoint by the lowest share price target for Consolidated for the high end of the exchange ratio. This analysis indicated an implied exchange ratio reference range of 0.5769x to 0.7368x of a new Consolidated share for each share of FairPoint common stock. Evercore compared these exchange ratios to the exchange ratio of 0.7300x of a new Consolidated share for each share of FairPoint common stock in the Merger.

Precedent Premia Paid

Evercore reviewed and analyzed premia paid in all-stock transactions since 2007 involving U.S. target companies with an enterprise value greater than \$1 billion. Based on its professional judgment and premia in the precedent transactions assessed, Evercore applied reference ranges of premia of 15% to 20% to the FairPoint unaffected share price as of December 1, 2016 of \$16.75. This analysis indicated a per-share equity value reference range of approximately \$19.26 to \$20.10 for FairPoint.

Table of Contents

Evercore used the resulting per-share equity value reference range to calculate the implied exchange ratio by dividing the lowest per-share equity value for FairPoint by Consolidated's share price of \$28.27 per share, as of December 1, 2016, for the low end of the exchange ratio range and dividing the highest per-share equity value for FairPoint by Consolidated's share price of \$28.27 per share, as of December 1, 2016, for the high end of the exchange ratio range. This analysis indicated an implied exchange ratio reference range of 0.6814x to 0.7110x of a new Consolidated share for each share of FairPoint common stock. Evercore compared this resulting implied exchange ratio to the transaction exchange ratio of 0.7300x of a new Consolidated share per share of FairPoint common stock in the Merger.

Miscellaneous

The foregoing summary of certain material financial analyses does not purport to be a complete description of the analyses or data presented by Evercore. In connection with the review of the Merger by the FairPoint Board, Evercore performed a variety of financial and comparative analyses for purposes of rendering its opinion. The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. Selecting portions of the analyses or of the summary described above, without considering the analyses as a whole, could create an incomplete view of the processes underlying Evercore's opinion. In arriving at its fairness determination, Evercore considered the results of all the analyses and did not draw, in isolation, conclusions from or with regard to any one analysis or factor considered by it for purposes of its opinion. Rather, Evercore made its determination as to fairness on the basis of its experience and professional judgment after considering the results of all the analyses. In addition, Evercore may have given various analyses and factors more or less weight than other analyses and factors, and may have deemed various assumptions more or less probable than other assumptions. As a result, the ranges of valuations resulting from any particular analysis or combination of analyses described above should not be taken to be the view of Evercore with respect to the actual value of FairPoint common stock or Consolidated common stock. No company used in the above analyses as a comparison is directly comparable to FairPoint or Consolidated, and no transaction used is directly comparable to the Merger. Further, Evercore's analyses involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the acquisition, public trading or other values of the companies or transactions used, including judgments and assumptions with regard to industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of FairPoint, Consolidated and their respective advisors. Rounding may result in total sums set forth in this section not equaling 100%.

Evercore prepared these analyses for the purpose of providing an opinion to the FairPoint Board as to the fairness of the exchange ratio, from a financial point of view, to the holders of the shares of FairPoint common stock. These analyses do not purport to be appraisals or to necessarily reflect the prices at which the business or securities actually may be sold. Any estimates contained in these analyses are not necessarily indicative of actual future results, which may be significantly more or less favorable than those suggested by such estimates. Accordingly, estimates used in, and the results derived from, Evercore's analyses are inherently subject to substantial uncertainty, and Evercore assumes no responsibility if future results are materially different from those forecasted in such estimates.

Pursuant to the terms of Evercore's engagement letter with FairPoint, a fee of \$3.5 million was payable to Evercore upon the execution and delivery of the Merger Agreement. Evercore will be entitled to receive an additional fee of \$13.7 million following the consummation of the Merger. In addition, FairPoint has agreed to indemnify Evercore for certain liabilities arising out of its engagement.

Table of Contents

Prior to Evercore's engagement in connection with the Merger, Evercore and its affiliates provided financial advisory services to FairPoint and received fees for the rendering of such services, including the reimbursement of expenses. During the two-year period prior to the delivery of its opinion, no material relationship existed between Evercore and its affiliates and Consolidated pursuant to which compensation was received by Evercore or its affiliates as a result of such a relationship. Evercore may provide financial or other services to Consolidated in the future and in connection with any such services Evercore may receive compensation.

In the ordinary course of business, Evercore or its affiliates may actively trade the securities, or related derivative securities, or financial instruments of FairPoint, Consolidated and their respective affiliates, for its own account and for the accounts of its customers and, accordingly, may at any time hold a long or short position in such securities or instruments.

The issuance of the fairness opinion was approved by an Opinion Committee of Evercore.

The FairPoint Board engaged Evercore to act as a financial advisor based on its qualifications, experience and reputation, as well as familiarity with the business of FairPoint. Evercore is an internationally recognized investment banking firm and is regularly engaged in the valuation of businesses in connection with mergers and acquisitions, leveraged buyouts, competitive biddings, private placements and valuations for corporate and other purposes.

Certain Prospective Financial Information Reviewed by the FairPoint Board and FairPoint's Financial Advisor

In connection with the Merger discussions between Consolidated and FairPoint, FairPoint's and Consolidated's management provided to Consolidated, and Consolidated's and FairPoint's respective financial advisors, certain non-public, internal financial forecasts regarding the anticipated future operations of FairPoint on a stand-alone basis and estimated synergies arising in connection with the Merger.

In connection with the Merger, FairPoint's management prepared certain unaudited prospective financial information for FairPoint on a stand-alone basis, without giving effect to the Merger, and together with Consolidated's management, prepared estimated synergies arising in connection with the Merger. The FairPoint Board also reviewed certain unaudited prospective financial information for Consolidated on a stand-alone basis, without giving effect to the Merger, which was prepared by Consolidated's management.

FairPoint has presented below in summary form the unaudited prospective financial information to provide both Consolidated's and FairPoint's stockholders access to this non-public unaudited prospective financial information, because such financial information was made available to the FairPoint Board.

The unaudited prospective financial information was also provided to Evercore for purposes of its opinion to the FairPoint Board as to the fairness, from a financial point of view, of the exchange ratio to the holders of the FairPoint common stock. See the section entitled "Opinion of Financial Advisor to FairPoint" beginning on page 59. The summary of these internal financial forecasts is not being included in this joint proxy statement/prospectus to influence your decision whether to approve the FairPoint Merger Proposal.

Although FairPoint has publicly issued limited projections concerning certain aspects of its expected financial performance, FairPoint, as a matter of course, does not make public its management's projections as to future results, because of, among other things, the inherent difficulty of accurately predicting financial performance for future periods and the likelihood that the underlying assumptions and estimates may prove incorrect. The unaudited prospective financial information was not prepared with a view toward public disclosure or with a view toward complying with the guidelines

established by the American Institute of Certified Public Accountants with respect to prospective financial information or published guidelines of the SEC regarding forward-looking statements.

The unaudited prospective financial information of FairPoint has been prepared by, and is the responsibility of, FairPoint's management. Ernst & Young LLP and BDO USA, LLP, FairPoint's previous and current independent registered public accounting firm, respectively, have neither examined, compiled nor performed any procedures with respect to the accompanying prospective financial information and, accordingly, Ernst & Young LLP and BDO USA, LLP do not express an opinion or any other form of assurance with respect thereto. The reports of Ernst & Young LLP incorporated by reference into this joint proxy statement/prospectus relate to the historical results of Consolidated and FairPoint and do not extend to the prospective financial information and should not be read to do so. Furthermore, the information:

while presented with numerical specificity, necessarily makes numerous assumptions, many of which are beyond the control of FairPoint, including with respect to industry performance, general business, economic, regulatory, market and financial conditions, as well as matters specific to FairPoint's business, and may not prove to have been, or may no longer be, accurate;

FairPoint believes the assumptions that its management used as a basis for the estimates were reasonable at the time the estimates were prepared, given the information its management had at the time. While the prospective financial information set forth below was prepared in good faith, no assurance can be given regarding future events. The prospective financial information is subjective in many respects and is thus susceptible to interpretation and periodic revision based on actual experience and recent developments. Consolidated's Reasons for the Merger

Consolidated was formed as an acquisition vehicle in July, 2002, and completed its first transaction on December 31, 2002, when it acquired certain central-Illinois based assets of McLeodUSA. In April, 2004, Consolidated acquired TXUC from Texas Utilities. In July, 2005, Consolidated completed its initial public offering of common stock. On December 31, 2007, Consolidated acquired North Pittsburgh Systems, Inc. On July 2, 2012, Consolidated acquired SureWest Communications. On October 16, 2014, Consolidated acquired Enventis Corporation. Throughout Consolidated's history, Consolidated has focused on acquisitions as a core part of its strategy, and developed a set of evaluation criteria early on which it used and intends to continue to use to evaluate potential opportunities.

At nearly every regular quarterly board of directors meeting, Consolidated's management team has reviewed prospective acquisition targets and ranked them according to their attractiveness and alignment with the acquisition criteria. Where the opportunities were deemed attractive, Consolidated participated from time to time in auctions, made inquiries, and generally attempted to advance its long-standing strategy to grow through acquisition.

As a part of that ongoing process, the management team and the Consolidated Board determined that FairPoint met Consolidated's criteria for potential acquisitions, and identified FairPoint as an attractive potential acquisition candidate. Consolidated entered into a non-disclosure agreement with FairPoint in July 2015 for the purpose of conducting due diligence on FairPoint and evaluating a

potential transaction. Consolidated and FairPoint entered into a subsequent non-disclosure agreement in August 2016.

From time to time throughout the period from the time beginning with the initial merger discussions between Consolidated and FairPoint in July 2015, and continuing through the time the Merger Agreement was executed on December 3, 2016, the Consolidated Board worked with the Consolidated management team to develop various strategies and approaches, including the approval of what became the terms of the Merger Agreement.

In approving the Merger Agreement and the Merger, Consolidated's Board consulted with Consolidated's management, as well as with Consolidated's legal and financial advisors, and considered, among other things, the following material factors:

the expectation that the Merger would have an immediate, material, positive impact on Consolidated's cash flow and leverage;

the expectation that the Merger would provide Consolidated with an opportunity to overlay its organic growth strategy on a new territory;

the expectation that the Merger would more than double Consolidated's fiber footprint;

the expectation that the Merger would provide a material increase in scale, including by (i) expanding Consolidated's network reach and scale, (ii) providing an opportunity to leverage Consolidated's enhanced product suite and consultative sales approach across FairPoint's markets, and (iii) doubling the revenue base and adjusted EBITDA (including synergies), all of which would be expected to improve Consolidated's platform for acquisition of other targets in the future;

the expectation that the Merger would provide Consolidated stockholders with highly compelling financial benefits, including the expectations that the Merger would (i) allow the combined companies to realize annual, operating synergies, (ii) be accretive to free cash flow per share, (iii) provide Consolidated with the ability to improve its leverage and dividend payout ratio over time, with expected pro forma total net leverage ratio under Consolidated's credit agreement to be 3.80:1.00 as of the closing of the Merger (including run-rate synergies), which would represent a reduction from the total net leverage ratio of 4.38:1.00 as of September 30, 2016, and (iv) provide Consolidated with greater strategic and financial flexibility in the future;

the expectation that the Merger would create a platform for future growth through acquisitions to fill in Consolidated's national footprint, and organically through investments in the combined company's existing markets;

the opportunity to integrate FairPoint's business efficiently with Consolidated's existing business;

Consolidated management's prior record of successfully integrating acquired companies; and

that the Merger would bring together two companies with a common history and shared values of community involvement.

The Consolidated Board also considered, among other things, the following risks:

regulatory and litigation risks associated with the Merger or combining the two companies;

that there are risks associated with obtaining necessary approvals on terms that satisfy closing conditions to the respective parties' obligations to complete the Merger, and, as a result of certain conditions to the completion of the Merger, it is

possible that the Merger may not be completed even if approved by both Consolidated's and FairPoint's stockholders (see the section entitled "The Merger Agreement - Conditions of the Merger" on page 110);

the challenges of combining the businesses of the two companies and the attendant risks of not achieving the expected strategic benefits and cost savings, other financial and operating benefits or improvement in earnings, and of diverting management focus and resources from other strategic opportunities and from operational matters for an extended period of time;

the perception of investors and the potential impact on Consolidated's share price;

the level of capital expenditures that will be required with respect to the combined business;

the ability to secure financing on terms satisfactory to Consolidated;

the potential that FairPoint's revenue might continue to decline;

the potential increase in cash taxes payable in the future as a result of the transaction;

the potential impact of FairPoint's previous acquisitions and bankruptcy;

the terms and conditions of the Merger Agreement, which include restrictions on the conduct of Consolidated's business pending the closing of the Merger (see the section entitled "The Merger Agreement Consolidated's Forbearances Before Completion of the Merger" on page 103); and

other risks of the type and nature discussed above under the section entitled "Risk Factors Relating to the Merger" on page 34.

Summary of Financial Analyses of Morgan Stanley

The following is a summary of the material financial analyses performed by Morgan Stanley in connection with its oral opinion and the preparation of its written opinion to the Consolidated Board, dated as of December 3, 2016. The following summary is not a complete description of the financial analyses performed and factors considered by Morgan Stanley in connection with its opinion, nor does the order of analyses described represent the relative importance or weight given to those analyses. Except as otherwise noted, the following quantitative information, to the extent that it is based on market data, is based on market data as it existed on or before December 2, 2016, the most recent trading day prior to Morgan Stanley's presentation to the Consolidated Board of its financial analysis on December 3, 2016. Some of these summaries of financial analyses include information presented in tabular format. In order to fully understand the financial analyses used by Morgan Stanley, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses. The analyses listed in the tables and described below must be considered as a whole. Assessing any portion of such analyses and of the factors reviewed, without considering all analyses and factors, could create a misleading or incomplete view of the process underlying Morgan Stanley's opinion. Furthermore, mathematical analysis (such as determining the average or median) is not in itself a meaningful method of using the data referred to below.

In performing the financial analyses summarized below and in arriving at its opinion, Morgan Stanley utilized and relied upon certain financial projections provided by the managements of FairPoint and Consolidated and which are described below.

Trading Range Analysis

Morgan Stanley reviewed the trading range of FairPoint common stock and Consolidated common stock for six-month and twelve-month periods ending December 2, 2016. Morgan Stanley observed that the low and high closing prices for FairPoint common stock for the six-month period ended December 2, 2016 were \$13.04 and \$17.60, respectively, and the low and high closing prices for FairPoint common stock for the twelve-month period ended December 2, 2016 were \$12.69 and \$18.22, respectively. Table of Contents

low and high closing prices for Consolidated common stock for the twelve-month period ended December 2, 2016 were \$17.76 and \$30.23, respectively.

Morgan Stanley calculated ranges of implied exchange ratios using the six-month and twelve-month trading ranges of FairPoint common stock and Consolidated common stock. The low end of the ranges were calculated by dividing the low value of FairPoint common stock for the period by the high value of Consolidated common stock for the period, and the high end of the ranges were calculated by dividing the high value of FairPoint common stock for the period by the low value of Consolidated common stock for the period. The six-month trading range analysis indicated an implied exchange ratio range of 0.43x to 0.81x, and the twelve-month trading range analysis indicated an implied exchange ratio range of 0.42x to 1.03x. Morgan Stanley noted that the Merger Agreement provided for an exchange ratio of 0.73x.

Research Analyst Price Targets

Morgan Stanley reviewed the latest selected public market trading price targets available as of December 2, 2016 for FairPoint common stock by three equity research analysts that published a price target for FairPoint. These targets reflected each analyst's estimate of the future public market trading price of FairPoint common stock. Morgan Stanley noted that the range of undiscounted stock price targets for FairPoint common stock from such research targets was \$14.00 to \$16.00 per share and the range of discounted stock price targets (discounted at 9% cost of equity twelve months from the date of issuance of the applicable research report) for FairPoint common stock was \$12.93 to \$14.78. Morgan Stanley noted that the closing price for FairPoint common stock on December 2, 2016 was \$17.00. Morgan Stanley noted that the implied price per share of FairPoint common stock based on an exchange ratio of 0.73x and the 30-day volume weighted average price of Consolidated common stock on December 2, 2016 was \$19.07, and the implied price per share of FairPoint common stock based on an exchange ratio of 0.73x and the share price of Consolidated common stock as of December 2, 2016 was \$20.72.

Morgan Stanley reviewed the latest selected public market trading price targets available as of December 2, 2016 for Consolidated common stock by five equity research analysts that published a price target for Consolidated. These targets reflected each analyst's estimate of the future public market trading price of Consolidated common stock. Morgan Stanley noted that the range of undiscounted stock price targets for Consolidated common stock from such research targets was \$19.00 to \$30.00 per share and the range of discounted stock price targets (discounted at 9% cost of equity twelve months from the date of issuance of the research report) for Consolidated common stock was \$17.93 to \$27.71. Morgan Stanley noted that the closing price for Consolidated common stock as of December 2, 2016 was \$28.38. Morgan Stanley noted that the 30-day volume weighted average price of Consolidated common stock on December 2, 2016 was \$26.12.

Morgan Stanley calculated the exchange ratio range implied by the equity research price targets. In order to calculate the exchange ratio range, Morgan Stanley calculated the implied exchange ratio only for each of the three equity research analysts that provided price targets for both companies using their price targets for FairPoint common stock and Consolidated common stock. This analysis yielded an implied range of exchange ratios of 0.47x to 0.68x. Morgan Stanley noted that the Merger Agreement provided for an exchange ratio of 0.73x.

The public market trading price targets published by research analysts do not necessarily reflect current market trading prices for FairPoint common stock and Consolidated common stock and these estimates are subject to uncertainties, including the future financial performance of FairPoint and Consolidated and future financial market conditions.

Comparable Public Companies

In order to assess how the public market values shares of publicly traded telephone communications companies to derive implied ranges for the trading value of FairPoint common stock, Morgan Stanley reviewed and compared certain internal financial information and ratios relating to FairPoint with equivalent publicly available data for the following companies: CenturyLink, Inc.; Cincinnati Bell Inc.; Frontier Communications Corp.; Lumos Networks Corp.; and Windstream Holdings, Inc.

For purposes of this analysis, Morgan Stanley analyzed the ratio of aggregate value to "adjusted EBITDA" (as defined in FairPoint's Annual Report on Form 10-K for the fiscal year ended December 31, 2015), excluding stock-based compensation, for calendar year 2017 and the ratio of aggregate value to estimated unlevered free cash flow (for these purposes Morgan Stanley assumed cash flow to be equal to adjusted EBITDA less capital expenditures) for calendar year 2017 for each of the comparable public companies. Morgan Stanley then applied a range of these ratios, based on its professional judgment choosing ratios from the comparable companies with an asset mix and business quality most similar to that of FairPoint, to FairPoint's estimated EBITDA for calendar year 2017 of \$247.0 million and estimated unlevered free cash flow for calendar year 2017 of \$135.0 million, as applicable, based on the FairPoint management projections to derive an implied reference range for the trading value of FairPoint common stock. The implied trading value range for FairPoint common stock resulting from the ratio of aggregate value to EBITDA was \$12.51 to \$19.16. The implied trading value range for FairPoint common stock resulting from the ratio of aggregate value to unlevered free cash flow was \$11.64 to \$21.30.

Morgan Stanley noted that the closing price for FairPoint common stock on December 2, 2016 was \$17.00. Morgan Stanley noted that the implied price per share of FairPoint common stock based on an exchange ratio of 0.73x and the 30-day volume weighted average price of Consolidated common stock on December 2, 2016 was \$19.07, and the implied price per share of FairPoint common stock based on an exchange ratio of 0.73x and the share price of Consolidated common stock as of December 2, 2016 was \$20.72.

No company utilized in the comparable public company analysis is identical to FairPoint. Morgan Stanley selected the companies reviewed in this analysis because it believed them to be similar to FairPoint based on its experience with companies in the telephone communications sector. Morgan Stanley made judgments and assumptions with regard to industry performance, general business, economic, market and financial conditions and other matters, which are beyond FairPoint's control such as the impact of competition on FairPoint and the industry generally, industry growth, and the absence of any adverse material change in the financial condition and prospects of FairPoint or the industry, or in the financial markets in general.

Precedent Strategic Transactions Analysis

In order to assess how companies in the telephone communications sector have been valued in precedent merger and acquisition transactions, Morgan Stanley reviewed and compared the purchase

Table of Contents

prices and financial multiples paid in the following eight selected precedent transactions announced from October 2008 to February 2015:

Announcement Date	Acquiror	Target
February 5, 2015	Frontier Communications Corporation	Verizon's wireline business and fiber network in California, Florida and Texas
June 30, 2014	Consolidated Communications Holdings, Inc.	Enventis Corporation
December 17, 2013	Frontier Communications Corporation	AT&T's Connecticut wireline business and fiber network
February 6, 2012	Consolidated Communications Holdings, Inc.	SureWest Communications
April 22, 2010	CenturyTel, Inc.	Qwest Communications
November 24, 2009	Windstream Corporation	Iowa Telecom Services, Inc.
May 13, 2009	Frontier Communications Corporation	Verizon's access lines and other assets in 14 states
October 27, 2008	CenturyTel, Inc.	Embarq Corporation

Morgan Stanley calculated multiples from the selected precedent transactions of the target company's aggregate value to its latest twelve months EBITDA both before and after taking into account estimated synergies anticipated to be realized from the selected precedent transactions. Financial data of the selected precedent transactions were based on publicly available information at the time of announcement of the relevant transaction. Morgan Stanley calculated implied per share equity reference ranges for FairPoint by applying ranges of multiples derived from the selected precedent transactions of 4.5x to 6.0x (excluding estimated synergies) and 4.0x to 5.0x (including estimated synergies) to FairPoint's latest twelve months EBITDA. The implied per share equity reference ranges for FairPoint common stock were \$8.99 to \$22.60 per share (excluding estimated synergies) and \$11.63 to \$22.50 per share (including estimated synergies).

Morgan Stanley noted that the closing price for FairPoint common stock on December 2, 2016 was \$17.00. Morgan Stanley noted that the implied price per share of FairPoint common stock based on an exchange ratio of 0.73x and the 30-day volume weighted average price of Consolidated common stock on December 2, 2016 was \$19.07, and the implied price per share of FairPoint common stock based on an exchange ratio of 0.73x and the share price of Consolidated common stock as of December 2, 2016 was \$20.72.

No company or transaction utilized in the precedent strategic transaction analyses is identical to Consolidated, FairPoint or the Merger. In evaluating the precedent transactions, Morgan Stanley made judgments and assumptions with regard to general business, market and financial conditions and other matters, which are beyond the control of Consolidated and FairPoint, such as the impact of competition on the business of Consolidated, FairPoint or the industry generally, industry growth and the absence of any adverse material change in the financial condition of Consolidated, FairPoint or the industry or in the financial markets in general, which could affect the public trading value of the companies and the aggregate value of the transactions to which they are being compared.

Discounted Cash Flow Analysis

Morgan Stanley performed a discounted cash flow analysis on each of FairPoint and Consolidated based on the projections from the managements of FairPoint and Consolidated, respectively, which is designed to estimate the value of a company on a standalone basis by calculating the present value of estimated future cash flows and terminal value of that company. Morgan Stanley calculated a range of per share equity values for each of FairPoint and Consolidated (valued as of December 31, 2016 with a terminal date of December 31, 2021).

FairPoint Discounted Cash Flow Analysis

Morgan Stanley first calculated the estimated unlevered free cash flow of FairPoint, which for these purposes Morgan Stanley assumed cash flow to be equal to adjusted EBITDA less capital expenditures, cash pension funding, other post-employment benefits cash, unlevered tax expense and other cash flow items (including severance), for the period from January 1, 2017 to December 31, 2021 based on the FairPoint management projections. Morgan Stanley calculated a terminal value for FairPoint by applying a range of terminal EBITDA multiples of 5.00x to 6.00x, based on Morgan Stanley's professional judgment, to the estimated EBITDA of FairPoint for calendar year 2021 based on the FairPoint management projections. Morgan Stanley then discounted the unlevered free cash flow and terminal values to present value as of December 31, 2016 using a range of discount rates from 6.25% to 7.25% selected by Morgan Stanley based on Morgan Stanley's estimation of FairPoint's weighted average cost of capital utilizing the capital asset pricing model. Morgan Stanley also calculated the estimated value of the cash tax savings associated with FairPoint's net operating losses ("NOLs") that the combined company could utilize during calendar years 2017 through 2020 based on a projected NOL balance of approximately \$300.0 million as of December 31, 2016, as directed for use by Consolidated management. The estimated cash tax savings were discounted by Consolidated's estimated weighted average cost of capital of 6.75%. Morgan Stanley then added this cumulative value and deducted the estimated net debt as of December 31, 2016 from the resulting value, and divided that resulting value by the number of fully diluted shares outstanding, to derive equity value. Morgan Stanley noted that the closing price for FairPoint common stock on December 2, 2016 was \$17.00. Morgan Stanley noted that the implied price per share of FairPoint common stock based on an exchange ratio of 0.73x and the 30-day volume weighted average price of Consolidated common stock on December 2, 2016 was \$19.07, and the implied price per share of FairPoint common stock based on an exchange ratio of 0.73x and the share price of Consolidated common stock as of December 2, 2016 was \$20.72.

Consolidated Discounted Cash Flow Analysis

Morgan Stanley first calculated the estimated unlevered free cash flow of Consolidated, which for these purposes Morgan Stanley assumed cash flow to be equal to adjusted EBITDA less cash taxes, capital expenditures, changes in net working capital, cash pension funding and other cash flow items, for the period from January 1, 2017 to December 31, 2021 based on the Consolidated management projections. Morgan Stanley calculated a terminal value for Consolidated by applying a range of terminal EBITDA multiples of 8.00x to 9.00x, based on Morgan Stanley's professional judgment, to the estimated EBITDA of Consolidated for calendar year 2021 based on the Consolidated management projections. Morgan Stanley then discounted the unlevered free cash flow and terminal value to present value as of December 31, 2016 using a range of discount rates of 6.25% to 7.25% selected by Morgan Stanley based on Morgan Stanley's estimation of Consolidated's weighted average cost of capital utilizing the capital asset pricing model. Morgan Stanley then deducted the estimated net debt and non-controlling interests as of December 31, 2016 from the resulting value, and divided that resulting value by the number of fully diluted shares outstanding, to derive equity value. This analysis indicated an implied per share reference range for a share of Consolidated common stock of \$16.71 to \$22.90 per share, on a fully diluted basis.

Table of Contents*Exchange Ratio Implied by Discounted Cash Flow Analysis*

Morgan Stanley calculated the exchange ratio ranges implied by the discounted cash flow analyses. Morgan Stanley compared the lowest implied per share value for FairPoint common stock to the highest implied per share value for Consolidated common stock to derive the lowest exchange ratio implied by the analyses. Similarly, Morgan Stanley compared the highest implied per share value for FairPoint common stock to the lowest implied per share value for Consolidated common stock to derive the highest exchange ratio implied by the analyses. Morgan Stanley noted that the Merger Agreement provided for an exchange ratio of 0.73x.

Pro Forma Financial Has-Gets Analysis

Morgan Stanley reviewed the Consolidated and FairPoint management projections in order to calculate the potential pro forma financial effects of the Merger (including estimated synergies) on the combined company's calendar years 2018 and 2021 estimated financial metrics (based on Consolidated having pro forma ownership of 71.3% of the combined company, calculated using the 0.73x exchange ratio from the Merger Agreement and the number of fully diluted shares of FairPoint and Consolidated common stock outstanding as of December 2, 2016) relative to the same estimated financial metrics for Consolidated as a standalone company. General

In connection with the review of the Merger by the Consolidated Board, Morgan Stanley performed a variety of financial and comparative analyses for purposes of rendering its opinion. The preparation of a financial opinion is a complex process and is not necessarily susceptible to a partial analysis or summary description. In arriving at its opinion, Morgan Stanley considered the results of all of its analyses as a whole and did not attribute any particular weight to any analysis or factor it considered. Morgan Stanley believes that selecting any portion of these analyses, without considering all analyses as a whole, would create an incomplete view of the process underlying its analyses and opinion. In addition, Morgan Stanley may have given various analyses and factors more or less weight than other analyses and factors, and may have deemed various assumptions more or less probable than other assumptions. As a result, the ranges of valuations resulting from any particular analysis described above should not be taken to be Morgan Stanley's view of the actual value of FairPoint or Consolidated.

In performing its analyses, Morgan Stanley made numerous assumptions with respect to industry performance, general business, regulatory, economic, market and financial conditions and other matters. Many of these assumptions are beyond the control of FairPoint and Consolidated. These include, among other things, the impact of competition on the businesses of FairPoint and Consolidated and the industry generally, industry growth, and the absence of any adverse material change in the financial condition and prospects of FairPoint and Consolidated and the industry, and in the financial markets in general. Any estimates contained in Morgan Stanley's analyses are not necessarily indicative of future results or actual values, which may be significantly more or less favorable than those suggested by such estimates.

Morgan Stanley conducted the analyses described above solely as part of its analysis of the fairness from a financial point of view to Consolidated of the exchange ratio pursuant to the Merger Agreement, and in connection with the delivery of its opinion to the Consolidated Board. These analyses do not purport to be appraisals or to reflect the prices at which shares of Consolidated common stock might actually trade following consummation of the Merger or at any time.

