ITEM 8.01. Other Events

We are filing this Current Report to update Items 6,7 and 8 of our Annual Report on Form 10-K for the year ended December 31, 2009 which was filed with the Securities and Exchange Commission on February 19, 2010 (the 2009 Form 10-K). These updates are being made to reflect the following:

- We ceased operation of our Australian styrenics business during the first quarter of 2010, and the results of that business are reported as discontinued operations.
- During the first quarter of 2010, we began reporting our last-in, first-out (LIFO) inventory valuation reserve adjustments as part of Corporate and other; these charges were previously reported in our Performance Products segment.

In Exhibit 99.1 attached to this Current Report, the information included in Items 6, 7 and 8 of the 2009 10-K, including the consolidated financial statements of each of Huntsman Corporation and Huntsman International LLC, has been recast to reflect the changes referenced above. We are providing this recast financial information to assist investors in making comparisons of our financial information for current and future periods with the financial information for periods included in the 2009 Form 10-K, in light of the changes referenced above.

This Current Report on Form 8-K does not reflect events or developments that occurred after February 19, 2010. More current information is contained in our Quarterly Report on Form 10-Q for the period ended March 31, 2010 (the Form 10-Q) and other filings with the Securities and Exchange Commission. The information in this Current Report should be read in conjunction with the 2009 Form 10-K, the Form 10-Q and any other documents we have filed with the Securities and Exchange Commission subsequent to February 19, 2010.
