September [14], 2018

Dear Stockholder:

You are cordially invited to attend Array BioPharma Inc.'s Annual Meeting of Stockholders on October 25, 2018, at 1:00 p.m., Mountain Time, at 1825 33rd Street, Boulder, CO 80301.

The matters to be acted on at the Annual Meeting are described in the enclosed notice and Proxy Statement.

We realize that you may not be able to attend the Annual Meeting and vote your shares in person. However, regardless of your meeting attendance, we need your vote. We urge you to ensure that your shares are represented by voting in advance of the meeting on the Internet or via a toll-free telephone number, as instructed in the Notice of Internet Availability of Proxy Materials, or if you have elected to receive a paper or e-mail copy of the proxy materials, by completing, signing and returning the proxy card that is provided. If you decide to attend the Annual Meeting, you may revoke your proxy at that time and vote your shares in person.

Please remember that this is your opportunity to voice your opinion on matters affecting Array. We look forward to receiving your proxy and perhaps seeing you at the Annual Meeting.

Sincerely,

Ron Squarer  
Chief Executive Officer

**NOTICE OF ANNUAL MEETING OF STOCKHOLDERS**

**TO BE HELD ON OCTOBER 25, 2018**

---

You are cordially invited to attend the 2018 Annual Meeting of Stockholders of Array BioPharma Inc. to be held on October 25, 2018, at 1:00 p.m., Mountain Time, at 1825 33rd Street, Boulder, CO 80301, to consider and vote upon the following matters:

1. Election of two Class III directors to serve for a three-year term of office expiring at the 2021 Annual Meeting of Stockholders;
2. Amendment of our Amended and Restated Certificate of Incorporation to increase the authorized shares of common stock from 280,000,000 to 340,000,000;
3. Advisory vote to approve the compensation of our named executive officers as disclosed in the accompanying Proxy Statement;
4. Ratification of the appointment of KPMG LLP as our independent registered public accountants for the fiscal year ending June 30, 2019; and
5. Any other matter that properly comes before the Annual Meeting.

The foregoing items of business are more fully described in the Proxy Statement accompanying this Notice of Annual Meeting of Stockholders.

The Board of Directors has fixed the close of business on August 29, 2018 as the record date for the determination of stockholders entitled to notice of, and to vote at, this Annual Meeting and any continuation, postponement or adjournment thereof. Your vote is very important to Array and all proxies are being solicited by the Board of Directors. So, whether or not you plan on attending the 2018 Annual Meeting, we encourage you to submit your proxy as soon as possible (i) by accessing the Internet site or by calling the toll-free number described in the proxy materials; or (ii) by signing, dating and returning a proxy card or instruction form provided to you. By submitting your proxy promptly, you will save the Company the expense of further proxy solicitation. Please note that all votes cast by telephone or on the Internet must be cast prior to 11:59 p.m., Eastern Time, on October 24, 2018.

By Order of the Board of Directors,

Curtis Oltmans  
Secretary

**PRELIMINARY PROXY STATEMENT DATED AUGUST 27, 2018**

**SUBJECT TO COMPLETION**

---

**INFORMATION CONCERNING VOTING AND SOLICITATION**

**General**

This Proxy Statement is furnished to stockholders of Array BioPharma Inc., a Delaware corporation, or Array, in connection with the solicitation of proxies for use at the Annual Meeting of Stockholders of Array to be held on October 25, 2018, at 1:00 p.m., Mountain Time, at 1825 33rd Street, Boulder, CO 80301, for the purposes set forth in the Notice of Meeting. This solicitation of proxies is made on behalf of our Board of Directors.

**Important Notice Regarding the Availability of Proxy Materials for the Fiscal 2018 Stockholder Meeting to be Held on October 25, 2018**

Pursuant to the rules adopted by the Securities and Exchange Commission, or the SEC, we have elected to provide access to our proxy materials over the Internet. Accordingly, we are sending a Notice Regarding the Availability of Proxy Materials to certain of our stockholders of record. We are also sending a paper copy of the proxy materials and proxy card to other stockholders of record who have indicated they prefer receiving such materials in paper form. Brokers and other nominees who hold shares on behalf of beneficial owners will be sending their own similar Notice Regarding the Availability of Proxy Materials. We intend to commence mailing the Notice Regarding the Availability of Proxy Materials or paper copies of the Proxy Statement and proxy card, as applicable, on or about September [14], 2018 to all stockholders entitled to vote at the Annual Meeting.

Stockholders will have the ability to access the proxy materials on the website referred to in the Notice Regarding the Availability of Proxy Materials or may request to receive a paper copy of the proxy materials by mail or electronic copy by electronic mail on a one-time or ongoing basis. Instructions on how to request a printed copy by mail or electronically may be found on the Notice Regarding the Availability of Proxy Materials and on the website referred to in that notice.

The Notice of Internet Availability of Proxy Materials will also identify the date, the time and location of the Annual Meeting; the matters to be acted upon at the meeting and the Board of Directors' recommendation with regard to each matter; a toll-free telephone number, an e-mail address, and a website where stockholders can request to receive, free of charge, a paper or e-mail copy of the Proxy Statement, our Annual Report and a form of proxy relating to the Annual Meeting; information on how to access and vote the form of proxy; and information on how to obtain directions to attend the meeting and vote in person should stockholders choose to do so.

Table of Contents

**Our Fiscal Year**

Our fiscal year ends on June 30 of each year. In this Proxy Statement, when we refer to our fiscal year, we mean the twelve-month period ending June 30 of the stated year (for example, fiscal 2018 is July 1, 2017 through June 30, 2018).

**What Are You Voting On?**

You will be asked to vote on the following proposals at the 2018 Annual Meeting of Stockholders:

1. Election of two Class III directors to serve for a three-year term of office expiring at the 2021 Annual Meeting of Stockholders;
2. Amendment of our Amended and Restated Certificate of Incorporation to increase the authorized shares of common stock from 280,000,000 to 340,000,000;
3. Advisory vote to approve the compensation of our named executive officers as disclosed in the accompanying Proxy Statement;
4. Ratification of the appointment of KPMG LLP as our independent registered public accountants for the fiscal year ending June 30, 2019; and
5. Any other matter that properly comes before the Annual Meeting.

**Who Can Vote**

Only holders of record of shares of our common stock as of the close of business on the record date, August 29, 2018, are entitled to receive notice of, and to vote at, the Annual Meeting. The common stock constitutes the only class of securities entitled to vote at the Annual Meeting, and each share of common stock entitles the holder thereof to one vote. Your shares may be voted at the Annual Meeting, or any adjournments thereof only if you are present in person or your shares are represented by a valid proxy.

**Difference between a Stockholder of Record and a "Street Name" Holder**

If your shares are registered directly in your name, you are considered the stockholder of record with respect to those shares.

If your shares are held in a stock brokerage account or by a bank, trust or other nominee, then the broker, bank, trust or other nominee is considered to be the stockholder of record with respect to those shares. However, you are still considered to be the beneficial owner of those shares, and your shares are said to be held in "street name." Street name holders generally cannot submit a proxy or vote their shares directly and must instead instruct the broker, bank, trust or other nominee how to vote their shares using the methods described below under the heading "Voting Your Shares."

**Quorum**

At the close of business on August 29, 2018, there were [•] shares of our common stock outstanding and entitled to vote at the Annual Meeting. The presence of a majority of the outstanding shares of our common stock entitled to vote constitutes a quorum, which is required in

Table of Contents

order to hold and conduct business at the Annual Meeting. Your shares are counted as present at the Annual Meeting if you:

are present in person at the Annual Meeting; or

have properly submitted a proxy card by mail or submitted a proxy by telephone or over the Internet.

If you submit your proxy, regardless of whether you abstain from voting on one or more matters, your shares will be counted as present at the Annual Meeting for the purpose of determining a quorum. If your shares are held in "street name," your shares are counted as present for purposes of determining a quorum if your broker, bank, trust or other nominee submits a proxy covering your shares. Your broker, bank, trust or other nominee is entitled to submit a proxy covering your shares as to certain "routine" matters, even if you have not instructed your broker, bank, trust or other nominee on how to vote on those matters.

Please see "Broker Non-Votes" below.

**Voting Your Shares**

You may vote by attending the Annual Meeting and voting in person or you may vote by submitting a proxy. The method of voting by proxy differs (1) depending on whether you are viewing this Proxy Statement on the Internet or receiving a paper copy and (2) for shares held as a record holder and shares held in "street name."

If you hold your shares of common stock as a record holder and you are viewing this Proxy Statement on the Internet, you may vote by submitting a proxy over the Internet or by telephone by following the instructions on the website referred to in the Notice Regarding Availability of Proxy Materials previously mailed to you. You may request a paper copy of the Proxy Statement and proxy card by following the instructions on the website and in the Notice Regarding Availability of Proxy Materials provided to you.

If you hold your shares of common stock as a record holder and you are reviewing a paper copy of this Proxy Statement, you may vote your shares by submitting a proxy over the Internet or by telephone by following the instructions on the proxy card, or by completing, dating and signing the proxy card that was included with the Proxy Statement and promptly returning it in the pre-addressed, postage-paid envelope provided to you.

If you hold your shares of common stock in street name, you will receive a Notice Regarding Availability of Proxy Materials from your broker, bank, trust or other nominee that includes instructions on how to vote your shares. Your broker, bank, trust or other nominee will allow you to deliver your voting instructions over the Internet and may also permit you to submit your voting instructions by telephone or by completing, dating and signing the proxy card included with your proxy materials if you request a paper copy of them by following the instructions on the Notice Regarding Availability of Proxy Materials provided by your broker, bank, trust or other nominee.

**Deadline for Submitting Your Proxy on the Internet or by Telephone**

The Internet and telephone voting facilities will close at 11:59 P.M., Eastern Time, on October 24, 2018. Stockholders who submit a proxy through the Internet should be aware that they may incur costs to access the Internet, such as usage charges from telephone companies or Internet service providers and that these costs must be borne by the stockholder. Stockholders who submit a proxy

Table of Contents

by Internet or telephone need not return a proxy card or the form forwarded by your broker, bank, trust or other holder of record by mail.

YOUR VOTE IS VERY IMPORTANT. You should submit your proxy even if you plan to attend the Annual Meeting.

**Voting in Person**

If you plan to attend the Annual Meeting and wish to vote in person, you will be given a ballot at the Annual Meeting. Please note that if your shares are held of record by a broker, bank, trust or other nominee, and you decide to attend and vote at the Annual Meeting, your vote in person at the Annual Meeting will not be effective unless you present a legal proxy, issued in your name from the record holder, your broker, bank, trust or other nominee. Even if you intend to attend the Annual Meeting, we encourage you to submit your proxy to vote your shares in advance of the Annual Meeting. Please see the important instructions and requirements below regarding "Attendance at the Annual Meeting."

**Changing Your Vote**

As a stockholder of record, if you vote by proxy, you may revoke that proxy at any time before it is voted at the Annual Meeting. Stockholders of record may revoke a proxy prior to the Annual Meeting by (i) delivering a written notice of revocation to the attention of the Secretary of the Company at our principal executive office at 3200 Walnut Street, Boulder, Colorado 80301, (ii) duly submitting a later-dated proxy over the Internet, by mail, or if applicable, by telephone, or (iii) attending the Annual Meeting in person and voting in person. Attendance at the Annual Meeting will not, by itself, revoke a proxy.

If your shares are held in the name of a broker, bank, trust or other nominee, you may change your voting instructions by following the instructions of your broker, bank, trust or other nominee.

