PROXY STATEMENT

FOR THE ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON DECEMBER 4, 2002

GENERAL

The enclosed proxy is solicited on behalf of the board of directors of Copart, Inc., a California corporation, for use at our annual meeting of shareholders to be held on Wednesday, December 4, 2002. The annual meeting will be held at 9:00 a.m., Pacific Standard Time, at Copart's principal executive offices, located at 5500 E. Second Street, Benicia, California 94510. Our telephone number at these offices is (707) 748-5000. Only shareholders of record at the close of business on October 17, 2002 will be entitled to notice of, and to vote at, the annual meeting.

We use several abbreviations in this proxy statement. We may refer to our company as "Copart" or the "Company." The term "proxy materials" includes this proxy statement as well as the enclosed proxy card. References to our "2002 fiscal year" or "fiscal 2002" refer to our fiscal year which began on August 1, 2001 and ended on July 31, 2002.

This proxy statement and the accompanying proxy materials were mailed to the Company's shareholders on or about November 4, 2002.

On October 17, 2002, the record date for determination of shareholders entitled to vote at our annual meeting, there were 92,264,859 shares of our common stock outstanding held by approximately 1,190 shareholders of record. No

Edgar Filing: COPART INC - Form DEF 14A

shares of our authorized preferred stock were outstanding.

VOTING RIGHTS

Each share of our common stock outstanding on the record date is entitled to one vote on each matter submitted for shareholder approval. In addition, under California law, in connection with the election of directors, each shareholder may cumulate such shareholder's votes and give one candidate a number of votes equal to the number of directors to be elected multiplied by the number of shares held by such shareholder as of the record date, or such shareholder may distribute such number of votes on the same principle among as many candidates as the shareholder thinks fit. Votes cannot be cast for more than the number of candidates to be elected. No shareholder will be entitled to cumulate votes for a candidate unless such candidate's name has been placed in nomination prior to the voting and the shareholder has given notice at the meeting prior to the commencement of voting of the shareholder's intention to cumulate votes. If any one shareholder has given such notice, all shareholders may cumulate their votes for candidates in nomination.

QUORUM REQUIREMENT; ABSTENTIONS AND BROKER NON-VOTES

A quorum comprising the holders of a majority of our outstanding shares of common stock on the record date must be present or represented for the transaction of business at the annual meeting. Your shares will be counted as being present at the meeting if you appear in person or if you submit your proxy either by Internet, telephone, or by a properly executed proxy card.

Broker non-votes (as described below) and abstentions will be counted for purposes of determining the presence or absence of a quorum but will not be counted for purposes of determining the number of votes cast regarding any particular proposal. Therefore, if the number of abstentions or broker non-votes results in the votes "FOR" a proposal not equaling at least a majority of the quorum required for the meeting, the proposal will not be approved. This will be the case even though the number of votes "FOR" the proposal exceeds the number of votes "AGAINST" the proposal. Abstentions and broker non-votes are not counted in the election of directors.

Under the rules that govern brokers who have record ownership of shares that are held in "street name" for their clients, as beneficial owners of the shares, brokers have discretion to vote these shares on routine matters but not on non-routine matters. Thus, if you do not otherwise instruct your broker, the broker may turn in a proxy card voting your shares "FOR" routine matters but expressly instructing that the broker is NOT voting on non-routine matters. A "broker non-vote" occurs when a broker expressly instructs on a proxy submission that it is not voting on a matter, whether routine or non-routine. Your broker will have discretionary authority to vote your shares on each of the proposals being presented at the annual meeting, which are all routine matters.

VOTING PROCEDURES

GENERAL. Your shares will be voted in accordance with the instructions you indicate when you submit your proxy. If you submit a proxy, but do not indicate your voting instructions, your shares will be voted as follows:

- o FOR the election of the director nominees listed in this proxy statement;
- o FOR the ratification of our selection of KPMG LLP as independent auditors for the fiscal year ending July 31, 2003; and

Edgar Filing: COPART INC - Form DEF 14A

- o At the discretion of the proxy holders, upon such other business as may properly come before the annual meeting or any adjournment or postponement thereof.

