Costs associated with sale of Series A Preferred Stock to the U.S. Treasury

In connection with our sale of Series A Preferred Stock to the Treasury Department, the Company also issued to the Treasury Department a warrant to purchase 1,326,238 shares of our common stock. The terms of the transaction with Treasury will result in limitations on our ability to pay dividends and repurchase our shares. Until December 23, 2011 or until Treasury no longer holds any shares of the Series A Preferred Stock, the Company will not be able to increase cash dividends above current levels (\$0.33 per share of common stock on a semi-annual basis) nor repurchase any of our shares without the initial selling securityholder's approval, with limited exceptions, most significantly repurchases in connection with benefit plans. In addition, we will not be able to pay any dividends at all on our common stock unless we are current on our dividend payments on the Series A Preferred Stock. These restrictions, as well as the dilutive impact of the warrant, may have a negative effect on the market price of our common stock.

Unless the Company is able to redeem the Series A Preferred Stock prior to February 15, 2014, the cost of this capital will increase substantially on that date, from 5.00% on the liquidation preference of \$1,000 per share of Series A Preferred Stock (approximately \$10,800,000 million annually) to 9.00% on the liquidation preference of \$1,000 per share of Series A Preferred Stock (approximately \$19,440,000 million annually). Depending on our financial condition at the time, this increase in dividends on the Series A Preferred Stock could have a negative effect on our liquidity.

Future offerings of debt, which would be senior to our common stock upon liquidation, and/or preferred equity securities which may be senior to our common stock for purposes of dividend distributions or upon liquidation, may adversely affect the market price of our common stock.

Table of Contents

In the future, we may attempt to increase our capital resources or, if our or our banking subsidiaries' capital ratios fall below the required minimums, we or our banking subsidiaries could be forced to raise additional capital by making additional offerings of debt or preferred equity securities, including medium-term notes, trust preferred securities, senior or subordinated notes and preferred stock. Upon liquidation, holders of our debt securities and shares of preferred stock and lenders with respect to other borrowings will receive distributions of our available assets prior to the holders of our common stock. Additional equity offerings may dilute the holdings of our existing shareholders or reduce the market price of our common stock, or both. Holders of our common stock are not entitled to preemptive rights or other protections against dilution.

You may not receive dividends on the common stock.

Holders of our common stock are entitled to receive dividends only when, as and if declared by our board of directors. Although we have historically declared cash dividends on our common stock, we are not required to do so and our board of directors may reduce or eliminate our common stock dividend in the future. Further, the terms of the Series A Preferred Stock limit our payment of dividends on common stock, as described above. This could adversely affect the market price of our common stock.

We may experience increases in the cost of compensation programs.

In addition, pursuant to the Purchase Agreement we adopted the initial selling securityholder's standards for executive compensation for the period during which the initial selling securityholder holds the equity issued pursuant to the Purchase Agreement, including the common stock that may be issued pursuant to the warrant. These standards include an agreement not to deduct for tax purposes executive compensation in excess of \$500,000 for each applicable senior executive. This change to the deductibility limit on executive compensation will likely increase the overall cost of our compensation programs in future periods if the compensation exceeds the deductibility limit.

Table of Contents**USE OF PROCEEDS**

We will not receive any proceeds from sales of the securities by the selling securityholders.

RATIOS OF EARNINGS TO FIXED CHARGES AND PREFERRED DIVIDENDS

We had no outstanding shares of preferred stock during any of the years ended December 31, 2007, 2006, 2005, 2004 and 2003, or during the nine months ended September 30, 2008. The following table sets forth our consolidated ratios of earnings to fixed charges for each of the periods indicated.

| | Nine Months Ended September 30, 2008 | 2007 | 2006 | Years ended December 31, | | |
|---|---|------|------|--------------------------|------|------|
| | 2008 | | | 2005 | 2004 | 2003 |
| Ratios of earnings to fixed charges, excluding interest on deposits | 3.0x | 2.3x | 2.1x | 2.9x | 4.4x | 5.0x |
| Ratios of earnings to fixed charges, including interest on deposits | 1.8x | 1.5x | 1.5x | 2.0x | 2.6x | 2.9x |

We computed the ratio of earnings to fixed charges by dividing earnings by fixed charges. For purposes of computing this ratio, earnings consist of income before provision for income taxes and minority interest plus fixed charges. Fixed charges consist of the sum of interest expense on indebtedness, including amortization of debt issuance costs, and one-third of rental expense, which we believe is representative of the interest factor.

DESCRIPTION OF SERIES A PREFERRED STOCK

The following is a summary of the terms of the Series A Preferred Stock that may be sold by the selling securityholders. This summary does not purport to be complete in all respects. It is subject to and qualified in its entirety by reference to our articles of incorporation and amendments, including the certificate of designation with respect to the Series A Preferred Stock, copies of which have been filed with the Commission and are also available from us upon request.

General

Edgar Filing: INTERNATIONAL BANCSHARES CORP - Form S-3

Under our articles of incorporation, as amended, we have authority to issue up to 25,000,000 shares of preferred stock, \$0.01 par value per share. Our board of directors has designated 216,000 shares of our Preferred Stock as Fixed Rate Cumulative Perpetual Preferred Stock, Series A, all of which shares were issued to the initial selling securityholder in a transaction exempt from the registration requirements of the Securities Act. The issued and outstanding shares of Series A Preferred Stock are validly issued, fully paid and nonassessable.

