Spin Agreements

On November 3, 2015, Exterran Holdings, Inc. (subsequently renamed Archrock, Inc.) ("Archrock"), completed the previously announced spin-off of its international contract operations, international aftermarket services and global fabrication businesses (the "International Businesses") through the distribution of all of the outstanding shares of common stock of Exterran Corporation (the "Company"), to Archrock's holders of record as of the close of business on October 27, 2015. Following the completion of the spin-off, Archrock will continue to operate all of the businesses that it operated prior to the spin-off, other than the International Businesses (the retained businesses, the "U.S. Businesses"). In connection with the completion of the spin-off, the Company and its subsidiaries entered into several agreements with Archrock and certain subsidiaries of Archrock and, with respect to certain agreements, Exterran Partners, L.P. (subsequently renamed Archrock Partners, L.P.), that govern the spin-off and the relationship among the parties following the spin-off, including the following (collectively, the "Spin Agreements"):

- Separation and Distribution Agreement
- Employee Matters Agreement
- Tax Matters Agreement
- Transition Services Agreement
- Supply Agreement

A summary of certain material terms of each of the Spin Agreements can be found in the section entitled "Relationship with Archrock After the Spin-Off" Agreements Between Archrock and Us in the Information Statement (the "Information Statement") attached as Exhibit 99.1 to the Company's Registration Statement on Form 10, initially filed with the Securities and Exchange Commission (the "SEC") on March 13, 2015, as amended, and declared effective on October 21, 2015 (the "Registration Statement"), and which is incorporated herein by reference. The summary is qualified in its entirety by reference to the Separation and Distribution Agreement, Employee Matters Agreement, Tax Matters Agreement, Transition Services Agreement and Supply Agreement attached hereto as Exhibit 2.1 and Exhibits 10.1 through 10.4, respectively, each of which is incorporated herein by reference.

Indemnification Agreements

Edgar Filing: Exterran Corp - Form 8-K

Effective as of November 3, 2015, in connection with the completion of the spin-off, the Company entered into indemnification agreements with each of the Company's directors and certain executive officers (the Indemnification Agreements). Effective as of November 4, 2015, in connection with the appointment of James C. Gouin to the board of directors of the Company (the Board) as discussed in Item 5.02 below, the Company also entered into an Indemnification Agreement with Mr. Gouin. The Indemnification Agreements require the Company to indemnify those individuals to the fullest extent permitted under Delaware law against liability that may arise by reason of their service to the Company, and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified.

The foregoing description is qualified in its entirety by reference to the full text of the Indemnification Agreements, a form of which is filed as Exhibit 10.8 to the Registration Statement and incorporated in this Item 1.01 by reference.

Item 2.01. Completion of Acquisition or Disposition of Assets.

The information included under Spin Agreements in Item 1.01 of this Current Report on Form 8-K is incorporated herein by reference. On November 3, 2015, as part of certain internal restructuring steps implemented in connection with but prior to the spin-off, Exterran Energy Solutions, L.P. (EESLP) contributed to AROC Corp., a subsidiary of Archrock following the completion of the spin-off (Controlled), the assets related to the U.S. Businesses of Archrock, including the outstanding equity interests in certain of its subsidiaries through which the U.S. Businesses are conducted and Controlled assumed certain liabilities of EESLP. In addition, as part of such internal restructuring, EESLP transferred approximately \$532.6 million of net proceeds from borrowings under its

new credit facility to Archrock, which has been used by Archrock, in part, to repay a portion of its indebtedness in connection with the spin-off.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

As previously reported, on October 5, 2015, EESLP and the Company entered into an amended and restated credit agreement (the "Credit Agreement") with Wells Fargo Bank, National Association ("Wells Fargo"), as the administrative agent, and various financial institutions as lenders (the "Lenders"). The Credit Agreement amended and restated the credit agreement, dated as of July 10, 2015, by and among the Company, as parent, EESLP, as borrower, Wells Fargo, as the administrative agent, and various financial institutions as lenders, which was entered into in preparation for the spin-off.