The exchange ratio was determined through arm's-length negotiations between FairPoint and Consolidated and was approved by the Consolidated Board. Morgan Stanley provided advice to Consolidated during these negotiations. Morgan Stanley did not, however, recommend any specific exchange ratio to Consolidated, nor that any specific exchange ratio constituted the only appropriate exchange ratio for the Merger. Morgan Stanley's opinion did not address the relative merits of the Merger as compared to any other alternative business transaction, or other alternatives, or whether or not such alternatives could be achieved or are available, nor did it address the underlying business decision of Consolidated to enter into the Merger Agreement. In addition, Morgan Stanley's opinion was not intended to, and does not, in any manner, address the prices at which Consolidated common stock might trade following consummation of the Merger or at any time, and Morgan Stanley expressed no opinion or recommendation as to how Consolidated stockholders should vote at the Consolidated special meeting.

Morgan Stanley's opinion and its oral presentation to the Consolidated Board was one of many factors taken into consideration by the Consolidated Board in deciding to approve the Merger Agreement and the transactions contemplated thereby. Consequently, the analyses as described above should not be viewed as determinative of the opinion of the Consolidated Board with respect to the exchange ratio pursuant to the Merger Agreement or of whether the Consolidated Board would have been willing to agree to a different exchange ratio.

Morgan Stanley's opinion was approved by a committee of Morgan Stanley investment banking and other professionals in accordance with Morgan Stanley's customary practice. Morgan Stanley is a global financial services firm engaged in the securities, investment management and individual wealth

management businesses. Its securities business is engaged in securities underwriting, trading and brokerage activities, foreign exchange, commodities and derivatives trading, prime brokerage, as well as providing investment banking, financing and financial advisory services. Morgan Stanley, its affiliates, directors and officers may at any time invest on a principal basis or manage funds that invest, hold long or short positions, finance positions, and may trade or otherwise structure and effect transactions, for its own account or the accounts of its customers, in debt or equity securities or loans of Consolidated, FairPoint or any other company, or any currency or commodity, that may be involved in the Merger, or any related derivative instrument.

Under the terms of its engagement letter, Morgan Stanley provided the Consolidated Board with financial advisory services and a financial opinion described in this section and attached to this joint proxy statement/prospectus as Annex III in connection with the Merger and Consolidated has agreed to pay Morgan Stanley a transaction fee of \$13 million, which is payable upon and is contingent upon the consummation of the Merger. Consolidated has also agreed to reimburse Morgan Stanley for its reasonable expenses incurred from time to time in connection with providing its professional services, including reasonable fees of outside counsel and other professional advisors incurred in performing its services. In addition, Consolidated has agreed to indemnify Morgan Stanley, its affiliates, its officers, directors, employees and agents and each person, if any, controlling Morgan Stanley or any of its affiliates against certain liabilities and expenses, including certain liabilities under the federal securities laws, relating to or arising out of Morgan Stanley's engagement. Morgan Stanley or one or more of its affiliates is providing to Consolidated a portion of the financing required in connection with the Merger, for which Morgan Stanley will receive additional fees from Consolidated. In the two years prior to the date of Morgan Stanley's opinion, in addition to the services provided in connection with the Merger and the opinion, Morgan Stanley has provided financial advisory and financing services to Consolidated and its affiliates and received aggregate fees of between \$3.0 million and \$4.0 million in connection with such services. During the same period, Morgan Stanley has provided financing services to FairPoint and its affiliates, including as a lender and administrative agent with respect to FairPoint's senior secured credit facilities, and received aggregate fees of less than \$1.0 million in connection with such services. Morgan Stanley may seek to provide financial advisory and financing services to Consolidated and FairPoint and their affiliates in the future and would expect to receive fees for the rendering of those services.

The Consolidated Board after Completion of the Merger

Consolidated's amended and restated certificate of incorporation provides for the classification of the Consolidated Board into three classes of directors, designated Class I, Class II and Class III, as nearly equal in size as is practicable, serving staggered three-year terms. One class of directors is elected each year to hold office for a three-year term or until successors of such directors are duly elected and qualified. The current size of the Consolidated Board is eight directors, comprised of two Class I directors, three Class II directors and three Class III directors.

Pursuant to the Merger Agreement, FairPoint is entitled to select, subject to approval by Consolidated (such approval not to be unreasonably conditioned, withheld or delayed), and Consolidated has agreed to take all such action as may be reasonably necessary to cause, one individual from among the current members of the FairPoint Board to be elected to the Consolidated Board as of the effective time of the Merger. For further information on FairPoint's directors, see FairPoint's Form 10-K for the year ended December 31, 2015. As a result, after completion of the Merger, Consolidated expects that the Consolidated Board would consist of Richard A. Lumpkin (Class I Director term expiring in 2018), Timothy D. Taron (Class I Director term expiring in 2018), an individual selected from the FairPoint Board (Class I Director term expiring in 2018), Thomas A. Gerke (Class II Director term expiring in 2019), Roger H. Moore (Class II Director term expiring in 2019), Dale E. Parker (Class II Director term expiring in 2019), Robert J. Currey (Class III

Director term expiring in 2017), Maribeth S. Rahe (Class III Director term expiring in 2017) and C. Robert Udell, Jr. (Class III Director term expiring in 2017).

Interests of FairPoint Directors and Executive Officers in the Merger

In considering the recommendation of the FairPoint Board with respect to the Merger, FairPoint's stockholders should be aware that certain executive officers and directors of FairPoint have interests in the Merger that may be different from, or in addition to, the interests of FairPoint's stockholders generally. The FairPoint Board was aware of the interests described below and considered them, among other matters, when approving the FairPoint Merger Proposal and recommending that FairPoint's stockholders vote to approve the FairPoint Merger Proposal.

Change in Control Benefits for Executive Officers

FairPoint has employment agreements with Messrs. Sunu, Nixon, Lunny, Metge and Rush and Ms. Turner and a severance in connection with a change in control agreement with Mr. Hogshire that provide change in control benefits as summarized below.

Paul H. Sunu

On April 9, 2013, FairPoint entered into an amended and restated employment agreement with Mr. Sunu, as amended on August 14, 2015. Pursuant to Mr. Sunu's employment agreement, in the event that Mr. Sunu's employment is terminated by FairPoint without cause (other than due to his death or disability) within twelve months before or twelve months after a change in control, or in the event that Mr. Sunu provides FairPoint with notice of his termination of employment without good reason during the 13th month following the consummation of a change in control, Mr. Sunu is entitled to a lump sum payment of (A) all accrued but unpaid base salary through the date of the termination, any amounts payable under the Amended and Restated 2010 Long Term Incentive Plan (the "LTIP"), any unpaid or unreimbursed expenses and any benefits to be provided under FairPoint's employee benefits plans upon a termination of employment ("Accrued Obligations"), (B) any unpaid annual incentive plan (the "AIP") bonus (in respect of any completed fiscal year that has ended prior to the date of the termination of Mr. Sunu's employment), (C) two times the amount of Mr. Sunu's then-current base salary, (D) the cost of continued health and disability insurance coverage for Mr. Sunu and his covered dependents for a period of 24 months and (E) the greater of two times the amount of his average AIP bonus for the immediately preceding two fiscal years where such average is determined by reference to the actual annual bonus paid to Mr. Sunu for the immediately two preceding fiscal years, or two times his target AIP bonus for the year in which the termination occurred. Mr. Sunu will also be entitled to a pro rata portion of the AIP bonus for the year in which the termination occurred and will receive immediate accelerated vesting of all outstanding unvested equity awards.

If Mr. Sunu terminates his employment for good reason, he will be entitled to the benefits described above, except that the bonus payment described in (E) of the preceding paragraph will be based on two times the average AIP bonus paid to him for the two preceding fiscal years, and accelerated vesting of then outstanding equity awards is limited to the next tranche of time-based awards and the target amount of performance-based awards.

The employment agreement and the award agreements under the LTIP provide that upon the occurrence of a change in control, Mr. Sunu's unvested benefits under the LTIP will be accelerated and vest in full.

The payment of any amount or provision of any benefit upon the termination under the employment agreement as described above is conditioned upon Mr. Sunu's execution and delivery to FairPoint of a release of all claims against, among other parties, FairPoint and its subsidiaries. In

Table of Contents

addition, Mr. Sunu's entitlement to payments and benefits upon termination under his employment agreement is subject to his compliance with a non-interference agreement with FairPoint, pursuant to which Mr. Sunu agrees to, among other things, certain non-competition and non-solicitation provisions for 24 months following the termination of his employment with FairPoint.

Karen D. Turner, Peter G. Nixon, John J. Lunny, Bruce F. Metge and Steven G. Rush

FairPoint entered into employment agreements with Ms. Turner (on November 20, 2014, as amended on August 14, 2015 and November 21, 2016); Mr. Nixon (on January 22, 2013, as amended on August 14, 2015 and May 16, 2016); Mr. Lunny (on July 1, 2014, as amended on August 14, 2015 and November 21, 2016); Mr. Metge (on September 6, 2016) and Mr. Rush (on August 10, 2015, as amended on June 1, 2016).

Pursuant to the respective employment agreements, in the event the executive's employment is terminated by FairPoint without cause (other than due to death or disability) or by the executive for good reason within six months before or six months after a change in control, the executive is entitled to a lump sum payment of (A) the Accrued Obligations, (B) any unpaid AIP bonus (in respect of any completed fiscal year that has ended prior to the date of the termination of the executive's employment), (C) two times the amount of the executive's then-current base salary, (D) the cost of continued health and disability insurance coverage for the executive and his or her covered dependents for a period of 24 months and (E) the greater of two times the amount of his or her average AIP bonus for the immediately preceding two fiscal years where such average is determined by reference to the actual annual bonus paid to the executive for the immediately two preceding fiscal years, or two times his or her target AIP bonus for the year in which the termination occurred.

If the executive's employment is terminated by FairPoint without cause (other than due to death or disability) or by the executive for good reason outside the six month window described above, the executive will be entitled to the benefits described above, except that the bonus payment described in (E) of the preceding paragraph will be based on two times the average AIP bonus paid to the executive for the two preceding fiscal years.

The employment agreements and the award agreements under the LTIP provide that upon the occurrence of a change in control, all of the executives' unvested benefits under the LTIP will be accelerated and vest in full.

The payment of any amount or provision of any benefit upon termination under an employment agreement (as described above) is conditioned upon the executive's execution and delivery to FairPoint of a release of all claims against, among other parties, FairPoint and its subsidiaries. In addition, the executive's entitlement to payments and benefits under his or her employment agreement is subject to his or her compliance with a non-interference agreement with FairPoint, pursuant to which the executive agrees to, among other things, certain non-competition and non-solicitation provisions for twelve months following his or her employment with FairPoint.

John Hogshire

On November 5, 2015, FairPoint entered into a severance in connection with a change in control agreement, as amended on January 11, 2017 (the "Severance Agreement"), with Mr. Hogshire, FairPoint's Principal Accounting Officer. Pursuant to the Severance Agreement, if, within twelve months of a change in control, (i) FairPoint terminates Mr. Hogshire's employment without cause (other than due to his death or disability), (ii) Mr. Hogshire terminates his employment as a result of a reduction in his cash compensation (*i.e.*, base salary and annual bonus opportunity) by greater than 5% without his consent or (iii) Mr. Hogshire terminates his employment as a result of a required relocation of his principal place of employment by more than 100 miles without his consent, and such termination results in Mr. Hogshire incurring a "separation from service" as defined under Treasury

Table of Contents

Regulation 1.409A-1(h) and Mr. Hogshire has executed a general release of claims in favor of FairPoint, Mr. Hogshire is entitled to a lump sum payment equal to (A) the amount of his then-current base salary for six months and (B) subsidization of his applicable COBRA premiums so that the COBRA premiums paid by Mr. Hogshire equal the same amount that he paid as an active employee under FairPoint's health insurance plan for the lesser of six months following the termination of his employment or until Mr. Hogshire becomes eligible for insurance benefits from another employer.

Mr. Hogshire's entitlement to payments and benefits under the Severance Agreement is subject to his compliance with a non-interference provision, pursuant to which Mr. Hogshire agrees to, among other things, certain non-solicitation provisions for the period of six months immediately following the termination date.

The award agreements under the LTIP provide that upon the occurrence of a change in control, all of Mr. Hogshire's unvested benefits under the LTIP will be accelerated and vest in full.

Impact of Internal Revenue Code

If it is determined that any change in control payment due would result in an excise tax imposed pursuant to Section 4999 of the Code, each executive can elect to either receive full payment and pay the excise tax (in which case FairPoint's tax deduction for compensation paid would be severely limited) or have the payment reduced to the amount necessary to avoid the excise tax. The foregoing reduction is referred to herein as the "280G cutback provision."

Golden Parachute Compensation for Named Executive Officers

For purposes of the disclosure in this joint proxy statement/prospectus, FairPoint's "named executive officers" are:

Paul H. Sunu (Chief Executive Officer and Director)

Karen D. Turner (Executive Vice President and Chief Financial Officer)

Peter G. Nixon (Executive Vice President, Revenue and External Affairs)

John J. Lunny (Executive Vice President and Chief Technology Officer)

Steven G. Rush (Executive Vice President, Northern New England Operations)

Ajay Sabherwal (former Executive Vice President and Chief Financial Officer)

Shirley J. Linn (former Executive Vice President, General Counsel and Secretary)

Anthony A. Tomae (former Executive Vice President and Chief Revenue Officer)

In accordance with Item 402(t) of Regulation S-K, the following table sets forth the estimated value of the benefits under the employment agreements and LTIP described above that, assuming the occurrence of a change in control and termination of employment at May 31, 2017, would be received by each FairPoint named executive officer either immediately at the effective time of the Merger (*i.e.*, on a "single-trigger" basis) or on a qualifying termination of employment following, or prior to and in connection with, the Merger (*i.e.*, on a "double-trigger" basis). The actual amount of any payments (if any) will likely differ from the below estimated amounts. No named executive officer is

entitled to any tax reimbursement payments from FairPoint associated with any change in control payments.

Named Executive Officer(1)	Cash(2)(\$)	Equity(3)(\$)	Total(4)(\$)
Paul H. Sunu Chief Executive Officer and Director	3,702,274	2,028,628	5,730,902
Karen D. Turner Executive Vice President and Chief Financial Officer	1,156,781	918,153	2,074,934
Peter G. Nixon Executive Vice President, Revenue and External Affairs	1,095,474	623,363	1,718,837
John J. Lunny Executive Vice President and Chief Technology Officer	946,947	500,426	1,447,373
Steven G. Rush Executive Vice President, Northern New England Operations	906,920	485,208	1,392,128
Anthony A. Tomae(5) Former Executive Vice President and Chief Revenue Officer		47,800	47,800

(1) This table does not include Ms. Linn or Mr. Sabherwal, because Ms. Linn retired from her role as Executive Vice President, General Counsel and Secretary effective May 9, 2016 and Mr. Sabherwal resigned from his role as Executive Vice President, Chief Financial Officer effective August 3, 2016. As such, Ms. Linn and Mr. Sabherwal will not receive any compensation from FairPoint or Consolidated in connection with the Merger.

(2) Detail of the Cash components outlined in the Golden Parachute Compensation Table:

Name	Base Salary(a)	Target AIP(b)	Pro Rata Target AIP(c)	Continued Health and Disability Coverage(d)	Total Cash Component(5)
Paul H. Sunu	\$ 1,660,000	\$ 1,660,000	\$ 345,800	\$ 36,474	\$ 3,702,274
Karen D. Turner	\$ 750,000	\$ 375,000	\$	\$ 31,781	\$ 1,156,781
Peter G. Nixon	\$ 706,000	\$ 353,000	\$	\$ 36,474	\$ 1,095,474
John J. Lunny	\$ 600,000	\$ 300,000	\$	\$ 46,947	\$ 946,947
Steven G. Rush	\$ 570,000	\$ 285,000	\$	\$ 51,920	\$ 906,920

(a) Payment of base salary pursuant to the respective employment agreements is considered a "double-trigger" because it is dependent upon termination within six months before or six months after a change in control for the named executive officers with the exception of Mr. Sunu. Mr. Sunu's time frame is twelve months before or twelve months after a change in control. This estimated amount is based on 2017 salary.

(b) Payment of the AIP bonus pursuant to the respective employment agreements is considered a "double-trigger" because it is dependent upon termination within six months before or six months after a change in control for the named executive officers with the exception of Mr. Sunu. Mr. Sunu's time frame is twelve months before or twelve months after a change in control. The estimated amount is based on the target AIP bonus amount for 2017, as the actual bonus amounts for 2016 have not yet been determined.

(c) Payment of the pro rata AIP bonus pursuant to Mr. Sunu's employment agreement is considered a "double-trigger" because it is dependent upon termination within twelve months

before or twelve months after a change in control. The amount is based on Mr. Sunu's 2017 target AIP bonus amount for five months.

- (d) Payment of the continued health and disability insurance coverage pursuant to the respective employment agreements is considered a "double-trigger" because it is dependent upon termination within six months before or six months after a change in control for all named executive officers with the exception of Mr. Sunu. Mr. Sunu's time frame is twelve months before or twelve months after a change in control. The amount is estimated based on FairPoint's cost of continued health and disability insurance coverage for the executive and his or her covered dependents for a period of 24 months based on 2017 premium rates.

- (3) Detail of the Equity components outlined in the Golden Parachute Compensation Table:

Name	Stock Options(a)	Restricted Stock(b)	Performance Shares(c)	Total Equity Component
Paul H. Sunu	\$ 193,108	\$ 822,160	\$ 1,013,360	\$ 2,028,628
Karen D. Turner	\$ 167,693	\$ 521,020	\$ 229,440	\$ 918,153
Peter G. Nixon	\$ 56,933	\$ 260,510	\$ 305,920	\$ 623,363
John J. Lunny	\$ 46,326	\$ 215,100	\$ 239,000	\$ 500,426
Steven G. Rush	\$ 45,448	\$ 210,320	\$ 229,440	\$ 485,208
Anthony A. Tomae	\$	\$	\$ 47,800	\$ 47,800

- (a) Upon a change in control, there is accelerated vesting of all unvested in-the-money stock option awards, and as described below, the options will be cancelled and the option holders will receive a number of shares of Consolidated common stock based on the spread. These awards are time-based. The value was determined by multiplying the total number of shares subject to the unvested option by the difference between the average closing market price for FairPoint common stock over the first five business days following the public announcement of the Merger and the exercise price of each stock option award. The accelerated vesting is "single-trigger" in nature.
- (b) Upon a change in control, there is accelerated vesting of all outstanding restricted stock awards. These awards are time-based. The value was determined by multiplying the number of shares whose vesting is accelerated by the average closing market price for FairPoint common stock over the first five business days following the public announcement of the Merger. The accelerated vesting is "single-trigger" in nature.
- (c) Upon a change in control, there is accelerated vesting of all outstanding performance share awards. In the absence of the Merger, these awards would only have been earned based on the achievement of certain performance goals with cliff vesting at the end of the performance period. The value was determined by multiplying the number of shares by the average closing market price for FairPoint common stock over the first five business days following the public announcement of the Merger. The accelerated vesting is "single-trigger" in nature.
- (4) 280G cutback provision: Based on the estimated calculations in accordance with IRS rules, it appears that a reduction in the change in control payments for each of Mr. Lunny and Mr. Rush to \$1 less than the amount that would trigger the 280G excise tax would result in a net after tax payment that is larger than the net after tax payment if the executive received the full unreduced benefits and paid the excise tax. Mr. Lunny's payment would need to be reduced by approximately \$4,800 and Mr. Rush's payment would need to be reduced by approximately \$75,700. The above table does not reflect these reductions. The other executives' receipt of full unreduced benefits and payment of the excise tax would result in a larger after-tax payment, so the 280G cutback provision does not apply. These payments do not reflect any value assigned to the non-compete provisions of each employee's employment agreement. The extent to which any portion of the cash severance is

Table of Contents

deemed consideration for the non-compete would decrease the amount that is subject to 280G, and potentially affect the 280G cutback provision.

(5)

Mr. Tomae's employment with FairPoint terminated without cause effective January 29, 2016. No cash amounts are payable to Mr. Tomae because he terminated employment with FairPoint prior to the Merger. However, in accordance with the performance share awards granted under the LTIP, Mr. Tomae's outstanding performance awards on his termination date were prorated to reflect the number of performance shares earned during the performance period while the remaining performance shares were forfeited on his termination date. The performance shares earned by Mr. Tomae will vest immediately upon the effective time of the Merger.

Change in Control Benefits for the FairPoint Board

With the exception of Mr. Gingold, who elected to forgo all compensation, there is accelerated vesting in 2017 upon a change in control of all outstanding restricted stock awards to members of the FairPoint Board valued at \$143,400 for each director. These awards were time-based. The value was determined by multiplying the number of shares by the average closing market price for FairPoint common stock over the first five business days following the public announcement of the Merger.

Treatment of FairPoint Equity Awards

Each FairPoint Option, to the extent outstanding and unexercised immediately prior to the effective time of the Merger, shall become fully vested as of the effective time of the Merger and shall, without any action on the part of the holder of such option, be automatically cancelled in exchange for the right to receive, as soon as reasonably practicable following the effective time of the Merger, that number of shares of Consolidated common stock as is equal to (i) the product of (A) the adjusted option shares (as defined below), multiplied by (B) the difference of (1) the per share closing price for Consolidated common stock as reported on the NASDAQ Global Select Market on the trading day immediately preceding the closing date, minus (2) the adjusted exercise price (as defined below), divided by (ii) the per share closing price for Consolidated common stock as reported on the NASDAQ Global Select Market on the trading day immediately preceding the closing date (the "option consideration"); provided, however, that in the event that the adjusted exercise price of any FairPoint Option is equal to or greater than the per share closing price for Consolidated common stock as reported on the NASDAQ Global Select Market on the trading day immediately preceding the closing date, such FairPoint Option shall be canceled and no option consideration shall be payable in respect of such FairPoint Option. The term "adjusted exercise price" means, with respect to each FairPoint Option, the quotient of (A) the exercise price set forth in such FairPoint Option, in each case as adjusted to the date of such calculation in accordance with the terms of such FairPoint Option, divided by (B) 0.7300. The term "adjusted option shares" means, with respect to each FairPoint Option, the product of (A) the number of shares of FairPoint common stock underlying such FairPoint Option, in each case as adjusted to the date of such calculation in accordance with the terms of such FairPoint Option, multiplied by (B) 0.7300.

Each FairPoint Performance Award, to the extent outstanding immediately prior to the effective time of the Merger, shall become 100% fully vested as of the effective time of the Merger and shall, without any action on the part of any holder of such FairPoint Performance Award, be automatically canceled in exchange for the right to receive, as soon as reasonably practicable following the effective time of the Merger, that number of shares of Consolidated common stock as is equal to the product of (i) the number of shares of FairPoint common stock underlying such FairPoint Performance Award, multiplied by (ii) 0.7300.

Restricted share awards granted under any FairPoint stock plan, to the extent outstanding and subject to vesting or forfeiture conditions (whether time-based or performance-based), shall become

Table of Contents

fully vested or released from such forfeiture conditions as of the effective time of the Merger and shall be treated as shares of FairPoint common stock for all purposes of the Merger Agreement.

Indemnification; Directors' and Officers' Insurance

The Merger Agreement provides that, from and after the effective time of the Merger, each of Consolidated and FairPoint, as the surviving company, shall jointly and severally indemnify and hold harmless each person who served as a director or officer of FairPoint or its subsidiaries prior to the effective time of the Merger and, to the fullest extent required by law, promptly pay or reimburse expenses incurred in defending, serving as a witness with respect to or otherwise participating in any claim in advance of the final disposition of such claim, subject to certain conditions. The Merger Agreement further provides that, prior to the effective time of the Merger, FairPoint shall or, if FairPoint is unable to, Consolidated shall cause FairPoint, as the surviving company in the Merger as of the effective time, to, obtain and fully pay the premium for the non-cancellable extension of the directors' and officers' liability coverage of FairPoint's existing directors' and officers' insurance policies and FairPoint's existing fiduciary liability insurance policies, in each case for a claims reporting or discovery period of at least six years from and after the effective time of the Merger with respect to any claim related to any period of time at or prior to the effective time of the Merger, provided that the annual premium therefor shall not exceed \$1,718,760. If such "tail policy" cannot be obtained, Consolidated or FairPoint as the surviving company, as the case may be, is required to use commercially reasonable efforts to obtain as much directors' and officers' liability insurance coverage as can be obtained for \$1,718,760 per year on terms substantially similar to FairPoint's existing directors' and officers' liability insurance.

Effect of the Merger

Subject to the terms and conditions of the Merger Agreement and in accordance with Delaware law, at the effective time of the Merger, Merger Sub will merge with and into FairPoint. FairPoint will be the surviving corporation in the Merger and will become a wholly-owned subsidiary of Consolidated.

Merger Consideration

At the effective time of the Merger, each share of FairPoint common stock (other than shares owned directly by FairPoint, any FairPoint subsidiary, Consolidated or Merger Sub) issued and outstanding immediately prior to the effective time of the Merger will be converted into and become the right to receive 0.7300 shares of Consolidated common stock and cash in lieu of fractional shares, less any applicable taxes required to be withheld.

The rights pertaining to Consolidated common stock will be different from the rights pertaining to FairPoint common stock, because the certificate of incorporation and bylaws of Consolidated in effect immediately after the Merger is completed will be different from the certificate of incorporation and bylaws of FairPoint. For a description of the rights pertaining to Consolidated common stock and Consolidated's certificate of incorporation and bylaws, see the sections entitled "Description of Consolidated Capital Stock" and "Comparison of Rights of Common Stockholders of FairPoint and Common Stockholders of Consolidated" on pages 129 and 130, respectively.

Ownership of Consolidated Following the Merger

Based on the closing sale price for Consolidated's shares on [], 2017, the latest practicable date before the printing of this joint proxy statement/prospectus, stockholders of Consolidated would hold approximately []% in the aggregate, and stockholders of FairPoint would hold approximately []% in the aggregate, of the issued and outstanding shares of Consolidated common stock if the Merger were to occur on such date, in each case as determined on a fully-diluted basis.

Table of Contents

Conversion of Shares; Exchange Procedures; Fractional Shares

The conversion of FairPoint common stock into the right to receive the Merger Consideration will occur automatically at the effective time of the Merger. Prior to the effective time of the Merger (and, with respect to Consolidated common stock, from time to time after the effective time of the Merger, as applicable), Consolidated will deposit with the exchange agent an amount in cash and certificates representing shares of Consolidated common stock sufficient to effect the conversion of each share of FairPoint common stock into the Merger Consideration pursuant to the Merger Agreement.

Approximately five business days after the effective time of the Merger, the exchange agent will mail to each holder of record of FairPoint common stock as of immediately prior to the effective time of the Merger a letter of transmittal containing instructions for obtaining the aggregate Merger Consideration that the stockholder is entitled to receive pursuant to the Merger. The letter of transmittal will contain instructions for surrendering certificates representing shares of FairPoint common stock to the exchange agent. The exchange agent will mail the aggregate Merger Consideration (including, if applicable, cash in lieu of any fractional share of Consolidated common stock) to the stockholder approximately ten business days after the exchange agent has received all of the stockholder's certificates representing shares of FairPoint common stock, a properly signed and completed letter of transmittal in accordance with the instructions thereto, and such other documents as may be required pursuant to such instructions.

After the effective time of the Merger, each certificate that previously represented shares of FairPoint common stock will represent only the right to receive the Merger Consideration as described above and dividends and distributions on, and cash in lieu of any fractional share of, Consolidated common stock as described below.

Until holders of certificates previously representing shares of FairPoint common stock have surrendered those certificates to the exchange agent, those holders will not receive dividends or distributions on any shares of Consolidated common stock into which such shares have been converted. When delivery of the Merger Consideration is made to such holders as described above, the exchange agent will also pay to such holders, without interest, all dividends and other distributions in respect of such Consolidated common stock with a record date after the effective time of the Merger and a payment date on or prior to the date of surrender of certificates and not previously paid and on the appropriate payment date any such dividends or distributions with a record date after the effective time of the Merger and a payment date subsequent to such surrender.

No fractional shares of Consolidated common stock will be issued to any FairPoint stockholder in the Merger. Each FairPoint stockholder who would otherwise have been entitled to receive a fraction of a share of Consolidated common stock in the Merger will receive cash in an amount equal to the product obtained by multiplying (i) the fractional share of Consolidated common stock to which such holder would otherwise be entitled (after taking into account all shares of FairPoint common stock held by such holder immediately prior to the effective time of the Merger) by (ii) the last reported sale price of Consolidated common stock on the NASDAQ Global Select Market (as reported in The Wall Street Journal or, if not reported therein, in another authoritative source mutually selected by Consolidated and FairPoint) on the last complete trading day prior to the date of the effective time of the Merger, less any applicable taxes required to be withheld.

Table of Contents

Consolidated and the exchange agent will be entitled to deduct and withhold from the Merger Consideration, and pay to the appropriate taxing authorities, any applicable taxes. Any such amount which is properly withheld and paid to a taxing authority by Consolidated or the exchange agent will be treated for all purposes of the Merger Agreement as having been paid to the person from whom it is withheld.