Table of Contents

Dividends Payable

Holders of shares of Series A Preferred Stock are entitled to receive if, as and when declared by our board of directors or a duly authorized committee of the board, out of assets legally available for payment, cumulative cash dividends at a per annum rate of 5% on the liquidation preference of \$1,000 per share of Series A Preferred Stock with respect to each dividend period from December 23, 2008 to, but excluding, February 15, 2014. From and after February 15, 2014, holders of shares of Series A Preferred Stock are entitled to receive cumulative cash dividends at a per annum rate of 9% per share on the liquidation preference of \$1,000 per share of Series A Preferred Stock with respect to each dividend period thereafter.

Dividends are payable quarterly in arrears on each February 15, May 15, August 15 and November 15, starting with February 15, 2009. Each such date is referred to as a dividend payment date. If any dividend payment date is not a business day, then the next business day will be the applicable dividend payment date, and no additional dividends will accrue as a result of the postponement of the dividend payment date. Dividends payable during any dividend period are computed on the basis of a 360-day year consisting of twelve 30-day months. Dividends payable with respect to the Series A Preferred Stock are payable to holders of record of shares of Series A Preferred Stock on the date that is 15 calendar days immediately preceding the applicable dividend payment date or such other record date as the board of directors or any duly authorized committee of the board determines, so long as such record date is not more than 60 nor less than 10 days prior to the applicable dividend payment date.

We are required to provide written notice to the holders of shares of Series A Preferred Stock prior to the applicable dividend payment date if we determine not to pay any dividend or a full dividend with respect to the Series A Preferred Stock.

Additionally, we are restricted from paying any dividends on our preferred stock if required interest payments on our outstanding junior subordinated debentures are not made or deferred. As of the date of this prospectus, we had \$201 million outstanding in junior subordinated deferrable interest debentures. The junior subordinated debentures relate to eight issuances and mature on dates ranging from June 2031 to September 2037, but are redeemable at our option at par plus accrued and unpaid interest on or after the dates set forth in the chart below. The Company has the right, unless an Event of Default (as defined in the respective Indentures) has occurred and is continuing, to defer payment of interest on the debentures for up to ten consecutive semi-annual periods on the issuance referred to as Trust I and for up to twenty consecutive quarterly periods on the issuances referred to as Trusts VI, VII, VIII, IX, X, XI and XII. The redemption prior to maturity of any of the Debentures may require the prior approval of the Federal Reserve and/or other regulatory bodies.

Table of Contents

The following table illustrates key information about each of the debenture issuances and their interest rates at September 30, 2008:

| | Junior Subordinated Deferrable Interest Debentures (in thousands) | Repricing Frequency | Interest Rate | Interest Rate Index(1) | Maturity Date | Optional Redemption Date |

(1) Trust IX, X, XI and XII accrue interest at a fixed rate for the first five years, then floating at LIBOR + 1.62%, 1.65%, 1.62% and 1.45% thereafter, respectively.

We are subject to various regulatory policies and requirements relating to the payment of dividends, including requirements to maintain adequate capital above regulatory minimums. The Board of Governors of the Federal Reserve System, which is also referred to as the Federal Reserve Board, is authorized under applicable law and regulations to determine, under certain circumstances relating to our financial condition, that the payment of dividends would be an unsafe or unsound practice and to prohibit payment thereof. In addition, we are subject to Texas state laws relating to the payment of dividends.

Priority of Dividends

With respect to the payment of dividends and the amounts to be paid upon liquidation, the Series A Preferred Stock will rank:

- senior to our common stock and all other equity securities designated as ranking junior to the Series A Preferred Stock; and
- equally with all other equity securities designated as ranking on a parity with the Series A Preferred Stock, which is referred to as parity stock, with respect to the payment of dividends and distribution of assets upon any liquidation, dissolution or winding-up of the Company.

So long as any shares of Series A Preferred Stock remain outstanding, unless all accrued and unpaid dividends for all prior dividend periods have been paid or are contemporaneously declared and paid in full, no dividend may be paid or declared on our common stock or other junior stock, other than a dividend payable solely in common stock. We and our subsidiaries also may not purchase, redeem or otherwise acquire for consideration any shares of our common

stock or other junior stock unless we have paid all accrued dividends on the Series A Preferred Stock for all prior dividend periods in full, with the following exceptions:

- purchases, redemptions or other acquisitions of our common stock or other junior stock in connection with the administration of our employee benefit plans in the ordinary course of business pursuant to a publicly announced repurchase plan up to the increase in diluted shares outstanding resulting from the grant, vesting or exercise of equity-based compensation;
- purchases or other acquisitions by any broker-dealer subsidiaries of the Company solely for the purpose of market-making, stabilization or customer facilitation transactions in junior stock or parity stock in the ordinary course of its business;
- purchases or other acquisitions by any broker-dealer subsidiaries of the Company for resale pursuant to an offering by the Company of our stock that is underwritten by the related broker-dealer subsidiary;
- any dividends or distributions of rights or junior stock in connection with any shareholders rights plan or repurchases of rights pursuant to any shareholders rights plan;
- acquisition of record ownership of junior stock or parity stock for the beneficial ownership of any other person who is not the Company or a subsidiary of the Company, including as trustee or custodian; and
- the exchange or conversion of junior stock for or into other junior stock or of parity stock for or into other parity stock or junior stock but only to the extent that such acquisition is required pursuant to binding contractual agreements entered into before December 23, 2008 or any subsequent agreement for the accelerated exercise, settlement or exchange thereof for common stock.

