EXPLANATORY NOTE

The Laclede Group, Inc. ("Company") is filing this Amendment No. 1 ("Amendment No. 1") to the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2013, originally filed with the U.S. Securities and Exchange Commission ("SEC") on November 26, 2013 (the "Original Filing"), solely to revise the disclosure set forth in Part II, Item 9A under the heading "Controls and Procedures." For the convenience of the reader, this Amendment No. 1 amends and restates Part II, Item 9A in its entirety.

In addition, as required by Rule 12b-15 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), this Amendment No. 1 contains new certifications (filed as exhibits hereto) by our Chief Executive Officer and Chief Financial Officer required pursuant to Rule 13a-14(a) under the Exchange Act and 18 U.S.C. Section 1350. Accordingly, this Amendment No. 1 amends and restates Part IV, Item 15(b) to reflect the filing of these currently dated certifications.

Except as described above, this Amendment No. 1 does not amend, update or change any other items or disclosures contained in the Original Filing as amended by this Amendment No. 1, including the previously reported financial statements and other financial disclosures included in the Original Filing, and accordingly, this Amendment No. 1 does not reflect or purport to reflect any information or events occurring after the original filing date or modify or update those disclosures affected by subsequent events. Accordingly, this Amendment No. 1 should be read in conjunction with the Original Filing and our other filings with the SEC.

PART II

Item 9A. Controls and Procedures

As of the end of the period covered by this report, we carried out an evaluation, under the supervision and with participation of our management, including our Chief Executive Officer and Chief Financial Officer, of the effectiveness of the design and operation of the disclosure controls and procedures pursuant to Rule 13a-15e and Rule 15d-15e under the Securities Exchange Act of 1934, as amended. Based upon that evaluation, the Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures are effective. SEC guidance permits the exclusion of an evaluation of the effectiveness of a registrant's disclosure controls and procedures as they relate to the internal control over financial reporting for an acquired business during the first year following such acquisition. As discussed in Note 2, Acquisition of MGE, in the Notes to Consolidated Financial Statements contained in this report, the Company completed the acquisition of Missouri Gas Energy ("MGE") on September 3, 2013. MGE's business constitutes 50 percent and 36 percent of net and total assets, respectively, and 2 percent of revenues of the consolidated financial statement amounts as of and for the year ended September 30, 2013. Management's evaluation and conclusion as to the effectiveness of the design and operation of the Company's disclosure controls and procedures as of the end of the period covered by this report excludes any evaluation of the internal control over financial reporting of MGE.

(b) Change in Internal Controls

During our fourth fiscal quarter we implemented a new customer care and billing application. The new system and related changes to processes have changed and enhanced our internal control over customer billing and financial reporting. We have taken the necessary steps to test the operating effectiveness of all key controls in the new system and maintain appropriate internal control over financial reporting during fiscal year 2013.

Other than the system implementation and the MGE acquisition discussed above, there have been no changes in our internal control over financial reporting that occurred during our fourth fiscal quarter that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

The Management Report on Internal Control Over Financial Reporting and the Reports of Independent Registered Public Accounting Firm are included under Item 8, pages 46 through 48.
