JUNE 28, 2006

INTRODUCTION

This Proxy Statement and the accompanying proxy are being furnished to stockholders by the Board of Directors of Lone Star Steakhouse & Saloon, Inc., a Delaware corporation (the "Company"), in connection with the solicitation of the accompanying proxy for use at the 2006 Annual Meeting of Stockholders of the Company (the "Meeting") to be held on Wednesday, June 28, 2006, at the Del Frisco's Double Eagle Steak House restaurant located at 5251 Spring Valley Road, Dallas, Texas 75240, at 9:00 a.m. local time, or at any adjournments thereof.

The principal executive offices of the Company are located at 224 East Douglas, Suite 700, Wichita, Kansas 67202-3414. The approximate date on which this Proxy Statement and the accompanying proxy will first be sent or given to stockholders is on or about May 26, 2006.

RECORD DATE AND VOTING SECURITIES

Only stockholders of record at the close of business on May 16, 2006, the record date (the "Record Date") for the Meeting, will be entitled to notice of, and to vote at, the Meeting and any adjournments thereof. As of the close of business on the Record Date, there were 21,033,164 outstanding shares of the Company's common stock, \$.01 par value (the "Common Stock"). Each outstanding share of Common Stock is entitled to one vote. There was no other class of voting securities of the Company outstanding on the Record Date. A majority of the outstanding shares of Common Stock present in person or by proxy is required for a quorum.

VOTING OF PROXIES

A stockholder of record may ensure that their shares are voted at the Meeting in accordance with the Board of Directors' recommendations by one of the following methods: (i) completing and signing the proxy card and mailing it in the enclosed postage-paid envelope; (ii) calling the toll-free telephone number (1-800-PROXIES) provided on the proxy card; or (iii) voting on the Internet at the website www.voteproxy.com. Voting by telephone is not available to stockholders outside of the United States. Complete instructions for voting by any of the above methods are included on the proxy card. Stockholders who hold their shares in street name should refer to information forwarded to them by such bank, broker, or holder of record for their voting options. Submitting your proxy will not affect your right to attend the Meeting and vote in person. If the proxy is signed and returned without any

Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A

direction given, shares will be voted in accordance with the recommendations of the Board of Directors as described in this Proxy Statement with respect to Proposal I and Proposal II. Any stockholder giving a proxy may revoke it at any time before the proxy is voted by giving written notice of revocation to the Secretary of the Company, by submitting a later-dated proxy, or by attending the Meeting and voting in person.

The Board of Directors is soliciting votes FOR election to the Board of Directors of its nominees, Messrs. Thomas C. Lasorda, Clark R. Mandigo and John D. White and FOR approval of the appointment of Ernst & Young LLP as its auditors. The Board of Directors urges you to sign, date, and return the enclosed proxy today.

If you have any questions, or need any assistance in voting your shares, please call 888-750-5834 and the Company's proxy solicitors will be happy to help you.

If your shares are held in "street-name", only your bank or broker can vote your shares and only upon receipt of your specific instructions. Please contact the person responsible for your account and instruct that individual to vote the proxy card as soon as possible.

QUORUM

In order to conduct any business at the Meeting, a quorum must be present in person or represented by valid proxies. A quorum consists of a majority of the shares of Common Stock issued and outstanding on the Record Date (excluding treasury stock). All shares that are voted "FOR", "AGAINST" or "WITHHOLD AUTHORITY" on any matter will count for purposes of establishing a quorum and will be treated as shares entitled to vote at the Meeting (the "Votes Present").

ABSTENTIONS

While there is no definitive statutory or case law authority in Delaware, the Company's state of incorporation, as to the proper treatment of abstentions, the Company believes that abstentions should be counted for purposes of determining both: (i) the total number of Votes Present, for the purpose of determining whether a quorum is present; and (ii) the total number of Votes Present that are cast ("Votes Cast") with respect to a matter (other than in the election of the Board of Directors and ratification of independent auditors). In the absence of controlling precedent to the contrary, the Company intends to treat abstentions in this manner.

BROKER NON-VOTES

Shares of Common Stock held in street name that are present by proxy will be considered as Votes Present for purposes of determining whether a quorum is present. With regard to certain proposals, the holder of record of shares of Common Stock held in street name is permitted to vote as they determine, in their discretion, in the absence of direction from the beneficial holder of the shares of Common Stock.

