Forward-Looking Statements

This communication may contain forward-looking statements. Forward-looking statements may be typically identified by such words as may, will, should, would, expect, anticipate, plan, likely, believe, estimate, similar expressions among others. Although we believe the expectations reflected in any forward-looking statements are reasonable, they involve known and unknown risks and uncertainties, are not guarantees of future performance, and actual results, performance or achievements may differ materially from any future results, performance or achievements expressed or implied by such forward-looking statements and any or all of our forward-looking statements may prove to be incorrect. Consequently, no forward-looking statements may be guaranteed and there can be no assurance that the actual results or developments anticipated by such forward-looking statements will be realized or, even if substantially realized, that they will have the expected consequences to, or effects on, the Company or its business or operations. Factors which could cause our actual results to differ from those projected or contemplated in any such forward-looking statements include, but are not limited to, the following factors: (1) the risk that the conditions to the closing of the Merger are not satisfied (including the risk that regulatory approvals required for the Merger are not obtained, on a timely basis or otherwise, or are obtained subject to conditions that are not anticipated); (2) litigation relating to the Merger; (3) uncertainties as to the timing of the consummation of the Merger and the ability of each of the Company and Scientific Games to consummate the Merger; (4) risks that the proposed transaction disrupts the current plans and operations of the Company; (5) the ability of the Company to retain and hire key personnel; (6) competitive responses to the proposed Merger; (7) unexpected costs, charges or expenses resulting from the Merger; (8) the failure by Scientific Games to obtain the necessary debt financing arrangements set forth in the commitment letter received in connection with the Merger; (9) potential adverse reactions or changes to business relationships resulting from the announcement or completion of the Merger; and (10) legislative, regulatory and economic developments. The foregoing review of important factors that could cause actual events to differ from expectations should not be construed as exhaustive and should be read in conjunction with statements that are included herein and elsewhere, including the risk factors included in the Company's most recent Annual Report on Form 10-K for the year ended June 30, 2014 and our more recent reports filed with the U.S. Securities and Exchange Commission (the "SEC") including the Form 10-Q for the fiscal quarter ended September 30, 2014.