If we repurchase shares of Series A Preferred Stock from a holder other than the initial selling securityholder, we must also offer to repurchase a ratable portion of the Series A Preferred Stock then held by the initial selling securityholder.

On any dividend payment date for which full dividends on the Series A Preferred Stock and any other parity stock are not paid, or declared and therefor funds set aside, all dividends paid or declared for payment on that dividend payment date (or, with respect to parity stock with a different dividend payment date, on the applicable dividend date therefor falling within the dividend period and related to the dividend payment date for the Series A Preferred Stock), with respect to the Series A Preferred Stock and any other parity stock shall be declared ratably among

Edgar Filing: INTERNATIONAL BANCSHARES CORP - Form S-3

the holders of any such shares who have the right to receive dividends, in proportion to the respective amounts of the undeclared and unpaid dividends relating to the dividend period.

Subject to the foregoing, such dividends, whether payable in cash, stock or otherwise, as may be determined by our board of directors, or a duly authorized committee of the board, may be declared and paid on our common stock and any other stock ranking equally with or junior to the Series A Preferred Stock from time to time out of any funds legally available for such payment, and the Series A Preferred Stock shall not be entitled to participate in any such dividend.

Table of Contents

Redemption

The Series A Preferred Stock may not be redeemed prior to February 15, 2012 unless we have received aggregate gross proceeds from one or more qualified equity offerings (as described below) equal to \$54,000,000, which equals 25% of the aggregate liquidation amount of the Series A Preferred Stock on the date of issuance. If we have received such proceeds, we may redeem the Series A Preferred Stock, subject to the approval of Federal Reserve Board, in whole or in part, upon notice as described below, up to a maximum amount equal to the aggregate net cash proceeds received by us from such qualified equity offerings. A qualified equity offering is a sale and issuance for cash by us, to persons other than the Company or its subsidiaries after December 23, 2008, of shares of perpetual preferred stock, common stock or a combination thereof, that in each case qualify as tier 1 capital of the Company at the time of issuance under the applicable risk-based capital guidelines of the Federal Reserve Board. Qualified equity offerings do not include issuances made in connection with acquisitions, issuances of trust preferred securities and issuances of common stock and/or perpetual preferred stock made pursuant to agreements or arrangements entered into, or pursuant to financing plans that were publicly announced, on or prior to October 13, 2008.

After February 15, 2012, the Series A Preferred Stock may be redeemed at any time, subject to the approval of the Federal Reserve Board, in whole or in part, subject to notice as described below.

In any redemption, the required redemption price would be an amount equal to the per share liquidation amount plus accrued and unpaid dividends up to but excluding the date of redemption.

The Series A Preferred Stock will not be subject to any mandatory redemption, sinking fund or similar provisions. Holders of shares of Series A Preferred Stock have no right to require the redemption or repurchase of the Series A Preferred Stock.

If fewer than all of the outstanding shares of Series A Preferred Stock are to be redeemed, the shares to be redeemed will be selected either pro rata from the holders of record of shares of Series A Preferred Stock in proportion to the number of shares held by those holders or in such other manner as our board of directors or a committee thereof may determine to be fair and equitable.

We will mail notice of any redemption of Series A Preferred Stock by first class mail, postage prepaid, addressed to the holders of record of the shares of Series A Preferred Stock to be redeemed at their respective last addresses appearing on our books. The mailing will be at least 30 days and not more than 60 days before the date fixed for redemption. Any notice mailed or otherwise given as described in this paragraph will be conclusively presumed to have been duly given, whether or not the holder receives the notice, and failure duly to give the notice by mail or otherwise, or any defect in the notice or in the mailing or provision of the notice, to any holder of Series A Preferred Stock designated for redemption will not affect the redemption of any other Series A Preferred Stock. Each notice of redemption will set forth the applicable redemption date, the redemption price, the place where shares of Series A Preferred Stock are to be redeemed, and the number of shares of Series A Preferred Stock to be redeemed (and, if less

Table of Contents

than all shares of Series A Preferred Stock held by the applicable holder, the number of shares to be redeemed from the holder).

Shares of Series A Preferred Stock that are redeemed, repurchased or otherwise acquired by us will revert to the status of authorized but unissued shares of our preferred stock.

Liquidation Rights

In the event that we voluntarily or involuntarily liquidate, dissolve or wind up our affairs, holders of Series A Preferred Stock will be entitled to receive an amount per share, referred to as the total liquidation amount, which is equal to the fixed liquidation preference of \$1,000 per share, plus any accrued and unpaid dividends, whether or not declared, to the date of payment. Holders of the Series A Preferred Stock will be entitled to receive the total liquidation amount out of our assets, if any, that are available for distribution to shareholders, after payment or provision for payment of our debts and other liabilities but before any distribution of assets is made to holders of our common stock or any other shares ranking, as to that distribution, junior to the Series A Preferred Stock.

