PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by our Board of Directors to be voted at the Special Meeting of our stockholders which will be held at our offices located at 420 Lexington Avenue, Suite 1609, New York, New York, on March 2, 2007 beginning at 11:00 a.m., and at any postponements or adjournments thereof on.

INFORMATION ABOUT THE SPECIAL MEETING AND VOTING

Q: What is the purpose of the Special Meeting?

A: At our Special Meeting, stockholders are being to ask to vote upon and approve the issuance of up to 17,448,427 shares of our common stock, \$.0001 par value (issuable upon the conversion of 614,125 shares of Series A Convertible Preferred Stock and the exercise of 9,260,094 common stock purchase warrants) at a price below fair market value issued pursuant in connection with a private placement conducted October 2006 - January 2007. Furthermore, stockholders are being asked to vote upon and approve an amendment to our Certificate of Incorporation, as amended, to increase the number of authorized shares of common stock from 100,000,000 shares to 150,000,000 shares.

Q: Who is entitled to vote at the meeting?

A: Stockholders of record at the close of business on January 26, 2007, the record date for the meeting, are entitled to receive notice of and to participate in the Meeting. As of that record date, we had outstanding and entitled to vote 39,194,996 shares of common stock. The common stock is the only class of our stock that is outstanding and entitled to vote at the Meeting. If you were a stockholder of record of common stock on that record date, you will be entitled to vote all of the shares that you held on that date at the meeting, or any postponements or adjournments of the meeting. Each outstanding share of our common stock will be entitled to one vote on each matter. Stockholders who own shares registered in different names or at different addresses will receive more than one Proxy card. You must sign and return each of the Proxy cards received to ensure that all of the shares owned by you are represented at the Meeting.

Q: Who can attend the meeting?

A: Only stockholders as of the record date, or their duly appointed proxies, may attend the meeting, and each may be accompanied by one guest. Seating, however, is limited. Admission to the meeting will be on a first-come, first-served basis. Registration will begin at 10 a.m., and seating will begin at 10:30 a.m. Cameras, recording devices and other electronic devices will not be permitted at the meeting.

Q: Why are we soliciting proxies?

A: Because many of our stockholders are unable to personally attend the Special Meeting, our Board of Directors (the Board or the Board of Directors) solicits the enclosed proxy so that each stockholder is given an opportunity to

vote. This proxy enables each stockholder to vote on the matters which are scheduled to come before the meeting. When the Proxy is returned properly executed, the stockholder's shares will be voted according to the stockholder's directions. Stockholders are urged to specify their choices by marking the appropriate boxes on the enclosed Proxy card.

Q: What constitutes a quorum?

A: The presence at the meeting, in person or by proxy, of the holders of a majority of the number of shares of common stock issued and on the record date will constitute a quorum permitting the meeting to conduct its business. As noted above, as of the record date, 39,194,996 shares of our common stock, representing the same number of votes, were outstanding. Thus, the presence of the holders of common stock representing at least 19,597,498 votes will be required to establish a quorum. If you submit a properly executed proxy card, even if you abstain from voting or if you withhold your vote with respect to any proposal, you will be considered present for purposes of a quorum and for purposes of determining voting power present. Because abstentions and withheld votes are considered present for purposes of determining voting power, abstentions and withheld votes have the effect of a vote AGAINST a proposal. If a broker indicates on a proxy that it does not have discretionary authority as to certain shares to vote on a particular matter (broker non-votes), those shares will be

3

considered present for purposes of a quorum but will not be considered present for purposes of determining voting power on that matter.

Q: How do I vote?

A: We are offering you four methods of voting.

- You may indicate your vote on the enclosed proxy card, sign and date the card, and return the card in the enclosed prepaid envelope.
- You may vote by telephone by calling the toll free number that appears on the enclosed proxy card and following the instructions given.
- You may vote via the Internet by following the instructions provided on the enclosed proxy card.
- You may attend the meeting and vote in person.

