PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD MAY 24, 2007

SOLICITATION AND VOTING OF PROXIES

Community West Bancshares (Company or CWBC) is furnishing this Proxy Statement to its shareholders in connection with the solicitation by the Board of Directors (Board) of proxies to be used at the Annual Meeting (Meeting) of Shareholders, to be held on Thursday, May 24, 2007 at 6:00 P.M. PDT at La Cumbre Country Club, 4015 Via Laguna, Santa Barbara, California 93110, and at any and all adjournments and postponements thereof. The designated proxyholders (Proxyholders) are members of the Company's management. Only shareholders of record (shareholders) on March 30, 2007 (Record Date) are entitled to notice of and to vote in person or by proxy at the Meeting or any adjournment or postponement thereof. This Proxy Statement and the enclosed proxy card (Proxy) first will be mailed to shareholders on or about April 13, 2007. The Company's Annual Report to Shareholders, including consolidated financial statements for the year ended December 31, 2006, accompanies this Proxy Statement.

Regardless of the number of shares of Common Stock of the Company (Common Stock) owned, it is important that the holders of a majority of shares be represented by proxy or be present in person at the Meeting. Shareholders are requested to vote by completing the enclosed Proxy and returning it signed and dated in the enclosed postage-paid envelope. Shareholders are to indicate their vote in the spaces provided on the Proxy. PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN ACCORDANCE WITH THE DIRECTIONS GIVEN THEREIN. WHERE NO INSTRUCTIONS ARE INDICATED, SIGNED PROXIES WILL BE VOTED "FOR ALL NOMINEES" FOR THE ELECTION OF THE NOMINEES NAMED IN THIS PROXY STATEMENT. If any other business is properly presented at the Meeting, the Proxy will be voted in accordance with the recommendations of the Board.

Other than the matters set forth on the attached Notice of Annual Meeting of Shareholders, the Board knows of no additional matters that will be presented for consideration at the Meeting. Execution of a Proxy, however, confers to the designated Proxyholders discretionary authority to vote the shares in accordance

Edgar Filing: COMMUNITY WEST BANCSHARES / - Form DEF 14A

with the recommendations of the Board on such other business, if any, which may properly come before the Meeting and at any adjournments or postponements thereof, including whether or not to adjourn the Meeting.

You may revoke your Proxy at any time prior to its exercise by filing a written notice of revocation with the Secretary of the Company, by delivering to the Company a duly executed Proxy bearing a later date, or by attending the Meeting and voting in person. However, if you are a shareholder whose shares are not registered in your own name, you will need to provide appropriate documentation from the record holder to vote personally at the Meeting.

The following matters will be considered and voted upon at the Meeting:

1. ELECTION OF DIRECTORS. To elect eight persons to the Board of Directors of the Company to serve until the 2008 Annual Meeting of Shareholders and until their successors are elected and have qualified. The following persons are the Board of Directors' nominees:

Robert H. Bartlein	William R. Peebles
Jean W. Blois	James R. Sims, Jr.
John D. Illgen	Kirk B. Stovesand
Lynda J. Nahra	C. Richard Whiston

1

2. OTHER BUSINESS. To transact such other business as may properly come before the Meeting and any adjournment thereof, including, without limitation, approving an adjournment(s) of the Meeting, if necessary, to solicit additional proxies for the eight nominees for election.

This solicitation of proxies is being made by the Board. The expense of solicitation of proxies for the Meeting will be borne by the Company. It is anticipated that proxies will be solicited primarily through the use of the mail. Proxies may also be solicited personally or by telephone by Directors, officers and employees of the Company, and its wholly-owned subsidiary, Community West Bank (CWB), without additional compensation therefor. The Company will also request persons, firms and corporations holding shares in their names, or in the name of their nominees, that are beneficially owned by others, to send proxy materials to and obtain proxies from such beneficial owners and will reimburse such holders for their reasonable expenses in doing so. The total estimated cost of the solicitation is \$11,000.

VOTING SECURITIES

The securities that may be voted at the Meeting consist of shares of Common Stock. The close of business on March 30, 2007 has been fixed by the Board as the Record Date for the determination of shareholders of record entitled to notice of and to vote at the Meeting and at any adjournments or postponements thereof. The total number of shares of Common Stock outstanding on the Record Date was 5,846,868 shares. Each shareholder is entitled to one vote, in person or by proxy, for each share as of the Record Date, except that in the election of Directors, each shareholder has the right to cumulate votes provided that the candidates' names have been properly placed in nomination prior to commencement of voting and a shareholder has given notice of their intention to cumulate votes prior to commencement of voting. Cumulative voting entitles a shareholder to give one candidate a number of votes equal to the number of Directors to be elected, multiplied by the number of shares of Common Stock held by that shareholder, or to distribute such votes among as many candidates as the shareholder deems fit. The Company is soliciting authority to cumulate votes in the election of Directors, and the enclosed Proxy grants discretionary authority for this purpose. The candidates receiving the highest number of votes, up to

Edgar Filing: COMMUNITY WEST BANCSHARES / - Form DEF 14A

the number of Directors to be elected, will be elected.