If any certificate representing shares of FairPoint common stock has been lost, stolen or destroyed, upon the making of an affidavit attesting to that fact by the person claiming that such certificate has been lost, stolen or destroyed and, if required by Consolidated or the surviving corporation of the Merger, the delivery by such person of a bond (in such amount as Consolidated or the surviving corporation may direct) as indemnity against any claim that may be made against the exchange agent, Consolidated or the surviving corporation with respect to or on account of the alleged loss, theft or destruction of such certificate, the exchange agent will issue, in exchange for all rights to the lost, stolen or destroyed certificate, the total amount of Merger Consideration in respect of the shares of FairPoint common stock represented by such certificate.

Accounting Treatment

The Merger will be accounted for using the acquisition method of accounting. Consolidated will allocate the purchase price to the fair value of FairPoint's tangible and intangible assets and liabilities at the acquisition date, with the excess purchase price being recorded as goodwill. Under U.S. generally accepted accounting principles, goodwill is not amortized but is tested for impairment at least annually.

Regulatory Approvals Required for the Merger

United States Antitrust

United States antitrust laws prohibit Consolidated and FairPoint from completing the Merger until they have furnished certain information and materials to the Antitrust Division of the Department of Justice and the Federal Trade Commission under the HSR Act and a required waiting period has ended. FairPoint and Consolidated filed the required notification and report forms with the Antitrust Division of the Department of Justice and the Federal Trade Commission on December 14, 2016. The required waiting period was terminated on January 11, 2017.

At any time before or after the effective time of the Merger, the Federal Trade Commission or others (including states and private parties) could take action under the antitrust laws, including seeking to prevent the Merger, to rescind the Merger or to conditionally approve the Merger upon the divestiture of assets of Consolidated or FairPoint. There can be no assurances that a challenge to the Merger on antitrust grounds will not be made or, if such challenge is made, that it will not be successful.

Other Laws

In addition to the regulatory approvals described above, completion of the Merger is also conditioned upon the receipt of the following approvals of the FCC, the Colorado PUC, the Georgia PSC, the Illinois CC, the Kansas CC, the Maine PUC, the New Hampshire PUC, the New York PSC, the Ohio PUC, the Pennsylvania PUC, the Vermont PSB, the Virginia SCC and filing notices with the Alabama PSC, the Florida PSC, the Massachusetts DPU, the Missouri PSC, the Oklahoma CC and the Washington UTC.

On December 20, 2016, FairPoint and its subsidiaries that are regulated by the FCC, and Consolidated and Merger Sub jointly filed domestic and international 214 applications with the FCC for approval of the transfer of control of those FairPoint subsidiaries to Consolidated.

No Appraisal Rights for FairPoint's stockholders

Section 262 of the Delaware General Corporation Law provides that stockholders have the right, in some circumstances, to dissent from certain corporate actions and to instead demand payment of the fair value of their shares. Stockholders do not have appraisal rights with respect to shares of any class or series of stock if such shares of stock, or depositary receipts in respect thereof, are either (a) listed on a national securities exchange or (b) held of record by more than 2,000 holders, unless the stockholders receive in exchange for their shares anything other than (w) shares of stock of the surviving or resulting combined corporation (or depositary receipts in respect thereof), (x) shares of stock of any other corporation (or depositary receipts in respect thereof) that, as of the effective date of the merger, is either listed on a national securities exchange or held by more than 2,000 holders of record, (y) cash in lieu of fractional shares or fractional depositary receipts described in clauses (w) and (x) or (z) any combination of the foregoing. Therefore, because (i) FairPoint common stock is listed on NASDAQ Capital Market, and (ii) FairPoint stockholders will receive in the Merger only shares of Consolidated common stock, which is publicly listed on the NASDAQ Global Select Market and cash in lieu of fractional shares, holders of FairPoint common stock will not be entitled to appraisal rights in the Merger with respect to their shares of FairPoint common stock.

Stock Exchange Listing of Consolidated Common Stock

Shares of Consolidated common stock issuable to FairPoint's stockholders in the Merger must have been approved for listing on the NASDAQ Global Market.

Delisting and Deregistration of FairPoint Common Stock

If the Merger is completed, FairPoint common stock will be delisted from the NASDAQ Capital Market and deregistered under the Exchange Act, and FairPoint will no longer file periodic reports with the SEC on account of FairPoint common stock.

MATERIAL UNITED STATES FEDERAL INCOME TAX CONSEQUENCES

The following discussion summarizes the material U.S. federal income tax consequences to U.S. Holders (as defined below) of the merger of Merger Sub with and into FairPoint, with FairPoint surviving, and, unless otherwise noted in the following discussion, expresses the opinion of Schiff Hardin LLP, tax counsel for Consolidated, insofar as it relates to matters of U.S. federal income tax law and legal conclusions with respect to those matters. This summary is based on the Code, U.S. Treasury regulations promulgated thereunder (including proposed and temporary regulations), rulings, current administrative interpretations and official pronouncements of the IRS and judicial decisions, all as currently in effect and all of which are subject to differing interpretations or to change, possibly with retroactive effect. Such change could materially and adversely affect the tax consequences described below. No assurance can be given that the IRS would not assert, or that a court would not sustain, a position contrary to any of the tax consequences described below.

This summary does not address all aspects of U.S. federal income taxation that may be important to a particular person in light of its investment or tax circumstances or to persons subject to special tax rules, such as partnerships, subchapter S corporations or other pass-through entities, banks, financial institutions, tax-exempt entities, insurance companies, regulated investment companies, real estate investment trusts, trusts and estates, dealers in stocks, securities or currencies, traders in securities that have elected to use the mark-to-market method of accounting for their securities, persons holding FairPoint common stock as part of an integrated transaction, including a "straddle," "hedge," "constructive sale" or "conversion transaction," persons whose functional currency for tax purposes is not the U.S. dollar, persons subject to the alternative minimum tax provisions of the Code and persons who acquired the FairPoint common stock pursuant to the exercise of employee incentive stock options or otherwise as compensation. This summary does not include any description of the tax laws of any state or local government, or of any foreign government, that may be applicable to a particular person.

This discussion is directed solely to U.S. Holders (as defined below) who hold FairPoint common stock as capital assets within the meaning of Section 1221 of the Code, which generally means property held for investment.

As used in this section, the term "U.S. Holder" means a beneficial owner of FairPoint common stock who, for U.S. federal income tax purposes, is:

an individual who is a citizen or resident of the United States;

a corporation (including an entity treated as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the United States or of any state of the United States or the District of Columbia;

an estate the income of which is subject to U.S. federal income taxation regardless of its source;

a trust if a court within the United States is able to exercise primary supervision over the administration of the trust and one or more U.S. persons have the authority to control all substantial decisions of the trust; or

a trust in existence on August 20, 1996 that has a valid election in effect under applicable U.S. Treasury regulations to be treated as a U.S. person (as defined in the Code).

If an entity or arrangement treated as a partnership for U.S. federal income tax purposes holds FairPoint common stock, the U.S. federal income tax treatment of a partner generally will depend on the status of the partner and the activities of the partnership. A partnership, and a partner of a partnership, holding FairPoint common stock should consult its own tax advisor regarding the U.S. federal income tax consequences to it of the Merger.

Table of Contents

This summary is not a comprehensive description of all of the U.S. federal income tax consequences that may be relevant to you. Neither Consolidated nor FairPoint has requested a ruling from the IRS in connection with the Merger or related transactions. Accordingly, the discussion below neither binds the IRS nor precludes it from adopting a contrary position. Consolidated and FairPoint urge you to consult your own tax advisor regarding your particular circumstances and the U.S. federal income tax consequences to you of the Merger, as well as any tax consequences arising under the laws of any state, local, foreign or other tax jurisdiction and the possible effects of changes in U.S. federal or other tax laws.

Treatment of the Merger as a Reorganization General

Consolidated and FairPoint have adopted the Merger Agreement as a "plan of reorganization" and based on the opinions to be delivered at the closing of the Merger by Schiff Hardin LLP, tax counsel for Consolidated, and Paul Hastings LLP, tax counsel to FairPoint, that the Merger will qualify as a "reorganization" within the meaning of Section 368(a) of the Code, will treat the Merger as a "reorganization" for federal income tax purposes. However, no ruling has been or will be obtained from the IRS with respect to the Merger, and therefore no assurance can be given that the IRS will not challenge the tax treatment of the Merger as a reorganization. If the Merger fails to qualify as a reorganization, U.S. Holders would be treated as if they sold their FairPoint common stock in a taxable transaction. In such event, each U.S. Holder would recognize gain or loss with respect to the disposition of its shares of FairPoint common stock equal to the difference between (i) the U.S. Holder's basis in such shares and (ii) the fair market value (as of the effective time of the Merger) of the Consolidated common stock received in the Merger plus any cash in lieu of fractional shares, less any applicable taxes required to be withheld. Such gain or loss would be determined separately for each identifiable block of FairPoint common stock exchanged in the Merger, and such gain or loss would be treated as capital gain or capital loss.

The tax opinions to be delivered at the closing of the Merger by Schiff Hardin LLP, tax counsel to Consolidated, and Paul Hastings LLP, tax counsel to FairPoint, regarding the Merger will not address any state, local or foreign tax consequences of the Merger. The tax opinions are subject to customary qualifications and assumptions, including that the Merger will be completed according to the terms of the Merger Agreement. In rendering the tax opinions, Schiff Hardin LLP and Paul Hastings LLP will rely on representations of FairPoint, Merger Sub and Consolidated. If any such assumption or representation is or becomes inaccurate, FairPoint and Consolidated may be unable to rely upon the opinions of counsel regarding the U.S. federal income tax consequences of the Merger, and the expected tax treatment to U.S. holders could be adversely affected. An opinion of counsel represents counsel's best legal judgment but is not binding on the IRS or on any court. Consequently, no assurance can be given that the IRS will not assert, or that a court will not sustain, a position contrary to any of the tax consequences set forth in this summary.

Consequences of the Merger to FairPoint and Consolidated

None of FairPoint, Consolidated and Merger Sub will recognize gain or loss as a result of the Merger.

Tax Consequences of the Merger for U.S. Holders of FairPoint Common Stock

A U.S. Holder will not recognize gain or loss as a result of the receipt of shares of Consolidated common stock in the Merger except for any gain or loss recognized with respect to cash received in lieu of a fractional share of Consolidated common stock.

A U.S. Holder's aggregate tax basis in the Consolidated common stock received in the Merger in exchange for its FairPoint common stock, including any fractional shares deemed received by the U.S.

Table of Contents

Holder under the treatment discussed below in " Cash in Lieu of Fractional Shares of Consolidated Common Stock," generally will equal such U.S. Holder's aggregate tax basis in the FairPoint common stock surrendered by such U.S. Holder in the Merger. The holding period for the shares of Consolidated common stock received by such U.S. Holder in the Merger in exchange for its FairPoint common stock, including any fractional shares deemed received by the U.S. Holder under the treatment discussed below in " Cash in Lieu of Fractional Shares of Consolidated Common Stock," generally will include the holding period for the shares of FairPoint common stock exchanged therefor.

Cash in Lieu of Fractional Shares of Consolidated Common Stock

A U.S. Holder who receives cash instead of a fractional share of Consolidated common stock will be treated as having received the fractional share of Consolidated common stock pursuant to the Merger and then as having exchanged the fractional share of Consolidated common stock for cash in a redemption by Consolidated. In general, this deemed redemption will be treated as a sale or exchange, and a U.S. Holder will recognize gain or loss equal to the difference between (i) the amount of cash received by such U.S. Holder and (ii) the portion of the basis of the shares of FairPoint common stock allocable to such fractional interest. Such gain or loss generally will constitute capital gain or loss and will be long-term capital gain or loss if the U.S. Holder's holding period for the FairPoint common stock exchanged by such U.S. Holder is greater than one year as of the effective time of the Merger.

Information Reporting and Backup Withholding

A U.S. Holder may, under certain circumstances, be subject to information reporting and backup withholding in respect of cash payments in lieu of a fractional share of Consolidated common stock, unless the U.S. Holder provides proof of an applicable exemption, furnishes its taxpayer identification number (in the case of individuals, their social security number) and otherwise complies with all applicable requirements of the backup withholding rules. Any amounts withheld from payments to a U.S. Holder under the backup withholding rules are not additional tax and will be allowed as a refund or credit against the U.S. Holder's U.S. federal income tax liability, provided the required information is timely furnished to the IRS.

Reporting Requirements

A U.S. Holder who receives shares of Consolidated common stock as a result of the Merger will be required to retain records pertaining to the Merger. Each U.S. holder who is required to file a U.S. tax return and who is a "significant holder" that receives Consolidated common stock in the Merger will be required to file a statement with the significant holder's U.S. federal income tax return setting forth such significant holder's basis (determined immediately before the exchange) in the FairPoint common stock surrendered and the fair market value (determined immediately before the exchange) of the FairPoint common stock that is exchanged by such significant holder. Generally, a "significant holder" is a U.S. Holder who receives shares of Consolidated common stock in the Merger and who, immediately before the Merger, owned at least 5% of the outstanding stock of FairPoint (by vote or value) or securities of FairPoint with a tax basis of \$1.0 million or more.

THE MERGER AGREEMENT

The following discussion sets forth the principal terms of the Merger Agreement, a copy of which is attached as Annex I to this joint proxy statement/prospectus and is incorporated by reference herein. The rights and obligations of the parties are governed by the express terms and conditions of the Merger Agreement and not by this discussion, which is a summary by nature. This discussion is not complete and is qualified in its entirety by reference to the complete text of the Merger Agreement. You are encouraged to read the Merger Agreement carefully in its entirety, as well as this joint proxy statement/prospectus, before making any decisions regarding the Merger.

The Merger

Subject to the terms and conditions of the Merger Agreement and in accordance with Delaware law, Merger Sub, a wholly-owned subsidiary of Consolidated, will merge with and into FairPoint. FairPoint will be the surviving company in the Merger and continue its corporate existence as a wholly-owned subsidiary of Consolidated. Upon consummation of the Merger, the separate corporate existence of Merger Sub will terminate.

Closing and Effectiveness of the Merger

The closing of the Merger will occur as soon as possible, but no later than two business days after the date of the conditions to its completion have been satisfied or waived. The Merger will become effective at such time (the "effective time") as set forth in the certificate of merger that the parties will duly execute and file with the Secretary of State of the State of Delaware.

Appointment of Director Designated by FairPoint

Pursuant to the Merger Agreement, FairPoint is entitled to select, subject to approval by Consolidated (such approval not to be unreasonably conditioned, withheld or delayed), and Consolidated has agreed to take all such action as may be reasonably necessary to cause, one individual from among the current members of the FairPoint Board to be elected to the Consolidated Board as of the effective time of the Merger.

Consideration to be Received in the Merger

At the effective time of the Merger, each outstanding share of FairPoint common stock (except shares owned by Consolidated, FairPoint or their subsidiaries) will be converted into the right to receive 0.7300 shares of common stock of Consolidated. No fractional shares of Consolidated common stock will be issued. Each holder will be entitled to receive, in lieu of any fractional share of Consolidated common stock to which such holder would otherwise have been entitled, an amount in cash (without interest and less any applicable taxes required to be withheld), rounded to the nearest whole cent, equal to the product obtained by multiplying (i) the fractional share of Consolidated common stock to which such holder would otherwise be entitled by (ii) the last reported sale price of Consolidated common stock on the NASDAQ Global Select Market on the last complete trading day prior to the date of the effective time of the Merger.

Treatment of FairPoint Equity Awards

Each FairPoint Option, to the extent outstanding and unexercised immediately prior to the effective time of the Merger, shall become fully vested as of the effective time of the Merger and shall, without any action on the part of the holder of such option, be automatically cancelled in exchange for the right to receive, as soon as reasonably practicable following the effective time of the Merger, that number of shares of Consolidated common stock as is equal to (i) the product of (A) the adjusted option shares (as defined below), multiplied by (B) the difference of (1) the per share closing price for

Table of Contents

Consolidated common stock as reported on the NASDAQ Global Select Market on the trading day immediately preceding the closing date, minus (2) the adjusted exercise price (as defined below), divided by (ii) the per share closing price for Consolidated common stock as reported on the NASDAQ Global Select Market on the trading day immediately preceding the closing date (the "option consideration"); provided, however, that in the event that the adjusted exercise price of any FairPoint Option is equal to or greater than the per share closing price for Consolidated common stock as reported on the NASDAQ Global Select Market on the trading day immediately preceding the closing date, such FairPoint Option shall be canceled and no option consideration shall be payable in respect of such FairPoint Option. The term "adjusted exercise price" means, with respect to each FairPoint Option, the quotient of (A) the exercise price set forth in such FairPoint Option, in each case as adjusted to the date of such calculation in accordance with the terms of such FairPoint Option, divided by (B) 0.7300. The term "adjusted option shares" means, with respect to each FairPoint Option, the product of (A) the number of shares of FairPoint common stock underlying such FairPoint Option, in each case as adjusted to the date of such calculation in accordance with the terms of such FairPoint Option, multiplied by (B) 0.7300.

Each FairPoint Performance Award, to the extent outstanding immediately prior to the effective time of the Merger, shall become 100% fully vested as of the effective time of the Merger and shall, without any action on the part of any holder of such FairPoint Performance Award, be automatically canceled in exchange for the right to receive, as soon as reasonably practicable following the effective time of the Merger, that number of shares of Consolidated common stock as is equal to the product of (i) the number of shares of FairPoint common stock underlying such FairPoint Performance Award, multiplied by (ii) 0.7300.

Restricted share awards granted under any FairPoint stock plan, to the extent outstanding and subject to vesting or forfeiture conditions (whether time-based or performance-based), shall become fully vested or released from such forfeiture conditions as of the effective time of the Merger and shall be treated as shares of FairPoint common stock for all purposes of the Merger Agreement.

Representations and Warranties

The Merger Agreement contains representations and warranties made by FairPoint to Consolidated and by Consolidated to FairPoint. The assertions embodied in those representations and warranties were made solely for purposes of the Merger Agreement and may be subject to important qualifications and limitations agreed to by the parties in connection with negotiating the terms of the Merger Agreement. Accordingly, FairPoint's and Consolidated's stockholders should not rely on representations and warranties as characterizations of the actual state of facts or circumstances, and should bear in mind that the representations and warranties were made solely for the benefit of the parties to the Merger Agreement, were negotiated for purposes of allocating contractual risk among the parties to the Merger Agreement rather than to establish matters as facts and may be subject to contractual standards of materiality different from those generally applicable to disclosure to stockholders. Moreover, information concerning the subject matter of such representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be reflected in public disclosures of FairPoint and Consolidated. This description of the representations and warranties is included to provide FairPoint's and Consolidated's stockholders with information regarding the terms of the Merger Agreement. The representations and warranties in the Merger Agreement and the description of them in this joint proxy statement/prospectus should be read in conjunction with the other information contained in the reports, statements and filings FairPoint and Consolidated publicly file with the SEC. See the section entitled "Where You Can Find More Information" on page 150.

make any investment or acquisition, by purchase or other acquisition of stock or other equity interests, by merger, consolidation, asset purchase or other business combination, or by contributions to capital; or make any material purchases of any property or assets, in or from any other person other than a wholly-owned subsidiary of Consolidated, except (i) as otherwise permitted by the Merger Agreement and (ii) other acquisitions in the ordinary course of

incur any secured indebtedness to the extent that the liens securing such indebtedness would be permitted solely by Section 6.02(xvii) of that certain Third Amended and Restated Credit Agreement, dated as of October 5, 2016, among Consolidated, certain subsidiaries of Consolidated, the lenders party thereto from time to time, Wells Fargo Bank, National Association, as administrative agent, issuing bank and swingline lender, and the other parties named therein;

except as otherwise permitted, take any action that is intended or may reasonably be expected to result in any of the conditions to the Merger not being satisfied; or

agree or make any commitment to do any of the foregoing.

No Solicitation; Changes in Recommendations

In the Merger Agreement, FairPoint has agreed that the FairPoint Board will recommend that FairPoint's stockholders approve the FairPoint Merger Proposal, and that none of FairPoint, the FairPoint Board or any of its subsidiaries will, nor will any of FairPoint, the FairPoint Board or any of its subsidiaries authorize or permit any of its representatives to, directly or indirectly:

solicit, initiate or knowingly encourage or facilitate any inquiry with respect to, or the making, submission or announcement of, any proposal or offer that constitutes, or is reasonably expected to lead to, an alternative proposal (as defined below), including through the furnishing of non-public information;

furnish any non-public information relating to FairPoint or any of its subsidiaries or afford access to the business, properties, assets, books, records or other non-public information of FairPoint or any of its subsidiaries, relating to an alternative proposal or any inquiries or the making of any proposal that could lead to an alternative proposal;

engage in, continue or otherwise participate in any discussions or negotiations regarding an alternative proposal;

grant any waiver, amendment or release under any standstill or confidentiality agreement or anti-takeover laws;

resolve to withdraw, modify or qualify, in a manner adverse to Consolidated, the FairPoint Board's recommendation that FairPoint's stockholders approve the Merger Agreement (a "company recommendation change");

approve or recommend any alternative proposal; or

enter into any letter of intent, memorandum of understanding, agreement in principal, acquisition agreement, merger agreement, option agreement, joint venture agreement, partnership agreement or other similar agreement relating to an alternative proposal or authorize, approve or publicly recommend an alternative proposal or agreement relating to an alternative proposal.

However, at any time prior to obtaining FairPoint's stockholder approval, if FairPoint has complied with its non-solicitation obligations above, FairPoint may participate or engage in discussions or negotiations with, furnish non-public information, and afford access to the business, properties, assets, books, records or other non-public information and access to FairPoint's personnel, to any person that makes a bona fide alternative proposal, but only if:

FairPoint makes available to Consolidated any material non-public information concerning FairPoint that is provided to any person given such access which was not previously made available to Consolidated;

prior to initiating any such action, the FairPoint Board shall have determined in good faith (after consultation with its financial advisor and outside legal counsel) that such alternative proposal either constitutes a superior proposal (as defined below) or could reasonably be expected to result in a superior proposal; and

prior to furnishing such information or access to, or entering into substantive discussions or negotiations with, such person, FairPoint receives a confidentiality agreement that meets terms specified in the Merger Agreement, and FairPoint notifies Consolidated that it intends to furnish information or access to, or intends to enter into substantive discussions or negotiations with, such person.

In addition, at any time prior to obtaining FairPoint's stockholder approval, if FairPoint is then in receipt of a bona fide written alternative proposal that the FairPoint Board concludes in good faith (after consultation with its financial advisor and outside legal counsel) constitutes a superior proposal or if there occurs any fiduciary change (as defined below), the FairPoint Board may:

effect a company recommendation change; and/or

in the case of superior proposal, adopt, approve, endorse or recommend, or publicly propose to adopt, approve, endorse or recommend to the stockholders of FairPoint, any superior proposal and authorize FairPoint to terminate the Merger Agreement to enter into an alternative acquisition agreement with respect to such superior proposal (provided, however, that in the circumstances described in this bullet point, FairPoint concurrently terminates the Merger Agreement, pays the termination fee if, when, and as required by the Merger Agreement and enters into a definitive alternative acquisition agreement with respect to such superior proposal).

In the circumstances set forth in the foregoing paragraph, the FairPoint Board may effect a company recommendation change, if and only if:

the FairPoint Board has determined in good faith (after consultation with its financial advisor and outside legal counsel) that failure to take such action would be inconsistent with the directors' exercise of their fiduciary obligations to the stockholders of FairPoint under applicable laws; and

FairPoint shall have validly terminated the Merger Agreement and paid the termination fee in accordance with the Merger Agreement, and prior to terminating the Merger Agreement, FairPoint shall have given Consolidated at least three business days' notice (or shorter period specified in the Merger Agreement for material revisions to the superior proposal) thereof, attaching the alternative proposal agreement, and if, within such three business day period (or such shorter period) Consolidated makes an offer that the FairPoint Board determines in good

faith is more favorable to the stockholders of FairPoint, from a financial point of view, than such superior proposal, and agrees in writing to all adjustments in the terms and conditions of the Merger Agreement to reflect such offer, FairPoint's notice of termination with respect to such superior proposal shall be deemed to be rescinded and of no further force and effect and, if FairPoint has entered into a superior proposal agreement, it must promptly terminate such agreement.

The term "alternative proposal" means, any proposal, indication or offer, including any proposal, indication or offer from or to FairPoint's stockholders, made by any person or group (as defined under Rule 13(d) under the Exchange Act) other than Consolidated or its subsidiaries and/or affiliates relating to, whether in a single transaction or series of related transactions, and whether directly or indirectly, any (i) transaction or series of transactions (including any merger, reorganization, share exchange, consolidation, business combination, joint venture, partnership, recapitalization, dissolution, liquidation or similar direct or indirect transaction involving FairPoint and/or any of its subsidiaries) for the issuance or acquisition of shares of FairPoint common stock or other equity securities of FairPoint whose business or businesses constitute 20% (in number or voting power) or more of the assets, revenues or earnings of FairPoint and its subsidiaries, taken as a whole, (ii) acquisition, license or purchase of assets of FairPoint and/or its subsidiaries equal to 20% or more of the consolidated assets of FairPoint and its subsidiaries or to which 20% or more of FairPoint's revenues or earnings on a consolidated basis are attributable or (iii) acquisition of beneficial ownership (as defined under Rule 13(d) under the Exchange Act) of equity interests representing a 20% or greater economic or voting interest in FairPoint or tender offer (including a self-tender offer) or exchange offer that, if consummated, would result in any person or group (as defined under Rule 13(d) under the Exchange Act) beneficially owning equity interests representing a 20% (in number or voting power) or greater economic or voting interest in FairPoint (provided, for the avoidance of doubt, that a transfer of FairPoint common stock solely as part of the exercise of registration rights applicable to the FairPoint common stock in effect on the date of the Merger Agreement shall not be considered an alternative proposal).

The term "fiduciary change" means any determination by the FairPoint Board, prior to obtaining FairPoint's stockholder approval of the Merger, that it is obligated to make a company recommendation change because such a change is advisable to comply with its fiduciary duties to stockholders of FairPoint.

The term "superior proposal" means any bona fide alternative proposal (except that references to "20% or more" in the definition thereof will be deemed to be references to "50% or more") made by any person that is on terms that the FairPoint Board determines in good faith (after consultation with its financial advisor and outside legal counsel) and after taking into account all legal, financial (including the financing terms thereof), regulatory, timing and other aspects of the proposal are more favorable to FairPoint's stockholders from a financial point of view than the transactions contemplated by the Merger Agreement.

The Merger Agreement provides that FairPoint shall notify Consolidated if any alternative proposals are received by FairPoint indicating, in connection with such notice, the material terms and conditions of any proposals or offers (including, if applicable, copies of any written requests, proposals or offers, including proposed agreements) and thereafter FairPoint must keep Consolidated reasonably informed, on a prompt basis, of the status and material terms of any such proposals or offers (including any material amendments thereto), including any change in FairPoint's intentions as previously notified. In addition, FairPoint must promptly notify Consolidated if any non-public information is requested from, or any discussions or negotiations are sought to be initiated or continued with, FairPoint indicating, in connection with such notice, the status of any such discussions or negotiations, including any change in the FairPoint's intentions as previously notified.

Commercially Reasonable Efforts to Complete the Merger; Other Agreements

Commercially Reasonable Efforts. Consolidated and FairPoint have each agreed to use their commercially reasonable efforts (i) to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable under applicable law to consummate the transactions contemplated by the Merger Agreement and (ii) to promptly prepare, file and provide to third parties and governmental entities all applications, statements, notices, petitions, registrations, requests, declarations and filings which are necessary or advisable to consummate the transactions contemplated by the Merger Agreement (including the Merger and the issuance of Consolidated common stock in connection with the Merger), to obtain (and to cooperate with the other party to obtain) as promptly as practicable all material permits, consents, registrations, authorizations and exemptions of or from all third parties and governmental entities which are necessary or advisable to consummate the transactions contemplated by the Merger Agreement (including the Merger and the issuance of Consolidated common stock in connection with the Merger), and to comply with the terms and conditions of all such permits, consents, registrations, authorizations and exemptions of all such third parties and governmental entities, provided that these agreements do not apply to the debt financing, which is governed by other provisions of the Merger Agreement.

Proxy Statement/Prospectus; Registration Statement; Stockholders' Meeting. Consolidated and FairPoint have agreed to prepare and file with the SEC this joint proxy statement/prospectus and the registration statement of which this joint proxy statement/prospectus forms a part as soon as is reasonably practicable after the execution of the Merger Agreement. Consolidated and FairPoint have also agreed to use commercially reasonable efforts to have the registration statement declared effective by the SEC and kept effective at all times through the effective time of the Merger in order to permit consummation of the Merger. The Merger Agreement also provides that Consolidated and FairPoint will each hold a meeting of their respective stockholders following SEC clearance of the joint proxy statement/prospectus and will recommend, in the case of FairPoint, the approval of the FairPoint Merger Proposal by its stockholders and, in the case of Consolidated, the approval of the Consolidated Stock Issuance Proposal by its stockholders, and FairPoint and Consolidated will use commercially reasonable efforts to obtain such approvals.

Access to Information

Under the Merger Agreement, until the effective time of the Merger, subject to reasonable prior notice, applicable law and the confidentiality agreement between FairPoint and Consolidated dated August 19, 2016, FairPoint and Consolidated agree to provide their respective authorized representatives access to the properties, books, contracts, commitments and records and to the officers, employees, accountants, counsel and other representatives of FairPoint, Consolidated, and the subsidiaries of each.

