To Be Held August 10, 2001

General

This proxy statement contains information about the 2001 annual meeting of stockholders of Bail Corporation to be held at 11952 Farley, Shawnee Mission, Kansas on Friday, August 10, 2001, at 10:00 a.m. local time. The Company's Board of Directors is using this proxy statement to solicit proxies for use at the annual meeting. In this proxy statement "Bail" and "the Company" both refer to Bail Corporation. This proxy statement and the enclosed proxy card are being mailed to you on or about July 25, 2001.

Purpose of the Annual Meeting

At the Company's annual meeting, stockholders will vote on the election of directors as outlined in the accompanying notice of meeting, to approve an amendment to the articles of incorporation to change the name of the Company, to approve an amendment to the articles of incorporation to provide for staggered terms for the Company's board of directors, and on any other business that properly comes before the meeting. As of the date of this proxy statement, the Company is not aware of any business to come before the meeting other than the items noted above.

Who Can Vote

Only stockholders of record at the close of business on the record date of July 23, 2001, are entitled to receive notice of the annual meeting and to vote the shares of Bail common stock they held on that date. As of July 23, 2001, there were 5,640,000 shares of Bail common stock issued and outstanding. Holders of Bail common stock are entitled to one vote per share and are not allowed to cumulate votes in the election of directors. The enclosed proxy card shows the number of shares that you are entitled to vote.

How to Vote

All Bail Corporation stockholders hold their shares in their own name (as a

Edgar Filing: BAIL CORP - Form DEF 14A

"stockholder of record"). You may give instructions on how your shares are to be voted by marking, signing, dating and returning the enclosed proxy card in the accompanying postage-paid envelope.

A proxy, when executed and not revoked, will be voted in accordance with its instructions. If no instructions are given, proxies will be voted FOR management's slate of directors, the amendment to the articles of incorporation to change the name of the Company, and the amendment to the articles of incorporation to provide for staggered terms for the Company's board of directors.

You may revoke a proxy before the vote is taken at the meeting by:

- o submitting a new proxy with a later date,
- o by voting at the meeting, or
- o by filing a written revocation with Bail's president.

Your attendance at the annual meeting will not automatically revoke your proxy.

Quorum and Voting Requirements

A quorum of stockholders is necessary to hold a valid meeting. A quorum will exist if stockholders of a majority of the outstanding shares of common stock are present at the meeting in person or by proxy. Abstentions count as present for establishing a quorum. Shares held by Bail in its treasury are not entitled to vote and do not count toward a quorum. If a quorum is not present, the meeting may be adjourned until a quorum is obtained.

If a quorum is present, the affirmative vote of a majority of shares represented in person or by proxy will be required to elect the directors, amend the articles of incorporation, and to decide any other matter which may properly be submitted to a vote at the meeting. Any shares present but not voted, including abstentions, will not be considered when counting votes cast for or against a proposal.

Payment of Proxy Solicitation Costs

The Company will pay all costs of soliciting proxies. The solicitation will be made by mail. In addition to mailing proxy solicitation material, Bail's management also may solicit proxies in person, by telephone, or by other electronic means of communication.

On or about March 3, 2001, the Company entered into an Agreement for the Purchase of Common Stock with Corporate Management Services, Inc. and Charles A. Ross, Sr. pursuant to which Corporate Management sold 900,000 shares of Bail common stock to Mr. Ross for \$1,000 in cash. This purchase gave Mr. Ross 73.2% of the outstanding shares of the Company's common stock. Mr. Ross acquired the shares in order to acquire control of Bail and to change Bail from an inactive company to a company active in the oil and gas business. Pursuant to that agreement, on April 10, 2001, Mr. Andrews resigned as the Company's sole officer and director and Mr. Ross became the sole officer and director.

On April 30, 2001, the Company closed a private placement of its common stock pursuant to which it sold an aggregate of 3,300,000 shares to 6 shareholders for an aggregate purchase price of \$33,000 in cash (\$0.01 per share). As a result of these sales, Mr. Ross' percentage ownership dropped to 19.9% and three of the investors, Ms. Pham and Messrs. Frazier and Grieco, each acquired a 22.1% interest in the Company. According to reports filed with the SEC by Ms. Pham and Mr. Frazier, such shares were acquired as a passive investment in Bail and not in an attempt to obtain control of the Company.