Of the shares of Common Stock outstanding on the Record Date, 1,037,703 shares of Common Stock (17.75%) of the issued and outstanding shares of Common Stock were beneficially owned by Directors and executive officers of the Company. Such persons have informed the Company that they will vote "FOR" the election of the nominees to the Board. Under California law and the Company's Bylaws, a quorum consists of the presence in person or by proxy of a majority of the shares entitled to vote at the Meeting, and a matter (other than the election of Directors) voted on by shareholders will be approved if it receives the vote of a majority of the shares both present and voting, which shares also constitute a majority of the required quorum, unless the vote of a greater number of shares is required. Abstentions and broker non-votes will be included in the number of shares present at the Meeting and entitled to vote for the purpose of determining the presence of a quorum. Accordingly, in the event the number of shares voted affirmatively does not represent a majority of the required quorum, abstentions and broker non-votes will have the effect of a "no" vote. Abstentions and broker non-votes do not have the effect of votes in opposition to any nominee for election of Director.

If you hold Common Stock in "street name" and you fail to instruct your broker or nominee as to how to vote such Common Stock, your broker or nominee may, in its discretion, vote such Common Stock "FOR" the election of the Board nominees.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS, DIRECTORS AND EXECUTIVE OFFICERS

The following table sets forth certain information as of the Record Date, concerning the beneficial ownership of the Company's outstanding Common Stock by persons (other than depositories) known to the Company to own more than 5% of the Company's outstanding Common Stock, by the Company's Directors

At the Meeting, eight persons will be elected to serve as Directors of the Company until the 2008 Annual Meeting and until their successors are elected and have qualified. The eight persons named below, all of whom are currently Directors of the Company, have been nominated by the Board for re-election. Each nominee has consented to being named in the Proxy Statement and has agreed to serve as a member of the Board, if elected. The Board has no reason to believe that any of the nominees will be unable or unwilling to serve. Additional nominations can only be made by complying with the notice provision set forth in the Bylaws of the Company, an extract of which is included in the Notice of Annual Meeting of Shareholders accompanying this Proxy Statement. This Bylaw provision is designed to give the Board advance notice of competing nominations, if any, and the qualifications of nominees, and may have the effect of precluding third-party nominations if the notice provisions are not followed.

AUDIT COMMITTEE REPORT

The Report of the Audit Committee of the Board shall not be deemed filed under the Securities Act of 1933 (Securities Act) or under the Exchange Act.

7

The Board maintains an Audit Committee comprised of four of the Company's Directors, who each met the independence and experience requirements of NASD Rule 4200 (a) (15). The Audit Committee assists the Board in monitoring the accounting, auditing and financial reporting practices of the Company. The Audit Committee operates under a written charter, which was last amended on December 16, 2004 and last ratified on December 21, 2006, and is assessed annually for adequacy by the Audit Committee. A copy of the Charter is included as Appendix A to the Company's 2005 Proxy Statement, as filed with the SEC on April 13, 2005, and is available at www.sec.gov.

Based on the attributes, education and experience requirements required by NASD Rule 4350 (d) (2) (A), the requirements set forth in section 407 of the Sarbanes-Oxley Act of 2002 and associated regulations, the Board has identified William R. Peeples as an "Audit Committee Financial Expert" as defined under Item 407 (d) (5) of Regulation S-K, and has determined him to be independent.

Management is responsible for the preparation of the Company's financial statements and financial reporting process, including its system of internal controls. In fulfilling its oversight responsibilities, the Audit Committee:

- Reviewed and discussed with management the audited financial statements contained in the Company's Annual Report on Form 10-K for fiscal 2006; and
- Obtained from management their representation that the Company's

Edgar Filing: COMMUNITY WEST BANCSHARES / - Form DEF 14A

financial statements have been prepared in accordance with accounting principles generally accepted in the United States.