All shares entitled to vote and represented by a properly completed and executed proxy received before the meeting and not revoked will be voted at the meeting as you instruct in a proxy delivered before the meeting. If you do not indicate how your shares should be voted on a matter, the shares represented by your properly completed and executed proxy will be voted as the Board of Directors recommends on each of the enumerated proposals and with regard to any other matters that may be properly presented at the meeting and all matters incident to the conduct of the meeting. If you are a registered stockholder and attend the meeting, you may deliver your completed Proxy card in person. Street name stockholders who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares. All votes will be tabulated by the inspector of election appointed for the meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

Q: Can I vote by telephone or electronically?

A: If you are a registered stockholder (that is, if you hold your stock in certificate form), you may vote by telephone, or electronically through the Internet, by following the instructions included with your Proxy card. If your shares are held in street name, please check your Proxy card or contact your broker or nominee to determine whether you will be able to vote by telephone or electronically. Please follow the voting instructions on the enclosed proxy card.

The deadline for voting by telephone or electronically is 5:00 p.m. (Eastern Standard Time) on March 1, 2007.

Q: Can I change my vote after I return my Proxy card?

A: A Proxy may be revoked by giving our Secretary written notice of revocation at any time before the voting of the shares represented by the Proxy. A stockholder who attends the meeting may revoke a Proxy at the meeting. Attendance at the meeting will not, by itself, revoke a Proxy.

Q: What are the Board's recommendations?

A: Unless you give other instructions on your Proxy card, the persons named as proxy holders on the Proxy card will vote in accordance with the recommendations of the Board of Directors. The Board's recommendation is set forth together with the description of each item in this Proxy Statement. In summary, the Board recommends a vote:

- For the potential issuance of up to 17,448,427 shares of our common stock, \$.0001 par value (issuable upon the conversion of 614,125 shares of Series A Convertible Preferred Stock and the exercise of 9,260,094 common stock purchase warrants) at a price below fair market value issued in connection with a private placement conducted October 2006 - January 2007 (see page 5);

- For an amendment to our Certificate of Incorporation, as amended, to increase the number of authorized shares of common stock from 100,000,000 shares to 150,000,000 shares (see page 7).

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

Q: What vote is required to approve each proposal?

A: The potential issuance of up to 17,448,427 shares of our common stock, \$.0001 par value (issuable upon the conversion of 614,125 shares of Series A Convertible Preferred Stock and the exercise of 9,260,094 common stock purchase warrants), at a price below fair market value issued in connection with a private placement conducted October 2006 - January 2007 may be approved by the vote of a majority of votes represented by shares present in person or by proxy and entitled to vote at the special meeting.

4

Approving the amendment of our Certificate of Incorporation will require the affirmative vote, either in person or by proxy, of the holders of a majority of our outstanding shares of common stock.

PROPOSAL NO. 1

TO APPROVE THE POTENTIAL ISSUANCE OF UP TO 17,448,427 SHARES OF COMMON STOCK (ISSUABLE UPON THE CONVERSION OF 614,125 SHARES OF SERIES A CONVERTIBLE PREFERRED STOCK AND THE EXERCISE OF 9,260,094 COMMON STOCK PURCHASE WARRANTS) AT A PRICE BELOW FAIR MARKET VALUE ISSUED IN CONNECTION WITH A PRIVATE PLACEMENT CONDUCTED OCTOBER 2006 JANUARY 2007.

American Stock Exchange Requirements

In connection with the transactions described below with accredited investors, we are seeking stockholders' approval of the potential issuance of up to 17,448,427 shares of our common stock (issuable upon the conversion of 614,125 shares of Series A Convertible Preferred Stock and the exercise of 9,260,094 common stock purchase warrants), which is 44.50% of the outstanding shares of common stock as of October 20, 2006 (the trading day immediately preceding the date of the initial closing), to the extent required by the American Stock Exchange (AMEX), at a market price below fair market value at the time of issuance and sale (including, if, at that time, the price is also below book value per share). Under Section 713 of the Listing Standards, Policies and Requirements of the AMEX, the sale, issuance, or potential issuance by a company of common stock (or securities convertible into common stock) equal to 20% or more of its currently outstanding shares of common stock, at a price less than the greater of book or market value of our stock requires stockholder approval, provided that stockholder approval is not required for a public offering as defined by the AMEX. Since the conversion price for shares of our common stock into which the Series A Convertible Preferred Stock and the warrants (as described below) could be converted at a price below fair market value in accordance with the terms of the Series A Convertible Preferred Stock and the warrants, we are seeking approval from you for issuances of common stock underlying the Series A Convertible Preferred Stock and the warrants.

