Dear TAL International Employees,

We know that you had an opportunity to hear from Brian yesterday about the merger of our two great companies, but we also wanted you to hear directly from us about our enthusiasm for this extraordinary combination. TAL International is an impressive company and one that we have long admired as our most able competitor. We believe this transaction is the ideal strategic and cultural fit for our two organizations and we and our colleagues believe that together with you we'll create an organization even better than either TAL International or Triton stand-alone.

The Triton team shares your unwavering focus on delivering operational excellence, high levels of reliability and industry-leading customer service that are underpinned by a commitment to diligence, respect, trust and teamwork. Together, we will create the world's largest and most capable container leasing company, benefitting from enhanced operating and systems capabilities, a talented team of professionals with deep industry knowledge and a stronger financial profile.

We will be uniquely positioned to meet the increasingly complex container needs of our customers, anytime and anywhere in the world. In short, we believe that joining forces better positions us to navigate the current challenging operating environment and to fully capture new opportunities when the market recovers.

Over the coming months, we look forward to working with Brian and all of his colleagues to complete the transaction and to launching Triton International Limited!

Sincerely,