The Company's independent auditors, Ernst & Young LLP (Ernst), are responsible for performing an audit of the Company's financial statements in accordance with the auditing standards generally accepted in the United States and expressing an opinion on whether the Company's financial statements present fairly, in all material respects, the Company's financial position and results of operations for the periods presented and conform with accounting principles generally accepted in the United States. In fulfilling its oversight responsibilities, the Audit Committee:

- Discussed with Ernst the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees), and Section 204 of the Sarbanes-Oxley Act of 2002; and
- Received and discussed with Ernst the written disclosures and the letter from Ernst required by Independent Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and reviewed and discussed with Ernst whether the rendering of the non-audit services provided by them to the Company during fiscal 2006 was compatible with their independence.

In addition, the Company received a letter from Ernst to the effect that Ernst's audit of the Company was subject to its quality control system for the United States accounting and auditing practice to provide reasonable assurance that the engagement was conducted in compliance with professional standards, that there was appropriate continuity of Ernst personnel working on the audit and the availability of national office consultation.

In performing its functions, the Audit Committee acts only in an oversight capacity. It is not the responsibility of the Audit Committee to determine that the Company's financial statements are complete and accurate, are presented in accordance with accounting principles generally accepted in the United States or present fairly the results of operations of the Company for the periods presented or that the Company maintains appropriate internal controls. Nor is it the duty of the Audit Committee to determine that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's auditors are independent.

8

Based upon the reviews and discussions described above, and the report of Ernst, the Audit Committee has recommended to the Board, and the Board has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2006 for filing with the Securities and Exchange Commission.

PERSONNEL / COMPENSATION COMMITTEE

The Personnel / Compensation Committee (PCC) is responsible for reviewing and approving the Company's overall compensation and benefit programs and for administering the compensation of the Company's executive and senior officers. There currently is no formal charter enumerating the PCC's functions and objectives.

The PCC's functions and objectives are: (i) to determine the competitiveness of current base salaries, annual and long-term incentives relative to specific competitive markets for the President and Chief Executive Officer and other senior management; (ii) to develop a performance review mechanism that has written objectives and goals which are used to make salary increase determinations; (iii) to develop an annual incentive plan for senior management; and (iv) to provide guidance to the Board in its role in establishing objectives regarding executive compensation. The PCC's overall compensation philosophy is as follows: (i) to attract and retain quality talent which is critical to both short-term and long-term success; (ii) to reinforce strategic performance objectives through the use of incentive compensation programs; (iii) to create a mutuality of interest between executive and senior officers and shareholders through compensation structures that share the rewards and risks of strategic decision-making; and (iv) to encourage executives to achieve substantial levels of ownership of stock in the Company.

PERSONNEL / COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The PCC is composed of four Directors: Mrs. Blois and Messrs. Bartlein, Illgen and Peeples, none of whom served as an officer of the Company or of its subsidiaries. COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS (CDA)

The compensation package offered to executive officers consists of a mix of salary, incentive bonus awards and, when deemed appropriate, stock option awards, as well as benefits under employee benefit plans. Salary levels recommended by the PCC are intended to be consistent and competitive with the practices of comparable financial institutions and each executive's level of responsibility. The PCC generally utilizes internal and/or external surveys of compensation paid to executive officers performing similar duties for depository institutions and their holding companies.

An outside consultant was retained to survey compensation levels at similar companies and to make recommendations as to salaries, bonuses and benefits provided to senior management. In addition, the consultant assisted the PCC in developing a compensation strategy as follows:

1. A base salary commensurate with similar companies and designed to compensate executives for expected day-to-day performance.
2. An annual bonus paid for superior performance.
3. Long-term incentives in the form of deferred compensation and stock options.
4. Benefits commensurate with similar companies.

In establishing executive compensation for Lynda J. Nahra, the Chief Executive Officer of CWBC and CWB, the PCC considered the overall financial condition of the Company, profitability, asset quality, compliance with rules and regulations and compensation provided to those in a similar capacity at competing companies. The PCC used both quantitative and qualitative criteria in determining Ms. Nahra's compensation. Ms. Nahra's compensation includes:

1. A base salary which is reviewed annually.

Edgar Filing: COMMUNITY WEST BANCSHARES / - Form DEF 14A

2. An annual bonus, at the discretion of the Board, which is determined near the end of each calendar year based on her performance and the performance of the Company during the year.
3. An award of the option to purchase 5,000 shares of CWBC stock is to be given in January of each year from 2007 to 2009 with the exercise price to be the market price on the date the options are granted.
4. Deferred compensation of \$100,000 (two equal installments on December 31, 2006 and March 31, 2007) plus \$2,000 per month from January 1, 2007, plus interest accruing at the same rate as paid on six-month certificates of deposit. Said deferred compensation is to be paid after age 66 and is forfeited if Ms. Nahra's employment ends prior to her 65th birthday.
5. Other compensation in the form of a home office allowance, country club membership and those benefits provided to all company employees.