Covenants and Agreements with Respect to the Debt Financing

Under the Merger Agreement, among other things, Consolidated and Merger Sub agreed to take all actions and do, or cause to be done, all things necessary, proper or advisable to (x) maintain in effect the debt commitment letter and (y) arrange and obtain the proceeds of the debt financing on the terms and conditions described in the debt commitment letter (including any "market flex" terms and conditions in the fee letter referenced in, and to which, the debt commitment letter is subject), including: (i) entering into definitive agreements with respect thereto on the terms and conditions contained in the debt commitment letter as promptly as practicable; and (ii) satisfying, or cause the representatives of Consolidated and Merger Sub to satisfy all conditions applicable to Consolidated, Merger Sub, any subsidiary of Consolidated or their respective representatives that are within their respective control in such definitive agreements. Consolidated also agreed not to amend, modify or grant any waivers of, any condition or other provision under the debt commitment letter without prior

written consent of FairPoint if such amendments, modifications or waivers would (i) reduce the aggregate amount of the debt financing or (ii) impose new or additional conditions that would reasonably be expected to (A) prevent or materially delay the ability of Consolidated to consummate the Merger and the other transactions contemplated by the Merger Agreement or (B) adversely impact the ability of Consolidated, Merger Sub or any subsidiary of Consolidated to enforce its rights against the other parties to the debt commitment letter. FairPoint agreed to cooperate, and use commercially reasonable efforts to cause FairPoint's officers, employees, representatives, auditors, and advisors, including legal and accounting advisors, to cooperate, in connection with the arrangement of the debt financing, as may be reasonably requested by Consolidated, at Consolidated's sole expense, (provided that such requested cooperation does not unreasonably interfere with the ongoing operations of business of FairPoint and its subsidiaries).

Alternative Financing

Under the Merger Agreement, Consolidated agreed that, in the event that any portion of the debt financing becomes unavailable in the manner or from the sources contemplated in the Commitment Letter, (i) Consolidated will promptly notify FairPoint and (ii) Consolidated and Merger Sub will use their respective commercially reasonable efforts to arrange and obtain, and to negotiate and enter into definitive agreements with respect to, alternative financing from alternative financial institutions in an amount sufficient to consummate the transactions contemplated by the Merger Agreement upon conditions not less favorable to Consolidated, Merger Sub and FairPoint, taken as a whole, than those in the debt commitment letter ("Alternative Financing"), as promptly as practicable following the occurrence of such event (and in any event no later than the closing date of the Merger); *provided*, that if Consolidated agrees to be subject to the same obligations under the Merger Agreement with respect to any Alternative Financing as those with respect to the debt financing. Under the Merger Agreement, Consolidated is obligated to provide to FairPoint copies of any commitment letter and fee letter associated with an Alternative Financing as well as any amendment or waiver of any debt commitment letter or fee letter that is permitted under the Merger Agreement.

Director and Officer Indemnification and Insurance

The Merger Agreement provides that from and after the effective time of the Merger, each of Consolidated and FairPoint, as the surviving company shall, jointly and severally:

indemnify and hold harmless the "indemnified parties" (meaning each individual who served as a director or officer of FairPoint or its subsidiaries prior to the effective time of the Merger) to the fullest extent required, authorized or permitted by Delaware law, in connection with any claim and any judgments, fines (including excise taxes), penalties and amounts paid in settlement resulting therefrom; and

promptly pay on behalf of or, within 30 days after any request for advancement, advance to each of the indemnified parties, to the fullest extent required, authorized or permitted by Delaware law, any expenses incurred in defending, serving as a witness with respect to or otherwise participating in any claim in advance of the final disposition of such claim, but in the case of advancement of expenses upon receipt of an undertaking, to the extent required by applicable law, from such indemnified party to repay such advanced expenses if it is determined by a court of competent jurisdiction in a final order that such indemnified party was not entitled to indemnification hereunder with respect to such expenses.

The Merger Agreement further provides that, prior to the effective time of the Merger, FairPoint shall or, if FairPoint is unable to, Consolidated shall cause the surviving company in the Merger as of the effective time of the Merger to, obtain and fully pay the premium for the non-cancellable extension of the directors' and officers' liability coverage of FairPoint's existing directors' and officers' insurance

policies and FairPoint's existing fiduciary liability insurance policies (collectively, "D&O Insurance"), in each case for a claims reporting or discovery period of at least six years from and after the effective time of the Merger with respect to any claim related to any period of time at or prior to the effective time of the Merger from an insurance carrier with the same or better credit rating as FairPoint's current insurance carrier with respect to D&O Insurance with terms, conditions, retentions and limits of liability that are no less favorable than the coverage provided under FairPoint's existing policies with respect to any actual or alleged error, misstatement, misleading statement, act, omission, neglect, breach of duty or any matter claimed against a director or officer of FairPoint by reason of him or her serving in such capacity that existed or occurred at or prior to the effective time of the Merger (including in connection with the Merger Agreement or the transactions or actions contemplated thereby), provided that the annual premium therefor shall not exceed \$1,718,760. If such "tail policy" cannot be obtained, Consolidated or FairPoint as the surviving company, as the case may be, is required to use commercially reasonable efforts to obtain as much directors' and officers' liability insurance coverage as can be obtained for \$1,718,760 per year on terms substantially similar to FairPoint's existing directors' and officers' liability insurance.

Employee Matters

The Merger Agreement provides that, for a period of one year from and after the effective time of the Merger, Consolidated will provide to those employees of FairPoint and its subsidiaries who are employed immediately prior to the effective time of the Merger who remain employed by Consolidated after the effective time of the Merger (the "continuing employees") compensation and benefits arrangements that are no less favorable in the aggregate than either the (i) levels of compensation and benefits provided to the continuing employees immediately prior to the effective time of the Merger or (ii) the levels of compensation and benefit arrangements that are provided to similarly situated employees of Consolidated. The Merger Agreement also provides that Consolidated will give continuing employees who remain employed by Consolidated after the effective time of the Merger, full credit for purposes of determining eligibility and vesting (but not for purposes of any benefit accruals) under any employee benefit plans or arrangements maintained by Consolidated (other than any defined benefit or equity-based plans) for such continuing employee's service with FairPoint or its subsidiaries, waive all limitations as to preexisting conditions, exclusions and waiting periods with respect to participation and coverage requirements applicable to the continuing employees under any welfare benefit plan maintained by Consolidated to the same extent waived by FairPoint and its subsidiaries or otherwise not subject to limitation by FairPoint and its subsidiaries, provide credit under any such welfare plan for any co-payments, deductible and out-of-pocket expenditures for the remainder of the coverage period during which any transfer of coverage occurs, and honor in accordance with their terms all employee benefit plans or arrangements maintained by FairPoint immediately prior to the effective time of the Merger.

Definition of Material Adverse Effect

Certain of the representations and warranties and provisions relating to conditions to the consummation of the Merger are qualified by "material adverse effect." A "material adverse effect" is defined with respect to any entity as (i) a material adverse effect on the business, results of operations or financial condition of such entity and its subsidiaries, taken as a whole or (ii) a material adverse effect on the ability of such entity to consummate the transactions contemplated by the Merger Agreement on a timely basis, excluding any effect on the entity or its subsidiary relating to or arising in connection with:

any adverse change, effect, event or occurrence, state of facts or developments to the extent the public announcement or the pendency of the Merger Agreement or the transactions contemplated thereby or any actions required to be taken (or refrained from being taken) in

changes generally affecting the industries in which the entity or its subsidiaries operate that are not specifically related to the entity and its subsidiaries and do not have a materially disproportionate adverse effect on such entity and its subsidiaries, taken as a whole;

changes in general economic conditions or political conditions, or in the financial, credit or securities markets in general (including changes in the prevailing interest rates, exchange rates or stock, bond and/or debt prices) in the United States, in any region thereof, or in any non-U.S. or global economy that do not have a materially disproportionate adverse effect on such entity and its subsidiaries, taken as a whole;

any attack on, or by, outbreak or escalation of hostilities or acts of terrorism involving, the United States, or any declaration of war by the United States Congress or any hurricane or other natural disaster; or

changes in the market price or trading volume of such entity's common stock on NASDAQ (it being understood that this exception does not and shall not be deemed to apply to the underlying cause or causes of any such changes).

Conditions of the Merger

Mutual Conditions. The obligations of FairPoint, Consolidated and Merger Sub to consummate the Merger are subject to the satisfaction or waiver of various conditions on or prior to the effective time of the Merger, including the following:

Consolidated Conditions. Consolidated's and Merger Sub's obligations to consummate the Merger are subject to the satisfaction or waiver of additional conditions, which include the following:

the accuracy (disregarding any materiality or material adverse effect qualifications contained in such representations and warranties) of such representations and warranties except for such inaccuracies as would not, individually or in the aggregate, have a material adverse effect on FairPoint;

FairPoint's performance in all material respects of its obligations under the Merger Agreement;

the delivery to Consolidated of an officers' certificate from FairPoint confirming that the conditions described in the immediately preceding two bullets have been satisfied;

the receipt of an opinion from Schiff Hardin LLP, reasonably satisfactory to Consolidated and FairPoint, to the effect that the Merger will qualify as a tax free reorganization within the meaning of Section 368(a) of the Code; and

FairPoint Conditions. FairPoint's obligations to complete the Merger are subject to the satisfaction or waiver of additional conditions, which include the following:

by mutual written consent of FairPoint and Consolidated;

Table of Contents

by either Consolidated or FairPoint, if:

there is a final and nonappealable legal restraint or prohibition in effect that prevents the completion of the Merger;

the Merger has not been completed by September 30, 2017 (the "outside date"); provided that if by such date FairPoint's stockholders have approved the FairPoint Merger Proposal and Consolidated's stockholders have approved the Consolidated Stock Issuance Proposal, but either (i) the waiting period under the HSR Act has not expired or terminated or (ii) any consent or authorization to be obtained from the FCC or any other state regulators in connection with the transactions contemplated by the Merger Agreement has not been obtained or is not in full force and effect, then the outside date may be extended for one or more periods of up to thirty (30) days per extension by each of Consolidated and FairPoint, in its respective discretion, up to an aggregate extension so that the outside date, as so extended, shall not be later than December 3, 2017; and provided further that the right to terminate the Merger Agreement shall not be available to a party whose failure to fulfill any obligation under the Merger Agreement materially contributed to the failure to complete the Merger by such date;

the FairPoint special meeting (and any adjournment or postponement thereof) is held and FairPoint's stockholders have taken a final vote on the Merger Agreement, but FairPoint's stockholder approval of the Merger Agreement is not obtained; or

there is any state or federal law, rule or regulation adopted or issued that has the effect of prohibiting the Merger;

by FairPoint, if:

the requirements of a termination in the event of a superior proposal or a fiduciary change as described in the section "No Solicitation; Changes in Recommendations" on page 104 have been fully satisfied and FairPoint pays to Consolidated the \$18.9 million termination fee described below;

FairPoint is not in material breach of the Merger Agreement, and Consolidated breaches any of its representations or warranties or fails to perform any covenant or obligation in the Merger Agreement in such a way as to cause the failure of the closing conditions relating thereto, and such failure cannot be cured prior to the outside date, as such date may be extended, following receipt by Consolidated of written notice of such breach or inaccuracy from FairPoint; or

(A) the mutual conditions to each party's obligation to effect the Merger and the conditions to the obligations of Consolidated and Merger Sub to effect the Merger (in each case, other than those conditions that by their nature are to be satisfied at the closing) have been satisfied, (B) FairPoint has irrevocably confirmed in writing that (x) all of the conditions in clause (A) (other than those conditions that by their nature are to be satisfied at the Closing) have been satisfied or have been waived by FairPoint and remain so satisfied or waived and (y) FairPoint is and remains prepared to consummate the closing, (C) Consolidated fails to consummate the closing within two (2) Business Days immediately following the date the closing was required to occur pursuant to the terms of the Merger Agreement, and (D) FairPoint stood ready, willing and able to consummate the closing at all times during such two (2) Business Day period;

If the Merger Agreement is terminated as described in this section, the Merger Agreement will be void, and there will be no liability or obligation of any party except that:

each party will remain liable for any willful and material breach of the Merger Agreement,

certain provisions of the Merger Agreement, including the provisions relating to the allocation of fees and expenses (including, if applicable, the termination fees described below) and the confidentiality agreement dated August 19, 2016 between FairPoint and Consolidated will survive termination, and

in certain circumstances described below, FairPoint may be required to pay Consolidated a termination fee of \$18.9 million and that, in other circumstances described below, Consolidated may be required to pay FairPoint a termination fee of \$18.9 million.

Termination Fees. Under the Merger Agreement, FairPoint has agreed to pay Consolidated a termination fee of \$18.9 million if the Merger Agreement is terminated:

by Consolidated or FairPoint if the Merger has not been completed by September 30, 2017, because of a breach of the covenant or obligation described in "No Solicitation; Changes in Recommendations" above and prior to such termination, an alternative proposal (substituting 50% for the 20% threshold in the definition thereof, which is referred to as a "qualifying transaction") was publicly announced or otherwise communicated to FairPoint or the FairPoint Board and is not withdrawn or otherwise abandoned and such qualifying transaction is consummated within twelve months following the termination of the Merger Agreement;

by Consolidated or FairPoint if the FairPoint stockholder approval has not been obtained because of a breach of the covenant or obligation described in the section entitled "No Solicitation; Changes in Recommendations" on page 104 and prior to the FairPoint special meeting a qualifying transaction was publicly announced or otherwise communicated to FairPoint or the FairPoint Board and is not withdrawn or otherwise abandoned and such qualifying transaction is consummated within twelve months following the termination of the Merger Agreement;

proposal was publicly announced or otherwise communicated to FairPoint or the FairPoint Board and is not withdrawn or otherwise abandoned and such alternative offer is consummated within twelve months following the termination of the Merger Agreement;

by FairPoint, in connection with accepting a superior proposal or in connection with a fiduciary change; or

by Consolidated, if (i) the FairPoint Board fails to include in the joint proxy statement/prospectus the recommendation that the stockholders approve the FairPoint Merger Proposal or makes a company recommendation change, (ii) the FairPoint Board approves or recommends an alternative proposal or superior proposal and/or permits FairPoint to enter into an alternative acquisition agreement related to an alternative proposal or a superior proposal, (iii) FairPoint fails to call a special meeting of its stockholders or to deliver the joint proxy statement/prospectus to its stockholders in material breach of specified provisions of the Merger Agreement, or (iv) a tender offer or exchange offer for the outstanding shares of FairPoint common stock is commenced and the FairPoint Board recommends that FairPoint's stockholders tender their shares in connection with such offer or within ten business days after the commencement of such tender or exchange offer, the FairPoint Board fails to recommend rejection of such offer.

Additionally, under the Merger Agreement, Consolidated has agreed to pay FairPoint a termination fee of \$18.9 million if the Merger Agreement is terminated by FairPoint if (A) the mutual conditions to each party's obligation to effect the Merger and the conditions to the obligations of Consolidated and Merger Sub to effect the Merger (in each case, other than those conditions that by their nature are to be satisfied at the closing) have been satisfied, (B) FairPoint has irrevocably confirmed in writing that (x) all of the conditions in clause (A) (other than those conditions that by their nature are to be satisfied at the Closing) have been satisfied or have been waived by FairPoint and remain so satisfied or waived and (y) FairPoint is and remains prepared to consummate the closing, (C) Consolidated fails to consummate the closing within two (2) Business Days immediately following the date the closing was required to occur pursuant to the terms of the Merger Agreement, and (D) FairPoint stood ready, willing and able to consummate the closing at all times during such two (2) Business Day period.

If FairPoint fails to pay promptly any termination fee due to Consolidated, FairPoint will also be obligated to pay the costs and expenses (including reasonable legal fees and expenses) incurred by Consolidated in connection with any legal action taken to collect payment, together with interest on the amount of any unpaid fee or obligation from the date such fee was required to be paid. If Consolidated fails to pay promptly any termination fee due to FairPoint, Consolidated will also be obligated to pay the costs and expenses (including reasonable legal fees and expenses) incurred by FairPoint in connection with any legal action taken to collect payment, together with interest on the amount of any unpaid fee or obligation from the date such fee was required to be paid. Except as described above, all costs and expenses incurred in connection with the Merger Agreement will be paid by the party incurring the cost or expense.

Specific Performance; Remedies

The parties to the Merger Agreement agreed that irreparable damage would occur if any provision of the Merger Agreement was not performed in accordance with its terms and that the parties will be entitled to an injunction or injunctions to prevent breaches of the Merger Agreement or to enforce specifically the performance of its terms and provisions in addition to any other remedy to which they are entitled at law or in equity.

Table of Contents

Amendment; Extension and Waiver

Any provision of the Merger Agreement may be amended or waived prior to the effective time of the Merger if such amendment or waiver is in writing and is signed, in the case of an amendment, by each party to the Merger Agreement or, in the case of a waiver, by each party against whom the waiver is to be effective. After the FairPoint stockholder approval has been obtained, however, there will be no amendment or waiver that would require the further approval of FairPoint's stockholders under Delaware law without such approval having been first obtained. Notwithstanding the foregoing, certain provisions of the Merger Agreement cannot be amended, supplemented, waived or modified in a manner that is materially adverse to any persons (including without limitation, lenders, agents and arrangers) that have committed to provide or otherwise entered into agreements in connection with the debt financing commitment or alternative debt financings in connection with the transactions contemplated by the Merger Agreement (collectively, "Financing Sources") without the prior written consent of such Financing Sources.

Governing Law; Venue

The Merger Agreement is governed by and will be construed in accordance with the laws of the State of Delaware. The parties to the Merger Agreement have submitted to exclusive jurisdiction and venue of the courts of the State of Delaware or of the United States of America. FairPoint and its subsidiaries have also agreed, except as specifically set forth in the debt financing, (i) that the internal laws of the State of New York will govern any action, cause of action, claim, cross claim or third party claim against Financing Sources and (ii) to submit such claims to the exclusive jurisdiction and venue of the Supreme Court of the State of New York, County of New York, or, if under applicable law exclusive jurisdiction is vested in the federal courts, the United States District Court for the Southern District of New York (and appellate courts thereof).

First Amendment to Merger Agreement

On January 20, 2017, FairPoint, Consolidated and Merger Sub entered into a First Amendment to the Merger Agreement solely to amend Exhibit A thereof, the form of Tenth Amended and Restated Certificate of Incorporation of FairPoint (the "Form of Charter") in order to conform certain provisions of the Form of Charter to FairPoint's Ninth Amended and Restated Certificate of Incorporation, which is currently in effect.

Table of Contents**DEBT FINANCING****General**

The Merger Agreement is not subject to any financing contingency. Consolidated intends to finance the repayment and redemption of existing indebtedness of FairPoint and pay certain fees and expenses incurred in connection with the transactions contemplated by the Merger Agreement and the related debt financing with the proceeds of a \$935.0 million incremental term loan facility, with any remaining portion expected to be financed with cash on-hand or other sources of liquidity in an amount to be determined. Consolidated initially obtained a commitment for the financing necessary to complete the transaction pursuant to a commitment letter, dated December 3, 2016, which is described below. Subsequently, Consolidated entered into two amendments to its existing credit agreement, pursuant to which a syndicate of lenders agreed to provide an incremental term loan in an aggregate principal amount of up to \$935.0 million under the credit agreement, which is also described below.

Commitment Letter

In connection with the execution of the Merger Agreement, Consolidated Communications, Inc., a wholly-owned subsidiary of Consolidated ("CCI"), entered into a Commitment Letter, dated December 3, 2016 (the "Commitment Letter"), from (i) Morgan Stanley Senior Funding, Inc., (ii) The Bank of Tokyo-Mitsubishi UFJ, Ltd., MUFG Union Bank, N.A., MUFG Securities Americas Inc. (collectively, "MUFG") and/or any other affiliates or subsidiaries as MUFG collectively deems appropriate to provide the services referred to therein, (iii) TD Securities (USA) LLC, (iv) The Toronto-Dominion Bank, New York Branch, and (v) Mizuho Bank, Ltd. (collectively, the "Lead Arrangers"). The Commitment Letter provided for a senior secured incremental term loan facility in an aggregate principal amount that would yield up to \$865.0 million in gross proceeds to CCI (the "Incremental Term Loan Facility") and senior unsecured term loan facility in an aggregate principal amount that would yield up to \$70.0 million in gross proceeds to CCI (the "Unsecured Term Loan Facility", together with the Incremental Term Loan Facility, collectively, the "Term Loan Facilities"). The Term Loan Facilities were to be used to finance, in part, and pay the fees and expenses in connection with, the transactions contemplated by the Merger Agreement and to repay existing indebtedness of FairPoint, with any remaining portion expected to be financed with cash on-hand or other sources of liquidity in an amount to be determined.

Also pursuant to the Commitment Letter, the commitments under the Unsecured Term Loan Facility were to be automatically and permanently reduced to zero and cancelled if, within 90 days following the date of the Commitment Letter, CCI obtained an amendment, reasonably satisfactory to the Lead Arrangers, to the terms of the Credit Agreement (and such amendment went effective within such period) (the "Amendment") allowing for an additional aggregate amount of at least \$70.0 million to be incurred as a senior secured incremental term loan credit facility pursuant to Section 2.21 of the Credit Agreement and the commitments to provide the Incremental Term Loan Facility were to be automatically and permanently increased, on a pro rata basis, by an amount equal to \$70.0 million upon effectiveness of the Amendment.

On December 14, 2016, Consolidated, CCI, certain other subsidiaries of Consolidated, the lenders party thereto, Wells Fargo Bank, National Association, as Administrative Agent and other agents party thereto entered into an Amendment No. 1 to the Credit Agreement reflecting the foregoing terms, and as a result thereof, the Incremental Term Loan Facility was increased to an aggregate amount of \$935.0 million.

Incremental Term Loan

On December 21, 2016, Consolidated and certain of its subsidiaries, including CCI, entered into an Amendment No. 2 ("Amendment No. 2") to the Credit Agreement. Pursuant to Amendment No. 2,

subject to the satisfaction of certain conditions, a syndicate of lenders has agreed to provide an incremental term loan in an aggregate principal amount of up to \$935.0 million under the Credit Agreement (the "Incremental Term Loan"). The proceeds of the Incremental Term Loan may be used, in part, to repay and redeem certain existing indebtedness of FairPoint in connection with the Merger transaction and to pay certain fees and expenses in connection with the Merger transaction and the related financing. Amendment No. 2 was entered into in connection with the Commitment Letter.

Pricing and other terms of the Incremental Term Loan included the following:

The terms, conditions and covenants of the Incremental Term Loan are materially consistent with those in the existing Credit Agreement.

The maturity date of the Incremental Term Loan is October 5, 2023, provided that unless CCI's 6.50% Senior Notes, which mature on October 1, 2022, are repaid in full or redeemed in full by March 31, 2022, such maturity date shall be March 31, 2022.

The Incremental Term Loan has an interest rate of LIBOR plus 3.00% and the greater of (i) the LIBO Rate (as such term is defined in the Credit Agreement) floor of 1.00 and (ii) at Consolidated's option, the one, two, three or six-month Adjusted LIBO Rate (as such term is defined in the Credit Agreement). The Incremental Term Loan included an original issue discount of 0.50%, which represents a significant reduction from the both the interest rate on FairPoint's existing term loan facility of approximately 7.50% and the interest rate on FairPoint's exiting note facility of 8.75%.

The Incremental Term Loan is secured on a *pari passu* basis with the existing credit facilities under the Credit Agreement.

Ticking fees will start accruing to the lenders providing the Incremental Term Loan commitments on January 15, 2017, at the rate equal to the interest rate of the Incremental Term Loan.

UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL STATEMENTS

The following unaudited pro forma condensed combined financial statements ("pro forma financial statements") have been prepared in accordance with Article 11 of Regulation S-X to reflect the Merger, based on the acquisition method of accounting, with Consolidated treated as the acquirer. The pro forma financial statements utilize the historical consolidated financial statements of Consolidated and FairPoint, which are incorporated by reference into this joint proxy statement/prospectus. The historical consolidated financial statements have been adjusted to give effect to pro forma events that are directly attributable to the Merger and factually supportable and, in the case of the statement of income, that are expected to have a continuing impact. The unaudited pro forma condensed combined statements of income, which have been prepared for the nine months ended September 30, 2016 and the year ended December 31, 2015, give effect to the Merger as if it had occurred on January 1, 2015. The unaudited pro forma condensed combined balance sheet has been prepared as of September 30, 2016 and gives effect to the Merger as if it had occurred on that date.

As of the date of this joint proxy statement/prospectus, Consolidated has not completed the detailed valuation studies necessary to arrive at the required fair market value of the FairPoint assets to be acquired and the liabilities to be assumed and the related allocations of purchase price, nor has it identified all adjustments necessary to conform FairPoint to Consolidated's accounting policies. The pro forma adjustments related to the Merger are based upon preliminary estimates, and are pending the completion of the valuations of the tangible and intangible assets acquired and liabilities assumed. As indicated in Note 2 to the pro forma financial statements, Consolidated has made certain pro forma adjustments to the historical book values of the assets and liabilities of FairPoint to reflect certain preliminary estimates of the fair value of the net assets acquired, with the excess of the estimated purchase price over the estimated fair value of FairPoint's acquired assets and assumed liabilities recorded as goodwill. Actual results are expected to differ from these preliminary estimates once Consolidated has determined the final purchase price for FairPoint, has completed the valuation studies necessary to finalize the fair value estimates and identified any necessary conforming accounting policy changes for FairPoint. There can be no assurance that such finalization will not result in material changes.

These pro forma financial statements should be read in conjunction with Consolidated's and FairPoint's historical consolidated financial statements and accompanying notes, incorporated by reference into this joint proxy statement/prospectus.

The pro forma financial statements are not intended to represent or be indicative of the consolidated results of operations or financial condition of the combined company that would have been reported had the Merger been completed as of the dates presented and should not be taken as representative of the future consolidated results of operations or financial condition of the combined company.

The pro forma financial statements do not include the realization of future cost savings or synergies or restructuring charges that are expected to result from the Merger.

NOTES TO UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL STATEMENTS
(amounts in thousands, except per share amounts)

1. Description of the Transaction

On December 3, 2016, Consolidated, Merger Sub and FairPoint entered into the Merger Agreement, which provides for, among other things, the Merger. As a result of the Merger, the separate corporate existence of Merger Sub will cease, and FairPoint will continue as the surviving corporation and a wholly-owned subsidiary of Consolidated.

At the effective time of the Merger, each share of common stock, par value of \$0.01 per share, of FairPoint issued and outstanding immediately prior to the effective time of the Merger will be converted into and become the right to receive 0.7300 shares of common stock, par value \$0.01 per share, of Consolidated and cash in lieu of fractional shares, as set forth in the Merger Agreement.

The Merger is subject to various customary closing conditions, including, but not limited to, (i) approval by Consolidated's stockholders and FairPoint's stockholders, (ii) the waiting period under the HSR Act has expired or has been terminated (this condition has been satisfied. See the section entitled "The Merger Regulatory Approvals Required for the Merger United States Antitrust" on page 92), (iii) specified federal and state regulatory approvals, (iv) the absence of any order, injunction, statute, rule, regulation or decree prohibiting, precluding, restraining, enjoining or making illegal the consummation of the Merger, (v) the accuracy of the representations and warranties of each party, (vi) performance, in all material respects, of all obligations and compliance with, in all material respects, agreements and covenants to be performed or complied with by each party, (vii) declaration of effectiveness of the Registration Statement on Form S-4 to be filed by Consolidated, (viii) FairPoint holding a minimum cash amount as of the effective time of the Merger, and (ix) the approval of the listing of additional shares of Consolidated common stock to be issued to FairPoint's stockholders. The Merger is expected to close by mid-2017.

Consolidated and FairPoint have made customary representations, warranties and covenants in the Merger Agreement, including FairPoint agreeing not to solicit alternative transactions or, subject to certain exceptions, enter into discussions concerning, or provide confidential information in connection with, an alternative transaction. The Merger Agreement contains certain termination rights for both Consolidated and FairPoint, and further provides that, upon termination of the Merger Agreement under certain circumstances, FairPoint may be obligated to pay Consolidated a termination fee of \$18,900 and, upon termination of the Merger Agreement under certain other circumstances, Consolidated may be obligated to pay FairPoint a termination fee of \$18,900.

2. Basis of Presentation

Consolidated will account for its acquisition of FairPoint using the acquisition method of accounting, with Consolidated treated as the acquirer. The unaudited pro forma condensed combined statements of income for the nine months ended September 30, 2016 and the year ended December 31, 2015 give effect to the Merger as if it had occurred on January 1, 2015. The unaudited pro forma condensed combined balance sheet has been prepared as of September 30, 2016 and gives effect to the Merger as if it had occurred on that date. Certain reclassifications have been made to the historical financial statements of FairPoint to conform to the financial statement presentation of Consolidated. The unaudited pro forma condensed combined financial statements do not reflect any other adjustments to conform the accounting policies and presentation of the two companies. The final results of the complete review of accounting policies and presentation may result in identifying differences that, when conformed, could have a material effect on the combined financial statements.