The term "broker non-vote" refers to shares held in street name that are not voted with respect to a particular matter, generally because the beneficial owner did not give any instructions to the broker as to how to vote such shares and the broker is not permitted under applicable rules to vote such shares in its discretion because of the subject matter of the proposal, but whose shares are present on at least one matter. The Company intends to count such shares as Votes Present for the purpose of determining whether a quorum is present. In addition, the broker is permitted to vote such shares on the

Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A

proposals to be considered at the Meeting.

VOTES REQUIRED FOR APPROVAL

A plurality of the total Votes Cast by holders of Common Stock is required for the election of directors. A vote to "WITHHOLD AUTHORITY" for any nominee for director will be counted for purposes of determining the Votes Present, but will have no other effect on the outcome of the vote on the election of directors.

A plurality of the total Votes Cast by holders of Common Stock is required to ratify the selection of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 26, 2006. A vote to "ABSTAIN" will have no other effect on the outcome of the vote on the ratification of Ernst & Young LLP.

PROPOSAL I
ELECTION OF THE BOARD OF DIRECTORS

The Board of Directors is currently composed of eight (8) directors, divided into three classes. Each class of directors is elected for a term of office to expire at the third succeeding annual meeting of stockholders of the Company after their election and until their respective successors are elected and qualified. The terms of three directors are expiring at the Meeting and the Nominating Committee of the Board of Directors, solely consisting of independent directors, has nominated Messrs. Thomas C. Lasorda, Clark R. Mandigo and John D. White, currently serving as directors of the Company since November 2001, March 1992 and March 1992, respectively, as nominees for reelection to the Board of Directors. If elected, the term of the Board of Directors' nominees expires at the 2009 Annual Meeting, and when their respective successors are duly elected and shall have qualified.

Unless otherwise specified, all of the Proxies received will be voted in favor of the election of Messrs. Lasorda, Mandigo and White. The directors shall be elected by a plurality of the votes cast, in person or by proxy, at the Meeting. Abstentions from voting and broker non-votes on the election of directors will have no effect since they will not represent Votes Cast at the Meeting for the purpose of electing a director. Management has no reason to believe that any of the Board of Directors' nominees will be unable or unwilling to serve as directors, if elected. Should any of the nominees not remain a candidate for election at the date of the Meeting, the proxies may be voted for a substitute nominee selected by the Board of Directors.

EMPLOYMENT AGREEMENTS

Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A

The Company has an employment agreement with Ms. Lincoln and has also entered into separate employment agreements, with each of Messrs. White, Mednansky and Aaron, dated on April 29, 2003, providing for the employment of these individuals as Executive Vice President, Director of Upscale Restaurants, and Senior Vice President - Counsel and Secretary, respectively. Each employment agreement provides that the officer shall devote their entire business time to the business of the Company. The Employment Agreements provide base salaries in the amounts of \$600,000, \$200,000 (subsequently increased to \$250,000) and \$250,000, respectively, for Messrs. White, Mednansky and Aaron, subject to increases as determined by the Compensation/Stock Option Committee and ratified by the Board of Directors. Each agreement initially terminates on April 29, 2006, and is extended automatically for successive terms of one year each, unless either the Company or the respective employee gives written notice to the other not later than 90 days prior to the termination date. No notice was given with respect to any of the agreements and accordingly the termination date has now been extended to April 29, 2007. However, in connection with his appointment as the Company's Chief Operating Officer, the Company is in the process of negotiating a new employment contract with Mr. Mednansky. Each agreement contains non-competition, non-solicitation and confidentiality provisions which apply for twenty-four months after cessation of employment and confidentiality provisions which apply for ten years after cessation of employment. Mr. Coulter does not have an employment, non-competition or non-solicitation agreement with the Company. Mr. Coulter's non-competition, non-solicitation and confidentiality agreement expired in 2001. In 2001, Mr. Coulter was not re-elected to the Board of Directors of the Company.

REPORT BY THE COMPENSATION/STOCK OPTION COMMITTEE ON EXECUTIVE COMPENSATION

General

The Compensation/Stock Option Committee determines the cash and other incentive compensation, if any, to be paid to the Company's executive officers and key employees. Dr. Chaney and Messrs. Greene, Lasorda, Mandigo and Saltzgaber, non-employee directors of the Company, serve as members of the Compensation/Stock Option Committee and are independent directors in accordance with the definition of "independent director" pursuant to the Company's Amended and Restated By-laws. Mr. Saltzgaber serves as Chairman of the Compensation/Stock Option Committee. During fiscal 2005, there were five meetings or actions by unanimous written consent of the Compensation/Stock Option Committee.

