Item 5. Other Events and Regulation FD Disclosure.

On March 17, 2003, Liberate Technologies announced the following changes to its management in three separate press releases:

Liberate's Board of Directors has appointed David Lockwood as its new chairman of the board and chief executive officer. Mr. Lockwood will assume the roles of chairman and chief executive officer immediately after the company files its Form 10-K/A for its fiscal year ended May 31, 2002, and its outstanding filings for its 2003 fiscal year. He will be employed by the company as a strategic advisor until he assumes his executive responsibilities.

Patrick P. Nguyen has been named Liberate's executive vice president of corporate development. Mr. Nguyen will assume the corporate development role immediately after Liberate files its Form 10-K/A for its fiscal year ended May 31, 2002, and its outstanding filings for its 2003 fiscal year. He will be employed by the company as a strategic advisor until he assumes his executive responsibilities.

Greg Wood has been named Liberate's executive vice president and chief financial officer. Mr. Wood will assume the executive vice president and chief financial officer posts immediately after Liberate files its Form 10-K/A for its fiscal year ended May 31, 2002, and its outstanding filings for its 2003 fiscal year. He will be employed by the company as a strategic advisor until he assumes his executive responsibilities. Kent Walker, who is currently serving as chief financial officer, has been appointed executive vice president of corporate affairs and will continue to serve as general counsel.

Those statements above that involve expectations or intentions (such as those relating to future management changes) are forward-looking statements, not guarantees of future performance. Actual results may vary materially due to the uncertain market for video, voice and data services, dependence on a limited number of network operators and equipment providers, limited availability of necessary technology and services, unanticipated research and development or sales and marketing expenses, potential software problems, evolving accounting guidance, and other risks outlined in Liberate's filings with the Securities and Exchange Commission (including its most recent annual report on Form 10-K).