The pro forma adjustments reflect preliminary estimates of the fair value of the consideration transferred, the assets acquired and the liabilities assumed, which are expected to change upon

Table of Contents

finalization of appraisals and other valuation studies. The final pro forma adjustments will be based on the fair value of the consideration transferred and the assets and liabilities that will exist as of the effective time of the Merger. The final adjustments could be materially different from the pro forma adjustments presented herein.

The unaudited pro forma condensed combined statements of income include certain accounting adjustments related to the Merger that are expected to have a continuing impact on the combined results, including adjustments for depreciation and amortization on the acquired tangible and intangible assets, interest expense on the debt expected to be incurred to complete the Merger, amortization of deferred financing fees incurred in connection with the new borrowings and the tax impact of these pro forma adjustments.

The unaudited pro forma condensed combined statements of income do not reflect certain adjustments that are expected to result from the Merger that may be significant, such as costs that may be incurred by Consolidated for integration and restructuring efforts, as well as payments under certain change in control agreements or other contingent payments to certain FairPoint employees, because they are considered to be of a non-recurring nature.

Upon completion of the Merger or shortly thereafter, various triggering events will have occurred which will result in the payment of various change in control payments and other contingent payments to certain FairPoint employees. The estimated cash payments under these agreements will range from approximately \$7,000 to \$9,000 and have been included as a pro forma adjustment in the unaudited pro forma condensed combined balance sheet as of September 30, 2016. No adjustment has been included in the unaudited pro forma condensed combined statements of income for these payments since they are considered to be non-recurring.

The summary pro forma financial information does not include the realization of future cost savings or synergies or restructuring charges that are expected to result from the Merger. The transaction is expected to generate annual operating synergies of approximately \$55,000, which are expected to be achieved on a run-rate basis by the end of the second year after close. However, no assurance can be given with respect to the ultimate amount of such synergies or costs or the timing of their realization. Consolidated also expects to incur merger and integration costs over the first two years following the close.

3. Preliminary Purchase Consideration and Related Allocation

The following is the calculation of the preliminary purchase price for the acquisition of FairPoint:

Estimated number of shares of FairPoint common stock and equity awards outstanding at the effective time of the Merger(a)(c)	29,465
Exchange ratio	0.7300
Estimated number of shares of Consolidated common stock to be issued to holders of FairPoint common stock	21,509
Consolidated closing common stock price on January 20, 2017	\$ 26.20
Stock value issued to FairPoint shareholders(b)	\$ 563,541
Repayment of FairPoint debt	917,600
Estimated purchase price	\$ 1,481,141

(a) Based on the number of shares of FairPoint stock and equity awards outstanding as of December 31, 2016.

Table of Contents

- (b) Represents the product of the estimated number of shares of Consolidated common stock to be issued and the closing price of Consolidated common stock as of January 20, 2017. Pursuant to the terms of the Merger Agreement, the final purchase price will be based on the number of shares of FairPoint common stock and equity awards outstanding and the price of Consolidated's common stock as of the closing date of the Merger. Therefore, the estimated consideration expected to be transferred as reflected in these unaudited pro forma condensed combined financial statements does not purport to represent what the actual consideration transferred will be when the Merger is completed. An increase or decrease by 10% in Consolidated's common stock price as of the closing day of business on January 20, 2017 (\$26.20 per share) would increase or decrease the consideration expected to be transferred by approximately \$56,400, which would be reflected in these unaudited pro forma condensed combined financial statements as an increase or decrease to goodwill.
- (c) As of January 20, 2017, there were 3,582,402 FairPoint warrants outstanding, each eligible to purchase one share of FairPoint common stock at an exercise price of \$48.81 per share. In connection with the Merger, each outstanding warrant to purchase shares of FairPoint common stock will convert into a warrant to acquire shares of Consolidated common stock, on the same terms and condition that were applicable to such FairPoint warrant, except that the number of shares of Consolidated common stock for which such warrant may be exercisable and the exercise price of the warrant will be adjusted to reflect the exchange ratio. Accordingly, after the Merger, there are expected to be approximately 2,615,153 Consolidated warrants outstanding, each eligible to purchase one share of Consolidated common stock at an exercise price of \$66.86 per share. These warrants are not considered part of the purchase price consideration as their estimated fair value is expected to be zero.

The estimated fair value of the tangible and intangible assets acquired and liabilities assumed on a preliminary basis are as follows:

Current assets	\$ 124,092
Property, plant & equipment	875,645
Intangible assets	296,500
Other assets	3,713
Total assets acquired	1,299,950
Current liabilities	106,710
Pension & other postretirement benefit obligations	236,645
Deferred income taxes	43,510
Other liabilities	18,164
Total liabilities assumed	405,029
Preliminary fair value of net assets acquired	894,921
Goodwill	586,220
Total estimated consideration	\$ 1,481,141

For purposes of preparing the pro forma financial statements, the estimated fair value of the assets acquired and the liabilities assumed are based on their preliminary estimated fair value as of September 30, 2016. The final amount recorded will be based on the fair values of the assets acquired and liabilities assumed at the completion of the Merger and could vary significantly from the pro forma amounts due to various factors, including but not limited to, changes in the share price of Consolidated's common stock, the composition of FairPoint's assets, liabilities including the amount of

debt outstanding, outstanding equity ownership shares and changes in fair value assumptions prior to the completion of the Merger. Accordingly, the preliminary estimated fair values of the purchase price and the assets and liabilities recorded are subject to change pending additional information that may be developed by Consolidated and FairPoint. Any changes to the initial estimates of the fair value of the acquired assets and assumed liabilities will be recorded as adjustments to those assets and liabilities and residual amounts will be allocated to goodwill.

4. Pro Forma Adjustments Statements of Income

The following pro forma adjustments included in the unaudited pro forma condensed combined statements of income for the nine months ended September 30, 2016 and the year ended December 31, 2015 give effect to the Merger as if it had occurred on January 1, 2015:

(a)

Depreciation and Amortization

The pro forma adjustments to depreciation and amortization reflect the removal of the historical basis of depreciation and amortization for the FairPoint assets and the recognition of the new depreciation and amortization expense for property and equipment and finite-lived intangible assets acquired in the Merger, based on their estimated fair value. The following table summarizes the pro forma adjustments to depreciation and amortization:

	Nine Months Ended September 30, 2016	Year Ended December 31, 2015
Remove historical depreciation and amortization	\$ (167,661)	\$ (223,819)
Record new depreciation and amortization	134,306	179,075
	\$ (33,355)	\$ (44,744)

(b)

Interest Expense

The pro forma adjustments to interest expense, as summarized in the following table, reflect the removal of historical interest expense of FairPoint and the additional interest expense resulting from the new borrowings to finance the Merger, as described below. The pro forma adjustments are based on the amounts borrowed and the interest rates assumed to be in effect at the closing of the Merger.

	Nine Months Ended September 30, 2016	Year Ended December 31, 2015
Removal of historical interest expense for:		
FairPoint interest expense including amortization of deferred financing costs	\$ (61,330)	\$ (80,106)
Recording of new interest expense for:		
Issuance of Incremental Term Loan	28,050	37,400
Amortization of discount and deferred financing costs on Incremental Term Loan	965	1,287
Net adjustment to interest expense	\$ (32,315)	\$ (41,419)

In connection with the Merger, on December 21, 2016, Consolidated entered into an amendment to its Third Amended and Restated Credit Agreement, dated as of October 5, 2016 (the "Credit Agreement") in which a syndicate of lenders has agreed to provide an

Table of Contents

incremental term loan in an aggregate principal amount of up to \$935.0 million under the Credit Agreement (the "Incremental Term Loan"), subject to the satisfaction of certain conditions. The proceeds of the Incremental Term Loan may be used, in part, to repay and redeem certain existing indebtedness of FairPoint and to pay certain fees and expenses in connection with the Merger and the related financing. The terms, conditions and covenants of the Incremental Term Loan are materially consistent with those in the existing Credit Agreement. The Incremental Term Loan included an original issue discount of 0.50% and has an interest rate of 3.00% plus LIBOR based on the one-month adjusted rate subject to a 1.00% LIBOR floor.

The pro forma adjustments reflect the elimination of historical interest expense of FairPoint related to the settlement of its debt through the issuance of the Incremental Term Loan as if such events had occurred on January 1, 2015. For all periods presented, pro forma interest expense includes the amortization of the discount of \$4,675 and expected financing costs of approximately \$3,635 related to the issuance of the Incremental Term Loan based on a term of 6.5 years. The Incremental Term Loan has an assumed interest rate of 4.00% which is based on 3.00% plus the LIBOR floor of 1.00% as one-month LIBOR on January 20, 2017 was below the LIBOR floor. As of January 20, 2017, an increase or decrease of 0.125% in the variable interest rate on the Incremental Term Loan facility would not impact annual pro forma interest expense for the year ended December 31, 2015 or the nine months ended September 30, 2016 due to the LIBOR floor.

(c)

Income Tax Expense

The blended effective tax rate applied to the pro forma adjustments related to the Merger and related financing is 40% for the periods presented.

(d)

Earnings Per Share

The pro forma adjustment reflects the change in outstanding shares to calculate basic and dilutive earnings per share based on the Merger:

	Nine Months Ended September 30, 2016	Year Ended December 31, 2015
<i>Shares Used in Basic Earnings Per Share</i>		
Cancellation of FairPoint shares	(26,847)	(26,652)
Issuance of Consolidated shares	21,509	21,509
	(5,338)	(5,143)
<i>Shares Used in Diluted Earnings Per Share</i>		
Cancellation of FairPoint shares	(27,041)	(26,973)
Issuance of Consolidated shares	21,509	21,509
	(5,532)	(5,464)

Table of Contents**5. Pro Forma Adjustments Balance Sheet**

The following are the pro forma adjustments included in the unaudited pro forma condensed combined balance sheet as of September 30, 2016 and give effect to the Merger as if it had occurred on that date:

(a)

Reclassifications

Certain amounts included in FairPoint's historical condensed consolidated balance sheet have been reclassified to conform to the presentation of Consolidated's financial statements. The pro forma adjustments reflect the reclassification of advance billings and customer deposits from accrued expense.

(b)

Cash and Cash Equivalents

Pro forma adjustments to cash are the result of proceeds from the issuance of debt, cash used to fund the acquisition of FairPoint, estimated transaction costs and costs associated with entering into the Incremental Term Loan. Following is a preliminary estimate of net cash used for the Merger:

Incremental borrowings	\$ 930,325
Retirement of FairPoint debt	(917,600)
Deferred financing costs	(3,635)
Financing commitment fees	(14,025)
Estimated transaction costs including change-in-control payments	(50,050)
Net change in cash	\$ (54,985)

(c)

Fair Value Estimates

The pro forma adjustments reflect the preliminary estimated fair values for the net assets to be acquired. These estimates are preliminary and are subject to change upon completion of the valuation process.

Decrease to property, plant and equipment	\$ (166,614)
Increase in customer relationships and tradenames	217,799
Increase in goodwill	586,220
Increase in deferred income taxes	20,474

Goodwill reflects the preliminary estimate of the excess of the purchase price paid over the fair value of the identifiable assets acquired and liabilities assumed, and is not be amortized but will be assessed at least annually for impairment. Goodwill is not expected to be deductible for income tax purposes.

Based on the preliminary valuation analysis, the identified intangible assets to be acquired include trade names, customer relationships and contracts. The fair value estimate of the identifiable intangible assets is determined primarily using the income approach, which requires a forecast of all the expected future cash flows. Since all of the information required to perform a detailed valuation analysis of FairPoint's intangible assets could not be obtained as of the date of this filing, for purposes of these unaudited pro forma condensed combined financial statements, the assumptions used are based on available information provided by FairPoint as well as industry data to develop the estimated fair value of the identifiable intangible assets. In addition, useful lives have been estimated for each category of identifiable intangible assets, which range from 1 to 7 years. The assumptions include a straight line

Table of Contents

amortization method of the intangibles as part of the preliminary valuation. Upon completion of the final valuation, the fair values and useful lives assigned to the identifiable intangible assets could change and any change in fair value will result in a corresponding change to the estimated goodwill used in these unaudited pro forma condensed combined financial statements.

(d)

Debt

The pro forma adjustments to reflect the payment and incurrence of debt are as follows:

Non-current portion:	
Issuance of Incremental Term Loan, net of discount of \$4,675	\$ 920,975
Repayment of existing FairPoint debt	(911,200)
Removal of discount on FairPoint credit facility	8,686
Removal of FairPoint deferred financing costs	3,736
New deferred financing costs associated with the Incremental Term Loan	(3,635)
Adjustment to non-current portion of long-term debt	\$ 18,562

Current portion:

Issuance of Incremental Term Loan	\$ 9,350
Repayment of existing FairPoint credit facility	(6,400)
	\$ 2,950

(e)

Income Taxes

The pro forma adjustments reflect the income tax impact assuming a marginal combined state and federal tax rate of approximately 40% of the pro forma adjustments resulting from the Merger. The pro forma adjustment to long-term deferred tax liabilities reflect the change in fair value of the net assets to be acquired.

(f)

Stockholders' Equity

The pro forma stockholders' equity reflects the following adjustments:

Expected transaction costs and change-in-control payments	\$ (50,050)
Expected financing commitment fees	(14,025)
	\$ (64,075)

Equity issued to FairPoint shareholders	\$ 563,541
Elimination of historical FairPoint shareholders' equity	40,968
	\$ 604,509

Transaction costs expected to be incurred in connection with the Merger have not been assessed for deductibility for income tax purposes and accordingly are assumed to be nondeductible for pro forma purposes.

Limitation of Personal Liability and Indemnification of Directors and Officers

FairPoint

Under Delaware law, a corporation may indemnify any directors, officers, employees and agents of the corporation against expenses and, except in the case of an action by or in the right of the corporation, liabilities actually and reasonably incurred by such person in connection with any action, suit or proceeding involving such person by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, provided that (i) such person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, such person had no reasonable cause to believe his conduct was unlawful and (ii) in the case of an action by or in the right of the corporation, no indemnification of expenses may be made in respect of any matter as to which such person is adjudged liable to the corporation unless and only to the extent such indemnification is approved by a court. Delaware law mandates such indemnification of expenses to the extent that a present or former director or officer of the corporation has been successful in defense of any proceeding described above, and permits advancement of expenses to a director or officer if the corporation receives an undertaking that the amount advanced will be repaid if it is determined that such person is not entitled to indemnification. Delaware law also provides that the permitted indemnifications described above are not exclusive.

Delaware law also permits a corporation to include in its certificate of incorporation a provision eliminating or limiting the personal liability of a director of a corporation to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) for acts relating to unlawful payment of a dividend or an unlawful stock purchase or redemption or (iv) for any transaction from which the director derived an improper personal benefit. The FairPoint certificate of incorporation provides that the personal liability of the directors of FairPoint is eliminated to the fullest extent permitted by Delaware law. The FairPoint bylaws require indemnification, to the fullest extent authorized by Delaware law, of any person who was or is made a party or is threatened to be made a party to or is otherwise involved in any actual or threatened action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or she or a person of whom he or she is the legal representative is or was, the chief executive officer, the president or any executive vice president, senior vice president or vice president or a director of FairPoint, whether the basis of such proceeding is an alleged action in an official capacity as such an officer or a director, or in any other capacity while serving as such an officer or director, against all expense, liability and loss incurred or suffered by such person in connection therewith. Further, the FairPoint bylaws provide that FairPoint may maintain insurance to protect itself and any director, officer, employee or agent of FairPoint or another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss, whether or not FairPoint would have the power to indemnify such person against such expense, liability or loss under Delaware law.

Exclusive Forum for the Resolution of Certain Disputes	Neither the FairPoint bylaws nor the certificate of incorporation provide for an exclusive forum in connection with any dispute.	The Consolidated bylaws provide that, unless Consolidated consents in writing to the selection of an alternative forum, the state and federal courts located within the State of Delaware will be the sole and exclusive forum for (i) any derivative action or proceeding brought on behalf of the corporation, (ii) any action asserting a claim of breach of a fiduciary duty against a director, officer or other employee of the corporation, (iii) any action asserting a claim arising pursuant to any provision of Delaware law, or (iv) any action asserting a claim governed by the internal affairs doctrine, in all cases subject to the court's having personal jurisdiction over the indispensable parties named as defendants. The Consolidated bylaws further provide that any person or entity purchasing or otherwise acquiring any interest in shares of capital stock of the corporation shall be deemed to have notice of and to have consented to the exclusive forum bylaws provision.
Registration Rights	FairPoint is a party to registration rights agreement which provides that Angelo Gordon and certain entities advised by Angelo Gordon have certain registration rights, including the right to demand that FairPoint file a registration statement (known as "demand" registration rights) or request that their shares of common stock be covered by a registration statement that FairPoint is otherwise filing (known as "piggyback" registration rights). These registration rights will terminate upon the consummation of the Merger.	Consolidated is not party to any agreement granting registration rights to holders of its common stock.
Warrant Rights	As of January 20, 2017, there were 3,582,402 FairPoint Warrants outstanding.	In connection with the Merger, each outstanding FairPoint warrant will be converted into a warrant to acquire shares of Consolidated common stock, on the same terms and conditions that were applicable to such FairPoint Warrant, except that the number of shares of Consolidated common stock for which such FairPoint Warrant may be exercisable and the exercise price of such FairPoint Warrant will be adjusted to reflect the exchange ratio. Accordingly, after the Merger, there are expected to be approximately 2,615,153 Consolidated warrants outstanding, each eligible to purchase one share of Consolidated common stock at an exercise price of \$66.86 per share.

Provisions Relating to Stock Ownership and Federal and State Communications Laws	FairPoint	Consolidated
	<p>The FairPoint certificate of incorporation provides that so long as FairPoint or any of its subsidiaries holds any authorization, license, permit, order, filing or consent from the Federal Communications Commission or any state or territorial regulatory commission, or the regulatory commission of the District of Columbia, having jurisdiction over FairPoint or any of its subsidiaries, the FairPoint Board may request information from any stockholder or person presenting any shares of capital stock of FairPoint for transfer into its name (a "transferee") to determine whether the ownership of, or the existence or exercise of any rights with respect to, shares of capital stock of FairPoint by such stockholder or transferee violates any provision of the communications laws and such stockholder or transferee is required to furnish promptly to the FairPoint Board such information as the FairPoint Board shall reasonably request. The FairPoint certificate of incorporation further provides that if any stockholder or transferee from whom information is reasonably requested should fail to respond to any such request for information made by the FairPoint Board described above, or if the FairPoint Board, based on written advice of outside regulatory counsel, reasonably concludes in good faith that the ownership of, or existence or exercise of any rights of stock ownership with respect to, shares of capital stock of FairPoint by such FairPoint stockholder or transferee would violate any provision of the communications laws, FairPoint (by majority vote of the FairPoint Board), upon reasonable prior written notice to such FairPoint stockholder or transferee, may suspend those rights of stock ownership the existence or exercise of which would result in such communications laws violation, such suspension to remain in effect until such requested information has been received or the existence or exercise of such suspended rights would not result in such communications laws violation; provided, however, that such rights may be suspended only to the minimum extent necessary so that such communications laws violation would not exist; and provided, further, that FairPoint, in cooperation with the affected stockholder or transferee, shall take all commercially reasonable steps to mitigate or eliminate the communications laws violation by filing and prosecuting before the Federal Communications Commission or state or territorial regulatory commission, or the regulatory commission of the District of Columbia, as the case may be, a request for waiver or declaratory ruling or such other relief as necessary or appropriate.</p>	<p>Neither the Consolidated certificate of incorporation nor the Consolidated bylaws contain any provisions relating to stock ownership and Federal and State Communications Laws.</p>

Bring photo identification, such as a driver's license; and

Bring proof of ownership of FairPoint stock on the record date, [], 2017, such as a brokerage statement or letter from a bank or broker indicating ownership on [], 2017, a proxy card, legal proxy or voting instruction card provided by such stockholder's broker, bank or nominee.

Any holder of a proxy from a stockholder must present a properly executed legal proxy and a copy of the proof of ownership.

If a FairPoint stockholder does not provide photo identification and comply with the other procedures outlined above for attending the FairPoint special meeting in person, such stockholder will not be admitted to attend in person.

Purposes of the FairPoint Special Meeting

At the FairPoint special meeting, FairPoint's stockholders will be asked to vote upon:

the FairPoint Merger Proposal;

the FairPoint Change in Control Payments; and

the FairPoint Adjournment Proposal.

No other business will be conducted at the FairPoint special meeting. These proposals are described more fully in this joint proxy statement/prospectus. Please give your careful attention to all of the information in this joint proxy statement/prospectus.

The FairPoint Board Recommendation

The FairPoint Board, by unanimous vote, has determined that it is advisable to, and in the best interest of, FairPoint and its stockholders to consummate the transactions contemplated by the Merger Agreement, and unanimously recommends that stockholders vote:

"FOR" the FairPoint Merger Proposal,

"**FOR**" the FairPoint Change in Control Payments Proposal, and

"**FOR**" the FairPoint Adjournment Proposal.

Who Can Vote at the FairPoint Special Meeting

Only holders of record of FairPoint common stock, as of the close of business on [], 2017, which is the record date for the FairPoint special meeting, are entitled to receive notice of and to vote at the FairPoint special meeting. If you own shares that are registered in the name of someone else, such as a

Table of Contents

broker, you need to direct that person to vote those shares or obtain an authorization from them and vote the shares yourself at the FairPoint special meeting. As of the close of business on the record date, there were a total of [] shares of FairPoint common stock outstanding and entitled to vote at the FairPoint special meeting. You get one vote for each share of FairPoint common stock that you own. Holders of shares of common stock do not have cumulative voting rights.

Warrants to Purchase Shares of FairPoint Common Stock

As of January 20, 2017, there were 3,582,402 FairPoint warrants outstanding, each eligible to purchase one share of FairPoint common stock at an exercise price of \$48.81 per share. In connection with the Merger, each outstanding warrant to purchase shares of FairPoint common stock will be converted into a warrant to acquire shares of Consolidated common stock, on the same terms and conditions that were applicable to such FairPoint warrant, except that the number of shares of Consolidated common stock for which such warrant may be exercisable and the exercise price of the warrant will be adjusted to reflect the exchange ratio. Accordingly, after the Merger, there are expected to be approximately 2,615,153 Consolidated warrants outstanding, each eligible to purchase one share of Consolidated common stock at an exercise price of \$66.86 per share.

Vote Required

The FairPoint Merger Proposal. The FairPoint Merger Proposal requires the affirmative vote of the holders of a majority of the outstanding shares of FairPoint's common stock entitled to vote on such proposal. Because the required votes are based upon the number of outstanding shares entitled to vote and not based on the number of outstanding shares entitled to vote that are present in person or represented by proxy at the FairPoint special meeting, failure to submit a proxy or vote in person will have the same effect as a vote "AGAINST" the FairPoint Merger Proposal. Abstentions and broker non-votes, if any, will have the same effect.

The FairPoint Change in Control Payments Proposal. The FairPoint Change in Control Payments Proposal requires the affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote on such proposal. Because the vote is advisory in nature only, it will not be binding on FairPoint, and failure to receive the vote required for approval will not in itself change FairPoint's obligations to make the change in control payments. Failures to vote and broker non-votes, if any, will have no effect on this proposal. Abstentions, if any, will have the same effect as a vote "AGAINST" the FairPoint Change in Control Payments Proposal.

The FairPoint Adjournment Proposal. The FairPoint Adjournment Proposal requires the affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote on such proposal. Failures to vote and broker non-votes, if any, will have no effect on this proposal. Abstentions, if any, will have the same effect as a vote "AGAINST" the FairPoint Adjournment Proposal.

Quorum

FairPoint will hold the FairPoint special meeting if stockholders representing the required quorum of shares of common stock entitled to vote either sign and return their proxy card by mail, deliver their proxy via the Internet at the website provided in the proxy materials, deliver their proxy via the toll free number provided on the proxy card or attend the FairPoint special meeting. FairPoint's bylaws provide that holders of one-third in voting power of the capital stock issued and outstanding and entitled to vote at the FairPoint special meeting, present in person or represented by proxy, will constitute a quorum for the FairPoint special meeting. If you submit a proxy, whether by Internet, telephone or mail, your shares will be counted to determine whether we have a quorum even if you

Table of Contents

abstain or fail to vote as indicated on the proxy card. Broker non-votes will not count towards the quorum requirement.

If a quorum is not present, the person presiding over the FairPoint special meeting may adjourn the meeting to reconvene at the same or some other place. Notice need not be given of any such adjourned meeting if the time and place thereof are announced at the FairPoint special meeting at which the adjournment is taken and in a press release issued in FairPoint's customary manner (with a copy posted on FairPoint's website).

How Votes are Counted

You may vote "**FOR**", "**AGAINST**" or "**ABSTAIN**" on each of the proposals.

If you properly return or submit your proxy but do not indicate how you wish to vote, FairPoint will count your proxy as voted as the FairPoint Board recommends. Therefore, your proxy will be counted as a vote:

"**FOR**" the FairPoint Merger Proposal,

"**FOR**" the FairPoint Change in Control Payments Proposal, and

"**FOR**" the FairPoint Adjournment Proposal.

A failure to vote will:

be treated as a vote "**AGAINST**" the FairPoint Merger Proposal,

have no effect on the FairPoint Change in Control Payments Proposal, and

have no effect on the FairPoint Adjournment Proposal.

An abstention could prevent the approval of the proposals, because it does not count as an affirmative vote. Further, because an abstention represents a share present and entitled to vote, it is included in the denominator in determining the percentage approved. Therefore, abstentions have the same effect as a vote:

"**AGAINST**" the FairPoint Merger Proposal,

"**AGAINST**" the FairPoint Change in Control Payments Proposal, and

"**AGAINST**" the FairPoint Adjournment Proposal.

A broker "non-vote" occurs on a proposal when shares held of record by a broker are present or represented at a stockholder meeting but the broker is not permitted to vote on that proposal without instruction from the beneficial owner of the shares and no instruction has been given. Brokerage firms have the authority under the NYSE rules to cast votes on certain "routine" matters if they do not receive instructions from their customers, but they do not have the authority to vote on "non-routine" matters. The FairPoint Merger Proposal, the FairPoint Change in Control Payments Proposal and the FairPoint Adjournment Proposal are considered "non-routine" matters. Therefore, if you do not instruct your broker to vote your shares of FairPoint common stock, your shares will not be voted on at the FairPoint special meeting. To the extent there are broker non-votes, they will:

Edgar Filing: Consolidated Communications Holdings, Inc. - Form S-4

be treated as a vote "**AGAINST**" the FairPoint Merger Proposal,

have no effect on the FairPoint Change in Control Payments Proposal, and

have no effect on the FairPoint Adjournment Proposal.

If you vote through the Internet, you should not return your proxy card.

Telephone. By calling 1-800-652-VOTE (8683) within the United States, U.S. territories and Canada on a touch tone telephone. You may vote by telephone until 11:59 p.m., Eastern time, on [], 2017. This toll free number is also included on the proxy card. Telephone voting is available 24 hours a day, and the procedures are designed to authenticate votes cast by using a control number located on your proxy card. In Person. To vote in person at the FairPoint special meeting, you will need to request a ballot at the FairPoint special meeting.

FairPoint recommends that you vote in advance even if you plan to attend the FairPoint special meeting so that FairPoint will know as soon as possible that enough votes will be present for FairPoint to hold the FairPoint special meeting. If you are a stockholder of record and attend the FairPoint special meeting, you may vote at the FairPoint special meeting or deliver your completed proxy card in person

If your shares are held in "street name," please refer to the information forwarded to you by your bank, broker or other holder of record to see what you must do to vote your shares, including whether you may be able to vote electronically through your bank, broker or other record holder. If so, instructions regarding electronic voting will be provided by the bank, broker or other holder of record to you as part of the package that includes this joint proxy statement/prospectus. If you are a "street name" beneficial holder of shares and you wish to vote in person at the FairPoint special meeting, you will need to obtain a proxy from the institution that holds your shares and present it to the inspector of elections with your ballot when you vote at the FairPoint special meeting.

Changing Your Vote

You can change your vote before the FairPoint special meeting. If you are a FairPoint stockholder of record, you may change your proxy voting instructions in any of the following ways:

by sending a written notice to the corporate secretary of FairPoint that is received prior to the FairPoint special meeting, stating that you revoke your proxy;

by submitting a subsequent proxy by Internet, telephone or mail with a later date; or

by attending the FairPoint special meeting and voting your shares.

If your shares are held in "street name," you may change your vote by submitting new voting instructions to your broker or other nominee holder in accordance with the procedures established by it. Please contact your broker or other nominee and follow its directions in order to change your vote.

This list will also be made available at the FairPoint special meeting.

Duplicate Sets of Proxy Materials

You may receive more than one set of voting materials for the FairPoint special meeting, including multiple copies of this joint proxy statement/prospectus and multiple proxy cards or voting instruction forms. For example, if you hold your shares in more than one brokerage account, you will receive a separate voting instruction form for each brokerage account in which you hold shares. If you are a holder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction form that you receive or vote by telephone or Internet with respect to each proxy card and voting instruction form that you receive.

Delivery of Documents to Stockholders Sharing an Address

"Householding" allows companies to deliver only one copy of notices and other proxy materials to multiple stockholders who share the same address (if they appear to be members of the same family) unless such company has received contrary instructions from an affected stockholder. FairPoint does not offer "householding" for stockholders of record. Please contact your broker if you are not a stockholder of record to find out if your broker offers "householding."

