On August 25, 2006, Bulldog Technologies Inc. (the Company) entered into an amendment (the Amendment) to the February 2006 Convertible Note (the Notes) described below and in the Current Report on Form 8-K filed February 28, 2006. In connection with the Amendment, the Company will issue to ten (10) investors (the Note Holders) a total of 4,480,000 shares of the Company's registered common stock in satisfaction of an August 24, 2006 principal payment. In addition, the Company will adjust the conversion price of both the Notes and the August 2005 Convertible Notes (the August Notes) to a price equal to the lesser of (i) \$0.05 per share or (ii) 75% of the average of the VWAP for each of the ten (10) trading days immediately prior to the applicable conversion date or principal repayment date.

The Company has also agreed to file a registration statement within thirty days of the execution of the Amendment. The registration statement will register the number of shares of the Company's common stock into which the Note Holders could convert the remaining principal of the Notes and the August Notes based upon the amended conversion price as described above. Following the August 24, 2006 principal repayment of the Notes as described above, the Company will have approximately \$2,867,000 of principal outstanding in the aggregate on the Notes and the August 2005 Notes.

On February 24, 2006, the Company issued an aggregate of \$2,000,000 of the Notes which entitled the Note Holders to convert all or any part of the principal outstanding under the Notes into the Company's common stock at \$1.00 per share, subject to adjustment according to the terms of the Notes agreement. The total principal of \$2,000,000 was to be repaid in 14 monthly instalments of approximately \$143,000 per month commencing on June 24, 2006. These repayments may be payable in cash or in shares of common stock at the market price, as further defined in the Notes filed as exhibit 10.2 with the Current Report on Form 8-K filed February 28, 2006. All principal and interest on the February 2006 Notes are due on August 24, 2007. The Company paid the June 24, 2006 and July 24, 2006 principal instalments in cash.

The Company has agreed to use its best efforts to pursue any action or remedies available to it against John Cockburn in accordance with the terms of the Amendment.
