On February 8, 2006, HHLP entered into a Conditional Payment Guaranty (the "Marriott Guaranty") made by HHLP and MHI to and for the benefit of Merrill Lynch Capital ("MLC"), pursuant to which HHLP and MHI jointly and severally guarantee the performance of the terms of a loan from MLC to Adriaen's, the owner of the Hartford Marriott, in the amount of \$50.0 million, if at any time during the term of the note and during such time as the contributed fair value net worth of Mystic Partners falls below \$50.0 million. The preceding summary of the Marriott Guaranty is qualified in its entirety by reference to the Marriott Guaranty, a copy of which is attached hereto as [Exhibit 10.8](#), and incorporated by reference herein.

On February 8, 2006, HHLP entered into a Conditional Payment Guaranty (the "Hilton Guaranty") made by HHLP and MHI to and for the benefit of MLC, pursuant to which HHLP and MHI jointly and severally guarantee the performance of the terms of a loan from MLC to Trumbull Street, the owner of the Hartford Hilton, in the amount of \$27.0 million, if at any time during the term of the note and during such time as the contributed fair value net worth of Mystic Partners falls below \$50.0 million. The preceding summary of the Hilton Guaranty is qualified in its entirety by reference to the Hilton Guaranty, a copy of which is attached hereto as [Exhibit 10.9](#), and incorporated by reference herein.

Supplemental Limited Joinder

On February 8, 2006, HHLP and MHI entered into a Supplemental Limited Joinder (the "Joinder") pursuant to which HHLP and MHI agree to guaranty full and complete payment to MLC for any losses incurred by MLC in the event of certain happenings related to MLC's loan to Adriaen's and MLC's loan to Trumbull Street including but not limited to instances of the following acts committed by Adriaen's or Trumbull Street: fraud, missapplication and missappropriation of funds, failure to provide insurance, and breaches of environmental representations and warranties made in the loan agreement. In addition, the Joinder provides that HHLP and MHI will guaranty full and complete payment to MLC for any losses incurred by the failure of Adriaen's to obtain a certificate of occupancy for the Hartford Marriott on or before June 30, 2006, for any reason whatsoever. The preceding summary of the Joinder is qualified in its entirety by reference to the Joinder, a copy of which is attached hereto as Exhibit 10.10, and incorporated by reference herein.

Item 2.01. Completion of Acquisition or Disposition of Assets.

In June 2005, HHLP signed a definitive agreement, as amended, to enter into a joint venture with Waterford and MHI, pursuant to which the parties agreed to establish the Mystic Partners joint venture. The Waterford Parties agreed to contribute to Mystic Partners a portfolio of its membership interests (the "Membership Interests") in nine entities, each of which was either wholly-owned or majority-owned by the Waterford Parties (the "Owners"), which in turn own nine Marriott- or Hilton-branded hotels in Connecticut and Rhode Island that in June 2005 had an aggregate fair value of approximately \$250.0 million, subject to mortgages of approximately \$150.3 million. Hersha agreed to contribute to Mystic Partners approximately \$52.0 million in cash, subject to adjustment (the "Cash Payment"), in exchange for a 66.7% preferred equity interest in the seven stabilized hotel properties in the portfolio and a 50% preferred equity interest in the two newly-developed hotel properties in the portfolio, subject to minority interest participations in certain hotels. The material provisions of the material agreements related to this transaction are described in a Current Report on Form 8-K filed by Hersha on June 21, 2005, as amended by Forms 8-K/A filed on June 25, 2005 and August 3, 2005.

On February 8, 2006, Mystic Partners closed on the acquisition of the 409 room Hartford Marriott in Hartford, Connecticut, the final hotel in the Waterford portfolio to be acquired by Mystic Partners. The acquisition included the hotel, improvements, certain personal property and a pre-paid airspace sublease relating to airspace comprising a portion of the Hartford Convention Center. Hersha contributed approximately \$6.7 million to Mystic Partners, and the Waterford Parties contributed its Membership Interests in the Owner of the Hartford Marriott. In connection with this closing, Mystic Partners issued membership interests to HHLP equivalent to a 15.0% interest in Mystic Partners' interest in Adriaen's and issued membership interests to the Waterford Parties. A minority partner owned approximately 4.0% of the interests in Adriaen's; although, Hersha purchased 15.0% of the minority partner's interest as part of the closing. HHLP has an option to purchase up to a 50.0% preferred equity interest in Mystic Partners' interest in the Hartford Marriott and the minority parties interest in the Hartford Marriott until December 31, 2007.

In connection with the closing, Adriaen's incurred approximately \$45.0 million of aggregate debt secured by the Hartford Marriott. This debt matures in 2010 and accrues interest at one-month LIBOR plus 2.9%. Each of MHI and HHLP entered into the Marriott Guaranty described in Item 1.01 herein. In addition, MHI, Mystic Partners and HHLP entered into an Indemnity Agreement, dated February 8, 2006, pursuant to which MHI agrees to indemnify (i) Mystic Partners for costs incurred by Mystic Partners related to expenses for developing the Hartford Marriott and (ii) HHLP for costs incurred by HHLP in the event that the Hartford Marriott does not obtain a certificate of occupancy on or before June 30, 2006.