Computershare, Inc., FairPoint's transfer agent, will count the votes, serve as tabulator of the votes and serve as the inspector of elections.

Solicitation of Proxies

The solicitation of proxies from FairPoint's stockholders is made on behalf of the FairPoint Board. FairPoint and Consolidated will generally equally share the costs and expenses of printing, filing, assembling and mailing this joint proxy statement/prospectus and all fees paid to the SEC. In addition to soliciting proxies by mail, directors, officers or employees of FairPoint may solicit proxies personally or by telephone, e-mail or otherwise. None of these persons will receive additional or special compensation for soliciting proxies. FairPoint will request that brokerage houses, banks and other custodians or nominees holding shares in their names for others forward proxy materials to their customers or principals who are the beneficial owners of shares and FairPoint will reimburse them for their expenses in doing so.

FairPoint has retained Morrow Sodali Global, LLC, 470 West Avenue, Stamford, CT 06902 to aid in the solicitation of proxies and to verify certain records related to the solicitation. FairPoint will pay Morrow Sodali Global, LLC a fee of \$7,500, plus solicitation charges and reimbursement for its reasonable out-of-pocket expenses. THE CONSOLIDATED SPECIAL MEETING

Date, Time and Place

The Consolidated special meeting will be held on [], 2017, at [], Central time, at Consolidated's corporate headquarters, 121 South 17th Street, Mattoon, Illinois 61938.

Purpose of the Consolidated Special Meeting

The Consolidated special meeting will be held for the purpose of considering and acting upon the following matters:

the Consolidated Stock Issuance Proposal; and

the Consolidated Adjournment Proposal.

Record Date; Shares Entitled to Vote; Required Vote; Quorum

The Consolidated Board has fixed the close of business on [], 2017 as the record date for the determination of stockholders entitled to notice of and to vote at the Consolidated special meeting.

Only stockholders of record at the close of business on the record date, [], 2017, are entitled to receive notice of the Consolidated special meeting and to vote the shares of common stock that they held on that date at the meeting, or any adjournment or postponement of the meeting.

Each outstanding share of Consolidated common stock entitles its holder to cast one vote on each matter to be voted upon at the Consolidated special meeting. The vote required for each of (i) the Consolidated Stock Issuance Proposal and (ii) the Consolidated Adjournment Proposal is the approval of a majority of the votes present, in person or by proxy, and entitled to vote on the matter.

A quorum of stockholders is necessary to hold the Consolidated special meeting. The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the record date will constitute a quorum. As of [], 2017, the record date, [] shares of Consolidated common stock were outstanding. Proxies received but marked as abstentions will be included in the calculation of the number of shares considered present at the meeting for purposes of establishing a quorum. Broker non-votes will not be included in the calculation of the number of shares considered present at the meeting for purposes of establishing a quorum. In the event that a quorum is not present at the Consolidated special meeting, Consolidated expects that the Consolidated special meeting will be adjourned or postponed to solicit additional proxies.

Abstentions will have the same effect as a vote:

"**AGAINST**" the Consolidated Stock Issuance Proposal, and

"**AGAINST**" the Consolidated Adjournment Proposal.

A broker "non-vote" occurs on a proposal when shares held of record by a broker are present or represented at a stockholder meeting but the broker is not permitted to vote on that proposal without instruction from the beneficial owner of the shares and no instruction has been given. Brokerage firms have the authority under the NYSE rules to cast votes on certain "routine" matters if they do not receive instructions from their customers, but they do not have the authority to vote on "non-routine" matters. The Consolidated Stock Issuance Proposal and the Consolidated Adjournment Proposal are considered "non-routine" matters. Therefore, broker non-votes will:

have no effect on the Consolidated Stock Issuance Proposal, and

have no effect on the Consolidated Adjournment Proposal.

Solicitation of Proxies

This joint proxy statement/prospectus is also the document used by the Consolidated Board to solicit proxies to be used at the Consolidated special meeting. Proxies are solicited by the Consolidated Board to give all stockholders of record an opportunity to vote on the matters to be presented at the Consolidated special meeting, even if the stockholders cannot attend the meeting. The Consolidated Board has designated Steven L. Childers and Steven J. Shirar as proxies, who will vote the shares represented by proxies at the Consolidated special meeting in the manner indicated by the proxies.

Consolidated has retained Morrow Sodali Global, LLC, 470 West Avenue, Stamford, CT 06902 to aid in the solicitation of proxies and to verify certain records related to the solicitation. Consolidated will pay Morrow Sodali Global, LLC a fee of \$10,000 plus certain pass-through expenses as compensation for its services and will reimburse it for its reasonable out-of-pocket expenses. Such solicitations may be made by mail, telephone, facsimile, e-mail, the Internet or personal interviews. CONSOLIDATED PROPOSAL NO. 1: APPROVAL OF THE ISSUANCE OF CONSOLIDATED COMMON STOCK IN CONNECTION WITH THE MERGER

The Consolidated Stock Issuance Proposal is subject to approval by Consolidated's stockholders as required by applicable rules of The NASDAQ Stock Market. If the Consolidated Stock Issuance Proposal is approved by Consolidated's stockholders and the conditions to completing the Merger as set forth in the Merger Agreement are satisfied or waived, each issued and outstanding share of FairPoint common stock will be converted into the right to receive 0.7300 validly issued, fully paid and nonassessable shares of Consolidated common stock, subject to certain exceptions, together with any cash in lieu of fractional shares, less any applicable taxes required to be withheld. For a detailed discussion of the terms and conditions of the Merger, see the section entitled "The Merger" beginning on page 43.

Table of Contents

Under the NASDAQ Listing Rules, a company listed on The NASDAQ Stock Market is required to obtain stockholder approval for an acquisition of stock of another company if the present or potential issuance of common stock, other than a public offering for cash, may equal or exceed 20% of the voting power or the total shares outstanding on a pre-transaction basis. If the Merger is completed, Consolidated will issue a maximum of 24,269,616 shares of Consolidated common stock in connection with the Merger. On an as converted basis, the aggregate number of shares of Consolidated common stock to be issued in the Merger will exceed 20% of the shares of Consolidated common stock outstanding before such issuance and for this reason Consolidated must obtain the approval of Consolidated's stockholders for the Consolidated Stock Issuance Proposal. Consolidated is asking its stockholders to approve the Consolidated Stock Issuance Proposal. The issuance of Consolidated common stock to FairPoint's stockholders is necessary to effect the Merger, and the approval of the Consolidated Stock Issuance Proposal is required for the completion of the Merger.

The Consolidated Board Recommendation and Stockholder Vote Required

The Consolidated Board recommends a vote "FOR" the Consolidated Stock Issuance Proposal. The affirmative vote of a majority of the votes cast at the meeting at which a quorum is present is required for the Consolidated Stock Issuance Proposal.

CONSOLIDATED PROPOSAL NO. 2: APPROVAL OF THE ADJOURNMENT OR POSTPONEMENT OF THE CONSOLIDATED SPECIAL MEETING, IF NECESSARY OR APPROPRIATE

Consolidated is asking its stockholders to approve the Consolidated Adjournment Proposal.

The Consolidated Board Recommendation and Stockholder Vote Required

The Consolidated Board unanimously recommends a vote "FOR" the Consolidated Adjournment Proposal. The affirmative vote of a majority of the votes cast at the meeting at which a quorum is present is required for the approval of the Consolidated Adjournment Proposal.

FUTURE STOCKHOLDER PROPOSALS

Consolidated

The proxy rules of the SEC permit Consolidated's stockholders, after notice to Consolidated, to present proposals for stockholder action in Consolidated's proxy statement where such proposals are consistent with applicable law, pertain to matters appropriate for stockholder action and are not properly omitted by Consolidated's action in accordance with the proxy rules. In order for any stockholder proposal to be considered for inclusion in Consolidated's proxy statement to be issued in connection with Consolidated's 2017 annual meeting of stockholders, that proposal must have been received at Consolidated's principal executive offices no later than December 2, 2016. Consolidated generally holds its annual meeting of the stockholders in April or May of each year and it is anticipated that its 2018 annual meeting of stockholders will be held in April or May of 2018. In order for any stockholder proposal to be considered for inclusion in Consolidated's proxy statement to be issued in connection with Consolidated's 2018 annual meeting of stockholders, that proposal must be received at Consolidated's principal executive offices, 121 South 17th Street, Mattoon, Illinois 61938-3987 (Attention: Secretary), no later than 120 days before the first anniversary of the date that Consolidated mails its proxy materials for the 2017 annual meeting.

Consolidated's amended and restated bylaws provide that certain additional requirements be met in order that business may properly come before the stockholders at the Consolidated annual meeting. Among other things, stockholders intending to bring business before the Consolidated annual meeting must provide written notice of such intent to the Secretary of Consolidated. Such notice must be given not less than 90 days nor more than 120 days prior to the first anniversary of the date on which Consolidated mailed its proxy materials for the preceding year's annual meeting. In addition, the following information must be provided regarding each proposal: as to each person whom the stockholder proposes to nominate for election or reelection as a director, the name, age, business address and, if known, residential address, principal occupation or employment, the class, series and number of shares beneficially owned by such nominee and all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required by Regulation 14A of the Exchange Act, including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected; a brief description of the business desired to be brought before the meeting; the text of any resolution proposed to be adopted at the meeting; the reasons for conducting such business at the meeting; and a statement of any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made and, in the case of director nominations, a description of all arrangements or understandings, including all compensation and financial arrangements, between the stockholder and each nominee and any other persons (naming them) pursuant to which the nomination or nominations are to be made by the stockholder.

Table of Contents

In addition, the following information must be provided regarding the stockholder giving the notice and the beneficial owner, if any, on whose behalf the proposal is made: the name and address of such stockholder, as it appears on Consolidated's stock transfer books, and of such beneficial owner; the class, series and number of shares of Consolidated which are owned beneficially and of record by such stockholder and such beneficial owner; a representation that the stockholder giving the notice is a stockholder of record and intends to appear in person or by a qualified representative at the Consolidated annual meeting to bring the business proposed in the notice before the meeting; a representation whether the stockholder or the beneficial owner, if any, intends or is part of a group which intends to solicit proxies from stockholders in support of such proposal or nomination; and any other information relating to such stockholder that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to the Exchange Act and the rules and regulations promulgated thereunder.

FairPoint

It is expected that FairPoint will not hold its 2017 annual meeting of stockholders if the Merger is completed. In that case, holders of FairPoint common stock who become holders of Consolidated common stock as a result of the Merger must submit stockholder proposals to Consolidated in accordance with the procedures described above. FairPoint will hold its 2017 annual meeting of the stockholders only if the Merger is not completed. In that case, any stockholder nominations or proposals for other business intended to be presented at FairPoint's 2017 annual meeting of stockholders must comply with the notice procedures set forth in FairPoint's bylaws and be submitted to FairPoint as set forth below.

Any proposal or proposals by a FairPoint stockholder submitted pursuant to Rule 14a-8 under the Exchange Act for inclusion in the proxy statement and proxy card relating to FairPoint's 2017 annual meeting of stockholders, if any, must have been submitted to FairPoint no later than November 30, 2016. However, if FairPoint does hold a 2017 annual meeting of stockholders and the date of such meeting is changed by more than 30 days from the date of FairPoint's 2016 annual meeting of the stockholders, stockholder proposals for inclusion in the proxy statement and proxy card must be submitted a reasonable time before FairPoint begins to print and send its proxy materials for such meeting, if any. All such submissions must comply with Rule 14a-8 under the Exchange Act. In addition, stockholders who desire to bring business or submit a proposal (including director nominations) before an annual meeting of FairPoint's stockholders outside of Rule 14a-8 under the Exchange Act (*i.e.*, where such business or proposal will not be included in FairPoint's proxy statement for the annual meeting) must comply with FairPoint's bylaws, which require, among other things, that such stockholders provide written notice of such business to FairPoint's secretary, which notice must be received not later than the close of business on the 90th day, nor earlier than the close of business on the 120th day, prior to the first anniversary of the previous year's annual meeting.

Notices of intention to present proposals at an annual meeting of FairPoint's stockholders should be addressed to FairPoint Communications, Inc., Attn: Secretary, 521 East Morehead Street, Suite 500, Charlotte, North Carolina 28202.

1. THE MERGER

1.1 *The Merger.* Upon the terms and subject to the conditions of this Agreement, in accordance with the Delaware General Corporation Law ("**DGCL**"), at the Effective Time, Merger Sub shall merge with and into the Company, whereupon the separate corporate existence of Merger Sub shall cease, and the Company shall be the surviving corporation (the "**Surviving Company**"). and time when the Merger becomes effective as provided by the Certificate of Merger and otherwise in accordance with applicable law.

1.3 *Closing of the Merger.* Upon the terms and subject to the conditions of this Agreement, the closing of the Merger (the "**Closing**") will take place (a) at the offices of Schiff Hardin LLP, 233 South Wacker Drive, Suite 6600, Chicago, Illinois, at 7:00 a.m., Central Time, on the date that is the second (2nd) Business Day after the satisfaction or waiver of the conditions set forth in *Section 8* hereof, other than conditions which by their terms are to be satisfied at the Closing, or (b) such other location, date or time as the parties may mutually agree (the "**Closing Date**"). For purposes of this Agreement, a "**Business Day**" shall mean any day that is not a Saturday, a Sunday or other day on which the office of the Delaware Secretary is closed.

1.4 *Certificate of Incorporation.* The Ninth Amended and Restated Certificate of Incorporation of the Company (the "**Certificate of Incorporation**"), as in effect immediately prior to the Effective Time, shall at the Effective Time be amended and restated to read as set forth in *Exhibit A* hereto and as so amended and restated shall be the Certificate of Incorporation of the Surviving Company, until thereafter amended in accordance with applicable law and such Certificate of Incorporation.

The officers of Merger Sub immediately prior to the Effective Time shall be the officers of the Surviving Company, each to hold office until their successors have been duly elected or appointed and qualified or until their earlier death, resignation or removal in accordance with the Certificate of Incorporation and Bylaws of the Surviving Company and applicable law.

2. EFFECT OF THE MERGER ON THE CAPITAL STOCK OF THE CONSTITUENT CORPORATIONS

2.1 *Conversion of Company Capital Stock.* At the Effective Time, by virtue of the Merger and without any action on the part of Parent, the Company or the holder of any of the shares of Company Common Stock, Parent Stock or any capital stock of Merger Sub:

(a) All shares of common stock, par value \$0.01 per share, of the Company (the "**Company Common Stock**") held in treasury or owned directly by the Company, any Subsidiary of the Company, Merger Sub or Parent (other than shares in trust accounts, managed accounts and the like or shares held in satisfaction of a debt previously contracted) shall be cancelled and retired and shall not represent capital stock of the Surviving Company and shall not be exchanged for the Merger Consideration. Shares of Company Common Stock that are canceled and retired pursuant to this *Section 2.1* are hereinafter referred to as the "**Excluded Shares**"; and

(b) Each share of Company Common Stock (other than Excluded Shares and Dissenting Shares) issued and outstanding immediately prior to the Effective Time shall be converted into and become the right to receive 0.7300 (the "**Exchange Ratio**") validly issued, fully paid and nonassessable shares of common stock, par value \$0.01 per share, of Parent (the "**Parent Stock**"), subject to adjustment in accordance with *Section 2.1(d)* (such per share amount, together with any cash in lieu of fractional shares of Parent Stock to be paid pursuant to *Section 2.1(c)*, is hereinafter referred to as the "**Merger Consideration**"). Effective as of the Effective Time, each share of Company Common Stock issued and outstanding immediately prior to the Effective Time (other than Excluded Shares) shall no longer be outstanding and shall automatically be canceled and

retired and shall cease to exist, and each holder of certificates or evidence of shares in book-entry form which immediately prior to the Effective Time evidenced shares of Company Common Stock (each, a "**Certificate**") shall cease to have any rights with respect thereto, except the right to receive the Merger Consideration therefor upon surrender of such Certificate in accordance with *Section 3.2*.

(c) *No Fractional Shares.* No fractional shares of Parent Stock shall be issued in respect of shares of Company Common Stock that are to be converted in the Merger into the right to receive shares of Parent Stock. Each holder of a Certificate (other than holders of Certificates representing Excluded Shares) shall be entitled to receive in lieu of any fractional share of Parent Stock to which such holder would otherwise have been entitled pursuant to *Section 2.1(b)* an amount in cash (without interest), rounded to the nearest whole cent, equal to the product obtained by *multiplying* (i) the fractional share of Parent Stock to which such holder would otherwise be entitled (after taking into account all shares of Company Common Stock held by such holder immediately prior to the Effective Time) by (ii) the last reported sale price of Parent Stock on the NASDAQ Global Select Market (as reported in The Wall Street Journal or, if not reported therein, in another authoritative source mutually selected by the Company and Parent) on the last complete trading day prior to the date of the Effective Time.

(d) *Adjustments.* If, on or after the date of this Agreement and prior to the Effective Time, Parent splits, combines into a smaller number of shares, or issues by reclassification any shares of Parent Stock, then the Merger Consideration and any dependent items shall be appropriately adjusted to provide to the holders of Company Common Stock the same economic effect as contemplated by this Agreement prior to such action, and as so adjusted shall, from and after the date of such event, be the Merger Consideration or other dependent item, as applicable, subject to further adjustment in accordance with this sentence.

2.2 Dissenting Shares. Notwithstanding anything to the contrary contained in this Agreement, shares of Company Common Stock held by a holder who has made a demand for appraisal of such shares in accordance with Section 262 of the DGCL (any such shares being referred to as "**Dissenting Shares**") until such time as such holder fails to perfect or otherwise loses such holder's appraisal rights under Section 262 of the DGCL with respect to such shares) shall not be converted into or represent the right to receive the Merger Consideration in accordance with *Section 2.1*, but shall be entitled only to such rights as are granted by the DGCL to a holder of Dissenting Shares. At the Effective Time, the Dissenting Shares shall no longer be outstanding and shall automatically be canceled and shall cease to exist, and each holder of Dissenting Shares shall cease to have any rights with respect thereto, except the right to receive the fair value of such Dissenting Shares in accordance with the provisions of Section 262 of the DGCL. If any Dissenting Shares shall lose their status as such (through failure to perfect appraisal rights under Section 262 of the DGCL or otherwise), then, as of the later of the Effective Time or the date of loss of such status, such shares shall automatically be converted into and shall represent only the right to receive the Merger Consideration in accordance with *Section 2.1*, without interest thereon.

2.3 Treatment of Restricted Stock, Options and Other Stock-Based Awards.

(a) As of the Effective Time, each option to purchase shares of Company Common Stock or other right to purchase Company Common Stock under any Company Stock Plan (each, a "**Company Option**"), to the extent outstanding and unexercised immediately prior thereto, shall become fully vested and shall, without any action on the part of any holder thereof, be automatically canceled in exchange for the right to receive, as soon as reasonably practicable following the Effective Time, that number of shares of Parent Stock as is equal to (i) the product of (A) the Adjusted Option Shares, multiplied by (B) the difference of (1) the Closing Date Parent Stock Price, minus (2) the Adjusted Exercise Price, divided by (ii) the Closing Date Parent Stock

Price (the "**Option Consideration**"); *provided, however*, that in the event that the Adjusted Exercise Price of any Company Option is equal to or greater than the Closing Date Parent Stock Price, such Company Option shall be canceled and no Option Consideration shall be payable in respect of such Company Option. As used in this *Section 2.3(a)*:

(i) The term "**Adjusted Exercise Price**" shall mean, with respect to each Company Option, the quotient of (A) the exercise price set forth in such Company Option, in each case as adjusted to the date of such calculation in accordance with the terms of such Company Option, divided by (B) the Exchange Ratio.

(ii) The term "**Adjusted Option Shares**" shall mean, with respect to each Company Option, the product of (A) the number of shares of Company Common Stock underlying such Company Option, in each case as adjusted to the date of such calculation in accordance with the terms of such Company Option, multiplied by (B) the Exchange Ratio.

(iii) The term "**Closing Date Parent Stock Price**" shall mean the per share closing price for Parent Stock as reported on the NASDAQ Global Select Market on the trading day immediately preceding the Closing Date.

(b) As of the Effective Time, each performance award granted under any Company Stock Plan (each, a "**Company Performance Award**" and, collectively with the Company Options, the "**Company Equity Awards**"), to the extent outstanding immediately prior thereto, shall become fully vested (at the 100% level) and shall, without any action on the part of any holder thereof, be automatically canceled in exchange for the right to receive, as soon as reasonably practicable following the Effective Time, that number of shares of Parent Stock as is equal to the product of (i) the number of shares of Company Common Stock underlying such Company Performance Award, multiplied by (ii) the Exchange Ratio (collectively, the "**Performance Award Consideration**" and, together with the Option Consideration, the "**Equity Award Consideration**").

(c) As of the Effective Time, each restricted share award granted under any Company Stock Plan (each, a "**Company RSA**"), to the extent outstanding and subject to vesting or forfeiture conditions (whether time-based or performance-based), shall become fully vested or released from such forfeiture conditions as of the Effective Time and shall be treated as a share of Company Common Stock for all purposes of this Agreement.

2.4 *Legal Entity Restructuring.* If, on or after the date of this Agreement and prior to the Effective Time, Parent provides written notice to the Company of a proposed internal restructuring plan for the Company and its subsidiaries, Parent and the Company agree to reasonably cooperate and participate in the analysis, development and implementation of the plan. The Company shall not be required to take any action with respect to such plan that would adversely affect the treatment of the Merger as a reorganization within the meaning of Section 368(a) of the Code or have an adverse tax or economic effect on the Company or its shareholders or optionholders for a taxable period prior to or including the Effective Time, or have the effect of materially delaying, impairing or impeding the receipt of any regulatory approvals required in connection with the transactions contemplated by this Agreement.

3. EXCHANGE OF CERTIFICATES FOR MERGER CONSIDERATION

3.1 *Delivery of the Merger Consideration.* Prior to the Effective Time (and, with respect to Parent Stock, from time to time after the Effective Time, as applicable), Parent shall deposit with the Exchange Agent, pursuant to an agreement providing for the matters set forth in this *Section 3.1* and such other matters as may be appropriate and the terms of which shall be mutually acceptable to Parent and the Company, an amount in cash and certificates representing shares of Parent Stock sufficient to effect the conversion of each share of Company Common Stock (other than Excluded Shares) into the Merger Consideration pursuant to this Agreement.

3.2 *Exchange Procedures.*

(a) Promptly after the execution of this Agreement, Parent shall designate and appoint Computershare Trust Company, N.A. or an Affiliate thereof to act as exchange agent hereunder (the "**Exchange Agent**") for the purpose of exchanging Certificates.

(b) Promptly after the Effective Time, but in any event not more than five (5) Business Days after the Effective Time, Parent shall cause the Exchange Agent to mail to each holder of record as of immediately prior to the Effective Time of shares of Company Common Stock (each such holder, a "**Company Common Stock Holder**"), (i) a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to each Certificate representing any shares of Company Common Stock held by such Company Common Stock Holder shall pass, only upon delivery of the completed letter of transmittal and such Certificate to the Exchange Agent and shall be in such form and have such other provisions as Parent and the Company shall mutually agree) and (ii) instructions for use in effecting the surrender of each such Certificate in exchange for the total amount of Merger Consideration that such Company Common Stock Holder is entitled to receive in exchange for such holder's shares of Company Common Stock in the Merger pursuant to this Agreement. From and after the Effective Time, until surrendered as contemplated by this *Section 3.2*, each Certificate representing shares of Company Common Stock held by a Company Common Stock Holder shall be deemed to represent only the right to receive the total amount of Merger Consideration to which such Company Common Stock Holder is entitled in exchange for such shares of Company Common Stock as contemplated by *Section 2*.

(c) Upon surrender by a Company Common Stock Holder to the Exchange Agent of all Certificates representing such holder's shares of Company Common Stock, together with a letter of transmittal duly completed and validly executed in accordance with the instructions thereto, and such other documents as may be required pursuant to such instructions, each Company Common Stock Holder shall be entitled to receive in exchange therefor (and the Exchange Agent shall mail to such Company Common Stock Holder within ten (10) Business Days following such surrender): (i) a certificate (or certificates in the aggregate) representing the number of whole shares of Parent Stock into which such holder's shares of Company Common Stock represented by such holder's properly surrendered Certificates were converted in accordance with *Section 2*, and such Certificates so surrendered shall be forthwith cancelled, and (ii) a check in an amount of U.S. dollars (after giving effect to any required withholdings pursuant to *Section 3.7*) equal to (A) the amount of cash in lieu of a fractional share of Parent Stock to be paid pursuant to *Section 2.1(c)*, if any, into which such holder's shares of Company Common Stock represented by such holder's properly surrendered Certificates were converted in accordance with *Section 2*, plus (B) any cash dividends and other distributions that such holder has the right to receive pursuant to *Section 3.3*.

3.3 *Dividends and Distributions.* No dividends or other distributions with respect to shares of Parent Stock shall be paid to the holder of any unsurrendered Certificate until such Certificate is surrendered as provided in this *Section 3*, but provided that, to the extent that any such dividends or distributions are declared with a record date on or after the Effective Time, such dividends or distributions shall accrue for the account of such holder to be paid as provided in this *Section 3.3*. Subject to the effect of applicable Laws, following such surrender, there shall be paid, without interest, to the record holder of the shares of Parent Stock issued in exchange for shares of Company Common Stock represented immediately prior to the Effective Time by such Certificate (i) when any payment or distribution of a certificate representing any share(s) of Parent Stock is made to such holder pursuant to *Section 3.2(b)* or (c), all dividends and other distributions payable in respect of such Parent Stock with a record date on or after the Effective Time and a payment date on or prior to the date of such surrender and not previously paid and (ii) on the appropriate payment date, the dividends or other distributions payable with respect to such Parent Stock with a record date after the Effective Time but prior to surrender and with a payment date subsequent to such surrender. For purposes of dividends

and other distributions in respect of Parent Stock, all shares of Parent Stock to be issued pursuant to the Merger shall be entitled to dividends pursuant to the immediately preceding sentence as if issued and outstanding as of the Effective Time.

3.4 *Transfer Books; No Further Ownership Rights in Shares.* After the Effective Time, the stock transfer books of the Company shall be closed and there shall be no further registration of transfers of shares of Company Common Stock on the records of the Company. After the Effective Time, the holders of Certificates shall cease to have any rights with respect to such shares, except the right to receive the Merger Consideration and such dividends and other distributions on or in respect of Parent Stock as provided herein or as otherwise provided by applicable Law. If, after the Effective Time, Certificates are presented to the Surviving Company for any reason, they shall be canceled and exchanged as provided in *Section 2*.

3.5 *Termination of Fund; No Liability.* At any time following twelve (12) months after the Effective Time, Parent shall be entitled to require the Exchange Agent to deliver to Parent (i) certificates representing shares of Parent Stock and (ii) cash held by the Exchange Agent for payments in lieu of fractional shares of Parent Stock, in each case, not delivered to holders of Certificates. Thereafter, holders of Certificates shall be entitled to look only to Parent, which shall thereafter act as the Exchange Agent (subject to abandoned property, escheat or other similar Laws), as general creditors of Parent with respect to the delivery of the Merger Consideration (including payment of cash in lieu of fractional shares of Parent Stock). None of Parent, the Surviving Company and the Exchange Agent shall be liable to any Person (as defined below) for any Merger Consideration delivered to a public official pursuant to any abandoned property, escheat or similar Law. For purposes of this Agreement, "**Person**" means any natural person, firm, corporation, partnership, company, limited liability company, trust, joint venture, association, Governmental Entity or other entity.

3.6 *Lost, Stolen or Destroyed Certificates.* In the event that any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit attesting to that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if requested by Parent or the Surviving Company, the delivery by such Person of a bond (in such amount as Parent or the Surviving Company may reasonably direct) as indemnity against any claim that may be made against the Exchange Agent, Parent or the Surviving Company on account of the alleged loss, theft or destruction of such Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Certificate a certificate representing shares of Parent Stock and/or pay the cash in lieu of any fractional share of Parent Stock to which such holder is entitled, which constitute the total amount of Merger Consideration deliverable in respect of such Certificate as determined in accordance with *Section 2*.

3.7 *Withholding Taxes.* Parent or the Exchange Agent will be entitled to deduct and withhold from the Merger Consideration, the Equity Award Consideration and any other amounts payable pursuant to this Agreement or the transactions contemplated hereby to any holder of Company Common Stock or Company Equity Awards such amounts as the Company, Parent, or any affiliate (as defined under the Exchange Act (an "**Affiliate**")) thereof, or the Exchange Agent are required to deduct and withhold with respect to the making of such payment under the Internal Revenue Code of 1986, as amended (the "**Code**"), or any applicable provision of U.S. federal, state, local or non-U.S. tax law. To the extent that such amounts are properly withheld by Parent or the Exchange Agent and paid over to the appropriate taxing authority, such withheld amounts will be treated for all purposes of this Agreement as having been paid to the holder of the Company Common Stock or Company Equity Awards in respect of whom such deduction and withholding were made by Parent or the Exchange Agent.