As of January 26, 2007, we had 39,194,996 shares of our common stock outstanding.

Principal Terms of the Private Placement

On October 23, 2006, November 22, 2006, December 20 and 22, 2006 and January 10, 2007 we entered into a securities purchase agreement, respectively, with accredited investors (the Investors) for the sale of 105,000, 67,250, 402,100 and 28,000 shares of Series A Convertible Preferred Stock (the Series A Preferred Stock), respectively, and 1,400,000, 896,667, 5,361,333 and 373,333 warrants (collectively, the Warrants), respectively for aggregate gross proceeds of \$1,050,000 and \$672,500, \$4,021,000 and \$280,000 respectively. Additionally, we issued an aggregate 11,775 share of Series A Preferred Stock and 1,228,761 Warrants to certain selling agents. The Series A Preferred Stock is convertible into 8,188,333 shares of our common stock and the Warrants are exercisable for 9,260,094 shares of our common stock, in each case subject to anti-dilution adjustments. Other than pursuant to certain issuances, for the twelve (12) month period beginning on the effective date of the Registration Statement registering the resale of the shares of common stock underlying the Warrants by the Holder, if we at any time while the Warrants are outstanding, shall sell or grant any option to purchase or otherwise dispose of or issue any common stock or common stock equivalents entitling any person to acquire shares of common stock, at an effective price per share less than the then exercise price (such lower price, the Base Exercise Price), then, the exercise price shall be reduced to an amount equal to the Base Exercise Price.

The Series A Preferred Stock and Warrants were issued at discounts from fair market value of up to 7.4% based on the closing sales price on the AMEX for the trading day immediately preceding each closing date

The Certificate of Designations, Number, Voting Powers, Preferences and Rights of the Series A Preferred Stock and the terms of the Warrants includes a restriction which states that we cannot issue any shares of common stock pursuant to the conversion of the Series A Preferred Stock or the exercise of the Warrants which would result in more than 19.999% of the number of shares of common stock outstanding immediately prior to the original issuance date of the Series A Preferred Stock and Warrants being issued. If we do not obtain shareholder approval, then we may not issue upon conversion of the Series A Preferred Stock and exercise of the Warrants in the aggregate, in excess of 19.999% of the number of shares of common stock outstanding on October 20, 2006 (the trading day immediately preceding October 23, 2006 (the first closing date)), or 7,801,417 shares of common stock.

Effect on Existing Stockholders

Edgar Filing: CALLISTO PHARMACEUTICALS INC - Form DEF 14A

All the existing holders of our common stock will be diluted proportionately if the 17,448,427 shares of common stock issuable upon conversion of the Series A Preferred Stock and exercise of the Warrants are issued. Our common stock has no preemptive or similar rights.

RECOMMENDATION OF THE BOARD OF DIRECTORS

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL OF THE POTENTIAL ISSUANCE OF UP TO 17,448,427 SHARES OF OUR COMMON STOCK, \$.0001 PAR VALUE (ISSUABLE UPON THE CONVERSION OF 614,125

5

SHARES OF SERIES A CONVERTIBLE PREFERRED STOCK AND THE EXERCISE OF 9,260,094 COMMON STOCK PURCHASE WARRANTS) AT A PRICE BELOW FAIR MARKET VALUE ISSUED IN CONNECTION WITH A PRIVATE PLACEMENT CONDUCTED OCTOBER 2006 JANUARY 2007.