In exchange for its cash contributions, HHLP has received membership interests in Mystic Partners representing 66.7% interests in the Stabilized Properties, subject to a minority interest participation in Southington. For the Stabilized Properties any additional capital contributions to Mystic Partners shall be made 66.7% by Hersha and 33.3% by the Waterford Parties in respect of the Stabilized Properties, subject to minority interest participation in Southington.

For the acquisition of the Hartford Hilton, in exchange for its contribution of the Membership Interests, the Waterford Parties received cash and membership interests in Mystic Partners representing 50.0% of Mystic Partners' interest in the Hartford Hilton, which is subject to a minority interest participation. In exchange for its cash contributions, HHLP received membership interests in Mystic Partners representing 50.0% of Mystic Partners' interest in the Hartford Hilton, subject to a minority interest participation.

On February 8, 2006, MHI purchased approximately \$5.4 million of HHLP's 50.0% interest in Mystic Partners' interest in the Hartford Hilton. Thereafter, HHLP owns membership interests in Mystic Partners representing 10.0% of Mystic Partners' interest in the Hartford Hilton, subject to a minority interest participation. HHLP has an option to purchase up to a 50.0% of Mystic Partners' preferred equity interest in the Hartford Hilton until December 31, 2007. Any additional capital contributions to Mystic Partners in respect of Trumbull Street, shall be made 10.0% by Hersha and 90.0% by MHI.

For the acquisition of the Hartford Marriott, in exchange for its contribution of the Membership Interests, the Waterford Parties have received cash and membership interests in Mystic Partners representing approximately 85.0% of Mystic Partners' interest in the Hartford Marriott, which is subject to a minority interest participation. In exchange for its cash contributions, HHLP has received membership interests in Mystic Partners representing 15.0% of Mystic Partners' interest in the Hartford Marriott, subject to a minority interest participation in Adriaen. Any additional capital contributions to Mystic Partners in respect of Adriaen, shall be made 15.0% by Hersha and 85.0% by the Waterford Parties.

The JV LLC Agreement, as amended, provides that net cash flow from Mystic Partners will be distributed as follows:

- first, to HHLP to provide an 8.5% annual non-compounded return on its unreturned capital contributions from 100% of the net cash flow from the Stabilized Properties and 10% of the net cash flow from the Hartford Hilton and 15% of the net cash flow from the Hartford Marriott;
-

The JV LLC Agreement also provides that HHLP will have a right of first offer to purchase any of the properties owned by the Waterford Parties to be sold to a third party.

Lessee Companies

As part of the transaction, Hersha's primary taxable REIT subsidiary entered into a limited liability company agreement, as amended ("Leaseco LLC Agreement") with MHI to form a leasing holding company ("Leaseco") on terms and conditions similar to and in ownership proportions corresponding to those under the JV LLC Agreement. Pursuant to the Leaseco LLC Agreement, Leaseco has established subsidiary companies ("Lessees") that have issued ownership interests to their members corresponding to the membership interests in the Owners. The respective Lessees have entered into leases, franchise agreements and the Management Agreements (discussed below) for each property.

Asset Management Agreement

Each Owner (other than Southington and Trumbull Street) has entered into an Asset Management Agreement with 44 New England Management Company, a subsidiary of Hersha (the "Asset Manager") to provide asset management services for each property. The Asset Manager receives a monthly fee of 1% of operating revenues of the seven Stabilized Properties. For the Hartford Marriott, the Asset Manager receives a monthly fee of 0.25% of operating revenues of the property. In the case of the Southington Residence Inn, the Asset Management Agreement is between the Asset Manager and Waterford Hotel Group, Inc., as manager. On February 8, 2006, the Asset Management Agreement for the Hartford Hilton was terminated, and the Asset Manager does not receive an asset management fee for the Hartford Hilton.

Hotel Management Agreement

Each property that is owned by Mystic Partners is managed by Waterford Hotel Group, Inc. ("WHG"), an affiliate of Waterford. Under each Management Agreement entered into between WHG and each lessee, WHG will receive a base fee of 3% or 4% of gross revenues of the property, depending on the property, and an incentive fee of 10% of net operating income less debt service after each of HHLP and MHI receive a 12.0% annual non-compounded return on its unreturned capital contributions (as a result of the net cash flow distributions described above).

The preceding summaries of the JV LLC Agreement, Leaseco LLC Agreement and Management Agreement are qualified in their entirety by reference to the terms of the actual documents. Copies of the Contribution Agreement, the form of JV LLC Agreement, the form of Leaseco LLC Agreement and the form of Management Agreement were filed as Exhibits 10.1 through 10.4, respectively, to our Current Report on Form 8-K/A on June 21, 2005.