Compensation Philosophy

The Compensation/Stock Option Committee's executive compensation philosophy is to base management's pay, in part, on the achievement of the Company's performance goals, to provide competitive levels of compensation, to recognize and reward individual initiative, achievement and length of service to the Company, to assist the Company to retain and attract the best qualified management, and to enhance long term stockholder

13

value. In retaining and attracting the best qualified management personnel, the Company targets offering compensation and benefits that place it near the top quartile of its industry.

The Compensation/Stock Option Committee strongly believes that the caliber of the management personnel makes a significant difference in the Company's long term success and it is the philosophy of the Compensation/Stock Option Committee to provide officers with the opportunity to realize potentially

Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A

significant financial gains through the grants of stock options. The Compensation/Stock Option Committee also believes that the potential for equity ownership by management is beneficial in aligning management and stockholders' interest in the enhancement of stockholder value.

Section 162(m) of the Internal Revenue Code prohibits a publicly held corporation, such as the Company, from claiming a deduction on its federal income tax return for compensation in excess of \$1 million paid for a given fiscal year to the chief executive officer (or person acting in that capacity) at the close of the corporation's fiscal year and the four most highly compensated officers of the corporation, other than the chief executive officer, at the end of the corporation's fiscal year. The \$1 million compensation deduction limitation does not apply to "performance-based compensation," or any contributions by the Company pursuant to the Company's Deferred Compensation Plan (the "Deferred Plan"). The Company believes that, with certain exceptions, any compensation received by executive officers in connection with the exercise of options granted under the 1992 Plan qualifies as "performance-based compensation." The policy of the Compensation/Stock Option Committee is to the extent reasonable to qualify the Company's executive officers' compensation for deductibility under Section 162(m) and other applicable tax laws. However, the Compensation/Stock Option Committee believes that providing an appropriate level of cash compensation and maintaining flexibility in determining compensation are also important issues which must be balanced with preserving a tax deduction for amounts in excess of \$1,000,000.

Salaries

Base salaries for the Company's executive officers are determined initially by evaluating the responsibilities of the position held and the experience of the individual, and by reference to the competitive marketplace for management talent, including a comparison of base salaries for comparable positions at other companies (base salaries are targeted to be competitive with the top quartile of the industry). The Company believes that it is necessary to position executive officers' base salaries at or above these levels in order to attract, retain and motivate its executive officers. In addition, the Compensation/Stock Option Committee considers the recommendations of the Company's Chief Executive Officer and its Executive Vice President. The Company defines the relevant labor market through the use of third-party executive salary surveys that reflect both the restaurant industry as well as a broader cross-section of companies from many industries. Annual salary adjustments are determined by (i) considering various factors, tangible and intangible achieved by the Company; (ii) the overall performance of the executive; (iii) the length of the executive's service to the Company; and (iv) any increased responsibilities assumed by the executive. There are no restrictions on salary adjustments of the Company. The Company has employment agreements with its executive officers other than Mr. Coulter, which sets the base salaries and other terms and conditions of employment for such individuals. The base salaries of the Company's executive officers other than Mr. Mednansky did not increase from fiscal 2005 to fiscal 2006. Mr. Mednansky's salary increased from \$250,000 in 2005 to \$300,000 in 2006 and the increase was based on his promotion and the additional responsibilities attendant to his new position.

Annual Bonuses

The Compensation/Stock Option Committee evaluates the performance of the Company's executives on an annual basis. Other than a \$1,500 annual bonus paid to all Wichita based office employees, Mr. White did not receive a bonus for fiscal 2005. Messrs. Mednansky, Aaron and Howie received bonuses of \$151,500, \$45,213 and \$48,747 respectively, for fiscal 2005. Ms. Lincoln received a bonus of \$55,105 for fiscal 2005. The bonuses were based upon the

Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A

level of individual achievement and development, the performance of each of the Company's respective concepts and departments, and the Company's overall performance, including, but not limited to, its year-over-year change in earnings per share and cash flow and its stock price performance for the year. Mr. Mednansky's bonus also includes a \$25,000 bonus in connection with his promotion to the position of

14

Chief Operating Officer. Mr. Mednansky's responsibilities also include President of the Texas Land & Cattle Steak House concept.

