## PROPOSAL 1 - ELECTION OF TRUSTEES

### General

Holders of the shares of each fund are entitled to elect five Trustees at this Meeting. James R. Boyle, William H. Cunningham, Grace K. Fey, Hassell H. McClellan and Gregory A. Russo have been designated as subject to election by holders of the shares of each fund.

Each fund has a "staggered" Board divided into three classes: one class composed of five Trustees and two classes composed of four Trustees. The term of one class expires each year on the date of the annual meeting of shareholders or special meeting in lieu thereof. Should a Trustee in a class wish to serve an additional term, he or she must stand for re-election. Classifying the Trustees in this manner may prevent replacement of a majority of the Trustees for a period of up to two years.

As of the date of this proxy, each nominee for election currently serves as a Trustee of each fund and, if re-elected, will serve for a term expiring on the date of the 2020 Annual Meeting of Shareholders or the special meeting in lieu thereof.

Using the enclosed proxy card, a shareholder may authorize the proxies to vote his or her shares for the nominees, or the shareholder may withhold from the proxies authority to vote his or her shares for one or more of the nominees. If no contrary instructions are given, the proxies will vote FOR the nominees. Each of the nominees has consented to his nomination and has agreed to serve if elected. If, for any reason, any nominee should not be available for election or not be able to serve as a Trustee, the proxies will exercise their voting power in favor of such substitute nominee, if any, as the funds' Trustees may designate. The funds have no reason to believe that it will be necessary to designate any substitute nominees.

## Proposal

For each fund, James R. Boyle, William H. Cunningham, Grace K. Fey, Hassell H. McClellan and Gregory A. Russo are the current nominees for election by the shareholders.

The vote of a plurality of the votes cast by the shares of a fund is sufficient to elect each nominee to serve as a Trustee of that fund.

**The Board recommends that shareholders of each fund vote "FOR" each of the five (5) nominees in the Proposal.**

## Information About Nominees/Trustees

The following tables set forth certain information regarding the nominees for election to the Board and regarding the Trustees who are not currently standing for election. The tables also show each nominee's principal occupation or employment and other directorships during the past five years and the number of John Hancock funds overseen by each of the current Trustees as of November 1, 2016. There are currently thirteen Trustees of each fund, ten of whom are not "interested persons" (as defined in the Investment Company Act of 1940, as amended (the "1940 Act")) of the funds ("Independent Trustees"). The business address of each nominee is 601 Congress Street, Boston, Massachusetts 02210.

## Information Concerning Nominees

## Edgar Filing: JOHN HANCOCK FINANCIAL OPPORTUNITIES FUND - Form DEF 14A

There are no specific required qualifications for Board membership. The Board believes that the different perspectives, viewpoints, professional experience, education, and individual qualities of each Trustee represent a diversity of experiences and a variety of complementary skills. Each Trustee has experience as a Trustee of each fund as well as experience as a Trustee of other John Hancock funds. It is the Trustees' belief that this allows the Board, as a whole, to oversee the business of each fund in a manner consistent with the best interests of the fund's shareholders. When considering potential nominees to fill vacancies on the Board, and as part of its annual self-evaluation, the Board reviews the mix of skills and other relevant experiences of the Trustees.

## **Duties of Trustees; Board Meetings and Board Committees**

Each fund is organized as a Massachusetts business trust. Under the funds' Declarations of Trusts, the Trustees are responsible for managing the affairs of the funds, including the appointment of advisors and subadvisors. Each Trustee has the experience, skills, attributes or qualifications described above (see "Principal Occupation(s) and Other Directorships During the Past Five Years" and "Additional Information About Nominees/Trustees" above). The Board appoints officers who assist in managing the day-to-day affairs of the funds. With respect to Financial Opportunities and Hedged Equity & Income, the Board met five times during the fiscal year ended December 31, 2015. With respect to Preferred Income, Preferred Income II and Preferred Income III, the Board met five times during the fiscal year ended July 31, 2016. With respect to Premium Dividend, Tax-Advantaged Dividend and Tax-Advantaged Global, the Board met six times during the fiscal year ended October 31, 2016. No Trustee attended fewer than 75% of the aggregate of (1) the total number of Board meetings; and (2) the total number of meetings held by all committees on which he or she served. The funds hold joint meetings of the Trustees and all committees. One Trustee attended the joint 2016 annual meeting of shareholders of the funds that was held on February 3, 2016.

