All or a portion of this security has been segregated for when-issued or delayed delivery securities.

When-issued or delayed delivery security

p All or a portion of this security is on loan.

144A Security that may be sold to qualified institutional buyers under Rule 144A of the Securities Act of 1933, as amended. This security has been determined to be liquid under guidelines established by the Board of Trustees, unless otherwise noted.

Security initially issued in zero coupon form which converts to coupon form at a specified rate and date. An effective interest rate is applied to recognize interest income daily for the bond. This rate is based on total expected interest to be earned over the life of the bond which consists of the aggregate coupon-interest payments and discount at acquisition. The rate shown is the stated rate at the current period end.

Security is valued at fair value as determined by the investment advisor in good faith, according to procedures approved by the Board of Trustees.

\emptyset Evergreen Investment Management Company, LLC is the investment advisor to both the Fund and the money market fund.

þþ Represents investment of cash collateral received from securities on loan.
