On June 20, 2016, the Company commenced a solicitation for acceptance of the Plan. As previously disclosed, the solicitation was completed on July 20, 2016 and the final results are noted below:

(1) Threshold levels needed for acceptance under the bankruptcy code are at least 66.67% of the value of voting stakeholders in each Affected Stakeholder class and more than 50% of the number of voting holders in each affected debt class (50% threshold does not apply to Preferred Equity class).

In connection with the Restructuring Transactions, on July 22, 2016, the Company entered into a lockup agreement (the **Lockup**) with holders of an aggregate 51% of its 8.625% Senior Secured Notes (the **8.625% Second Lien Notes**) issued under that certain indenture, dated as of May 1, 2015, by and among Halcón, as issuer, each of the guarantors named therein, and U.S. Bank National Association, as trustee (as amended, modified, or otherwise supplemented from time to time, the **8.625% Second Lien Note Indenture**) and 12.0% Senior Secured Notes (the **12.0% Second Lien Notes** and, together with the 8.625% Second Lien Notes, the **Second Lien Notes**) issued under that certain indenture, dated as of December 21, 2015, by and among Halcón, as issuer, each of the guarantors named therein, and U.S. Bank National Association, as trustee (as amended, modified or otherwise supplemented from time to time, the **12.0% Second Lien Note Indenture** and, together with the 8.625% Second Lien Note Indenture, the **Second Lien Note Indentures**), pursuant to which, in exchange for a consent fee, the parties agreed to consent to an amendment of the Second Lien Note Indentures and any other applicable Note Documents (as defined in the Second Lien Note Indenture) to modify the incurrence of indebtedness and lien covenants, as well as certain restricted payments covenants (the **Amendment**) and support the Restructuring Transactions. On or as soon as reasonably practicable following the effective date of the Plan but in no event later than thirty (30) days following the effective date, the Company will launch a consent solicitation of the holders of Second Lien Notes in respect of the Amendment.