VOTING BY MAIL. By signing and returning the enclosed proxy card according to the instructions provided, you are enabling the individuals named on the proxy card, known as "proxies," to vote your shares at the meeting in the manner you indicate. We encourage you to sign and return the proxy card even if you plan to attend the meeting. In this way, your shares will be voted even if you are unable to attend the meeting.

VOTING BY TELEPHONE. You may be able to vote by telephone. If so, instructions are included with your proxy card. If you vote by telephone, you do not need to complete and mail your proxy card.

VOTING ON THE INTERNET. You may be able to vote on the Internet. If so, instructions are included with your proxy card. If you vote on the Internet, you do not need to complete and mail your proxy card.

-2-

VOTING IN PERSON AT THE MEETING. If you plan to attend the annual meeting and vote in person, we will provide you with a ballot at the meeting. If your shares are registered directly in your name, you are considered the shareholder of record and you have the right to vote in person at the meeting. If your shares are held in the name of your broker or other nominee, you are considered the beneficial owner of shares held in your name. In that case, and if you wish to vote at the meeting, you will need to bring with you to the meeting a legal proxy from your broker or other nominee authorizing you to vote these shares.

REVOCABILITY OF PROXIES

You may revoke your proxy at any time before it is voted at the annual meeting. In order to revoke your proxy, you may either:

- o Submit another proxy bearing a later date;
- o Provide written notice of the revocation to our Secretary, Paul Styer, c/o Copart, Inc., 5500 E. Second Street, Benicia, California 94510, prior to the time we take the vote at the annual meeting; or
- o Attend the meeting and vote in person.

PROXY SOLICITATION COSTS

We will bear the entire cost of solicitation, including the preparation, assembly, printing and mailing of proxy materials. In addition, we may reimburse brokerage firms and other custodians for their reasonable out-of-pocket costs in forwarding these proxy materials to you. The original solicitation of proxies by mail may be supplemented by solicitation by telephone, telegram, facsimile or other means by directors, officers, or employees of Copart. No additional compensation will be paid to these individuals for any such services.

DEADLINE FOR RECEIPT OF SHAREHOLDER PROPOSALS FOR 2003 ANNUAL MEETING

As a shareholder, you may be entitled to present proposals for action at a forthcoming meeting if you comply with the requirements of the proxy rules established by the Securities and Exchange Commission. Proposals of our shareholders intended to be presented for consideration at our 2003 annual meeting must be received by us no later than July 7, 2003.

Edgar Filing: COPART INC - Form DEF 14A

The enclosed proxy grants the proxy holders discretionary authority to vote on any matter raised at the annual meeting. If you intend to submit a proposal for consideration at the 2003 annual meeting that is not eligible for inclusion in the proxy statement and form of proxy relating to that meeting, you must do so no later than September 20, 2003. If you fail to comply with the foregoing notice provision, the proxy holders will be allowed to use their discretionary voting authority when the proposal is raised at the 2003 annual meeting.

PROPOSAL ONE

ELECTION OF DIRECTORS

One of the purposes of the annual meeting is to elect directors to hold office until the 2003 annual meeting or until their respective successors are elected and have been qualified. The number of authorized directors is currently seven. Our board of directors has nominated the seven individuals listed below for election as directors. All of the nominees are presently directors of Copart. Each person nominated for election has agreed to serve if elected, and we have no reason to believe that any nominee will be unavailable to serve. Unless otherwise instructed, the proxy holders will vote all submitted proxies "FOR" the nominees named below. In the event that additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them in such a manner (in accordance with cumulative voting) as will ensure the election of as many of the nominees listed below as possible. In such event, the specific nominees to be voted for will be determined by the proxy holders. Directors must be elected by a plurality of the votes cast at the annual meeting. Accordingly, the seven candidates receiving the highest number of affirmative votes of the shares entitled to vote at the annual meeting will be elected to our board of directors.