The PCC believes that the Company's compensation program and compensation levels are effective in attracting, motivating and retaining outstanding executive and senior officers and that they are consistent with the Company's immediate and long-term goals.

(2) Through December 31, 2006, CWB contributions were made to Ms. Nahra's plan at 6% of her annual salary. Earnings were credited monthly to the plan at the then-current CWB six-month certificate of deposit rate. This amount is included in the "Summary Compensation Table - All Other Compensation" column.

(3) Amounts of \$11,331 and \$10,731, respectively, were previously reported

EMPLOYMENT ARRANGEMENTS AND OTHER FACTORS AFFECTING 2006 COMPENSATION

EMPLOYMENT ARRANGEMENTS

Except for Ms. Nahra, none of the Named Executive Officers or Other Key Officers has entered into a written employment agreement with the Company. For a description of the material terms of Ms. Nahra's employment agreement, please see "Potential Payments Upon Termination or Change-In-Control - Employment Arrangements for Lynda J. STOCK OPTION PLANS

In connection with the bank holding company reorganization, the Company adopted the Community West Bancshares 1997 Stock Option Plan (1997 Plan) providing for the issuance, as amended at 2003 Annual Meeting of Shareholders, of up to 1,292,014 option shares. This Plan expired on January 23, 2007.

On March 23, 2006, the Company's Board adopted the 2006 Stock Option Plan (2006 Plan), and the 2006 Plan was approved by the shareholders at the 2006 Annual Meeting of Shareholders. The 2006 Plan provides for the issuance of up to 500,000 shares of the Company's Common Stock (Common Stock) to Directors, officers and key employees of the Company and CWB. See separate table for grants made to date.

Eligibility. Full-time employees, officers and Board members of the Company and subsidiaries, including CWB, are eligible to receive awards under the 2006 Plan at the discretion of the Board.

Plan Term. The 2006 Plan's term commenced on May 25, 2006 and will terminate on March 23, 2016 (subject to early termination is described herein).

Administration. The 2006 Plan is administered by the Board, serving as the "Stock Option Committee", one or more of whom may also be executive officers and therefore may not be deemed to be "independent," as that term is defined in the listing standards of the Nasdaq Stock Market, Inc. Members of the Board receive no additional compensation for their administration of the Plans. Each Director will abstain from approving the grant of any options to himself or herself. Options may be granted only to Directors, officers and key employees of the Company and any subsidiary, including CWB. Subject to the express provisions of the 2006 Plan, the Board is authorized to construe and interpret the 2006 Plan, and make all the determinations necessary or advisable for administration of the 2006 Plan. The full text of the 2006 Plan is available as Appendix A to the Company's Proxy Statement filed with the SEC on April 13, 2006.

Incentive and Non-Qualified Stock Options. The 2006 Plan provides for the grant of both incentive stock options and non-qualified options. Incentive stock options are available only to persons who are employees of the Company, and are subject to limitations imposed by applicable sections of the Code, including a \$100,000 limit on the aggregate fair market value (determined on the date the options are granted) of shares of Common Stock with respect to which incentive stock options are exercisable for the first time by an optionee during any calendar year (under the 2006 Plan and all other "incentive stock option" plans of the Company). Any options granted under the 2006 Plan which do not meet the limitations for incentive stock options, or which are otherwise not deemed to be incentive stock options, shall be deemed "non-qualified".

Amendment and Termination of the 2006 Plan. The 2006 Plan, and all stock options previously granted under the 2006 Plan, shall terminate upon the dissolution or liquidation of the Company, upon a consolidation, reorganization, or merger as a result of which the Company is not the surviving corporation, or upon a sale of all or substantially all of the assets of the Company. However, all options theretofore granted shall become immediately exercisable in their entirety upon the occurrence of any of the foregoing, and any options not exercised immediately upon the occurrence of any of the foregoing events will terminate, unless provision is made for the assumption or substitution thereof. As a result of this acceleration provisions, even if an outstanding option were not fully vested as to all increments at the time of the event, that option will become fully vested and exercisable. The Board may at any time suspend, amend or terminate the 2006 Plan, and may, with the consent of the respective optionee, make such modifications to the terms and conditions of outstanding options as it shall deem advisable. Certain amendments to the 2006 Plan may also require shareholder approval if such amendment or modification would: (a) materially increase the number of shares of Common Stock which may be issued under the 2006 Plan; (b) materially increase the number of shares of Common Stock which may be issued at any time under the 2006 Plan to all Directors who

Edgar Filing: COMMUNITY WEST BANCSHARES / - Form DEF 14A

are not also officers or key employees of the Company; (c) materially modify the requirements as to eligibility for participation in the 2006 Plan; (d) increase or decrease the exercise price of any option granted under the 2006 Plan; (e) increase the maximum term of options provided for in the 2006 Plan; (f) permit options to be granted to any person who is not an eligible participant; or (g) change any provision of the 2006 Plan which would affect the qualification as an incentive stock option under the 2006 Plan. The amendment, suspension or termination of the 2006 Plan will not, without the consent of the optionee, alter or impair any rights or obligations under any outstanding option under the 2006 Plan.

