**Explanatory Note**

This amendment is being filed to correct the number of shares and warrants issued pursuant to the Letter Agreements entered into by Callisto Pharmaceuticals, Inc.

**Item 1.01 Entry into a Material Definitive Agreement.**

On September 8, 2006, Callisto Pharmaceuticals, Inc., a Delaware corporation (the Company) entered into a Letter Agreement with certain investors (the Investors) who participated in a private placement of the Company's common stock and warrants in February and April 2006 (the Prior Placement). Pursuant to the Letter Agreement, the Investors agreed to amend (the Amendment) the securities purchase agreement (the Securities Purchase Agreement) entered into in connection with the Prior Placement to (i) delete the mandatory registration rights set forth in the Securities Purchase Agreement and add piggyback registration rights and (ii) waive any and all penalties pursuant to the liquidated damages provisions contained in Section 5.2(b) of the Securities Purchase Agreement. In addition, the Investors agreed to enter into a lock-up agreement (the Lock-up Agreement) pursuant to which they agreed with the Company not to sell or transfer the shares of common stock and warrants acquired from the Company in the Prior Placement during the period beginning September 1, 2006 and ending May 31, 2007.

In exchange for the Investors entering into the Amendment and the Lock-Up Agreement, the Company issued to each Investor one share of common stock (the New Shares) for every five shares of common stock they purchased in the Prior Placement. Further, the Company issued to each Investor a number of warrants (the New Warrants) equal to 47% of the aggregate number of shares such Investor purchased in the Prior Placement plus the New Shares. In addition, the Company agreed in the Letter Agreement to amend the warrants (the Old Warrants) issued in the Prior Placement to the Investors to (i) extend the expiration date of the Old Warrants by 42 months thereby making them 5 year warrants and (ii) eliminate the provision in the Old Warrants by which the Company can force exercise of the unexercised warrants.

Pursuant to the Amendment, the Company issued 740,067 New Shares and 2,086,988 New Warrants to the Investors. In connection with the issuance of the securities to the Investors, the Company relied on the exemption from registration provided by Section 4(2) of the Securities Act of 1933, as amended (the Securities Act). The Company believes that the Investors are accredited investors, as such term is defined in Rule 501(a) promulgated under the Securities Act.