**If You Receive More Than One Proxy Card or Notice**

If you receive more than one proxy card or Notice Regarding Availability of Proxy Materials, it means you hold shares that are registered in more than one account. To ensure that all of your shares are voted, sign and return each proxy card or, if you submit a proxy by telephone or the Internet, submit one proxy for each proxy card or Notice Regarding Availability of Proxy Materials you receive.

**How Your Shares Will Be Voted**

Shares represented by proxies that are properly executed and returned, and not revoked, will be voted as specified. YOUR VOTE IS VERY IMPORTANT.

**If You Do Not Specify How You Want Your Shares Voted**

If you are the record holder of your shares and submit your proxy without specifying how your shares are to be voted, your shares will be voted as follows:

FOR the election of the two nominees for Class III director;

FOR the amendment of our Certificate of Incorporation;

FOR our named executive officers' compensation; and

Table of Contents

FOR the ratification of the appointment of KPMG LLP as our independent registered public accountants for the fiscal year ending June 30, 2019.

In addition, the proxy holders named in the proxy are authorized to vote in their discretion on any other matters that may properly come before the Annual Meeting and at any continuation, postponement or adjournment thereof. The Board of Directors knows of no other items of business that will be presented for consideration at the Annual Meeting other than those described in this Proxy Statement.

**Broker Non-Votes**

A "broker non-vote" occurs when a nominee holding shares for a beneficial owner has not received voting instructions from the beneficial owner and does not have discretionary authority to vote the shares. If you hold your shares in street name and do not provide voting instructions to your broker or other nominee, your shares will be considered to be broker non-votes and will not be voted on any proposal on which your broker or other nominee does not have discretionary authority to vote. Shares that constitute broker non-votes will be counted as present at the Annual Meeting for the purpose of determining a quorum, but will not be considered entitled to vote on the proposal in question. Brokers generally have discretionary authority to vote on the ratification of the selection of KPMG LLP as our independent registered public accountants. Brokers do not have discretionary authority, however, to vote on the election of directors to serve on our Board of Directors, the amendment to our Certificate of Incorporation or the advisory vote on our named executive officers' compensation.

**Votes Required and Effects of Broker Non-Votes and Abstentions**

The following table summarizes the voting requirements and the effects of broker non-votes and abstentions on each of the proposals to be voted on at the Annual Meeting:

Proposals	Required Vote	Effect of Broker	
		Non-Votes	Effect of Abstentions
1. Election of Directors	Majority of votes cast for each nominee	None	None
2. Amendment of our Certificate of Incorporation	Majority of the outstanding shares of common stock	Against	Against
3. Advisory Vote on our Named Executive Officers' Compensation	Majority of the shares present and entitled to vote	None	Against
4. Ratification of Independent Registered Public Accountants	Majority of the shares present and entitled to vote	Not applicable	Against

**Inspector of Election**

All votes will be tabulated by the inspector of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

Table of Contents

**Solicitation of Proxies**

We will bear the cost of soliciting proxies. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding shares of our common stock in their names that are beneficially owned by others to forward to those beneficial owners. We may reimburse persons representing beneficial owners for their costs of forwarding the solicitation materials to the beneficial owners. Original solicitation of proxies may be supplemented by telephone, facsimile, electronic mail or personal solicitation by our directors, officers or staff members. No additional compensation will be paid to our directors, officers or staff members for such services. We have engaged and paid for proxy solicitation services in the past and may do so again this year.

A list of stockholders entitled to vote at the Annual Meeting will be available for examination by any stockholder at the Annual Meeting and for 10 days prior to the Annual Meeting.

**Attendance at the Annual Meeting**

You must bring certain documents with you in order to be admitted to the Annual Meeting. The purpose of this requirement is to help us verify that you are actually a stockholder of the Company. Please read the following rules carefully, because they specify the documents that you must bring with you to the Annual Meeting in order to be admitted. The items that you must bring with you differ depending upon whether you were a record holder of the Company's common stock as of the close of business on August 29, 2018 or held your shares through a broker, bank, trust or other nominee.

A "record holder" of stock is someone whose shares of stock are registered in his or her name in the records of the Company's transfer agent. Many stockholders are not record holders because their shares of stock are registered in the name of their broker, bank, trust or other nominee, and the broker, bank, trust or other nominee is the record holder instead.

To be admitted to the Annual Meeting, all persons must bring his or her Notice Regarding Availability of Proxy Materials or proxy card AND a valid personal photo identification (such as a driver's license or passport).

If you are a record holder, at the Annual Meeting, we will check your name for verification purposes against our list of record holders as of the close of business on August 29, 2018.

If you hold your shares in the name of a broker, bank, trust or other nominee, then you must also bring to the Annual Meeting proof that you owned the shares of our common stock as of the close of business on August 29, 2018. Examples of proof of ownership include the following:

an original or a copy of the voting information from your bank or broker with your name on it;

a letter from your bank or broker stating that you owned shares of our common stock as of the close of business on August 29, 2018; or

a brokerage account statement indicating that you owned shares of our common stock as of the close of business on August 29, 2018.

If you are a proxy holder for an Array stockholder who owned shares of our common stock as of the close of business on August 29, 2018, then you must also bring to the Annual Meeting:

the executed proxy naming you as the proxy holder, signed by the stockholder who owned shares of our common stock as of the close of business on August 29, 2018 and a valid personal photo identification (such as a driver's license or passport).

Table of Contents**PROPOSAL 1 ELECTION OF DIRECTORS****Our Director Nominees**

<b>Name</b>	<b>Age</b>
Charles M. Baum, M.D., Ph.D.	60

Gwen A. Fyfe, M.D. 66

Our Board of Directors is composed of seven members divided into three classes having staggered three-year terms. At each Annual Meeting of Stockholders, the successors to the class of Directors whose terms expired are elected to serve three-year terms. The current term of the Class III directors will expire at the Annual Meeting. Charles M. Baum, M.D., Ph.D. and Gwen A. Fyfe, M.D. have each been nominated for re-election at the Annual Meeting as a Class III director to hold office until the 2021 Annual Meeting of Stockholders and until his or her successor is elected and qualified. The nominees have consented to serve a term as Class III directors. Should any of the nominees become unable to serve for any reason prior to the Annual Meeting, the Board of Directors may designate a substitute nominee, in which event the persons named in the enclosed proxy will vote for the election of such substitute nominee, or may reduce the number of directors on the Board of Directors.

**Class III Director Nominees for Election Term Expiring 2021**

Below is a biography of each of the directors standing for election at the Annual Meeting and a description of the specific experience, qualifications, attributes or skills of each nominee that led the Corporate Governance Committee to recommend that person as a nominee for director:

***Charles M. Baum, M.D., Ph.D.***

Dr. Baum, 60, has served as a member of our Board of Directors since April 2014. Dr. Baum has served as the President and Chief Executive Officer of Mirati Therapeutics since 2012. Prior to joining Mirati, Dr. Baum had worked at Pfizer since 2003, most recently as the Senior Vice President for Clinical Research within Pfizer's Worldwide Research & Development division. At Pfizer, Dr. Baum held roles of increasing responsibility, including Vice President and Head of Oncology Development and Chief Medical Officer for Pfizer's Biotherapeutics and Bioinnovation Center, a Pfizer division comprised of small biotech research units. During his tenure at Pfizer he was responsible for the development of the company's oncology portfolio, including the tyrosine kinase inhibitors Sutent® (sunitinib), Inlyta® (axitinib) and Xalkori® (crizotinib). Prior to joining Pfizer, Dr. Baum was responsible for the Phase I-IV development of several oncology compounds at Schering-Plough, including Temodar® (temozolomide). Dr. Baum has been a member of the board of directors of Mirati since 2012.

Dr. Baum contributes important industry and executive-level experience to the Board. In particular, the Board of Directors believes Dr. Baum's experience with later stage drug development in the field of oncology and his general industry knowledge enable him to provide important strategic insights and advice to the Company as its products advance in development.

***Gwen A. Fyfe, M.D.***

Dr. Fyfe, 66, has served as a member of our Board of Directors since January 2012. From 1997 to 2009, Dr. Fyfe held various positions with Genentech Inc. (now a member of the Roche Group),

Table of Contents

including Vice President, Oncology Development; Vice President, Avastin® Franchise Team; as well as the honorary title of Senior Staff Scientist. Dr. Fyfe played an important role in the development of Genentech's approved oncology agents including Rituxan®, Herceptin®, Avastin® and Tarceva®. Dr. Fyfe sat on the development oversight committee for all of Genentech's products and participated in the Research Review Committee that moved products from research into clinical development. Since leaving Genentech in 2009, Dr. Fyfe has been a consultant for venture capital firms and for a variety of biotechnology companies. From 2016 to 2018, Dr. Fyfe served on the board of Cascadian Therapeutics, Inc. Dr. Fyfe serves as a director of Molecular Partners AG, a Swiss publicly-traded company. Dr. Fyfe is a recognized oncology expert in the broader oncology community and has been an invited member of Institute of Medicine panels, National Cancer Institute working groups and grant committees and American Society of Clinical Oncologists oversight committees.

Dr. Fyfe brings to the Board of Directors extensive industry experience in the late-stage development and regulatory approval process for novel oncology therapeutics. As we evolve our business to a late-stage development and commercial stage company focused on oncology, the Board of Directors believes that Dr. Fyfe brings significant industry and strategic insights to the Board and the Company.

**Required Vote**

The election of directors will be approved by the affirmative vote of a majority of the votes cast in such nominee's election. Shares represented by proxies cannot be voted for more than the two nominees for director.

Under the Board's Director Resignation Policy, any incumbent director who fails to receive a majority of votes cast in an uncontested election must tender his or her resignation to the Board. The Corporate Governance Committee will make a recommendation to the Board about whether to accept or reject the resignation or take other action. The Board will act on the Corporate Governance Committee's recommendation and publicly disclose its decision and rationale within 90 days from the date the election results are certified.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE IN FAVOR OF THE ABOVE NOMINEES FOR ELECTION AS CLASS III DIRECTORS TO THE BOARD.**

Table of Contents

**Class I Directors Continuing in Office Term Expiring 2019**

Below are biographies of the directors continuing in office whose terms will expire at the 2019 Annual Meeting:

***Carrie S. Cox***

Ms. Cox, 60, has served as the Chair of our Board of Directors since August 2018. Ms. Cox is Executive Chairman and former Chairman and Chief Executive Officer of Humacyte, Inc. She joined Humacyte in 2010 and previously served as Chairman of Prism Pharmaceuticals, sold to Baxter Corporation in 2011, and as Executive Vice President and President, Global Pharmaceuticals, at Schering-Plough Corporation from 2003 until its merger with Merck & Co., Inc. in November 2009, where she was responsible for the company's global prescription pharmaceutical business. Ms. Cox held a similar role as President, Global Prescription Business at Pharmacia Corporation, as well as Senior Vice President of Global Business Management at Pharmacia & Upjohn (the predecessor company to Pharmacia) and Vice President of Women's Healthcare at Wyeth-Ayerst. Ms. Cox spent her early career at Sandoz Pharmaceuticals (now Novartis) in a variety of commercial roles of increasing responsibility. She currently serves on the board of directors of Humacyte, Texas Instruments (where she has served as lead director), Cardinal Health, Celgene and Electrocore. Ms. Cox intends to step down from the Humacyte board by the end of 2018.

Ms. Cox has extensive executive level experience that she obtained at both large and small pharmaceutical and biopharma companies. She has significant experience with all aspects of commercial operations. This experience will enable Ms. Cox to provide strategic guidance for the late-stage development programs and commercialization.

