Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On February 5, 2014, the Compensation Committee (the “Committee”) of the Board of Directors (the “Board”) of Ellie Mae, Inc. (the “Company”) approved the 2014 Senior Executive Performance Share Program (the “Program”) under the terms of the Company’s 2011 Equity Incentive Award Plan (the “2011 Plan”). The Committee established the Program to retain and appropriately motivate the Company’s senior executive team.

Under the Program, the Committee may grant performance awards consisting of performance shares (the “Performance Shares”) to designated participants. Each Performance Share represents the right to receive up to 2.5 shares of the Company’s common stock upon achievement of performance goals established by the Committee under the Program. The Program also contemplates that the Committee may establish the performance period over which attainment of the performance goals is determined and the vesting period. In addition, the participant must remain employed by the Company following the performance period in order to earn the common stock underlying his or her Performance Shares. The performance goals may not be changed for a performance period once set except to reflect extraordinary events, and the Committee may not discretionarily increase the number of shares issuable to a participant for a performance period.

On February 5, 2014, the Committee approved the Performance Shares to be granted on February 5, 2014 to the Company’s executive officers (other than the Company’s Chief Executive Officer) and designated a performance period of January 1, 2014 through December 31, 2014, the performance goals and the vesting schedule underlying the Performance Shares for all executives eligible under the Program. In accordance with its corporate governance policies, the Committee submitted its recommendation for a similar Performance Share grant (in the amount detailed below) for the Chief Executive Officer, which was also approved by the Board on February 5, 2014 for grant on February 5, 2014.

The following table sets forth the number of Performance Shares for each participant:

Executive	Title	Number of Performance Shares
Sig Anderman	Chief Executive Officer	25,000
Jonathan Corr	Chief Operating Officer	13,000
Ed Luce	Executive Vice President, Finance & Administration, Chief Financial Officer	10,000
Limin Hu	Executive Vice President, Technology & Operations, Chief Technology Officer	8,500
Elisa Lee	Executive Vice President, General Counsel and Secretary	6,000

The number of shares of common stock issuable pursuant to the Performance Shares will be based on the Company's achievement of certain financial goals related to revenue and user growth.

Shares of common stock earned, if any, under the Performance Shares will be issued in the first quarter of 2015 after the Committee determines the Company's level of achievement of the performance goals (the "Determination Date"), with 25% of the shares being immediately vested and the remaining shares vesting with respect to 25% of the shares on each of the first three anniversaries of the Determination Date, subject to continuous employment of the participant through such dates.

The foregoing description of the Program does not purport to be complete and is qualified in its entirety by reference to the full text of the Program and the form of the Performance Share Award Agreement for use in connection with grants under the Program, copies of which will be filed as exhibits to the Company's Quarterly Report on Form 10-Q for the quarter ended March 31, 2014, and by the terms and conditions of the 2011 Plan, a copy of which was filed as Exhibit 10.5 to the Company's Registration Statement on Form S-8 (No. 333-174460) filed on May 25, 2011.