The Board has appointed an Independent Trustee as Chairperson. The Chairperson presides at meetings of the Trustees, and may call meetings of the Board and any Board committee whenever he deems it necessary. The Chairperson participates in the preparation of the agenda for meetings of the Board and the identification of information to be presented to the Board with respect to matters to be acted upon by the Board. The Chairperson also acts as a liaison with the funds' management, officers, attorneys, and other Trustees generally between meetings. The Chairperson may perform such other functions as may be requested by the Board from time to time. The Board has also designated a Vice Chairperson to serve in the absence of the Chairperson. Except for any duties

### Table of Contents

specified pursuant to each fund's Declaration of Trust or By-Laws, or as assigned by the Board, the designation of a Trustee as Chairperson or Vice Chairperson does not impose on that Trustee any duties, obligations or liability that are greater than the duties, obligations or liability imposed on any other Trustee, generally. The Board has designated a number of standing committees as further described below, each of which has a Chairperson. The Board also may designate working groups or ad hoc committees as it deems appropriate.

The Board believes that this leadership structure is appropriate because it allows the Board to exercise informed and independent judgment over matters under its purview, and it allocates areas of responsibility among committees or working groups of Trustees and the full Board in a manner that enhances effective oversight. The Board considers leadership by an Independent Trustee as Chairperson to be integral to promoting effective independent oversight of the funds' operations and meaningful representation of the shareholders' interests, given the specific characteristics and circumstances of the funds. The Board also believes that having a super-majority of Independent Trustees is appropriate and in the best interest of the funds' shareholders. Nevertheless, the Board also believes that having interested persons serve on the Board brings corporate and financial viewpoints that are, in the Board's view, helpful elements in its decision-making process. In addition, the Board believes that Messrs. Boyle, Bromley, and Thomson, as current or former senior executives of MFC, the parent company of the Advisor and of other affiliates of the Advisor, provide the Board with the perspective of the Advisor in managing and sponsoring all of the funds. The leadership structure of the Board may be changed, at any time and in the discretion of the Board, including in response to changes in circumstances or the characteristics of each fund.

## Board Committees

The Board has established an Audit Committee; Compliance Committee; Contracts, Legal & Risk Committee; Nominating and Governance Committee; and Investment Committee.

The current membership of each committee is set forth below.

*Audit Committee.* The Board has an Audit Committee in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), which comprises Independent Trustees (Messrs. Bardelis, Burgess and Hoffman) as defined under Section 2(a)(19) of the 1940 Act. Mr. Burgess serves as Chairperson of this Committee. Each Audit Committee member is financially literate, with at least one having accounting or financial management expertise. The Board has adopted a written charter for the Committee. This Committee recommends to the full Board independent registered public accounting firms for each fund, oversees the work of the independent registered public accounting firm in connection with each fund's audit, communicates with the independent registered public accounting firm on a regular basis and provides a forum for the independent registered public accounting firm to report and discuss any matters it deems appropriate at any time. The Audit Committee held six meetings during the fiscal year ended December 31, 2015, four meetings during the fiscal year ended July 31, 2016, and four meetings during the fiscal year ended October 31, 2016, for funds with the relevant fiscal year ends. The written report of the Audit Committee is set forth below under "Audit Committee Report." The written charter of the Audit Committee is included as Attachment 1 to this proxy statement.

*Compliance Committee.* The Board also has a standing Compliance Committee (Ms. Jackson and Messrs. Cunningham and McClellan). This Committee reviews and makes recommendations to the full Board regarding certain compliance matters relating to the funds. Mr. McClellan serves as Chairperson of this Committee. This Committee held four meetings during the fiscal year ended December 31, 2015, four meetings during the fiscal year ended July 31, 2016, and four meetings during the fiscal year ended October 31, 2016, for funds with the relevant fiscal year ends.

*Contracts, Legal & Risk Committee.* The Board also has a standing Contracts, Legal & Risk Committee (Ms. Fey and Messrs. Pruchansky and Russo). This Committee oversees the initiation, operation, and renewal of the various contracts between the funds and other entities. These contracts include advisory and subadvisory agreements, custodial and transfer agency agreements and arrangements with other service providers. The Committee also reviews the significant legal affairs of the funds, as well as any significant regulatory and legislative actions or proposals affecting or relating to the funds or their service providers. The Committee also assists the Board in its oversight role with respect to the processes pursuant to which the Advisor and the subadvisors identify, manage and report the various risks that affect or could affect the funds. Mr. Russo serves as Chairperson of this Committee. The Contracts, Legal & Risk Committee held four meetings during the fiscal year ended December 31, 2015, four meetings during the fiscal year ended July 31, 2016, and four meetings during the fiscal year ended October 31, 2016, for funds with the relevant fiscal year ends.

