E-DEBIT GLOBAL CORPORATION REPORTS

**BRITISH COLUMBIA SECURITIES COMMISSION REVOCATION OF DECEMBER 23, 2010 CEASE
TRADE ORDER**

Calgary, Alberta E-Debit Global Corporation ("E-Debit", "the Company") (OTC:QB Code : WSHE) announces British Columbia Securities Commission revocation of its Cease Trade Order issued on December 23, 2010 against E-Debit Global Corporation.

Overview

Further to our previously issued release of January 5, 2011 regarding the captionally noted we have worked very diligently and in a pragmatic manner to resolve issues related to the British Columbia Securities Commission (BCSC) issued Cease Trade Order. While we recorded our view of the issuance of Order the Company made application to become a Reporting Issuer with the BCSC which has been accepted. In the recent past the BCSC has been very accommodating in our efforts to gain its Reporting Issuer status and the Company s filings can now be found both with the SEC and on Sedar. Shortly you will be able to access both filings from our web-site. stated Doug Mac Donald, E-Debit s President and CEO.

During the past several years the Company s status of being an *Issuer Quoted in the U.S. Over-the-Counter Market* has resulted in our Shareholders meeting significant hurdles in gaining access to the markets in their effort to trade their shares. While we view our current status as a Reporting Issuer being a positive step towards assisting our Shareholders access to the marketplace the management and Board of Directors will move forward and continue its review of the costs and benefits of being dually listed with a Canadian Exchange.

The Company had initiated such a review in the fall of 2010 which was interrupted during the period the BCSC Order was in place but we believe it is a matter that should be seriously considered due to the recent changes to the public marketplace and the consolidations of the exchanges both in Canada and the United States. It is the highest of priorities that our Shareholders have easier access to the marketplace.

As a result of the revocation of the Cease Trade Order the Company has forwarded correspondence to the BCSC withdrawing our application for a review and hearing. Mr. Mac Donald advised.

About E-Debit Global Corporation

E-Debit Global Corporation (WSHE) is a financial holding company in Canada at the forefront of debit, credit and online computer banking. Currently, the Company has established a strong presence in the privately owned Canadian banking sector including Automated Banking Machines (ABM), Point of Sale Machines (POS), Online Computer Banking (OCB) and E-Commerce Transaction security and payment.