BOARD MEETINGS AND BOARD COMMITTEES

During the fiscal year ended July 31, 2002, our board of directors held five meetings. Each of our directors attended at least 75% of the meetings held during fiscal 2002 of our board or any committee on which such director served. Copart currently has an audit committee and a compensation committee. In addition, during fiscal 2002, the board of directors maintained a stock option grant committee that acted as administrator of our equity incentive plans. In October 2002, the board of directors terminated the stock option grant committee, whose functions and responsibilities were assumed by the compensation committee. Copart currently has no nominating committee or any committee performing similar functions.

AUDIT COMMITTEE

Our audit committee is primarily responsible for reviewing and approving the services performed by our independent auditors, reviewing our financial statements, and reviewing reports concerning our accounting practices and systems of internal accounting procedures and controls. The purpose of the audit committee is to make such examinations as are necessary to monitor the corporate financial reporting and the internal and external audits of Copart, to provide to our board of directors the results of its examinations and recommendations derived therefrom, to outline to our board of directors improvements made, or to be made, in internal accounting controls, to nominate independent auditors, and to provide such additional information as the committee may deem necessary to make our board of directors aware of significant financial matters that require the attention of our board of directors. The audit committee currently consists, and consisted at all times during fiscal 2002, of directors Blumenstein, Grosfeld, and Vannini. We believe that all three current members are "independent directors" and "financially literate" as contemplated by the listing standards of the National Association of the Securities Dealers. The audit committee held four (4) meetings during fiscal 2002.

COMPENSATION COMMITTEE

Our compensation committee is generally responsible for, among other things, reviewing and approving our compensation policies, setting the compensation levels for those executive officers and senior managers reporting directly to Copart's President whose compensation is not otherwise established pursuant to employment agreements reviewed or approved by the board of directors, and administering our equity incentive plans. The compensation committee currently consists of directors Grosfeld, Blumenstein and Vannini. During fiscal 2002, the compensation committee was comprised of directors Johnson, Grosfeld, and Vannini. The compensation committee held one (1) meeting during fiscal 2002. In October 2002, Mr. Johnson resigned from the compensation committee, and Mr. Blumenstein was appointed to serve in his place.

STOCK OPTION GRANT COMMITTEE

During fiscal 2002, the board of directors also maintained a stock option grant committee, which was responsible for administering our equity incentive plans. In October 2002, after the end of our 2002 fiscal year, the board of directors terminated the charter of the stock option grant committee, and its responsibilities were assumed by the compensation committee. The stock option grant committee was comprised of directors Johnson, Grosfeld and Vannini and held one (1) meeting during fiscal 2002.

Edgar Filing: COPART INC - Form DEF 14A

DIRECTORS' COMPENSATION

Non-employee directors are reimbursed for expenses incurred in attending board of directors and committee meetings. Each non-employee director currently receives quarterly compensation of \$5,000.

Each non-employee director is also eligible to receive periodic option grants for shares of our common stock pursuant to the automatic option grant program in effect under our 1994 director stock option plan. Under the terms of our director stock option plan, each non-employee member of our board of directors automatically receives a nonstatutory stock option to purchase 18,000 shares of our common stock upon initial election to the board of directors. Upon re-election to the board of directors at each annual meeting of shareholders, each non-employee director automatically receives a subsequent grant to purchase 9,000 shares of our common stock. All such options under the director stock option plan have an exercise price equal to the fair market value of our common stock on the date of grant, vest ratably over three years, and have a five year term of exercise.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During Mr. Johnson's tenure on the compensation committee and stock option grant committee, he did not participate in discussions concerning his own salary and incentive compensation, and his salary and incentive compensation was approved by the independent members of the respective committees.

No interlocking relationship, as described by the Securities and Exchange Commission, exists between any member of our compensation committee or, during fiscal 2002, our stock option grant committee and any member of any other company's board of directors or compensation committee.

PROPOSAL TWO

RATIFICATION OF INDEPENDENT AUDITORS

Our board of directors has appointed KPMG LLP as Copart's independent auditors to audit our financial statements for the current fiscal year ending July 31, 2003. KPMG LLP has been our independent auditors since their appointment in July 1994. A representative of KPMG LLP is expected to be present at the annual meeting, will have the opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions. Shareholder ratification of the selection of KPMG LLP is not required by our bylaws or otherwise. Our board of directors is submitting the selection of KPMG LLP to the shareholders for ratification as a matter of good corporate practice.