On June 7, 2001, the Company closed a private placement of its common stock pursuant to which it sold an aggregate of 750,000 shares to 3 shareholders for an aggregate purchase price of \$75,000 in cash (\$0.10 per share). As a result of these sales, Mr. Ross' percentage ownership dropped to 17% and Ms. Pham's and Mr. Frazier's percentage ownership each dropped to 18.9%. Mr. Grieco purchased 250,000 shares in the offering and increased his percentage ownership to 23.7%.

On June 28, 2001, the Company closed a private placement of its common stock pursuant to which it sold 360,000 shares to 1 shareholder for a purchase price of \$90,000 in cash (\$0.25 per share). As a result of this sale, Mr. Ross' percentage ownership dropped to 16%, Ms. Pham's and Mr. Frazier's percentage ownership each dropped to 17.7%, and Mr. Grieco's percentage ownership dropped to 22.2%.

Name	Age	Position	Term
----	---	-----	----

Election of Directors

Under the Company's current articles of incorporation and bylaws, all directors of the Company are elected annually unless no annual stockholders' meeting is held, in which event the directors serve until their successors are duly elected and qualified. However, if the staggered board of directors proposal to be voted on at this annual meeting is approved, the directors will be divided into three classes, Class A, Class B and Class C. The initial Class A director will be elected for three years, the initial Class B director for 2 years, and the initial Class C director for one year. Upon the expiration of the initial staggered terms, directors will be elected for terms of three years, to succeed those whose terms have expired. The merits of this proposal are discussed in detail below in Proposal Three.

The Company's board of directors consists of three directors and currently there are two vacancies. Mr. Charles Ross, the sole director, is actively seeking qualified individuals to serve as directors on the Company's board.

At this annual meeting, Mr. Ross is to be elected to serve either for: (i) one year or until his successor is duly elected and qualified, if the staggered board of directors proposal is not accepted; or (ii) if the staggered board proposal is accepted, Mr. Ross (as the Class A director) will serve for a three-year term.

Under the Company's current articles of incorporation and bylaws, vacancies occurring in the Company's board of directors may be filled by the vote of the remaining directors or by the vote of the shareholders. If and when one or both of the vacancies are filled, each of the two new directors will serve either for: (i) one year or until his successor is duly elected and qualified, if the staggered board of directors proposal is not accepted; or (ii) if the staggered board proposal is accepted, the Class B director will serve for a two-year term and the Class C director will serve for a one-year term.

Mr. Charles Ross currently is the Company's sole nominee for directorship. He currently is serving as the Company's sole director.

The Board of Directors as a whole acts as the nominating committee, selecting the director nominees. The Board will consider suggestions by stockholders for names of possible future nominees when delivered in writing to the President of the Company on or before March 1 in any year for election at the next annual meeting.

The proxies will be voted in favor of the nominee unless a contrary specification is made in the proxy. The nominee has consented to serve as a director of the Company if elected. However, if any nominee is unable to serve or for good cause will not serve as a director, the persons named in the proxy intend to vote in their discretion for a substitute who will be designated by the Board of Directors.

The Board of Directors recommends voting "FOR" electing the nominee.

5

Nominees for Election as Directors

1998, he was the President and CEO and a director of Edgerton

Class B Director

Class C Director

Committees

Since its inception, the Company's Board of Directors has consisted of only
one member, who would not be considered an independent or "outside" member of
the Board. Therefore, the Company has no members on its Board who qualify for an
audit or compensation committee. As a result, the Company has been conducting
operations without an independent audit or compensation committee and without a
nominating committee. Consequently, the Company has not been required to adopt
an audit committee charter nor has it issued an audit committee report which
normally would accompany this proxy statement.

The Board of Directors had no meetings during the last fiscal year and thus
no director attended less than 75 percent of the meetings of the Board. All
actions taken by the Board of Directors during the last fiscal year were taken
pursuant to a unanimous written consent of the Board.

Executive Compensation

The following table sets out the annual compensation paid to our sole
officer for the last three fiscal years. No executive officer of ours received
annual compensation in excess of \$100,000 during the last three fiscal years.

7

Certain Relationships and Related Transactions

On April 11, 1998, we issued a total of 1,000,000 shares of our common stock to Corporate Management Services, Inc., or CMS, in exchange for services related to management and organization costs of \$500. Mr. George Andrews, our sole officer and director until April 2001, is the sole director and a 50% shareholder of CMS. From April 11, 1998, to April 10, 2001, CMS provided us with administrative and marketing services on an as-needed basis without additional charge.

