## SALEM COMMUNICATIONS ANNOUNCES STRONG SECOND QUARTER 2005 RESULTS

### Second Quarter Same Station Revenue and Same Station Operating Income

Increase 6.2% and 10.6%, Respectively

CAMARILLO, CA August 8, 2005 Salem Communications Corporation (Nasdaq: SALM), the leading radio broadcaster focused on Christian and family-themed programming, announced today results for the second quarter ended June 30, 2005.

Commenting on these results, Edward G. Atsinger III, President and CEO said, "Despite a challenging quarter of flat revenue growth for the overall radio industry, Salem achieved 6.2% same station revenue growth and 10.6% same station operating income growth. Salem's performance was a result of strong same station growth at our News Talk stations, which grew revenue by 23.7% and at our contemporary Christian music ( CCM ) station in Atlanta, which grew revenue by 20.0% in the quarter. Our Christian Teaching and Talk stations continued their history of steady and consistent performance growing same station revenue by 5.7% in the quarter.

Mr. Atsinger continued, "We remain confident about our future growth prospects. Our CCM format stations in Atlanta, Cleveland, Portland and Honolulu each achieved their highest audience share to date in their female 25-54 target demographic in Arbitron's spring 2005 book. Also in the spring book, KLTY's female 25-54 audience share, was tied for #1 in the Dallas market. This is a significant accomplishment since it is the first time a CCM station has been ranked #1 in the female 24-54 demographic in any major market. These audience trends position us favorably for future revenue and profit growth. Looking at our business as a whole, our most significant growth opportunity is to develop to maturity our start-up and early development stage radio stations. Approximately half of our stations, including all of our News Talk and many of our CCM stations, are in one of these development stages. We intend to fully exploit this potential.

Third quarter 2005 outlook reflects the following:

Same station net broadcasting revenue growth in the mid single digits compared to third quarter 2004;

Reduced inventory loads at KLTY (94.9 FM), our CCM radio station in Dallas;

The absence of political revenue that contributed \$0.6 million to third quarter 2004;

Continued growth from Salem's underdeveloped radio stations, particularly our News Talk and CCM stations;

Start up costs associated with recently acquired stations in the Chicago, Cleveland, Dallas, Detroit, Honolulu, Houston, Sacramento, Miami, Omaha and Tampa markets; and

The exchange of radio stations with Univision and Bustos Media.