In the event the shareholders fail to ratify the appointment of KPMG LLP, our board of directors will reconsider its selection. Even if the selection of independent auditors is ratified by our shareholders, our board of directors may, in its discretion, direct the appointment of a different independent accounting firm at any time during the year if the board of directors feels that such a change would be in the best interests of Copart and its shareholders.

AUDIT AND NON-AUDIT FEES BILLED TO THE COMPANY BY KPMG LLP DURING FISCAL YEAR 2002

Edgar Filing: COPART INC - Form DEF 14A

The following table presents fees for professional audit services rendered by KPMG LLP for the audit of our annual financial statements for 2002 and fees billed for other services rendered by KPMG LLP.

(2) Other non-audit fees consisted of tax compliance and tax consulting services.

VOTE REQUIRED

Ratification of the appointment of KPMG LLP requires the affirmative vote of a majority of the shares present at the annual meeting, either in person or by proxy.

RECOMMENDATION OF THE BOARD OF DIRECTORS

OUR BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE RATIFICATION OF THE SELECTION OF KPMG LLP TO SERVE AS OUR INDEPENDENT AUDITORS FOR THE CURRENT FISCAL YEAR ENDING JULY 31, 2003.

AUDIT COMMITTEE REPORT

THE FOLLOWING REPORT OF THE AUDIT COMMITTEE SHALL NOT BE DEEMED TO BE "SOLICITING MATERIAL" OR TO BE "FILED" WITH THE SEC, NOR SHALL THIS INFORMATION BE INCORPORATED BY REFERENCE BY ANY GENERAL STATEMENT INCORPORATING BY REFERENCE THIS PROXY STATEMENT INTO ANY FILING UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES AND EXCHANGE ACT OF 1934, AS AMENDED, EXCEPT TO THE EXTENT THAT WE SPECIFICALLY INCORPORATE THIS INFORMATION BY REFERENCE.

The audit committee of our board of directors is comprised of the three directors named below, none of whom are officers or employees of the Company. Our audit committee believes that all of its current members are independent directors as defined by applicable Nasdaq National Market rules and listing standards. The board of directors has adopted a written charter for the audit committee, which was attached to our proxy statement for the 2001 annual shareholder meeting.

The audit committee has reviewed and discussed the Company's financial statements and financial reporting process with our management, which has the primary responsibility for the financial statements and financial reporting processes, including the system of internal controls. KPMG LLP, our current independent auditors, are responsible for performing an independent audit of our

Edgar Filing: COPART INC - Form DEF 14A

consolidated financial statements and for expressing an opinion on the conformity of those financial statements with generally accepted accounting principles. The audit committee reviews and monitors these processes and receives reports from KPMG LLP and our management. The audit committee also discusses with KPMG LLP the overall scope and plans of their audits, their evaluation of our internal controls and the overall quality of our financial reporting processes.

The audit committee has discussed with KPMG LLP those matters required to be discussed by Statement of Auditing Standards No. 61 ("Communication With Audit Committees"). KPMG LLP has provided the audit committee with the written disclosures and the letter required by the Independence Standards Board Standard No. 1 ("Independence Discussions with Audit Committee"), and has also discussed with KPMG LLP that firm's independence from management and the Company. The audit committee has also considered whether KPMG LLP's provision to the Company of non-audit services (such as tax-related services, due diligence procedures, and services and advice related to acquisitions) that are not otherwise prohibited by applicable law is compatible with maintaining the independence of KPMG LLP with respect to the Company and our management.

Based upon the reviews, discussions and considerations referred to above, the audit committee has recommended to the board of directors that the Company's audited financial statements be included in our Annual Report on Form 10-K for fiscal year 2002, and that KPMG LLP be appointed as our independent auditors for fiscal year 2003.