***John A. Orwin***

Mr. Orwin, 53, has served as a member of our Board of Directors since November 2012. Mr. Orwin is President and Chief Executive Officer of Atreca, Inc., a private, early stage oncology research and development company. Prior to joining Atreca, Mr. Orwin was Chief Executive Officer of Relypsa, Inc. from June 2013 through June 2016, when he stepped down as Chief Executive Officer following the acquisition of Relypsa by Vifor Pharma. From February 2011 to May 2013, Mr. Orwin served as Chief Executive Officer of Affymax, Inc., which he joined in April 2010 as President and Chief Operating Officer. From January 2005 to April 2010, Mr. Orwin served at Genentech, where he was Senior Vice President, BioOncology Business Unit from 2007 to 2010. From 2001 to 2004, Mr. Orwin served in various executive level positions at Johnson & Johnson. Prior to that, Mr. Orwin was Senior Director, Oncology Marketing at ALZA Pharmaceuticals (acquired by Johnson & Johnson); Vice President, Marketing at Sangstat Medical Corporation; Marketing Director, Asthma at Rhone-Poulenc Rorer Pharmaceuticals and Product Manager, Schering Oncology/Biotech at Schering-Plough Corporation. Mr. Orwin serves on the board of directors of Seattle Genetics, Inc. and Retrophin, Inc.

Mr. Orwin brings to the Board of Directors executive-level experience at publicly-held and private biotechnology and large pharmaceutical companies, including significant experience in commercial launch and sales support. This experience allows Mr. Orwin to provide important strategic guidance to the Company as it advances its programs to late-stage development and toward commercialization.

***Gil J. Van Lunsen***

Mr. Van Lunsen, 76, has served as a member of our Board of Directors since October 2002. Prior to his retirement in June 2000, Mr. Van Lunsen was an Office Managing Partner of KPMG LLP and led the

Table of Contents

firm's Tulsa, Oklahoma office. During his 33-year career, Mr. Van Lunsen held various positions of increasing responsibility within KPMG and was elected to the partnership in 1977. Additionally, Mr. Van Lunsen is currently the Audit Committee Chairman and a member of the Governance Committee and Compensation Committee at MACOM Technology Solutions, Inc. in Lowell, Massachusetts.

Mr. Van Lunsen has extensive experience with complex financial and accounting issues and, as a former partner of KPMG LLP, as well as chairman of the audit committees of other public companies, provides valuable leadership and insights to the Board of Directors on financial as well as governance matters. During his tenure on our Board of Directors and the Audit Committee, Mr. Van Lunsen has also developed an intimate knowledge of critical operational and financial issues facing our Company and our industry.

**Class II Directors Continuing in Office Term Expiring 2020**

Below are biographies of the directors continuing in office whose terms will expire at the 2020 Annual Meeting:

***Kyle A. Lefkoff***

Mr. Lefkoff, 59, is a director who served as the Chairman of our Board of Directors from May 1998 through August 2018. Since 1995, Mr. Lefkoff has been a General Partner of Boulder Ventures, Ltd, a venture capital firm and a founding investor in our Company. From 1986 until 1995, Mr. Lefkoff was employed by Colorado Venture Management, a venture capital firm. Mr. Lefkoff serves on the board of directors for a number of private companies, including CommercialTribe, Inc., ArcherDX, Inc. and Black Bear Energy, Inc. From 2007 to 2017, Mr. Lefkoff was a director at miRagen Therapeutics.

Mr. Lefkoff's career as a venture capitalist and investor in a number of biotechnology companies and his extensive knowledge of our industry provide important strategic insights to the Board of Directors. As a founding investor in Array and member of our Board of Directors since inception, Mr. Lefkoff has a deep understanding of the operational and financial issues affecting our Company. Mr. Lefkoff also brings strong leadership skills to our Board of Directors and serves as a critical link between management and our Board of Directors.

***Shalini Sharp***

Ms. Sharp, 43, has served as Executive Vice President and Chief Financial Officer of Ultragenyx Pharmaceutical, Inc., a publicly-traded biopharmaceutical company focused on rare diseases, since 2012, where she is responsible for leading the corporate finance, strategy, and information technology functions and is a member of the company's executive leadership team. Ms. Sharp was a member of the board of directors of Agenus Inc. (formerly Antigenics Inc.), a publicly-traded immuno-oncology company, from 2012 through June 2018. She served as Chief Financial Officer of Agenus from 2006 to 2012. She joined Agenus in 2003 and held increasing roles of responsibility spanning strategic planning, corporate development, investor relations, corporate finance and business development. She is also a member of the board of directors of the TB Alliance, a non-profit organization dedicated to the development and distribution of treatments for tuberculosis in the developing world. Prior to Agenus, Ms. Sharp held similar roles at Elan Pharmaceuticals from 1998 to 2003, including serving as chief of staff to the Chairman of the board of directors during that company's restructuring. She has spearheaded numerous financing and business development transactions that were critical to the success of Agenus and Elan. Ms. Sharp was also a management consultant at McKinsey & Company as well as an investment banker at Goldman Sachs, specializing in pharmaceuticals and medical devices.

Table of Contents

As a Chief Financial Officer of a biopharmaceutical company, Ms. Sharp brings significant public-company financial and accounting expertise to the Board and the Audit Committee. In her many years in the biopharmaceutical industry, Ms. Sharp has also developed a deep expertise in critical strategic, business development and financial issues facing companies like Array.

***Ron Squarer***

Mr. Squarer, 51, has served as our Chief Executive Officer and a member of our Board of Directors since April 2012. Prior to Array, Mr. Squarer served as Senior Vice President, Chief Commercial Officer at Hospira, Inc., a global pharmaceutical and medical device company, from February 2010 to April 2012, where he was responsible for delivering \$4 billion in annual revenue and leading more than 2,000 employees worldwide. From 2009 to 2010, Mr. Squarer was responsible for strategy, new product development and commercialization, acquisitions, partnerships and portfolio prioritization as Senior Vice President, Global Marketing and Corporate Development and held a similar role focused on Strategy and Business Development from 2007 to 2008. Mr. Squarer joined Hospira from Mayne Pharma, an Australia-based specialty injectable pharmaceutical company, where he served as Senior Vice President, Global Corporate and Business Development from 2006 to 2007, when Mayne was sold to Hospira for \$2 billion in 2007. Prior to 2007, Mr. Squarer held senior management roles at both Pfizer Inc., focused on global oncology commercial development, and at SmithKline Beecham Pharmaceuticals (now GlaxoSmithKline) in the U.S. and Europe. Mr. Squarer also serves on the board of directors of Retrophin, Inc.

Mr. Squarer has extensive commercial, development and executive leadership expertise from a 20-year career in the pharmaceutical industry. Mr. Squarer brings substantial experience in late-stage drug development and commercialization, as well as important strategic insights to the Board as our portfolio of wholly-owned and partnered programs approach late-stage development. During his career, Mr. Squarer has also acquired an extensive knowledge of our industry and the markets in which we operate and brings important management perspective to the oversight function of the Board of Directors.

**Meetings of the Board of Directors and Committees of the Board of Directors**

Our Board of Directors held seven meetings during the fiscal year ended June 30, 2018. Each incumbent director serving during fiscal year 2018 attended at least 75% of the aggregate of all meetings of the Board of Directors and all meetings of committees of which such director was a member.

**Director Independence**

The Board of Directors has determined that Dr. Baum, Ms. Cox, Dr. Fyfe, Mr. Lefkoff, Mr. Orwin, Ms. Sharp and Mr. Van Lunsen are independent as defined by applicable rules of the Nasdaq Stock Market.

**Board Leadership Structure and Role in Risk Oversight**

We currently and have historically had an independent Chairman of the Board separate from our Chief Executive Officer ("CEO"). Our Corporate Governance Guidelines provide that the role of Chairman and CEO may be separate or, if the Board of Directors determines, combined. If the CEO serves as Chairman, the Board of Directors will select one of the independent directors to act as a lead director to coordinate the other independent directors and to chair the executive sessions of independent directors. If these offices are separated, the Chairman will act as the lead director and the Chief Executive Officer

will be responsible to the Board of Directors for the overall management and functioning of the Company. The Board of Directors believes that having flexibility in determining whether to separate the roles of Chairman and CEO from time to time is in the best interest of our Company and our stockholders by allowing the Board to take into account the varying needs of the Company and the structure and composition of the Board of Directors at any particular time.

Our management is responsible for identifying risks facing our Company, including strategic, financial, operational and regulatory risks, implementing risk management policies and procedures and managing our day to day risk exposure. Although we do not have a formal risk oversight policy, the Board of Directors through the Audit Committee discusses with management our significant financial risk exposures and monitors the adequacy of our risk assessment and risk management policies. Audit Committee meetings include discussions of specific risk areas throughout the year, including, among others, those relating to cybersecurity. Management provides to the Audit Committee an overview of the Company's cybersecurity risks and countermeasures, and cybersecurity forms a part of the Company's enterprise risk profile considered by the Audit Committee. The Compensation Committee addresses risks related to compensation and other talent-related matters and the Clinical Development Committee addresses risks related to the Company's clinical development programs and strategies. In addition, the Board of Directors is regularly presented with information at its regularly scheduled and special meetings regarding risks facing our Company, and management provides more frequent, informal communications to the Board between regularly scheduled meetings which are designed to give the Board of Directors regular updates about our business. The Board of Directors considers this information and provides feedback, makes recommendations, and, as appropriate, authorizes or directs management to address particular exposures to risk.

Our Board of Directors has established four standing committees: an Audit Committee, a Compensation Committee, a Corporate Governance Committee and a Clinical Development Committee. Each of the standing committees has adopted a written charter, which is available on the Investor Relations portion of our website at [www.arraybiopharma.com](http://www.arraybiopharma.com). The Corporate Governance Guidelines adopted by the Board of Directors are also available on our website.

Table of Contents

**Audit Committee**

The Audit Committee is responsible for (1) retaining, overseeing and approving the fees of our independent public accountants, (2) reviewing audit plans and results with our independent public accountants, (3) reviewing the independence of the independent public accountants, (4) pre-approving all audit and non-audit fees, and (5) reviewing our internal accounting controls and discussing the adequacy of those controls with our CEO and Chief Financial Officer ("CFO"). The Audit Committee is also responsible for reviewing and approving transactions in which Array participates and in which related parties have a direct or indirect material interest and for overseeing the Company's legal compliance, risk management and ethics programs. The Audit Committee held four meetings during the fiscal year ended June 30, 2018. The current members of the Audit Committee are Mr. Van Lunsen (chair), Ms. Cox, Mr. Lefkoff and Ms. Sharp. The Board of Directors has determined that all members of the Audit Committee during fiscal 2018 meet the independence standards for audit committee members under applicable rules of the SEC and the Nasdaq Stock Market. The Board of Directors has also determined that Mr. Van Lunsen, Mr. Lefkoff and Ms. Sharp qualify as "audit committee financial experts" as defined by applicable rules of the SEC. The report of the Audit Committee is included elsewhere in this Proxy Statement.

**Compensation Committee**

The Compensation Committee is responsible for determining executive officers' compensation, evaluating the performance of the CEO and administering the Amended and Restated Array BioPharma Inc. Stock Option and Incentive Plan, the Array BioPharma Inc. Amended and Restated Employee Stock Purchase Plan and our Deferred Compensation Plan. The Compensation Committee has authority to retain compensation consultants to advise it on compensation matters and is directly responsible for the appointment, compensation and oversight of any such compensation consultants. The Compensation Committee held four meetings during the fiscal year ended June 30, 2018. The current members of the Compensation Committee are Mr. Orwin (chair), Mr. Lefkoff and Ms. Sharp. The Board of Directors has determined that all members of our Compensation Committee during fiscal 2018 are independent as defined by applicable rules of the Nasdaq Stock Market. The report of the Compensation Committee is included elsewhere in this Proxy Statement.