If our assets are not sufficient to pay the total liquidation amount in full to all holders of Series A Preferred Stock and all holders of any shares of outstanding parity stock, the amounts paid to the holders of Series A Preferred Stock and other shares of parity stock will be paid pro rata in accordance with the respective total liquidation amounts for those holders. If the total liquidation amount per share of Series A Preferred Stock has been paid in full to all holders of Series A Preferred Stock and other shares of parity stock, the holders of our common stock or any other shares ranking, as to such distribution, junior to the Series A Preferred Stock will be entitled to receive all of our remaining assets according to their respective rights and preferences.

For purposes of the liquidation rights, neither the sale, conveyance, exchange or transfer of all or substantially all of our property and assets, nor the consolidation or merger by us with or into any other corporation or by another corporation with or into us, will constitute a liquidation, dissolution or winding-up of our affairs.

Voting Rights

Except as indicated below or otherwise required by law, the holders of Series A Preferred Stock will not have any voting rights.

Election of Two Directors upon Non-Payment of Dividends. If dividends on the Series A Preferred Stock have not been paid for an aggregate of six quarterly dividend periods or more (whether or not consecutive), the authorized number of directors then constituting our board of directors will be increased by two. Holders of Series A Preferred Stock, together with the holders of any outstanding parity stock with like voting rights, which parity stock is referred to as voting parity stock, voting as a single class, will be entitled to elect the two additional members of our board of directors, referred to as the Preferred Stock directors, at the next annual meeting (or at a special meeting called for the

purpose of electing the Preferred Stock directors prior to the next annual meeting) and at each subsequent annual meeting until all accrued and unpaid dividends for all past dividend periods have been paid in full. The election of any Preferred Stock director is subject to the qualification that the election would not cause us to violate the corporate governance requirement of the NASDAQ Global Select Market System (or

Table of Contents

any other exchange on which our securities may be listed) that listed companies must have a majority of independent directors.

Upon the termination of the right of the holders of Series A Preferred Stock and voting parity stock to vote for Preferred Stock directors, as described above, the Preferred Stock directors will immediately cease to be qualified as directors, their term of office shall terminate immediately and the number of authorized directors of the Company will be reduced by the number of Preferred Stock directors that the holders of Series A Preferred Stock and voting parity stock had been entitled to elect. The holders of a majority of shares of Series A Preferred Stock and voting parity stock, voting as a class, may remove any Preferred Stock director, with or without cause, and the holders of a majority of the shares of Series A Preferred Stock and voting parity stock, voting as a class, may fill any vacancy created by the removal of a Preferred Stock director. If the office of a Preferred Stock director becomes vacant for any other reason, the remaining Preferred Stock director may choose a successor to fill such vacancy for the remainder of the unexpired term.

Other Voting Rights. So long as any shares of Series A Preferred Stock are outstanding, in addition to any other vote or consent of shareholders required by law or by our articles of incorporation, the vote or consent of the holders of at least 66 2/3% of the shares of Series A Preferred Stock at the time outstanding, voting separately as a single class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, shall be necessary for effecting or validating:

- any amendment or alteration of our articles of incorporation to authorize or create or increase the authorized amount of, or any issuance of any shares of, or any securities convertible into or exchangeable or exercisable for shares of, any class or series of capital stock ranking senior to the Series A Preferred Stock with respect to payment of dividends and/or distribution of assets on any liquidation, dissolution or winding up of the Company;
- any amendment, alteration or repeal of any provision of the certificate of designations for the Series A Preferred Stock so as to affect adversely the rights, preferences, privileges or voting powers of the Series A Preferred Stock; or
- any consummation of a binding share exchange or reclassification involving the Series A Preferred Stock or of a merger or consolidation of the Company with another entity, unless the shares of Series A Preferred Stock remain outstanding following any such transaction or, if the Company is not the surviving entity, are converted into or exchanged for preference securities and such remaining outstanding shares of Series A Preferred Stock or preference securities have rights, references, privileges and voting powers that are not materially less favorable than the rights, preferences, privileges or voting powers of the Series A Preferred Stock, taken as a whole.

To the extent of the voting rights of the Series A Preferred Stock, each holder of Series A Preferred Stock will have one vote for each such share on any matter on which holders of Series A Preferred Stock are entitled to vote, including any action by written consent.

Edgar Filing: INTERNATIONAL BANCSHARES CORP - Form S-3

The foregoing voting provisions will not apply if, at or prior to the time the vote or consent would otherwise be required, all outstanding shares of Series A Preferred Stock have

been redeemed or called for redemption upon proper notice and sufficient funds have been set aside by us for the benefit of the holders of Series A Preferred Stock to effect the redemption.

DESCRIPTION OF WARRANT TO PURCHASE COMMON STOCK

The following is a summary of the terms of the warrant that may be resold by the selling securityholders. This summary does not purport to be complete in all respects. It is subject to and qualified in its entirety by reference to the warrant, a copy of which has been filed with the Commission and is also available from us upon request.

Shares of Common Stock Subject to the Warrant

The warrant is initially exercisable for 1,326,238 shares of our common stock. If we complete one or more qualified equity offerings on or prior to December 31, 2009 that result in our receipt of aggregate gross proceeds of not less than \$216,000,000, which is equal to 100% of the aggregate liquidation preference of the Series A Preferred Stock, the number of shares of common stock underlying the warrant then held by the selling securityholders will be reduced by 50% to 663,119 shares. The number of shares subject to the warrant are subject to the further adjustments described below under the heading Adjustments to the Warrant.