The Credit Agreement provides for a \$925 million credit facility, consisting of a \$680 million revolving credit facility and a \$245 million term loan facility, to be made available to EESLP (collectively, the "Credit Facility") upon the satisfaction of certain conditions precedent, including the authorization of the spin-off by the board of directors of Archrock. On November 3, 2015, EESLP incurred approximately \$300.0 million of indebtedness under its revolving credit facility and \$245.0 million of indebtedness under its term loan facility.

The foregoing description of the Credit Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Credit Agreement, which is filed as Exhibit 4.2 to the Registration Statement and incorporated herein by reference.

Directors' Stock and Deferral Plan

On October 30, 2015, the Compensation Committee and the Board each approved the Exterran Corporation 2015 Directors' Stock and Deferral Plan (the "Director Plan"). Under the Director Plan, which became effective on October 30, 2015, members of the Board may elect, on an annual basis, to receive 25%, 50%, 75% or 100% of their retainer and meeting fees (the "Retainer Fees") in shares of the Company's common stock in lieu of cash. Any portion of the Retainer

Fees paid in cash will be paid to the director following the close of the calendar quarter for which such Retainer Fees were earned.

Under the Director Plan, members of the Board may also elect to defer until a later date the receipt of the Retainer Fees that such director has elected to receive in the form of shares. The deferral date may be any date that is not earlier than six months from the close of the quarter for which the Retainer Fees were earned, provided that the shares will be issued within 30 days following the earliest of (i) such deferral date, (ii) the date of the director's separation from service (within the meaning of Section 409A of the Internal Revenue Code of 1986, as amended (the Code)) and (iii) the date of a change in control of the Company (as defined in the Director Plan).

The maximum aggregate number of shares of the Company's common stock that may be issued under the Director Plan is 125,000 shares. The Board will administer the Director Plan and has the authority to make certain equitable adjustments under the Director Plan in the event of certain corporate transactions.

The foregoing summary is qualified in its entirety by reference to the Director Plan, a copy of which was previously filed as Exhibit 99.2 to the Company's Registration Statement on Form S-8, filed with the SEC on November 2, 2015, and is also incorporated in this Item 5.02 by reference.

Employment Letters

On November 3, 2015, the Company entered into employment letters (the Employment Letters) with each of Messrs. Biro, Muck, Schlanger and Werner, which describe the terms and conditions of their employment with the Company following the spin-off. The Employment Letters, which became effective as of the completion of the spin-off on November 3, 2015, supersede the executives' existing employment letters with the Company. Each Employment Letter sets forth the applicable executive's title and reporting relationship and provides for an annual base salary, eligibility for an annual short-term incentive payment, eligibility for annual equity awards and the grant and/or payment of a retention incentive, either in cash, shares of restricted stock, or a combination of both, as described in more detail below.

Under his Employment Letter, Mr. Biro will serve as the Company's Senior Vice President and Chief Financial Officer, reporting to the Company's Chief Executive Officer, and will be eligible to receive the same annual base salary, annual short-term incentive target, and annual equity award value as in effect immediately prior to the spin-off. Mr. Biro is also eligible to receive a retention incentive in the form of a restricted stock award with a grant date value of \$400,000. One-third of the restricted stock award was vested on November 4, 2015, the date of grant, one-third of the restricted stock award will vest on the first anniversary of the spin-off, and one-third of the restricted stock award will vest on the second anniversary of the spin-off, subject to Mr. Biro's continued employment with the Company through each applicable vesting date.

Under his Employment Letter, Mr. Muck will serve as the Company's Senior Vice President, Global Services, reporting to the Company's Chief Executive Officer, and will be eligible to receive the same annual base salary, annual short term incentive target, and annual equity award value as in effect immediately prior to the spin-off. Mr. Muck is also eligible to receive a retention incentive with an aggregate value of \$400,000. One-third of the retention incentive value will be paid in the form of cash on or within 30 days following the spin-off. The remaining two-thirds of the retention incentive value was made in the form of a restricted stock award granted on November 4, 2015, which will vest with respect to 50% of the restricted shares subject thereto on the first anniversary of the spin-off and with respect to the remaining 50% of the restricted shares subject thereto on the second anniversary of the spin-off, subject to Mr. Muck's continued employment with the Company through each applicable vesting date.