**Corporate Governance Committee**

The Corporate Governance Committee is responsible for the implementation of Array's Corporate Governance Guidelines and the evaluation and recommendation to the Board of Directors of candidates for election to the Board. The Committee also recommends policies and standards for evaluating the overall effectiveness of the Board of Directors in the governance of Array and such other activities as the Board of Directors may delegate to it from time to time. The Corporate Governance Committee will consider director nominations from our stockholders. See the sections below entitled "Stockholder Proposals for 2019 Annual Meeting" and "Stockholder Nominations to the Board of Directors" for information on submitting director nominations and other proposals for annual stockholder meetings. The Corporate Governance Committee held six meetings during the fiscal year ended June 30, 2018. The current members of the Corporate Governance Committee are Dr. Baum (chair), Ms. Cox, Dr. Fyfe and Mr. Van Lunsen. The Board of Directors has determined that all Corporate Governance Committee members during fiscal 2018 are independent as defined by applicable rules of the Nasdaq Stock Market.

Carrie S. Cox, who joined the Board on August 9, 2018, was recommended to the Board of Directors by an external search firm.

**Clinical Development Committee**

The Clinical Development Committee was established for the purpose of assisting the Board in overseeing the Company's clinical development activities and decisions and to provide advice to the Company's management and the Board relating to the allocation, deployment, utilization of and investment in the Company's development assets. The Clinical Development Committee periodically reviews the Company's clinical development programs and initiatives from a scientific perspective and provides feedback and strategic advice to management concerning those programs and initiatives. The Clinical Development Committee held four meetings during fiscal 2018. The current members of the Clinical Development Committee are Dr. Fyfe (chair), Dr. Baum and Mr. Orwin. The Board of Directors has determined that all Clinical Development Committee members are independent as defined by applicable rules of the Nasdaq Stock Market.

**Stockholder Communications with the Board of Directors**

Stockholders and other interested parties may communicate with members of the Board of Directors by e-mail at [BoardofDirectors@arraybiopharma.com](mailto:BoardofDirectors@arraybiopharma.com) or by writing to them at the following address:

Array BioPharma Board of Directors  
c/o Array BioPharma Inc.  
3200 Walnut Street  
Boulder, CO 80301

Our General Counsel will receive all communications addressed to the Board of Directors and, after copying them for the Company's files, will forward each communication (by United States mail or other reasonable means determined by the General Counsel) to the director or directors to whom the communication is addressed.

Our General Counsel is not required to forward any communication determined in good faith to be frivolous, hostile, threatening, illegal or similarly unsuitable or to be unrelated to the duties and responsibilities of the Board. The General Counsel will retain copies of such communications in the Company's files and make them available to any member of the Board of Directors at their request.

Any communication subject to this policy that is addressed to the Chairman of the Audit Committee, the non-management members of the Board of Directors as a group or the independent members of the Board of Directors as a group will be shared with management only upon the instruction of the Chairman of the Audit Committee. All other communications will be shared with management at the time they are forwarded to the Board of Directors.

**Director Attendance at Annual Meetings**

All directors are strongly encouraged to attend each of our annual stockholder meetings, unless a director is not standing for reelection and his or her term is to expire at that meeting. All of our directors attended our 2017 Annual Meeting.

**PROPOSAL 2 AMENDMENT OF OUR CERTIFICATE OF INCORPORATION**

Our Board of Directors has declared advisable and adopted, subject to stockholder approval, an amendment to Section 4.1 of our Certificate of Incorporation to increase the number of shares of common stock authorized for issuance from 280,000,000 to 340,000,000.

The text of the proposed amendment is set forth in *Appendix A* to this Proxy Statement and is incorporated by reference herein.

**Purpose and Effect of the Amendment**

The number of shares of the Company's authorized common stock was last increased in 2015, when stockholders approved an amendment to the Certificate of Incorporation to increase the authorized common stock from 220,000,000 to 280,000,000. On August 22, 2018, we had 212,552,462 shares of common stock issued and outstanding, 15,948,362 shares issuable pursuant to outstanding equity awards, 36,289,596 shares reserved for future grants under the Amended and Restated Array BioPharma Inc. Stock Option and Incentive Plan, subject to total authorized share capital, and 900,158 shares reserved for future issuance under the Array BioPharma Inc. Amended and Restated Employee Stock Purchase Plan.

Our Board believes that the proposed increase of authorized shares of common stock is desirable so that, as the need may arise, we will have the flexibility to issue shares of common stock without additional expense or delay in connection with possible future equity financings, future opportunities for expanding our business through investments or acquisitions, management incentive and employee benefit plans, stock dividends or stock splits and for other general corporate purposes. We do not have any current plans to take any action to issue the additional authorized shares for any such purposes. If our stockholders do not approve this proposal, we believe that we may be substantially limited in our ability to advance our operational and future strategic plans.

The additional shares of common stock will not be entitled to preemptive rights nor will existing stockholders have any preemptive right to acquire any of those shares when issued. The Company's issuance of shares of common stock, including the additional shares that will be authorized if the amendment is adopted, may dilute the equity ownership position of current holders of common stock and may be made without stockholder approval, unless otherwise required by applicable laws or Nasdaq regulations.

If the amendment to the Certificate of Incorporation is approved by the stockholders, we will promptly file a Certificate of Amendment with the Delaware Secretary of State reflecting the increase in authorized shares. The amendment will become effective on the date the Certificate of Amendment is accepted for filing by the Delaware Secretary of State.

**Required Vote**

The approval of the amendment to our Certificate of Incorporation requires the affirmative vote of a majority of the outstanding shares of common stock.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE IN FAVOR OF PROPOSAL 2 TO AMEND THE CERTIFICATE OF INCORPORATION TO INCREASE THE AUTHORIZED SHARES OF COMMON STOCK.**

**PROPOSAL 3 ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION**

The advisory vote on our named executive officers' compensation gives stockholders the opportunity to indicate whether they approve the compensation of our named executive officers as disclosed in this Proxy Statement. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this Proxy Statement. At the Annual Meeting of Stockholders held in October 2011, our stockholders indicated their preference that the advisory vote on named executive officer compensation be held on an annual basis and our stockholders reaffirmed that preference at the Annual Meeting of Stockholders held in October 2017. We intend to continue to seek an advisory vote on named executive officer compensation annually.

The compensation of our named executive officers subject to the vote is disclosed in the Compensation Discussion and Analysis, the compensation tables and the related narrative disclosure contained in this Proxy Statement. As discussed in those disclosures, we believe that our compensation policies and decisions are designed to attract, retain and motivate talented executives capable of providing the leadership, vision and execution necessary to achieve our business objectives and create long-term stockholder value. We seek to create a pay-for-performance environment that aligns the interests of our executive officers with the creation of stockholder value. The Compensation Committee also seeks to provide industry-competitive compensation to attract and retain employees with the skills and expertise needed to manage an increasingly complex business and to reward actions and outcomes that are consistent with decision-making that is in the short- and long-term best interests of the Company and do not encourage excessive risk taking.

The primary components of our executive compensation program include the following:

**Salary:** Base salary is the primary fixed component of our executive compensation program. Because base salary is a key reference point for individuals considering a change in employment, we must offer industry competitive salaries to attract and retain talented management. Salaries are generally set within a range of salaries paid to industry peers and reflect variations for individuals based on professional and industry experience, levels of responsibility and competition for talent in certain areas.

**Performance Bonus Program:** Our performance-based bonus program allows our executives and other employees to earn an annual bonus based on achievement of Company performance goals and objectives established at the outset of each fiscal year. The performance goals consist of financial goals, discovery research goals, development goals relating to our proprietary programs and commercial goals. The same goals apply Company-wide to all employees. The program is designed to strengthen the connection between individual performance and Company success and to reinforce a pay-for-performance philosophy. Our performance bonus program is also intended to ensure that total compensation of our employees, including our executives, is competitive within our industry.

**Equity Compensation:** We provide equity compensation to our executives and other employees in the form of stock options and restricted stock units that vest generally over a four-year period or upon achievement of performance conditions. Our equity compensation is designed to encourage retention because the recipient must remain employed to receive the award and to align the interests of our executives and other employees with those of our stockholders by creating an incentive to maximize stockholder value.

Table of Contents

**Payments Upon Termination or Change in Control:** We have entered into employment agreements with all of our executive officers. These agreements provide for severance compensation to be paid if the executives are terminated under certain conditions, such as in connection with a change-in-control of Array, and for the acceleration of vesting of all or a portion of outstanding equity awards upon a change in control. The severance and change in control benefits are common among our peer group, and the Compensation Committee believes that providing mutually-agreed to severance arrangements provides us with more flexibility to make a change in management if it is in the best interest of our stockholders. In addition, payments upon a change in control promote the ability of our executives to act in the best interests of our stockholders even though they may be terminated as a result of a transaction.

We urge you to read the more detailed discussion of executive compensation below contained in the section entitled "Compensation Discussion and Analysis" and in the tables and narrative discussion that follow.

Because the vote is advisory, it is not binding on the Board of Directors or Array. Nevertheless, the views expressed by the stockholders, whether through this vote or otherwise, are important to management and the Board and, accordingly, the Board and the Compensation Committee intend to consider the results of this vote in making determinations in the future regarding executive compensation arrangements.

The Board is asking the stockholders to indicate their support for the compensation of our named executive officers as described in this Proxy Statement by casting a non-binding advisory vote "FOR" the following resolution:

"RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion is hereby APPROVED."

**Required Vote**

Advisory approval of this proposal requires the vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE IN FAVOR OF OUR NAMED EXECUTIVE OFFICERS' COMPENSATION.**

**PROPOSAL 4 RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS**

The Audit Committee is responsible for the appointment, compensation, retention and oversight of the Company's independent auditors. In connection with this responsibility, the Audit Committee evaluates and monitors the auditors' qualifications, performance and independence. This responsibility includes a review and evaluation of the independent auditors. The Audit Committee approves all audit engagement fees and terms associated with the retention of the independent auditors.

As a matter of good corporate governance, the Board is asking stockholders to ratify the Audit Committee's selection of KPMG LLP as our independent registered public accountants for the fiscal year ending June 30, 2019. KPMG LLP has served as our independent registered public accountants since October 2004. The Audit Committee and the Board of Directors believe that the continued retention of KPMG LLP as our independent auditors is in the best interests of the Company. The Audit Committee carefully considered the selection of KPMG LLP as our independent auditors. In connection with this selection, the Audit Committee considered whether there should be a rotation of the independent audit firm. The Audit Committee charter requires the Audit Committee to consider whether the independent audit firm should be replaced. In addition to evaluating rotation of the independent auditors, the Audit Committee oversees the selection of the new lead audit partner and the Audit Committee chair participates directly in the selection of the new lead audit partner.

If the stockholders do not ratify the selection, the Audit Committee will reconsider its selection. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of Array and our stockholders.

Representatives from KPMG LLP are expected to be present at the Annual Meeting and will have an opportunity to make a statement at the Annual Meeting if they desire to do so and are expected to be available to respond to appropriate questions at the Annual Meeting.