Compensation of Chief Executive Officer

Mr. Coulter's base salary is, among other things, based upon the factors described in the "Salaries" paragraph above. Other than a \$1,500 annual bonus paid to all Wichita based office employees, Mr. Coulter did not receive a bonus for services performed in fiscal 2005. Mr. Coulter's base salary did not increase from 2005 to 2006. Mr. Coulter was not present during the Compensation/Stock Option Committee's deliberation of his compensation.

Stock Option Plan

It is the philosophy of the Compensation/Stock Option Committee to tie a significant portion of an executive's total opportunity for financial gain to increases in stockholder value, thereby aligning the long-term interest of the stockholders with the executives and to retain such key employee. All salaried employees, including executives and part-time employees, of the Company and its subsidiaries, are eligible for grants of stock options pursuant to the 2004 Plan. During 2005, the only Named Executive Officer to whom the Company granted options pursuant to the 2004 Plan was Mark Mednansky. Mr. Howie was also granted options for services provided to the Company in 2005. In determining the number of options granted to Messrs. Mednansky and Howie the Compensation/Stock Option Committee based its determination on each of their promotions and the additional responsibilities attendant to each of their new positions.

Deferred Compensation Plan

The Deferred Plan is a non-qualified deferred compensation plan. Deferred Plan participants elect the percentage of pay they wish to defer into their Deferred Plan account. They also elect the percentage of their deferral account to be allocated among various investment options. The Deferred Plan permits highly compensated employees or any employee at the level of District Manager or higher to defer a portion of their annual compensation into unfunded accounts with the Company. Participants in the Deferred Plan are considered a select group of management and highly compensated employees according to the Department of Labor. A participant's account balance will be paid in cash upon death, termination of employment or retirement and, subject to certain penalty provisions, while the participant is employed by the Company. In addition, at the request of the participant, if the committee administering the Deferred Plan, in its sole discretion, determines that a participant has suffered an unforeseen financial emergency, such committee may first modify the participant's deferral election and then may distribute to the participant that portion of the participant's account balance necessary to alleviate the participant's hardship. The Company's contribution vests annually in four equal installments commencing in the second year of employment with the Company. All executive officers who participate in the Deferred Plan have been employed by the Company for more than four (4) years.

Tax Fees

Tax fees for 2005 and 2004 were for services related to tax compliance (\$169,934 for the fiscal year ended December 27, 2005 and \$221,425 for the fiscal year ended December 28, 2004), including the preparation of tax returns. In addition, with respect to the fiscal year ended December 28, 2004, tax fees include tax planning and tax advice related primarily to the Company's 2004 acquisition of Texas Land and Cattle Steakhouse.

All Other Fees

There were no other fees paid to Ernst & Young LLP for the fiscal years ended December 27, 2005 and December 28, 2004.

The Audit Committee reviews audit and non-audit services performed by Ernst & Young LLP as well as the fees charged by Ernst & Young LLP for such

Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A

services. In its review of non-audit service fees, the Audit Committee considers, among other things, the possible effect of the performance of such services on the auditor's independence.

Pre-Approval Policies and Procedures

All audit and non-audit services to be performed by the Company's independent accountant must be approved in advance by the Audit Committee. Consistent with applicable law, limited amounts of services, other than audit, review or attest services, may be approved by one or more members of the Audit Committee pursuant

17

to authority delegated by the Audit Committee, provided each such approved service is reported to the full Audit Committee at its next meeting.

All of the engagements and fees for the Company's fiscal year ended December 27, 2005 were approved by the Audit Committee. In connection with the audit of the Company's Financial Statements for the Fiscal Years ended December 27, 2005 and December 28, 2004, Ernst & Young LLP only used full-time, permanent employees.

The Audit Committee of the Board of Directors considered whether the provision of non-audit services by Ernst & Young LLP was compatible with its ability to maintain independence from an audit standpoint and concluded that Ernst & Young LLP's independence was not compromised.

RECOMMENDATION OF THE BOARD OF DIRECTORS

THE BOARD OF DIRECTORS OF THE COMPANY RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING DECEMBER 26, 2006.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

For the fiscal year ended December 27, 2005, there were no transactions that were required to be described under "Certain Relationships and Related Transactions."

