- (1) Each performance unit represents the right to receive, upon vesting, one share of the Issuer's common stock in accordance with the Issuer's 2010 Omnibus Incentive Compensation Plan.

- (2) The performance units were granted on May 7, 2012 and shall vest in two separate tranches, each contingent upon the achievement of a threshold performance goal and pre-established performance criteria within a defined performance period. Performance Units will not vest unless the participant is continuously employed by the Issuer through the applicable vesting date, unless the participant is eligible, in certain pre-established circumstances, for a pro-rata settlement. In the event of a change of control of the Issuer during the performance period, regardless of whether the threshold performance goal has been achieved, 25% of the then unvested portion of the performance unit will vest or a different amount as determined by the Compensation Committee of the Board of Directors. For more information, see Part II, Item 5 Other Information, of the Issuer's Current Report on Form 10-Q filed with the Securities and Exchange Commission on May 4, 2012.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.