**Required Vote**

The approval by the affirmative vote of the holders of a majority of the shares of common stock present or represented by proxy and entitled to vote at the Annual Meeting is required to ratify the selection of KPMG LLP.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE IN FAVOR OF THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR THE FISCAL YEAR ENDING JUNE 30, 2019.**

Table of Contents**AUDIT COMMITTEE REPORT**

The Audit Committee reviewed and discussed the audited consolidated financial statements for the fiscal year ended June 30, 2018, with our management and with our independent registered public accountants, KPMG LLP. In addition, the Audit Committee discussed with KPMG LLP the matters required to be discussed by the Public Company Accounting Oversight Board Auditing Standard No. 1301, Communications with Audit Committees, relating to the conduct of the audit. The Audit Committee also discussed with KPMG LLP the written disclosures and the independence letter from KPMG LLP required by the applicable requirements of the Public Company Accounting Oversight Board.

Based on the Audit Committee's review of the audited consolidated financial statements and the review and discussions described in the preceding paragraph, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements for the fiscal year ended June 30, 2018 be included in the Annual Report on Form 10-K for the fiscal year ended June 30, 2018, for filing with the SEC.

*The above Audit Committee Report is not soliciting material, is not deemed filed with the SEC and is not incorporated by reference in any of our filings under the Securities Act of 1933 or the Securities Exchange Act of 1934, as amended, whether made before or after the date of this Proxy Statement and irrespective of any general incorporation language in any such filings.*

**Fees Billed by the Principal Accountant**

We were billed the following fees by our independent registered public accountants for the fiscal years ended June 30, 2018 and 2017:

	<b>Year Ended June 30,</b>	
	<b>2018</b>	<b>2017</b>
Audit Fees (1)	\$ 775,875	\$ 742,580
Audit-Related Fees (2)		7,265
Tax Fees (3)		
All Other Fees (4)		

- (1) Audit fees consist of fees for services necessary to perform the audit of our consolidated financial statements for fiscal 2018 and 2017 and review of documents filed with the SEC.
- (2) Audit-related fees consist of fees for assurance and related services reasonably related to the performance of the audit or review.
- (3) Tax fees consist of fees for tax compliance, tax advice and tax planning services.

Table of Contents

- (4) All other fees include the aggregate of the fees billed in each of the last two fiscal years for products and services provided by the principal accountant other than the products and services disclosed as Audit Fees, Audit-Related Fees and Tax Fees.

**Pre-Approval of Services**

The Audit Committee pre-approves all audit and non-audit services rendered by our independent auditor. The Audit Committee has not adopted a formal written policy or procedures for the pre-approval of audit and non-audit services rendered by our independent auditor. The Audit Committee generally pre-approves specified services in the defined categories of audit services, audit-related services, and tax services up to specified amounts. Pre-approval may also be given as part of the Audit Committee's approval of the scope of the engagement of the independent auditor or on an individual explicit case-by-case basis before the independent auditor is engaged to provide each service. The Audit Committee approved all of the fees in the table above.

Please see "PROPOSAL 1 ELECTION OF DIRECTORS" above for the biography of Mr. Squarer.

**Jason Haddock**

Mr. Haddock joined Array as our Chief Financial Officer in July 2016. From November 2001 to January 2015, Mr. Haddock held leadership positions of increasing responsibility at Bristol-Myers Squibb, in a variety of accounting, planning, commercial, analytical and business development capacities for high-growth business units, including Head of Finance for the Worldwide Commercialization and Medical divisions. Mr. Haddock has served as CFO and COO for high-growth business units in Asia Pacific, Europe and the United States. Prior to Array, he served as CFO and COO at BERG Health, a privately held Boston biopharmaceutical company from June 2015 to July 2016.

**Victor Sandor, M.D.**

Dr. Sandor has served as our Chief Medical Officer since September 2014. Prior to joining Array, Dr. Sandor was Senior Vice President for Global Clinical Development at Incyte Corporation, a position he held beginning May 2014 after first joining Incyte in February 2010 as its Vice President, Global Oncology Drug Development. Prior to joining Incyte, Dr. Sandor was Vice President and Chief Medical Officer for oncology at Biogen Idec from November 2009 to February 2010. He previously held positions of increasing responsibility in oncology product development at AstraZeneca from September 2002 to November 2009, where he played an important role in the registration of Arimidex for adjuvant use, the development of Faslodex and the development of several early stage programs through proof of concept.

**Andrew R. Robbins**

Mr. Robbins has served as our Chief Operating Officer since March 2015. From July 2012 to March 2015, he was our Senior Vice President, Commercial Operations. Mr. Robbins has extensive commercial, development and strategic leadership expertise from a 15-year career in the pharmaceutical industry, with a specific focus on oncology and hematology products. From January 2007 to July 2012, he held management positions at Hospira, Inc., a global pharmaceutical and medical device company, including General Manager and Vice President of the U.S. Alternate Site business unit and Vice President of Corporate Development. Prior to joining Array, Mr. Robbins also served on the board of directors of Fate Therapeutics, Cytograft and StemCor Systems, all venture-backed health care companies. Prior to January 2007, he held commercial and leadership positions within Pfizer's oncology unit.

**Curtis Oltmans**

Mr. Oltmans has served as our Executive Vice President, General Counsel and Secretary since August 2017. Prior to joining Array, Mr. Oltmans served as Corporate Vice President and General Counsel, North America, at Novo Nordisk, Inc., a fully integrated global healthcare company, where he was responsible for strategy and initiatives in the areas of law, including intellectual property and litigation, and public affairs for the company's substantial business in North America. Prior to Novo Nordisk, Mr. Oltmans spent 13 years at Eli Lilly and Company in a variety of legal roles, including litigation, FDA regulatory and international law.

**Nicholas A. Saccomano, Ph.D.**

Dr. Saccomano has served as our Chief Scientific Officer since May 2014. Dr. Saccomano has 30 years of experience in pharmaceutical and biotechnology research and development, with expertise in discovery research, clinical development, portfolio strategy, technology and clinical candidate licensing, and scientific partnering. Dr. Saccomano most recently served as Chief Technology Officer at SomaLogic, Inc., headquartered in Boulder, Colorado, from January 2010 to May 2014 and as a consultant for SomaLogic from June 2009 to December 2009. Prior to joining SomaLogic, Dr. Saccomano served as Chief Scientific Officer at Bend Research Inc., headquartered in Bend, Oregon, from May 2008 to December 2008, and as a consultant for Bend Research from January 2009 to December 2009 and continued on their board of directors until October 2013. Dr. Saccomano also held positions of increasing responsibility at Pfizer, Inc. from December 1984 to May 2008, including Senior Vice President in the R&D organization and Vice President, Discovery Technology. As head of discovery technology, he managed and developed a diverse set of enabling technologies used broadly across the drug discovery pipeline. During his tenure at Pfizer, he also directed medicinal sciences, drug discovery and strategic alliances.

**COMPENSATION COMMITTEE REPORT**

The Compensation Committee oversees the Company's compensation program on behalf of the Board. In fulfilling its oversight responsibilities, the Compensation Committee reviewed and discussed with management the Compensation Discussion and Analysis set forth in this Proxy Statement.

In reliance on that review and discussion, the Compensation Committee has recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement and the Annual Report on Form 10-K for the fiscal year ended June 30, 2018.

Table of Contents**COMPENSATION DISCUSSION AND ANALYSIS**

This section provides information regarding the compensation programs in place during our 2018 fiscal year for our named executive officers, who we refer to as our NEOs, and includes information regarding, among other things, the overall objectives of our compensation program and each element of compensation that we provide. Our NEOs consist of our Chief Executive Officer, our Chief Financial Officer and our three other most highly compensated executive officers for fiscal 2018. Our NEOs for fiscal 2018 were:

<b>Name</b>	<b>Position</b>
Ron Squarer	Chief Executive Officer
Jason Haddock	Chief Financial Officer
Victor Sandor, M.D.	Chief Medical Officer
Andrew R. Robbins	Chief Operating Officer
Curtis G. Oltmans	Executive Vice President, General Counsel and Secretary

**Fiscal 2018 Compensation Best Practices**

As is described in more detail below, the Compensation Committee of our Board of Directors, that we refer to as the Compensation Committee, strives to maintain a compensation program for our NEOs which accomplishes our goals of attracting, retaining, motivating and rewarding talented executives while also adhering to executive compensation best practices. The table below summarizes notable executive compensation practices in effect for the 2018 fiscal year.

Emphasis on Performance-Based Compensation	An average of 40-60% of our NEO group's fiscal 2018 compensation was performance-related, consistent with our pay for performance compensation philosophy.
Independent Compensation Consultant	The Compensation Committee retained an independent, nationally recognized, compensation advisor (Radford Consulting Services) in fiscal 2018 to provide the Compensation Committee with advice regarding the design of the executive compensation program, among other things.
Minimal Perquisites	We provide only minimal perquisites for our executives.
Regular Compensation Risk Assessment	The Compensation Committee regularly assesses our executive compensation program to ensure that the program does not incentivize inappropriate risk-taking.
Appropriate Severance Protection	We provide appropriate severance protection for our executive officers and have not provided any new "golden parachute" tax gross ups as part of that protection.

**Independent Compensation Committee Supervision of Executive Compensation**

The Compensation Committee has the general responsibility for determining the compensation of our NEOs for approval by our independent directors. The Compensation Committee also administers

Table of Contents

our Stock Option and Incentive Plan and our Employee Stock Purchase Plan, or ESPP, and considers and approves new hire and periodic retention grants under the Stock Option and Incentive Plan to NEOs and other members of management and determines the terms of performance-based compensation under our annual Performance Bonus Program applicable to our NEOs and other employees. The Compensation Committee acts pursuant to a charter that has been approved by our Board, a copy of which is available on the Investor Relations section of our website at [www.arraybiopharma.com](http://www.arraybiopharma.com).

**Objectives and Philosophy of Our Compensation Program**

As noted above, the compensation program for our NEOs is designed to attract, retain, motivate and reward talented executives who can contribute to our long-term success and thereby build value for our stockholders. Our compensation program is based on the following key principles:

A significant component of pay that is linked with performance and the achievement of our strategic goals.

Overall compensation that is competitive in the industry in which we compete for executive talent.

Alignment of NEO interests with those of our stockholders through equity compensation.

Recognition of individual contributions, teamwork and performance.

Other factors specific to our Company weigh heavily into our NEO compensation decisions, including the factors described below.

***Evolution of Business***

Our NEOs are executing our long-term business strategy as a commercial stage biopharmaceutical company, as well as nearer term strategies that support our long-term objectives. We believe their compensation should create appropriate incentives that are consistent with these strategies. Accordingly, the Compensation Committee evaluates and adjusts the performance metrics annually for performance-based compensation for our NEOs to align them with our strategic goals. The Compensation Committee also considers whether performance goals or other elements of our compensation encourage risk taking that may be considered excessive or not in the best interest of the Company. In addition, our senior team, which has not increased appreciably in size, is managing a changing and increasingly complex business. We strive to recognize these efforts by compensating NEOs for the increased demands and risks associated with our business model, such as through annual merit pay increases and stock option or other equity awards.

***Intense Competition for Management Talent***

Like any company, we strive to recruit top talent at all levels of our organization. It is Array's strategy to compete effectively as a commercial stage biopharmaceutical company. The competition for executive talent in certain areas of our business, most notably clinical development and regulatory talent, is especially intense. As we build our clinical and commercialization capabilities, we may on occasion find it necessary to exceed the total compensation offered by more established competitors, including our peer group, to attract the talent we need in this area.