AUDIT COMMITTEE REPORT

The members of the Audit Committee at December 27, 2005 were Messrs. Bergamo, Greene and Mandigo, all of whom are "independent directors" (as "independent director" is defined pursuant to the Nasdaq Marketplace Rule 4200(a)(14)(D) and the Sarbanes-Oxley Act). During fiscal 2005, there were nine meetings or actions by unanimous written consent of the Audit Committee. The composition of the Audit Committee, the attributes of its members and the responsibilities of the Audit Committee are intended to be in accordance with applicable requirements for corporate audit committees.

The Audit Committee adopted a written charter, which is available at the Company's website at www.lonestarsteakhouse.com. The Company's independent auditors are responsible for auditing the financial statements. The activities of the Committee are in no way designed to supersede or alter those traditional responsibilities. The Audit Committee serves a broad-level oversight role, in which it provides advice, counsel and direction to management and the auditors on the basis of the information it receives, discussions with management and the auditors and the experience of the Audit Committee's members in business, financial and accounting matters. The Committee's role does not provide any special assurances with regard to the Company's financial statements, nor does it involve a professional evaluation

Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A

of the quality of the audits performed by the independent auditors.

In connection with the audit of Company's financial statements for the year ended December 27, 2005, the Audit Committee met with representatives from Ernst & Young LLP, the Company's independent auditors. The Audit Committee reviewed and discussed with Ernst & Young LLP, the Company's financial management and financial structure, as well as the matters relating to the audit required to be discussed by Statements on Auditing Standards 61 and 90.

On June 20, 2005, the Audit Committee received from Ernst & Young LLP the written disclosures and the letter regarding Ernst & Young LLP's independence required by Independence Standards Board of Standard No. 1.

In addition, the Audit Committee reviewed and discussed with the Company's management the Company's audited financial statements relating to fiscal year ended December 27, 2005 and has discussed with Ernst & Young LLP the independence of Ernst & Young LLP.

18

Based upon review and discussions described above, the Audit Committee recommended to the Board of Directors that the Company's financial statements audited by Ernst & Young LLP be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 27, 2005.

STOCKHOLDER PROPOSALS AND NOMINATING COMMITTEE REPORT

In order to be considered for inclusion in the proxy materials to be distributed in connection with the next Annual Meeting of Stockholders of the Company, stockholder proposals for such meeting must be submitted to the Company no later than January 26, 2007.

On May 21, 1998 the SEC adopted an amendment to Rule 14a-4, as promulgated under the Securities and Exchange Act of 1934, as amended. The amendment to Rule 14a-4(c)(1) governs the Company's use of its discretionary proxy voting authority with respect to a stockholder proposal which is not addressed in the Company's proxy statement. The amendment provides that if the Company does not receive notice of the proposal at least 45 days prior to the first anniversary of the date of mailing of the prior year's proxy statement, then the Company will be permitted to use its discretionary voting authority when the proposal is raised at the annual meeting, without any discussion of the matter in the proxy statement.

With respect to the Company's 2007 Annual Meeting of Stockholders, if the Company is not provided notice of a stockholder proposal, which has not been timely submitted, for inclusion in the Company's proxy statement by April 11, 2007 the Company will be permitted to use its discretionary voting authority as outlined above.

The By-laws of the Company establish procedures for stockholder nominations for elections of directors of the Company and bringing business before any annual meeting or special meeting of stockholders of the Company. Any stockholder entitled to vote generally in the election of directors may nominate one or more persons for election as directors at a meeting only if written notice of such stockholder's intent to make such nomination or nominations has been given, either by personal delivery or by United States mail, postage prepaid, to the Secretary of the Company, not less than 90 days nor more than 120 days prior to the meeting; provided, however, that in the

Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A

event that if and only if the annual meeting is not scheduled to be held within a period that commences thirty days after such anniversary date (the "Other Meeting Date"), such Stockholder Notice shall be given in the manner provided by the later of (i) the close of business on the date ninety days prior to such Other Meeting Date or (ii) the close of business on the tenth day following the date on which such Other Meeting Date is first publicly announced or disclosed. Any notice to the Secretary must include: (i) the name and address of record of the stockholder who intends to make the nomination; (ii) a representation that the stockholder is a holder of record of shares of the Company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (iii) such other information regarding each nominee proposed by such stockholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC; and (iv) the consent of each nominee to serve as a director of the Company if so elected. The Company may require any proposed nominee to furnish such other information as may reasonably be required by the Company to determine the eligibility of such proposed nominee to serve as a director of the Company. The presiding officer of the meeting may, if the facts warrant, determine that a nomination was not made in accordance with the foregoing procedure, in which event, the officer will announce that determination to the meeting and the defective nomination will be disregarded.