*Nominating & Governance Committee.* This Committee comprises all of the Independent Trustees as defined in Section 2(a)(19) of the 1940 Act. Mr. Oates serves as Chairperson of this Committee. The purpose of this Committee is to make determinations and recommendations to the Board on issues related to the composition and operation of the Board and corporate governance matters applicable to the Independent Trustees. This Committee is solely responsible for the selection and recommendation to the Board of Independent Trustee candidates. This Committee held five meetings during the fiscal year ended December 31, 2015, five meetings during the fiscal year ended July 31, 2016, and five meetings during the fiscal year ended October 31, 2016, for funds with the relevant fiscal year ends.

Each fund's Board has adopted a written charter for the Nominating and Governance Committee. A copy of the Charter is included as Attachment 2 to this proxy statement. This Committee will consider nominees recommended by fund shareholders. Any recommendations from shareholders shall be directed to the Secretary of the relevant fund at 601 Congress Street, 11th Floor, Boston, Massachusetts 02210. Any shareholder nomination must be submitted in compliance with all of the pertinent provisions of Rule 14a-8 under the Exchange Act in order to be considered by the Committee. In evaluating a nominee recommended by a shareholder, the Committee, in addition to the criteria discussed below, may consider the objectives of the shareholder in submitting that nomination and whether such objectives are consistent with the interests of all shareholders.

The Committee may take into account a wide variety of factors in considering Trustee candidates, including (but not limited to) the following criteria: (i) the nominee's reputation for integrity, honesty and adherence to high ethical standards, and such other personal characteristics as a capacity for leadership and the ability to work well with others; (ii) the nominee's business, professional, academic, financial, accounting or other experience and qualifications, which demonstrate that he or she will make a valuable contribution as Trustee; (iii) a commitment to understand the funds and the responsibilities of a trustee of an investment company; (iv) a commitment to regularly attend and participate in meetings of the Board and its Committees; (v) the ability to understand potential conflicts of interest involving management of the funds and to act in the interests of all shareholders; (vi) the absence of a real or apparent conflict of interest that would impair the nominee's ability to represent the interests of all the shareholders and to fulfill the responsibilities of an Independent Trustee; and (vii) experience on corporate or other institutional bodies having oversight responsibilities. The Committee may determine that a candidate who does not satisfy these criteria in one or more respects should nevertheless be considered as a nominee if the Committee finds that the criteria satisfied by the candidate and the candidate's other qualifications demonstrate the appropriate level of fitness to serve. This Committee will strive to achieve a group that reflects a diversity of experiences in respect of industries, professions and other experiences, and that is diversified as to gender and race.

As long as a current Independent Trustee continues, in the opinion of this Committee, to satisfy these criteria, each fund anticipates that the Committee would favor the re-nomination of a current Independent Trustee rather than a new candidate. Consequently, while this Committee will consider nominees recommended by shareholders to serve as Independent Trustees, the Committee may act upon such recommendations only if there is a vacancy on the Board or the Committee determines that the selection of a new or additional Independent Trustee is in the best interests of a fund.

While the Committee is solely responsible for the selection and recommendation to the Board of Independent Trustee candidates, the Committee may consider nominees recommended by any source, including shareholders, management, legal counsel and Board members, as it deems appropriate. All recommendations shall include all information relating to such person that is required to be disclosed in solicitations of proxies for the election of Board members and as specified in the relevant fund's By-Laws, and must be accompanied by a written consent of the proposed candidate to stand for election if nominated for the Board and to serve if elected by shareholders. The Committee's process for identifying and evaluating nominees to serve as Independent Trustees of the funds is set forth in Annex A to the Committee's Charter.

*Investment Committee.* The Board also has an Investment Committee composed of all of the Trustees. The Investment Committee has five subcommittees with the Trustees divided among the five subcommittees (each an "Investment Sub-Committee"). Each Investment Sub-Committee reviews investment matters relating to a particular group of funds and coordinates with the full Board regarding investment matters. Mes. Fey and Jackson and Messrs. Hoffman, Bardelis and Cunningham serve as Chairpersons of the Investment Sub-Committees. The Investment Sub-Committee that oversees the funds held five meetings during the fiscal year ended December 31, 2015, five meetings during the fiscal year ended July 31, 2016, and five meetings during the fiscal year ended October 31, 2016, for the funds with the relevant fiscal year ends.

Annually, the Board evaluates its performance and that of its Committees, including the effectiveness of the Board's Committee structure.