***Stockholder Advisory Vote***

Although the stockholder vote on our named executive officers' compensation ("say on pay") described under Proposal 3 is advisory and not binding on the Board of Directors or Array, the views expressed by the stockholders, whether through this vote or otherwise, are important to management and the Board and, accordingly, the Board and the Compensation Committee intend to consider the results of these votes in making determinations in the future regarding executive compensation arrangements and the frequency of stockholder advisory votes on our named executive officers' compensation. Based upon the high level of support for our executive compensation program demonstrated by the result of the say on pay vote conducted at last year's annual meeting, the Compensation Committee determined not to implement significant changes to our executive compensation program for fiscal 2018.

**Compensation Methodology**

The Compensation Committee annually reviews target salary, performance bonus and equity compensation for our NEOs and other executive officers, and periodically reviews other elements of compensation. Compensation decisions are based primarily on the following:

Peer and industry data. The Compensation Committee uses peer and industry data as a reference in setting base salaries, determining the appropriate level and mix of equity compensation and the type and portion of compensation tied to performance goals.

Annual performance reviews. Through our Chairman, the independent members of our Board of Directors conduct annual performance reviews of our CEO. Our CEO conducts and presents the performance reviews of the other NEOs and executive officers to the Compensation Committee after the end of each fiscal year. Based on these reviews, the Compensation Committee considers individual factors, such as:

Long-term performance

Tenure with the Company

Retention concerns

Prior and potential for future contributions to Company growth

Industry experience

CEO recommendations. The Compensation Committee seeks the input of our CEO in setting the salary and target bonus levels for other NEOs and executive officers. The Compensation Committee also considers recommendations from our CEO regarding annual performance metrics and target amounts under the Performance Bonus Program.

Each fiscal year, the Compensation Committee reviews and determines the base salaries of our CEO and the other NEOs and approves the target bonus amounts under an annual Performance Bonus Program for the upcoming fiscal year based on a percentage of base salary for the NEOs and the rest of the management team as well as annual grants of equity under our Stock Option and Incentive Plan. The Compensation Committee determines the annual performance goals under the Performance Bonus Program for the upcoming year through an iterative process with management (including the NEOs), and seeks input from the other independent directors on the Board as it considers appropriate, and may adjust the recommendations of management regarding the performance metrics and the target amounts in light of our near- and long-term strategic goals and

Table of Contents

operating plan for the upcoming year. Following completion of the audit of our annual consolidated financial statements, the Compensation Committee approves the specific bonus amounts payable to the NEOs and other executive officers and employees under the Performance Bonus Program in light of actual Company performance.

The Compensation Committee's approach in establishing the compensation of our CEO is consistent with the approach in establishing the compensation of the other NEOs, but the Compensation Committee bases a larger percentage of his target compensation on Array's performance. Mr. Squarer's target bonus percentage for fiscal 2018 was 60% of base salary under the Performance Bonus Program. This compares with targets from 40% to 45% of base salary for the other NEOs and executive officers in fiscal 2018.

**Role of Compensation Consultant**

The Compensation Committee has the authority to engage outside compensation consultants to advise it in determining executive compensation and related matters and during fiscal 2018 engaged Radford Consulting Services, an independent nationally-recognized compensation consultant, to perform a comprehensive analysis of total compensation for our executives and of each element of our executive compensation programs for fiscal 2018, including peer group review, analysis of each element of our executive compensation programs relative to our peer group, and executive compensation assessment and recommendations. On a periodic basis, we may also purchase proprietary executive and employee compensation survey data from Radford.

The Compensation Committee has also engaged Radford to advise it on executive compensation programs for fiscal 2018. The Compensation Committee approved the engagement of Radford for fiscal 2018 after determining Radford to be independent under applicable Nasdaq rules, which included consideration of the following factors: (i) the provision of other services by Radford to the Company, (ii) the amount of fees paid by the Company to Radford as a percentage of Radford's total revenue, (iii) Radford's policies and procedures that are designed to prevent conflicts of interest, (iv) any business or personal relationships of Radford with a member of the compensation committee, (v) any stock of the Company owned by Radford, and (vi) any business or personal relationship of the compensation consultant or Radford with an executive officer of the Company.

**Peer and Industry Data**

As a point of reference to ensure our cash, equity, incentive and total compensation is competitive, the Compensation Committee considers peer company and industry survey data. In setting NEO compensation for fiscal 2018, the Compensation Committee analyzed publicly-available data for the following peer companies with comparable operations from among publicly-held U.S. pharmaceutical and biotechnology companies that had between 50 and 300 employees with a market capitalization between \$500 million and \$4.0 billion:

**Fiscal 2018 Executive Compensation Peer Group**

MacroGenics, Inc.	Neurocrine Biosciences, Inc.	Prothena Corp plc (1)
Sangamo BioSciences, Inc.		

(1) Added as new compensation peer for fiscal year 2018.

Table of Contents

The Compensation Committee may also take into account broader based life sciences industry survey data for executive compensation among companies of our size published by Radford Surveys and Consulting as we believe that this information provides us with a statistically significant sample that supplements our peer group data. We generally target total compensation for our NEOs at the 50th percentile of the survey group; however, the Compensation Committee may vary from this target based on factors such as responsibilities of an NEO that may differ from the comparable executive level in the survey group, experience level, historical pay, individual performance and marketplace demands for the position.

As our business model evolves, the Compensation Committee reevaluates the peer companies used in benchmarking executive compensation to ensure the peer companies are comparable in size, market capitalization and the scope and nature of their operations to Array.

**Elements of Our Compensation Program**

The primary components of executive compensation are industry competitive salaries, annual bonuses based on attainment of annual operational and financial objectives or other performance-based goals and on individual merit, and equity compensation grants of stock options and restricted stock units upon hiring and periodically through retention grants.

***Salary***

We believe base salary is the key compensation-related reference point for individuals considering an employment change and that we must offer industry competitive base salaries. Our peer group analysis and industry survey data therefore serve as a starting point in setting salaries for our NEOs. We generally target a base salary for NEOs at the 50th percentile of the survey group, although for fiscal 2018 and historically, base salaries for some of our NEOs have been below this level, and with limited exceptions have been higher than the 50th percentile where an NEO takes on additional responsibilities or has unique and valuable experience. Although peer data is an important reference point, the Compensation Committee recognizes that titles and levels of responsibility vary greatly from company to company and considers other factors, such as industry experience and competition for talent in certain areas.

***Annual Performance Bonus Program***

As more fully described below, we have established an annual Performance Bonus Program under which bonuses may be earned by our NEOs and other employees based on achievement of Company performance goals and objectives established by the Compensation Committee, which are described below. The bonus program is intended to strengthen the connection between individual compensation and Company success, reinforce our pay-for-performance philosophy by awarding higher bonuses to higher performing executives and help ensure that our compensation is competitive. Under the terms of the Performance Bonus Program, the Compensation Committee may determine to pay bonuses in shares of common stock, stock options, cash or any combination and considers factors such as the appropriate percentage of equity and non-equity compensation and the Company's cash resources in a particular fiscal year. For fiscal 2018, the Compensation Committee approved payment of the bonuses in cash.

Each NEO is eligible to receive a bonus under the program calculated by multiplying his base salary by a percentage value assigned to him or to his position by the Compensation Committee. During fiscal 2018, the target bonus amounts were between 40% and 45% of base salary for our executive officers other than Mr. Squarer, and Mr. Squarer's target bonus amount was 60% of his base salary.

Table of Contents

Following the end of each fiscal year, the Compensation Committee determines in its discretion the extent to which the Company-wide goals have been achieved. Based on this assessment, the Compensation Committee awards bonuses equal to the overall percentage achievement of the performance goals, as determined by the Compensation Committee, multiplied by an employee's target bonus amount. The Compensation Committee may award a bonus in an amount less than or greater than the amount earned by a participant under the bonus program. To date, the Compensation Committee has not exercised its discretion to modify the bonus amounts payable in accordance with the terms of the Performance Bonus Program. No bonuses are guaranteed under the program and the Compensation Committee can amend the program at any time until bonuses are paid.

***Performance Metrics***

For fiscal 2018, the Compensation Committee and Board of Directors selected four Company-wide objectives based on our long-term strategy and operational execution. For fiscal 2018, the four Company-wide goals related to:

1. Financial Goals: including revenue, cash balance and milestones related to ARRY-797.
2. Discovery Research Goals: including advancement of drug candidates and partner collaborations.
3. Clinical Development Goals: including COLUMBUS approval, BEACON patient enrollment, ARRY-382 patient enrollment and milestones for MEK + PD-1/PD-L1 Development Strategy.
4. Commercial Goals: including preparation, enabling activities and speed to market post approval.

The Compensation Committee and Board of Directors weighted the foregoing goals based on the relative importance of these goals. In determining the bonus awards for fiscal 2018, the goals were weighted as follows: Financial Goals 20%; Discovery Research Goals 20%; Clinical Development Goals 40%; and Commercial Goals 20%. Individual objectives within these categories included the following:

Financial Goals were revenue (excluding reimbursement and other select revenue streams) of \$15 million to \$30 million, fiscal year end cash, cash equivalents and accounts receivable of \$65 million to \$90 million and completion of a milestone related to ARRY-797.

Discovery Research Goals were to advance proprietary oncology product candidates, to maintain secure research partnerships representing a specific % of total resources and to advance one exploratory program into feasibility.

Clinical Development Goals and Commercial Goals were the FDA approval relating to the COLUMBUS trial, patient enrollment goals in the BEACON CRC trial, ARRY-382 enrollment goals, and commercials goals regarding enabling activities and achieving first commercial sale of one of the Company's products.

Achievement of these Company-wide goals involved future performance and therefore subject to uncertainty at the time the goals were set. Each of the goals has specified criteria for minimum,

Table of Contents

target and stretch achievement. The Compensation Committee considers the minimum goals to be likely to be achieved, the target goals to be difficult to achieve and the stretch goals to be improbable to achieve. A percentage of each NEO's target bonus amount may be awarded following the end of the fiscal year based on whether the minimum, target or stretch goals are met and the weighting of those goals. The Compensation Committee has discretion to award bonuses under the program if a particular performance goal is not met.

In determining the bonus awards for fiscal 2018, the Compensation Committee concluded that the Financial Goals had exceeded target, including revenue, and cash. The financial goal related to ARRY-797 was met at the threshold level. The Compensation Committee also determined that the Discovery Research Goals were met, including advancing a proprietary oncology molecule for further internal development and ensuring discovery collaboration funding. The Clinical Discovery Goal for progressing other internal programs was exceeded. The Compensation Committee also approved achievement of the clinical development goals including: FDA approval of our COLUMBUS NDA at target level, enrollment of our BEACON CRC at exceeded level and ARRY-382 enrollment goals at the threshold level. Finally, the Compensation Committee approved our Commercial Goals regarding launch readiness and first commercial sale at the exceeded levels. After applying the weighting factors previously established by the Compensation Committee to each of the goals, this performance resulted in a total score of 127.1%, which was the percentage the Compensation Committee used to calculate the fiscal 2018 bonus amounts to be paid under the Performance Bonus Program in accordance with the formulas set forth in the Performance Bonus Program.

Identical performance goals form the basis for the bonus structure for almost all of our employees and we believe there is an intangible benefit to focusing all levels of personnel on consistent goals. We also believe there is a strong correlation between achievement of these goals and the success of our business as measured by our stock performance and the perception of analysts and investors.