Respectfully submitted by:

THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

Harold Blumenstein
James Grosfeld
Jonathan Vannini

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

THE FOLLOWING COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION SHALL NOT BE DEEMED "SOLICITING MATERIAL" OR TO BE "FILED" WITH THE SECURITIES AND EXCHANGE COMMISSION NOR SHALL THIS INFORMATION BE INCORPORATED BY REFERENCE INTO ANY FUTURE FILING UNDER THE SECURITIES ACT OF 1933 OR THE SECURITIES EXCHANGE ACT OF 1934, EACH AS AMENDED, EXCEPT TO THE EXTENT COPART SPECIFICALLY INCORPORATES IT BY REFERENCE INTO SUCH FILING.

The compensation committee of our board of directors has general responsibility for establishing the compensation payable to our executive officers and other key executives. The committee has the sole and exclusive authority to administer our equity compensation plans, including stock option plans under which grants may be made to such individuals. During fiscal 2002, the stock option grant committee of our board administered our equity incentive plans. However, the charter of the stock option grant committee was terminated in fiscal 2003, and the compensation committee has assumed its responsibilities.

This report is divided into two parts. Part One is a brief description of the compensation arrangements in effect for the 2002 fiscal year for our executive officers, including the Named Officers in the Summary Compensation Table above. Part Two is a discussion of the factors that governed the compensation payable to the Chief Executive Officer for the 2002 fiscal year.

PART ONE - EXISTING COMPENSATION ARRANGEMENTS

The compensation committee believes that the current salaries and benefits of our executive officers are commensurate with our financial performance to date. During fiscal 1998, the prior employment agreement between Copart and our Chief Executive Officer expired, and he is now employed on an "at-will" basis. The base annual salaries of Willis J. Johnson, A. Jayson Adair, James E. Meeks, Paul A. Styer, and Wayne R. Hilty were set at \$400,000, \$250,000, \$200,000, \$185,000, and \$175,000, respectively, during fiscal year 2002. In October 2002, the base annual salaries for the same officers were increased to \$450,000, \$300,000, \$225,000, \$190,000, and \$190,000, respectively. The compensation committee intends to review these salary levels on a regular basis and to make such adjustments as it sees fit based on the performance of Copart and the employee.

Our stock option committee was responsible for awarding stock options to executive officers. Our objective in awarding options is to more closely align the long-term interests of the executive officers with those of our shareholders. During fiscal 2002, the committee reviewed the outstanding equity incentives of our executive officers, including the applicable exercise price of the shares and the extent to which outstanding option grants were vested or unvested. Based on this review, the committee determined that additional option grants were not then required. Accordingly, no options were granted to any Named Officer in fiscal 2002. In October 2002, the committee approved grants of 600,000 shares of common stock to certain Copart employees, including grants to Messrs. Johnson, Adair, Meeks, Styer and Hilty in the amount of 100,000, 100,000, 100,000, 30,000, and 30,000 shares, respectively, under our 2001 stock option plan.

PART TWO - COMPENSATION OF CHIEF EXECUTIVE OFFICER

Willis J. Johnson, the co-founder of Copart, served as President from 1986 until May 1995, and has served as Chief Executive Officer since May 1995. Mr. Johnson's base annual salary in fiscal year 2002 of \$400,000 remained unchanged from the prior year. Mr. Johnson is also entitled to participate in our benefit plans, four weeks paid vacation per year, use of Copart's automobiles and a \$1 million life insurance policy with the beneficiary designated by Mr. Johnson.

The compensation committee believes that the salary and benefits paid to Mr. Johnson during fiscal 2002 were commensurate with Copart's financial performance, based upon the growth of our operating profit and net income. The compensation committee expects that any bonus compensation recommended to be payable to Mr. Johnson in future years will also be based upon our growth and financial performance and subject to approval by the compensation committee.

TAX LIMITATION. As a result of federal tax legislation, a publicly-held company such as Copart will not be allowed a federal income tax deduction for compensation paid to certain executive officers to the extent that compensation exceeds \$1 million per officer in any fiscal year. We presently intend to structure our future compensation packages in a manner to comply with the \$1 million compensation cap.

Respectfully submitted by the

COMPENSATION COMMITTEE AND STOCK OPTION
GRANT COMMITTEE (AS OF JULY 31, 2002)

EMPLOYMENT CONTRACTS AND TERMINATION OF EMPLOYMENT AND CHANGE-IN-CONTROL ARRANGEMENTS

We currently do not have any formal employment agreements with any of our executive officers and all are employed on an "at-will" basis.