## **Risk Oversight**

As registered investment companies, the Funds are subject to a variety of risks, including investment risks (such as, among others, market risk, credit risk and interest rate risk), financial risks (such as, among others, settlement risk, liquidity risk and valuation risk), compliance risks, and operational risks. As a part of its overall activities, the Board oversees the Funds' risk management activities that are implemented by the Advisor, the Funds' Chief Compliance Officer ("CCO") and other service providers to the Funds. The Advisor has primary responsibility for the Funds' risk management on a day-to-day basis as a part of its overall responsibilities. The Funds' Subadvisors, subject to oversight of the Advisor, are primarily responsible for managing investment and financial risks as a part of their day-to-day investment responsibilities, as well as operational and compliance risks at their firms. The Advisor and the CCO also assist the Board in overseeing compliance with investment policies of the Funds and regulatory requirements, and monitor the implementation of the various compliance policies and procedures approved by the Board as a part of its oversight responsibilities.

The Advisor identifies to the Board the risks that it believes may affect the Funds and develops processes and controls regarding such risks. However, risk management is a complex and dynamic undertaking and it is not always possible to comprehensively identify and/or mitigate all such risks at all times since risks are at times impacted by external events. In discharging its oversight responsibilities, the Board considers risk management issues throughout the year with the assistance of its various Committees as described below. Each Committee meets at least quarterly and presents reports to the Board, which may prompt further discussion of issues concerning the oversight of the Funds' risk management. The Board as a whole also reviews written reports or

presentations on a variety of risk issues as needed and may discuss particular risks that are not addressed in the Committee process.

The Board has established an Investment Committee, which consists of five Investment Sub-Committees. Each Investment Sub-Committee assists the Board in overseeing the significant investment policies of the relevant Funds and the performance of their Subadvisors. The Advisor monitors these policies and Subadvisor activities and may recommend changes in connection with the Funds to each relevant Investment Sub-Committee in response to a Subadvisor's requests or other circumstances. On at least a quarterly basis, each Investment Sub-Committee reviews reports from the Advisor regarding the relevant Funds' investment performance, which include information about investment and financial risks and how they are managed, and from the CCO regarding Subadvisor compliance matters. In addition, each Investment Sub-Committee meets periodically with the portfolio managers of the Funds' Subadvisors to receive reports regarding management of the Funds, including with respect to risk management processes.

The Audit Committee assists the Board in reviewing with the independent auditors, at various times throughout the year, matters relating to the Funds' financial reporting. In addition, this Committee oversees the process of each Fund's valuation of its portfolio securities, assisted by the Funds' Pricing Committee (composed of officers of the Trust), which calculates fair value determinations pursuant to procedures adopted by the Board.

---

## Table of Contents

The Compliance Committee assists the Board in overseeing the activities of the Trust's CCO with respect to the compliance programs of the Funds, the Advisor, the Subadvisors, and certain of the Funds' other service providers (the Distributor and transfer agent). This Committee and the Board receive and consider periodic reports from the CCO throughout the year, including the CCO's annual written report, which, among other things, summarizes material compliance issues that arose during the previous year and any remedial action taken to address these issues, as well as any material changes to the compliance programs.

The Contracts, Legal & Risk Committee assists the Board in its oversight role with respect to the processes pursuant to which the Advisor and the Subadvisors identify, assess, manage and report the various risks that affect or could affect the Funds. This Committee reviews reports from the Funds' Advisor on a periodic basis regarding the risks facing the Funds, and makes recommendations to the Board concerning risks and risk oversight matters as the Committee deems appropriate. This Committee also coordinates with the other Board Committees regarding risks relevant to the other Committees, as appropriate.

In addressing issues regarding the Funds' risk management between meetings, appropriate representatives of the Advisor communicate with the Chairperson of the Board, the relevant Committee Chair, or the Trust's CCO, who is directly accountable to the Board. As appropriate, the Chairperson of the Board, the Committee Chairs and the Trustees confer among themselves, with the Trust's CCO, the Advisor, other service providers, external fund counsel, and counsel to the Independent Trustees, to identify and review risk management issues that may be placed on the full Board's agenda and/or that of an appropriate Committee for review and discussion.

In addition, in its annual review of the Funds' advisory, subadvisory and distribution agreements, the Board reviews information provided by the Advisor, the Subadvisors and the Distributor relating to their operational capabilities, financial condition, risk management processes and resources.

The Board may, at any time and in its discretion, change the manner in which it conducts its risk oversight role.

The Advisor also has its own, independent interest in risk management. In this regard, the Advisor has appointed a Risk and Investment Operations Committee, consisting of senior personnel from each of the Advisor's functional departments. This Committee reports periodically to the Board and the Contracts, Legal & Risk Committee on risk management matters. The Advisor's risk management program is part of the overall risk management program of John Hancock, the Advisor's parent company. John Hancock's Chief Risk Officer supports the Advisor's risk management program, and at the Board's request will report on risk management matters.