Under his Employment Letter, Mr. Schlanger will serve as the Company's Senior Vice President, Global Products, reporting to the Company's Chief Executive Officer, and will be eligible to receive the same annual base salary, annual short term incentive target, and annual equity award value as in effect immediately prior to the spin-off. Mr. Schlanger is also eligible to receive a retention incentive with an aggregate value equal to \$1,200,000. Fifty percent of the retention incentive value will be paid in the form of cash on or within 30 days following the spin-off, and the remaining 50% of the retention incentive value was made in the form of a restricted stock award granted on November 4, 2015, which will vest in full on the first anniversary of the spin-off, subject to Mr. Schlanger's continued employment through such date and provided that he has not provided the Company with

Edgar Filing: Exterran Corp - Form 8-K

notice that he intends to resign for good reason (as defined in his Severance Benefit Agreement (as defined below)). Mr. Schlanger's Employment Letter also acknowledges that he has the right to resign his employment for good reason during the one-year period following the spin-off and receive severance under his Severance Benefit Agreement.

Under his Employment Letter, Mr. Werner will serve as the Company's Senior Vice President, Global Operations, reporting to the Company's Chief Executive Officer, and will be eligible to receive the same annual base salary, annual short term incentive target and annual equity award value as in effect immediately prior to the spin-off. Mr. Werner is also eligible to receive a cash retention payment equal to \$150,000. Fifty percent of the retention payment will be paid on or within 30 days following the spin-off and the remaining 50% of the retention payment will be paid on or within 30 days following the first anniversary of the spin-off, subject to Mr. Werner's continued employment through such date.

In addition, each Employment Letter provides that the applicable executive will be eligible to participate in all employee benefit plans maintained by the Company for the benefit of its executives generally.

Pursuant to the Employment Letters, each executive has also entered into new severance benefit and change of control agreements with the Company, as described in more detail below under *Severance Benefit Agreements and Change of Control Agreements*. In addition, pursuant to their respective Employment Letters, except as otherwise described above with respect to Mr. Schlanger, each executive has waived his right to resign for good reason (as defined in their respective severance benefit and change of control agreements with Archrock) in connection with any changes in their title, duties and/or responsibilities that occur in connection with the spin-off.

The foregoing summary is qualified in its entirety by reference to the Form of Employment Letter, a copy of which is filed as Exhibit 10.16 hereto and is incorporated in this Item 5.02 by reference.

Severance Benefit Agreements and Change of Control Agreements

On November 3, 2015, each of Messrs. Way, Biro, Muck, Schlanger and Werner (each, an Executive) entered into a severance benefit agreement with the Company (a Severance Benefit Agreement) and change of control agreement with the Company (a Change of Control Agreement), which supersede his existing severance benefit and change of control agreements with Archrock.

Severance Benefit Agreements

Each Severance Benefit Agreement has an initial one-year term, and will automatically be extended for successive one-year periods thereafter unless either party provides notice of its intent not to renew the agreement at least 365 days prior to the expiration of the then-current term. Each Severance Benefit Agreement provides that if the Executive's employment is terminated by the Company without cause or by the Executive with good reason (each, as defined in the Severance Benefit Agreement) at any time during the term of the agreement, he will receive a lump sum payment in cash on the 60th day after the termination date equal to the sum of:

Edgar Filing: Exterran Corp - Form 8-K

- his annual base salary then in effect;
- his target annual incentive bonus opportunity for the termination year;
- a pro-rated portion of his target annual incentive bonus opportunity for the termination year based on the length of time during which he was employed during such year; and
- any earned but unpaid annual incentive award for the fiscal year ending prior to the termination date.

In addition, the Executive will be entitled to:

- the accelerated vesting as of the termination date of his outstanding unvested equity, equity-based or cash awards denominated either in Company common stock or the common stock of Archrock that were scheduled to vest within 12 months following the termination date; and
- continued coverage under the Company's medical benefit plans for him and his eligible dependents for up to one year following the termination date.

Each Executive's entitlement to the payments and benefits under his Severance Benefit Agreement is subject to his execution of a waiver and release for the Company's benefit. In addition, pursuant to the Severance Benefit Agreements, each Executive is subject to non-disparagement restrictions following termination.