13

Adjustments Upon Changes in Capitalization. The total number of shares covered by the 2006 Plan and the price, kind and number of shares subject to outstanding options thereunder, will be appropriately and proportionately adjusted if the outstanding shares of Common Stock are increased, decreased, changed into or exchanged for a different number or kind of shares or securities of the Company through reorganization, merger, recapitalization, reclassification, stock split, stock dividend, stock consolidation or otherwise, without consideration to CWBC as provided in the 2006 Plan. Fractional share interests of such adjustments may be accumulated, although no fractional shares of stock will be issued under the 2006 Plan.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE-IN-CONTROL

EMPLOYMENT ARRANGEMENTS FOR LYNDA J. NAHRA

Edgar Filing: COMMUNITY WEST BANCSHARES / - Form DEF 14A

Ms. Nahra has an employment contract, effective January 1, 2007. For 2007, Ms. Nahra's annual base salary is \$225,000. In addition, she has a deferred compensation account established and maintained at CWB for her benefit. To this account, the Company credited \$50,000 on December 31, 2006, and will credit an additional \$50,000 on March 31, 2007. In addition, \$2,000 per month will also be credited to this account during the term of Ms. Nahra's employment. Monthly interest credits will be earned throughout the term of the agreement at the then-current CWB six-month certificate of deposit rate. No funds in this account will vest prior to the date Ms. Nahra attains age 65, and normal payments would not commence until such time as Ms. Nahra attains age 66, whether or not she is employed by the Company. In the event of a change of control before Ms. Nahra attains age 65, Ms. Nahra will vest 50% of the account balance.

Ms. Nahra's new contract specifies that, in the event of termination without cause, she would continue to receive salary and benefits plus deferred compensation for a period of three months. Also, the contract contains a change of control (as defined) clause whereby, if she is terminated within one year following such event, she would be entitled to one year base salary.

Ms. Nahra will be granted options covering 5,000 shares in each of 2007, 2008 and 2009.

Under Ms. Nahra's former agreement, she also earned a base salary of \$225,000 and received 6% of this base salary per annum credited to her deferred compensation plan, plus the monthly interest. The CWB contributions to this old plan were discontinued as of 2007, but interest will continue to be credited until Ms. Nahra's termination. Ms. Nahra is also eligible for an annual bonus at the sole discretion of CWB's Board Personnel / Compensation Committee. For 2006, such bonus amount awarded was \$90,000.

EMPLOYMENT ARRANGEMENTS FOR FORMER CHIEF EXECUTIVE OFFICER AND PRESIDENT

A former Chief Executive Officer and President of the Company is a party to an Executive Salary Continuation Agreement (ESC) with the Company dated January 1, 1994. The purpose of the ESC was to provide an incentive for the former executive's continuing employment with CWB on a long-term basis. The ESC provides the former executive with a salary continuation benefit of \$50,000 per year for 15 years after retirement. Normal retirement under the ESC was age 61. The present value of the contractual liability has been recognized in the Company's audited financial statements. Beginning in March 2004, benefit payments under the ESC commenced.

TREATMENT OF OUTSTANDING STOCK OPTIONS UPON TERMINATION OR CHANGE OF CONTROL

Termination of Employment or Affiliation. Under the terms of the 1997 and 2006 Plans, in the event an optionee ceases to be affiliated with the Company or a subsidiary for any reason other than disability, death or termination for cause, the stock options granted to such optionee will expire at the earlier of the expiration dates specified for the options, or 90 days after the optionee ceases to be so affiliated. During such period after cessation of affiliation, the optionee may exercise the option to the extent it was exercisable as of the date of such termination, and thereafter the option expires in its entirety. If an optionee's stock option agreement so provides, and if an optionee's status as an eligible participant is terminated for cause, the options held by such person will expire 30 days after termination, although the Board may, in its sole discretion, within 30 days of such termination, reinstate the option. If the option is reinstated, the optionee will be permitted to exercise the option only to the extent, for such time, and upon such terms and conditions as if the

optionee's status as an eligible participant had been terminated for a reason other than cause, disability or death, as described above.