Additionally, from inception to March 31, 2001, we incurred an expense of \$100 per month for rent and other administrative services which were performed by CMS on our behalf. As of March 31, 2001, we had incurred rent and

Edgar Filing: BAIL CORP - Form DEF 14A

administrative service expenses totaling \$3,600, which amount has been forgiven by CMS and credited to additional paid-in capital on our financial statements.

From April 11, 1998, to April 10, 2001, CMS advanced to us any additional funds which we needed for operating capital and for costs in connection with searching for or completing an acquisition or merger. Such advances were made without expectation of repayment (other than offsets of earned interest) unless the owners of a business which we acquired or merged with agreed to repay all or a portion of such advances. As of March 31, 2001, CMS had advanced a total of \$5,155 to us for legal, accounting, general and administrative expenses, which amount was treated as an accrued liability on our financial statements but which was forgiven by CMS as of April 30, 2001.

On or about March 3, 2001, we and CMS entered into an Agreement for the Purchase of Common Stock with Charles A. Ross, Sr. pursuant to which CMS sold 900,000 shares of our common stock to Mr. Ross for \$1,000. Pursuant to that agreement, on April 10, 2001, Mr. Andrews resigned as our sole officer and director and Mr. Ross became our sole officer and director.

PROPOSAL TWO: AMENDMENT TO ARTICLES OF INCORPORATION TO CHANGE THE COMPANY'S NAME

The Board of Directors has determined that the name of the Company should be changed to Vista Exploration Corporation to better identify the Company's principal business of exploiting oil and gas production. This amendment to the Company's articles of incorporation would not have any negative effect on the shareholders of the Company. The full text of this proposal is set forth in Article 1 of Exhibit A attached to this proxy statement.

8

The Board of Directors recommends that the stockholders vote "FOR" approval of the amendment to the articles of incorporation to change the Company's name.

PROPOSAL THREE: AMENDMENT TO ARTICLES OF INCORPORATION TO PROVIDE FOR STAGGERED DIRECTORS TERMS

The Company's current articles of incorporation and bylaws provide that the number of directors of the Company shall be fixed from time to time by the Board of Directors, provided that the number of directors shall be not less than three nor more than nine. The Board of Directors has fixed the number of directors at three. The election and removal of directors is governed by the Company's bylaws which provide that each director serves until the next annual meeting of stockholders or until his successor has been elected and qualified. Additionally, a director may be removed with or without cause by a majority vote of the stockholders at a meeting called for such purpose or by a sufficient number of other candidates receiving more votes than the director at the next annual meeting.

Because the directors of the Company will be directly affected by the staggered board proposal, they may be deemed to have an interest in the outcome of such proposal.

The Board of Directors has proposed to institute a staggered board of directors consisting of three classes of directors (the "Staggered Board"). Each class must contain one-third of the total number of directors, or as near thereto as possible. The initial Class A will consist of one director designated as the Chairman of the Board and the initial Class B and Class C each will consist of one director. The directors proposed to be in each class are identified in the "Nominees for Election of Directors" section under "Proposal

Edgar Filing: BAIL CORP - Form DEF 14A

One: Election of Directors" of this proxy statement. The term of the Class C director will expire at the next annual meeting of shareholders. The term of the Class B director will expire at the second annual meeting following adoption of the Staggered Board and the term of the Class A director will expire at the third annual meeting following adoption of the Staggered Board. Following the expiration of their initial terms, directors will be elected for terms of three years to succeed those whose terms expire.

The overall effect of the Staggered Board would be to render more difficult the accomplishment of certain acquisitions of control by hostile third parties. At the same time, such amendment would make it more difficult to remove current management and the Board and may have other anti-takeover effects, both favorable and unfavorable, to the Company's shareholders.

The full text of the Staggered Board proposal is set forth in Article 5 of Exhibit A attached to this proxy statement. If the Staggered Board proposal is adopted, the Board of Directors will adopt a corresponding amendment to the Company's bylaws, without separate shareholder consent.