***Equity Compensation***

*Stock Options and Restricted Stock Units.* We provide equity compensation to our NEOs in the form of stock option and restricted stock unit grants under our Stock Option and Incentive Plan that generally vest in four annual installments from the date of grant. The Compensation Committee has and may in the future make equity grants with performance-based vesting requirements outside of the Performance Bonus Program if there are specific milestones or events that are particularly strategic to the Company that the Compensation Committee believes, if achieved, should be rewarded through additional grants. The Compensation Committee believes stock option and restricted stock unit awards to our NEOs and other employees encourage retention, because the recipient must remain employed with the Company to receive the benefit of the award. The Compensation Committee also believes stock options align the interests of management and our stockholders, since they are of no value to the executive if our stock's value does not increase. The Compensation Committee also believes that restricted stock units provide an important additional retention incentive to our NEOs and employees as their future value is less dependent on our stock price, which has and will likely continue to experience volatility. For these reasons, the Compensation Committee considers stock options and restricted stock units to be an important part of total compensation for our executives. The Stock Option and Incentive Plan authorizes the issuance of other forms of equity compensation, and the Compensation Committee periodically reviews and considers other forms of equity grants and may determine in the future to award other or additional forms of equity compensation if it determines the grants support the Company's compensation philosophies.

Table of Contents

Our implementation of Financial Accounting Standards Board, or FASB, Accounting Standards Codification, or ASC, Topic 718, "Stock Compensation" makes granting stock options somewhat less attractive by requiring that we expense the fair value of the grant for financial accounting purposes. Although this accounting treatment is one of the factors we consider in awarding options, it has not had a significant impact on our granting practices, since we believe stock options remain a highly valued component of the overall compensation package for management of a growth company such as ours and are the primary means by which our executives share in the Company's growth.

Stock options are awarded to all of our full-time employees, including NEOs, upon hiring. Certain of our NEOs have also received grants of restricted stock units upon hiring. Stock options generally vest in four equal annual installments beginning on the one-year anniversary of the hire date for new hire grants. In addition, each fiscal year the Compensation Committee considers whether to award retention grants of stock option and restricted stock units to existing employees, including NEOs. If awarded, retention grants are made on an annual basis and vest in four equal annual installments. The Compensation Committee believes that annual retention grants minimize the distortion created by stock price volatility if options were granted less frequently than annually, while the four year vesting period continues to provide a meaningful ongoing incentive for our NEOs and other employees to remain with Array. In addition, with annual grants, employees will have a significant number of unvested options and unvested restricted stock units each year, thereby providing a stronger retention incentive.

The Compensation Committee also considers on an annual basis whether to award shares of common stock or options rather than cash under our performance bonus program described above, and has discretion to approve additional stock option awards for reasons such as strong individual performance or internal pay equity considerations.

The exercise price of all employee stock options is equal to the fair market value of our common stock on the date of grant, measured as the closing price of our common stock on the grant date as reported by the Nasdaq Stock Market.

In establishing award levels, including for NEOs, the Compensation Committee takes into account an analysis of peer group data and industry survey data and, for retention grants, individual performance. The Compensation Committee also considers individual contribution and performance, based in part on input from our CEO for grants to other NEOs and employees, and factors such as the difficulty in replacing certain individuals within the organization. We believe that competitors who might try to hire away our employees would offer new equity awards to our employees without regard to the value of any prior awards made by us. Therefore, the Compensation Committee places less emphasis on the equity ownership levels of the recipients, the size of prior awards that are fully vested or amounts realized by the executives for previous awards.

Option Grant Practices. Historically, the timing of our grants of stock options has been based on internal operational factors. New hire grants are generally approved each month with a grant date of the first trading day of the following month and retention grants are typically awarded on or about the end of the fourth quarter of each fiscal year. We have not had, and do not intend to implement, a practice of "timing" our grant awards to give effect to the pending public release of material information, and any grants we may have made to senior executives in proximity to a release of earnings or other material information is coincidental. In addition, we do not allow for the repricing of options, including the cancellation and re-issuance of new options in exchange for stock options whose stock price is above the then-current fair market value of our common stock. The Compensation Committee has delegated limited authority to one of its members, Mr. Lefkoff, to

Table of Contents

approve option grants for non-executives. These may be awards for new hires and are reported on a periodic basis to the Compensation Committee.

*Other Equity Awards.* The Compensation Committee also evaluates and considers granting other forms of equity awards under the Stock Option and Incentive Plan that are tied to performance of the Company or its programs to recognize and provide incentives for achievement of significant strategic priorities identified by the Compensation Committee or other members of the Board of Directors. For example, in August 2014, the Compensation Committee approved the award of restricted stock units to certain executives based on achievement of performance milestones relating to the Company's agreements with Novartis for the re-acquisition of rights to binimetinib. Future awards may be comprised of stock options, restricted stock, restricted stock units, stock appreciation rights or other forms of equity compensation that may be subject to time- and/or performance-based vesting requirements identified by the Compensation Committee.

**Fiscal 2018 Equity Compensation Determinations Allocation of Award Types**

For fiscal 2018, the Compensation Committee determined that the breakdown of equity compensation awards for our NEO group would be allocated as seventy-five percent (75%) in stock options and twenty-five percent (25%) in restricted stock units. This breakdown was chosen because the Compensation Committee determined that it represented an appropriate allocation of stock option awards, which will only yield value in the event of an increase in our share price, and restricted stock units, which will provide a retention incentive regardless of changes in the share price.

**Other Compensation Matters**

*Employee Stock Purchase Plan*

We have an ESPP that is made available to all employees, including our NEOs. The ESPP allows participants to acquire shares of our common stock at a discount of 15% to the market price with up to 15% of their base salary, subject to a \$25,000 per calendar year maximum. The purpose of the ESPP is to encourage employees to become stockholders of Array in a tax-favored manner in order to better align their interests with those of our other stockholders.

*Deferred Compensation Plan*

We established a Deferred Compensation Plan, or DCP, to provide NEOs and other eligible participants with an opportunity to defer all or a portion of their compensation and to earn tax-deferred returns on the deferrals. Officers and other key employees selected by the Compensation Committee (including each of the NEOs) are eligible to participate in the DCP. Participants may defer up to a maximum of 90% of their annual base salary and their annual incentive bonus. Under the DCP, the Compensation Committee may, in its sole discretion, make matching contributions which vest over a four-year vesting schedule beginning upon commencement of employment, or may make discretionary contributions in any amount it desires to any participant's account based on vesting provisions determined in the Compensation Committee's discretion. Participants become fully vested in any matching or discretionary contributions upon a change in control of the Company and upon termination of their employment with the Company due to death, disability or eligible retirement.

During fiscal 2018, all the NEOs participated in the DCP, except for Dr. Sandor. Of the NEO participants, as of June 30, 2018, Mr. Squarer, and Mr. Robbins were 100% vested in the DCP,

Table of Contents

Mr. Haddock was 25% vested in the DCP and Mr. Oltmans was not yet vested in the DCP. As of June 30, 2018, the Compensation Committee has not approved any discretionary contributions, and has approved matching contributions of up to 4% of the executive's total base salary and bonus compensation for the year.

The DCP is intended to both qualify as a "top hat" plan within the meaning of Section 201(2) of the Employee Retirement Income Security Act of 1974, as amended, or ERISA, and to comply with the requirements of Section 409A of the Internal Revenue Code that govern nonqualified deferred compensation plans. The DCP is an unfunded plan for tax purposes and for purposes of Title I of ERISA. A "rabbi trust" has been established to satisfy our obligations under the DCP.

The Compensation Committee selects investment indices consisting of mutual funds, insurance company funds, indexed rates or other methods for participants to choose from for the purpose of providing the basis on which gains and losses are attributed to account balances under the DCP. Participants are entitled to select one or more investment indices and they do not have an ownership interest in the investment indices they select. The Compensation Committee may, in its sole discretion, discontinue, substitute or add investment indices at any time.

Payments from the DCP are made in a lump sum or in annual installments for up to 10 years at the election of the participant. In addition, participants may elect to receive a short-term payout of a deferral as soon as January 1 of the fourth year after the end of the option plan year in which the deferral was made.

***Recognition Bonuses***

Each year, Mr. Squarer, our CEO, may grant to an officer of the Company a discretionary bonus in recognition of his or her extraordinary services to the Company. Each bonus award is in an amount equal to \$5,000 along with a tax gross-up payment in respect of such award. During fiscal 2018, Dr. Sandor and Mr. Oltmans were recipients of these bonus awards.

***Payments Upon Termination or Change In Control***

We have entered into employment agreements with each of our NEOs, which provide for severance payments upon certain terminations of employment, including in connection with a change in control of Array, and for the acceleration of vesting of outstanding stock options and restricted stock units upon a change in control. Based on our analysis of industry compensation data, post-termination protection through severance compensation for executive officers is common among our peer group, and the Compensation Committee believes that it is essential to our ability to attract and retain talented executives. The Compensation Committee believes having a mutually agreed-to severance package in place prior to any termination event provides us with more flexibility to make a change in senior management if such a change is in our and our stockholders' best interest. In addition, we believe post-termination compensation if an officer is terminated as a result of a change of control transaction promotes the ability of our officers to act in the best interests of our stockholders even though they could be terminated as a result of the transaction. Our obligation to pay severance to our NEOs is conditioned on their continued compliance with confidentiality and non-competition obligations for one year after termination for our CEO and Chief Medical Officer, and for two years for the other NEOs, as well as on the execution of a mutually acceptable release agreement.

The terms of the employment agreements, including the severance compensation, are described in more detail below under the headings "Employment Agreements" and "Potential Payments upon Termination or Change in Control" included elsewhere in this Proxy Statement.

Table of Contents

***Limited Perquisites***

Substantially all benefits we provide to our executives are made available to all of our other salaried employees on a non-discriminatory basis, and for this reason are not considered "perquisites." Benefits we provide on a non-discriminatory basis include our medical and dental insurance, life insurance, 401(k) plan and the ESPP. Relocation expenses also are reimbursed but are individually negotiated when they occur. The aggregate incremental cost to us of all the perquisites we provided to any NEO in fiscal 2018 was less than \$10,000, except for Mr. Oltmans, who was paid \$152,916 in relocation expenses and related tax gross-up.

***Deductibility of Compensation***

Section 162(m) of the Internal Revenue Code of 1986, as amended, places a limit of \$1,000,000 on the amount of non-performance-based compensation that we may deduct in any one year with respect to each of our five most highly-paid executive officers. In prior years, we have taken actions necessary to ensure the deductibility of certain payments as performance-based compensation under Section 162(m) (and therefore not subject to that deduction limitation). In light of recent legislation greatly restricting the availability of the performance-based compensation restriction and in order to maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals, the Compensation Committee has not adopted a policy requiring all compensation to be deductible and we reserve the right to forgo any or all of the tax deduction if we believe it to be in the best interests of our stockholders.

***Compensation Risk Assessment***

The Compensation Committee reviews our material compensation practices and policies, with input from our management team, and considers whether these practices and policies encourage appropriate risk taking and support prudent business decision making. Based on this assessment, our Compensation Committee concluded that these policies and procedures do not create risks that are reasonably likely to have a material adverse effect on our Company.

Amounts shown in this column consist of the aggregate grant date fair value of restricted stock units granted during the applicable fiscal year, computed in accordance with FASB ASC Topic 718, "Stock Compensation," excluding the effect of estimated forfeitures. Our methodology, including our underlying estimates and assumptions used in calculating these values, is set forth in "Note 10 - Share-Based Compensation" to our audited consolidated financial statements included in our Annual Report on Form 10-K filed with the SEC for

the fiscal year ended June 30, 2018.