<sup>1</sup> Trustee share ownership is provided as of October 31, 2016. The amounts reflect the aggregate dollar range of equity securities beneficially owned by the Trustees in the funds and in all John Hancock funds overseen by each Trustee. The information as to beneficial ownership is based on statements furnished to the funds by the Trustees. Each of the Trustees has all voting and investment powers with respect to the shares indicated.

## Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires a fund's executive officers, Trustees and persons who own more than 10% of a fund's shares ("10% Shareholders") to file reports of ownership and changes in ownership with the Securities and Exchange Commission ("SEC"). Executive officers, Trustees and 10% Shareholders are also required by SEC regulations to furnish each fund with copies of all Section 16(a) forms they file. Based solely on a review of the copies of these reports furnished to the funds and representations that no other reports were required to be filed, each fund believes that, during the past fiscal year, its executive officers, Trustees and 10% Shareholders complied with all applicable Section 16(a) filing requirements.

Each fund's Audit Committee has adopted procedures that require the pre-approval of audit and nonaudit services provided by the fund's independent registered public accounting firm to the fund, the Advisor and any entity controlling, controlled by or under common control with the Advisor that provide services to each fund (the "Advisor Affiliates") and that relate directly to each fund's

## Edgar Filing: JOHN HANCOCK FINANCIAL OPPORTUNITIES FUND - Form DEF 14A

operations and financial reporting. In addition, these procedures identify certain types of audit and non-audit services that are anticipated to be provided by PwC during a calendar year and, provided the services are within the scope and value standards set forth in the procedures, such services are deemed to be pre-approved by the Audit Committee. The scope and value criteria are reviewed annually. Unless a service is pre-approved under the procedures, it must be specifically pre-approved by the Audit Committee.

In recommending PwC as the funds' independent registered public accounting firm, the Audit Committee has considered the compensation paid to PwC for audit and non-audit services to the Advisor and the Advisor Affiliates, and has determined that such compensation is not incompatible with maintaining PwC's independence.

The following table sets forth the aggregate non-audit fees billed by PwC for services rendered to each fund for the two most recently completed fiscal years.

### Required Vote for Proposal 1

Approval of Proposal 1 will require a plurality of all votes cast, assuming a quorum exists. A "plurality" means that the five Nominees presented for election receiving the greatest number of votes will be elected as Trustees, regardless of the number of votes cast.

**The Board of Trustees, including all the Independent Trustees, recommends that shareholders vote "FOR" Proposal 1.**

## MISCELLANEOUS

### Voting Procedures

Directions to attend the Meeting where shareholders may vote in person can be found on our website at [www.jhinvestments.com/proxy](http://www.jhinvestments.com/proxy). Valid photo identification may be required to attend the Meeting in person. **All valid proxies will be voted in accordance with specifications thereon, or in the absence of specifications, for each Nominee in the proposal.** The proposal described in this proxy statement is considered a routine matter on which brokers holding shares in "street name" may vote on this proposal without instruction under the rules of the NYSE.

**Revocation of Proxies.** Proxies may be revoked at any time before the Meeting either (i) by a written revocation received by the Secretary of the funds, (ii) by a properly executed later-dated proxy received by the Secretary of the funds, or (iii) by an in-person vote at the Meeting. Attendance at the Meeting will not in and of itself revoke a proxy. Shareholders may revoke a proxy as often as they wish before the Meeting. Only the latest dated, properly executed proxy card received prior to or at the Meeting will be counted.

**Quorum.** Shareholders of record at the close of business on the Record Date will be entitled to vote at the Meeting or any adjournment of the Meeting. The holders of a majority of the outstanding shares of the fund at the close of business on that date present in person or by proxy will constitute a quorum for the Meeting.

Shareholders are entitled to one vote for each share held and fractional votes for fractional shares held. No shares have cumulative voting rights.

In the event the necessary quorum to transact business or the vote required to approve a proposal is not obtained at the Meeting, the persons named as proxies may propose one or more adjournments of the Meeting with respect to any proposal in accordance with applicable law to permit further solicitation of proxies. Any adjournment of the Meeting will require the affirmative vote of the holders of a majority of the fund's shares cast at the Meeting, and any adjournment with respect to any proposal will require the affirmative vote of the holders of a majority of the shares entitled to vote on the proposal cast at the Meeting. The persons named as proxies will vote for or against any adjournment in their discretion.

