**Item 1.01. Entry into a Material Definitive Agreement.**

On February 18, 2010, Michaels Stores, Inc. (the Company) as lead borrower, and certain of its subsidiaries (collectively with the Company, the Loan Parties), Bank of America, N.A. as administrative agent (in such capacity, the Administrative Agent) and collateral agent, the lenders party thereto (collectively, the Lenders), Wells Fargo Retail Finance, LLC, as syndication agent, Deutsche Bank Securities Inc., JPMorgan Chase Bank, N.A. and Credit Suisse, as co-documentation agents, General Electric Capital Corporation, UBS Securities LLC and RBS Business Capital, as senior managing agents, Banc of America Securities LLC, Wells Fargo Retail Finance, LLC and Deutsche Bank Securities Inc., as joint lead arrangers, and Banc of America Securities LLC, Wells Fargo Retail Finance, LLC, Deutsche Bank Securities Inc., J.P. Morgan Securities Inc. and Credit Suisse, as joint book runners, entered into an Amended and Restated Credit Agreement (the Amended Credit Agreement) to amend various terms of the Company's Credit Agreement, dated as of October 31, 2006 (the Existing Credit Facility).

Pursuant to the Amended Credit Agreement, the Company and the Lenders agreed that, with respect to certain of the Lenders under the Existing Credit Agreement, representing an aggregate amount of \$850,000,000 of the tranche A commitments and \$50,000,000 of the FILO (as defined below) commitments (the Extending Lenders), the termination date of the asset-based revolving credit facility under the Existing Credit Agreement (the Existing Facility) would be extended from October 31, 2011 (the Existing Maturity Date), to the earlier of (i) April 15, 2014, (ii) 45 days prior to the maturity date of any class of term loans in the Company's term loan credit facility (the Term Loan Facility) and (iii) the date on which the maturity of the obligations is accelerated and the commitments with respect to the Extending Lenders are terminated due to an event of default. \$202 million of commitments of certain of the other Lenders under the Existing Credit Agreement (the Non-Extending Lenders) under the Existing Facility shall terminate on the earlier of the Existing Maturity Date and the date on which the maturity of the obligations is accelerated and the commitments under the Existing Facility are terminated due to an event of default (the Existing Termination Date).

Additionally, under the Amended Credit Agreement, the aggregate amount of first in last out (FILO, formerly known as tranche A-1) commitments has been reduced from \$100,000,000 to \$50,000,000. Simultaneously with entering into the Amended Credit Agreement, the Company exercised its ability to increase the tranche A commitments in the aggregate amount of \$152,000,000.

With respect to the Extending Lenders, the interest rates under the Amended Credit Agreement are based on: (i) for LIBO loans for any interest period, at a rate per annum equal to the LIBO rate as determined by the Administrative Agent, for such interest period multiplied by the Statutory Reserve Rate (as defined in the Amended Credit Agreement) (the Adjusted LIBO Rate), plus an applicable margin of (x) 3.00%, 3.25%, 3.50% or 3.75% for tranche A loans and (y) 5.00%, 5.25%, 5.50% or 5.75% for FILO loans, in each case based on Availability (as defined and described below) for the most recently ended Fiscal Quarter (as defined in the Amended Credit Agreement); and (ii) for prime rate loans, a rate per annum equal to the highest of (a) the variable annual rate of interest then announced by Bank of America, N.A. at its head office as its prime rate and (b) the federal funds rate in effect on such date plus 0.50% per annum, or (c) the Adjusted LIBO Rate (calculated utilizing the LIBO Rate for a one-month interest period) plus 1.00% per annum, plus an applicable margin of (x) 2.00%, 2.25%, 2.50% or 2.75% for tranche A loans and (y) 4.00%, 4.25%, 4.50% or 4.75% for FILO loans, in each case based on Availability for the most recently ended Fiscal Quarter. With respect to the Non-Extending Lenders, the interest rates shall be the same as those set forth under the Existing Credit Agreement.

Under the Amended Credit Agreement, in addition to certain customary administrative and other fees, the Loan Parties must pay the Administrative Agent, for the account of the Extending Lenders, an aggregate fee equal to 0.625% per annum of the average daily balance of the Extending Lenders' unused loan commitments during the Fiscal Quarter just ended (or other relevant period). The fees paid to the Non-Extending Lenders for their unused commitments shall be the same as those set forth in the Existing Credit Agreement.

Under the Amended Credit Agreement, the Loan Parties must satisfy a pro forma credit availability condition (the Pro Forma Availability Condition) as follows: (i) for each of the 30 consecutive days preceding the Existing Termination Date (or any earlier date on which commitments of the Non-Extending Lenders are voluntarily reduced or terminated) and on a pro forma basis after giving effect to the termination or reduction of the commitments of the Non-Extending Lenders and the repayment of the obligations owed to the Non-Extending Lenders on the Existing Termination Date, Availability of not less than \$125,000,000 and (ii) on a projected pro forma basis (on a month-end basis) for each of the six months immediately following, and after giving effect to, the termination or reduction of the commitments of the Non-Extending Lenders and repayment of the obligations owed to the Non-Extending Lenders on the Existing Termination Date, based on projections prepared by the Loan Parties at the time of the Existing Termination Date, Availability of not less than \$125,000,000. Except for the periods described in the preceding sentence, the Loan Parties must not permit Availability at any time to be less than the greater of (i) \$75,000,000 and (ii) 10% of the lesser of (a) the then borrowing base under the Amended Credit Agreement or (b) a revolving credit ceiling of \$1,102,000,000 (as reduced or increased in accordance with the terms of the Amended Credit Agreement, the Revolving Credit Ceiling). Availability under the Amended Credit Agreement means the lesser of (a) the Revolving Credit Ceiling minus the outstanding credit extensions and (b) the then borrowing base minus the outstanding credit extensions.

The above summary of the Amended Credit Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Amended Credit Agreement, a copy of which is attached as Exhibit 99.1 to this Current Report on Form 8-K.

Certain lenders under the Amended Credit Agreement have engaged in, or may in the future engage in, transactions with, and perform services for, the Company and its affiliates in the ordinary course of business.