3.8 *Adjustments to Prevent Dilution.* Without limiting the other provisions of the Agreement, in the event that the Company changes the number of shares of Company Common Stock issued and outstanding prior to the Effective Time as a result of a reclassification, stock split (including a reverse stock split), stock dividend or distribution, recapitalization, merger, subdivision, issuer tender or exchange offer, or other similar transaction, the Merger Consideration and the Equity Award Consideration shall be equitably adjusted to eliminate the effect of such change on the Merger Consideration.

Each of the Company and each of its Subsidiaries has all requisite corporate or limited liability company power and authority and possesses all governmental franchises, licenses, permits, authorizations, variances, exemptions, orders and approvals (collectively, "**Permits**") necessary to enable it to own, lease or otherwise hold its properties and assets and to conduct its businesses as presently conducted, except where the failure to have such power or authority or possess Permits, individually or in the aggregate, would not reasonably be expected to result in a Company Material Adverse Effect. Each of the Company and each of its Subsidiaries is duly qualified or licensed to do business in each jurisdiction where the nature of its business or the ownership or leasing of its properties makes such qualification necessary, other than in such jurisdictions where the failure to be so qualified or licensed, would not reasonably be expected to result in a Company Material Adverse Effect. In connection with any determination as to whether the Indemnified Parties are entitled to the benefits of this *Section 7.6*, the burden of proof shall be on Parent and the Surviving Company to establish that an Indemnified Party is not so entitled. As used in this *Section 7.6(a)*, (A) the term "**Claim**" means any threatened, asserted, pending or completed action, suit or proceeding, or any inquiry or investigation, whether instituted by the Company, any Governmental Entity or any other party, that any Indemnified Party in good faith believes might lead to the institution of any such action, suit or proceeding, whether civil, criminal, administrative, investigative or other, including any arbitration or other alternative dispute resolution mechanism, arising out of or pertaining to matters that relate to such Indemnified Party's duties or service as a director or officer of the Company, any of its Subsidiaries, any employee benefit plan maintained by any of the foregoing at or prior to the Effective Time and any other Person at the request the Company or any of its Subsidiaries; and (B) the term "**Expenses**" means reasonable attorneys' fees and all other costs, expenses and obligations (including experts' fees, travel expenses, court costs, retainers, transcript fees, duplicating, printing and binding costs, as well as telecommunications, postage and courier charges) paid or incurred in connection with investigating, defending, being a witness in or participating in (including on appeal), or preparing to investigate, defend, be a witness in or participate in, any Claim for which indemnification is authorized pursuant to this

(b) From the Effective Time and for a period of six (6) years thereafter, Parent and the Surviving Company shall keep in full force and effect, and comply with the terms and conditions of, any agreement in effect as of the date of this Agreement between or among the Company or any of its Subsidiaries and any Indemnified Party providing for the indemnification of and advancement of expenses to such Indemnified Party.

(d) If Parent or the Surviving Company or any of its successors or assigns shall (i) consolidate with or merge into any other Person and shall not be the continuing or surviving Person of such consolidation or merger or (ii) transfer all or substantially all of its properties and assets to any Person, then, in each such case, proper provisions shall be made so that the successors and assigns of Parent and the Surviving Company, as the case may be (including Parent's ultimate parent entity, if applicable), assume all of the obligations of Parent and the Surviving Company set forth in this *Section 7.6*.

(e) Prior to the Effective Time, the Company shall or, if the Company is unable to, Parent shall cause the Surviving Company as of the Effective Time to, obtain and fully pay the premium for the non-cancellable extension of the directors' and officers' liability coverage of the Company's existing directors' and officers' insurance policies and the Company's existing fiduciary liability insurance policies (collectively, "**D&O Insurance**"), in each case for a claims reporting or discovery period of at least six (6) years from and after the Effective Time with respect to any claim related to any period of time at or prior to the Effective Time from an insurance carrier with the same or better credit rating as the Company's current insurance carrier with respect to D&O Insurance with terms, conditions, retentions and limits of liability that are no less favorable than the coverage provided under the Company's existing policies with respect to any actual or alleged error, misstatement, misleading statement, act, omission, neglect, breach of duty or any matter claimed against a director or officer of the Company or any of its Subsidiaries by reason of him or her serving in such capacity that existed or occurred at or prior to the Effective Time (including in connection with this Agreement or the transactions or actions contemplated hereby), provided that the annual premium therefor shall not exceed \$1,718,760. If the Company or the Surviving Company for any reason fail to obtain such "tail" insurance policies as of the Effective Time, the Surviving Company shall continue to maintain in effect, for a period of at least six years from and after the Effective Time, the D&O Insurance in place as of the date hereof with the Company's current insurance carrier or with an insurance carrier with the same or better credit rating as the Company's current insurance carrier with respect to D&O Insurance with terms, conditions, retentions and limits of liability that are no less favorable than the coverage provided under the Company's existing policies as of the date hereof, or the Surviving Company shall purchase from the Company's current insurance carrier or from an insurance carrier with the same or better credit rating as the Company's current insurance carrier with respect to D&O Insurance comparable D&O Insurance for such six-year period with terms, conditions, retentions and limits of liability that are no less favorable than as provided in the Company's existing policies as of the date hereof; *provided, however*, that Parent or the Surviving Company and its Subsidiaries, as the case may be, shall not be required to spend as an annual premium therefor an amount in excess of

(f) The provisions of this *Section 7.6* shall survive the consummation of the Merger and (i) are intended to be for the benefit of, and shall be enforceable by, each Indemnified Party and his or her heirs and representatives and (ii) are in addition to, and not in substitution for, any other rights to indemnification or contribution that any such Person may have by contract or otherwise. The obligations of Parent or the Surviving Company under this *Section 7.6* shall not be terminated or modified in such a manner as to adversely affect the rights of any Indemnified Party under this *Section 7.6* without the consent of such affected Indemnified Party. Parent shall cause the Surviving Company to perform all of the obligations of the Surviving Company under this *Section 7.6*. Parent and the Surviving Company, jointly and severally, shall pay all expenses, including reasonable fees and expenses of counsel, that an Indemnified Party may incur in enforcing the indemnity and other obligations provided for in this *Section 7.6*.

The Company agrees that neither the Company nor any of the Company's Subsidiaries will enter into any confidentiality agreement with any Person subsequent to the date hereof that prohibits the Company from providing such information to Parent.

(i) the Company Board shall have determined in good faith (after consultation with its financial advisor and outside legal counsel) that failure to take such action would be inconsistent with the directors' exercise of their fiduciary obligations to the stockholders of the Company under applicable laws; and

(ii) the Company shall have validly terminated this Agreement in accordance with *Section 9.1(c)(ii)*, including the payment of the Company Termination Fee in accordance with *Section 9.2(a)*; *provided, however*, that (A) prior to terminating this Agreement, the Company shall give Parent at least three (3) Business Days' notice thereof, attaching the Alternative Proposal Agreement (or, if applicable, the most current draft thereof), which notice need only be given once with respect to any Superior Proposal, unless such Superior Proposal is modified in any material respect in which case the three (3) Business Day period referred to herein shall be 48 hours, and (B) if, within such three (3) Business Day period (or where applicable, 48 -hour period), Parent makes an offer to the Company that the Company Board determines in good faith is more favorable to the stockholders of the Company (other than Parent, Merger Sub and their respective Affiliates), from a financial point of view, than such Superior Proposal (taking into account, among other things, (I) the terms of such offer and (II) all legal, financial (including the financing terms thereof), regulatory, timing and other aspects of such offer which the Company Board deems relevant), and agrees in writing to all adjustments in the terms and conditions of this Agreement as are necessary to reflect such offer, the Company's notice of termination with respect to such Superior Proposal shall be deemed to be rescinded and of no further force and effect and, if the Company or any Subsidiary of the Company has entered into a Superior Proposal Agreement, it shall promptly terminate such agreement (it being agreed that the Company will cause any Alternative Acquisition Agreement entered into prior to the expiration of such three (3) Business Day period (or where applicable, 48-hour period) to include a provision permitting such termination).

(e) The Company shall keep Parent reasonably informed regarding the matters contemplated by this *Section 7.7* (including any Alternative Proposals). Without limiting the generality of foregoing, (i) the Company shall promptly notify Parent if any proposals or offers with respect to an Alternative Proposal are received by the Company or any of its Representatives indicating, in connection with such notice, the material terms and conditions of any proposals or offers (including, if applicable, copies of any written requests, proposals or offers, including proposed agreements) and thereafter shall keep Parent reasonably informed, on a prompt basis, of the status and material terms of any such proposals or offers (including any material amendments thereto), including any change in the Company's intentions as previously notified, and (ii) the Company agrees that it will promptly notify Parent if any non-public information is requested from, or any discussions or negotiations are sought to be initiated or continued with, the Company or any of its Representatives indicating, in connection with such notice, the status of any such discussions or negotiations, including any change in the Company's intentions as previously notified. It is understood and agreed that, for purposes of this Agreement (including *Section 7* and *Section 9*), a factually accurate public statement by the Company that describes the Company's receipt of an Alternative Proposal and the operation of this Agreement with respect thereto, or any "stop, look and listen" communication by the Company Board, shall not constitute a Company Recommendation Change or an approval or recommendation with respect to any Alternative Proposal.

(g) Other than with respect to the Debt Commitment, neither Parent nor Merger Sub, nor any of their respective Affiliates, shall make or enter into any formal or informal arrangements or understandings (whether or not binding) with any Person, or have any discussions or other communications with any other Person, in any such case with respect to any Alternative Proposal involving the Company.

(h) As used in this Agreement:

(i) "**Acceptable Confidentiality Agreement**" shall mean a customary confidentiality agreement that contains confidentiality provisions that are not materially less favorable in the aggregate to the Company than those contained in the Confidentiality Agreement (*provided, however*, that such confidentiality agreement shall not be required to restrict a Person from communicating an Alternative Proposal (or any amendment thereof) to the Company Board) or, to the extent applicable, a confidentiality agreement entered into prior to the execution of this Agreement.

(ii) "**Alternative Proposal**" shall mean any proposal, indication or offer, including any proposal, indication or offer from or to the Company's stockholders, made by any Person or group (as defined under Rule 13(d) of the Exchange Act) other than Parent or its Subsidiaries and/or Affiliates relating to, whether in a single transaction or series of related transactions, and whether directly or indirectly, any (i) transaction or series of transactions (including any merger, reorganization, share exchange, consolidation, business combination, joint venture, partnership, recapitalization, dissolution, liquidation or similar direct or indirect transaction involving the Company and/or any Subsidiary or Subsidiaries of the Company) for the issuance or acquisition of shares of Company Common Stock or other equity securities of the Company whose business or businesses constitute twenty percent (20%) (in number or voting power) or more of the assets, revenues or earnings of the Company and its Subsidiaries, taken as a whole, (ii) acquisition, license or purchase of assets of the Company and/or its Subsidiaries equal to twenty percent (20%) or more of the consolidated assets of the Company and its Subsidiaries or to which twenty percent (20%) or more of the Company's revenues or earnings on a consolidated basis are attributable or (iii) acquisition of beneficial ownership (as defined under Rule 13(d) of the Exchange Act) of equity interests representing a twenty percent (20%) or greater economic or voting interest in the Company or tender offer (including a self-tender offer) or exchange offer that, if consummated, would result in any Person or group (as defined under Rule 13(d) of the Exchange Act) beneficially owning equity interests representing a twenty percent (20%) (in number or voting power) or greater economic or voting interest in the Company (provided, for the avoidance of doubt, that a transfer of Company Common Stock solely as part of the exercise of registration rights applicable to the

Company Common Stock in effect on the date hereof shall not be considered an Alternative Proposal).

(iii) "**Fiduciary Change**" shall mean any determination by the Company Board, prior to the Company Required Vote, that it is obligated to make a Company Recommendation Change because such a change is advisable to comply with its fiduciary duties to stockholders of the Company.

(iv) "**Superior Proposal**" shall mean any bona fide Alternative Proposal (except that references to "twenty percent (20%) or more" in the definition thereof will be deemed to be references to "fifty percent (50%) or more") made by any Person that is on terms that the Company Board determines in good faith (after consultation with its financial advisor and outside legal counsel and after taking into account all legal, financial (including the financing terms thereof), regulatory, timing and other aspects of the proposal, as well as any modification to this Agreement that Parent and Merger Sub propose to make in accordance with *Section 7.7(d)(ii)*), are more favorable to the Company's stockholders from a financial point of view than the transactions contemplated by this Agreement.

7.10 *Financing.*

(a) Parent and Merger Sub acknowledge and agree that the Company and its Affiliates and its and their respective Representatives shall not, prior to the Effective Time, incur any liability to any Person under any financing that Parent and Merger Sub may raise in connection with the transactions contemplated by this Agreement or any cooperation provided pursuant to *Section 7.11* and that Parent and Merger Sub shall, on a joint and several basis, indemnify and hold harmless the Company and its Affiliates and its and their respective Representatives from and against any losses, damages, claims, costs or expenses suffered or incurred by any of them in connection with the Debt Financing and any information utilized in connection therewith.

(b) Each of Parent and Merger Sub shall take, or cause to be taken all actions and do, or cause to be done, all things necessary, proper or advisable to (x) maintain in effect the Debt Commitment Letter and (y) arrange and obtain the proceeds of the Debt Financing on the terms and conditions described in the Debt Commitment Letter (including any "market flex" terms and conditions in the fee letter referenced in, and to which, the Debt Commitment Letter is subject), including: (i) entering into definitive agreements with respect thereto on the terms and conditions contained in the Debt Commitment Letter as promptly as practicable after the date hereof; and (ii) satisfying, or cause their Representatives to satisfy all conditions applicable to Parent, Merger Sub, Borrower or their respective Representatives that are within their respective control in such definitive agreements.

(c) Parent shall not agree to any amendments or modifications to, or grant any waivers of, any condition or other provision under the Debt Commitment Letter without the prior written consent of the Company if such amendments, modifications or waivers would (i) reduce the aggregate amount of the Debt Financing or (ii) impose new or additional conditions that would reasonably be expected to (A) prevent or materially delay the ability of Parent to consummate the Merger and the other transactions contemplated by this Agreement or (B) adversely impact the ability of Parent, Merger Sub or Borrower to enforce its rights against the other parties to the Debt Commitment Letter. Parent shall not release or consent to the termination of the obligations of the Financing Sources under the Debt Commitment Letter, except for assignments and replacements of an individual Financing Source under the terms of or in connection with the syndication of the Debt Financing or as otherwise expressly contemplated by the Debt Commitment Letter.

(d) In the event that any portion of the Debt Financing becomes unavailable in the manner or from the sources contemplated in the Debt Commitment Letter, (i) Parent shall promptly so notify the Company and (ii) Parent and Merger Sub shall use their respective commercially reasonable efforts to arrange and obtain, and to negotiate and enter into definitive agreements with respect to, alternative financing from alternative financial institutions in an amount sufficient to consummate the transactions contemplated by this Agreement upon conditions not less favorable to Parent, Merger Sub and the Company, taken as a whole, than those in the Debt Commitment Letter ("**Alternative Financing**"), as promptly as practicable following the occurrence of such event (and in any event no later than the Closing Date); *provided*, that if Parent proceeds with Alternative Financing, it shall be subject to the same obligations with respect to the Alternative Financing as set forth in this *Section 7.10* with respect to the Debt Financing and all references in this Agreement to the Debt Financing shall be deemed to also refer to the Alternative Financing. The definitive agreements entered into pursuant to the first sentence of this *Section 7.10(d)* or *Section 7.10(b)(i)* are referred to in this Agreement, collectively, as the "**Financing Agreements**." Parent shall provide to the Company copies of any commitment letter and fee letter associated with an Alternative Financing as well as any amendment or waiver of any debt commitment letter (including the Debt Commitment Letter) or fee letter, that is permitted hereunder.

(e) Parent shall (i) furnish the Company complete, correct and executed copies of the Financing Documents or any alternative financing agreement promptly upon their execution, (ii) give the Company prompt notice of any material breach or material threatened breach by any party of any of the Debt Financing commitment, any Alternative Financing commitment, the Financing Documents, or any alternative financing agreement of which Parent or Merger Sub becomes aware or any termination thereof, and (iii) otherwise keep the Company reasonably informed of the status of its efforts to arrange the Debt Financing (or any alternative financing). 7.12 *Tax Treatment as Reorganization.*

(a) Each of Parent, the Company and the Surviving Company shall use its reasonable best efforts to take such actions so as to cause the Merger to qualify as a reorganization within the meaning of Section 368(a) of the Code. Neither Parent nor the Company nor any of their respective Affiliates shall take any action prior to the Closing, and Parent shall not take any action or fail to take any action (and shall prevent the Surviving Company from taking any action or failing to take any action) following the Closing, that would cause the Merger to fail to qualify as a "reorganization" within the meaning of Section 368(a) of the Code. Each of Parent, Merger Sub and the Company shall use its reasonable best efforts not to take or cause to be taken any action that would cause to be untrue (or fail to take or cause not to be taken any action which inaction would cause to be untrue) any of the representations included in the certificates described in this Section 7.12(b).

7.13 *Board of Directors of Parent After the Effective Time.* Prior to the Closing, Parent shall take all such action as may be reasonably necessary to cause one (1) individual selected by the Company and approved by Parent (such approval not to be unreasonably conditioned, withheld or delayed) prior to the Closing Date from among the Company Board (the "**Company Designee**") to be elected to the Parent Board effective as of the Effective Time. If at any time prior to or after the Effective Time, the initial Company Designee is unwilling or unable to serve as a member of Parent Board, then the Company Board (which shall be deemed, at all times after the Effective Time, to consist solely of those individuals who served as members of the Company Board immediately prior to the Effective Time) shall, by written notice to Parent, name a new designee who shall be approved by the Parent (such approval not to be unreasonably conditioned, withheld or delayed) and who, subject to such Parent approval, shall thereupon be the Company Designee for all purposes of this Agreement.

The term "**Debt Payment Expenses**" shall mean all costs, fees, expenses, prepayment penalties, breakage fees and other exit fees payable in connection with the payment of Funded Debt. (d) by Parent:

(i) if it is not in material breach of this Agreement, and if (A) any of the representations and warranties of the Company herein are or become untrue or incorrect such that the condition set forth in *Section 8.2(a)* would not be satisfied, or (B) there has been a breach on the part of the Company of any of its covenants or agreements herein such that the condition set forth in *Section 8.2(b)* would not be satisfied, and, in either such case, such breach has not been, or cannot be, cured prior to the Outside Date (as such date may be extended pursuant to *Section 9.1(b)(ii)*) following receipt by Company of written notice of such breach or inaccuracy from Parent; or

(ii) if (A) the Company Board shall have failed to include the Company Recommendation in the Proxy Statement/Prospectus or shall have effected a Company Recommendation Change, (B) the Company Board shall have approved or recommended, or proposed publicly to approve or recommend, any Alternative Acquisition Agreement, Alternative Proposal or any Superior Proposal other than this Agreement, and/or permitted the Company to enter into an Alternative Acquisition Agreement related to an Alternative Proposal or a Superior Proposal, (C) the Company shall have failed to call the Company Stockholder Meeting in accordance with *Section 7.3* or shall have failed to deliver the Proxy Statement/Prospectus in accordance with *Section 7.1* in material breach of such Sections and such failure shall not be due to any material breach by Parent or Merger Sub of their

obligations under *Section 7.1*, or (D) a tender offer or exchange offer for outstanding shares of Common Stock shall have been commenced (other than by Parent or Merger Sub or their respective Affiliates) and the Company Board recommends that the stockholders of the Company tender their shares in such tender or exchange offer or within ten (10) Business Days after the commencement of such tender or exchange offer, the Company Board fails to recommend rejection (or subsequently modifies a recommendation of rejection) of such offer.

9.2 *Effect of Termination.*

(a) Notwithstanding any provision of this Agreement to the contrary, if:

(i) (A) this Agreement is validly terminated pursuant to *Section 9.1(b)(ii)*, *Section 9.1(b)(iii)* or *Section 9.1(d)(i)* (due in any such case to a breach of *Section 7.7*), (B) following the execution and delivery of this Agreement and in the case of a termination pursuant to *Section 9.1(b)(ii)* or *Section 9.1(d)(i)*, prior to such termination, and in the case of a termination pursuant to *Section 9.1(b)(iii)*, prior to the Company Meeting, any bona fide Alternative Proposal (substituting fifty percent (50%) for the twenty percent (20%) thresholds set forth in the definition of "Alternative Proposal") (a "**Qualifying Transaction**") shall have been communicated to the Company or a member of the Company Board (whether or not publicly disclosed) and not withdrawn or otherwise abandoned (and, if publicly disclosed, not publicly withdrawn or otherwise abandoned) and (C) within twelve (12) months following the termination of this Agreement pursuant to *Section 9.1(b)(ii)*, *Section 9.1(b)(iii)* or *Section 9.1(d)(i)*, as applicable, a Qualifying Transaction is consummated; or

(ii) this Agreement is terminated by the Company pursuant to *Section 9.1(c)(ii)* or by Parent pursuant to *Section 9.1(d)(ii)*, then in any such event the Company shall pay to Parent (or a Person designated in writing by Parent) by wire transfer of same-day funds a fee equal to the Company Termination Fee. "**Company Termination Fee**" shall mean an amount equal to \$18,900,000. Such payment shall be made, in the case of a termination referenced in clause (i) above, upon the consummation of any Qualifying Transaction, or in the case of a termination referenced in clause (ii) above, concurrently with the termination of this Agreement by the Company pursuant to *Section 9.1(c)(ii)* or within two (2) Business Days after termination of this Agreement by Parent pursuant to *Section 9.1(d)(ii)*. For the avoidance of doubt, in no event shall the Company be required to pay the Company Termination Fee on more than one occasion.

(b) Notwithstanding any provision of this Agreement to the contrary, if this Agreement is terminated by the Company pursuant to *Section 9.1(c)(iii)*, then Parent shall pay to the Company (or a Person designated in writing by the Company) by wire transfer of same-day funds a fee equal to the Parent Termination Fee. "**Parent Termination Fee**" shall mean an amount equal to \$18,900,000. Such payment shall be made within two (2) Business Days after termination of this Agreement by the Company pursuant to *Section 9.1(c)(iii)*.

(c) Notwithstanding anything to the contrary in this Agreement, in the circumstances in which the Company Termination Fee is or becomes payable pursuant to *Section 9.2(a)*, Parent's and Merger Sub's sole and exclusive remedy (whether at law, in equity, in contract, in tort or otherwise) against the Company or any of its Affiliates with respect to the facts and circumstances giving rise to such payment obligation shall be payment of the Company Termination Fee pursuant to *Section 9.2(a)*, and upon payment in full of such amount, none of Parent nor Merger Sub or any of their respective Affiliates nor any other Person shall have any rights or claims against the Company or any of its Affiliates (whether at law, in equity, in contract, in tort or otherwise) under or relating to this Agreement or the transactions contemplated hereby. Notwithstanding anything to the contrary in this Agreement, if the Company fails to promptly pay Parent any amounts due under *Section 9.2(a)*, the Company shall pay the costs and expenses (including reasonable legal

fees and expenses) in connection with any action, including the filing of any lawsuit or other legal action, taken to collect payment, together with interest on the amount of any unpaid fee or obligation at the publicly announced prime rate of Wells Fargo Bank, N.A. in effect from time to time from the date such fee or obligation was required to be paid.

(d) Notwithstanding anything to the contrary in this Agreement, in the circumstances in which the Parent Termination Fee is or becomes payable pursuant to *Section 9.2(b)*, the Company's sole and exclusive remedy (whether at law, in equity, in contract, in tort or otherwise) against Parent, the Financing Sources or any of their respective Affiliates with respect to the facts and circumstances giving rise to such payment obligation shall be payment of the Parent Termination Fee pursuant to *Section 9.2(b)*, and upon payment in full of such amount, neither the Company nor any of its Affiliates nor any other Person shall have any rights or claims against Parent, the Financing Sources or any of their respective Affiliates (whether at law, in equity, in contract, in tort or otherwise) under or relating to this Agreement, the Debt Financing or the transactions contemplated hereby. Notwithstanding anything to the contrary in this Agreement, if Parent fails to promptly pay the Company any amounts due under *Section 9.2(b)*, Parent (but not, for the avoidance of doubt, the Financing Sources) shall pay the costs and expenses (including reasonable legal fees and expenses) in connection with any action, including the filing of any lawsuit or other legal action, taken to collect payment, together with interest on the amount of any unpaid fee or obligation at the publicly announced prime rate of Wells Fargo Bank, N.A. in effect from time to time from the date such fee or obligation was required to be paid.

(e) The parties acknowledge that the agreements contained in this *Section 9.2* are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, the parties would not enter into this Agreement. The parties acknowledge that the Company Termination Fee and the Parent Termination Fee, in the circumstances in which any such fee becomes payable, constitute liquidated damages and are not a penalty.

(f) There shall be deducted from any payments made pursuant to this *Section 9.2* such amounts as may be required to be withheld therefrom under the Code or under any provision of U.S. state or local tax law.

(g) The party seeking to terminate this Agreement pursuant to *Section 9.1* (other than *Section 9.1(a)*) shall give written notice of such termination, including a description in reasonable detail of the reasons for such termination, to the other party in accordance with *Section 10.3*, specifying the provision or provisions hereof pursuant to which such termination is effected. Except as otherwise provided in this *Section 9*, any valid termination of this Agreement pursuant to *Section 9.1* (other than *Section 9.1(a)*) shall be effective immediately upon the delivery of notice of the terminating party to the other party or parties hereto, as applicable. In the event of termination of this Agreement by either Parent or the Company as provided in *Section 9.1*, this Agreement shall forthwith become void and have no effect, and none of Parent, Merger Sub, the Company, the Financing Sources, any of their respective Subsidiaries or any of the officers or directors of any of them shall have any liability of any nature whatsoever hereunder, or in connection with the transactions contemplated hereby (including any liability for or any obligation to pay any consequential, special, multiple, punitive or exemplary damages, including damages arising from loss of profits, business opportunities or goodwill, in respect of any breach or failure to comply with this Agreement, any related documentation or in respect of any of the transactions contemplated hereby or thereby (including the Merger and Debt Financing)); *provided, however*, that (i) *Sections 7.2(b), 9.2* and *10* shall survive any termination of this Agreement and (ii) notwithstanding anything to the contrary contained in this Agreement, none of Parent, Merger Sub nor the Company shall be relieved or released from any liabilities or damages arising out of its willful and material breach of this Agreement.

9.3 *Amendment.* Subject to compliance with applicable law, this Agreement may be amended by the parties hereto, by action taken or authorized by their respective boards of directors, at any time before the Effective Time; *provided, however*, that after receipt of the Company Required Vote, there may not be any amendment of this Agreement which, by applicable law or in accordance with the rules of any relevant stock exchange, requires further approval of the Company's stockholders. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto. Notwithstanding anything to the contrary contained herein, *Sections 9.2(d) and (g)*, this *Section 9.3*, *Sections 10.8, 10.11 and 10.12* (and any provision and/or definition of this Agreement to the extent an amendment, supplement, waiver or modification of such provision and/or definition would modify the substance of any of the foregoing provisions) may not be amended, supplemented, waived or otherwise modified in a manner that is materially adverse to any Financing Sources without the prior written consent of such Financing Sources.

9.4 *Extension; Waiver.* At any time prior to the Effective Time, the parties hereto may, to the extent legally allowed, (a) extend the time for the performance of any of the obligations or other acts of the other parties hereto, (b) waive any inaccuracies in the representations and warranties contained herein or in any document delivered pursuant hereto and (c) waive compliance with any of the agreements or conditions contained herein; *provided, however*, that, after receipt of the Company Required Vote, there may not be any extension or waiver of this Agreement which decreases the Merger Consideration or which adversely affects the rights of the Company's stockholders hereunder without the approval of such stockholders. Any agreement on the part of a party hereto to any such extension or waiver shall be valid only if set forth in a written instrument signed on behalf of such party, but such extension or waiver or failure to insist on strict compliance with an obligation, covenant, agreement or condition shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure.

10. GENERAL PROVISIONS

10.1 *Nonsurvival of Representations, Warranties and Agreements.* None of the representations, warranties, covenants and agreements in this Agreement or in any instrument delivered pursuant to this Agreement shall survive the Effective Time, except for those covenants and agreements contained herein and therein which by their terms apply in whole or in part after the Effective Time.

10.2 *Expenses.* Except as otherwise provided in this Agreement, all costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the party incurring such expense, except that each of the Company and Parent shall bear and pay one-half of the costs and expenses incurred in connection with the filing and fees paid in respect of any HSR Act or other regulatory filings, including filings made with the FCC or State Regulators.

10.5 *Counterparts; Delivery.* This Agreement may be executed in multiple original, PDF or facsimile counterparts, each of which shall be deemed an original, and all of which taken together shall be considered one and the same agreement. Each executed signature page to this Agreement and to each agreement and certificate delivered by a party hereto pursuant to this Agreement may be delivered by any of the methods described in *Section 10.3* hereof, provided that such delivery is effected in accordance with the notice information provided for in *Section 10.3* hereof. In the event that any signature to this Agreement or any agreement or certificate delivered pursuant hereto, or any amendment thereof, is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof. No party hereto shall raise the use of a facsimile machine or e-mail delivery of a ".pdf" format data file to deliver any such signature page or the fact that such signature was transmitted or communicated through the use of a facsimile machine or e-mail delivery of a ".pdf" format data file as a defense to the formation or enforceability of a contract and each party hereto forever waives any such defense.