**Abstentions and Broker "Non-Votes."** Abstentions and broker non-votes (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee indicates on the proxy that it does not have discretionary voting power on a particular matter) are counted as shares entitled to vote at the Meeting in determining whether a quorum is present, but do not count as votes cast for a proposal. Therefore, abstentions and broker non-votes have the same effect as a vote "against" a proposal.

**Cost of Preparation and Distribution of Proxy Materials.** The costs of the preparation of these proxy materials and their distribution will be borne by the funds.

**Solicitation of Proxies.** In addition to the mailing of these proxy materials, proxies may be solicited by telephone, by fax, by e-mail or in person by the Trustees, officers and employees of the funds and/or by personnel of the Advisor, its affiliates, or by broker-dealer firms. Computershare Inc., which serves as transfer agent, will assist in the solicitation of proxies. Computershare Inc. will be reimbursed by the funds for its reasonable expenses.

## Telephone Voting

In addition to soliciting proxies by mail, by fax, by e-mail or in person, the funds may also arrange to have votes recorded by telephone by officers and employees of the funds or by the personnel of the Advisor, the transfer agent or solicitor. The telephone voting procedure is designed to verify a shareholder's identity, to allow a shareholder to authorize the voting of shares in accordance with the shareholder's instructions and to confirm that the voting instructions have been properly recorded.

A shareholder will be called on a recorded line at the telephone number in each fund's account records and will be asked to provide certain identifying information.

The shareholder will then be given an opportunity to authorize proxies to vote his or her shares at the Meeting in accordance with the shareholder's instructions.

Alternatively, a shareholder may call the funds' Voice Response Unit to vote by taking the following steps:

Read the Proxy Statement and have your proxy card(s) at hand.

Call the toll-free-number located on your proxy card(s).

Enter the "control number" found on the front of your proxy card(s).

Follow recorded instructions to cast your vote.

With both methods of telephone voting, to ensure that the shareholder's instructions have been recorded correctly, the shareholder will also receive a confirmation of the voting instructions. If the shareholder decides after voting by telephone to attend the Meeting, the shareholder can revoke the proxy at that time and vote the shares at the Meeting.

## Internet Voting

Shareholders also will have the opportunity to submit their voting instructions via the Internet by utilizing a program provided through a third-party vendor. Voting via the Internet will not affect a shareholder's right to vote in person if the shareholder decides to attend the Meeting. A shareholder should not mail the proxy card(s) if he or she is voting via the Internet. To vote via the Internet, a shareholder will need the "control number" that appears on the proxy card(s). These Internet voting procedures are designed to authenticate shareholder identities, to allow shareholders to give their voting instructions and to

---

### Table of Contents

confirm that shareholders' instructions have been recorded properly. If a shareholder is voting via the Internet, he or she should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, the costs of which the shareholder must bear.

To vote via the Internet, a shareholder should:

Read the Proxy Statement and have your proxy card(s) at hand.

Go to the Web site on the proxy card(s).

Enter the "control number" found on the front of your proxy card(s).

Follow the instructions on the Web site.

To ensure that the shareholder's instructions have been recorded correctly, the shareholder will receive a confirmation of his or her voting instructions immediately after submitting them.

### **Shareholders Sharing the Same Address**

As permitted by law, only one copy of this Proxy Statement may be delivered to shareholders residing at the same address, unless such shareholders have notified the applicable fund of their desire to receive multiple copies of the shareholder reports and other materials that a fund sends. If a shareholder would like to receive an additional copy, he or she should contact the applicable fund by writing to 601 Congress Street, Boston, Massachusetts 02210, Attn: Michael Heffernan, or by calling 866-859-8682. The fund will then promptly deliver, upon request, a separate copy of this Proxy Statement to any shareholder residing at an address to which only one copy was mailed. Shareholders wishing to receive separate copies of the fund's shareholder reports and other materials in the future, and shareholders sharing an address that wish to receive a single copy if they are receiving multiple copies, also should send a request as indicated.

### **Other Matters**

The Board does not know of any matters to be presented at the Meeting other than the proposal described in this Proxy Statement. If any other matters properly come before the Meeting, the shares represented by proxies will be voted in accordance with the best judgment of the person or persons voting the proxies.

### **SHAREHOLDER PROPOSALS**

Shareholder proposals, including Nominees for Trustee, intended to be presented at a fund's 2018 annual meeting, in accordance with Rule 14a-8 under the Exchange Act, must be received by that fund at its offices at 601 Congress Street, Boston, Massachusetts 02210, by no later than the close of business on August 3, 2017, for inclusion in that fund's proxy statement and form of proxy relating to that meeting (subject to certain exceptions). Written notice of a shareholder proposal submitted outside of the processes of Rule 14a-8 must be delivered to the Secretary of the relevant fund at 601 Congress Street, Boston, Massachusetts 02210 by no later than the close of business on September 1, 2017, and no earlier than August 3, 2017. In order to be included in a fund's proxy statement and form of proxy, a shareholder proposal must comply with all applicable legal requirements. Timely submission of a proposal does not guarantee that such proposal will be included.

