Item 1.01 Entry into a Material Definitive Agreement.

Wells Fargo Forbearance Agreement

On July 31, 2009, NutraCea and NutraPhoenix, LLC, a wholly-owned subsidiary of NutraCea, entered into a Forbearance Agreement and Amendment to Credit and Security Agreement (the "Forbearance Agreement") with Wells Fargo Bank, N.A. ("Wells Fargo"). The Forbearance Agreement relates to credit facilities under a Credit and Security Agreement dated as of December 18, 2008 (the "Credit Agreement").

The Forbearance Agreement identifies certain existing defaults under the Credit Agreement and provides that Wells Fargo will forbear from exercising its rights and remedies under the Credit Agreement on the terms and conditions set forth in the Forbearance Agreement, until the earlier of January 31, 2010 or until the date that any new default occurs under the Credit Agreement. In addition, by October 31, 2009, NutraCea must obtain financing of at least \$1,250,000 in the form of equity or subordinated debt to be used as working capital.

The Forbearance Agreement increased the interest rates applicable to each credit facility to the default rates under the Credit Agreement, which is 3.0% above the applicable interest rate for each credit facility. In addition, the Forbearance Agreement amended the Credit Agreement by (i) decreasing the maximum amount advanced under the line of credit to \$1,500,000 from \$2,500,000, (ii) terminating the term loan, and (iii) and terminating any obligations Wells Fargo has to make any further advances to NutraCea in connection with the real estate loan. Pursuant to the Forbearance Agreement, NutraCea agrees to deliver to Wells Fargo a first priority lien on certain real property located in Dillon, Montana.

Purchase Agreement with Ceautamed Worldwide, LLC

On July 29, 2009, NutraCea entered into a Purchase Agreement ("Purchase Agreement") with Ceautamed Worldwide, LLC ("Ceautamed") with respect to the acquisition by Ceautamed of the following: (1) senior secured convertible promissory notes that Vital Living, Inc. ("Vital Living") issued to various investors in December 2003 in the principal amount of approximately \$4,226,446 and which NutraCea purchased for an aggregate purchase price of \$4,226,446; (ii) 1,000,000 shares of Vital Living's Series A Preferred Stock, which NutraCea purchased for \$1,000,000; (iii) all of the rights of NutraCea in the action entitled NutraCea, Inc. v. Vital Living, Inc. in the Superior Court of Arizona, Maricopa County; and (iv) all of the rights of NutraCea under the security agreements granting a senior security interest in all existing and later acquired assets of Vital Living.

Pursuant to the Purchase Agreement, Ceautamed agreed to pay to NutraCea \$3,600,000 plus a contingent amount based on Ceautamed's gross earnings and revenues. The purchase price was payable as follows: \$200,000 deposit that was paid to NutraCea on June 17, 2009 and the issuance by Ceautamed of a promissory note in the principal amount of \$3,400,000 which shall be paid in 34 consecutive principal monthly installments of \$100,000 beginning on September 1, 2009 with the interest to be paid in equal payments over two months following the final principal payment. The interest rate for the note will be equal to the prime lending rate plus 1% but at no time will the rate be less than 2.5% or greater than 6%. Following the three year anniversary of the effective date of the Purchase Agreement and for a total term of 120 months, Ceautamed shall pay to NutraCea monthly payments equal to 10% of the gross earnings and revenues of Ceautamed ("Earn out"). Each monthly payment under the promissory note and Earn Out shall be paid directly from a lockbox account that Ceautamed shall establish within thirty days from the effective date of the Purchase Agreement. The promissory note and the Earn Out are secured by a first priority security interest in all of the assets in Ceautamed and the assets owned by Vital Living. In addition, Ceautamed executed a stipulated judgment which provides for immediate and final foreclosure of all the collateral in favor of NutraCea and obligates immediate repayment of any deficiencies in the payment of amounts due under the promissory note or Earn Out and will be filed in the event of Ceautamed's default under the Purchase Agreement.

A copy of the Purchase Agreement is attached as Exhibit 10.1 to this report and is incorporated herein by reference. The description of the Purchase Agreement is a summary only, does not purport to be complete and is qualified in its entirety by reference to the Exhibit.