10.6 *Entire Agreement.* This Agreement (together with the exhibits hereto), the Company Disclosure Schedule and the Parent Disclosure Schedule constitute the entire agreement and supersedes all prior agreements and understandings, both written and oral, among the parties with respect to the subject matter hereof, other than the Confidentiality Agreement, which shall survive the execution and delivery of this Agreement and any termination of this Agreement.

10.7 *Specific Performance.* The parties acknowledge and agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur in the event that the parties hereto do not perform the provisions of this Agreement (including failing to take such actions as are required of it hereunder to consummate this Agreement) in accordance with its specified terms or otherwise breach such provisions and that, accordingly, the parties shall be entitled to an injunction, specific performance and other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, in addition to any other remedy to which they are entitled at law or in equity. Each of the parties agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief sought in accordance with this *Section 10.7* on the basis that any other party has an adequate remedy at law or that any award of specific performance is not an appropriate remedy for any reason at law or in equity. Any party seeking an injunction or injunctions in accordance with this Agreement to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement shall not be required to provide any bond or other security in connection with any such order or injunction.

10.8 *Governing Law; Venue.* This Agreement shall be governed and construed in accordance with the laws of the State of Delaware, without regard to any applicable conflicts of law provisions (except to the extent of mandatory provisions of federal law). Each of the parties hereto irrevocably submit to the exclusive jurisdiction and venue of the courts of the State of Delaware or of the United States of America, for the purpose of any suit, action or other proceeding arising out of this Agreement, or any of the agreements or transactions contemplated hereby, which is brought by or against any other party hereto and hereby irrevocably agree (a) that all claims in respect of any such suit, action or proceeding may be heard and determined in any such court and (b) not to commence any action suit or proceeding relating to this Agreement other than in such court. Each party hereto irrevocably and unconditionally waives and agrees not to assert in any such suit, action or proceeding, in each case, to the fullest extent permitted by applicable law, (i) any objection to the laying of venue of any such suit, action or proceeding brought in any such court, (ii) any claim that such party is not personally subject to the jurisdiction of any such court, and (iii) any claim that any such suit, action or proceeding is brought in an inconvenient forum. Each party hereto agrees that service of any process, summons, notice or document by U.S. registered mail addressed to such party shall be effective service

of process for any action, suit or proceeding brought against such party in any such court. Each party hereto agrees that a final judgment in any such suit, action or proceeding brought in any such court shall be conclusive and binding upon such party and may be enforced in any other courts to whose jurisdiction such party is or may be subject, by suit upon such judgment. Notwithstanding anything to the contrary in this *Section 10.8*, each Company Related Party (as defined below) agrees that, except as specifically set forth in the Debt Financing, all actions, including any action, cause of action, claim, cross-claim or third-party claim of any kind or description, whether in law or in equity, whether in contract or in tort or otherwise, against any of the Financing Sources in any way relating to this Agreement or any of the transactions contemplated hereby, including any dispute arising out of or relating in any way to any agreement entered into by the Financing Sources in connection with the Debt Commitment Letter or the performance thereof or the financings contemplated thereby, shall be exclusively governed by, and construed in accordance with, the internal laws of the State of New York, without giving effect to principles or rules or conflict of laws to the extent such principles or rules would require or permit the application of law of another jurisdiction. Furthermore and notwithstanding anything to the contrary in this *Section 10.8*, each Company Related Party (i) agrees that it will not bring or support any action, including any action, cause of action, claim, cross-claim or third-party claim of any kind or description, whether in law or in equity, whether in contract or in tort or otherwise, against any of the Financing Sources in any way relating to this Agreement or any of the transactions contemplated hereby, including any dispute arising out of or relating in any way to any agreement entered into by the Financing Sources in connection with the Debt Commitment Letter or the performance thereof or the financings contemplated thereby, in any forum other than the Supreme Court of the State of New York, County of New York, or, if under applicable Law exclusive jurisdiction is vested in the federal courts, the United States District Court for the Southern District of New York (and appellate courts thereof), (ii) submits for itself and its property with respect to any such action to the exclusive jurisdiction of such courts, (iii) agrees that service of process, summons, notice or document by registered mail addressed to it at its address provided in *Section 10.3* shall be effective service of process against it for any such action brought in any such court, (iv) waives and hereby irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of venue of, and the defense of an inconvenient forum to the maintenance of, any such action in any such court and (v) agrees that a final judgment in any such action shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. The parties hereto further agree that all of the provisions of *Section 10.12* relating to waiver of jury trial shall apply to any action, cause of action, claim, cross-claim or third-party claim referenced in this *Section 10.8*. "**Company Related Party**" means the Company and each of its Subsidiaries.

10.9 *Severability*. Any term or provision of this Agreement which is determined by a court of competent jurisdiction to be invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement or affecting the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction, and if any provision of this Agreement is determined to be so broad as to be unenforceable, the provision shall be interpreted to be only so broad as is enforceable, in all cases so long as neither the economic nor legal substance of the transactions contemplated hereby is affected in any manner materially adverse to any party or its stockholders. Upon any such determination, the parties shall negotiate in good faith in an effort to agree upon a suitable and equitable substitute provision to effect the original intent of the parties.

10.10 *Publicity*. Parent, Merger Sub and the Company shall consult with each other before issuing any press release with respect to the Merger or this Agreement and shall not issue any such press release or make any such public statement without the prior consent of the other party, which shall not be unreasonably withheld or delayed; *provided, however*, that a party may, without the prior consent of the other party (but after prior consultation, to the extent practicable in the circumstances)

issue such press release or make such public statement or SEC filing as may upon the advice of outside counsel be required by law or the rules and regulations of any applicable stock exchange (including the NASDAQ Stock Market). The parties have agreed upon the form of a joint press release announcing the Merger and the execution of this Agreement.

10.11 *Assignment; Third Party Beneficiaries.* Neither this Agreement nor any of the rights, interests or obligations of any party hereunder shall be assigned by any of the parties hereto (whether by operation of law or otherwise) without the prior written consent of the other party. Subject to the preceding sentence, this Agreement shall be binding upon, inure to the benefit of and be enforceable by the parties and their respective successors and permitted assigns. Except for (a) the provisions of *Section 7.6*, (b) the right of the Company's stockholders to receive the Merger Consideration at the Effective Time, (c) the right of the holders of Company Equity Awards to receive the Equity Award Consideration in accordance with *Section 2.3*, (d) the rights of the Company's stockholders to pursue claims for damages and other relief, including equitable relief, for Parent's or Merger Sub's willful breach of this Agreement (provided, that the rights granted pursuant to this clause (d) shall be enforceable on behalf of the stockholders only by the Company in its sole and absolute discretion) and (e) the rights of the Financing Sources set forth in *Section 10.8*, this Agreement (including the documents and instruments referred to herein) is not intended to confer upon any Person other than the parties hereto any rights or remedies hereunder; provided, however, that the Financing Sources are hereby made express third-party beneficiaries of *Sections 9.2(b), (d) and (g), Section 9.3, , this Section 10.11 and Section 10.12.*

10.12 *Waiver of Jury Trial.* EACH COMPANY RELATED PARTY HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED UPON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE TRANSACTIONS CONTEMPLATED HEREBY, ANY DEBT FINANCING OR ANY OF THE OTHER TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY, INCLUDING IN ANY ACTION PROCEEDING OR COUNTERCLAIM AGAINST ANY FINANCING SOURCE.

**FIRST AMENDMENT
TO
AGREEMENT AND PLAN OF MERGER**

This FIRST AMENDMENT TO AGREEMENT AND PLAN OF MERGER (this "*First Amendment*") is entered into as of the 20th day of January, 2017, by and among Consolidated Communications Holdings, Inc., a Delaware corporation ("*Parent*"), FairPoint Communications, Inc., a Delaware corporation (the "*Company*"), and Falcon Merger Sub, Inc., a Delaware corporation and a wholly owned subsidiary of Parent ("*Merger Sub*").

WHEREAS, Parent, the Company and Merger Sub are parties to that certain Agreement and Plan of Merger, dated as of December 3, 2016 (the "*Agreement*"), pursuant to the terms of which, among other things, Parent would acquire the Company through the statutory merger of Merger Sub with and into the Company, whereupon the separate corporate existence of Merger Sub shall cease, and the Company shall be the surviving corporation;

WHEREAS, pursuant to *Section 9.3* of the Agreement, the Agreement may be amended by the parties thereto, by action taken or authorized by their respective boards of directors, at any time before the Effective Time (as such term is defined in the Agreement); and

WHEREAS, Parent, the Company and Merger Sub desire to amend the Agreement as provided herein.

NOW, THEREFORE, in consideration of the premises, and of the representations, warranties, covenants and agreements contained herein, and intending to be legally bound hereby, the parties hereto hereby agree as follows:

1. *Amendment.* *Exhibit A* of the Agreement shall be, and hereby is, amended in its entirety and restated as *Exhibit A* attached hereto.
2. *Ratification.* As amended by this First Amendment, the Agreement is in all respects ratified and confirmed, and as so amended by this First Amendment, the Agreement shall be read, taken and construed as one and the same instrument. Upon the execution of this First Amendment, each reference in the First Agreement or the Agreement to "this Agreement," "hereby," "hereunder," "herein," "hereof" or words of like import referring to the Agreement shall mean and refer to the Agreement as amended by this First Amendment. Any and all notices, requests, certificates and other instruments executed and delivered prior to, on or after the date of this First Amendment may refer to the Agreement without making specific reference to this First Amendment, but nevertheless all references to the Agreement shall be a reference to such document as amended hereby.
3. *Governing Law.* This First Amendment shall be governed and construed in accordance with the laws of the State of Delaware, without regard to any applicable conflicts of law provisions (except to the extent of mandatory provisions of federal law).
4. *Counterparts.* This First Amendment may be executed in multiple original, PDF or facsimile counterparts, each of which shall be deemed an original, and all of which taken together shall be considered one and the same agreement. Each executed signature page to this First Amendment and to each agreement and certificate delivered by a party hereto pursuant to this First Amendment may be delivered by any of the methods described in *Section 10.3* of the Agreement, provided that such delivery is effected in accordance with the notice information provided for in *Section 10.3* of the Agreement. In the event that any signature to this First Amendment or any agreement or certificate delivered pursuant hereto, or any amendment thereof, is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof. Fairness Opinion of Evercore Group, L.L.C.

December 3, 2016

The Board of Directors
FairPoint Communications, Inc.
521 E. Morehead Street, Suite 500
Charlotte, NC 28202

Members of the Board of Directors:

We understand that FairPoint Communications, Inc., a Delaware corporation (the "*Company*"), proposes to enter into an Agreement and Plan of Merger (the "*Merger Agreement*"), with Consolidated Communications, Inc., a Delaware corporation ("*Parent*") and Falcon Merger Sub, Inc., a Delaware corporation and wholly owned subsidiary of Parent ("*Merger Sub*"), pursuant to which Merger Sub will merge with and into the Company, with the Company as the surviving entity (the "*Surviving Company*"), as a result of which the Surviving Company will become a wholly owned subsidiary of Parent (the "*Merger*"). As a result of the Merger, among other things, each share of common stock, par value \$0.01 per share, of the Company (the "*Company Common Stock*"), other than Excluded Shares and Dissenting Shares (each as defined in the Merger Agreement), issued and outstanding immediately prior to the Effective Time will be converted into and become the right to receive 0.73 (the "*Exchange Ratio*") validly issued, fully paid and nonassessable shares of common stock, par value \$0.01 per share, of Parent (the "*Parent Stock*"), subject to adjustment in accordance with the Merger Agreement (such per share amount, together with any cash in lieu of fractional shares of Parent Stock to be paid pursuant to the Merger Agreement, the "*Merger Consideration*"). The terms and conditions of the Merger are more fully set forth in the Merger Agreement and terms used herein and not defined shall have the meanings ascribed thereto in the Merger Agreement.

The Board of Directors of the Company has asked us whether, in our opinion, the Exchange Ratio is fair, from a financial point of view, to the holders of the shares of the Company Common Stock, other than holders of Excluded Shares or Dissenting Shares.

In connection with rendering our opinion, we have, among other things:

- i. reviewed certain publicly available business and financial information relating to the Company and Parent that we deemed to be relevant, including publicly available research analysts' estimates;
- ii. reviewed certain non-public historical financial statements and other non-public historical financial and operating data relating to each of the Company and Parent prepared and furnished to us by the management of the Company and Parent, respectively;
- iii. reviewed certain non-public projected financial and operating data relating to the Company prepared and furnished to us by the management of the Company;
- iv. reviewed certain non-public projected financial and operating data relating to Parent prepared and furnished to us by the management of Parent;
- v. reviewed the amount and timing of the cost savings estimated by the management of the Company and the management of Parent to result from the Merger (collectively, the "*Synergies*");
- vi. reviewed the amount, timing and use of certain tax attributes of the Company and the combined company, as estimated by the management of the Company and the management of Parent;

Table of Contents

- vii. discussed the past and current operations, financial projections and current financial condition of each of the Company and Parent with the management of the Company (including their views on the risks and uncertainties of achieving such projections);
- viii. reviewed the reported prices and the historical trading activity of each of the Company Common Stock and the Parent Stock;
- ix. compared the financial performance of each of the Company and Parent and their respective stock market trading multiples with those of certain other publicly traded companies that we deemed relevant;
- x. compared the financial performance of the Company and Parent and the valuation multiples relating to the Merger with those of certain other transactions that we deemed relevant;
- xi. reviewed the potential pro forma financial impact of the Merger on the future financial performance of the combined company based on the projected financial data relating to each of the Company and Parent referred to above, including the projected Synergies and other strategic benefits and the amount and timing of realization thereof, anticipated by the management of the Company and the management of Parent to be realized from the Merger;
- xii. reviewed a draft of the Merger Agreement dated December 2, 2016 and
- xiii. performed such other analyses and examinations and considered such other factors that we deemed appropriate.

For purposes of our analysis and opinion, we have assumed and relied upon, without undertaking any independent verification of, the accuracy and completeness of all of the information publicly available, and all of the information supplied or otherwise made available to, discussed with, or reviewed by us, and we assume no liability therefor. With respect to the projected financial data relating to the Company and Parent referred to above (including the Synergies), we have assumed that they have been reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of the respective managements of the Company and Parent as to (i) the future financial performance of the companies under the assumptions reflected therein and (ii) the Synergies, including the amount and timing of the realization of such Synergies. We express no view as to any projected financial data relating to the Company or Parent, the Synergies or the assumptions on which they are based. We have relied, at your direction, without independent verification, upon the assessments of the management of the Company and the management of Parent as to the Synergies, including the amount and timing of the realization of such Synergies.

For purposes of rendering our opinion, we have assumed, in all respects material to our analysis, that the representations and warranties of each party contained in the Merger Agreement are true and correct, that the Merger will qualify as a tax free reorganization for United States federal income tax purposes, that each party will perform all of the covenants and agreements required to be performed by it under the Merger Agreement in all material respects and that all conditions to the consummation of the Merger will be satisfied without material waiver or modification thereof. We have further assumed that all governmental, regulatory or other consents, approvals or releases necessary for the consummation of the Merger will be obtained without any material delay, limitation, restriction or condition that would have an adverse effect on the Company or the consummation of the Merger or materially reduce the benefits of the Merger to the holders of the Company Common Stock. We have also assumed that the executed Merger Agreement will not differ in any material respect from the draft Merger Agreement dated December 2, 2016 reviewed by us.

We have not made nor assumed any responsibility for making any physical inspection, independent valuation or appraisal of the assets or liabilities of the Company or Parent, nor have we been furnished with any such inspection, valuation or appraisal, nor have we evaluated the solvency or fair value of the

Company or Parent under any state, federal or foreign laws relating to bankruptcy, insolvency or similar matters. Our opinion is necessarily based upon information made available to us as of the date hereof and financial, economic, market and other conditions as they exist and as can be evaluated on the date hereof. It is understood that subsequent developments may affect this opinion and that we do not have any obligation to update, revise or reaffirm this opinion.

We have not been asked to pass upon, and express no opinion with respect to, any matter other than the fairness, from a financial point of view, of the Exchange Ratio to the holders of the Company Common Stock, other than holders of Excluded Shares or Dissenting Shares. We do not express any view on, and our opinion does not address, the fairness of the Merger to, or any consideration received in connection therewith by, the holders of any other securities, creditors or other constituencies of the Company, nor as to the fairness of the amount or nature of any compensation to be paid or payable to any of the officers, directors or employees of the Company, or any class of such persons, whether relative to the Exchange Ratio or otherwise. We have assumed that any modification to the structure of the transaction will not vary our analysis in any material respect. Our opinion does not address the relative merits of the Merger as compared to other business or financial strategies that might be available to the Company, nor does it address the underlying business decision of the Company to engage in the Merger. This letter, and our opinion, does not constitute a recommendation to the Board of Directors of the Company or to any other persons in respect of the Merger, including as to how any holder of shares of Company Common Stock or Parent Stock should vote or act in respect of the Merger. We express no opinion herein as to the price at which shares of Company Common Stock or Parent Stock will trade at any time. We are not legal, regulatory, accounting or tax experts and have assumed the accuracy and completeness of assessments by the Company and its advisors with respect to legal, regulatory, accounting and tax matters.

We will receive a fee for our services following the execution and delivery of the Merger Agreement. We will be entitled to receive a success fee upon the consummation of the Merger. The Company has also agreed to indemnify us against certain liabilities arising out of our engagement. Prior to this engagement, Evercore Group L.L.C. and its affiliates provided financial advisory services to the Company and received fees for the rendering of these services including the reimbursement of expenses. During the two year period prior to the date hereof, no material relationship existed between Evercore Group L.L.C. and its affiliates and Parent pursuant to which compensation was received by Evercore Group L.L.C. or its affiliates as a result of such a relationship. We may provide financial or other services to Parent in the future and in connection with any such services we may receive compensation.

In the ordinary course of business, Evercore Group L.L.C. or its affiliates may actively trade the securities, or related derivative securities, or financial instruments of the Company, Parent and their respective affiliates, for its own account and for the accounts of its customers and, accordingly, may at any time hold a long or short position in such securities or instruments.

This letter, and the opinion expressed herein, is addressed to, and is for the use and benefit of, the Board of Directors of the Company in connection with its evaluation of the proposed Merger. The issuance of this opinion has been approved by an Opinion Committee of Evercore Group L.L.C.

This opinion may not be disclosed, quoted, referred or communicated (in whole or in part) to or by any third party for any purpose whatsoever except with our prior written approval, except the Company or Parent may reproduce this opinion in full in any document that is required to be filed with the U.S. Securities and Exchange Commission and required to be mailed by the Company or Parent to its stockholders relating to the Merger; provided, however, that all references to us or our opinion in any such document and the description or inclusion of our opinion therein shall be subject to our prior consent with respect to form and substance, which consent shall not be unreasonably withheld or delayed.

Board of Directors
Consolidated Communications Holdings, Inc.
121 South 17th Street
Mattoon, IL 61938

Members of the Board:

We understand that FairPoint Communications Inc. (the "Company"), Consolidated Communications Holdings, Inc. (the "Buyer") and Falcon Merger Sub, Inc., a wholly owned subsidiary of the Buyer ("Acquisition Sub"), propose to enter into an Agreement and Plan of Merger, substantially in the form of the draft dated December 3, 2016 (the "Merger Agreement"), which provides, among other things, for the merger of Acquisition Sub with and into the Company (the "Merger"). Pursuant to the Merger, the Company will become a wholly owned subsidiary of the Buyer, and each outstanding share of common stock, par value \$0.01 per share, of the Company (the "Company Common Stock"), other than shares held in treasury or held directly by the Company, any subsidiary of the Company, Acquisition Sub or the Buyer (other than shares in trust accounts, managed accounts and the like or shares held in satisfaction of a debt previously contracted) or as to which dissenters' rights have been perfected, will be converted into 0.7300 shares (the "Exchange Ratio") of common stock, par value \$0.01 per share, of the Buyer (the "Buyer Common Stock"), subject to adjustment in certain circumstances and cash in lieu of fractional shares. The terms and conditions of the Merger are more fully set forth in the Merger Agreement.

You have asked for our opinion as to whether the Exchange Ratio pursuant to the Merger Agreement is fair from a financial point of view to the Buyer.

For purposes of the opinion set forth herein, we have:

- 1) Reviewed certain publicly available financial statements and other business and financial information of the Company and the Buyer, respectively;
- 2) Reviewed certain internal financial statements and other financial and operating data concerning the Company and the Buyer, respectively;
- 3) Reviewed certain financial projections prepared by the managements of the Company and the Buyer, respectively;
- 4) Reviewed information relating to certain strategic, financial and operational benefits anticipated from the Merger, prepared by the managements of the Company and the Buyer, respectively;
- 5) Discussed the past and current operations and financial condition and the prospects of the Company, including information relating to certain strategic, financial and operational benefits anticipated from the Merger, with senior executives of the Company;

- 6) Discussed the past and current operations and financial condition and the prospects of the Buyer, including information relating to certain strategic, financial and operational benefits anticipated from the Merger, with senior executives of the Buyer;
- 7) Reviewed the pro forma impact of the Merger on the Buyer's cash flow, consolidated capitalization and certain financial ratios;
- 8) Reviewed the reported prices and trading activity for the Company Common Stock and the Buyer Common Stock;
- 9) Compared the financial performance of the Company and the Buyer and the prices and trading activity of the Company Common Stock and the Buyer Common Stock with that of certain other publicly-traded companies that we deemed to be comparable with the Company and the Buyer, respectively, and their securities;
- 10) Reviewed the financial terms, to the extent publicly available, of certain comparable acquisition transactions;
- 11) Participated in certain discussions and negotiations among representatives of the Company and the Buyer and their financial and legal advisors;
- 12) Reviewed the Merger Agreement, the draft commitment letter from certain lenders substantially in the form of the draft dated December 3, 2016 (the "Commitment Letter"), and certain related documents; and
- 13) Performed such other analyses, reviewed such other information and considered such other factors as we have deemed appropriate.

We have assumed and relied upon, without independent verification, the accuracy and completeness of the information that was publicly available or supplied or otherwise made available to us by the Company and the Buyer, and formed a substantial basis for this opinion. With respect to the financial projections, including information relating to certain strategic, financial and operational benefits anticipated from the Merger, we have assumed that they have been reasonably prepared on bases reflecting the best currently available estimates and judgments of the respective managements of the Company and the Buyer of the future financial performance of the Company and the Buyer. In addition, we have assumed that the Merger will be consummated in accordance with the terms set forth in the Merger Agreement without any waiver, amendment or delay of any terms or conditions, including, among other things, that the Merger will be treated as a tax-free reorganization, pursuant to the Internal Revenue Code of 1986, as amended, that the Buyer will obtain financing in accordance with the terms set forth in the Commitment Letter, and that the definitive Merger Agreement will not differ in any material respect from the draft thereof furnished to us. Morgan Stanley has assumed that in connection with the receipt of all the necessary governmental, regulatory or other approvals and consents required for the proposed Merger, no delays, limitations, conditions or restrictions will be imposed that would have a material adverse effect on the contemplated benefits expected to be derived in the proposed Merger. We have relied upon, without independent verification, the assessment by the managements of the Company and the Buyer of: (i) the strategic, financial and other benefits expected to result from the Merger; (ii) the timing and risks associated with the integration of the Company and the Buyer; (iii) their ability to retain key employees of the Company and the Buyer, respectively and (iv) the validity of, and risks associated with, the Company and the Buyer's existing and future technologies, intellectual property, products, services and business models. Our opinion does not address the relative merits of the Merger as compared to any other alternative business transaction, or other alternatives, or whether or not such alternatives could be achieved or are achievable. We are not legal, tax or regulatory advisors. We are financial advisors only and have relied upon, without independent verification, the assessments of the Buyer and the Company and their legal, tax, or regulatory advisors with respect to legal, tax, or regulatory matters. We express no opinion with respect

to the fairness of the amount or nature of the compensation to any of the officers, directors or employees of any of the parties to the Merger Agreement, or any class of such persons, relative to the Exchange Ratio. We have not made any independent valuation or appraisal of the assets or liabilities of the Company or the Buyer, nor have we been furnished with any such valuations or appraisals. Our opinion is necessarily based on financial, economic, market and other conditions as in effect on, and the information made available to us as of, the date hereof. Events occurring after the date hereof may affect this opinion and the assumptions used in preparing it, and we do not assume any obligation to update, revise or reaffirm this opinion.

We have acted as financial advisor to the Board of Directors of the Buyer in connection with the Merger and will receive a fee for our services, all of which is contingent upon the closing of the Merger. In addition, Morgan Stanley or one or more of its affiliates is providing to the Buyer a portion of the financing required in connection with the Merger, for which Morgan Stanley will receive additional fees from the Buyer. In the two years prior to the date hereof, we have provided financial advisory and financing services for the Buyer and have received fees in connection with such services. In addition, Morgan Stanley or an affiliate thereof currently is a lender to the Company and currently acts as administrative agent with respect to the Company's senior secured credit facilities and has received fees in connection with such services. Morgan Stanley may also seek to provide financial advisory and financing services to the Buyer and its affiliates in the future and would expect to receive fees for the rendering of these services.

Please note that Morgan Stanley is a global financial services firm engaged in the securities, investment management and individual wealth management businesses. Our securities business is engaged in securities underwriting, trading and brokerage activities, foreign exchange, commodities and derivatives trading, prime brokerage, as well as providing investment banking, financing and financial advisory services. Morgan Stanley, its affiliates, directors and officers may at any time invest on a principal basis or manage funds that invest, hold long or short positions, finance positions, and may trade or otherwise structure and effect transactions, for their own account or the accounts of its customers, in debt or equity securities or loans of the Buyer, the Company, or any other company, or any currency or commodity, that may be involved in the Merger, or any related derivative instrument.

This opinion has been approved by a committee of Morgan Stanley investment banking and other professionals in accordance with our customary practice. This opinion is for the information of the Board of Directors of the Buyer and may not be used for any other purpose or disclosed without our prior written consent, except that a copy of this opinion may be included in its entirety in any filing the Buyer is required to make with the U.S. Securities and Exchange Commission in connection with the Merger. This opinion does not in any manner address the prices at which the Buyer Common Stock will trade following consummation of the Merger or at any time and Morgan Stanley expresses no opinion or recommendation as to how the shareholders of the Buyer and the Company should vote at the shareholders' meetings to be held in connection with the Merger.

Based on and subject to the foregoing, we are of the opinion on the date hereof that the Exchange Ratio pursuant to the Merger Agreement is fair from a financial point of view to the Buyer.

Very truly yours,

Item 20. *Indemnification of Directors and Officers*

The registrant is incorporated under the laws of the State of Delaware. Section 145 ("Section 145") of the General Corporation Law of the State of Delaware, as the same exists or may hereafter be amended (the "DGCL"), provides that a Delaware corporation may indemnify any persons who were, are or are threatened to be made, parties to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was an officer, director, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his conduct was illegal. A Delaware corporation may indemnify any persons who are, were or are threatened to be made, a party to any threatened, pending or completed action or suit by or in the right of the corporation by reason of the fact that such person was a director, officer, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit, provided such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests, provided that no indemnification is permitted without judicial approval if the officer, director, employee or agent is adjudged to be liable to the corporation. Where an officer, director, employee or agent is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him against the expenses which such officer or director has actually and reasonably incurred.

Section 145 further authorizes a corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against any liability asserted against him and incurred by him in any such capacity, arising out of his status as such, whether or not the corporation would otherwise have the power to indemnify him under Section 145.

Section 102(b)(7) of the DGCL permits a corporation to include in its certificate of incorporation a provision eliminating or limiting the personal liability of a director of a corporation to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of a director (i) for any breach of the directors' duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL (relating to unlawful payment of dividends and unlawful stock purchase and redemption) or (iv) for any transaction from which the director derived an improper personal benefit.

The registrant's amended and restated certificate of incorporation provides that, to the fullest extent permitted by the DGCL and except as otherwise provided in the registrant's amended and restated bylaws, none of the registrant's directors will be liable to the registrant or its stockholders for monetary damages for a breach of fiduciary duty. In addition, the registrant's amended and restated certificate of incorporation permits indemnification of any person who was or is made, or threatened to be made, a party to any action, suit or other proceeding, whether criminal, civil, administrative or investigative, because of his or her status as a director or officer of the registrant, or service as a

director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise at the registrant's request to the fullest extent authorized under the DGCL against all expenses, liabilities and losses reasonably incurred by such person. Further, the registrant's amended and restated bylaws provide that such indemnification must be provided to directors and officers, and further provide that the registrant may purchase and maintain insurance on the registrant's own behalf and on behalf of any other person who is or was a director, officer or agent of the registrant or was serving at the registrant's request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise.

Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) The undersigned registrant hereby undertakes to deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Securities Exchange Act of 1934; and, where interim financial information required to be presented by Article 3 of Regulation S-X are not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.

(d) The undersigned registrant hereby undertakes as follows: That prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other Items of the applicable form.

(e) The registrant undertakes that every prospectus (i) that is filed pursuant to paragraph (d) immediately preceding, or (ii) that purports to meet the requirements of section 10(a)(3) of the Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(f) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(g) The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(h) The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.