(2)

The amounts set forth under this column represent the aggregate grant date fair value of stock options granted in each fiscal year for financial reporting purposes under FASB ASC Topic 718, "Stock Compensation," excluding the effect of estimated forfeitures. Our methodology, including our underlying estimates and assumptions used in calculating these values, is set forth in "Note 10 - Share-Based Compensation" to our audited consolidated financial statements included in our Annual Report on Form 10-K filed with the SEC for the fiscal year ended June 30, 2018.

(3)

The amounts reported in this column for fiscal years 2018, 2017 and 2016 represent the full amount of the bonuses earned by each of the NEOs under the fiscal 2018, 2017 and 2016 Performance Bonus Programs, respectively, based on the Compensation Committee's determination that we achieved 127%, 112% and 125%, respectively, of the performance goals in the respective year as described above under "Compensation Discussion and Analysis - Elements of Our Compensation Program-Performance Metrics." Amounts earned under our Performance Bonus Program for a particular fiscal year are typically paid in October of the following fiscal year.

- (1) Amounts in these columns represent the threshold, target and maximum payout under the fiscal 2018 Performance Bonus Program based on achievement of threshold, target and stretch performance goals, respectively, approved by the independent directors of the Board of Directors on August 2, 2017. The performance goals and this plan are described above in Compensation Discussion and Analysis under "Elements of Our Compensation Program - Annual Performance Bonus Program." The actual bonus earned in fiscal 2018 is reflected on the Summary Compensation Table under the column heading "Non-Equity Incentive Plan Compensation."
- (2) Represents RSUs granted under our Stock Option and Incentive Plan. All of the RSUs vest in four equal annual installments. Vesting is subject to acceleration for each of the NEOs as described below under "Employment Agreements."
- (3) Options reported in this column were granted under our Stock Option and Incentive Plan. The options vest in four equal annual installments and expire 10 years from the date of grant. Vesting is subject to acceleration for each of the NEOs as described below under "Employment Agreements."
- (4) The amounts set forth under this column for grants of stock options and RSUs represent the total grant date fair value of the award calculated as of the grant date in accordance with FASB ASC Topic 718, "Stock Compensation," excluding the effect of estimated forfeitures. These amounts do not represent cash payments made to the individuals or amounts realized in cash, or amounts that may be realized in cash. Under FASB ASC Topic 718, the fair value of stock options and RSUs granted to employees is recognized ratably over the vesting period. Our methodology, including our underlying estimates and assumptions used in calculating these values, is set forth in Note 10 - Share-Based Compensation to our audited consolidated financial statements included in our Annual Report on Form 10-K filed with the SEC for the fiscal year ended June 30, 2018.

NEOs enrolled in the DCP are entitled to defer up to 4% of total base salary and any cash bonus compensation for the fiscal year. The amounts reported in this column reflect amounts contributed during fiscal year 2018. A portion of the amounts reported in this column is reported as compensation in the "Salary" column for fiscal year 2018 of the Summary Compensation Table, and the remainder was previously reported as compensation in the "Non-Equity Incentive Plan Compensation" column for fiscal year 2017 of the Summary Compensation Table. These amounts do not include any amounts that may be deferred with respect to the bonuses earned under the 2018 Performance Bonus Plan for fiscal year 2018, which will be paid in October 2018.

(2)

The Compensation Committee has approved matching contributions to the DCP up to 4% of each of the eligible NEO's total salary and bonus for the year. As of June 30, 2018, Mr. Squarer and Mr. Robbins are 100% vested in the amounts reported in this column, Mr. Haddock is 25% vested in the amounts reported in this column and Mr. Oltmans is not yet vested in the amounts reported in this column. These amounts do not include any matching contributions on the bonuses earned under the 2018 Performance Bonus Plan for fiscal year 2018, which will be paid in October 2018. See the section above entitled "Elements of Our Compensation Program - Deferred Compensation Plan" for more information about the terms of the DCP.

**Employment Agreements****Ron Squarer**

## Edgar Filing: ARRAY BIOPHARMA INC - Form PRE 14A

We entered into an Employment Agreement with Mr. Squarer on April 26, 2012 in connection with his appointment as CEO. The agreement has a four-year term and will renew automatically for additional one-year terms unless either party notifies the other party of its intention not to renew the agreement. Either party may terminate the agreement at any time upon 30 days' notice to the other party for any or no reason.

Table of Contents

Under the terms of the agreement, Mr. Squarer was entitled to an initial annual salary of \$525,000 and was paid a one-time cash bonus of \$100,000. Mr. Squarer's annual salary may be adjusted from time to time at the discretion of the Compensation Committee. As of June 30, 2018, Mr. Squarer's base salary was \$621,010. Mr. Squarer will be eligible to receive an annual bonus under our annual Performance Bonus Program, equal to a percentage of his base salary, subject to achievement of the performance goals under the Performance Bonus Program established by the Compensation Committee. Mr. Squarer's target bonus percentage for fiscal 2018 was 60%.

Mr. Squarer has received awards of stock options and RSUs that vest in equal annual installments over a four-year period commencing on the first anniversary of the grant date. The vesting of his equity awards is subject to acceleration in the following circumstances: (i) 100% of any unvested equity awards vest in full immediately upon his death; (ii) in the event of the termination of Mr. Squarer's employment due to his disability or by us without cause, the number of equity awards scheduled to vest in the year of such termination will vest in connection with such termination; and (iii) 100% of any unvested equity awards vest in full immediately upon a termination by Array without cause or by Mr. Squarer following certain events set forth in the agreement during the period commencing three months prior to the occurrence (or expected occurrence) of a change of control (as defined in his Employment Agreement) and ending 12 months after the occurrence of a change of control.

We also agreed to reimburse Mr. Squarer for certain relocation, transportation and temporary housing costs in connection with relocating to Colorado and to reimburse him for taxes payable by him on those amounts. Mr. Squarer is eligible for other benefits generally available to our employees and will be reimbursed for reasonable out-of-pocket expenses incurred in connection with performing services under the agreement.

Mr. Squarer is entitled to severance payments under the Employment Agreement if his employment is terminated due to his disability, if Array terminates his employment without cause or if he terminates his employment following certain events set forth in the agreement. The severance payments are equal to (i) one year of his then current base salary (or two years base salary if his termination is three months prior to, on or 12 months after a Change of Control), plus (ii) the amount of the target performance bonus for the year of termination (or two times the target bonus amount if his termination is three months prior to or 12 months after a Change of Control), plus (iii) a lump sum equal to 12 months of COBRA premiums, after application of all deductions and withholdings, for him and his dependents. Severance payments are conditioned on Mr. Squarer entering into a mutually acceptable release and his compliance with his Noncompete Agreement and Confidentiality and Inventions Agreement. We have also agreed to pay Mr. Squarer an amount necessary to pay any excise tax imposed by Section 4999 of the Internal Revenue Code of 1986, as amended, that any payments made to him may be subject to, and to reimburse him for any taxes imposed on him as a result of this payment.

Mr. Squarer is also subject to a Noncompete Agreement and a Confidentiality and Inventions Agreement in which he agreed not to engage in certain competing activities during the term of his employment and for one year following a termination that results in the payment of severance to him. He also agreed during the term of his employment and for one year following any termination of his employment not to recruit or solicit any of our employees or, to the extent done for the purpose of engaging in activities prohibited by his Noncompete Agreement, any of the Company's collaboration partners.

***Other Named Executive Officers***

We entered into employment agreements with Mr. Haddock, Dr. Sandor, Mr. Robbins and Mr. Oltmans effective July 28, 2016, August 29, 2014, September 11, 2014 and August 15, 2017, respectively. The initial term of the agreements with Mr. Haddock and Mr. Oltmans expire after two years and the initial term of the agreements with Dr. Sandor and Mr. Robbins expire on their fourth anniversaries, after which each employment agreement will automatically renew for additional one-year terms. Array may terminate any of the employment agreements for any reason upon 30 days' prior notice to the employee. These agreements specify initial annual salaries that are subject to subsequent adjustment by the Compensation Committee in its discretion. During fiscal 2018, annual salaries for our other NEOs ranged from \$381,000 to \$479,000.

Under the terms of the employment agreements with Mr. Haddock, Dr. Sandor, Mr. Robbins and Mr. Oltmans, if the employee's employment is terminated due to his disability or by us without cause, or if the employee terminates his employment following a reduction in his salary below his initial salary or a material diminishment of his duties, then the employee will be entitled to a severance payment equal to one year's current base salary, payable in equal monthly installments, Mr. Haddock and Dr. Sandor will be entitled to receive 12 months of premiums payable for continued healthcare coverage under COBRA, and any unvested options and unvested RSUs that would have vested in the year of termination will vest. If any such termination is in connection with a change of control (which is deemed to include any such termination three months prior to or 12 months after a change of control), then the employee will be entitled to a severance payment equal to one year's current base salary, payable in equal monthly installments, including COBRA premiums for Mr. Haddock and Dr. Sandor, all outstanding options and RSUs granted to the employee will immediately vest and, in the case of Mr. Robbins, he will receive a bonus equal to his target performance bonus in the year of termination. In the event of the employee's death, under the terms of the employment agreements, all outstanding options and RSUs granted to the employee will immediately vest.

Mr. Haddock, Dr. Sandor and Mr. Robbins have entered into a Confidentiality and Inventions Agreement and Mr. Oltmans has entered into a Confidentiality Agreement. Mr. Haddock, Dr. Sandor and Mr. Robbins have also entered into a Noncompete Agreement in which each employee has agreed that while employed and for a period of time following a termination of employment for any reason not to engage in any competing activities within a 50-mile radius of any area where we are doing business and not to recruit or solicit any of our employees or customers. For Mr. Haddock, the restricted period is one year for the non-compete covenant and two years for the non-solicit, for Dr. Sandor and Mr. Robbins, the restricted period is one year for the non-compete and non-solicit covenants. Mr. Oltmans has entered into a Noncompete Agreement which provides that he may not compete while he is employed and he may not solicit while he is employed and for two years following his termination of employment. As a condition to receiving any severance payments under the employment agreements, the employee must execute a release reasonably acceptable to Array and the employee, and he must comply with his obligations under the Noncompete Agreement and Confidentiality and Inventions Agreement/Confidentiality Agreement he entered into with the Company.

Table of Contents**Potential Payments upon Termination or Change in Control**

The employment agreements we have entered into with our NEOs provide for certain payments, acceleration of equity and continuation of benefits upon specified terminations of employment or upon a change in control of Array. Pursuant to the terms of the Employee Stock Option and Incentive Plan, all outstanding equity awards will vest and all restrictions will lapse upon a change in control. The post-termination arrangements under these agreements are described above under "Employment Agreements." In addition, upon a change in control or upon termination of employment due to death, disability or eligible retirement, any unvested matching or discretionary contributions under the DCP held by an NEO will fully vest. As of June 30, 2018, Mr. Squarer and Mr. Robbins and were fully vested in the DCP, Mr. Haddock was 25% vested in the DCP and Mr. Oltmans was not yet vested in the DCP. Dr. Sandor did not participate in the DCP in fiscal 2018.

The following table reflects the estimated potential payments upon termination or change in control that would be payable to each of the NEOs. For purposes of calculating the potential payments set forth in the tables below, we have assumed that (i) the date of termination was June 30, 2018 and (ii) the value of each share subject to a stock option or RSU that would be accelerated in the circumstances set forth in the table below equals \$16.78, which was the closing market price of our common stock on June 29, 2018, the last trading day of the 2018 fiscal year.