All employees and consultants (including officers and directors) of Copart are eligible for option grants under our 2001 stock option plan. In addition, our non-employee directors are eligible for option grants under our 1994 director stock option plan. Future benefits under the 2001 stock option plan are not determinable, as grants of options are made at the discretion of the compensation committee. Pursuant to the terms of such option plans and related option agreements, if any, in the event of any acquisition or merger of Copart with or into another corporation or the sale of all or substantially all of the assets of Copart, each outstanding option and stock purchase right shall be assumed or an equivalent option or right substituted by the successor corporation. If the successor corporation refuses to assume the options and stock purchase rights then outstanding or to substitute substantially equivalent options or rights, then the optionee shall have the right to exercise the option or stock purchase right as to all the optioned stock, including shares not otherwise vested or exercisable. In such event, the optionee shall be notified that the option or stock purchase right is fully exercisable for fifteen (15) days from the date of such notice and that the option or stock purchase right shall terminate upon expiration of such period.

In addition, in the event of a change of control in which options and stock purchase rights are assumed by a successor corporation, pursuant to the terms of certain option agreements under our 1992 stock option plan and our 2001 stock option plan as previously approved, if an employee is terminated without cause by such successor corporation within twelve months of such change of control, then such optionee shall vest in full and shall have the right to exercise the option or stock purchase right as to all of the optioned stock, including shares not otherwise vested or exercisable.

CERTAIN TRANSACTIONS

We employ in various non-executive positions Jason Johnson, the son of our Chief Executive Officer, Bonnie Randall, the sister of our Chief Executive Officer, Diane Yassa, the daughter of our Chief Operating Officer, and Rodgar McCalmon, the son-in-law of our Chief Executive Officer. In fiscal 2002, Mr. Johnson, Mrs. Randall, Mrs. Yassa, and Mr. McCalmon received a total of \$80,000, \$131,600, \$120,000, and \$125,000 of cash compensation, respectively. In addition, in October 2002, Mr. McCalmon received a grant of 20,000 stock options under our 2001 stock option plan. We believe that the terms of each such individual's employment, including their compensation, are commensurate with other employees in comparable positions.

Willis J. and Reba J. Johnson are the owners of the real property and improvements of the Fresno, California facility and lease the Fresno facility to Copart for current monthly lease payments of \$12,834 under a lease dated August 1, 1992, which expires (with inclusion of all extension options) in July 2004 and contains a provision whereby we have an option to purchase the real property and improvements. Total payments under this lease aggregated \$142,767 in fiscal 2002. We believe that the terms of this lease are no less favorable to Copart than could be obtained from unaffiliated third parties.

Under the terms of a lease agreement effective July 1, 1993 between the Schmidt Family Trust dated September 29, 1982 and Copart, we lease property in the Los Angeles, California area from the Schmidt Family Trust. The current term of the Los Angeles lease expires on June 30, 2003, and it provides for an option to extend the lease for an additional five-year term. Total payments under this lease aggregated \$59,420 in fiscal 2002. Marvin L. Schmidt, a director of Copart, is a beneficiary of the Schmidt Family Trust.

Under the terms of the lease agreement dated September 1, 1992 among James P. and Barbara D. Meeks and Copart, Inc., we lease property in San Martin, California. The San Martin lease expires August 31, 2007. Total payments under this lease aggregated \$228,000 in fiscal 2002. James P. Meeks is the father of James E. Meeks, one of our directors.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and officers, and persons who own more than ten percent of a registered class of our equity securities to file with the SEC initial reports of ownership and reports of changes in ownership of common stock and other equity securities. Officers, directors and greater than ten percent shareholders are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file.

Based solely upon a review of the copies of such reports furnished to us and written representations from such officers, directors and greater than ten percent shareholders that no other reports were required to be made, we believe that there was full compliance for the fiscal year ended July 31, 2002 with all

Edgar Filing: COPART INC - Form DEF 14A

Section 16(a) filing requirements applicable to our officers, directors and greater than ten percent shareholders.