Liquidation or Change of Control. The Plans, and all stock options

previously granted under the plans, terminate upon the dissolution or liquidation of the Company, upon a consolidation, reorganization or merger as a result of which the Company is not the surviving corporation, or upon a sale of all or substantially all of the assets of the Company. However, all options heretofore granted become immediately exercisable in their entirety upon the occurrence of any of the foregoing, and any options not exercised

immediately upon the occurrence of any of the foregoing events will terminate unless provision is made for the assumption or substitution thereof. As a result of the acceleration provisions, even if an outstanding option were not fully vested as to all increments at the time of the event, that option will become fully vested and exercisable. All options outstanding at the time of completion of the merger(s) will survive and not become immediately exercisable.

QUANTIFICATION OF TERMINATION PAYMENTS AND BENEFITS -----

Except for our President and Chief Executive Officer, Lynda J. Nahra, none of our Named Executive Officers are entitled to any payments upon termination of their employment or upon a change-of-control of the Company that would not be available generally to all of our salaried employees. Accordingly, the following table reflects the amount of compensation payable to Ms. Nahra in the event of termination of her employment that would not be available generally to all of our salaried employees. The amount of compensation payable to Ms. Nahra upon termination by the Company without cause, termination by the Company for cause, termination by Ms. Nahra upon the occurrence of certain events (as defined in her employment contract), termination following a change of control and in the event of disability or death of the executive is shown below. The amounts shown assume that such termination was effective as of December 31, 2006, and thus includes amounts earned through such time and are estimates of the amounts which would be paid out to Ms. Nahra upon her retirement. The actual amounts to be paid can only be determined at the time of her separation from the Company.

PROFIT SHARING AND 401(K) PLAN

The Company has established a 401(k) plan for the benefit of its employees. Employees are eligible to participate in the plan after three months of consecutive service. Employees may make contributions to the plan under the plan's 401(k) component and the Company may make contributions under the plan's profit sharing component, subject to certain limitations. The Company's contributions were determined by the Board and amounted to \$169,000, \$147,000 and \$137,000, respectively, in 2006, 2005 and 2004.

DIRECTORS' COMPENSATION

CWB's non-employee Directors are paid for attendance at Board meetings at the rate of \$1,000 for each regular Board meeting and \$200 for each committee meeting. If a Director attends a meeting by telephone, only 25% of the above fee is received. Also, in 2006, each non-employee Director received additional discretionary compensation of \$5,000.

The following table sets forth information concerning the compensation paid to each of the Company's Directors during 2006. Compensation paid to Lynda J. Nahra, President and Chief Executive Officer, is not included in this table because she was an employee during 2006 and, therefore, received no additional compensation for her service as a Director.

prior to 2006 (there were no 2006 grants and previous awards were expensed prior to 2006), net of the Company's estimate of forfeitures. The grant date fair value of option awards granted was determined in accordance with Statement of Financial Accounting Standards No. 123R (SFAS 123R) and is recognized as compensation cost over the requisite service period. The terms of the 1997 and 2006 Plans are described in "Employment Arrangements and Other Factors Affecting 2006 Compensation". Furthermore, the amount recognized for these awards was calculated based on the Black-Scholes option-pricing model. See the Company's Annual Report on Form 10-K, at Note 8 to the Company's Financial Statements for the year ended December 31, 2006, regarding the Company's adoption of SFAS 123R, effective January 1, 2006, and its implementation of the new accounting standard and valuation of awards.

(2) Outstanding stock options held by each non-employee Director at December 31, 2006 are as follows: Robert H. Bartlein, 13,545; Jean W. Blois, 15,099; John D. Illgen, 25,099; William R. Peeples, 0; James R. Sims, Jr., 25,099; Kirk B. Stovesand, 5,000; C. Richard Whiston, 5,000.

(3) In accordance with an Agreement with the Bank, in lieu of cash, Mr. Bartlein's fees are deferred and maintained in an account at the Bank and earn monthly interest at the Bank's then current six-month certificate of deposit rate. The balance in this account will be paid to Mr. Bartlein in 2011 upon his attainment of age 64.

