### **RELEVANT NOTICE**

Telesp Celular Participações S.A. hereby informs:

On December 27<sup>th</sup>, 2002, Telesp Celular Participações S.A. ( TCP ) acquired the remaining 17% of the capital stock of the holding companies that control Global Telecom ( GT ), and became the indirect owner of 100% of the capital stock of GT, the B Band cellular operator in the states of Santa Catarina and Paraná, according to the Relevant Notice published in the D.O.E.S.P. on December 28<sup>th</sup>, 2002, and in Gazeta Mercantil on December 30<sup>th</sup>, 2002.

According to Instruction CVM 247 of March 23<sup>rd</sup>, 1996, and due to the acquisition of the remaining 17% of the capital stock of the holdings that control GT, the Company decided to hire an independent appraisal of Global Telecom to evaluate the need to constitute an investment loss provision.

After the end of the appraisal, if this provision is constituted, it will be recorded as an extraordinary item of the income statement, with a negative impact on the net result of this accounting period.

**FORWARD-LOOKING STATEMENTS**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
