Item 1.01

Entry into a Material Definitive Agreement.

On August 28, 2008, Titan Machinery Inc. (the Company) entered into a Loan Agreement with Bremer Bank, N.A. (Bremer), which provides for a \$25 million revolving operating line of credit (the Facility). The Facility may be used to fund short term working capital requirements of the Company. The \$25 million Facility replaces the Company's previous \$12 million operating line of credit with Bremer. Under the terms of new Loan Agreement, the Company's Chief Executive Officer, David Meyer, is no longer a personal guarantor of the Bremer Facility. The Facility has a variable interest rate of 0.25% per annum below the prime rate, requires monthly payments of accrued interest, and has a maturity date of August 1, 2009. Advances under the Facility are secured by substantially all of the Company's assets. The Facility contains customary financial covenants and various restrictive covenants that are substantially identical to those of the previous Bremer loan agreement.