There were no CWBC Director fees paid during 2006.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Some of the Directors and executive officers of the Company, as well as the companies with which such Directors and executive officers are associated, are customers of and have had banking transactions with CWB in the ordinary course of business. CWB expects to have such ordinary banking transactions with such persons in the future. In the opinion of CWB management, all loans and commitments to lend included in such transactions were made in compliance with applicable laws on substantially the same terms, including interest rates and collateral, as those prevailing for comparable transactions with other persons of similar creditworthiness and did not involve more than a normal risk of collectibility or present other unfavorable features. Although CWB does not have any limits on the aggregate amount it would be willing to lend to Directors and officers as a group, loans to individual Directors and officers must comply with CWB's internal lending policies and statutory lending limits.

INDEPENDENT AUDITORS

The Company's independent auditors for the fiscal year ended December 31, 2006 were Ernst & Young LLP (Ernst). The Company has engaged Ernst as independent auditors for the fiscal year ending December 31, 2007. Representatives of Ernst will be invited to attend the Meeting. The Company will afford the representatives an opportunity to make a statement, should they desire to do so, and expect that the representatives will be available to respond to appropriate questions.

Edgar Filing: COMMUNITY WEST BANCSHARES / - Form DEF 14A

During the years ended December 31, 2006 and 2005, there were \$5,000 and \$5,000 fees billed by Ernst for other audit-related services. The fees for both years related to Registration Statements on Form S-8 filed with the Securities and Exchange Commission.

TAX FEES

During the years ended December 31, 2006 and 2005, the aggregate fees billed by Ernst for professional services related to recurring state and federal tax preparation, compliance and consulting were \$19,050 and \$24,400, respectively. During the years ended December 31, 2006 and 2005, the aggregate fees billed by Ernst for other state and federal tax compliance were \$19,250 and \$22,555, respectively.

OTHER FEES

During the years ended December 31, 2006 and 2005, there were no fees billed by Ernst for information technology consulting services.

The Audit Committee of the Company reviewed and discussed with Ernst whether the rendering of the non-audit services provided by them to the Company during fiscal 2006 was compatible with their independence. The Audit Committee pre-approves all audit and permissible non-audit services to be provided by Ernst and the estimated fees for these services.

(1) Includes fees related to the fiscal year audit and interim reviews, notwithstanding when the fees were billed or when the services were rendered. Expenses included were billed from January through December of the fiscal year, not withstanding when the expenses were incurred.

The SEC has in effect a rule governing a company's ability to use discretionary proxy authority with respect to shareholder proposals that were not submitted by the shareholders in time to be included in the Proxy Statement (i.e., outside the processes of Rule 14a-8 as described herein under the heading "2008 Shareholder Proposals"). As a result, in the event a shareholder proposal is not submitted to the Company prior to February 28, 2008, the proxies solicited by the Board for the 2008 Annual Meeting will confer authority on the Proxyholders to vote the shares in accordance with their best judgment and discretion if the proposal is presented at the 2008 Annual Meeting without any discussion of the proposal in the Proxy Statement for such meeting.

The Company's Board knows of no business that will be presented for consideration at the Meeting other than as stated in the Notice of Annual Meeting of Shareholders. If however, other matters are properly brought before the Meeting, it is the intention of the persons named in the accompanying Proxy to vote the shares represented thereby on such matters in accordance with their best judgment.

Whether or not you intend to be present at the Meeting, you are urged to return your Proxy promptly. If you are then present at the Meeting and wish to vote your shares in person, your original Proxy may be revoked by voting at the Meeting. However, if you are a shareholder whose shares are not registered in your own name, you will need the Proxy obtained from your recordholder to vote personally at the Meeting.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's officers (as defined in regulations promulgated by the SEC thereunder), Directors and persons who own more than ten percent of the Common Stock to file reports of stock ownership and changes in stock ownership with the SEC. The officers, Directors and greater than ten percent shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of all reports of ownership furnished to the Company, or written representations that no forms were necessary, the Company believes that during the last year its officers, Directors and greater than ten percent beneficial owners complied with all filing requirements.

PURPOSE AND SCOPE

The primary function of the Nominating and Corporate Governance Committee ("Committee") is to assist the Board of Directors ("Board") of Community West Bancshares ("Company") in fulfilling its responsibilities by: (i) reviewing and making recommendations to the Board regarding the Board's composition and structure, establishing criteria for Board membership and evaluating corporate policies relating to the recruitment of Board members; and (ii) establishing, implementing and monitoring policies and processes regarding principles of corporate governance to ensure the Board's compliance with its fiduciary duties to the Company and its shareholders.

COMPOSITION AND MEETINGS

The Committee shall be comprised of a minimum of three members of the Board as appointed by the Board, each of whom shall meet any independence requirements promulgated by the Securities and Exchange Commission, the NASDAQ Stock Market or any governmental or regulatory body exercising authority over the Company (each a "Regulatory Body"), and each member of the Committee shall be free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee.

