**Item 1.01 Entry into a Material Definitive Agreement.**

On March 27, 2012, AdCare Health Systems, Inc. (the Company), entered into an Underwriting Agreement (the Underwriting Agreement) with Noble International Investments, Inc., doing business as Noble Financial Capital Markets (the Underwriter), relating to a firm commitment underwritten offering by the Company (the Offering) of 1,100,000 shares of the Company's common stock, no par value (Common Stock). The Company has also granted the Underwriter an option for 45 days to purchase up to an additional 165,000 shares of Common Stock to cover over-allotments, if any. The public offering price per share is \$3.75. The gross offering proceeds to the Company, before deducting underwriting discounts and commissions and the estimated offering expenses payable by the Company, are expected to be approximately \$4,125,000, or \$4,743,750 if the Underwriter exercises in full its over-allotment option.

The Company has agreed to indemnify the Underwriter against various liabilities, including liabilities under the Securities Act of 1933, as amended, or to contribute to payments the Underwriter may be required to make in respect of such liabilities. The Underwriting Agreement also provides that the obligations of the Underwriter are subject to certain conditions precedent, including the Company's closing of a debt financing with a minimum of \$3,000,000 in net proceeds on terms and conditions satisfactory to the Underwriter in its sole discretion. The Company has also agreed that, for a period of 60 days from the initial closing date of the Offering, the Company will not issue any additional equity securities without the prior written consent of the Underwriter, subject to certain exceptions specified in the Underwriting Agreement. In addition, the Underwriting Agreement contains customary representations, warranties and agreements of the Company, and customary conditions to closing. The shares of Common Stock are expected to be delivered to the Underwriter on or about March 30, 2012, subject to the satisfaction of customary closing conditions.

The Common Stock is being issued and sold in the Offering pursuant to the Company's shelf registration statement on Form S-3 (No. 333-166488), as amended by Post-Effective Amendment No. 1 thereto, which was declared effective on June 27, 2011, and the Company's preliminary and final prospectus supplements, each filed with the Securities and Exchange Commission on March 27, 2012. A copy of the opinion of Carlile Patchen & Murphy LLP relating to the legality of the issuance and sale of the securities in the Offering is attached as Exhibit 5.1 hereto.

The foregoing description of the Underwriting Agreement does not purport to be complete and is qualified in its entirety by reference to the terms of the Underwriting Agreement that is attached hereto as Exhibit 1.1 and incorporated herein by reference.