9

Consideration in Support of the Staggered Board Proposal

The Board of Directors believes that the Staggered Board proposal will enhance its ability to protect stockholders against attempts to acquire control of the Company by means of unfair or abusive tactics that exist in many unsolicited takeover attempts. The Staggered Board proposal would encourage persons seeking to acquire control of the Company to engage in good faith, arms-length negotiations with the Board regarding the structure of their proposal, rather than waging a hostile proxy contest, and would permit the Board to engage in such negotiations from a stronger position. In addition, the Staggered Board proposal would facilitate the Company's attracting and retaining qualified Board members and hiring and retaining competent management personnel by increasing the likelihood of a stable employment environment. The Company also believes that ensuring continuity of service among the Board members and three-year commitments for Board service is desirable.

Other Considerations

The Staggered Board proposal could have the effect of deterring certain third parties from initiating proxy contests or from acquiring substantial blocks of the Company's shares. Such proxy contests and acquisitions of substantial blocks of shares tend to increase, at least temporarily, market prices for the target company's stock. Consequently, if the Staggered Board proposal is approved, the Company's shareholders could be deprived of temporary opportunities to sell their shares at higher market prices. Moreover, by possibly deterring proxy contests or acquisitions of substantial blocks of the Company's common stock, the Staggered Board proposal might have the incidental effect of inhibiting certain changes in incumbent management, some or all of whom may be replaced in the course of a change in control.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under U.S. securities laws, directors, executive officers and persons holding more than 10% of Bail common stock must report their initial ownership of the common stock and any changes in that ownership in reports which must be filed with the SEC and the Company. The SEC has designated specific deadlines for these reports and Bail must identify in this proxy statement those persons who did not file these reports when due.

Edgar Filing: BAIL CORP - Form DEF 14A

Based solely on a review of reports provided to the Company by its directors, executive officers and persons holding more than 10% of the Company's common stock, all reports regarding transactions in the Company's securities required to be filed for the period from May 1, 2000, to March 31, 2001, by Section 16(a) under the Securities Exchange Act of 1934 were timely filed except the initial statement of ownership on Form 3 for Mr. Charles Ross.

INDEPENDENT ACCOUNTANTS

The Board of Directors has selected Cordovano & Harvey, P.C. as the independent public accountants to audit the financial statements of Bail for its 2001-2002 fiscal year. Cordovano & Harvey, P.C. has served as Bail's independent accountants since 1998 and is familiar with its business and financial procedures. To the knowledge of management, neither Cordovano & Harvey, P.C. nor any of its members has any direct or material indirect financial interest in the Company nor any connection with the Company in any capacity other than as independent public accountants. A representative of Cordovano & Harvey, P.C. is not expected to be present at the annual meeting but will have an opportunity to make a statement if he desires to do so and to respond to appropriate questions.

10

Audit Fees

Cordovano & Harvey, P.C. billed the Company an aggregate of \$2,000 for professional services rendered in the audit of the Company's financial statements for its fiscal year ended March 31, 2001, and rendered in the review of the Company's financial statements for its three fiscal quarters ended July 31, 2000, October 31, 2000, and January 31, 2001.

Financial Information System Design and Implementation

During the most recent completed fiscal year, Cordovano & Harvey, P.C. did not perform any financial information system design or implementation services for the Company.

All Other Fees

During the most recent completed fiscal year, Cordovano & Harvey, P.C. did not perform any services for the Company other than the review and audit of the Company's financial statements.

FUTURE STOCKHOLDER PROPOSALS

The Board of Directors has amended the Company's bylaws to provide that the annual meeting of the Company's stockholders shall be held at 10:00 a.m. on the third Friday in the month of July in each year. Any Bail stockholder proposal for the annual meeting of stockholders in 2002 must be received by the Company before March 9, 2002, for the proposal to be included in the Bail proxy statement and form of proxy for that meeting. If notice of a proposal for which a stockholder will conduct his or her own proxy solicitation is not received by the Company by May 25, 2002, proxies solicited by the Board of Directors may use their discretionary voting authority when the matter is raised at the meeting, without including any discussion of the matter in the proxy statement.

11

Edgar Filing: BAIL CORP - Form DEF 14A

OTHER MATTERS

Management does not know of any other matters to be brought before the annual meeting of stockholders. If any other matters not mentioned in this proxy statement are properly brought before the meeting, the individuals named in the enclosed proxy intend to use their discretionary voting authority under the proxy to vote the proxy in accordance with their best judgment on those matters.