The members of the Committee shall be elected by the Board and shall serve until their successors shall be duly elected and qualified or until their earlier resignation or removal. Unless a Chair is elected by the full Board, the members of the Committee may designate a Chair by majority vote of the full Committee membership.

The Committee shall meet as necessary, but at least once each year, to enable it to fulfill its responsibilities and duties as set forth herein. The Committee shall report its actions to the Board and keep written minutes of its meeting which shall be recorded and filed with the books and records of the Company.

RESPONSIBILITIES AND DUTIES

To fulfill its responsibilities and duties, the Committee shall:

CORPORATE GOVERNANCE POLICY ESTABLISHMENT AND REVIEW

1. Develop principles of corporate governance including, but not limited to, the establishment of a corporate code of ethics and conduct for all directors, officers and employees of the company and its affiliates, ("Code of Conduct") designed to promote honest and ethical conduct, including the ethical handling of conflicts of interest; full, fair, accurate, timely and understandable disclosure

Edgar Filing: COMMUNITY WEST BANCSHARES / - Form DEF 14A

in the company's periodic reports; and compliance with applicable governmental rules and regulations. The Code of Conduct shall be submitted by the committee to the Board and the Boards of the company's affiliates for their approval.

2. Review and assess the adequacy of the Code of Conduct approved by the board periodically, but at least annually. The Committee shall recommend any modifications to the Code of Conduct to the Board for approval. If so approved, the Company shall submit the revised Code of Conduct to the Boards of its affiliates for their approval.
3. Direct members of the Company's senior management to report any violations of or non-compliance with the Code of Conduct to the committee.

21

4. Be available to members of the Company's senior management team to consult with and to resolve reported violations or instances of non-compliance with the Code of Conduct.
5. Determine an appropriate response to material violations of or non-compliance with the Code of Conduct including, at the discretion of the committee, reporting any material violations of or non-compliance with the Code of Conduct to the appropriate Regulatory Body.
6. Review and assess the adequacy of this Charter periodically as conditions dictate, but at least annually and recommend any modifications to the charter if and when appropriate to the Board for its approval.
7. Review and assess the adequacy of the charters of any committee of the Board ("Governing Documents") periodically to ensure compliance with any principles of corporate governance developed by the committee and recommend to the Board any necessary modifications to the Governing Documents.

BOARD COMPOSITION, NOMINATIONS AND SHAREHOLDER PROPOSALS

1. Evaluate the current composition and organization of the Board and its committees in light of requirements established by any Regulatory Body or any other applicable statute, rule or regulations which the Committee deems relevant and make recommendations regarding the foregoing to the Board for approval.
2. Review the composition and size of the Board to ensure that the Board is comprised of members reflecting the proper expertise, skills, attributes and personal and professional backgrounds for service as a director of the Company. The mandatory retirement age of Board members shall be 80 years.
3. Determine the criteria for selection of the Chairman of the Board, Board members and Board committee members.
4. Evaluate the performance of current Board members proposed for reelection, and make recommendations to the Board regarding the appropriateness of members of the Board standing for re-election.
5. Evaluate and, if deemed necessary, recommend the termination of Board membership of any director in accordance with the Code of

Edgar Filing: COMMUNITY WEST BANCSHARES / - Form DEF 14A

Conduct or any corporate governance principles adopted by the Board, for cause or for other appropriate reason.

6. Review and recommend to the Board an appropriate course of action upon the resignation of current Board members or any planned expansion of the Board.
7. Evaluate and recommend to the Board the appointment of Board members to committees of the Board.
8. Evaluate and approve a slate of nominees for election to the Board and review the qualification, experience and fitness for service on the Board of any potential members of the Board.
9. Review all stockholder proposals submitted to the Company (including any proposal relating to the nomination of a member of the Board) and the timeliness of the submission thereof and recommend to the Board appropriate action on each such proposal.

CRITERIA FOR EVALUATING BOARD NOMINEE CANDIDATES

The Board should be composed of:

1. Directors chosen with a view to bringing to the Board a variety of experiences and backgrounds.
- 22
2. Directors who have high level managerial experience or are accustomed to dealing with complex problems.

 4. A majority of the Board's directors shall be independent directors under the criteria for independence required by the SEC and NASDAQ.

In considering possible candidates for election as an outside director, the Nominating Committee and other directors should be guided by the foregoing general guidelines and by the following criteria:

4. The Chief Executive is expected to be a director. Other members of senior management may be considered, but Board membership is not necessary or a prerequisite to a higher management position.

(Signature, if held jointly)

I do do not expect to attend the Meeting.