#### **BY ORDER OF THE BOARD OF TRUSTEES**

**JOHN HANCOCK FUNDS AUDIT COMMITTEE CHARTER**

**A. Overall Role and Responsibility**

1. Overall Role. The Audit Committee (the "Committee") shall assist the Board of Trustees (collectively, the "Board") of each registered investment company in the John Hancock Funds complex<sup>1</sup> (collectively, the "Trust") in its oversight role with respect to:

- a. the integrity of the Trust's financial statements;
- b. the financial reporting process;
- c. the system of internal controls over financial reporting;
- d. the Trust's independent registered public accounting firm's (the "Independent Auditor") qualifications and independence;
- e. the performance of the Trusts' Independent Auditor; and
- f. the Trusts' compliance with legal and regulatory requirements applicable to accounting, internal accounting controls or auditing matters and related disclosures.

2. Responsibility of the Committee. The function of the Committee is oversight. Officers of the Trust are responsible for financial reporting and maintaining appropriate systems for accounting and internal control over financial reporting. The Trust's Independent Auditor is responsible for planning and carrying out an audit in accordance with legal and regulatory requirements and the standards of the PCAOB or other similar accounting and auditing standards organization and for providing other audit and non-audit services for which it may be engaged by the Trust.

In fulfilling the Committee's responsibilities hereunder, it is recognized that it is not the duty or responsibility of the Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Accordingly, the Committee's oversight role does not provide any expert or special assurance as to the financial statements and other financial information provided by the Trust to its shareholders and others. The authority and responsibilities set forth in this Charter recognize that the Committee members are not acting as accountants or auditors, and this Charter does not reflect or create any duty or obligation of the Committee to plan or conduct any audit, to determine or certify that the Trust's financial statements are complete, accurate, fairly presented, or in accordance with generally accepted accounting principles or applicable law, or to guarantee the Independent Auditor's report.

Reliance on Other Persons and Information. Each Committee member shall be entitled to rely on: (i) the integrity of those persons and organizations within and outside the Trust from which the Committee receives information; (ii) the accuracy of the financial and other information provided to the Committee by such persons and organizations, absent actual knowledge to the contrary (which shall be promptly reported to the Board); and (iii) statements made by the officers and employees of the Trust, the Trust's investment adviser (the "Adviser"), or other third parties as to any information technology, internal audit and other non-audit services provided by the Independent Auditor to the Trust. In addition, the evaluation of the Trust's financial statements by the Committee is not of the same scope as, and does not involve the extent of detail as, audits performed by the Independent Auditor, nor does the Committee's evaluation substitute for the responsibilities of the Trust's officers for preparing, or the Independent Auditor for auditing, the financial statements.

**B. Membership**

6. Appropriate Resources and Authority. The Committee shall have the resources and authority appropriate to discharge its responsibilities, including the authority to retain special counsel and other advisers, experts or consultants, at the Trust's expense, as it determines necessary or appropriate to carry out its duties. The Committee shall have direct access to such officers of, and service providers to, the Trust, including subadvisers to the Trusts, as it deems desirable.

The Board may amend this Charter at any time in response to recommendations from the Committee or on its own motion.

8. Performance Evaluation. The Committee shall undertake and review with the Board an annual performance evaluation of the Committee. The performance evaluation by the Committee shall be conducted in such manner as the Committee deems appropriate. #### Table of Contents

### **ANNEX A**

The Committee may take into account a wide variety of factors in considering Trustee candidates, including (but not limited to) the criteria set forth below. The Committee may determine that a candidate who does not satisfy these criteria in one or more respects should nevertheless be considered as a nominee if the Committee finds that the criteria satisfied by the candidate and the candidate's other qualifications demonstrate the appropriate level of fitness to serve.