Exercise of the Warrant

The initial exercise price applicable to the warrant is \$24.43 per share of common stock for which the warrant may be exercised. The warrant may be exercised at any time on or before December 23, 2018 by surrender of the warrant and a completed notice of exercise attached as an annex to the warrant and the payment of the exercise price for the shares of common stock for which the warrant is being exercised. The exercise price may be paid either by the withholding by the Company of the number of shares of common stock issuable upon exercise of the warrant that is equal to the value of the aggregate exercise price of the warrant determined by reference to the market price of our common stock on the trading day on which the warrant is exercised or, if agreed to by us and the warrant holder, by the payment of cash equal to the aggregate exercise price. The exercise price applicable to the warrant is subject to the further adjustments described below under the heading Adjustments to the Warrant.

Upon exercise of the warrant, certificates for the shares of common stock issuable upon exercise will be issued to the warrant holder. We will not issue fractional shares upon any exercise of the warrant. Instead, the warrant holder will be entitled to a cash payment equal to the market price of our common stock on the last day preceding the exercise of the warrant (less the pro-rated exercise price of the warrant) for any fractional shares that would have otherwise been issuable upon exercise of the warrant. We will at all times reserve the aggregate number of shares of our common stock for which the warrant may be exercised. We have listed the shares of common stock issuable upon exercise of the warrant with the NASDAQ Stock Market.

Rights as a Shareholder

The warrant holder shall have no rights or privileges of the holders of our common stock, including any voting rights, until (and then only to the extent) the warrant has been exercised.

Table of Contents

Transferability

The initial selling securityholder may not transfer a portion of the warrant with respect to more than 663,119 shares of common stock until the earlier of the date on which the Company has received aggregate gross proceeds from a qualified equity offering of at least \$216,000,000 and December 31, 2009. The warrant, and all rights under the warrant, are otherwise transferable.

Adjustments to the Warrant

Adjustments in Connection with Stock Splits, Subdivisions, Reclassifications and Combinations. The number of shares for which the warrant may be exercised and the exercise price applicable to the warrant will be proportionately adjusted in the event we pay dividends or make distributions of our common stock, subdivide, combine or reclassify outstanding shares of our common stock.

Anti-dilution Adjustment. Until the earlier of December 23, 2011 and the date the initial selling securityholder no longer holds the warrant (and other than in certain permitted transactions described below), if we issue any shares of common stock (or securities convertible or exercisable into common stock) for less than 90% of the market price of the common stock on the last trading day prior to pricing such shares, then the number of shares of common stock into which the warrant is exercisable and the exercise price will be adjusted unless such issuance constitutes a Permitted Transaction. Permitted Transactions include issuances:

- as consideration for or to fund the acquisition of businesses and/or related assets;
- in connection with employee benefit plans and compensation related arrangements in the ordinary course and consistent with past practice approved by our board of directors;
- in connection with public or broadly marketed offerings and sales of common stock or convertible securities for cash conducted by us or our affiliates pursuant to registration under the Securities Act or Rule 144A thereunder on a basis consistent with capital-raising transactions by comparable financial institutions (but do not include other private transactions); and
- in connection with the exercise of preemptive rights on terms existing as of December 23, 2008.

Other Distributions. The exercise price of the warrant will be adjusted to reflect any dividends or distributions that we declare, other than our historical, ordinary cash dividends.

Certain Repurchases. If we effect a pro rata repurchase of common stock both the number of shares issuable upon exercise of the warrant and the exercise price will be adjusted.

Business Combinations. In the event of a merger, consolidation or similar transaction involving the Company and requiring shareholder approval, the warrant holder's right to receive shares of our common stock upon exercise of the warrant shall be converted into the right to receive on exercise of the warrant the consideration that would have been payable to the warrant holder with respect to the shares of common stock for which the warrant may be exercised, as if the warrant had been exercised prior to such merger, consolidation or similar transaction.

DESCRIPTION OF COMMON STOCK

General

We are authorized by our articles of incorporation, as amended, to issue up to 275,000,000 shares of common stock, \$1.00 par value per share, of which 68,596,690 shares were outstanding as of January 21, 2009.

Holders of our common stock are entitled to receive dividends if, as and when declared by our board of directors out of any funds legally available for the payment of dividends. We will pay dividends on our common stock only if we have paid or provided for the payment of all dividends on our then outstanding series of preferred stock entitled to preference in the receipt of dividends, for the then current period and, in the case of any cumulative preferred stock, all prior periods. Our preferred stock also has such other preferences over our common stock as currently, or as may be, fixed by our board of directors. We are subject to various regulatory policies and requirements relating to the payment of dividends, including requirements to maintain adequate capital above regulatory minimums. The Board of Governors of the Federal Reserve System, which is also referred to as the Federal Reserve Board, is authorized under applicable law and regulations to determine, under certain circumstances relating to the financial condition of a bank holding company that the payment of dividends would be an unsafe or unsound practice and to prohibit payment thereof. In addition, we are subject to Texas state laws relating to the payment of dividends.

Holders of our common stock are also entitled, upon our liquidation, and after payment of all valid claims of creditors and the preferences of Series A Preferred Stock, and any other class or series of preferred stock outstanding at the time of liquidation, to receive pro rata distributions of our net assets.