PROPOSAL 2

APPROVAL OF AN AMENDMENT TO THE CERTIFICATE OF INCORPORATION, AS AMENDED, INCREASING THE AUTHORIZED COMMON STOCK FROM 100,000,000 SHARES TO 150,000,000 SHARES

The Board of Directors authorized an amendment to our Certificate of Incorporation, as amended, to increase the number of our authorized shares of common stock. Subject to stockholder approval, Article Four would be amended to read as follows and would be filed with the Delaware Secretary of State:

FOURTH: The Corporation is authorized to issue two classes of stock to be designated, respectively, Common Stock and Preferred Stock. The total number of shares that the Corporation is authorized to issue is one hundred seventy million (170,000,000), of which one hundred fifty million (150,000,000) shares shall be Common Stock, \$.0001 par value per share, and of which twenty million (20,000,000) shares shall be Preferred Stock, \$.0001 par value per share.

The Preferred Stock may be issued from time to time in one or more series, without further stockholder approval. The Board of Directors of the Corporation is hereby authorized to fix or alter the rights, preferences, privileges and restrictions granted to or imposed upon each series of Preferred Stock, and the number of shares constituting any such series and the designation thereof, or of any of them. The rights, privileges, preferences and restrictions of any such additional series may be subordinated to, pari passu with (including, without limitation, inclusion in provisions with respect to liquidation and acquisition preferences, redemption and/or approval of matters by vote), or senior to any of those of any present or future class or series of Preferred Stock or Common Stock. The Board of Directors is also authorized to increase or decrease the number of shares of any series prior or subsequent to the issue of that series, but not below the number of shares of such series then outstanding. In case the number of shares of any series shall be so decreased, the shares constituting such decrease shall resume the status which they had prior to the adoption of the resolution originally fixing the number of shares of such series.

A copy of the proposed Certificate of Amendment to the Certificate of Incorporation of the Company is attached to this Proxy Statement as Appendix A. The terms of the additional shares of common stock will be identical to those of the currently outstanding shares of common stock. However, because holders of common stock have no preemptive rights to purchase or subscribe for any unissued stock of the Company, the issuance of additional shares of common stock will reduce the current stockholders' percentage ownership interest in the total outstanding shares of Common Stock. This amendment and the creation of additional shares of authorized common stock will not alter the current number of issued shares. The relative rights and limitations of the shares of common stock will remain unchanged under this amendment.

As of the Record Date, a total of 39,194,996 shares of the Company's currently authorized 100,000,000 shares of common stock are issued and outstanding. The increase in the number of authorized but unissued shares of common stock would enable the Company, without further stockholder approval, to issue shares from time to time as may be required for proper business purposes, such as raising additional capital for ongoing operations, business and asset acquisitions, stock splits and dividends, present and future employee benefit programs and other corporate purposes.

The proposed increase in the authorized number of shares of common stock could have a number of effects on the Company's stockholders depending upon the exact nature and circumstances of any actual issuances of authorized but unissued shares. The increase could have an anti-takeover effect, in that additional shares could be issued (within the limits imposed by applicable law) in one or more transactions that could make a change in control or takeover of the Company more difficult. For example, additional shares could be issued by the Company so as to dilute the stock ownership or voting rights of persons seeking to obtain control of the Company. Similarly, the issuance of additional shares to certain persons allied with the Company's management could have the effect of making it more difficult to remove the Company's current management by diluting the stock ownership or voting rights of persons seeking to cause such removal. Except as further discussed herein, the Board of Directors is not aware of any attempt, or contemplated attempt, to acquire control of the Company, and this proposal is not being presented with the intent that it be utilized as a type of anti-takeover device.

There are currently no plans, arrangements, commitments or understandings for the issuance of the additional shares of common stock which are to be authorized.

Stockholders do not have any preemptive or similar rights to subscribe for or purchase any additional shares of common stock that may be issued in the future, and therefore, future issuances of common stock may, depending on the circumstances, have a dilutive effect on the earnings per share, voting power and other interests of the existing stockholders.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR APPROVAL OF THE PROPOSAL TO AMEND THE CERTIFICATE OF INCORPORATION, AS AMENDED, TO INCREASE THE NUMBER OF AUTHORIZED
