- + Indicates less than one percent (1%).
- * The selling stockholders identified with this symbol have identified that they are, or are affiliates of, registered broker-dealers. These selling stockholders have represented that they acquired their securities in the ordinary course of business and in the open market, and, at the time of the acquisition of the securities, had no agreements or understandings, directly or indirectly, with any person to distribute the securities. To the extent that we become aware that any such selling stockholder did not acquire its securities in the ordinary course of business or did have such an agreement or understanding, we will file either a post-effective amendment to the registration statement of which this prospectus supplement is a part or another prospectus supplement to designate such person as an underwriter within the meaning of the Securities Act of 1933, as amended.
- (1) Represents the maximum number of our shares of common stock issuable in exchange for all of the selling stockholder s notes, based on the current conversion rate of 5.7703 of our shares of common stock per \$1,000 principal amount of the notes. This conversion rate is, however, subject to adjustment. As a result, the number of our shares of common stock issuable upon conversion of the notes may increase or decrease in the future.

1