Holders of our common stock are entitled to one vote for each share held of record on all matters submitted to a vote of shareholders. Holders of shares of common stock are not entitled to cumulative voting rights in the election of directors. Shares of our common stock are not redeemable and holders of our common stock have no subscription, conversion or preemptive rights in their capacities as such.

Our common stock is listed on the NASDAQ Stock Market under the ticker symbol IBOC. Outstanding shares of our common stock are validly issued, fully paid and non-assessable. Holders of our common stock are not, and will not be, subject to any liability as shareholders.

Blank Check Preferred Stock

216,000 shares of our preferred stock is presently designated as Series A Preferred Stock; the remaining 24,784,000 unissued shares of preferred stock are typically referred to as blank check preferred stock. This term refers to stock for which the rights and restrictions are determined by the board of directors of a corporation. Except in limited circumstances, our articles of incorporation authorize our board of directors to issue new shares of common stock or preferred stock without further shareholder action.

Table of Contents

The issuance of additional common or preferred stock may be viewed as having adverse effects upon the holders of common stock. Holders of our common stock will not have preemptive rights with respect to any newly issued stock. Our board of directors could adversely affect the voting power of holders of our stock by issuing shares of preferred stock with certain voting, conversion and/or redemption rights. In the event of a proposed merger, tender offer or other attempt to gain control of the Company that the board of directors does not believe to be in the best interests of its shareholders, the board of directors could issue additional preferred stock which could make any such takeover attempt more difficult to complete. Blank check preferred stock may also be used in connection with the issuance of a shareholder rights plan, sometimes called a poison pill. Our board of directors has not approved any plan to issue preferred stock for this purpose. Our board of directors does not intend to issue any preferred stock except on terms that the board deems to be in the best interests of the Company and its shareholders.

Anti-Takeover Provisions under Texas law, our Articles of Incorporation and By-laws

The provisions of Texas law and our amended and restated by-laws which we summarize below may have an anti-takeover effect and may delay, defer or prevent a tender offer or takeover attempt that a shareholder might consider in his or her best interest, including those attempts that might result in a premium over the market price for the common stock.

Business Combination Under Texas Law. We are a Texas corporation and, are subject to Part Thirteen of the Texas Business Corporation Act, or TBCA. In general, this law will prevent us from engaging in a business combination with an affiliated shareholder, or any affiliate or associate of an affiliated shareholder, for a three-year period after the date such person became an affiliated shareholder, unless:

- our board of directors approves the acquisition of shares that causes such person to become an affiliated shareholder before the date such person becomes an affiliated shareholder;
- our board of directors approves the business combination before the date such person becomes an affiliated shareholder, or
- holders of at least two-thirds of our outstanding voting shares not beneficially owned by the affiliated shareholder or its affiliates or associates approve the business combination within six months after the date such person becomes an affiliated shareholder.

Under this law, any person that owns or has owned 20% or more of our voting shares during the preceding three-year period is an affiliated shareholder. The law defines business combination generally as including:

- mergers, share exchanges or conversions involving an affiliated shareholder;

- dispositions of assets involving an affiliated shareholder;
- having an aggregate value equal to 10% or more of the market value of our assets;

Table of Contents

- having an aggregate value equal to 10% or more of the market value of our outstanding common stock; or
- representing 10% or more of our earning power or net income;
- issuances or transfers of securities by us to an affiliated shareholder other than on a pro rata basis;
- plans or agreements relating to our liquidation or dissolution involving an affiliated shareholder;
- reclassifications, recapitalizations, mergers or other transactions that would have the effect of increasing an affiliated shareholder's percentage ownership of our outstanding voting stock; and
- the receipt of tax, guarantee, pledge, loan or other financial benefits by an affiliated shareholder other than proportionally as one of our shareholders.

Advance Notice Procedure for Shareholder Proposals. Our by-laws establish an advance notice procedure for the nomination of candidates for election as directors as well as for shareholder proposals to be considered at annual meetings of shareholders. In general, notice of intent to nominate a director must contain specific information concerning the person to be nominated and must be delivered to or mailed and received at our principal executive offices as follows:

With respect to an election to be held at a special meeting of shareholders for the election of directors, not earlier than the 90th day prior to the special meeting and not later than the close of business on the later of the 60th day prior to the special meeting or the 10th day following the day on which public disclosure is first made of the date of the special meeting and of the nominees proposed by the board of directors to be elected at such meeting. Shareholders may not nominate persons for election to the board of directors at any special meeting of shareholders unless the business to be transacted at the special meeting, as set forth in the notice of the special meeting, includes the election of directors.

Notice of shareholders' intent to raise business at an annual meeting, including a nomination of candidate for election as director, must be delivered to or mailed and received at our principal executive offices not later than 60 days nor more than 90 days prior to the first anniversary of the date of the preceding year's annual meeting. Proposals from shareholders which are intended to be included in the proxy statement relating to an annual meeting of shareholders must comply with Rule 14a-8 under the Exchange Act, which requires that the proposal be received not less than 120 calendar days before the date of the Company's proxy statement released to shareholders in connection with the previous year's annual meeting. These procedures may operate to limit the ability of shareholders to bring business before a shareholders meeting, including with respect to the nomination of directors or considering any transaction that could result in a change of control.

