**Press Release**

**MTS Board of Directors affirms share repurchase**

**Moscow, Russian Federation** Mobile TeleSystems OJSC ( MTS NYSE: MBT), the largest mobile phone operator in Russia and the CIS, today announced that its Board of Directors have affirmed share repurchase related to the merger of Mobile Communication Systems and BashCELL CJSC.

Under the terms of the repurchase, MTS will acquire 37 762 257 shares from investors who submitted requests to participate in the legally mandated buyback by the 11 August 2008 deadline. In total MTS will spend 11.1 billion roubles, or no more than 10% of its net asset value as of 31 March 2008 as stipulated by Russian Law and affirmed at the meeting of the MTS Board of Directors in May 2008.

Because the total number of shareholder solicitations exceeded this value, MTS will acquire shares proportional to the number of requests received at a rate of 0.76667734.

As mandated by Russian Law, MTS will carry out the transaction by 10 September 2008.

Additional information, including how MTS calculates its net asset value, can be found on our website at [http://www.mtsgsm.com/corporate\\_governance/shareholders/2008\\_06\\_27/](http://www.mtsgsm.com/corporate_governance/shareholders/2008_06_27/).

Some of the information in this press release may contain projections or other forward-looking statements regarding future events or the future financial performance of MTS, as defined in the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. You can identify forward looking statements by terms such as expect, believe, anticipate, estimate, intend, will, could, may or might, and such terms or other similar expressions. We wish to caution you that these statements are only predictions and that actual events or results may differ materially. We do not intend to update these statements to reflect events and circumstances occurring after the date hereof or to reflect the occurrence of unanticipated events. We refer you to the documents MTS files from time to time with the U.S. Securities and Exchange Commission, specifically the Company's most recent Form 20-F. These documents contain and identify important factors, including those contained in the section captioned Risk Factors that could cause the actual results to differ materially from those contained in our projections or forward-looking statements, including, among others, potential fluctuations in quarterly results, our competitive environment, dependence on new service development and tariff structures, rapid technological and market change, acquisition strategy, risks associated with telecommunications infrastructure, risks associated with operating in Russia and the CIS, volatility of stock price, financial risk management and future growth subject to risks.