Change of Control Agreements

Each Change of Control Agreement has an initial two-year term, and will automatically be extended for successive one-year periods thereafter unless the Company provides notice of its intent not to renew the agreement at least 90 days prior to the expiration of the then-current term. Each Change of Control Agreement provides that if the Executive's employment is terminated by the Company other than for cause, death or disability, or by the Executive for good reason, in any case, within 18 months following a change of control of the Company (each such term, as defined in the Change of Control Agreement) or within 6 months prior to a change of control of the Company if the termination was at the request of a third party who has taken steps to effect the change of control or otherwise arose in connection with or in anticipation of the change of control, he will receive a cash payment within 60 days after the termination date equal to:

- two times (or three times, for Mr. Way) his current annual base salary plus two times (or three times, for Mr. Way) his target annual incentive bonus opportunity for that year; and
- a pro-rated portion of his target annual incentive bonus opportunity for the termination year based on the length of time during which he was employed during such year;
- any earned but unpaid annual incentive award for the fiscal year ending prior to the termination date;
- two times the total of the Company contributions that would have been credited to him under the Company's 401(k) plan and any other deferred compensation plan had he made the required amount of elective deferrals or contributions during the 12 months immediately preceding the termination month.

In addition, the Executive will be entitled to:

- any amount previously deferred, or earned but not paid, by him under the incentive and nonqualified deferred compensation plans or programs as of the termination date;
- continued coverage under the Company's medical benefit plans for him and his eligible dependents for up to two years following the termination date;
- the accelerated vesting of all his unvested stock options, restricted stock, restricted stock units or other stock-based awards denominated in either Company common stock or the common stock of Archrock; and
- an Internal Revenue Code (Code) Section 280G best pay provision pursuant to which in the event any payments or benefits received by the Executive would be subject to an excise tax under Code Section 4999, the Executive will receive either the full amount of his payments or a reduced amount such that no portion of the payments is subject to the excise tax (whichever results in the greater after-tax benefit to the Executive).

Each Executive's entitlement to the payments and benefits under his change of control agreement with the Company is also subject to his execution of a waiver and release for the Company's benefit. In addition, in the event an Executive receives payments from the Company under his Change of Control Agreement, such Executive

is subject to confidentiality, non-disclosure, non-solicitation and non-competition restrictions for two years following a termination of his employment.

The foregoing summary is qualified in its entirety by reference to the Form of Severance Benefit Agreement and Form of Change of Control Agreement, copies of which are filed as Exhibits 10.8 and 10.7, respectively, to the Registration Statement and are incorporated in this Item 5.02 by reference.

In accordance with the terms of the Employment Letters for each of Messrs. Biro, Muck and Schlanger, as described above, on November 4, 2015, the Company granted to each such executive an award of restricted shares of the Company's common stock pursuant to the 2015 Plan and a restricted stock notice and agreement (the Restricted Stock Award Notice) which sets forth the terms and conditions of the grants of restricted shares to the executives. The number of restricted shares granted to each such executive is as follows: Mr. Biro - 26,024 restricted shares; Mr. Muck - 17,436 restricted shares; and Mr. Schlanger - 39,037 restricted shares.

The restricted shares vest as described above under *Employment Letters*. The Restricted Stock Award Notice provides, among other things, for the (i) immediate vesting of the unvested portion of the award in the event of the executive's termination of employment as a result of death or disability, (ii) forfeiture of the unvested portion of the award in the event of the executive's termination of employment other than as a result of death or disability, unless the plan administrator directs otherwise, (iii) immediate vesting of the unvested portion of the award in the event of the executive's termination of employment by the Company without cause (as defined in the 2015 Plan), by the executive for good reason (as defined in the Restricted Stock Award Notice) or due to the executive's death or disability, in each case, within 18 months following a change of control of the Company, and (iv) non-transferability of the award other than in accordance with the terms of the 2015 Plan.

The foregoing summary is qualified in its entirety by reference to the Restricted Stock Award Notice, a copy of which is filed as Exhibit 10.11 hereto and is incorporated in this Item 5.02 by reference.