The Nominating Committee identifies prospective candidates to serve as directors by reviewing candidates credentials and qualifications, and interviewing prospective candidates before submitting their respective names to the Board. In addition, The Nominating Committee adopted a written charter, which is available at the Company's website at www.lonestarsteakhouse.com. The members of the Nominating Committee on December 27, 2005 were William B. Greene, Jr., Thomas C. Lasorda and Michael A. Ledeen Ph.D. During fiscal 2005, there were three meetings or actions by unanimous written consent of the Nominating Committee, and each of the members of the Nominating Committee was present at that meeting. Each member of the Nominating Committee meets the criteria for being "independent" set forth under Section 4200(a)(15) of Nasdaq's listing standards.

19

The Nominating Committee considers recommendations for director nominees from a wide variety of sources, including members of the Company's Board, business contacts, community leaders, other third-party sources and members of management. The Nominating Committee also considers shareholder recommendations for director nominees that are properly received in accordance with the Company's By-laws and applicable rules and regulations of the SEC.

The Board believes that all of its directors should have the highest personal integrity and have a record of exceptional ability and judgment. The Board also believes that its directors should ideally reflect a mix of experience and other qualifications. There is no firm requirement of minimum qualifications or skills that candidates must possess. The Nominating Committee evaluates director candidates based on a number of qualifications, including their independence, judgment, leadership ability, expertise in the industry, experience developing and analyzing business strategies, financial literacy, risk management skills, and, for incumbent directors, his or her past performance.

The Nominating Committee initially evaluates a prospective nominee on the basis of his or her resume and other background information that has been made available to the Committee. A member of the Nominating Committee will contact for further review and interview those candidates who the Committee believes are qualified, who may fulfill a specific Board need and who would otherwise best make a contribution to the Board. If, after further discussions with the

Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A

candidate, and other review and consideration as necessary, the Nominating Committee believes that it has identified a qualified candidate, it will consider making a recommendation to the Board.

Procedures for Contacting Directors

The Board of Directors has established a process for stockholders to send communications to the Board. Stockholders may communicate with the Board generally or a specific director at any time by writing to: Gerald T. Aaron, Secretary, Lone Star Steakhouse & Saloon, Inc., 224 East Douglas, Suite 700, Wichita, Kansas 67202-3414. The Secretary reviews all messages received, and forwards any message that reasonably appears to be a communication from a stockholder about a matter of stockholder interest that is intended for communication to the Board. Communications are sent as soon as practicable to the director to whom they are addressed, or if addressed to the Board generally, to the Chairman of the Nominating Committee. Because other appropriate avenues of communication exist for matters that are not of stockholder interest, such as general business complaints or employee grievances, communications that do not relate to matters of stockholder interest are not forwarded to the Board. The Secretary has the right, but not the obligation, to forward such other communications to appropriate channels within the Company.

PROXY SOLICITATION

The cost of soliciting proxies will be borne by the Company. The transfer agent and registrar for the Company's Common Stock, American Stock Transfer & Trust Company, as a part of its regular services and for no additional compensation other than reimbursement for out-of-pocket expenses, has been engaged to assist in the proxy solicitation. The Company has retained Innisfree M&A Incorporated for a fee not to exceed \$6,500, plus reimbursement of reasonable out-of-pocket expenses to assist in the solicitation of proxies and revocations. Proxies may be solicited through the mail and through telephonic or telegraphic communications to, or by meetings with, stockholders or their representatives by directors, officers, and other employees of the Company who will receive no additional compensation therefor.

The Company requests persons such as brokers, nominees, and fiduciaries holding stock in their names for others, or holding stock for others who have the right to give voting instructions, to forward proxy material to their principals and to request authority for the execution of the proxy, and the Company will reimburse such persons for their reasonable expenses.