Limitation of Liability of Directors. Our articles of incorporation and by-laws provide for indemnification of our directors to the fullest extent permitted by applicable law. Article 2.02-1 of the TBCA provides that a Texas corporation may indemnify its directors and officers against

Table of Contents

expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred by them in connection with any suit or proceeding, whether civil, criminal, administrative or investigative if, in connection with the matters in issue, they acted in good faith and in a manner they reasonably believed to be in, or not opposed to, the best interests of the corporation and, in connection with any criminal suit or proceeding, if in connection with the matters in issue, they had no reasonable cause to believe their conduct was unlawful. These provisions may have the practical effect in certain cases of eliminating the ability of our shareholders to collect monetary damages from directors and executive officers. We believe that the provisions in our articles of incorporation and by-laws are necessary to attract and retain qualified persons as directors and executive officers.

Transfer Agent and Registrar

The transfer agent and registrar for our common stock is IBC.

Regulatory Restrictions on Ownership

The Bank Holding Company Act requires any bank holding company, as defined in the Bank Holding Company Act, to obtain the approval of the Federal Reserve Board prior to the acquisition of 5% or more of our common stock. Any person, other than a bank holding company, is required to obtain prior approval of the Federal Reserve Board to acquire 10% or more of our common stock under the Change in Bank Control Act. Any holder of 25% or more of our common stock, or a holder of 5% or more if such holder otherwise exercises a controlling influence over us, may be subject to regulation as a bank holding company under the Bank Holding Company Act.

PLAN OF DISTRIBUTION

The selling securityholders and their successors, including their transferees, may sell the securities directly to purchasers or indirectly through underwriters, broker-dealers or agents, who may receive compensation in the form of discounts, concessions or commissions from the selling securityholders or purchasers of the securities. The discounts, concessions or commissions as to any particular underwriter, broker-dealer or agent may be in excess of those customary in the types of transactions involved.

The securities may be sold in one or more transactions at fixed prices, at prevailing market prices at the time of sale, at varying prices determined at the time of sale or at negotiated prices. These sales may be effected in transactions, which may involve crosses or block transactions:

- on any national securities exchange or quotation service on which the preferred stock or the common stock may be listed or quoted at the time of sale, including, as of the date of this prospectus, the NASDAQ Global Select Market in the case of the common stock;

- in the over-the-counter market;
- in transactions otherwise than on such exchanges or services or in the over-the-counter market; or

Table of Contents

- through the writing of options, whether the options are listed on an options exchange or otherwise.

In addition, any securities that qualify for sale pursuant to Rule 144 under the Securities Act may be sold under Rule 144 rather than pursuant to this prospectus.

In connection with the sale of the securities or otherwise, the selling securityholders may enter into hedging transactions with broker-dealers, which in turn may engage in short sales of the common stock issuable upon exercise of the warrant in the course of hedging the positions they assume. The selling securityholders may also sell the common stock issuable upon exercise of the warrant short and deliver common stock to close out short positions, or loan or pledge the Series A Preferred Stock or the common stock issuable upon exercise of the warrant to broker-dealers that in turn may sell these securities.

The aggregate proceeds to the selling securityholders from the sale of the securities will be the purchase price of the securities less discounts and commissions, if any.

In effecting sales, broker-dealers or agents engaged by the selling securityholders may arrange for other broker-dealers to participate. Broker-dealers or agents may receive commissions, discounts or concessions from the selling securityholders in amounts to be negotiated immediately prior to the sale.

In offering the securities covered by this prospectus, the selling securityholders and any broker-dealers who execute sales for the selling securityholders may be deemed to be underwriters within the meaning of Section 2(a)(11) of the Securities Act in connection with such sales. Any profits realized by the selling securityholders and the compensation of any broker-dealer may be deemed to be underwriting discounts and commissions. Selling securityholders who are underwriters within the meaning of Section 2(a)(11) of the securities Act will be subject to the prospectus delivery requirements of the securities Act and may be subject to certain statutory and regulatory liabilities, including liabilities imposed pursuant to Sections 11, 12 and 17 of the Securities Act and Rule 10b-5 under the Securities Exchange Act of 1934, or the Exchange Act.

In order to comply with the securities laws of certain states, if applicable, the securities must be sold in such jurisdictions only through registered or licensed brokers or dealers. In addition, in certain states the securities may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

The anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of securities pursuant to this prospectus and to the activities of the selling securityholders. In addition, we will make copies of this prospectus available to the selling securityholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act, which may include delivery through the facilities of the NASDAQ Stock Market pursuant to Rule 153 under the Securities Act.

At the time a particular offer of securities is made, if required, a prospectus supplement will set forth the number and type of securities being offered and the terms of the offering, including the name of any underwriter, dealer or agent, the purchase price paid by any underwriter, any

discount, commission and other item constituting compensation, any discount, commission or concession allowed or reallocated or paid to any dealer, and the proposed selling price to the public.

Table of Contents

We do not intend to apply for listing of the Series A Preferred Stock on any securities exchange or for inclusion of the Series A Preferred Stock in any automated quotation system unless requested by the initial selling shareholder. No assurance can be given as to the liquidity of the trading market, if any, for the Series A Preferred Stock.

