The purpose of this supplement to the proxy statement of Nord Resources Corporation, filed with the Securities and Exchange Commission on August 9, 2012 (the Proxy Statement), relating to our 2012 Annual Meeting of Stockholders to be held on September 18, 2012 (the Annual Meeting), is to correct the disclosure concerning the beneficial ownership of our common stock by:

- each person who is known by us to beneficially own more than 5% of our shares of common stock, and
- each named executive officer, each director, and all of our directors and executive officers as a group,

as described under the heading *Security Ownership of Beneficial Owners and Management* , at pages 4 through 6 of the Proxy Statement.

Accordingly, the disclosure under the heading *Security Ownership of Beneficial Owners and Management* , at pages 4 through 6 of the Proxy Statement, is replaced in its entirety with the following:

**SECURITY OWNERSHIP OF
CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth information as of July 20, 2012 regarding the beneficial ownership of our common stock by:

- each person who is known by us to beneficially own more than 5% of our shares of common stock; and
- each named executive officer, each director, and all of our directors and executive officers as a group.

The number of shares beneficially owned and the percentage of shares beneficially owned are based on 112,488,604 shares of common stock outstanding as of July 20, 2012.

For the purposes of the information provided below, shares that may be issued upon the exercise or conversion of options, warrants and other rights to acquire shares of our common stock that are exercisable or convertible within 60 days following July 20, 2012, are deemed to be outstanding and beneficially owned by the holder for the purpose of computing the number of shares and percentage ownership of that holder, but are not deemed to be outstanding for the purpose of computing the percentage ownership of any other person.

Notes

- (1) Under Rule 13d-3, a beneficial owner of a security includes any person who, directly or indirectly, through any contract, arrangement, understanding, relationship, or otherwise has or shares: (i) voting power, which includes the power to vote, or to direct the voting of shares; and (ii) investment power, which includes the power to dispose or direct the disposition of shares. Certain shares may be deemed to be beneficially owned by more than one person (if, for example, persons share the power to vote or the power to dispose of the shares). In addition, shares are deemed to be beneficially owned by a person if the person has the right to acquire the shares (for example, upon exercise of an option) within 60 days of the date as of which the information is provided. In computing the percentage ownership of any person, the amount of shares outstanding is deemed to include the amount of shares beneficially owned by such person (and only such person) by reason of these acquisition rights. As a result, the percentage of outstanding shares of any person as shown in this table does not necessarily reflect the person's actual ownership or voting power with respect to the number of common shares actually outstanding on July 20, 2012.
- (2) The address of the executive officers and directors is c/o Nord Resources Corporation, 1 West Wetmore Road, Suite 203, Tucson, Arizona, 85705.

The unpaid principal and accrued interest outstanding under the note is convertible at the option of Mr. Hirsch at any time prior to the due date, in whole and not in part, into common stock at a conversion price of \$0.16 per share. The number of shares reported as being beneficially owned by Mr. Hirsch includes 312,500 shares of common stock into which the principal is convertible, but does not include the number of shares issuable upon conversion of accrued interest as that figure is not currently known. Also includes 441,667 shares of common stock that may be acquired pursuant to options exercisable within 60 days.