### **General Criteria**

1. Nominees should have a reputation for integrity, honesty and adherence to high ethical standards, and such other personal characteristics as a capacity for leadership and the ability to work well with others.
2. Nominees should have business, professional, academic, financial, accounting or other experience and qualifications which demonstrate that they will make a valuable contribution as Trustees.
3. Nominees should have a commitment to understand the Funds, and the responsibilities of a trustee/director of an investment company and to regularly attend and participate in meetings of the Board and its committees.
4. Nominees should have the ability to understand the sometimes conflicting interests of the various constituencies of the Funds, including shareholders and the investment adviser, and to act in the interests of all shareholders.
5. Nominees should not have, nor appear to have, a conflict of interest that would impair their ability to represent the interests of all the shareholders and to fulfill the responsibilities of a trustee.
6. Nominees should have experience on corporate or other institutional bodies having oversight responsibilities.

It is the intent of the Committee that at least one Independent Trustee be an "audit committee financial expert" as that term is defined in Item 3 of Form N-CSR.

### **Application of Criteria to Current Trustees**

The re-nomination of current Trustees should not be viewed as automatic, but should be based on continuing qualification under the criteria set forth above based on, among other things, the current Trustee's contribution to the Board and any committee on which he or she serves.

### **Review of Nominations**

1. The Committee believes that it is in the best interests of each Trust and its shareholders to obtain highly-qualified candidates to serve as members of the Board.
2. In nominating candidates who would be Independent Trustees, the Committee believes that no particular qualities or skills nor any specific minimum qualifications or disqualifications are controlling or paramount. The Committee shall take into consideration any such factors as it deems appropriate. These factors may include (but are not limited to) the person's character, integrity, judgment, skill, diversity and experience with investment companies and other organizations of comparable purpose, complexity and size and subject to similar legal restrictions and oversight; the interplay of the candidate's experience with the experience of other Board members; and the extent to which the candidate would be a desirable addition to the Board and any Committees thereof. Other factors that the Committee may take into consideration include a person's availability and commitment to attend meetings and perform his or her responsibilities; whether or not the person has or had any relationships that might impair or appear to impair his or her independence, such as any business, financial or family relationships with Fund management, the investment adviser and/or any subadviser of the Funds, as applicable, Fund service providers, or their affiliates or with Fund shareholders. The Committee will strive to achieve a group that reflects a diversity of experiences in respect of industries, professions and other experiences, and that is diversified as to gender and race.
3. While the Committee is solely responsible for the selection and recommendation to the Board of Independent Trustee candidates, the Committee may consider nominees recommended by any source, including shareholders, management, legal counsel and Board members, as it deems appropriate. The Committee may retain a professional search firm or a consultant to assist the Committee in a search for a qualified candidate. Any recommendations from shareholders shall be directed to the Secretary of the relevant Trust at such address as is set forth in the Trust's disclosure documents. Recommendations from management may be submitted to the Committee Chair. All recommendations shall include all information relating to such person that is required to be disclosed in solicitations of proxies for the election of Board members and as specified in the relevant Trust's By-Laws, and must be accompanied by a written consent of the proposed candidate to stand for election if nominated for the Board and to serve if elected by shareholders.
4. Any shareholder nomination must be submitted in compliance with all of the pertinent provisions of Rule 14a-8 under the Securities Exchange Act of 1934 in order to be considered by the Committee. In evaluating a nominee recommended by a shareholder, the Committee, in addition to the criteria discussed above, may consider the objectives of the shareholder in submitting that nomination and whether such objectives are consistent with the interests of all shareholders. If the Board determines to include a shareholder's candidate among the slate of its designated nominees, the candidate's name will be placed on the Trust's proxy card. If the Board determines not to include such candidate among its designated nominees, and the shareholder has satisfied the requirements of Rule 14a-8, the shareholder's candidate will be treated as a nominee of the shareholder who originally nominated the candidate. In that case, the candidate will not be named on the proxy card distributed with the Trust's proxy statement.

5. As long as a current Independent Trustee continues, in the opinion of the Committee, to satisfy the criteria listed above, the Committee generally would favor the re-nomination of a current Trustee rather than a new candidate. Consequently, while the Committee will consider nominees recommended by shareholders to serve as trustees, the Committee may only act upon such recommendations if there is a vacancy on the Board, or the Committee determines that the selection of a new or additional Trustee is in the best interests of the relevant Trust. In the event that a vacancy arises or a change in Board

membership is determined to be advisable, the Committee will, in addition to any shareholder recommendations, consider candidates identified by other means as discussed in this Annex A.

6. With respect to candidates for Independent Trustee, a biography of each candidate shall be acquired and shall be reviewed by counsel to the Independent Trustees and counsel to the Trust to determine the candidate's eligibility to serve as an Independent Trustee.

7. The Committee may from time to time establish specific requirements and/or additional factors to be considered for Independent Trustee candidates as it deems necessary or appropriate.

8. After its consideration of relevant factors, the Committee shall present its recommendation(s) to the full Board for its consideration.