We have agreed to indemnify the selling securityholders against certain liabilities, including certain liabilities under the Securities Act. We have also agreed, among other things, to bear substantially all expenses (other than underwriting discounts and selling commissions) in connection with the registration and sale of the securities covered by this prospectus.

SELLING SECURITYHOLDERS

On December 23, 2008, we issued the securities covered by this prospectus to the United States Department of the Treasury, which is the initial selling securityholder, in a transaction exempt from the registration requirements of the Securities Act. This initial selling securityholder, or its successors, including transferees, may from time to time offer and sell, pursuant to this prospectus or a supplement to this prospectus, any or all of the securities they own. The securities that may be offered under this prospectus for the account of the selling securityholders are:

- 216,000 shares of Series A Preferred Stock, representing beneficial ownership of 100% of the shares of Series A Preferred Stock outstanding on the date of this prospectus;
- a warrant to purchase 1,326,238 shares of our common stock; and
- 1,326,238 shares of our common stock issuable upon exercise of the warrant, which shares, if issued, would represent ownership of approximately 1.9% of our common stock as of December 23, 2008.

Beneficial ownership is determined in accordance with the rules of the Commission and includes voting or investment power with respect to the securities. To our knowledge, the initial selling securityholder has sole voting and investment power with respect to the securities.

We do not know whether, when or in what amounts the selling securityholders may offer any of the securities for sale. The selling securityholders might not sell all or any of the securities offered by this prospectus. For these reasons we cannot estimate the number of the securities that will be held by the selling securityholders after completion of the offering.

The initial selling securityholder has not had a material relationship with us, other than in connection with its purchase of the securities.

Information about the selling securityholders may change over time and changed information will be set forth in supplements to this Prospectus if and when necessary.

Item 15. *Indemnification of Directors and Officers.*

Texas law permits a corporation to provide indemnification or advancement of expenses against judgments, penalties, fines, settlements and reasonable expenses actually incurred by a person in connection with a proceeding if it is determined:

- that the person conducted himself or herself in good faith;
- in the case of conduct in his or her official capacity, reasonably believed that his or her conduct was in the corporation's best interest;
- in all other cases that his or her conduct was not opposed to the corporation's best interests; and
- in the case of a criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful.

Edgar Filing: INTERNATIONAL BANCSHARES CORP - Form S-3

Under Texas law, indemnification by the corporation is mandatory if a director or officer is wholly successful on the merits or otherwise, in the defense of the proceeding.

Our articles of incorporation, as amended, provide for indemnification rights to our officers and directors to the maximum extent allowed by Texas law. Pursuant to the TBCA and Article IX of our articles of incorporation, as amended, we will indemnify any person who was, is, or threatened to be made a named defendant or respondent to an action, suit, or proceeding, whether criminal, civil, administrative or investigative, by reason of the fact that the person (i) is or was a director or officer of the corporation, or (ii) while a director or officer of the corporation, is or was servicing at the request of the corporation as a director, officer, partner,

venturer, proprietor, trustee, employee or similar functionality or another foreign or domestic corporation, partnership, joint venture, sole proprietorship, trust, employee benefit plan or other enterprise against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding. Our articles of incorporation, as amended, authorize us to purchase and maintain liability insurance for those persons to the fullest extent permitted by the TBCA.

Our by-laws provide that the Company shall indemnify to the fullest extent permitted by Texas law any person who was, is or is threatened to be made a named defendant or respondent to any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be, in the case of conduct in his official capacity as a director, officer, employee or agent of the corporation, that his conduct was in the corporation's best interests, and in all other cases, that his conduct was at least not opposed to the best interests of the corporation, and, with respect to any criminal proceeding, had no reasonable cause to believe his conduct was unlawful.

Under Texas law, a corporation's articles of incorporation may eliminate all monetary liability of each director to the corporation or its shareholders for conduct in the performance of a director's duties other than some conduct specifically excluded from protection. Texas law does not permit any limitation of liability of a director for:

- breaching the duty of loyalty to the corporation or its shareholders;

- an act or omission not in good faith that constitutes a breach of duty of the director to the corporation or an act or omission that involves intentional misconduct or a knowing violation of law;

- a transaction from which the director received an improper benefit, whether or not the benefit resulted from an action taken within the scope of the director's office; or

- an act or omission for which the liability of a director is expressly provided by an applicable statute.

Our articles of incorporation, as amended, include provisions that eliminate the personal liability of our directors for monetary damages resulting from breaches of their fiduciary duty to the maximum extent provided by law.

The foregoing is only a general summary of certain aspects of the Texas Business Corporation Act and our articles of incorporation and by-laws dealing with indemnification of directors and officers, and does not purport to be complete. It is qualified in its entirety by reference to the Texas Business Corporation Act, our articles of incorporation and our by-laws.

Item 17. *Undertakings.*

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

Edgar Filing: INTERNATIONAL BANCSHARES CORP - Form S-3

(ii) to reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, that are incorporated by reference in this

registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

(2) That, for the purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at the time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) if the registrant is relying on Rule 430B, each prospectus filed by a registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(iii) if the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement

that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for the purpose of determining liability of a registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

The registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the indemnification provisions described herein, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes that:

(i) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act of 1933 shall be deemed to be part of this registration statement as of the time it was declared effective.

(ii) For the purpose of determining any liability under the Securities act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
